VIII. Reports — Councils, Boards, Commissions, And Committees

GOALS OBJECTIVES AND COURSES OF ACTION

Resolution For The 1985 Program/Budget

BE IT THEREFORE RESOLVED:

1. That the Conference Council on Ministries develop a coordinated program for the Annual Conference and determine the budget for same.
2. That the coordinated program grow out of the quadrennial goals adopted by the Annual Conference.
3. That the Executive Committee of the CCOM determine which parts of the approved program can best be implemented at the Area, Conference or Regional level and which parts can be implemented best at the District, Sub-district or Local Church level.
4. That the Executive Committee recommend to the CCOM the allocation of monies for programs. It is understood that part of the funds would be allocated to conference boards and agencies for administrative costs and on-going programs; that part of the funds would be retained by the CCOM to fund specific conference programs; that a sizeable amount be set aside for DCOMs to pay for conference-adopted programs of their choosing.
5. That part of the program of the conference boards and agencies which can best be done at the District, Sub-district, or Local Church levels become a "shopping list" for the DCOMs. Further, that the Conference Council on Ministries become the broker/resourcer for the programs to the DCOMs through the various boards and agencies.
6. It is recognized that this proposal represents a major shift in the Annual Conference Council on Ministries commitment to the DCOMs as the locus for conference programs.

GOALS FROM NORTH ARKANSAS CONFERENCE COUNCIL ON MINISTRIES PROPOSED FOR 1985:

1. **STRENGTHENING ETHNIC AND OTHER MINORITIES:**
   To be an inclusive Church in mission the North Arkansas Conference will seek to strengthen Ethnic Minority Local Churches through clergy recruitment and training, open itineracy, lay leadership development, youth empowerment, Ethnic Minority leadership on conference boards and agencies; and develop ministries in relationship to leadership and service as applies to Ethnic Minority persons, women, persons with handicapping conditions, etc. Special attention shall be given to small membership Churches.
2. **LEADERSHIP DEVELOPMENT - Clergy, Laity & Youth:**
   The North Arkansas Conference will design a strategy for the development of leadership among clergy, laity and youth. Special attention shall be given to the method of clergy recruitment, training and in leadership style and the deepening of commitment to ministry, in order to strengthen the local church in its congregational and connectional relationships and in its commitment to its own unique mission to the community and world.
3. **CHURCH GROWTH AND NEW CHURCH DEVELOPMENT:**
   The North Arkansas Conference will mobilize all necessary resources for a concentrated effort to reach unchurched persons. This will include a concerted effort to establish and develop new congregations to better minister to the needs of all persons living within the boundaries of the Conference.
4. **RE-VITALIZATION OF LOCAL CHURCHES AND INDIVIDUAL DISCIPLESHIP:**

Awakening:

We will challenge the Churches of the North Arkansas Conference to evaluate, measure, and implement their ministries in light of a biblical/theological reflection upon the Christian Gospel and the United Methodist heritage, seeking to awaken faith in and to deepen member's commitment to Christ and the Church.

Re-vitalization:

The Local Church will seek to grow and develop new ministries and reach new persons in the community.

5. **GLOBAL ISSUES:**

The North Arkansas Conference will enable local churches to become aware of the global dimensions of their mission and lead them to respond as mutual partners with other persons around the world to such issues as peace with justice, nuclear disarmament, world hunger, militarism, environmental justice and survival, and world evangelism.

I. **STRENGTHENING ETHNIC AND OTHER MINORITIES**

I.2 **TO ESTABLISH A NEW ETHNIC MINORITY CONGREGATION IN THE FORREST CITY DISTRICT**

OBJECTIVE: To start this new congregation with sufficient district and conference financial support to ensure the success of the endeavor. Further, we recommend that the Bishop, Cabinet, and Area Associate Director COM work together to provide trained energetic leadership to the funding of the new congregation. Further, we recommend that the responsibility for this new congregation be assigned to the Forrest City District Board on Church Location and Building. Further, we recommend that the salary support for the full-time ministry of this congregation be in the $20,000 — $25,000 range.

COURSE OF ACTION:

The Area Associate Director COM and the EMLC Committee will communicate with the leadership of the Forrest City District (i.e., District Superintendent, local church pastors, District Board on Church Location and Building, District Board of Mission, District Lay Leaders/Lay Leadership, UMW, etc...) to build a base of support in the district for this new congregation.

BUDGET: We recommend that the new congregation, through the office of the Forrest City District Superintendent, apply for participation in the Church Extension Fund program, and as funds become available, (not previously committed) in the Builder's Shares Program to make application for these funds.

We also recommend $3000 facilitating money through EMLC. This money should be put with all other unused monies in years past which was allocated for the same purpose.

COURSE OF ACTION:

The Cabinet and PPR Committees will seek to bring to reality open itineracy and cross-racial appointments and, that all boards and agencies of the Annual Conference seek to become racially inclusive in their membership and that the chairs of such reflect racial inclusiveness and, that those responsible for recruitment and development of new clergy in the North Arkansas Conference be sensitive to our severe lack of trained ethnic minority clergy and seek to find persons to fill this need.

CHURCH EXTENSION PROGRAM - NORTH ARKANSAS CONFERENCE

The Church Extension Program of the North Arkansas Conference exists to plan for, to undergird, to promote, and to oversee the establishment and development of new congregations within the Conference area; to marshall the resources of the Conference for planning, locating, and building new church facilities, for carrying out church redevelopment or revitalization projects in areas of significant undeveloped potential and to lend Conference support to projects by existing churches to improve or expand their facilities to better serve their parish areas.

Church Extension is a program of the North Arkansas Conference Board of Global Ministries, administered within the board by the Church Extension Sub-Committee of the Committee on Parish and Community Development.

Assistance available through the Church Extension Sub-Committee includes consultation, counsel, and resource personnel for new church feasibility studies, etc.

Funding for projects is made available through grants-in-aid from Church Extension Fund and Builders Shares. Limited loans are made from Conference Loan Fund.

Application

Applications for grant-in-aid from either Builders Shares or Church Extension funds are to be made to the Conference Secretary of Church Extension:

Rev. J. Anthony Holifield
P.O. Box 66
Walnut Ridge, AR 72476
Phones: 886-3141, 886-2227

Applications for loans from the Conference Loan Fund are to be made to Conference Loan Secretary:

Fred Steinegger

An application for a grant or loan being submitted by an established church shall, in addition to the above, be accompanied by a letter of approval (or letters) from the Pastor, Administrative Board Chairperson, and Chairperson of the Church's Committee on Finance.

Applications for a grant or loan for building a new building, obtaining land for a church site, expanding an existing building, or providing a major renovation of a building shall be accompanied by a letter or minutes from the District Committee on Church Location and Building showing approval and support.

Applications for grant-in-aid need to be in the hands of the Secretary of Church Extension by February 1 each year. There can be some action on new church applications at other periods during the first year of the existence of an organized congregation.

Applications may be made for grants or loans from the General Board of Global Ministries through the same officer as listed above, and according to the same policies. All General Board Applications must be submitted by February 1 of a given year.

Applications need not specify the expected source of funding.

Eligibility Requirements:

A church receiving a grant or loan shall have a period of financial stewardship cultivation during each year assistance is given with a report being filed with the Secretary of Church Extension.

A church receiving a grant or loan shall be expected to show diligence in paying its apportionments for the total program of the United Methodist Church.

It is highly recommended that an architect be employed for building and remodeling projects. In most cases, the services of an architect shall be regarded as essential. An architect is available, without charge, through the Board of Global Ministries, to give assitance to churches which have been approved for a General Board or Conference Board grant or loan.

Disbursements of Grants or Loans

In general, disbursement of a grant or loan may be made to a project when the Pastor and the District Superintendent certify by letter to the Secretary of Church Extension that the funds thus made available will, when combined with other available funds, make possible the completion of the project.

Disbursements shall be mailed to the District Superintendent for delivery to the project.

Grants or Loans not claimed by the applying body within three years shall become void on February 1 of the third year following the approval of the application.

Action on Applications:

The P&CD Committee will examine and consider all applications, and shall submit to the BOGM a recommendation for approval, adjustment, or rejection, supplying to the board as much information as possible concerning the situation.

Factors entering into the consideration of applications shall include the evident need for the project, the extension of Christian ministry the project will make possible, the population and area to be reached, the degree to which other churches are serving the area under consideration, the evaluations of the proposed project by the District Superintendent, the Bishop, Cabinet, and district agencies, as well as the results of research by the P&CD Committee. The level of local commitment and effort are also significant factors.

The Church Extension Sub-Committee of the P&CD and the BOGM will act on applications for grants during the month of February and on loans during the months of February and October of each year.

Full approval and authorization for loans from the Conference Loan Fund and grants from the Church Extension fund shall be lodged in the Committee on Parish and Community Development.

RECOMMENDATIONS OF THE EVANGELISM TASK FORCE TO THE NORTH ARKANSAS ANNUAL CONFERENCE

COURSE OF ACTION:

ACCOUNTABILITY THROUGH COVENANT

We believe that each United Methodist congregation has a desire to reach persons for Jesus Christ and to help them become disciples and members of Christ's Holy Church. We believe that each minister desires to lead the congregation entrusted to his/her care into effective evangelistic ministries. We believe that many different evangelistic programs can and will be effective in different congregations. We feel congregations should choose the programs that best meet their local needs and circumstances. *We believe that goals established within a personal convenantal relationship provide an excellent tool for helping pastors and congregations to be faithful, effective, and accountable evangelists.*

Therefore, we recommend that several goals and reporting practices be adopted.

1. At a congregation's Charge Conference, each congregation shall set:
   a. An annual goal for additions on Professions of Faith.
   b. An annual goal for net increase in membership. (1% - 2% - 3%)
   c. An annual goal for average worship attendance.
   d. An annual goal for average church school attendance.

   These goals should be bold enough to stretch the congregation to provide effective ministry, but they should also be realistic and obtainable goals.
2. There shall be a District Meeting for all Pastors in January, 1985. The District Superintendent shall ask members of the Conference Evangelism Committee to present the Conference Program. Each pastor will be asked to Convenant his/her participation in this program and set a personal goal for the number of evangelistic calls[1] he/she will make each week. The number of calls shall be determined by the pastor. The D. S. and the

Episcopal Address To The North Arkansas Conference

Kenneth W. Hicks

At the time of the meetings of the planning of this annual conference session, the idea of a presentation from your bishop came through. At the time I, along with others, was neck deep in agenda, including cabinet meetings, so that the advisability of this at the time was not fully appraised by me. In fact, at times, I have denied it was a consideration in our meeting until I looked back in the minutes and found it so.

I'm not sure how useful it is to describe a trip you have all been on. However, I'm doing this in some measure as a reminder and as encouragement to you, lest you too have forgotten highlights of the journey we have traversed together.

Upon his retirement from the Supreme Court, Justice William O. Douglas sent the following message to his colleagues on the Court: "I am reminded of many canoe trips I have taken in my lifetime. Those who start down a water course may be strangers at the beginning, but almost invariably are close friends at the end. There were strong head winds to overcome, and there were rainy as well as sun-drenched days to travel. The portages were long and many, and some were very strenuous. But there were always a pleasant camp in a stand of white birch and water concerts held at night to the music of the loons; and inevitably there came the last campfire, the last breakfast cooked over last night's campfire, and the parting was always sad.

"And yet, in fact, there was no parting because each happy memory of the choice parts of the journey—and of the whole journey—was a harmonious united effort filled with fulfilling and beautiful hours as well as dull and dreary ones. The greatest such journey I've made has been with you, my brethren, who were strangers at the start but warm and fast friends at the end.

"The value of our achievements will be for others to appraise. Other like journeys will be made by those who follow us, and we trust that they will leave these wilderness water courses as pure and unpolluted as we left those which we traversed."

In mid-July a new bishop will be assigned to Arkansas, and I will be assigned to another area, those assignments taking effect September 1. At the outset, I wish to indicate that I have been supported and encouraged by so many. Elaine and I have not only been made to feel welcome, but furthermore, we have become one of you.

The accomplishments realized have been due to the responsive nature of Arkansas United Methodists. The achievements have been those of the Area and not of myself. However, I have had the privilege to be a participant in them for which I am grateful.

I would like to make reference to some of the things that have occurred because you have caused them to happen. They are accomplishments of our people rather than as personal achievements. You are the ones to be complimented for helping the good things to happen.

1. We have witnessed the appointment of the first ethnic minority district superintendent. It was a breakthrough that had come into its time. I regret that the leadership reservoir of ethnics and women has not been such as would enable me to appoint a woman as well as an ethnic minority person to the cabinets of both conferences. It will be to Arkansas' credit when this can be done.
2. The effectiveness of the Council offices has been enhanced. As changes in leadership took place, it was with a view to strengthening the status of the offices, the quality of leadership in them, and the quality of enablement for our churches to engage in effective ministry and mission.
3. The Area Office of Finance and Management has been increased in efficiency and effectiveness and professionalism by the strong leadership of our Councils on Finance and Administration. I hope you share the pride and appreciation I do in the

quality of persons who carry on ministry in the positions of our Area offices in both of our conferences.

4. Progress has been made as we have encouraged an Area approach to utilize our Council and Area offices for the good of the Area. We have not moved as far in this direction as I would like, but progress has been made. I believe that our Council office leadership should be used for the benefit of both conferences so that the portfolios of responsibility do not have to be duplicated.
5. The United Methodist Foundation of Arkansas has moved from being largely an organization on paper to a status of viability and creativity with a full time director. Already the foundation is managing assets and providing services for more than one million dollars worth of funds as churches and individuals use this office to direct and manage resources intended for specific purposes.
6. Cooperative Parish Ministries is a unit of our Area that has evolved from a theory to an effective reality as an Area policy and the Area director have been put in place. This unit has demonstrated the capacity to revitalize churches and enable the quality of ministries through team ministries. Cooperative Ministries is true to the heritage of our church and the connectional system.

   Our Area has drawn the attention and investment of the National Division of the Board of Global Ministries. Seminaries are making use of our uniqueness as settings for ministers in training as part of seminary education. This effort has provided ministries of hope and mission in places deficient in these components.

   A recent publication of the Board of Discipleship reveals that the total number of members in our small membership churches (those under 200 members) represents 22% of the total membership of our denomination. On a given Sunday morning, worship attendance in those churches makes up, not 22% of all worshippers, but 29%. The church schools in those churches have 29% of all church school enrollees. Even more significantly, 33%, or one out of three persons who attend Sunday School, are in our small membership churches. That should speak a challenging word to us.
7. Criminal Justice Ministries as initiated by our conferences now includes 17 denominations now participating in this ministry to offenders and their families under the direction of a full time director and office.
8. The Hunger Ingathering has been a most exciting contribution of Arkansas United Methodism. For five of the six years we have engaged with other denominations in the enterprise. United Methodist involvement in the first five years produced approximately $550,000 in goods and cash. In 1982 the United Methodist participation approximated $595,000, and in 1983 about $643,000. This is a story of achievement that has been underpublicized. In 1982 as a inter-faith project, $2,250,000 was the result in goods and cash. In 1983 - two and one half million dollars. The point I make here is that this was another enterprise initiated by United Methodists that has no equal around the country.
9. I have encouraged a United Methodist presence in the legislative process. This has been significantly expressed by staff time and by involvement of a number of ministers. We have hosted a breakfast for United Methodist members of the State legislature at the beginning of each regular legislative session. The purpose was to extend our church's interest and encouragement to the members of our church who contribute to the life of our state in this significant way. Also, we have endeavored to highlight the conviction that the political process is an extension of our Christian witness.
10. Considerable time and effort investment has been given to strengthen and enlarge the place of Philander Smith College in our community and our church. The level of participation by our conferences and by our laity in its welfare has been significantly increased to the point that the school is greatly enhanced as a United Methodist presence and as an educational resource in the Arkansas scene.

11. On coming to Arkansas it seemed imperative to lift up the importance of intentional planning and working by goals to be achieved rather than by activity to be engaged in. While we are not yet as effective as we should be, I maintain that it is an emphasis still much needed in order for churches and conferences to be effective and accountable for the time and resources placed at the church's disposal. As conferences we are still too activity centered rather than results centered. Our District Council on Ministries could be an effective key to quality mission and ministry if we will pursue agreed upon goals to be achieved rather than meetings held. I would step up leadership effort in this arena if I were going to be here.
12. Our Area newspaper has been the subject of great struggle. At present it is enjoying significant usage and approval. Many have worked hard to make this possible. We are grateful for the results, and for the staff we now have.
13. Cabinet style has been increasingly one of mutual responsibility for the church as a whole. Over the nearly eight years of experience with the cabinets there has been a greater level of open collegial working together for the good of the conference.
14. The cabinets and Area staff have increasingly worked together in pooling our leadership efforts for the greater good of the whole church. These leaders can maximize their effectiveness as this relationship is further perfected and enabled; and if there is expectation and will by the two conferences that this shall occur.
15. We began to engage the matter of performance evaluation before it was written into *The Discipline*. We still are not doing it well, but much has been learned to the extent that as we constantly evaluate our leadership and, more especially, the goals which we set, effectiveness will be enhanced.
16. Most of our people, clergy and laity, are not aware of the importance of Arkansas United Methodism in ecumenical relationships. This past week, expressions of appreciation were received from the City of Little Rock Board of Directors, and from Arkansas Advocates for Children and Families. The first lady of Arkansas, Mrs. Clinton, and Bishop Donovan, representing the Conference of Churches and Synagogues, and Mr. Gale Weeks, representing the City of Little Rock, sent their greetings. Though these expressions were placed in my hands, they were testimonies to the importance of the United Methodist Church in the impact of bodies of faith to the community at large. One of the denominational heads told me, "The United Methodist Church being there with its stature of being the second largest religious body in Arkansas, *magnifies* what we as smaller denominations can do in addressing the issues we have in common. We are stronger when we stand together." I would add that "so are we". But this is achievable not by the bishop alone. Considerable staff time from our Councils on Ministry is involved in this repsonsible place we hold. Our Council staff in both conferences contributes to this involvement, but a special appreciation goes to Ron Clark who is looked to so often to assist in drawing up documentation and statements, and coordinating our linkage in these interdenominational efforts. It is a responsible position we hold as a church, and one we must not neglect.
17. The North Arkansas Conference is fortunate to have a variety of institutional ministries and to part of their mission. The Methodist Health Systems is one of the most unique and strongest of its kind in the country. Hendrix College is woven into the fiber of Arkansas United Methodism as a strong and viable expression of higher education. Philander Smith College has the glow of a brighter future surrounding it because of the commitment of our conference. The United Methodist Children's Home is moving into areas of child care that are new and unique. The image of its being a home for orphans is being overshadowed by advanced accreditation and creativity. Aldersgate, whose ownership is in a different category, offers a unique arena for special ministries, making it an asset for service to Arkansas for which we are fortunate.

The church has changed in these eight years. Our society has changed. Our work

together becomes more complex in that world of change. In fact, this is an arena of skill and ministry that needs greater attention—ministering to the fact of change. Custom and tradition are not within the comfortable reach they once were. Not only must laity be enabled in this matter, but the leadership role of pastors is still too much oriented to a day that is no longer our day. We cannot live the parochial role model any more.

The opportunity for evangelism and congregational development deserves high priority for the future. Revitalization will call laity to grow in their theology and our pastors to be constantly retooled and challenged for effective witness. The strengthening of the Ethnic Minority Local Church must be given an appropriate portion of consideration in this effort.

The fact that we have less than 2,000 ethnic minority members in our church in this growing state that has 373,000 black population does not speak well of our church.

Arkansas is growing. Our church is blessed with gifted laity who are loyal in great numbers and are ready for challenge. Conferences cannot and will not continue to be clergy dominated. If we clergy know what is good for us we will learn to vision, to dream, and to empower our people for mutual achievement.

The Arkansas Area has helped me become a bishop through these years. I will go into another Area with greater wisdom than when I came. Some modes of operation will be different on my part in my next assignment. Elaine and I are heartily grateful for your patience and your support. We have desired to be, not over you, but with you. You have made that possible to some extent.

You will achieve new heights under new leadership. I think Arkansas needs that new leadership. I will spend as much time with the new bishop as he or she desires to acquaint that person with the office and with the workings of the conference and some of the tools already in place.

The past, for me, will be an offering I give to God. You will receive the benefit of new insights and new strengths. Where I have fallen short, I am sorry. Where I have contributed something I am glad. And that's the way it is.

2a.2. The Health Insurance Program will be open for Probationers, Local Pastors,

The eligibilty of any full-time lay employee of a church will be checked with the pastor concerned. In either case the first premium payment must accompany the application for enrollment before the application can be processed.

3a. That the Charge (church) pay a least 80% of the premium, and the participant pay not more 20%.

b. That 1½% must be added to the premiums to cover administrative costs.

It is the claimant's responsibilty to enroll in Medicare by completing application forms at the Social Security Office no later than three months before reaching age 65.

f. The North Arkansas Board of Pensions pays Health Insurance Program premiums for all retired persons drawing an annuity from the General Board of Pensions; all surviving spouses and children, as well as those persons on Disability Leave, except those who are not in the program at the time of retirement.

HOWEVER, IT IS THE CLAIMANT'S RESPONSIBILITY TO PAY THE PORTION REQUIRED BY MEDICARE.

g. The Health Insurance Program does not duplicate Medicare but supplements it by paying 40% of customary and reasonable charges of that part Medicare does not pay, after the $75 deductible has been satisfied.

4. The Health Insurance Program premiums are due quarterly on the date shown on the statement sent from the Treasurer! All insured persons are responsible for seeing the total premium due is sent to: Mrs. Faye Watson, P.O. Box 119, Marion, AR 72364, no later than the date due.

5. We recommend the following procedure when payment is not received by due date:

a. A second notice will be sent to the Participant 14 days after the due date. A copy of the second notice will be sent to the District Superintendent concerned.

b. A third notice will be sent to the participant and Cabinet Representative 7

days after the second notice with termination date clearly stated.

c. Seven (7) days after the third notice has been sent, and no response made, the participant will be dropped from the Program and the Cabinet Representative notified.

d. When coverage is terminated reinstatement requires a physical examination and approval of the Conference Insurance Executive Committee.

b. Prescriptions must have the doctor's diagnosis for the first prescription only, but not for refills.

c. Full and complete itemized details of all tests and medical services are required and should be included in the claim.

7. The Stop Loss Rider Clause in our policy means your total "out of pocket" expenses for reasonable and customary hospitalization charges cannot exceed $600 per person, or $1,800 per family per year. This includes the $100 deductible.

8. That, as of January 1, 1985, we for from a $100 deductible to a $200 deductible with a maximum of two deductibles per family.

9. That it be the policy of our insurance committee that whatever carrier supplies health insurance coverage to our conference be required to pay the fees of licensed clinical social workers and licensed pastoral counselors (known by membership in A.M.H.C. and A.A.P.C.) at the same percentage rate for physicians and licensed clinical psychologists.

#2: Optional Programs

1. Multi-Peril Insurance for Churches and Parsonages:
We strongly recommend that all churches of the Conference investigate the multi-peril insurance program of the United Methodist Church, offered by the General Council on Finance and Administration. This insurance program now covers the pastor of the insured church for liability arising from counseling situtations. COMPARE! Your church may experience great savings on fire insurance and comprehensive coverage for all church property! Contact: The United Methodist Church Insurance Department, 5th floor, 88 Pine Street, New York, New York 10005. Your local independent agent can broker this insurance and collect commission.

2. Worker's Compensation:

a. We recommend that all churches provide a workers compensation plan for all paid staff, including the minister. See your local insurance agent for details.

b. We recommend and endorse the covering of the District Superintendents and the Conference Council on Ministries staff with workers compensation on one central policy, with compensation coming from the district funds and Conference Council on Ministries funds respectively.

3. We recommend that each charge carry a Home Owners Tenant Policy paid for by the local church.

4. We recommend that the Church add the pastor's name to their church policy so the Pastor's professional property at the Church will be covered in the event of loss.

Report #•: Administrative Matters

1. The Conference Insurance Committee, on behalf of the members of our group Insurance Programs, wish to commend Mrs. Faye Watson for the outstanding

job she has done during the time she has served as the Insurance Treasurer.

2. We recommend Mrs. Faye Watson be continued as our Insurance Treasurer and her salary be $5500 becoming effective July 1, 1984.

3. The estimated budget for July 1, 1984-June 30, 1985:
   a. Treasurer's salary ..... $5,500.
   b. Estimated administrative costs ..... 1,400.

   Please note that administrative costs go up or down according to the number and manner of claim processing. This also includes office supply costs and committee meetings. These budget items will be paid from the 1½% charged on the premiums.

4. We shall continue to work with the District Superintendents to see that all persons who come under the guidelines for enrollment in the Health Insurance Program are enrolled properly and on time.

5. Persons coming into the Conference during our session can obtain enrollment forms from Mrs. Faye Watson, Insurance Treasurer.

THE UNITED METHODIST CHURCH
THE COMMISSION ON EQUITABLE SALARIES

The Commission on Equitable Salaries shall be composed of seven ministers of the Conference and one lay person from each District in the Conference, including one minister and one lay person from churches of fewer than 200 members. The Annual Conference shall elect a chairperson quadrennially. The Commission shall elect a vice-chairperson and a secretary quadrennially. These officers shall compose the Executive Committee. A representative of the Town and Country Ministries of the Conference Board of Global Ministries and a representative of the Board of Ordained Ministry appointed by that Board shall serve as non-voting ex-officio members of the commission.

PURPOSE

The Commission on Equitable Salaries is charged by the *1980 Book of Discipline* with the responsibility of working to improve the conditions, both financial and physical, in which the full-time ministers of the Conference work. The program described below is designed to apply the resources of the Conference toward that end.

SALARY SUPPLEMENTS

The salary supplements shown in the schedule below are designed to relate to the "average cash salary" of the Conference for the year 1983. The 1983 "average cash salary" was $15,359.* The goal of these supplements is to provide a conference member working full-time with an income equal to 90% of the average cash salary.

This schedule shall take effect on January 1, 1985, for that calendar year.

A. Schedule of supplements

Salaries and Allowances	Full Conf. Member	Associate or Prob.	Local Pastor	Seminary Student	Under-Graduate Student

This amount shall be in addition to the Minimum Salary for each classification.

*Equal to the Board of Pensions actual cash salary less 20% for housing.

B. Requirements for Qualification

(1) The Base Salary must be paid by the charge, or an amount equal to 60% of the total proposed salary for the year 1985, which amount shall not be less than that paid by the charge in 1984.

(2) The charge shall pay in full its apportionments for World Service, Episcopal Fund, District Superintendent's Fund, The Equitable Salaries Fund, and the Pension and Benefit Fund. Any underpayments shall result in a proportionate reduction in the amounts of Equitable Salaries Aid given.

(3) An application for Equitable Salaries Aid must be submitted in writing to the Chairperson of Equitable Salaries by December 10, 1984. It must be made on the appropriate 1984 Application Form and be filled out completely. No other form of application will be accepted! The Commission will meet by Janurary 15, 1985, with the District Superintendents to consider applications that were submitted in December, and to approve applications that meet guidelines.

(4) Applications must be signed by the District Superintendent, the Pastor and at least one of the following: Lay Leader, Chairman of Finance, or Chairman of the Administrative Board of the church or charge.

(5) The charge shall submit a report of stewardship cultivation for the year in which Salary Aid is requested.

D. Exceptions

(1) Special consideration may be given to a limited number of charges whose salaries do not meet the guidelines in the Schedule of Supplements listed on the proceding page.

KEY CHARGE

Key Charges shall be related to the Commission on Equitable Salaries by a contractual agreement. The Commission, or representatives from the Commission, shall meet with a committee from the charge which shall include the pastor, the lay leader, the District Superintendent, and two other persons selected by the charge to prepare a contract that outlines the proposed needed salary support of the charge. The contract would be signed by the Chairman and the Secretary of the Commission, the District Superintendent, and three representatives of the charge (two of which shall hold the following positions: the Pastor, the Chairperson of the Administrative Board, the Charge Lay Leader, the charge or local Church Treasurer, the Chairperson of Finance, and the Chairperson of Pastor Parish Relations). The contract shall include the amount of salary aid needed and a specified number of years for which the aid will be needed. The contract can last for up to five years, and the amount of aid granted shall decrease proportionately each year until the amount of aid reaches $0. During the years of the contract, as the amount of aid decreases, the amount of the Charges's support increases, thus keeping the pastor's salary stable. During the years of the contract, the charge shall endeavor to grow in such a manner that it will be able to support its pastor on its own.

Under the Key Charge Arrangement there would be no maximum or minimum salary level requirements, but the level of support would be determined by the Commission and the Charge Committee.

INTENTIONAL MINISTRY TO E.M.L.C. LOCATION

We affirm the recommendation of the C.C.O.M and the Task Force on E.M.L.C. for the

proposed salary and housing support package for a "intentional Ministries in E.M.L.C. Locations Program".

We wish to go on record to commit ourselves to work with the Bishop, Cabinet, Conference Board of Ordained Ministries, and the E.M.L.C. Task Force in implementing this proposal: (Note - See C.C.O.M. Coordinated Program Report for details of E.M.L.C. International Ministries Program.)

C. Other Services

The Commission on Equitable Salaries shall supply information to the charges of the Conference each year describing trends in salary levels, financial considerations, and fringe benefits currently being offered to ministers.

OTHER MATTERS PERTAINING TO EQUITABLE SALARIES IN THE

CONFERENCE

A. In accordance with the requirements of the *1980 Book of Discipline*, the Commission will issue a set of "Guidelines" for pastors and local churches to use in setting salaries, maintaining parsonages, and in other matters pertaining to ministerial compensation. The emphasis will be upon the word "equitable" in relation to the needs of both pastor and parish. Special attention will be given to the nature of the pastor's professional expenses.

B. The Commission will circulate, prior to budget-setting time for local churches, guidelines to assist the pastor, PPR committee, finance committee, the Administrative board, and the District Superintendent in the process of establishing the pastor's package of compensations for the next year.

C. The Commission recommends that Equitable Salaries monies be allowed to accumulate to an amount sufficient to start a new year with such a balance on hand that it may meet the first quarter's obligations for Supplemental Funding, should Equitable Salaries apportionments be slow coming in. In the event that insufficient funds exist to fund all approved requests, each charge shall share proportionately from existing funds.

D. Salary Aid shall be paid on a calendar year basis. However, a charge may qualify for Equitable Salaries Aid within the first three (3) months of the calendar year, provided it meets the Guidelines mentioned above. Such aid, if approved may become retroactive to the beginning of the calendar year.

E. Between regular meetings of the Commission, all applications shall be reviewed and approved by the Executive Committee of the Commission.

F. It shall be the responsibility of the District Superintendent to report to the secretary of the Commission any change in salary (including funds from any source) which would affect Base salary, and consequently the Supplemental Salary aid of a pastor. Any change in ministerial status must be reported.

ENABLING LEGISLATION

A. The Council on Finance and Administration shall apportion to the churches the amounts to be paid into the Equitable Salaries Fund, as required by the *1980 Book of Discipline*, paragraph 931.

B. All monies received by the Conference Treasurer in payment of the Equitable Salaries Fund apportionments shall be distributed in the following manner:
   (1) All Salary Supplements approved by the Commission shall be paid in full as authorized.
   (2) An amount that is set by the General Board of Pensions shall be paid to the MPP/CPP for the following: members in full connection, associate members, full-time local pastors and any others that the Board of Pensions may determine.

   1. That the Conference grant permission to the Board of Pensions to engage in a fund-raising campaign in order to assist in funding the ministers' Pension Plan, with a total program goal of $3,500,000.
   2. That the Conference grant permission to the United Methodist Foundation to seek out individual donors, not to encroach upon any policy in the Conference.
   3. That the Conference grant permission to Camp Aldersgate, Inc, to seek out individual donors for camperships, not to encroach upon any policy in the Conference.
   4. That the Conference grant permission to the Conference Committee on Outdoor Ministries to seek out individual donors for mini-lodges at Nawake, not to exceed $100,000, and not to encroach upon any policy in the Conference.
   5. That the Conference grant permission to the four Wesley Foundations to raise additional funds through a "Friends of Wesley" program under the guidelines already developed by the CCOM staff.
   6. That the Conference establish a Builders Shares Program and grant permission to the Board of Global Ministries to solicit commitments of $100 per year and quarterly "calls" for $25 each from 2500 persons and/or churches or groups.
   7. That the Conference grant permission to St. Paul School of Theology to solicit funds in Arkansas for the establishment of a chair/center for town and country ministries.
   8. That the Conference utilize observance of Golden Cross Sunday (first Sunday in May) as a means of supporting these two programs of the Methodist Hospital in Memphis: a) Clinical Pastoral education, with a Conference goal of $10,000. b) Nursing Scholarships with a Conference goal of $15,000.
   9. That the Conference grant permission to the Christian Civic Foundation to solicit funds, not to encroach upon any policy in the Conference.

G. We recommend that the Annual Conference accept the following Conference Advance Specials for the quadrennium with goals for 1985 as follows:*

Rio Grande Conference	$	7,500
Oklahoma Indian Missionary Conference		7,500
Black Ministries		10,000
North India Conference		6,000

H. We recommend that each church be encouraged to contribute to the Bishop's Advance Special to be administered by the Bishop of the Arkansas Area for mission needs.

I. We recommend that each District Council on Ministries select and support one or more of the Conference Advance Specials for emphasis in the district.

2. We recommend that the district superintendents when traveling on Conference business shall have a vouchered expense fund of $42,000 for room, board and travel expense; their reimbursement for such Conference related travel shall be at the rate of 18¢ per mile.

F. Conference Council on Ministries Personnel
1. We recommend the following schedule of support for the Council personnel for 1985:

	Salary	Utilities	Total
Director	$34,950	$3,500	$38,450
Assoc. Dir.	$25,655	$3,500	$29,155

3. The Directors when traveling at the request of a board agency, or district, shall have the room, board and travel expense borne by the board, agency, or district. The directors when traveling out of state at the request of a board, council, or agency, shall have their expense paid for by the board, council, or agency.
4. We recommend that the Directors when traveling on conference business, other than that provided for in the preceding paragraph, shall have a vouchered travel pool of $12,000, and their reimbursement for such Conference travel shall be at the January 1, 1985 IRS business rates.

G. We recommend that the Pastor's Moving Expense Fund continue to be distributed at the same rate and under the same conditions of eligibility described in the 1976 Journal.

III. Other Recommendations
A. We recommend that the Annual Conference authorize payment of $2,500 from

Contingency Fund balances in 1984 ($500 per month commencing in August) and apportion $6,180 in 1985 as the North Arkansas Conference one-half of the expense of leasing an episcopal residence for the Arkansas area.

B. The conference boards and agencies which receive funding from the annual conference and/or line item apportionments must have those funds managed by the Area Treasurer's office.

C. That the Conference direct the Area Treasurer to withhold dispersal of funds to any agency, institution, or organization until CFA has received the most recent audit of a Public Accountant or Certified Public Accountant from that agency, institution or organization and that audit has been found satisfactory by the audit committee of CFA.

D. That the Conference authorize the appointment of a study committee to be appointed by the Bishop, composed of two members of the CFA, two immediate past members of the CFA and two members of the Council on Ministries to study the advisability of the establishment of a Conference Administration Fund for all of the Administrative expenses of the Conference.

The committee shall bring their findings to the Annual Conference upon the completion of their study.

E. That there be applied to all 1985 apportionments a uniform percentage "pad" of three per cent. (Such a "pad" has been added to and IS REFLECTED IN all apportionments appearing in this report.)

F. That all interest earnings on Conference monies be credited to the Conference Contingency Fund.

G. That the cash assets of the Conference be handled in a manner that will insure adequate liquidity to protect the safety and soundness of all funds. A basic consideration is to maximize the income of the Conference while insuring that the bank balances at all times should adequately cover the day-to-day operations of the Treasurer's Office.

We further recommend that all investments be kept at the highest rate of interest available, always fully insured on a short-term basis, generally ninety days, and never over six months without approval of the Investment Committee of CFA. Although there may be times when various monies can be invested for longer periods, long periods of time are discouraged because of unforeseen needs for funds and the volatility of interest rates.

When the Area Treasurer is unsure about an investment, it is recommended that she consult with a majority of the Investment Committee of CFA. This policy is intended to be flexible in its operation in order to deal with rapidly changing economic conditions.

This policy may be amended from time to time to meet changing situations and to enhance the income of the Conference.

Foremost in consideration of this policy is the maintenance of adequate funds and the avoidance of speculative investments.

H. That the Conference provide funds for the stabilization of the monthly income for the Arkansas United Methodist and guarantee 90% of the monthly income form the apportionment and that the fund be adjusted quarterly.

I. That the Conference acknowledge the need for maintaining monies to be used as needed for the stabilization of the accounts of Wesley Foundation, Arkansas United Methodist, Church Extension, District Superintendents, Council on Ministries, and Cooperative Parish Ministries (approximately $50,000).

J. That participation by the Conference in area programs must not exceed 50% of the cost of that program, with exceptions approved by the CFA.

K. That the Conference retain 50% of the Missional Priority Fund for Conference projects related to the ethnic minority local church.

IV. Administrative Concerns

A. All requests from institutions shall be presented to the appropriate board or agency of the Conference for recommendation before presentatiopn to the CFA.
B. All persons authorized to vouch for funds shall be identified by agencies and approved by the CCOM prior to the dispensing of funds.
C. All apportionements shall be received by the Area Treasurer by 2:00 p.m. on Wednesday after the first Sunday in January.
D. Each charge shall declare all ministerial support. The report shall include remuneration for salary, travel, utility expense, insurance, social security, all additional compensation paid to the pastor or on behalf of the pastor.
E. All benevolent and connectional funds shall be sent to the Office of Finance and Management, P.O. Box 3364, Little Rock, Arkansas 72203, except for the following which shall be sent as designated:
   1. Arkansas Methodist Children's Home Christmas offering and special gifts to the Office of the Superintendent, 2002 Fillmore, Little Rock, Arkansas 72204.
   2. All insurance premiums be sent according to the instructions from the Committee on Group Insurance.
F. We recommend Mrs. Ann Onstott be elected to the office of Conference Treasurer.
G. We express our appreciation to Ms. Ann Onstott and her staff for the excellent service they perform for the Conference.

Phyllis Hall Johnson, Secretary

COMMITTEE ON POLICY AND REVIEW

The Committee on Policy and Review, in keeping with the duties assigned to it, and after careful consideration, make the following recommendations:

I. 1. Reimbursement for travel be on the following schedule:
   A. 1 Person - 18¢ per mile
   B. 2 Persons - 19¢ per mile
   C. 3 Persons - 20¢ per mile
   D. 4 Persons - 21¢ per mile
2. Persons traveling to Board and Agency meetings within the State of Arkansas by Air Transportation or other means of public conveyance shall be reimbursed at Conference rate of travel for one person.
3. Motel allowances shall be twenty dollars ($20.00) per day.
4. Meal allowances shall be five dollars ($5.00) per meal.
5. All boards and agencies highly encourage (1) carpooling, (2) block rental of motel facilities, (3) use of conference camps or local church facilities when possible, (4) use conference telephone calls if business can be completed at lesser expense.
6. We recommend that the Committee on Policy and Review be authorized to review the travel allowance semi-annually and, in light of fluctuating costs of gasoline, be authorized to alter the travel allowance. Also, that they be authorized to ask the various boards and committees to contribute a proportional amount to the travel and expense fund of the Conference from their budgets.
7. All vouchers for travel, meals, lodging and other expenses be within thirty (30) days of incurred bill.
8. We recommend that for meetings held out of state that Annual Conference boards and agencies consider sending not more than two persons if air travel is involved. When it becomes essential or important to send more than two persons to an out-of-state meeting, we recommend that the board or agency chairman and the Conference Council Director confer and plan travel arrangements that will take

into consideration economy of time and finances. We further recommend a per-diem allowance up to $45 per day ($30 for room and $15 for meals) for out-of-state meetings.

9. We recommend that it shall be the policy of the Annual Conference that all funding for meetings must be presented to the proper board or council before the meeting takes place. It shall be the policy of the Annual Conference not to fund a meeting after the fact.

These rules shall apply to United Methodist meetings only (meetings planned and sponsored by an official board or agency of the United Methodist Church).

We further recommend that travel, room and board expenses to meetings not planned and/or sponsored by United Methodist Boards and agencies not be funded by Conference funds.

II. In keeping with the priorities of the program of the General Church with regard to Ethnic Minority Local Church programs, we recommend:

1. The Annual Conference continue the policy that receipts from the sale of former Southwest Conference properties be designated to strengthen black ministries in the North Arkansas Conference.

We respectfully recommend and submit this report.

Bob Orr, Chairman
J. Ralph Hillis, Vice Chairman

STANDING RULES
CHANGES & ADDITIONS

Policy and Review recommends the addition of standing rule 20., to read as follows:

(20) Pastors who are to move following appointment changes at the Annual Conference shall be instructed that they are not to receive any of the June salary from the charge which they are leaving; thus stating the Conference appointive year and pay period as being June 1-May 31.

This standing rule simply records the decision resulting from a study on pay periods for pastors involved in conference moves. (Annual Conference Journal for 1983, page 159)

THE BOARD OF ORDAINED MINISTRY

The purpose of the Board of Ordained Ministry is to provide support and resources to those men and women whose vocation is lived out in covenant fellowship of the Ordained Ministry of the Annual Conference. The aim of our work, therefore, is to fulfill faithfully our reponsibilities to the persons entrusted to our care — at every stage of the pilgrimage of their ministry — as well as our responsibilities to the Church. This board seeks, through the diversity of its members and its approach to its tasks, to reflect and affirm the pluralism which makes rich the weave of the tapestry which is United Methodism. We reaffirm our commitment to adhere faithfully to the requirements of the Discipline in all matters related to the Ministry.

I. POLICY AND PROGRAM

A. The financial resources of the Board will be disbursed in the following ways:

1. For the normal work of the Board and its officers in fulfilling our responsibilities to persons related to the Board in preparation for ministry.
2. For financial assistance to students enrolled in the Master of Divinity program (or its equivalent) in seminaries listed by the University Senate of the United Methodist Church, and to candidates enrolled in basic degree programs for Diaconal Ministries. Priority shall be given to students enrolled in United Methodist institutions. Grants will be made on the basis of basic tuition. Grants will be given for not more than four seminary years. To be eligible for grants students must have received the Certificate of Candidacy

and be attending an approved institution. Students are expected to provide information concerning their standing and circumstances to the Registrar J. Cliff Christopher. The Grants Officer for the Board is Bonda Moyer.

B. The Course of Study Schools:
   1. Local Pastors attending the Course of Study Schools at St. Paul School of Theology or Perkins School of Theology will receive financial aid from the Board based on tuition and room-and-board expenses.
   2. The Board will no longer be able to pay for books for the Course of Study Schools.

C. The Arkansas Pastors' School:
   We will support the Arkansas Area Pastors' School by providing funding in the amount of $1,000.

D. Continuing Education:
   1. The Board has adopted a Guideline for Continuing Education in conjunction with the Board of Diaconal Ministry which establishes an expectation of ten Continuing Education Units during a three-year period. (The Guidelines have been circulated are available from the Chairperson of Continuing Education Nicholas C. Lascaro.
   2. Special emphasis will be given to group-study programs such as district or sub-district groupings.The Board will also plan and provide several studies across the Conference in 1985 to futher enhance the opportunities for continuing education credits. The Board will provide $325. per district for continuing education.
   3. We recommend that each local church or charge allow the pastor Continuing Education leave time as provided in paragraph 441.2 of the *Book of Discipline*. This leave should not be considered a part of the pastor's vacation.
   4. Since the Board will no longer fund individual continuing education projects, we further recommed that each local church or charge provide in its budget a Continuing Education Fund. This item should be separate from salary, utilities, and other expense items and should not be counted therein. This fund should be a reimbursed expense to encourage professional and personal growth. We request that each District Superintendent make this an item of inquiry at each Charge Conference (par. 441.3).

E. Office of Pastoral Care and Counseling:
   We recommend the continuation of pastoral care and counseling services to pastors and their families. The Advisory Committee on the Office of Pastoral Care and Counseling approves the office of William R. Barling as the office which conducts testing and evaluation for the Board and as a source of counseling for clergy and their families in our Conference.

   This address is:
   William R. Barling
   2200 Main Street
   Post Office Box 5789
   North Little Rock, AR 72119
   (501) 758-4671

F. In consideration of paragraph 414.4 and 424.4 of the *1980 Book of Discipline* the Board will require psychological evaluations of persons seeking membership in the Annual Conference.

II. RECOMMENDATIONS

A. We recommend continued emphasis on the Ministerial Education program and our United Methodist Seminaries. We ask that each local church pay its full apportionment of the Ministerial Education Fund. The portion of this fund which is retained in the Annual Conference provides the Board's funds for Continuing Education, Tuition Grants, support for persons attending the Course of Study Schools, and the Arkansas Pastors' School.

B. We recommend that those persons desiring to make inquiry concerning the Ordained Ministry as their vocation secure proper application forms for Candidacy from their District Superintendent or from the Assistant Registrar for Candidacy, and local pastors Lewis T. See, Jr.
C. We recommend that each pastor become familiar with the Candidacy for Ministry process in order to give proper counsel to members of his/her congregation. Each individual entering the Ordained Ministry must complete the Candidacy program.
D. We recommend that local churches (and especially Committees on Staff/Parish or Pastor/Parish Relations) become familiar with the Disciplinary provisions which relate to Ordained and Diaconal Ministry. Local churches have an increasing role in the process through which a person enters the Ministry.
E. We recommend that all pastors be encouraged to attend the Arkansas Area Pastors' School to be held August 20-23, 1984.
F. We recommend that congregations in the North Arkansas Conference be encouraged to participate in the seminary intern program.

BOARD OF CHURCH AND SOCIETY

On the eve of the 1980 Quadrennium, this Board stated that it would "organize itself for the promotion of the Social Principles among the people called United Methodists, and work for reform where those principles are in conflict with social practice." We understood those principles to be theologically sound, reflecting biblical guidelines and Christ's call to Christian stewardship. As Methodists we took further guidance from John Wesley's statement (1739), namely, "The Gospel of Christ knows no religion but social; no holiness but social holiness." We understood the principles apply equally to our Board, to the Conference, and to local churches as well as to the communities in which we live. We hope the time, efforts, monies, and resources used by the Board since then have confirmed our adopted purpose.

In 1984, let it be said that the Board of Church and Society will lead local churches, the districts, and the North Arkansas Conference to renew commitments to these basic principles. In doing so, we accept the program objectives set out for the 1982-1986 period by the General Board of Church and Society, namely: eliminate racism and sexism, work for peace with justice, establish a just ecomomic system, and practice environmental stewardship.

Our proposed programs for 1985 may be found in the "Coordinated Report of the Conference Council on Ministries." They address the leadership development of newly elected Board members, the education about, and communication of, global issues to North Arkansas Methodists, the enlargment of media networks by which United Methodists may be more politically active, the consciousness raising and education about environmental issues, and a much larger effort in support of peace with justice and the inclusive church. This Board sees itself to be a communications agency, a program resource bank, and a clearing house by which United Methodists may identify and act on concerns affecting church and society.

During this quadrennium our programs have reflected a concern that the local church interests need attention from conference boards and agencies. We welcome and solicit concerns of the local churches and the districts. We encourage every church to name a Church and Society chairperson with active committee members, whose work will stimulate the local Councils on Ministries to address local and conference goals effectively. With this in mind, we offer for 1985, a program whereby trained leaders will be available to churches and other United Methodist groups biblical/theological seminars on such issues as: family violence, refugee rights to sanctuary, homosexuality, human rights, women and health, the inclusive church, and other desired critical topics. This

program is addressed to the North Arkansas Conference goal of "revitalization of local churches and individual discipleship," emphasizing church involvements in justice ministries.

Continuing Board activities include: support of the interchurch Criminal Justice Ministry, support of an alcohol and drug abuse ministry, publishing and distributing the *Arkansas Alert* legislative newsletter and presenting resolutions on behalf of social concerns to the North Arkansas Annual Conference.

In the words of the *Book of Discipline of the United Methodist Church,* 1980, the Board of Church and Society hopes it demonstrates to "the members of the United Methodist Church and to society that the reconciliation which God effected through Christ involves personal, social and civic righteousness."

EVANGELISM COMMITTEE

Do you remember 1948?

In 1948 the Annual Conference of North Arkansas met in session at First United Methodist Church in Fort Smith . . . October 13-17, 1948.

The District Superintendents were: S. B. Wilford, R. E. Connell, Elmer Hook, Cecil Culver, Ethan Dodgen, J. Albert Gatlin, J. Kenneth Shamblin, E. B. Williams.

The statistical table at the end of that year's journal showed the total full membership of the Methodist in North Arkansas to be: 92,872.

In 1983 the Journal shows for the end of 1982 that Conference had: 92,018.

That covers 34 years — a period sociologists consider to be a generation.

The population of Arkansas was 1,909,511 in 1948. In 1982 it was 2,286,435 . . . a gain of 19%.

I don't mean to belabor these figures or to try to extrapolate from them more than they say. Their significance does seem to indicate, at a minimum, that we have not done our share of winning the new population of Arkansas to Jesus Christ in these last 34 years.

If we were a minor branch on the Church's family tree, that might be understandable. Or if we preached some aberrant, extremist version of Christ's Gospel, that might also explain our poor performance. But neither is the case. We, United Methodists — in all respectful modesty — are a *primary trunk* of the family tree, and we represent the most vitally effective blend of evangelical fervor, personal piety, and social action the world has seen in the past 250 years!

So what happened?

Our Annual Conference in session last June, in an improbable moment — 11:50 a.m., as I recall — hastily authorized a group of its members to try to get some answers instead of rearranging Nashville's verbiage and multi-media offerings.

The feeling was, as I perceived and tried to analyze it, that our problem was not contained in the file cabinet drawer marked "methods", but rather in the mind and heart of the person sitting at the desk in the pastor's office who has become unsure what his/her evangelistic responsibilty is.

Many felt we were wasting time year after year talking about "How to" when we had forgotten "why we should".

The Study Committee thus hastily established and commissioned, understood its task to be to examine all the factors we could isolate that bear upon the accomplishment or non-accomplishment of our fundamental call to help persons of all races, all stations, all economic circumstances, all educational levels to find a personal Lord and Savior in Jesus of Nazareth and to set out eagerly and with commitment to be a full time disciple of His.

We talked about matters theological.

We talked about matters institutional.

We tried to examine how our presentation of the Gospel is filtered through bad press, ambiguous handling of social issues, in a world seemingly determined to have no heroes.

We also talked about our organizational stances - the appointive process — short pastoral tenures — clergy morale — lay morale — everything anyone felt had a bearing on our situation.

We were, at this time, inundated in talk, literally drowning in polysyllabic pap.

Then a thing we ought to have expected - but didn't - happened.

In the midst of our assessment of problems, our morose meditations on the pathology of a rigid body — *the corpse began to move*!!

God reentered our deliberations when we invited Him or became quiet. Having gone through our routine, habitual practice of relying on ourselves and our great institutional wisdom — we were in a state of near-despair — and the corpse moved!

Somebody said:

> "There is enough undiscovered truth in the Bible to produce a new evangelical awakening in every generation!"

Someone else said:

> "No method will energize us - we must energize the method."

Someone said:

> "In Korea the United Methodist Church last year opened 300 new churches — if we in North Arkansas had the same ratio, we'd have opened 38 new ones . . . "

Someone said:

> "I opened up an opportunity for visitation evangelism in my Church and was swamped with volunteers . . . "

Another said:

> "A layman in our Church *asked* for the evangelism job! He called 70 persons to visit one night a week and got 64 yeses!"

Before we were aware what was happening God took us off the negative, apologetic kick we'd indulged in — He reassured us that the United Methodist Church *was* His, *is* His, and *will be* His!

We began talking about the live possibility of a spiritual awakening in our day and in our Church!

We know not everybody wants one. But we are convinced that the percentage of laity and clergy who *do* want God to do an exciting, revitalizing thing among us and with us is overwhelmingly high!

Then a sobering realization came over our group—

> "We can't program a reawakening."
> "We can't legislate a new outbreak of God's love and power."
> But we *can want* it!
> we *can pray* for it!
> we *can seek* it!

And we plan to.

But we are - after all - United Methodists, and so we tried to figure out what we could do to help. We offer some emphasis — some parts of our report will require Annual Conference adoption and enablement — we present some programmtic plans.

Some have no price tag - others have some projected cost factor. You will see that no effort is made to solve our problems with dollars.

We have organized around seven goals:

1. To encourage accountable, systematic commitment to evangelism as a vital ongoing ministry of the Church . . . perhaps THE vital longing ministry. We will ask for guidelines to be developed by the Bishop and the Cabinet that will make it clear that evangelism is a prime expectation of every pastor in every charge. No budget request.
2. Adoption of a plan for determinate prompt resolution of accounting problems in the

rolls of United Methodist Churches in North Arkansas.
No budget asking.

3. A high priority ministry of spiritual formation for pastors. We strongly request that each District hold at least one retreat for ministers and spouses each year.
No budget asking. (Printing and Postage)
4. Confirmation - Membership Training - Discipleship Training. We urge that one (minimum) training event be carefully planned and scheduled in each Church/ Charge each year. Where custom and tradition do not encourage the use of the name Confirmation we urge the process *not* be omitted but continued under a more locally agreeable nomenclature.
No Budget asking (Printing and Postage)
5. New Church Planting
We enthusiastically commend and encourage support for the Church Extension program now in operation. We believe, however, that other models of church planting are viable and traditionally appropriate for the United Methodist Church. Some of these models may not require the large initial financial outlay.
We plan one Conference level workshop with and for District teams on Church Location and Planting.
Budget Request: $1,400
6. We recommend an awards program in which Churches that are using singularly effective techniques of outreach, reclamation and assimilation may be honored at Annual Conference.
No Budget request. (Printing and Postage)
7. We respectfully request that the services of worship at Annual Conference be strengthened and given strong new emphasis. We request an item for adding to the modest sum available for the Conference preacher. We would like to see everything possible be done to make Annual Conference a spiritual feast as well as a business session.
Budget Request $750
Printing and Postage - $2,500
Program - $2,150
Total - $4,650

OUTDOOR MINISTRIES

The Conference Outdoor Ministries Committee consists of District Coordinators, District Camp Managers and District representatives.

CAMP DIRECTOR CERTIFICATION PROGRAM

Certified Camp Directors are to receive $20 per camp day honorarium. The honorarium is to be divided evenly in the case of co-directors. The money for this honorarium is to come from registrations. All Conference and District Camps are to be involved in this program.

$7 is to be included in the camp registrations. $3 will be used to pay the insurance on each camper and $4 will be used to pay the camp director honorarium. Camp directors must attend the annual training event for directors to receive the honorarium.

FUND RAISING

The Outdoor Ministries Committee wishes to retain the right to raise $100,000 for development on Nawake. About $9,000 has been raised toward this goal as of November, 1983. Part of this came from timber management and part of it came from the 1983 fund raiser at Nawake.

LEASES

An oil and gas lease agreement has been drawn up and is ready to be offered. This was done out of response to inquiries concerning oil and gas leases on Nawake. This is the lease proposal: 1. 5-year lease term, 2. 1/6 royalty, 3. Negotiate for $50 per acre, 4. No trespass clause - this means they cannot drill on Nawake without our consent as to where.

NAWAKE MASTER PLAN

A Master Plan for development of Nawake was prepared by The Committee on Camps and Conferences of the North Arkansas Conference of The United Methodist Church and Charles C. Stott, Conference Center and Camp Planner from Raleigh, North Carolina, This report was prompted by a study done concerning needs of Outdoor Ministries for the future. It was indicated that a centralized program and location was needed. Nawake was purchased and the Master Plan completed in 1977. The Outdoor Ministries Committee of the North Arkansas Conference has worked toward development of that Master Plan.

Old buildings have been removed, a Caretaker-Director has been obtained and timber management has been underway for several months.

A Nawake Development Committee has been formed and functioning for most of 1983. This committee is made up of representatives from Outdoor Ministries, Methodist Foundation of Memphis, Health and Welfare of our Conference, Hendrix College, Philander Smith College, Conference Council on Ministries and other agencies of the Conference.

The Nawake Development Committee engaged The Cromwell Firm Inc.; they are architectural, interior design and construction management people from Memphis.

The entire North Arkansas Conference has had an opportunity to give input by way of a questionnaire sent to every pastor and agency in the Conference October 10, 1983.

The results are being used by the Cromwell Firm to plan the entire area of Nawake. The planning will be a refining of the original plan by Charles Stott in 1977.

COMMITTEE POLICY

On October 24, 1983 the North Arkansas Conference Committee on Outdoor Ministries met at First United Methodist Church, Conway. Program policies and guidelines were developed and are to be sent to the Districts for approval.

Outdoor Ministries recommends camping fees for district camps for children and youth be based on the following formula:

> $5 pre registration fee. $10 per day fee to include half days. (Example: a Monday through Friday camp is four nights and two partial days. This would count as five full days and the fee would be $50. A 2 night 3 day camp would be $30). $10 late registration fee to be charged if registration post marked after the pre-registration deadline.
>
> The fee would appear in the camping brochure:
>
> $55 by May 15; $65 after May 15; $5 pre-registration fee with remainder due upon arrival at camp.

Conference pre-registration day will be April 14, 1985.

Excess money from any camp will go to the district camp.

Pre-registration deadline will be two full weeks (14) days prior to the opening date of camp. If pre-registration is postmarked after this date a $10 late fee will be charged. This is due to supply purchases that must be made prior to camp.

Enrollment minimum will be (20) campers and maximum enrollment will be 50 to 60 campers. The maximum will depend upon the campsite and available facilities.

Camp cancellation due to fewer than required minimum campers must still be at the discretion of the camp director in consultation with the camp manager. Cancellation and notification must be made no later than (10) days prior to the opening day of camp and all pre-registrations returned.

The pastor will not be asked to sign the camp registration form but the pastor's name will be given along with the telephone numbers of same and the church.

CAMP SCHEDULE FOR 1984:

COOPERATIVE PARISH MINISTRIES

A recent study of Cooperative Parish Ministries across the United States reveals that there are over 700 cooperatives with at least one in 50% of all the Districts of the United Methodist Church. In Arkansas there are 46 cooperative parishes: 10 organized, 8 probes, and 28 exploratory Areas. The purpose of all cooperative parishes is to do together what we cannot do alone. Through cooperative ministries Arkansas United Methodists are directly involved in mission to the world within which we live.

Through the work of the Office of Cooperative Parish Ministries, Arkansas leads the nation in innovative and unique ministries. The whole church is looking to our leadership in new models of ministry.

I. GOALS FOR 1985

A. The Area Office will continue to provide training and consultation to the parishes we have and to work to assist those areas which are requesting help in setting up parishes in their area.

B. The Area office will continue to encourage cooperation and training for the clergy and lay leadership of parishes as well as to assist the Cabinet and Conference in appointing clergy who will help the mission of the church through cooperation.

C. The Area office will work closely with the Conference Staff, Boards of Global Ministry, Parish and Community Development Committee, and Conference Council on Ministry in intrepreting and encouraging cooperation throughout the Arkansas Area.

D. The Area Office will work with the General Board of Global Ministries National Division in stengthening the mission work of the Church.

II. THE UNIQUE ARKANSAS MODELS OF COOPERATIVE PARISH MINISTRIES

The historic model of Cooperative Parish Ministries was modeled upon the work of Marvin Judy. This model placed all the churches in a geographic area in a parish. The focus of cooperative parish has been in small churches in the rural area. We in Arkansas do much in small membership churches in the rural area but are not limited to that. Flexibility in mission has become our norm. Here are some of the creative examples we have and are planning in 1985.

A. We have rural parishes that are ethnic. Southwest Parish in the Hope District and Marianna Larger Parish in Forrest City District are two examples and through the Area Office they received $5,000 in 1983 from the National Division.

B. We have integrated parishes like Tri-County, John Wesley, Fayetteville, Conway-Perry, Three Rivers, etc.; white and ethnic churches working together in mission.

C. We have parishes that defy the barriers around them crossing rivers, mountains, and miles, as well as county, district, and even conference lines. Lawrence County, Buffalo Island, Marion/Baxter, Carroll/Madison, Boone/Newton, North Lonoke/West Prairie, and MUMCOR are all examples that barriers can be overcome.

D. We have urban and mixed rural and urban parishes. Southwest Little Rock Metro, MUMCOR, Benton County, Fayetteville, and Boone/Newton are good examples.

E. We have unique forms of mission and ministry in Cooperative Parishes.

1. We have four Church and Community Workers, two in each Conference.
2. We have six pastoral interns in 1985 from two seminaries to place in training.
3. We will place up to four summer youth ministers in CPM settings.
4. We have a CPM Enabler in Benton County for 1984-1985.
5. We have the only Area Director of CPM in the United Methodist Church and there are a number of areas moving in this direction as a result of studying Arkansas.

Arkansas leads the way in innovative ministry through Cooperative Parish Ministries. As the barriers to ministry fall, the next one hundred years will produce stronger churches working cooperatively to be the United Methodist Church in Arkansas and America.

ARKANSAS UNITED METHODIST

The *Arkansas United Methodist* completed its first year on the plus side.

Subscriptions and advertising exceeded the goals outlined in the original proposal which was approved by both Conferences in September 1982. The support of the clergy and lay people throughout the Conference was evident, in comments and letters to the editor and in the number of churches which accepted and paid their apportionments and individuals who requested a paid subscription.

Also, there was a good flow of news from the churches and districts, the most important thing to keep the paper going.

There was no way to predict the financial picture, but the paper ended the year with a comfortable balance.

Circulation rose to almost 10,000, and it appeared that it would continue to increase in 1984.

The feeling at the end of this first year is that the paper is meeting the expectations of Arkansas United Methodists and living up to the directives dictated by the joint committees that created it.

The future looks good.

THE UNITED METHODIST FOUNDATION OF ARKANSAS

The year 1983 was a banner year for your Annual Conference Foundation. Assets more than doubled, and at year-end exceeded $1,000,000. The Foundation now manages 31 various charitable funds serving a wide array of United Methodist purposes.

Numerous factors have made your Foundation's growth possible. First, we may pay tribute to our giftmakers. They are dedicated United Methodists living out their faith through significant, sacrificial giving. Association with these persons is a great reward. Second, the ministers of your conference have been most supportive. They are regularly referring prospective giftmakers to the Foundation. Third, appreciation should be expressed to the Foundation's board of directors. They willingly give of their time, talent, and resources. Bishop Hicks is a director of the Foundation, and under his episcopal leadership and support, your Foundation has flourished.

Two reports requiring your attention follow. First, the Foundation's board conducted a legal audit during 1983. One of the recommendations from this audit was to amend the Foundation's articles of incorporation. The amended articles are included in this report for your approval. Pursuant to the existing articles approved by the Annual Conferences in 1963, a majority of the members of the Annual Conference in attendance at its annual meeting may amend the Foundation's articles. No major changes are effected by these amendments.

Second, the Foundation's December 31, 1983 financial statement is made a part of this report. The explanatory notes included for each fund managed by the Foundation may prove helpful in understanding the diversity of the Foundation's ministry.

1984 YOUTH REPORT

This afternoon I will briefly share with you (1) the structure of our CCYM and the work of its priority and event task forces. (2) I will give you a brief overview of our calendar of events, and (3) I will share with you our hopes and goals for the future.

Each member on our council is assigned to two task forces. One event task force and one priority task force. Event task forces are those that simply plan our main events which I'll cover in our calendar. Our priority task forces are those that serve to deal with the issues and problems most pressing on the youth in our conference. They are the task forces that serve to promote and carry on our ministries. We design priority task forces and everything we do to promote the same goals adopted by our General, National Youth, and Annual Conferences. Our priority task forces this year were Revitalization, Media, Spiritual Life, and Youth Service Fund.

In Revitalization we are working on the same goals presented by the Council on Ministries to revitalize local church youth groups and to encourage each youth to make a deeper commitment to Christ and the Church. We have also incorporated into this task force leadership development for youth ministries.

Media task force is working on a comprehensive slide presentation of an entire year of work of the North Arkansas Conference youth on the national, jurisdictional, conference, district, cooperative parish, and local levels. This will be completed for the youth report here in 1985. Media has also compiled a mailing list of all the active youth in our conference which we use to send out information directly to the conference youth through our new newsletter the Grapevine. We decided to do this because not many of our youth make a practice of checking their minister's "file thirteen." It also keeps the kids more informed about what is going on in the conference.

Spiritual Life task force promotes exactly what its title says. Spiritual Life is in charge of devotionals before and after each CCYM meeting. Members are in charge of Morning Watches and Vespers at Jr. and Sr. High Assemblies, and this year they also published a devotional book composed of ideas sent in by youth in the conference. We are very excited about S.L.'s work!

Finally but very important is our Youth Service Fund task force. YSF, as we call it, is the mission drive of the United Methodist Youth across America for projects to help youth throughout the nation. Last year through YSF we were able to meet every appeal for help sent in in the time requested in our conference. Our drive this year has had a good start already as we strive to raise $10,000 by December.

In youth ministries the new year begins in August. This year Bobby Bell, our coordinator, Pam Taylor, our past president, and I had the opportunity to attend the National Youth Ministries Organization Convocation in Syracuse, New York. (This is the youth's version of General Conference.) This provided a great kickoff for our year as we came back full of energy and new ideas for the coming year.

Our planning meeting a week later proved very fruitful as we set the stage for the year's coming events and chose our theme for the year, One in the Spirit. Our first Conference-wide event was a new one we started this year and hope to continue each year. In February we had our first conference winter retreat. We called it the Peacemakers Retreat and focused on the General Conference priority of Peace with Justice. This subject was chosen as a result of our P/w/J priority task force last year. Rev. John Christie lead the retreat which enabled several youth in our conference gain a better perception of Peace. First beginning with themselves with finding peace and contentment through Jesus Christ, the Prince of Peace; moving to peace in family and relationships and finally to a global perspective of peace. Our special guests were members of the Arkansas Peace Center who told us about their ideas of peace and their work to promote peace. Also in February we sponsored a youth ministries workshop led by Rev. David Stone and Creative Youth Ministries Models. This event was one of the most beneficial training events that our leaders have ever attended.

On March 9-11 we had the Jurisdictional Youth Conference on Mt. Sequoyah. At this conference Jim Walters of Forrest City became the first Arkansan in modern history to be elected to the Jurisdictional Youth Team. He was elected on the second ballot, an amazing feat considering he ran against twelve opponents!

Coming up in the last week-and-a-half of July we will be having our annual Jr. High and Sr. High Assemblies. Ed Kilborne, a top national youth leader from Georgia, will lead our junior high assembliers as he presents the theme "Hand in Hand" through songs and sermons. He will talk on the three "W" words of the song One in the Spirit -- those ideas being; "Walk hand in hand", "Work hand in hand", and "Worship hand in hand". Sr. High Assembly's theme is "Here is my Hand". Taken from the statement of John Wesley, "If your heart is as my heart -- here is my hand." Sr. High Assembly is geared up to celebrate our bicentennial. We will have a heritage night where all Assembliers will dress in bicentennial attire, and we have news that John Wesley will be joining us for this special event. Our main speakers for the week will be top speakers and members of the Fellowship of Christian Athletes who will relate their different faiths to us as we examine the liklenesses of our hearts in Jesus Christ and join our hands in unity.

Our final event of the year is the event of the nation for United Methodist youth. Reclamation '84 will be August 13 - 16 in Kansas City. It is sponsored by our South Central Jurisdiction and expects an attendance of nearly 3000 youth from across the U.S. Reclamation '84 is referred to as the Great Spiritual Life Rally. It will be an event that promises to be the highlight of this generation of Methodist youth.

As I mentioned earlier, we of the Conference Council on Youth Ministries are excited about the things that we are going to do. In the fall we hope to bring a youth ministries and leadership workshop to each of the districts to help train local youth and youth ministers to build a more effective and active youth fellowship. Also, next summer we hope to send out youth caravan teams to go into churches with inactive youth groups, help these churches set up a comprehensive youth program, and train the youth and leaders to carry on an effective youth group. Finally, because of the strain put on our coordinator, his family, and church, because of the overwhelming responsibilities and time this position requires we pray that some day this burden would be eased by the creationof a full time youth and camp coordinator position.

Because of all I've mentioned, our commitment to the goals of our church, our programs designed to meet the needs of youth today, because of our striving to continually grow in spirit and number, and to offer more and better programs for the youth of the North Arkansas Conference, we are excited about our ministry. We know our generation in on the upswing to becoming more deeply commited Christians and church members alike.

The conference youth would like to thank Bobby Bell for his commitment, dedication, and endless work to improve youth ministries in the NAC, and we welcome our new coordinator to the council, Rev. Roger Beal. We know he will carry on the demanding

work of the council and will strive to present the gospel of Christ in a manner that meets the needs of youth today.

Respectfully submitted,
Wes Hilliard
President CCYM

THE ARKANSAS AREA PEACE WITH JUSTICE TASK FORCE OF THE UNITED METHODIST CHURCH

Peace With Justice was accepted as an unfunded emphasis of *The United Methodist Church* at the 1980 General Conference. A General Church Task Force was established, and Bishop Kenneth Hicks was named Chairperson. The program has had four basic themes from its inception:

1. *A Faithful World.* It helps us better understand that the people of other nations are, like us, children of God, not enemies, and that the real enemy is war, an entrenched and powerful institution perpetuated by human fear, pride, greed and hate.
2. *A Disarmed World.* It inspires us through the prophet Micah's vision, "they shall beat their swords into plowshares and spears into pruning hooks" (Micah 4:3), to seek reduction and eventual abolition of nuclear weapons and even conventional arms and to work for conversion of military research and production to peaceful efforts to meet human needs.
3. *A Just World.* It involves us in creating respect for the human rights of all persons; freedom for every race, religion and culture; economic justice for the poorest nation and weakest person; mutual cooperation for the common good rather than selfish struggle for personal or national advantages.
4. *A Secure World.* It enables us to be supporters of a new international system in which the present balance of power yields to a strengthened framework or international law and justice, to be advocated for strengthening the peacemaking and peacekeeping capacity of the United Nations.

In a word, the aim of the *Peace With Justice Program* is to inspire United Methodists individually and collectively to live as true followers of Jesus Christ in the whole world and to support them in this endeavor.

As this Program has been interpreted by the *Arkansas Area Task Force for Peace With Justice*, three aspects of this program have been highlighted:

1 *Our Roots.* This program stands simply as a specific application of the very kernel of first Christianity and then Methodism as they are lived out, i.e. that the only true religion is to love God and our neighbor as ourselves and the only entrance into this religion is by faith in Jesus Christ (" . . . faith working through love." — Galatians 5:6b).
2. *Our Practice — Personal Peacemaking.* This program is our affirmation that each individual in Christ can and should make a positive difference in this world.
3. *Our Goals.* As the program has been applied in Arkansas three general goals have been adopted which appear relevant to our situation:
   a. *Lifestyle Assessment* — we hope to learn and help others to learn to use our lifestyle as a strategy for love;
   b. *Conflict Resolution* — we hope to learn and help others to learn to use our daily conflicts as a strategy for love;
   c. *Peace and War* — we hope to aid United Methodists individually and collectively to find and to promote a loving instrument of foreign policy which confronts and abolishes the nuclear arms race.

In order to take the first steps toward achieving these goals, eight objectives have been adopted by the Task Force.

1. *Developing a Supportive Network.* The plan here is to make personal contact with individuals. Each of the Task Force members is assigned several with who to correspond.
2. *Setting Up A Statewide Event Entitled Personal Peacemaking: Christians and War.* This will be held at Hendrix College in Conway, AR on April 12-14. The Schedule is as follows:

   Thursday, April 12, 7:00-10:00 p.m. — A discussion led by Mike Clark with the theme,, "What You Do Makes a Difference";

   Friday, April 13, 7:00-10:00 p.m — A panel discussion including Rear Admiral (Ret.) Eugene J.    Saturday, April 14, 9:00-10:00 a.m. — Worship Service led by Ms. Jenni Douglas;

   10:00 a.m. - 12:00 p.m. — Workshop led by Mike Clark; this will begin with two papers, one supporting a nuclear arms build-up, and the other rejecting it;

   12:00-12:45 p.m. — Lunch

   12:45-3:00 p.m. — Workshop led by Mike Clark.

   Child care will be provided. The aim here is to provide a setting in which individuals may hear people with theological, military and political backgrounds speak about nuclear weapons from a Christian perspective. Also, we hope to enlarge our network. Finally, we hope to disseminate information about how to make one's feelings felt in Washington and among businesses that invest in defense industries.
3. *Developement of a Peaceway Package.* We aim here at a program which can be taken to the local church by a person with a minimum of training. This program will at first focus upon the politics of the nuclear arms race and how to affect them. We hope it will become a fixture in local churches and thus provide a base upon which we can expand the materials dealing awith lifestyle, conflict, questions of racism, etc.
4. *Establishment of Ties with the General Church Task Force.* We are in contact with Heidi Hilf, the national staff person for *Peace With Justice.* W are currently waiting for her answer to seven questions
5. *Providing Rodney Shaw with Information Pursuant to His Attempts to Establish an Ecumenical Peace With Justice Coordinator for Arkansas.* Mr. Shaw is approaching the *Advisory Council of the Arkansas Conference of Churches and Synagogues* and hopes with them to obtain funding through the *Rockefeller Foundation.*
6. *Setting Up Annual Conference Tables and Presentations.* We hope to have information about the *Peace With Justice Program* available at the two Annual Conferences.
7. *Reorganization of the Task Force.* We are dividing the labor in order to achieve more effectiveness this way:

Committee:	Personnel:

Half of this figure is being asked from each Annual Conference. Also, we are exploring ways to augment income by registration fees at the events we conduct, selling greeting cards with *Peace With Justice* logo on them, and selling written material.

Finally, there are several objectives which present themselves as achievable in the near future:

1. *Minority Representation on the Task Force;*
2. *Preparing for a Christians and Conflict Program in the Fall of 1984;*
3. *Preparing for a Lifestyle Assessment Program in the Spring of 1985;*
4. *Bringing the Peaceway Package to Local Churches and Expanding Its Program.*

HENDRIX COLLEGE

The academic year of 1983-84 is a landmark event for Hendrix in that on November 22, 1984, the College celebrates 100 years of relationship to the Methodist Church of Arkansas. (Although the College's history goes back another eight years to 1876, this Centennial celebrates 100 years of Methodist Church affiliation.) It is significant that

the College's Centennial comes the same year as Methodism's Bicentennial. We rejoice that this year's session of the Annual Conference is permitting the College to share in a multi-media presentation, a theme that celebrates the Bicentennial and the College's Centennial.

Last fall 990 students were enrolled, up from the 962 of the fall of 1982. Among the freshman class of 292 students, there were 29 valedictorians, 7 salutatorians, 17 National Merit Scholars, and Arkansas's two presidential scholars. Approximately 85 percent of the student body comes from the State of Arkansas, yet it is international in scope in that 28 students are international students or have alien background. Some 40 percent of the students are United Methodist in church preference. The ACT average for the entering freshman class this fall was 24.2, compared to 23.29 for the entering class of 1982. It is anticipated that the College will graduate 226 seniors in 1984, compared to 202 in 1982.

Some personnel changes have occurred since the previous report. We now have a new vice president and dean of academic affairs who is Dr. John Churchill. Our nation-wide search for a dean of student affairs is nearing completion.

The completion of Fausett Hall, replacing the old administration building that burned in February 1982, and the renovation of President's Hall has us in excellent shape for facilities. We are currently doing some preliminary study of the possibilities of an addition to Couch Hall to meet the rising need for student housing on campus.

Currently we are in the process of celebrating "A Century of Excellence" by making plans for "the first decade of the second century." A principal emphasis of this 10-year thrust is to increase endowment by some $10 million, restricted for scholarship. The concern is to continue to care for financial need in scholarship offerings but to greatly enhance academic merit scholarship offerings. In 1980 we launched the United Methodist Church Endowed Scholarship Program with a goal of $800,000 to be raised by the close of 1984. That goal is in sight, as churches, families, and individuals throughout the state continue to make the $10,000 commitment for these endowed scholarships for our Methodist students.

> "The Hendrix mission, given more than 100 years ago by the Church, is to offer distinctive academic programs in the liberal arts, in the setting of a small, coeducational, undergraduate, residential college, dedicated to building whole persons. Hendrix aims to graduate growing, alive, objective persons who, in turn, look for ways to use their new-found intellectual, social, spiritual, and physical talents in serving God's creation."

This mission statement continues to provide the focus and motivation for all our efforts and activities. We solicit your continued concern and support for our church related college as we all constantly renew our investments of talent, time, energy, and financial resources into the mission of this great college of ours.

PERKINS SCHOOL OF THEOLOGY

As I complete my third year as Dean of Perkins, it seems appropriate to review important changes that have occurred in curriculum, in community life, in our student body, and in support.

1. By the time I arrived in 1981, the Perkins Senate had begun an extensive review of the curriculum which resulted in recommendations and revisions that have now been implemented. An emphasis on the integrated study of the Bible, taught jointly by Old and New Testament faculty, is in place. A comprehensive course on Introduction to Ministry engages incoming students in a better understanding of both person and nature of ministry. The Intern Program was affirmed and strengthened in the context of overall curriculum. Each year 80 or

more of our students are assigned to situations of practical ministry for experience and evaluation.

Even with the changes in curriculum design, a full-time student can still graduate with three full-time years of study plus one semester of internship. Restrictions on student pastors have been lifted to enable capable students to graduate more swiftly.

2. Essential to any effective educational program is an outstanding faculty and administrative staff. In the past four years, nine of our leaders have retired or departed, including C. Wayne Banks, L. Howard Grimes, H. Grady Hardin, J.B. Holt, Douglas E. Jackson, Claus H. Rohlfs, David Lowes Watson, James F. White, and our long-time Dean, Joseph D. Quillian, Jr.

   Coming to Perkins in various capacities have been Assistant Professors Susanne Johnson and Marjorie Proctor-Smith; Bert Affleck, Director of the Intern Program; Guy D. Garrett, Director of Academic Procedures; John C. Holbert, Director of D.Min. and Continuing Education; James E. Kirby, Dean and Professor of Church History; Roger L. Loyd, Associate Director of Bridwell Library; Lynn Mims, Associate Director of the Intern Program; Laura Randall, Catalog Librarian, Bridwell Library; Linn Richardson, Director of Recruitment and Admissions; Patty Evans, Assistant in Community Life. Bishop W. McFerrin Stowe continues a second term as Bishop-in-Residence, carrying also professorial duties in Church Administration.

   Four faculty members were honored by the SMU Board of Trustees by being appointed University Distinguished Professors. They are John Deschner, theology; Victor P. Furnish, New Testament; Schubert M. Ogden, theology; and Robert Anderson, organ and sacred music.

3. The level of support from our Ministerial Education Fund has continued to be a significant part of Perkins' finances for which we are deeply grateful. Response by our graduates participating in the Perkins Alumni/ae Loyalty Fund has grown from $29,000 in 1981 to over $70,000 this year. Though the dollar income is significant, the level of participation is our most important achievement, having grown from 22% participation to better than 50% of alumni/ae making gifts on an annual basis.

   Seeing the establishment of a professorial chair is a rare thrill for a school. Yet in the space of a little over a year, Perkins has seen the creation of three chairs, fully endowed and funded. First, the Lehman Chair in Christian Doctrine was announced in the spring of 1983; then the family of Lois Craddock Perkins announced their intention to establish a memorial chair in homiletics early in this year. The Texas Annual Conference fulfilled its pledge in response to the Bishop's Challenge of several years ago by establishing the Albert Cook Outler Chair in Wesley Studies in February.

4. Coordinated within the area of community life and the new curriculum, patterns of worship in the Perkins community have been enhanced with the establishment of four daily opportunities for worship, beginning with Morning Eucharist, a service at noon and a 5:00 p.m., and a Compline service at 10:00 p.m. in the chapel. Students and faculty work together in leadership for each service. Another added dimension is the Interethnic Experience, designed to give each student the opportunity to be involved in a congregation of a different cultural background than his/her own.

5. Bridwell Library continues its growth towards the foremost resource center in theological research, adding 21,000 volumes to the collection in the past year alone. Unusual support from alumni/ae and friends provided for the acceleration of additions.

6. This past year's total enrollment of 492 is the largest in three decades, reflecting the renewed efforts in the area of recruitment and admissions, and reversing a

trend that had been established in the past decade. Enrollment is up in almost every degree category, but especially in the D.Min. and M.T.S. programs. In this year's class are 372 men and 120 women; 34 are Black, 15 are Hispanic, one is Native American, and 23 are International. Students represent 18 denominations, with 349 United Methodist students from 46 conferences. Significant is the decline in the total number of women enrolling in each of the past three years, in contrast with the average of the United Methodist seminaries.

Perkins continues to make a significant commitment to the financial aid budget, comparable to the highest among 13 United Methodist seminaries.

We are aware of the many ways in which former students and the lay constituency of the church have made significant contributions to the life of our community. The process by which we find new and better ways to educate persons for ministry continues to be challenging. Results come only through long and consistent work. Your support in all forms gives me a renewed sense of optimism about our ability to successfully complete the task.

James E. Kirby, Dean

SAINT PAUL SCHOOL OF THEOLOGY 1983 ANNUAL REPORT

The 1983 year marked the beginning of the seminary's 25th year. Once again our Fall enrollment was very positive. There are 160 Master of Divinity students of whom 156 are full-time compared to 147 full-time last year. Fifty-eight persons are registered in the Doctor of Ministry program (53 a year ago). With special students (8) and 2 audit students, the total enrollment is 228 compared to 224 last Fall. Although this is a small increase, it is notable since last year's Fall enrollment was the largest Fall enrollment in the school's history. Actually, the Doctor of Ministry enrollment has increased during the year to a total of over 70. The 1983 Summer Course of Study School on our campus was also the largest in its history for the third consecutive year. A total of 147 students participated (127 in 1982 and 106 in 1981), of whom 34 were women and 16 were ethnic. Twenty-one Annual Conferences were represented.

Phase I of Emphasis 25, a $2 million Major Funds Campaign coinciding with the seminary's 25th year, was completed successfully in December 1983. Led by strong lay leadership, the campaign was supported by over 450 donors throughout a multiple state area. The three-year commitments broaden Saint Paul's support and undergirds basic programs and personnel, as well as the development of the Lindsey Pherigo Chair in New Testament. Saint Paul graduates have assumed major leadership towards the Pherigo Chair, including $65,000 in alumni/ae commitments. Phase II of Emphasis 25, projected as a $3 million effort, is in process with various annual conferences. At this time approximately $1.5 million is committed through apportionments and askings over a six-year period. Three-fourths of these funds are earmarked for endowment and one-fourth for campus improvements.

Dr. Young Ho Chun, a member of the Northern New Jersey Conference of the United Methodist Church, has joined the Saint Paul faculty in theology. Dr. Chun is a native of Taejon, Korea, and brings a rich background of personal and international resources to the seminary and to all whom we serve. He is the second full-time ethnic member of the faculty. Personnel has also been strengthened administratively in financial aid and development.

The seminary has managed a balanced budget during the past two academic years. The 1983-84 budget of $2,512,429, the largest in Saint Paul's history, is strengthened by increases in student tuition and by the strong Ministerial Education Fund performance of the United Methodist Church. The MEF provides almost 25 percent of our budget. This

annual report is an expression of gratitude to each person and to each congregation for this indispensable support.

The church's commitment to theological education through the Ministerial Education Fund is multiplied many times over through graduates of the seminary, as well as the resources represented through faculty, staff, library/learning center, and continuing education programs. Each year Saint Paul School of Theology strives to give back to the church a greater "return" of service in response to the Ministerial Education Fund and to the other ways in which you constantly touch our lives with support and nurture.

REPORT OF MT. SEQUOYAH ASSEMBLY

There has been a gradual increase in attendance at the various activities held at Mt. Sequoyah Assembly during recent years. The following perspective enables you to understand the nature of this increase:

CAMP ALDERSGATE

With the passing of 1983, Camp Aldersgate is no longer the 'best kept secret in Arkansas.' To the contrary, in the past year there has embarked a period of unprecendented and very conspicuous growth. Camp Aldersgate has provided more services to more people and in a more efficient manner than any time in the 37 year history.

The foundation upon which the growth has been based is the increased giving of the United Methodist Church. When the Conferences provide day-to-day operational expenses, Camp Aldersgate is able to use outside sources for program expenses and the construction of new facilities. Only if individual churches meet their Conference commitments can Camp Aldersgate continue to fulfill the needs of so many.

In programming, the summer camps for children with handicapping conditions were more successful in 1983 than in any prior year. Nine week-long sessions were operated to serve children with 18 different disabilities. 64% more children were served in 1983 than in 1982. They came from 76 Arkansas cities and 5 states. Phenomenal growth was experienced in the weekly free health clinic ministering to the medically needy. The senior citizens program added educational studies, allowing them to obtain high school equivalencies and increasing their self-respect while participating in the nutritional aid program.

In the past year a therapeutic swimming facility was constructed and dedicated. It provided a summer of recreation to hundreds of elderly and handicapped participants. This accomplishment is the fulfillment of a long-held dream at Camp Aldersgate. Contributions of time, service, and money from over 600 individuals and church groups transformed this dream of a therapeutic pool into a reality.

The facilities have been improved further with an $85,000 renovation grant from the Womens Division, Board of Global Ministries. Allowing the Camp to operate rent-free and providing facility improvement, has greatly strengthened the Board's commitment to social service mission in Arkansas.

To increase the emphasis of the Church's social concern, a dedicated effort has been made to promote the meetings of organizations with compatible goals. In 1983, there were 67 different church and civic retreats hosted at Camp Aldersgate. These meetings provided over 1800 individuals with the opportunity ot observe first hand our mission program.

As programs become better known, there is increased interest among individuals and business leaders. The volunteer recruitment program trained 307 young people who produced over 16,500 hours of volunteer service in 1983. In addition, the employees of Levi Strauss, Inc. volunteered their labor to improve facilities and have been successful in obtaining private foundation funding to expand on their efforts. The employees of Southwestern Bell Telephone have turned their attention to providing equipment specially designed for the handicapped. And most recently, the McDonald Corporation is exploring ways they might help the Camp.

With the passing of 1983, Camp Aldersgate is no longer the 'best kept secret in Arkansas.' The increased involvement of the Church, of business leaders, and individuals has helped spring-board the social concern of the United Methodist Church into the public consciousness. "The God we serve is too great to deny - the mission we have is too exciting to miss."

THE UNITED METHODIST CHILDREN'S HOME FIVE YEAR PLAN

AFTER CARE

Attempts are made to continue to work within the

August 1984	family, even after removal from the Home, indefinitely, to help assure family stability and continued success.
FAMILY SERVICE MODEL January 1985	To help families achieve better practices of child rearing; provide support or improve family and social relationships; help families identify and cope with and solve problems; safeguard health and welfare of family members at risk from abuse, neglect, exploration and harmful living arrangements.
FAMILY COUNSELING January 1985	Provide direct services to children and families, follow-up and preventive services to families in the community seeking growth and guidance.
PROGRAM FOR HANDICAPPED CHILDREN January 1985	Joint contribution with other interested parties or organizations, contributing to the development of a program to meet the needs of handicapped children in the state.
ADOLESCENT TRANSITIONAL LIVING August 1985	Provide a living environment similar to that soon to be encountered by the youth reaching majority age, eighteen. Four basic, necessary components to meet the training and experience include the job, home, education and social interaction.
HOMEMAKER SERVICE January 1986	"As needed", an individual will go into the home of families and provide such services as housekeeping, meal preparation, shopping and general errands.
EMERGENCY SHELTER PROGRAM March 1986	Service to children from ages birth to 12, or 13 to 17, placed on a strictly emergency, short-term basis for approximately 30 to 45 days, open 24 hours a day and week-ends.

ON-SITE EDUCATIONAL PROGRAM August 1988	To be a fully accredited program by the Little Rock School District offering alternative educational experience for those who cannot benefit from a normal school setting.

These are our goals for the years ahead. When we have implemented the program plan, the United Methodist Children's Home, Inc. will be able to fulfill the total need of the children who depend on our care. We realize that we can never replace the natural family and we wouldn't dream of it. Some of the children who come to us will remain with us until they finish high school or college. It's our responsibility to see that all of the children are being prepared to become dependable, upright and responsible citizens.

LYDIA PATTERSON INSTITUTE
EL PASO, TEXAS

It is a privilege to present this account on this the Lydia Patterson Institute's seventy-first and the United Methodist Church's Bi-Centennial year. L.P.I. is proud to be a member of the United Methodist family of educational institutions which have served students so well for the last two hundred years.

Enrollment during the 1983-84 school year has reached a total of 349. Fifty-one percent of the present student body is enrolled in high school, thirty-eight percent in ESL Department, and eleven percent in intermediate department. The curricular program

has maintained its full accreditation status under the Texas Education Agency (TEA) and the Southern Association of Colleges and Schools (SACS). This program is being served by a minimum faculty and staff. This force includes twenty-two full-time equivalent teachers, three administrative and ten support staff persons.

The Development and promotional program is moving ahead. We are pleased to have acquired the fund raising services of Dr. Jack McGee, Agency Service, United Methodist Communications. A goal of $175,000 has been set for this fifteen month project. Of this amount, $125,000 will be sought in the El Paso/Juarez area. The LPI alumni have already made pledges totaling approximately $10,000. We look forward to the establishing of a permanent Office of Development in September, 1984, which will further enable this institution to acquire the financial resources essential to its mission and program. We are indeed thankful for the emergency grants from the annual conferences of our Jurisdiction amounting to $198,000 as well as to the increased gifts of individuals and local churches.

An awareness that Lydia Patterson Institue is more than a Jurisdictional responsibility has come through a year-long comprehensive study of the school's mission and ministry. This study lifts up the potential for Lydia Patterson Institute to become one of the most productive cross-cultural educational ministries of the United Methodist Church in the South Central Jurisdiction.

The study and recommendations were adopted by the Board of Trustees at its February, 1984, meeting. It sets out a four year development program for educational mission, governance and administration, and fiscal affairs. It recommends a communication program which will alert the leadership and membership of every United Methodist Church in the South Central Jurisdiction to the school's potential, and offers opportunities for the Churches, Colleges and Universities, and Conferences of the S.C.J., to respond with support. The Rio Grande Conference has joined hands with L.P.I. to help it interpret and communicate its mission and program needs.

Since it was founded 71 years ago, as a United Methodist related school, Lydia Patterson Institute has had a singular mission: To offer a quality education to hispanic students whose needs can be met by a faculty which has the background and experience to teach hispanic students in a cross-cultural Christian setting. The objective of this mission has been to prepare students through a quality education which enables them to assume leadership roles in the church, the professions, and skilled trades in the communities where they are to live in the United States or south of the Rio Grande.

With deep affection these former students refer to their school as "La Lydia". And with appreciation they cite it as the fountainhead for the opportunities it opened for them to lead productive lives. They are also aware of the importance of cross-cultural understanding in the rapid growth of the hispanic population, and see the immediate need for Lydia Patterson Institute to extend its outreach to more students, enrich and broaden its curriculum, and become an international laboratory for cross-cultural church leadership in Mexico, Latin America and the United States.

Efforts will continue to establish a permanent Office of Development in 1984; to increase the endowment from $179,000 to $2,000,000 in the next quadrennium; and to raise $1,000,000 for capital improvements by 1988. Adequate compensation for faculty and the necessary resources for a high quality curriculum will continue to be high priority goals. We look forward to the future and are confident that the love and Spirit which conceived and gave birth to this institution will continue to sustain and guide it in the years ahead through all those who share in this important educational mission.

Ninety-four (94%) percent of the total apportionment was paid, the total amount being the largest given of any year in the history of the Jurisdiction. Of the $205,000 apportioned for the Jurisdictional Administration Fund, $193,276.46 was paid. We express our appreciation and thanks for the support given to the jurisdiction by the seventeen annual conferences. Dr. Ronald B. Clark and Mr. Gene Brand have represented the North Arkansas annual conference on the Jurisdictional Council on Ministries and Dr. M. D. THE UNITED METHODIST CHURCH
PHILANDER SMITH COLLEGE

Submitted by
Dr. Hazo W. Carter, Jr.
President, Philander Smith College
March 21, 1984

The Academic Year 1983-84 is continuing to witness a major event in the 106 year history of Philander Smith College, namely, the celebration of its Founder's Day on Thursday, March 1, 1984. It was founded in 1877 as Walden Seminary in Wesley Chapel United Methodist Church in Little Rock, Arkansas. The College was the second school to be established west of the Mississippi River by the Freedman's Aid Society of the former Methodist Episcopal Church.

It is indeed an honor and a privilege to report to you some of our achievements and concerns for the short time that I have been at the College. We thank you for your continued support of our mission, primarily — but not exclusively — through the Black College Fund.

This summary report of the following pertinent events will highlight to a limited degree the work of the College:

Enrollment Management — The first semester of 1983-84 reflected an increase in enrollment of 6 percent as compared with the 1982-83 school year. Recognizing enrollment as a top priority at the College, seven subcommittees appointed by the President have been meeting weekly or monthly to develop more effective solutions to this problem. The chairpersons of the Intensive Recruitment Program meet monthly with the President of the College for feedback sessions. Some good ideas have been developed. However, we were late in the development of this program and our results may not be effective this year. We hope it will be reflected in the 1984-85 school year. Nevertheless the College is still faced with uncertainty regarding student aid funding, high unemployment for our students last summer, the college workstudy program remaining about the same as last year, and compounded by students failing to meet their obligations to the College.

The College has developed a program to involve more alumni/ae to assist us with the recruitment program. This proposal and manual was presented and accepted by the National Alumni Association on March 2, 1984 at Little Rock, Arkansas. The local media outlets have been very cooperative in assisting us in carrying out the message. In fact, Channel 16 devoted a 30 minute slot to the College focusing on the Natural and Physical Sciences Division with Dr. Woods, Chairperson of the Division, and Dr. Carter, President, as the principal characters. The institution will continue its Philanderfest 84, a college day event for high school juniors and seniors, which will be held in April of 1984.

Academic Services — The College is making a concerted effort with the 1983-84 Title III Grant to offer a major in computer science over the next five years. The equipment for this program for the next two years shall be more than $125,000 funded by the Office of Education. Another unique program that the College is implementing this year is the Developmental Studies Program Computer Assisted with Test Sophistication for Upper Division Students. The total amount of this grant is $125,000 with at least $45,000 for micro computers. The College was also funded for $41,892 for a Professional Development Program for Faculty and Administrators to Meet Changing Curricular Needs of Students.

The College reactivated its summer school program for 1983, and it was proven to be cost effective.

UNCF — Philander Smith College, in cooperation with the United Negro College Fund, Inc., raised $77,000 during the annual fund-raising campaign, which was held from September through December, 1983. The Campaign is part of the national effort by the United Negro College Fund to raise $25,000,000 to help support its forty-two mem-

bers institutions. Philander Smith College is the only College in Arkansas which benefits from the UNCF Campaign.

The 3M Contribution — The 3M Company, in conjunction with the UNCF campaign, donated $78,000 worth of equipment to the College this academic year.

United Methodist Church Grant — The United Methodist Church - Black College Funds awarded Philander Smith College a $200,000 grant during the fiscal year 1983-84 for the improvement of physical facilities. This grant will enable the College to improve its physical facilities in the following areas: The residence halls for both male and female, faculty lounge, the Student Center, Kelly Hall, Campus Building, and Preventive Maintenance.

NCA — The North Central Association has reaffirmed the accreditation for the next seven (7) years.

Innovative Program — The College has initiated a Cluster Program between business, industry, and PSC for the first time in history. The first meeting was held March 21 and 22, 1984 in the Student Union complex.

The Collegiate Chorale — Continuing a legacy of fine choral music at the College, the thirty plus voice Collegiate Chorale has performed for numerous college events, in churches and community locations. It has also cut its first record. Again, it took a Spring tour in eight states or more, singing in United Methodist Churches and for Philander Smith College Alumni Chapters. In addition, the Director of the Chorale has received a grant from the Black College Fund for conducting an "Institute for the Study of Music and Other Arts in the Black Church and Community Life."

Development/Fund Raising — The development office was established in January, 1983. However, we are in limbo at the present time because the second Development Officer has resigned. The program is under the guidance of the Development Committee of the Board of Trustees. The National Alumni Association met on March 1 and 2, 1984, and made a commitment to pledge $1,000,000 over a five (5) year period.

The decline in membership continues but there is a slightly brighter outlook. The loss has slowed and two districts, Conway and Fayetteville, show a gain in membership for this year. This is an improvement of 100% over last year. If this trend continues, it will take only two years to put the Conference in the plus column in every district.

There was a decrease in the number of persons moving from the United Methodist Church to other denominations. The United Methodist Church in the North Arkansas continues to receive more from other denominations than it loses to them. This seems to suggest that in spite of bad media coverage and internal debate, many people still find the United Methodist Church has something to offer in Christian witness and service. We need to share our United Methodist heritage with vigor.

The average attendance at worship declined by 3% and in church school, the decline was 1%. Since the declined has slowed, there is opportunity to reverse the trend to show a gain in 1984. We should work to make this a reality.

There is need to share some statistical information to show some important things that has happened in 1983.

The top five churches in percentage of membership gained are: Number 1, Fairview; second, Floyd; third, Sequoyah, Fayetteville; fourth, Bella Vista; and fifth, Yellville. This places three of the top five churches in percentage of membership gained in the Fayetteville District and two in the Batesville District.

The top two churches in percentage of membership gained each have a membership of less than 100. Only one church in this top five exceeds 300. The gain in membership for Fairview was 56%. Thus, the small number in total membership does not prevent growth. No church over 1000 in membership exceeded 5% in growth. Seven churches of 500 ofr less in membership had 5% and above. The number in membership does not seem to be related to the growth potential.

Last year, I asked you to help me to save the red ribbon on my calculator. But, unfortunately, I had to buy a new one. Most of the gains were in property values. The United Methodist Women and the United Methodist Men both had gains in membership.

There sems to be some dangerous trends indicated by the figures received this year. There were fewer churches able to meet the apportionment askings; churches are borrowing on the future by delaying property maintenance; and for the first time in my tenure of statistics, there were two districts that failed to receive as much funds as the previous year.

The funds receiving best support were the District Administration Fund, Ministerial Education Fund, D.C.O.M. Fund, District Superintendent's Fund, Episcopal Fund and the Equitable Salary Fund. The over all increase in giving for the Annual Conference showed the smallest gain in recent years.

In spite of the fact that recent surveys show that compensation to ministers has not kept pace with inflation, the total gain in financial giving is still directed toward ministerial support. About 53% of the increase for 1983 went for minister related compensation. Some of the increase was for funds that provide ministry and not all was for salary.

This years statistics seem to suggest that the church and its ministry is losing the battle against inflation even in a time when inflation is down. The per capita giving is still increasing for the wrong reason. It would be far better to have this increase because of a more serious commitment to stewardship rather than the pressures exerted by increasing costs against declining membership.

Since the figures gathered for the 1984 Journal are the reflection of our discipleship, there seems to be a great need to again determine the true reason for our being, and to rediscover our purpose as United Methodists. The fact that our status is pretty much like that of the national trends should give us no comfort. In general, our conference figures

show the growth in attendance for children in the church school while there is a decline in youth and adults. Simply because this is a national trend, it should not cause us to accept this as the way it should be. We need to become the leader in reversing the decline and strengthening the growth.

This problem does not have to be rooted in our differences over forms of ministry for there is plenty of work whatever form one might choose. There will be a problem only when these differences become more important than the overall task of ministry. There is no shortage of opportunity for either the evangelical Gospel of the social Gospel.

Whether you choose as your ministry the harvest of souls or the service of human need for peace with justice, let there be cooperation in ministry that will change all of these minuses into pluses before the end of 1984. Until every knee shall bow and decalare Jesus Christ as Lord and every person on this planet enjoys freedom in peace with justice, there is work to be done. This is a task worthy of our calling what ever our theological persuasion might be. When we unite in the spirit of Jesus the Christ, it can happen. Let us work together whatever our form of ministry that we, by the grace of God, will accomplish more in 1984.

Muriel H. Peters, Statistician

COUNCIL ON LAY LIFE AND WORK

The Council on Lay Life and Work, since its beginning, has had as its priority the empowerment of Laity to be involved at all levels of decision and policy making in this great United Methodist Church. We feel that we have been fortunate to see this happening. It is our feeling that Lay Persons are now taking a more responsible attitude toward serving in leadership positions when called upon.

We believe that District "MY JOB" Workshops have offered information that has made Laity feel more comfortable doing the jobs in their local church, and that this successful service at the local level has caused many persons to say "YES" when asked to serve on the District and Conference level.

Lay Speaking Courses, held around the Conference, have enabled Laity to answer the call to fill Pulpits when there is a need, to chair committees, to teach classes, and in general to feel more adequate to answer the call for service when it comes to them.

The Laity Session, now in its sixth year of existence, has been designed to aid the Local Church Lay Member of Annual Conference to become more knowledgeable of The Session of Annual Conference, to better understand how it works, and how they may work within it to best represent the congregation that elected them.

The Laity Dinner at Annual Conference provides a time of fellowship and inspiration for both Clergy and Laity.

These are the things we have set as our goals and priorities. With a vitally committed Laity to serve in conjunction with our committed Clergy we believe we can cause this great United Methodist Church to truly serve our Lord and become an even greater force in spreading the Gospel to a hungry world.

Emily M. Cockrill
Conference Lay Leader

REPORT TO THE ANNUAL CONFERENCE, 1984 COMMISSION ON THE STATUS & ROLE OF WOMEN

"There is neither Jew nor Greek, there is neither slave nor free, there is neither male nor female; for you are all one in Christ Jesus." (Gal. 3:28)

Our task is working toward making this a reality in the church. When this becomes true we will no longer need to count numbers on committees or monitor practices and attitudes of boards and agencies. Until that time our commission has the responsiblility to insure inclusiveness and fairness.

We have made progress in many areas and yet have a long way to go. This year, as you may be aware, child care has been available for all sessions at the expense of the conference. Hopefully the establishment of this as an annual practice will enable the election of more lay members who are young women. We also have a growing number of women serving appointments. Currently there are fourteen women serving twenty-four churches, not counting the eighteen involved in the Benton County CPM, giving a total of forty-two.

This spring we co-sponsored a seminar, "Our Ministry; Mutual or Shared", dealing with issues related to two-career couples, clergy spouses, single clergy, and clergy couples. Later this year we will hold a retreat for clergywomen with the purpose of providing support and preventing a sense of isolation.

This year we have also provided several new audio-visuals for the Area Resource Library.

General Conference took action creating a local church work area on the Status and Role of Women. The work area chairperson of the status and role of women shall keep the Council on Ministries and the congregation aware of the meaning of the church's continuing commitment to the full and equal responsibility and participation of women in the total life and mission of the Church. In light of this legislation we urge district Councils on Ministries to include the Status and Role of Women in "My Job" workshops and to include a district chairperson for Status and Role of Women in its membership.

Bonda Deere Moyer, Chairperson

UNITED METHODIST WOMEN

As we celebrate our heritage as women in mission, the North Arkansas Conference United Methodist Women join women around the world in observing our Centennial Era. We celebrate an "era," not a single founding date. Our celebration began at the 1982 Women's Assembly in Philadelphia and will climax at the 1986 Assembly in Anaheim, California. For over 100 years, women have been actively involved in the women's mission organization of The United Methodist Church.

To quote Bishop Paul Washburn — "United Methodist Women are the most intentional, innovative and involved group of women in the world." As we continue to celebrate our heritage as women in mission, let me share with you what's happening in North Arkansas Conference United Methodist Women:

We are an organization of 10,689 members reaching out into seven districts with 224 units in local churches. In 1983 we gave $134,669.90 to mission, making the impressive total at Women's Division level over $20,000,000! That amount does not include money retained and spent in the unit for mission locally and administration and membership development. We have pledged for 1984 in the North Arkansas Conference $139,650.00.

As we look at the connectionalism of our great church we recognize the work of the *local* units, for this is the grass root level of our organization:

158 units that met at least 10 times in 1983.

145 units that created a climate for inclusiveness by having meetings at times for young mothers, most employed women and elderly women.

88 units represented at School of Christian Mission with 164 mission studies taking place in local churches.

198 units involved in one or more social action projects for human and social justice, such as, Criminal Justice, Energy, Women in Crises, Legislative Concerns, Abortion Rights, Aging, Farm Issues and World Development.

Our *district* level of United Methodist Women worked in mission as they established Leadership Training Events in all seven districts. Spiritual opportunities were provided in seven District "Day Apart" events, as well as, programs for better communication between counterparts were set up.

In addition, concern for "Women under 35" took priority in three districts and "Called to Grow" membership emphasis in two others, and Mini-mission schools and Reading programs in the other two.

The *conference* organization, in meeting its responsibilities and goals, itinerated to the seven districts sharing in leadership development through workshops for Nominating Committees.

Members of the Conference Mission Team participated in a Management Skills Seminar, so that leadership skills and talents could be assessed and then used to the best advantage as well as effective use of one's time.

A Spiritual Enrichment event was held at Mt. Sequoyah for all conference United Methodist Women.

Jurisdiction provided us with an outstanding quadrennial meeting in Wichita, Kansas, in April, where under the excellent leadership of Nell Barling, Jurisdiction president, we were challenged to use "The Power Within You — To Be, To Do, To Dare."

As we look to the needs and concerns of our Conference United Methodist Women for 1984, I invite you to mark four dates on your calendars:

July 7th — Learning Fair, dealing with Social Actions
September 15th — Political Skills Workshop
October 27th — Annual Meeting Centennial Celebration
November 9-10 — Leadership Training Event

As we move toward reaching our 1984 goals, let us be reminded that we are not dealing with just figures, cents and dollars, a 5 or 10 percent of this or that or $1 here — But with

lives; with a ministry to women and children — with a global mission of the church. "Women organized for mission! That is our history! That is our goal! And it is from that Commitment that we have constantly seemed to be 'in the middle of tomorrow'!"

CHURCH BUILDERS SHARES REPORT TO ANNUAL CONFERENCE 1984

1. Monies paid to North Pulaski United Methodist Church:

	1981 -	$ 5,000	8,000- Ch ext. fund
	1982 -	14,460	10,540- Ch ext. fund
	1983 -	63,000	
Proposed	1984 -	35,000	
		117,460	18,540

2. Participation

-There have been 615 participants owning just over 700 shares during this program.
-Currently, we have 250 active shares

I believe that we can find 2500 individuals and groups who will suscribe to Church Builders Shares when the creation of new congregations becomes a priority of this annual conference in commitment and not just on paper. Last month a church in the Little Rock Conference sent us a check for $1000, in response to an appeal in the Arkansas Methodist. We contacted them informing them that this was a program of the North Arkansas Conference and offered to return their check. They answered our letter saying they believed in this ministry and wanted to support it, even if it wasn't in their conference. Now friends, that is the kind of commitment which has made our church great and it's the kind of commitment we must have if the ambitious goal of developing 6 new congregations in the next four years is to be met. General Conference set the goal of having 20 million United Methodists by 1992. New church development will play a significant role in achieving this goal.

I believe that the general conference is serious about our being responsive and faithful in answering our Lord's command to "Go and make disciples." It's time that we as an Annual Conference and as local churches share in that seriousness. It's time that we stop talking about it and go forward in the ministry of "making disciples employing all the faith and skill and monetary resources we have." Developing new United Methodist congregations is one way that we can accomplish that task. I challenge each of you here today to show your support of this mission by signing a Church Builder's Share form today. In so doing you will be pledging yourself to give $200 over the next 2 years, payable in quarterly calls of $25 to provide the funding for this mission. Further, I challenge you to carry the word back to your church and challenge your friends and neighbors to become shareholders.

We have well over 250 charges in our conference. If every charge will match what one church from outside our conference has already given we can pass our goal. Some say the goal of $250,000 a year is too high. I say that if we can commit ourselves to raising 4 times that amount for clergy pensions, if anything our goal for sharing in the ministry of new church development is too small.

If we believe in this ministry we will fund it. We will become shareholders today, those of us who are already participants will renew our commitment for an additional 2 years — and we will go home and challenge the members and groups of our churches to join us by becoming Church Building Shareholders themselves. That's what we'll do if we believe in this ministry. If we do not believe in it, then God help us for we have forgotten who we are and what we are to do as members of Christ's Church.

REPORT OF THE NORTH ARKANSAS CONFERENCE COMMISSION ON RELIGION AND RACE TO THE 1984 ANNUAL SESSION OF THE NORTH ARKANSAS CONFERENCE THE UNITED METHODIST CHURCH

Since the conference's last annual session, the Commission on Religion and Race, in keeping with the responsibilities set forth in the *Discipline of the United Methodist Church*, has reviewed minority representation on the following Conference agencies: Conference Council on Ministries, Council on Finance and Administration, and Commission on Equitable Salaries. The following conclusions and recommendations are the result of this review process.

The number of minority persons on the COM and Equitable Salaries is sufficient to guarantee inclusive representation. There are no ethnic minority persons on CFA. Our recommendation is for the conference to elect ethnic minority representation to this commission.

With regard to practices and policies of the agencies as they affect minority persons and churches, we believe the agencies reviewed are seeking to be sensitive and faithful to the Church's concern for inclusiveness. Each agency stressed, however, that it has no control in determining the membership of its body. This is the reponsibility of the conference and its Committee on Nominations. Each agency reviews, and the Committee on Nominations, have indicated a need for help in identifying and making contact with ethnic minority persons who will be willing to serve on conference boards and agencies.

The Conference Commission on Religion and Race, through the office of the Area Associate Director with responsibility for EMLC, has attempted to respond to this request for help. A process of identifying, encouraging, and enabling ethnic minority persons to participate on conference boards and agencies has begun and must continue.

Our recommendations are:

1. That an ethnic EMLC staff person and office continue to be provided to work for both conferences in order to effect progress toward inclusiveness, regardless of the person or office designated to coordinate the missional priority;
2. That the present working relationship between the ethnic EMLC staff person and the cabinet be affirmed and supported;
3. That all conference boards and agencies take responsibility for being sensitive to the membership of their respective bodies and actively seek to assist the Conference Committee on Nominations in developing ethnic minority participation.

In conclusion, we applaud the Conference Council on Ministries, the Commission on Equitable Salaries, and the EMLC Task Force for recognizing the need to raise salaries at EMLC churches in order to recruit ethnic minority pastors. We wholeheartedly support their recommendation to meet this need by funding specific EMLC " key charges."

COUNCIL ON FINANCE AND ADMINISTRATION NORTH ARKANSAS CONFERENCE OF THE UNITED METHODIST CHURCH LITTLE ROCK, ARKANSAS

We have examined the statement of assets, liabilities and fund balances of the North Arkansas Conference of The United Methodist Church as of December 31, 1983 and 1982, and the related statement of changes in fund balances for the year ended December 31, 1983. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in note 1, the organization's policy is to prepare its financial statements on the basis of cash receipts and disbursements. Consequently, certain receipts and the related assets are recognized when received rather than when earned, and certain disbursements are recognized when paid rather than when the obligation is incurred. In addition, expenditures for capital assets are reflected as disbursements and are not shown as assets of the organization. Accordingly, the accompanying financial statements are not intended to present financial position and changes in fund balances in conformity with generally accepted accounting principles.

In our opinion, the aforementioned financial statements present fairly the assets, liabilities and fund balances of the North Arkansas conference of the United Methodist Church as of December 31, 1983 and 1982, and the changes in its fund balances for the year ended December 31, 1983, on the basis of accounting described in note 1, which has been applied in a manner consistent with that of the preceding year.

NORTH ARKANSAS CONFERENCE OF THE UNITED METHODIST CHURCH NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 1983 AND 1982

1. Summary of Significant Accounting Policies

   Basis of accounting - the financial statements of the North Arkansas Conference of the United Methodist Church have been prepared on the cash basis. The records are held open until the first Wednesday after the first Sunday in order to include the remittances from the churches in the conference for the last few weeks of the year. This policy is consistent with the prior year.

2. Income Taxes

   The conference meets the requirements of section 501(c)3 of the Internal Revenue code and is therefore exempt from Federal Income Taxes.

3. Cash Investments

   All cash investments are recorded at cost plus interest income as received in the account. These balances approximate current market value of the particular investments, except for the 11.00% GNMA with a carrying basis of $94,177 and a market value of $85,873. No writedown is provided on this investment due to the presentation of cash-basis financial statements.

   Interest on savings accounts is received quarterly. Interest on Merrill Lynch ready asset trust and government fund is received monthly. Interest on all other cash investments is not recognized until maturity.

We Did It All!

IX. Resolutions

RESOLUTIONS ADOPTED BY THE 149th SESSION OF THE NORTH ARKANSAS CONFERENCE

RESOLUTION #1 - Gambling and Lotteries

Whereas, the Social Principles of The United Methodist Church state that, "Gambling is a menace to society, deadly to the best interests of moral, social, economic, and spiritual life, and destructive of good government. As an act of faith and love, Christians should abstain from gambling, and should strive to minister to those victimized by the practice. Community standards and personal life styles should be such as would make unnecessary and undesirable the resort to commercial gambling, including public lotteries, as a recreation, as an escape, or as a means of producing public revenues or funds for support of charities or government." (**1980 Discipline,** Par. 73. IV. (G).

Whereas, the dependence upon gambling revenues has led many states to exploit the weakness of their own citizens, neglect the development of more equitable forms of taxation, and thereby further erode the citizens' confidence in government;

Be it therefore resolved that we, the members of the North Arkansas Annual Conference, oppose the increasing development of the casino enterprise in the United States and in the State of Arkansas, for it has taken captive entire communities and has infiltrated many levels of government with its fiscal and political power.

Be it further resolved that we recognize and reaffirm our historical and moral opposition to casino gambling and public lotteries, that we call upon the members of The United Methodist Churches of the North Arkansas Conference, and that we call upon the officials of our state government to resist any development of casino gambling and public lotteries in the State of Arkansas. We also encourage our people to refrain from the promotion of casino gambling and public lotteries in Arkansas by our verbal support, signing of petitions, or in any other way promote the success of those who would bring casino gambling or public lotteries to our state.

RESOLUTION #2 - INCLUSIVE APPOINTMENTS

In light of the "Inclusive Covenants" that have been signed by a large percentage of the churches in the North Arkansas Annual Conference, the inclusive nature of the love of God and the Body of Jesus Christ, and the past departures of black and women pastors from the Episcopal area to other geographical locations or to non-parish appointments. . .

We, the North Arkansas Conference Board of Church and Society urgently request the Bishop and the Cabinet to take seriously the voice of the Conference and the inclusive love and call of God to make appointments across racial, gender and economic lines. We ask such appointment making to begin now.

RESOLUTION #3 - INCLUSIVE CONGREGATIONS

In light of the nature of the church as a community of faith called of God to go into all the world to preach the gospel of Jesus Christ and to make disciples, baptising them in the name of the Father, the Son, and the Holy Spirit. . .

We the Board of Church and Society of the North Arkansas Annual Conference strongly urge the churches of our Conference to be inclusive in their ministries. Believing that the Lord Jesus Christ died for all of us and that our visitation and evangelism programs intentionally cross racial, gender and economic lines to invite **all** persons to the saving grace of the Lord Jesus Christ, let us receive all persons into our fellowship just as we would receive the Lord Jesus Christ.

Resolution # 4 - Nuclear Arms Race

The 1984 North Arkansas Annual Conference of the United Methodist Church:
RECALLING our Christian duty to be good stewards of our earth and its resources;
NOTING with alarm the continued daily production of nuclear warheads and weapons of mass destruction;
FURTHER NOTING the increased tensions and distrust between our country and the USSR which increase the possibility of these weapons being used;
RECALLING similar resolutions passed by this annual conference in previous years;

URGES all governments not to waste more resources on needless weapons such as the MX missile;

FURTHER URGES all nations' leaders to make arms control a top national priority in actions as well as deeds; and

REAFFIRMS our 1983 resolution urging our country to "... move forward in the earnest endeavor of negotiation a multi-national freeze on production and testing of nuclear armaments and for international agreements for a safe dismantling and destruction of existing nuclear weapons so that they will no longer cause a threat to life."

DIRECTS that copies of this resolution be sent to the appropriate officials.

Resolution #5 - On Central America

The 1984 North Arkansas Annual Conference of the United Methodist Church:
RECALLING our obligation to be concerned with the well-being of fellow Christians everywhere, as brothers and sisters in the faith;
DEEPLY CONCERNED by the continuing evidence of murder and violence in Central America, often committed by Christians against other Christians;
NOTING that our national policies concerning Central America have caused dissention and concern among even our neighbors and allies such as Mexico and France;
REAFFIRMING its 1983 resolution in support of advocacy on behalf of first asylum seeker refugees;

URGES our government to pay careful attention to the opinions and wishes of Christians in Central America;

FURTHER URGES our leaders to pursue cooperative diplomacy and negotiations as a priority tactic in conflict resolution, specifically with the groups seeking peace through negotiations and diplomacy in those countries.

WARNS of the ultimate futility of attempting to solve social, political, and economic problems by the use of military force alone;

DEMANDS, as followers of the Prince of Peace, that the U.S. Administration cease conducting unauthorized secret warfare in Central America;

DIRECTS that copies of this resolution be sent to appropriate officials

RESOLUTION #6 - RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTERS OF THIS CONFERENCE

WHEREAS, the religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous, active service, and disability benefits are considered payments in lieu of compensation for active service; and

WHEREAS, the Internal Revenue Service has recognized that the North Arkansas Annual Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of this Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual

Conference as does the retired minister and, thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

NOW THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister, during the year of 1985 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of The United Methodist Church who is or was a member of the North Arkansas Annual Conference at the time of his or her retirement or disability;
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained minister from all employment by any local church, Annual Conference, General Agency, or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired minister's pension or disabled minister's benefits.

   NOTE:

   The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984.

RESOLUTION #7 - COMMITTEE ON COURTESIES

As we prepare to leave this morning we are filled with a sense of relief and profound sadness. This is our final Annual Conference under the expert and loving leadership of aman of grace and love, Bishop Kenneth W. Hicks. His patience, humor and administrative skills will be sorely missed by all of us. We wish him God's blessings as he continues his marvelous career in another area. While he will not be with us in body, his gentle spirit will continue to lead us in Christ.

We also need to express our appreciation to Lamar Davis for his skilled leadership the past four years as Worship Chairperson. The Worship services this year continued a tradition of inspiration and spiritual enrichment. In showing appreciation we must certainly thank our secretary for **not** going to sleep as it appeared he would during Thursday's session, realizing that he did work on minutes up to midnight and beyond each evening. A special note of appreciation should go to the secretarial staff for their hours of work beyond adjournment of our sessions, and the continued diligence of the pages.

In spite of the financial picture presented to us on Tuesday, there was a genuine concern to come to responsible resolution rather than bewail our state. As we go back to our local churches we must go with a sense of mission and urgency to inspire a renewed commitment to recognizing our call to giving from grateful hearts. After all is said and done we did not have the "putty scared out of us", but perhaps if we take the evangelistic challenge seriously and begin to fulfill the many program challenges before us, we can

manage to "scare the putty" out of some of the folks who want to disparage our ministry. As "Freeborn Garretson" visited our Conference out of the past and reminded us that we often act as though we know more about "grease than grace". Perhaps we can work during this next year with that thought at the forefront of our love.

We were delighted to learn that Bishop Hick's gavel did not originate from some famous preacher's wooden leg, but it did help to keep us aware of the tremendous importance of this Bicentennial year of celebration. The ministers were also delighted to learn that we have a very favorable mortality rate - perhaps it is true that preachers take longer to do it - die that is. As we go forth into this world we serve, let us not take quite so long to bring Christ's love into the hearts of people. In a Conference that stressed the importance of our evangelistic calling - dare we do less.

Respectfully submitted,
Sam. B. Williams, Jr.

Sessions Of The Conference

The "Arkansas Conference" and the "White River Conference" were united in 1914 to form the present "North Arkansas Conference."

The Conference determined that its annual notation should date from the time of the organization of the Arkansas Conference in 1836, instead of following the date fixed by the consolidation of the Arkansas and White River Conferences, when the name was changed to North Arkansas Conference in 1914.

The Conference session 1939 voted to retain the numerical notation of the Conference in The Methodist Church.

MRS. MARSHALL T. STEEL

The Reverend Samuel Wesley wrote of his wife Susanna: "She graced my humble roof and blessed my life. Blessed me by a far greater name than wife." and that is exactly what Ouita Burroughs did when she became the wife of Reverend Marshall T. Steel.

Ouita was born in Greenville, MO on January 18, 1906, the daughter of William Hollis and Estella Lenora Smith Burroughs. The family moved to Arkansas and after graduating from Bearden High School she attended Hendrix College for two years and received the B.A. degree from Scarrett College, Nashville, Tenn. in 1927.

For one year she served as assistant to the pastor of First Methodist Epsicopal Church, South in Pine Bluff, Arkansas. Then for two years she served as a social worker in Kansas City, MO under the direction of the Womens Division of the Board of Home Missions of the Church.

When in his senior year at Hendrix Marshall answered the call to preach, knowing that he would need a wife who was knowledgeable of and dedicated to the church and its ministry and also one who could bring all of the finer social graces to the parsonage and

community, he sought and won the favor of Ouita Burroughs. The had been associated as students at Hendrix for two years and had dated casually it probably was not until she was on the staff at First Church in Pine Bluff and Marshall was a summer staff member that he really became aware of the rich quality of Ouita's life and seriously pursued her favor. They were united in Holy Mattrimony in First Church in Pine Bluff on September 4, 1930.

She brought three children into this world who have certainly "risen to call her blessed": - Dr. William E. Steel, Methodist minister in Costa Mesa, California; Robert T. Steel, oil executive in Lawton, Oklahoma; Mrs. N. O. (Sarah) Hill who husband is a sugeon in Dallas, Texas.

In her gracious, elegant, unassuming manner Ouita did grace the Steel home and beautifully supplimented and complimented Dr. Steel's ministry whether it was as pastor at Bauxite, Monticello, Winfield in Little Rock, Highland Park in Dallas (22 years) or as President of Hendrix College (11 years).

After retirement they lived, first in Hot Springs, then Little Rock and finally in Trinity Village Retirement Center in Pine Bluff where their small apartment was as elegantly appointed and as tastefully arranged as some of the more spacious homes in which they had lived.

Following several months of serious illness she died on May 27, 1984. The Memorial Service was held in historic. First Methodist Church in Pine Bluff, The Church Marshall's father had built, the church in which they had worked, in which they were married, where they worshiped. Her pastor, Reverend Fred H. Arnold conducted the worship and Bishop Paul V. Galloway brought the tribute. Her beautiful spirit at peace in our Father's House, her body was laid to rest near her husbands parents in Graceland Cemetery in Pine Bluff.

When history speaks of her husband's outstanding ministry she too shall be remembered.
