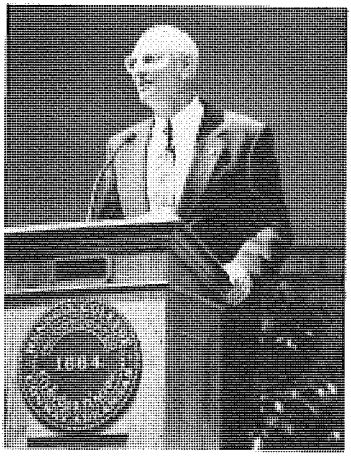
E. BISHOP'S ADDRESS & DAILY PROCEEDINGS

Bishop's Address

North Arkansas Conference
Monday, June 10, 1996



I. PERSONAL

These last twelve years represent a huge slice of our lives. What a joy they have been for Julia and me. From a personal point of view we have made some of the deepest friendships in our lives, we have been involved in the life of the church at the grass roots and at the highest administrative levels, and we have had a simply marvelous time doing it. We have been blessed with good health. I doubt if I have missed over a dozen days because of sickness or injury. We were able to enrich our lives spiritually through service, prayer and travel. We cared for Julia's mother first in Texarkana and then in Little Rock until her death. Though living at a distance we were able to maintain a warm and wonderful relationship with our children and our grandchildren. Our home in Arkansas has been pleasant; our relationships, a deep and wonderful joy. We will always look back on this chapter of our lives with absolute satisfaction and pleasure. Of course we still have several months of living here yet ahead and much work to do

Each year the Lay Life and Work Committee headed by our lay leader Jim Lane has given me suggestions for the Episcopal address. I am grateful.

1.) One item lifted up is gambling. The Methodists have opposed gambling for 200 years, vigorously and forcefully. It destroys individuals and undermines society. It is very important this year that we link forces with United Methodists all across the state and with concerned people of other denominations. We will not have enough money to go toe to toe with the gambling forces in terms of advertising and slick promotion. But we have the people who, if they participate, can defeat the gambling proposals.

2.) Concerns about the small membership church. I'll say more later but let me say now that we are never closing a small church unless the people request it. We have scores of part-time local pastors who are serving very effectively. Let me congratulate on the Part-time Local Pastor Course of Study School now being held at Hendrix College. Also, the marvelous lay speaker program feeds this ministry and supplies scores of churches. Let me also congratulate the laity who have guided a statewide health insurance program to keep down costs of health insurance for all the congregations but especially for the small churches.

3.) The new bishop will be appointed on September 1. Undoubtedly you will greet the new bishop with the same warm hospitality you extended to Julia and me 12 years ago. We will never forget the Arkansas breakfast in Lubbock, Texas in 1984 when you opened your hearts to us. I know you will do the same thing for your new bishop. I will do everything I can to make the transition smooth.

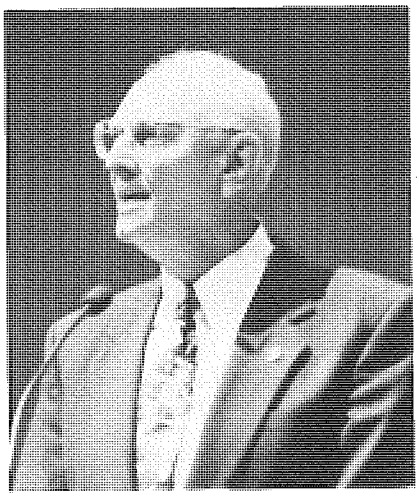
4.) Shared leadership between lay and clergy. Congratulations on growing lay leadership in Volunteers in Missions, Emmaus movement, Disciple Bible Study, in Scouting, and in the growing interest in starting new congregations. We have good lay leadership all across the decision making life of the Church. Mostly, I want to thank the laity for contributing their expertise in areas of finance,

insurance, church property matters and other areas where that leadership saves the Church untold amounts of money. I am pleased to see General Conference placing voting lay members on the Board of Ordained Ministry to help screen and supervise our pastors.

5.) The laity encouraged me to lift up the full 100% payment of apportionments. I am thrilled with this encouragement because together we can do so much. I am grateful for the countless number of churches who pay their apportionments in full each year. All of us need to work together to make it 100% participation

II. THE CHURCHES OF ARKANSAS

A. When we arrived we realized that Arkansas Methodism like most of the Church was in significant decline in membership. I threw my energies into the fray, stirring up the dust in the Council of Bishops, heading the Church Membership Committee of the Council of Bishops, writing And Are We Yet Alive? and Signs and Wonders and challenging Arkansas to do the things that would reverse the serious decline. Our collective efforts through starting new congregations, encouraging new ministries for children and youth, stressing growth in the Sunday School, relocating a few churches, the Five Star Plan, Vision 2000 and other efforts to motivate and inspire have brought results. Now, even though, our rural areas are losing population and even though we have not yet learned how to go to the cities with adequate resources, we have slowed down the decline and some years show slight growth or stabilized worship attendance. We see improvement at the youth or children's level. We have started or relocated about 20 new congregations in Arkansas and that has made a tremendous difference. We still have reluctance particularly among the pastors to start new work and it is one of the most spiritually debilitating realities in our Church. Go to Faith Church in Fort Smith or Grace Church in Conway or the great churches in Bella Vista to see what evangelism and new church growth really can mean. We have purchased land at Mountain Home and anticipate a new church in Fayetteville or Springdale as soon as possible. We will help relocate Grace Church, now St Paul's, in Searcy and hope to relocate Rosewood Church in West Memphis.



Many of our pastors are regaining a Wesleyan spirit of outreach and are learning again what it means to lead people to Christ and into the fellowship of the Church. Many of our churches are exploring after school children's ministries, stronger youth programs, worship services at different times and under different styles. It is a time of great change and some of our churches are feeling the winds of the Spirit and are exploring together, especially through visioning committees, ways in which the laity and the pastors can reach the unchurched.

B. Upon arrival in Arkansas the laity pleaded with me to have longer pastorates. They said that the system of moving pastors quickly, giving them promotions and raises, but tearing up congregations after two or three years, was weakening the Church rather than strengthening it. People today are so troubled in their own personal lives; they need stability. So, we have worked diligently at this task. It has been hard for preachers to understand because often a pastor is moved to a much larger situation bypassing a good number of pastors so they can stay where they are. But it has been good for the Church. We also have a wonderful cross-section of ages in Arkansas so that we will not "hit the wall" with a crisis caused by a host of pastors retiring. The change will be gradual and appropriate.

The pastoral demographics look good.

We have now women in leadership capacities and women in ministry in all levels of the church. Hardly a single parish reacts negatively when a woman is being appointed there. This has been a revolution that has occurred without much of a problem over the past decade. I have been pleased to appoint the first woman as District Superintendent in both the North Arkansas and Little Rock Conferences.

In the years ahead as we continue to work carefully in consultation with pastors and their families - often with jobs that are needed by spouses or education of children etc. and in consultation with the local church that is becoming more and more aggressive, it is very important that the bishops and superintendents - in fact the whole church - avoid the extremes of a lay committee demanding a particularly person or on the other hand a pastor who loses sight of his or her commitment to the Gospel and places inordinate demands upon the appointive process.

III. LET ME TALK ABOUT INSTITUTIONS

I was surprised at an earlier meeting of the Episcopal Committee that the committee did not seem to realize how much of a bishop's time is spent working with the institutions of the Church.. I estimate that 30% to 40% of my energies are devoted to institutional life and I am thrilled at what has happened over the past several years:

1. Hendrix College is not only one of America's great liberal arts colleges, but is now more closely related to the Church. The selection of Dr. Ann Die who is now President of the Private Colleges of America organization and the appointment of Rock Jones as chaplain and the selection of Ellis Arnold as Vice-President of Development has caused good will in every single aspect of the Church's life. With the tremendous financial support that has been received and will be received, Hendrix College has a brilliant future.

2. Philander Smith College with the selection of Dr. Myer Titus who is President of the Independent Black Colleges of America has taken Philander to its greatest moment of achievement. With nearly a thousand students, magnificent new buildings, a strong Board of Trustees, a growing endowment, a heightened visibility, Philander Smith is ready to serve the 21st Century.

3. The Wesley Foundations, frankly, were mostly in shambles. Slowly, the leadership has been changed, the buildings have been renovated in most of the universities. We now have solid Wesley Foundations at each of the four year universities of Arkansas. Quantum leaps of progress have been made in several of these Wesley Foundations. Arkansas Tech is embarking on a $700,000 Building Campaign. Many of our future ministers are coming out of the Wesley Foundations.

4. Under Jim Argue's leadership the Foundation is guardian and steward of nearly $23 million to serve the Church in countless ways. The greatest service in recent months has been the willingness of the Foundation to give loans to local churches. This has amounted to savings in the hundreds of thousands of dollars to local congregations.

5. The Children's Home has gone through a tremendous change, decentralizing into seven diversified homes ranging from Magnolia to Springdale. It is fully accredited to do the finest therapy work for young people in the state of Arkansas.

6. Aldersgate went through a financial crisis and thanks to the loyalty of the state and to new energized leadership it is able to do its ministry on an even keel financially.

7. SMU went through a total crisis of break down of integrity with the death penalty in football. Under the College of Bishops, SMU totally reorganized its constitution and by-laws, rebuilt its Board of Directors and regained its stature as one of America's great universities.

8. Perkins School of Theology is more open today to a in-depth relationship with the Church than it has been in a long time.

9. Mt Sequoyah has gone through several changes of leadership. But whereas 20 years ago, the bishops were afraid we might lose it, now, it is used 11 months of the year and most of the time at full capacity. It not only serves the Jurisdiction but serves the western part of Arkansas and the North Arkansas Conference as well.

10. The campaign for Mount Eagle is under way. We believe that within the next few months we will be able to launch a superb campaign to provide the North Arkansas Conference with its first conference center in its life. It will open the door for a magnificent ministry in the 21st Century.

11. The Florence Crittenton Home is very important. Started by Methodists at the turn of the century, we have brought it under the umbrella of the ministries of the church without formally taking it out of its independent, not-for-profit status. More and more United Methodist people, particularly the United Methodist Women, are helping strengthen Florence Crittenton.

12. Methodist Hospital Systems is exceptionally strong. North Arkansas is a one-third owner of the entire system and that relationship must be kept intact.

On the General Church level, I have served on the Board of Church and Society, UMCOM and on the General Board of Discipleship. Most gratifying has been the last four years to chair the Curriculum Committee and to see marvelous materials produced for Vacation Bible School, new Confirmation materials, new materials for children and youth and a revitalized staff in the Publishing House dedicated to the finest Biblical studies that can be produced.

IV. SPIRITUAL ISSUES

A strange thing is happening in our Church and you, as the leaders, should be intensely aware. The spiritual power now is shifting away from the structures of the Church and into the independent grass roots movements. For example, we now have over five thousand people in the Emmaus community and it is a growing movement. Volunteers in Mission is simply exploding and we are wisely giving it support from an organizational level, but it is basically lay-driven. Disciple Bible Study is quasi-official with its spirit coming out of the Scriptures and its organization coming out of the Publishing House. Such movements as "Promise Keepers" and Ashrams and other spiritual life movements operate almost independently of our structures. That means that much of our work in councils and agencies is being called into question. I am happy that there will be down-sizing of our General Boards and that our Annual Conference can become more loosely organized to be more coordinative, more helpful in getting people hooked into vital movements. One of my greatest disappointments has been to see the failure of local churches to mother or sponsor new congregations.

People today want more and more hands-on feelings and they want to give to projects where they see where the money goes. They want to be involved themselves in the action

V. UNITY

As you know, I have worked with both Conferences doing as much collaboratively as possible. The most dramatic achievement was the two insurance committees developing a health insurance plan for Arkansas Methodism that is saving the Church hundreds of thousands of dollars. As I visited the districts, I have bragged on your cooperation: one newspaper, one foundation, one resource library, one Leadership school, one School of Church's mission, one office center with Cokesbury store, one treasurer, one school for part-time local pastors, one teen crisis center, one VIM task force.

The need for one conference is now more critical than ever. With longer tenure by pastors, we have a smaller personnel pool to draw from - we desperately need the whole state to make good appointments. I am now meeting most of the time with the Combined Cabinet. Programmatically, we are still unable to have a thoughtful, unified, bishop on board , statewide thrust.

Fortunately, the study committee in working independently of the bishop's office, and will provide thoughtful study materials to the two conferences in the months ahead. Unity is urgently needed for your new bishop to provide maximum effectiveness.

VI. PERSONAL NOTES

Julia and I have had a strange and wonderful ministry thrust upon us that has been somewhat peripheral to our bishop's job. Beginning with my challenge to the Council of Bishops and with the publishing of And Are We Yet Alive? and Signs and Wonders I have had the opportunity to preach and speak in many states and at many VISION 2000 launches. We have used all of our study leave and most of our vacation time to study and write. Disciple Bible Study, which started out to be a modest project to train local church lay leadership, has mushroomed into a world-wide Biblical/Spiritual renewal movement. We are ecstatic that Disciple III is completed and was introduced at General Conference on April 17th commemorating the 10th Anniversary of Disciple. Can you imagine how ecstatic we are to know that four hundred thousand students have participated in one of the Disciple studies.

In retirement we will live in Winfield, Kansas part of the time and in Lake Junaluska part of the time so we can be with our children and grandchildren and so that we can be involved in several forms of ministry.

We are looking forward to writing a fourth Disciple, the final one, that will focus on the wisdom literature in the Old Testament and on the Gospel of John and the Revelation in the New Testament. We will also continue to help with international development of Disciple, especially in Russia, Africa and the Pacific rim. What a challenge that will be for us.

We will also be working with Southwestern College, a liberal arts United Methodist college in Winfield, Kansas to develop a Discipleship Center giving scholarships to twelve students a year to be in a covenant group and working in churches. We will liaison with churches within a hundred miles to give resourcing ministries in music, Christian education, youth ministry and Bible study to them.

So, life moves on. We are grateful to be healthy and happy. I will be 66 on June 18, 1996 and with our oldest son Steve, his wife Beth and four grandchildren in Winfield, with our second son Paul with his wife Janelle and their two children in the ministry in Salina, Kansas, with Susan, our oldest daughter, and her husband, Reverend Rob Fuquay, serving at Long's Chapel at Lake Junaluska and their two babies and with Sarah director of Wesley Rankin Community Center in Dallas. We feel that God has blessed us with more than we can comprehend and we are anticipating life with family and with ministry as full as we have energy to receive it.

The good news is that we will wander back and forth through Arkansas eating catfish and fried okra and visiting you from time to time and that will be a great joy.

Introduction of Bishop Wilke to the 1996 Session of the North Arkansas Conference, For His 12th Episcopal Adress:

Dear Friends and Colleagues,

This is Bishop Wilke's 12th regular session of the North Arkansas Conference (with a few special sessions sprinkled in). In just a few weeks, on June 29th, on this very campus, the United Methodists from across Arkansas will have a celebration of those 12 years of Dick and Julia Wilke's ministry among us. Many of you will be here for that event.

I have looked back to his first Annual Conference, in 1985. We were in this very place. This conference opened on Monday, June 3. Those ordained elders that year were Roger Beal, Kim Cloninger, Randy Rowland, Paul Bokker and Richard Schisler. The ordained deacons were Steve Johnson, Leonard Higgins, Richard Gregory, Bryan Fulwider, Everett Isom, Charles Cooper and Ron Williams.

Bishop Wilke your first cabinet consisted of: Jim Beal, Batesville District, Jay Lofton, Conway District; Charles McDonald, Fayetteville District; Waymon Hollis, Forrest City District; Wayne Jarvis, Fort Smith District; George Wayne Martin, Jonesboro District; and Dewey Dark, Paragould District.

Charles Watt was your Conference Secretary, Jim Meadors was the Director of the Council on Ministries, and Buddy Arnold was the Conference Lay Leader.

Well it's been an exciting and fun-filled 12 years. In many ways it seems to have passed much too quickly. You and Julia have been in our midst, loved us and held us up in both word and action. We shall never forget this time together.

Bishop Wilke, one of the highlights of your first Annual Conference was a presentation made to you by Marty Cash-Burless. Do you remember what that was?

Well it was a T-shirt that had imprinted on in the words "Head Goose". Marty reminded us that the head goose is always out in front creating a path for the other geese to follow. Those that study geese have now told us that because of the aerodynamics of a formation of geese that all those following that head goose in that V-formation don't have to work as hard and that the wind beneath their wings lifts then up and encourages them along the way.

Bishop Wilke you have indeed been the wind beneath our wings these 12 years. We shall always remember this time together with great affection and love and as a time of celebration of the really great things we did together for the glory of God.

Dear friends, I present our friend and colleague in ministry, the Bishop of the Arkansas Area of the United Methodist Church, Richard Wilke.

James W. (Jim) Lane, Conference Lay Leader

A motion was properly made and seconded that we go into Executive Session, asking those who are not full clergy members to step into the lobby for a few minutes. The motion passed and they were excused.

An elder asked for the opportunity to address the session concerning a question of character concerning one of those on whom we are about to vote. After a brief discussion concerning the statute of limitations on this concern, a motion was properly made and seconded that the Clergy Session take a recess for a few minutes to allow the Board of Ordained Ministry to meet with the elder concerning the question of character.

After a brief recess, the Board of Ordained Ministry returned to the room and the Executive Session was called back to order. Rodney Steele, chair of the Board of Ordained Ministry, asked for time to meet with the individual candidate under question this evening, and for the Board to then bring their report concerning this entire class before the Full Members during their regular report on Monday morning to the entire Conference. An elder moved that, instead of the procedure requested by the Board, we ask the Board of Ordained Ministry to interview the candidate in question this evening, and for this Executive Session to reassemble this evening after the worship service to hear the recommendations of the Board following the interview. Seconded and passed.

BOARD OF DIACONAL MINISTRY AND JOINT REVIEW COMMITTEE DISCONTINUED

As of April 27, 1996, the new grievance process will begin and, in the event there is no resolution nor reconciliation at the supervisory level, the Bishop will send administative complaints to the Board of Ordained Mininstry and judicial complaints to the Committee on Investigation, rather than to the Joint Review Committee. CLOSING COMMENTS BY DR. CHARLES CASTEEL

Charles Casteel

The Pope came to our country and was late to an important meeting. The Pope got a taxi and said to the taxi driver, "Go fast, go fast." The taxi driver took off like a streak of lightening. But this was not fast enough for the Pope. The taxi driver said "I have been going over 100 mph, and that is as fast as I can go". The Pope said "You get in the back seat and let me drive this piece of machinery". The Pope took off like a certain kind of bird out of some place and the police stopped him. The police radioed in to the police headquarters that he had stopped a taxi for speeding. The police at the headquarters asked "Who was it in the taxi?" The police said "I don't know who he is, but he must be one of the world's greatest persons because his taxi driver is the Pope.

We are grateful for these at Hendrix College and for those United Methodist Churches in the Conway area and those churches in the Conference that have worked together diligently as a community to make our stay here this week, warm friendly, and a joy. There were those in the role of a taxi driver and those in the role of the Pope, working together as a team, a fellowship, a community, to enrich our lives. There were those in the dining hall with a smile on their faces, as if they really saw us. There were those sweeping the floor as meticulously as the private in the army before the Saturday inspection. There were little touches of attention, no big deal, not a huge gesture but gentle kindness that makes all the difference in the world in lour lives. The visitors and delegates along the sidewalks made us feel that they were glad we were here. They made us feel that we were something more than just blending into the scenery. Our host convinced us that the difference between something extraordinary lies in a little touch of thoughtfulness.

THE SERVICE OF COMMEMORATION

The service of commemoration was a tender service, where the spirits of those who have died this past year seemed to come back as their names were called. These spirits tended to say to us: Think about what can help us conquer emptiness? What is there that gives life meaning? What is life all about? Is there anything I want to do? Is that anything I want to change? Is there any faith or love that I want to express?

We cherish the memories of all of those who have gone on into the great beyond. Our blessings on each of those who helped in making possible this service.

THE RETIREES SERVICE

Those retiring this year reminded us that the past instructs and the future invites. Those retiring

placed great emphasis on the role of their wives. They seemed to be saying to us: "What would my ministry have been like without the love and hard work and guidance of my wife's life?" How many times do ministers say to wives: "Here is a hard decision in the church What do you think I ought to do?" Those retiring thank God for wonderful wives. Those wives will be around as retired ministers go on toward perfection in great productive work out ahead.

BISHOP AND JULIA WILKE

As Bishop Wilke and Julia are conducting their last conference, they may not have reached such heights in some other judicial areas of United Methodism. Disciple Bible Study may not have been formed. It has been said at this Annual Conference, few United Methodist Bishops, if any, have reached such heights in influencing people in this country, and around the world in the spirit and love of Jesus Christ, through Disciple Bible Study.

One time I met a rather rough looking person at a filling station in Morrilton, and he put his arms around me. This would not have happened if it had not been for the Christian fellowship we had in Disciple Bible Study. At this point I would like to mention Jim and Mauzelle Beal, who have worked with the Wilke's in Disciple Bible Study, in so many ways.

I do not think I have ever known two people who have worked as hard for the church as Jim and Mauzelle.

Now I want to say something , important, deep, and profound, about Bishop Wilke. At the refreshment break yesterday he reached down for a cookie or cookies(cookies with nuts in them) Then he said "no" withdrew his hand, evidently said a benediction over the cookies and rushed away to his work.

Probably some of us need to remember this more than others. We wish the Wilke's a life filled with love and a life filled with continued greatness.

IN REFERENCE TO THE SECRETARIAL STAFF

I was in a kind of special waiting room in the Morrilton Hospital once, and I was looking around for something to read. This time most of the material was on sex education and well illustrated by modern art. I was reading this material, carefully, and putting down some sermon illustrations on the back of deposit slips, to liven up my sermon in Sunday. The nurse came into the waiting room and saw what I was reading and said "You shouldn't read material like this! Let me get you something to read." And she brought me a copy of Modern Maturity. I think that Modern Maturity illustriously describes our talented and dedicated secretarial staff that has served us so well across the years: Hard working as meticulous as a child climbing a tree that the child is not supposed to climb. Their work has been done so well that is could only be done through modern maturity. Their dedication would remind us of George Washington Carver in agricultural science.

INSTITUTIONAL REPRESENTATIVES

About the first time I ate in a restaurant was when I was in the tenth grade. I went with my father from Tuni, to look at an old second hand Hurpmobile car in Memphis. In this restaurant we looked at a menu and my brother Bill said to me "Let's get something we never had before, let's get some yams." When the waitress delivered the meal, my brother punched me and said "Charles that ain't nothing but old sweet potatoes" We thank our institutional representatives for wanting us to come up with something other than yams, something new in our Christian intellectual and spiritual diets that will help us do better Almighty God's work in our wonderful church. Every one of our institutional representatives makes us proud we are United Methodists and proud of our connectionalism. We should be grateful for such outstanding institutions. As the Bishop said when he reminded us of how proud we should be of Hendrix College. Their contribution will ring in our minds far into the future as we thank God for our United Methodist Institutions.

THOSE ORDAINED

Those Ordained might heed what Dr. Jim Kirby said at ministers Week at SMU a year ago. He said he had learned these things:

First: The cheese on the mousetrap is free.

Secondly: Care for the wounded and shoot the stragglers.
Thirdly: When you hurt more because of things as they are than you would hurt if they were changed, Change them.

We respect what was said at the ordination service, the depth of this service challenging those coming into the ministry. The challenge for them in this kind of world will require every ounce of spiritual and intellectual ability to make this world a better place in whichto live. We can't sit back and see what happens. Rather we say "let's go out and make things happen" We greatly value all of those who played a role in this service. Certainly Dean Loveren who said that when a plane takes off this is a bold adventure. Those ordained have authority in a particular place, a particular community, to be with people in the hospital, at the graveside, with a troubled teenager, or just being there. We are grateful to all of those who played such an outstanding role in this service.

MUSIC

In a world where communities are fractured, where souls are battered and bruised, we need great music to still and quieten our restless, stress worn lives.

This year we want to express our praise for all of those who uplifted our souls through inspiring music. The music was an example of variety. Some had rousement, that had us swinging and swaying a bit. Some was more classical, and met a different kind of need. Some was in between. All had words of great meaning and was of the highest quality. We so drastically need great music in our everyday lives. We want each of those participating in music to know that we cherish their talents and time.

DISTRICT SUPERINTENDENTS

There is the story about two women who saw each other at their 25th College reunion for the first time since they had left school.

1st Woman: Marjorie! It's wonderful to see you again, you look terrific. How has life been treating you?
Marjorie: Things couldn't be better. My husband, Tom has made a huge success of his business. He has opened five branches, one in Tokyo. He was named Man of the Year by the Chamber of Commerce.
1st Woman: That's fantastic!
Marjorie: I'm very active in volunteer work, President of the Junior League three years in a row.
1st woman: Fantastic!
Marjorie: Our son Jim made Phi Beta Kappa, Captain of the Football Team, and Fraternity Man of the Year.
1st Woman: Fantastic!
Marjorie: Our daughter Mary was voted most likely to succeed in the Senior class at the University, and she was elected president of her sorority.
1st Woman: Fantastic!
Marjorie: But what about you dear? What have you been up to lately?
1st Woman: My life is not as exciting as yours, but I have just finished an interesting course at Charm School.
Marjorie: Charm School? That's fascinating, what did you learn there?
1st Woman: They taught us to say Fantastic instead of Bull.

We appreciate our District Superintendents who will be working with the ministers of our conference. They will be motivating us, out of a heart of Christian love, not to spend too much of our time bragging, but rather, to spend more time in hard work, knocking on doors, loving people, being kind to people, and above all, working on sermons so that they will have something to brag about. We are proud of our District Superintendents.

THE CONFERENCE COUNCIL ON MINISTRIES

We are thankful for the Council on Ministries for one of the most profound and interesting reports in the history of our conference. Group dynamics and Pupil participation in the learning process reached a high level. We saw, as almost never before, what the United Methodist Church is doing. Where the business of mankind is our business. Where mission work around the world makes us proud of our church. We were given a lesson in the way to use United Methodist goats, in a constructive way. It

is good to use United Methodist goats to help feed the world, rather than deal with local church goats at home.

Our Council on Ministries centered our thinking on the fact that great people are ordinary people with extraordinary amounts of determination. The content and depth of their report was second to none.

PAGES

Our wonderful pages have been considerate, compassionate and with energy that permits them to pick up their feet and put them down faster than is the case with most of us. While some of us are tired far into the future, they are chomping at the bits, and ready to go darting around like mice passing sleeping cats. Our deepest appreciation to each one of them for all they have meant to this Annual Conference. They were more pleasing to look at than some of us.

THE INSURANCE COMMITTEE AND BOARD OF PENSIONS

The Insurance Committee and the Board of Pensions are two of the most important groups in our conference. Their work requires great study, much time, and the welfare of practically all of us. Again, we are thankful for every person on these groups. As is the case with all of us. We are continuously striving to improve. We thank them for the large amount of time and talent they spent.

GENERAL CONFERENCE

We are indebted to those who were delegates to General Conference and who gave reports on the General Conference. The content of their reports was second to none. I read somewhere that Dr. Wilson Bates offers an arresting image for connectionalism for the contemporary church: Skilled mountain climbers bind themselves together with a single rope.

This rope team is connected so they might care for one another and share their strength through difficult moments of their journey. Climbers, thus strengthened together, share a common goal and destiny, ever attentive to each others safety knowing that even the strongest of the number can unexpectedly slip. The strength of the United Methodist Church had been this connectedness in which the strongest helps the weakest, and the largest the smallest. All work together to achieve goals in mission and ministry that pastors or congregations alone could not achieve. This will be a time for the Church to reconnect with the power of the Holy Spirit and recommit itself to the global mission of Jesus Christ.

We are deeply indebted to Jeff Quick, Jim Lane, Hillary Rodham Clinton, and our delegates to General Conference for representing our state in such a magnificent way. Jeff Quick helped get monies to finance youth work through United Methodism. Jim Lane delivered a masterpiece as the laity address for general conference, and Hillary Rodham Clinton gave great content in stretching our minds as to what we should be about. We thank God for each of these persons, and their contributions.

UNITED METHODIST WOMEN

We are indebted to the United Methodist Women for their report. They seemed to be saying to us: "Don't play around the edge of commitment, don't be afraid to make the leap of faith." They pledged to give themselves totally, completely, wholeheartedly, unflinchingly, to Christ's work in our world. They let us know that they could never, ever be a bystander looking on.

Once a little boy was asked to define a Christian. The little boy said: "Christians are mild, weak, and quiet people who never fight or talk back. Daddy is a Christian, Mother is not." (James Moore) Our United Methodist Women inspired us through their emphasis on doing. We are corrupted by life's hard knocks, by cruel experiences that devalue our worth as individuals, Thus we cannot sit back and see what happens, rather they say "Let's go out and <u>make</u> something happen." These women challenged us to think.

YOUTH

Our youth enlivened Annual Conference with their vitality. With their energy and their activities in productive community improvement projects. What moves youth to work so diligently in the life of the church, and in the life on the community, is the vision of a better world. Emphasis was placed on instilling into the lives of youth so much that the life and teaching of Jesus that we will prevent crime, drug abuse, and un-Christian moral and ethical standards. We praise all the adult workers with youth

in our conference who have done so much in this important area of the church's work.

COURTESIES

1. Our Conference photographer, Larissa Vicari, contributed so much to the life of this Conference.
2. The worship services each morning were of great variety, each blessing our lives in their own way as we started the day. These services gave us new ways to present the Bible, as was the case with the Sylvan Hills Youth Group. Our gratitude to the Five Star Churches and the accomplishment of these churches for the kingdom of God.

Certainly, we want to put our all, especially big and little money, and in between into the Mount Eagle project. A person sitting by me, Bill Stanley, said each church should have an Eagle for their giving, and I think especially, those who give a million dollars or more. This may not be in the Bible, and if it is not, it should be. This will be one of the greatest understandings in the history of our Conference.

CONCLUSION

At this Annual Conference, the idea was expressed that the United Methodist Church must be a warm hearted and inclusive church. Where differences in Sex, Race, Education, Economics, and Social differences are forgotten. Our Church must take a stand on any social, moral or political issue of the day in the spirit and love of Jesus Christ. It is a major tragedy when a Church becomes genteel giving itself exclusively to pious exercises, lullabying it's people into ethical and social complacency. As it was said so often in this Conference this week, without a strong and growing lay leadership, a church can bog down her mighty potential unrealized. A church that permits it's missionary outreach to sag will die. The vision must come from the pew as well as the pulpit. Someone once said: "To achieve all that is possible, we must attempt the impossible. To be as much as we can be, we must dream of being more." (Karen Payne)

Therefore, Fear less, Hope more; Eat less, Chew more; Whine less, Breathe more; Talk less, Say more; Hate less, Love more, and all good things will be yours in the new Conference year. This is my last year and I deeply appreciate all of your kindness and love.

Dr. Charles Casteel

WORDS TO RETIRING CLERGY FROM CONFERENCE LAY LEADER

Greetings to the 1996 Class of retiring clergy from the Laity of the North Arkansas Conference:

We have all witnessed the Olympic torch as it made its way across this great nation and will soon be in Atlanta, Georgia where the summer Olympics will take place. We have been told that the origin of that flame which was brought to this country this year goes back to the first Olympic games which were held in Olympia, Greece in 776 B.C. The Olympic flame has been passed from torch to torch through those many years and will be used to light the flame that will burn throughout the 1996 Olympic games in Atlanta. That eternal flame links the modern athletes from around the world with those that participated in the first Olympics, 2,772 years ago.

The flame that you passed today is also one that is eternal and everlasting. You have carried the flame high for all to see and you have kept it burning brightly for these many years.

As you prepare to pass it on today it is burning brighter than it ever has before. Today we honor your faithful years of ministry. We thank you for keeping the flame burning brightly wherever you were sent.

Today you pass the flaming torch to anew generation. We don't want you to completely turn loose--but now let your hands join ours as we lift high the flame of God's Holy Spirit.

Lift high the cross, the love of Christ proclaim!

James W. (Jim) Lane Conference Lay Leader

THE NORTH ARKANSAS ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH

Sunday Evening Worship

It was a different beginning for the **one-hundred sixty-first session of Annual Conference** this year. For the first time, as least as long as I remember, the opening worship service of Commemoration and Communion was in Staples Auditorium at Hendrix College rather than at First Church, Conway. Somehow, the singing of "Are We Yet Alive", the traditional opening hymn of the Conference, still sends tingles up and down one's spine. The members and visitors to the service were treated to a pre-service piano concert by Victor Kam, who plays for Wesley United Methodist Church in Conway. Bishop Ben Oliphant is the Conference Preacher for Sunday and Monday night. (Unfortunately, I cannot give you any high points, I was a member of the Conference Choir and we were unable to hear much of what he had to say.) Twenty two clergy and/or family members were memorialized.

Please don't forget to complete your **Evaluation Forms** before you leave the Conference. Two significant changes in this years Conference are the direct result of the evaluation of the 1995 session. The services being held in Staples last night and tonight and the inclusion of worship after the sessions are called to order are the direct result of your comments last year concerning lack of seating and noise. Positive comments as well as negative comments are welcome.

Monday Morning

The first order of business was the introduction of the candidates for ordination to the order of **Deacons and Elders**. (The names appear in the worship booklet on page 19.) Three others introduced were Marion Fleming, Ed Kerr and Michael Sutton who have been in an associate relationship which they now relinquish and will receive Probationary Memberships.

Mary Jane Pearce, Chair of the **Diaconal Board** presented three candidates for Certification as Diaconal Ministers: Paula Cockburn, Jan Vander Leest, and Kelly Geise.

The Commission of the Status and Role of Women honored Mrs. Julia Wilke for her work with her husband in Disciple Bible Study. Over 400,000 persons are now Disciple "graduates". (At General Conference in Denver, the Wilke's were honored with a birthday party celebrating 10 years of Disciple Bible Study.)

Episcopal Address

Rev. Max Whitfield expressed the Conference's appreciation to Bishop Richard B. Wilke for leadership during his 12 years in the Arkansas Area. On June 29, there will be a celebration at Hendrix College, a tribute to Bishop and Mrs. Wilke for their leadership. It will begin with a worship service in Greene Chapel at 11 a.m., followed by a luncheon in Hulen Hall. Tickets are $10.00 each, available through the Conference and District offices.

Jim Lane introduced Bishop Wilke for the **Episcopal Address**. His first concern expressed was the upcoming election on the gambling issues. More will be said about this during the Conference. During his tenure, there have been three years of net growth. Decline in membership has slowed. How do churches grow—by adding new groups! How does Methodism grow—by starting new churches! There have been 20 new churches established during this 12 years. What about school after school—Christians education while serving a need of providing quality care for children of working parents. The pattern of appointment making is changing and longer tenure is becoming more the rule rather than the exception. He addressed the concern about small membership churches. The several models tried to this point have not been successful. The financial implications of supplying a full-time pastor are tremendous. Therefore, the "tent-maker" concept seems to be taking hold and resources are now available that make it easier for persons to achieve qualifications to serve a single church while maintaining employment otherwise. The Methodist related institutions are stronger than ever and the Wesley Foundations in Arkansas colleges are being recognized nationwide as models. He stressed the importance of the campaign for the Mt. Eagle Christian Retreat Center. The ministry of the laity continues to grow through Scouting, UMM, UMW, VIM, et al. These efforts will continue as we embrace the "shared ministry" concept. There is a spiritual unity of the two Conferences and from the Bishop's stand point, a one Conference is desirable. However, through the work of the Long Range Planning and Study Committee of each Conference and in God's time, he feels it will come about. Bishop Wilke ended his presentation by thanking the Conference for their relationship with he and Mrs. Wilke. Upon conclusion of his address, Bob Miller and Keneaster Hodges presented Bishop Wilke with the First Eagle of the Mt. Eagle Campaign.

The Youth

The **Youth Council** presented a video from the "Youth 95" event in Salt Lake City. Judge Dan Felton of Marianna, AR shared, by video tape, his strong support for youth programs "as vehicles and vessels" through which youth can achieve higher awards. The 1996 General Conference established a special mission initiative entitled "Focus on Young People". The Five Star Youth Groups were announced: First, Jacksonville; First, North Little Rock; Greenwood First; Mountain Home First; Greenbrier; Heber Springs; Forrest City; Paragould First; Cabot; Newport First; and Wye

Mountain UM Churches. Their report was accepted with one item affecting structure being referred to the Committee on Structure.

Retiring Clergy

The worship service for retiring clergy is always a meaningful time, not only for the retirees and their families, but also for the Conference as a whole. The retirees of 1996 represent 272 1/4 years of honor and glory to God in service to His people. Each retiree was presented with a plaque and gift from the Board of Pensions. (Note: Jon Guthrie was announced as a retiree with 37 years of service. No information appears in your booklet.) The mantle was passed from Norman Carter to Ramiro Lizcano— "Elijah to Elisha!"

Monday Afternoon

Scott Spradley of **Cokesbury** highlighted some new resources available. He specifically mentioned the New Interpreter's Bible. Advance packets concerning **Disciple III** are available. If you have completed **Disciple I** you are eligible for Disciple III. Forms to order the **1997 Book of Discipline** and the **Book of Resolutions** are available in the Bookstore, Room 102, Mills Center. As a result of purchases, a check for $9,676.97 will be added to the pension fund. The United Methodist Publishing House presented an Honorable Mention Circuit Rider Award to Cliff Christopher of Cabot United Methodist Church. This award recognizes the top 10 Methodist Churches in the U.S.A.

The **Committee on Nominations** report was presented and perfected. On the published list for the new quadrennium, there were several editorial corrections and a few additions to complete the ballot. In addition, there was an additional nomination from the floor for Chair of Parish and Community Development. Michael Roberts was nominated from the floor. Bob Burnham is the other nominee.

Nominations for the Committee on Nominations are as follows:

Laity Class of 2000 are: Gene Brand and Emily Cockrill; vote for one.

Clergy Class of 2000: Charles Casteel, John Miles, Jr., Davida Corbin Autry, Leslee Phillips, Steve Coburn and Robert C. Bell; vote for two.

Laity Class of 2000: Den Rogus, Sue Stranathan, Phil McCoy, Martha Altom, Phillip Williams; vote for two,

Voting will take place on Tuesday, June 11, 1996.

The **Committee on Planning and Research** submitted an amendment to their published report in the **Pre-Conference Digest**. The amendment is related to the request from the Youth Council to have two Coordinators for Youth. The amendment replaces #2, in the right hand column on page 37, lines 68-79. It is replaced as follows: For missional purposes more than one Coordinator may be elected in each quadrennium. The two Coordinators will have only one (1) vote. (This may not be word for word, but is the gist of the proposal.) This report as well as resolutions will have to lay on the table overnight and will be discussed and voted on Tuesday.

The **General Conference Delegates** gave a summary of events and issues discussed at General Conference. There are significant changes which affect local church organizations, baptism, overall church structure, ordinations, structure of the Board of Ordained Ministry/ Diaconal Ministry. Sequential ordination will no longer occur. There will be Deacons orders and Elders orders. Present Diaconal Ministers may continue in that status if they so desire. The language of PP71F regarding homosexuality remains the same; the language about ordination remains the same with the additions of defining of "self avowed". Missional Initiatives adopted concerned strengthening the Black Church, the Hispanic Congregation Initiative, Strengthening Korean American Ministries and Focus on Young People. The Conference rejected the move of the Board of Global Ministries from New York City at this time. The Connectional Process Team will continue to look at the issue. The Conference approved the proposal concerning the Covenant of Church Union.

The initial **GCFA Report** was a 0-0-2-2 increase. The missional initiatives caused reconsideration and the final budget accepted was 1-0-2-2 increase. A short video highlighting Hillary Rodham Clinton's address to the Conference. We Arkansans were very proud of her Christian witness as a United Methodist. "The Good News is the Bad News is wrong". (Ferrin Webb, daughter of Rev. Marilyn Webb, had a very personal experience with the First Lady and gave her a necklace she had purchased from Cokesbury Bookstore with her own money.)

Steve Coburn of **Catch the Vision** presented a check for $70,955.00 to St. Paul UMC (formally Grace UMC). Revs. Dee and Jan Edwards and laity from the church accepted the gift. A wonderful example of what Catch the Vision is all about.

Jim Barnett of the **Insurance Committee** reported the insurance program adopted in 1995 has been very successful. He urges anyone contemplating changes in their Conference Insurance to please contact the insurance office or Faye Watson before you do it.

The **Council of Lay-Life and Work Report** included a report from Bob James who said there are now 346 active lay speakers in the North Arkansas Conference. Scouting ministries were highlighted by the newest Troop #380 from Grace United Methodist Church, Conway who marched in carrying 12 American flags. Jim Rhodes, Scouting Coordinator, is so enthusiastic!! Scouting is a great tool to involve youth in the Church. There is a green handout in the packet you received at registration to complete and return to him. JUST DO IT! (by July 1, 1996). The Silver Beaver Award, the highest award in scouting, has been previously awarded to 5 men who were present at this session of Annual Conference, Buddy Arnold, Neil Goins, Jim Rhodes, Larry Glover, and Gordon Hartwick.. The Silver Beaver Award was presented to Bishop Richard B. Wilke for his untiring support of the Scouting program throughout his tenure as Bishop of the Arkansas Area.

THE NORTH ARKANSAS ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH

NETTIE JANE GOSS
EDITOR

Laity Dinner

One of the highlights of every Annual Conference session is the Laity Dinner. This year was no exception. Paul Ervin, immediate past President of the National Association of Annual Conference Lay Leaders was the speaker. Paul lifted up the mission statement adopted at the 1996 General Conference—a very simple but powerful statement—**TO MAKE DISCIPLES OF JESUS CHRIST!** He provided a very succinct review of the Church and societal trends—where we've been, where we are, and where we are going. There are more challenges and opportunities not seen since the first century Church. In the first century Church, the laity were on fire and filled with the Holy Spirit. Today we live in an unchurched world! So, laity as Paul Ervin put it—don't be a frozen assent. Defrost, and let us become partners in ministry and grow as we've never grown before.

Monday Night Worship

Monday night worship was really something!! It was led by persons from the four major college Wesley Foundations. Steve Coburn had said earlier today that we may have to get rid of some tradition. We did that tonight, but my, what enthusiasm!! We had hugs and kisses, wonderful contemporary music, and an admonition to "feel free to be myself". If you were not at worship Monday night, you have only yourself to blame for missing a spiritual "happening". Try to find a leftover bulletin and read what's happening on these campuses. It will remove the gloom and doom of newscasts and give hope. Again, "the good news is the bad news is gone".

United Methodist Women Breakfast

The largest crowd ever attended the Annual UMW Breakfast at Conway First Church. North Arkansas Conference will continue to be represented on the Women's Division. Diane Clark Vogler was elected at the recent Jurisdictional meeting in New Mexico. "Living in a Multi-Cultural Society" was the theme of the program. The Annual UMW meeting will be at Hendirx College on October 5, 1996.

DENMAN AWARD

Rev. Bob Burnham introduced Paul Ervin, who is also actively involved in the **Foundation of Evangelism.** This foundation sponsors the Harry Denman Awards for Evangelism. The first award was the Youth Award presented to Matt Dunn of Goddard Church in Ft. Smith. The Clergy Award went to Rev. Fred Haustein of Jonesboro First Church. The Laity Award went to Jim Lane.

United Methodist Women REPORT

The UMW report was presented by Elaine Letham and the Conference Mission Team. Elaine gave a brief outline of the new structure of UMW which is being streamlined. Each member was presented an eraser which symbolizes the emphasis being placed on "erasing" prejudice and hatred. During 1995, North Arkansas UMW units remitted $233,833.08 as their pledge to missions. There are 9,200 members, an increase of 29 from last year. The **Area School of Christian Mission** will be at Hendrix, July 30-Aug 2, and Aug. 2-4. Yesterday, scholarships were presented to ordinands and there are still other scholarships available. The special project this year is providing teddy bears for children in crisis situations. 36 incarcerated women are being visited by 95 children being transported by volunteers of the Mi-Watch program. A legislative day is being planned for January to call attention to issues involving children and other societal issues.

Bishop Wilke recognized all clergy spouses and introduced the Cabinet and their spouses. Aaron Barling is retiring and Dennis Spence has been appointed to the Cabinet.

SEMINARIES

Rev. Robin W. Lovin stressed the new emphasis in ministerial education- "doing ministry with you, not for you." Seminaries will continue to provide leadership training for persons other than full-time clergy—local pastors, diaconals (deacons) and yes, even laity—to become partners in ministry. All 13 seminaries are moving toward forming similar networks to do as Dr. Lovin describes "doing ministry with, not for". After the presentation by Dr. Lovin, Bishop Wilke introduced Dr. Gerald Turner, president of SMU and Greg Ligon, head of Campus Ministries of SMU.

CHILDREN'S HOME

Robert Regnier gave the report of the **Methodist Children's Home.** He reported First Church, Searcy still leads the Conference in giving to the home. Through various changes and improvements make it possible for them to soon apply for accreditation through national accreditation bodies. The Bishop emphasized that the Christmas Offering is a major source of funding and we should stress that in our local churches.

CONFERENCE COUNCIL ON MINISTRIES

The CCOM report stressed mission and ministry. Vision 2000 is still very much alive. **Transformation 2000,** one event for clergy and one for laity, will be held later this year. To launch **Vision '97,** a Faith Sharing Initiative with Dr. Eddie Fox and Dr. Roger Swanson will be held on February 21 and 22, 1997 with details to be announced later. Two churches gave their Vision 2000 stories. Calico Rock of the Batesville District and Grace Church in Conway. Both, although different in character, gave similar affirmation to the Vision 2000 process as being a way in which not only organization but also prayer and faith are most effective tools to make things happen in your church.

Jim Beal gave a report on the **10 years of Disciple Bible Study.** The Rev. Steve Stahl had led 16 Disciple Bible Studies. Disciple III will be available this fall. Bishop and Mrs. Wilke will write **Disciple IV** during retirement. On behalf of the Conference, he presented the Bishop and Mrs. Wilke with the only Bibles in the world imprinted with Disciple. Lu Harding presented information on active learning materials available for confirmation classes.

Pat Freemeyer asked members to particularly read and heed the last part of the **Higher Education Report** on page 31 of the Pre-Conference Digest. John Palmer announced $1000 scholarship award to Lee Anna Finley of Ft. Smith to attend Oklahoma City College to major in physical therapy. A second scholarship was awarded to Shelley Lee of McCrory, AR. who is a nontraditional student at Philander Smith College and will receive her bachelor's degree in the fall.

Care Teams of R.A.I.N. reported on the work with A.I.D.S. victims. Care Teams provide a powerful witness not only to the victim, but also to their families, many of whom still have no one to turn to except to the R.A.I.N. teams who serve them.

Tom Kennedy, an alumni of **ATU Wesley Foundation**, presented a proposal to the Conference to commit $50,000 a year for three years to help build a new Wesley Foundation Center on the campus of Arkansas Tech University.

Wayne Waters of First Church, Harrison, reported on their mission trip to refurbish Wilson Chapel Church as part of **VIM**. The coordinator of VIM reported on the various training events available and the opportunities that can be available to interested persons.

Janet Taylor announced the **Annual Ingathering** will be Saturday, November 23, 1996. The Paragould-Jonesboro area has led the Ingathering giving for the past 2 years.

Rev. Randy Nix presented the opportunity for everyone to become pro-active in the upcoming **gambling issue**. We must do all we can to defeat the issue. Remember, September 22, 1996 will be the special offering taken for this effort. There are study materials available. Get a packet, reproduce it, study it, pray and act!!

The afternoon emphasis was on "commissioning" disciples to go out to do mission and ministry. Rev. Bobby Bell presented Rev. Ramerio Lizcano, pastor for **Hispanic Ministries in Northwest Arkansas**. His family presented a serape to Bishop Wilke for his support of Hispanic ministries. Don Waddell, pastor at Rogers, asked for continuing monetary support for staff in order to effectively continue this ministry. Jim Lane announced the Council of Lay Life and Work would purchase 10 new Hispanic Methodist Hymnals. This will be matched by the Methodist Publishing House.

Norma Fergeson gave the report of the mission of **Lydia Patterson Institute** in El Paso, TX. The Capital Funds goal of $2,000,000 has not been met. North Arkansas Conference's goal of $89,000 is short $80,000. It is now a line item in the apportionments. She asked churches to please pay out apportionments for LPI.

Jane Steinegger presented a very creative announcement of the **Worship Fair** to be held in Little Rock on August 23-24. Have you met Alta Guild, Hy Church, Barry Tone, Bo Ring and others including a person with a burlap hood that no one seems to know?! As they were trying to discover his identity, he dropped a sign which said, "I may be your new Bishop".

David Bently told of a new **resource stewardship booklet** which has all types of resources which be used to continually draw attention to the stewardship of the Church. It is available from your pastor. Ask him/her!

Waymon Hollis presented Frankie Reynolds of the **Heifer Project**. She presented a video describing the Mozambique Goat Project. The cost of the goat is $120.00—a small amount for what it will yield.

The next report left the house without dry eyes. Rodney Steele, whose home was damaged and whose **community received great damage**, related his families experience and how his colleagues, friends and the church as a whole responded. The response personified the love of Christ and how that love is exemplified in the response of His people.

Tom Hazelwood reported on the response of the **Interfaith Teams** to the immediate needs. But, there is still a lot to be done. Call this number if you want to what you can do and where you can do it. The number is 1-800-729-1168.

On July 23, McCabe Church in North Little Rock will become an official **Shalom Zone Area**. 12 members of that church will complete their training on that day.

Peggy of Zimbawe, a student at Philander Smith, sang in her dialect what we know as Jum Bak Yah as a prelude to the report on Africa University. Sorry about that name, but a faculty member of Philander Smith was present to give further information on **Africa University**. There are over 300 enrolled. Dr. Jim Bob Young (really Dr. Olin Cook) asked us to go back home and continue to raise money for Africa University.

Max Whitfield announced the **Global Gathering** in Kansas City, MO on April 10-13, 1997. W. E. "Buddy" Arnold completed the CCOM by referring to the report on page 10. He lifted up the theme SALVATION IS FOR ALL as well as the goals and objectives. The report was overwhelmingly approved.

Dr. Meyer Titus of **Philander Smith College** reported almost 1000 students with a budget of slightly over $4,000,000. He reported that the college is embarking on a program to revitalize the community around the college. The choir recently sang at the Crystal Cathedral. They also sang at the 25th Anniversary Celebration of the Kennedy Center in Washington D.C.

Donna Coburn of **Teen Crises** reported on the highly successful "Celebrating Youth '95" held in October, 1995. She showed a short video depicting some of the action. Rev. Bobbie Bell reported teen crises are still very evident. The Task Force is in the process of seeking grants to expand their programming. They are recommending to the structure committee that this be made an area office.

DISASTER RELIEF

Louis See reported that $68,000 was contributed by United Methodist's in Arkansas for the disaster relief in the **Ft. Smith/Van Buren areas**.

PENSIONS

Gene Brand, Chair of the Board of Pensions, reported that income for the fund is down 7 1/2% for the first five months. Amendment to report (cannot quote exactly, but essence of amendment is the recommendation to establish a fund to assist with insurance payment for retired clergy spouses who are under 65 years of age. There is grave concern of the Board concerning the unfunded liability. The plan to keep the fund viable was based on 98% to 100% pay-out of apportionments. Since presently the pay-out is slightly above 93%, the other alternative would be to have a Capital Funds campaign. Again, pay out of apportionments is a critical issue! As of June 1, 1996 there are 9 retired clergy whose spouses are under 65. There are 5 retired clergy under 65. Monthly cost—retired under 65 $240.00, the spouse $431.00. The difference is $116.00 for clergy, $307.00 for spouse—all this related to years of service. An amendment offered by Sam Teague referred to lines 74-75 on page 26 of the Pre-Conference Digest. The amendment—retired ministers and their spouses under 65 years of age must pay one-third of the difference between the Medicare supplement and active insurance cost themselves. The amendment was defeated. Another amendment was offered to study the issue and bring back a report to the 1997 Annual Conference.

Marie Byram, Shirley Hale and Hillman Byram are caught coming back in after a break

Registration is a day when many old friends can catch up on happenings

Clergy and Lay delegates were given lots of materials to read and study by Dee-Dee Corbin-Autry and her staff

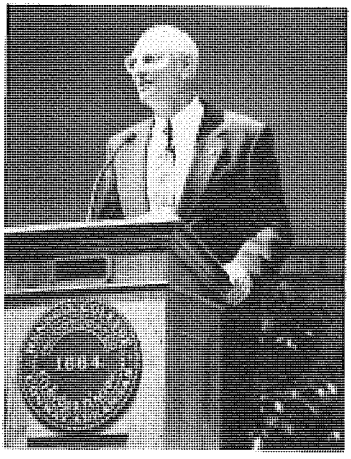
E. BISHOP'S ADDRESS & DAILY PROCEEDINGS

Bishop's Address

North Arkansas Conference
Monday, June 10, 1996



I. PERSONAL

These last twelve years represent a huge slice of our lives. What a joy they have been for Julia and me. From a personal point of view we have made some of the deepest friendships in our lives, we have been involved in the life of the church at the grass roots and at the highest administrative levels, and we have had a simply marvelous time doing it. We have been blessed with good health. I doubt if I have missed over a dozen days because of sickness or injury. We were able to enrich our lives spiritually through service, prayer and travel. We cared for Julia's mother first in Texarkana and then in Little Rock until her death. Though living at a distance we were able to maintain a warm and wonderful relationship with our children and our grandchildren. Our home in Arkansas has been pleasant; our relationships, a deep and wonderful joy. We will always look back on this chapter of our lives with absolute satisfaction and pleasure. Of course we still have several months of living here yet ahead and much work to do

Each year the Lay Life and Work Committee headed by our lay leader Jim Lane has given me suggestions for the Episcopal address. I am grateful.

1.) One item lifted up is gambling. The Methodists have opposed gambling for 200 years, vigorously and forcefully. It destroys individuals and undermines society. It is very important this year that we link forces with United Methodists all across the state and with concerned people of other denominations. We will not have enough money to go toe to toe with the gambling forces in terms of advertising and slick promotion. But we have the people who, if they participate, can defeat the gambling proposals.

2.) Concerns about the small membership church. I'll say more later but let me say now that we are never closing a small church unless the people request it. We have scores of part-time local pastors who are serving very effectively. Let me congratulate on the Part-time Local Pastor Course of Study School now being held at Hendrix College. Also, the marvelous lay speaker program feeds this ministry and supplies scores of churches. Let me also congratulate the laity who have guided a statewide health insurance program to keep down costs of health insurance for all the congregations but especially for the small churches.

3.) The new bishop will be appointed on September 1. Undoubtedly you will greet the new bishop with the same warm hospitality you extended to Julia and me 12 years ago. We will never forget the Arkansas breakfast in Lubbock, Texas in 1984 when you opened your hearts to us. I know you will do the same thing for your new bishop. I will do everything I can to make the transition smooth.

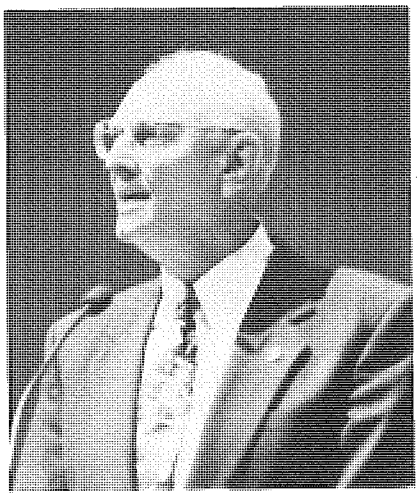
4.) Shared leadership between lay and clergy. Congratulations on growing lay leadership in Volunteers in Missions, Emmaus movement, Disciple Bible Study, in Scouting, and in the growing interest in starting new congregations. We have good lay leadership all across the decision making life of the Church. Mostly, I want to thank the laity for contributing their expertise in areas of finance,

insurance, church property matters and other areas where that leadership saves the Church untold amounts of money. I am pleased to see General Conference placing voting lay members on the Board of Ordained Ministry to help screen and supervise our pastors.

5.) The laity encouraged me to lift up the full 100% payment of apportionments. I am thrilled with this encouragement because together we can do so much. I am grateful for the countless number of churches who pay their apportionments in full each year. All of us need to work together to make it 100% participation

II. THE CHURCHES OF ARKANSAS

A. When we arrived we realized that Arkansas Methodism like most of the Church was in significant decline in membership. I threw my energies into the fray, stirring up the dust in the Council of Bishops, heading the Church Membership Committee of the Council of Bishops, writing And Are We Yet Alive? and Signs and Wonders and challenging Arkansas to do the things that would reverse the serious decline. Our collective efforts through starting new congregations, encouraging new ministries for children and youth, stressing growth in the Sunday School, relocating a few churches, the Five Star Plan, Vision 2000 and other efforts to motivate and inspire have brought results. Now, even though, our rural areas are losing population and even though we have not yet learned how to go to the cities with adequate resources, we have slowed down the decline and some years show slight growth or stabilized worship attendance. We see improvement at the youth or children's level. We have started or relocated about 20 new congregations in Arkansas and that has made a tremendous difference. We still have reluctance particularly among the pastors to start new work and it is one of the most spiritually debilitating realities in our Church. Go to Faith Church in Fort Smith or Grace Church in Conway or the great churches in Bella Vista to see what evangelism and new church growth really can mean. We have purchased land at Mountain Home and anticipate a new church in Fayetteville or Springdale as soon as possible. We will help relocate Grace Church, now St Paul's, in Searcy and hope to relocate Rosewood Church in West Memphis.



Many of our pastors are regaining a Wesleyan spirit of outreach and are learning again what it means to lead people to Christ and into the fellowship of the Church. Many of our churches are exploring after school children's ministries, stronger youth programs, worship services at different times and under different styles. It is a time of great change and some of our churches are feeling the winds of the Spirit and are exploring together, especially through visioning committees, ways in which the laity and the pastors can reach the unchurched.

B. Upon arrival in Arkansas the laity pleaded with me to have longer pastorates. They said that the system of moving pastors quickly, giving them promotions and raises, but tearing up congregations after two or three years, was weakening the Church rather than strengthening it. People today are so troubled in their own personal lives; they need stability. So, we have worked diligently at this task. It has been hard for preachers to understand because often a pastor is moved to a much larger situation bypassing a good number of pastors so they can stay where they are. But it has been good for the Church. We also have a wonderful cross-section of ages in Arkansas so that we will not "hit the wall" with a crisis caused by a host of pastors retiring. The change will be gradual and appropriate.

The pastoral demographics look good.

We have now women in leadership capacities and women in ministry in all levels of the church. Hardly a single parish reacts negatively when a woman is being appointed there. This has been a revolution that has occurred without much of a problem over the past decade. I have been pleased to appoint the first woman as District Superintendent in both the North Arkansas and Little Rock Conferences.

In the years ahead as we continue to work carefully in consultation with pastors and their families - often with jobs that are needed by spouses or education of children etc. and in consultation with the local church that is becoming more and more aggressive, it is very important that the bishops and superintendents - in fact the whole church - avoid the extremes of a lay committee demanding a particularly person or on the other hand a pastor who loses sight of his or her commitment to the Gospel and places inordinate demands upon the appointive process.

III. LET ME TALK ABOUT INSTITUTIONS

I was surprised at an earlier meeting of the Episcopal Committee that the committee did not seem to realize how much of a bishop's time is spent working with the institutions of the Church.. I estimate that 30% to 40% of my energies are devoted to institutional life and I am thrilled at what has happened over the past several years:

1. Hendrix College is not only one of America's great liberal arts colleges, but is now more closely related to the Church. The selection of Dr. Ann Die who is now President of the Private Colleges of America organization and the appointment of Rock Jones as chaplain and the selection of Ellis Arnold as Vice-President of Development has caused good will in every single aspect of the Church's life. With the tremendous financial support that has been received and will be received, Hendrix College has a brilliant future.

2. Philander Smith College with the selection of Dr. Myer Titus who is President of the Independent Black Colleges of America has taken Philander to its greatest moment of achievement. With nearly a thousand students, magnificent new buildings, a strong Board of Trustees, a growing endowment, a heightened visibility, Philander Smith is ready to serve the 21st Century.

3. The Wesley Foundations, frankly, were mostly in shambles. Slowly, the leadership has been changed, the buildings have been renovated in most of the universities. We now have solid Wesley Foundations at each of the four year universities of Arkansas. Quantum leaps of progress have been made in several of these Wesley Foundations. Arkansas Tech is embarking on a $700,000 Building Campaign. Many of our future ministers are coming out of the Wesley Foundations.

4. Under Jim Argue's leadership the Foundation is guardian and steward of nearly $23 million to serve the Church in countless ways. The greatest service in recent months has been the willingness of the Foundation to give loans to local churches. This has amounted to savings in the hundreds of thousands of dollars to local congregations.

5. The Children's Home has gone through a tremendous change, decentralizing into seven diversified homes ranging from Magnolia to Springdale. It is fully accredited to do the finest therapy work for young people in the state of Arkansas.

6. Aldersgate went through a financial crisis and thanks to the loyalty of the state and to new energized leadership it is able to do its ministry on an even keel financially.

7. SMU went through a total crisis of break down of integrity with the death penalty in football. Under the College of Bishops, SMU totally reorganized its constitution and by-laws, rebuilt its Board of Directors and regained its stature as one of America's great universities.

8. Perkins School of Theology is more open today to a in-depth relationship with the Church than it has been in a long time.

9. Mt Sequoyah has gone through several changes of leadership. But whereas 20 years ago, the bishops were afraid we might lose it, now, it is used 11 months of the year and most of the time at full capacity. It not only serves the Jurisdiction but serves the western part of Arkansas and the North Arkansas Conference as well.

10. The campaign for Mount Eagle is under way. We believe that within the next few months we will be able to launch a superb campaign to provide the North Arkansas Conference with its first conference center in its life. It will open the door for a magnificent ministry in the 21st Century.

11. The Florence Crittenton Home is very important. Started by Methodists at the turn of the century, we have brought it under the umbrella of the ministries of the church without formally taking it out of its independent, not-for-profit status. More and more United Methodist people, particularly the United Methodist Women, are helping strengthen Florence Crittenton.

12. Methodist Hospital Systems is exceptionally strong. North Arkansas is a one-third owner of the entire system and that relationship must be kept intact.

On the General Church level, I have served on the Board of Church and Society, UMCOM and on the General Board of Discipleship. Most gratifying has been the last four years to chair the Curriculum Committee and to see marvelous materials produced for Vacation Bible School, new Confirmation materials, new materials for children and youth and a revitalized staff in the Publishing House dedicated to the finest Biblical studies that can be produced.

IV. SPIRITUAL ISSUES

A strange thing is happening in our Church and you, as the leaders, should be intensely aware. The spiritual power now is shifting away from the structures of the Church and into the independent grass roots movements. For example, we now have over five thousand people in the Emmaus community and it is a growing movement. Volunteers in Mission is simply exploding and we are wisely giving it support from an organizational level, but it is basically lay-driven. Disciple Bible Study is quasi-official with its spirit coming out of the Scriptures and its organization coming out of the Publishing House. Such movements as "Promise Keepers" and Ashrams and other spiritual life movements operate almost independently of our structures. That means that much of our work in councils and agencies is being called into question. I am happy that there will be down-sizing of our General Boards and that our Annual Conference can become more loosely organized to be more coordinative, more helpful in getting people hooked into vital movements. One of my greatest disappointments has been to see the failure of local churches to mother or sponsor new congregations.

H. Goals, Objectives and Courses of Action

§§§§§

ANNUAL CONFERENCE COUNCIL ON MINISTRIES

Goals, Objectives and Courses of Action Completed in 1995:

1. Completed "Vision 2000" Launch Event and Training Event.
2. Raised more than $100,000 for "Catch The Vision" for new church development.
3. Revised, published and distributed booklet, "Stewardship Statements and Offering Prayers", for use in local churches in 1996.
4. Co-sponsored, with the Little Rock Annual Conference, a Vacation Bible School Workshop.
5. Helped fund significant youth events throughout the year.
6. Had the second "Confirmands Day With Bishop Wilke."
7. Resourced our local churches by mailing six Resource Packets (1,000 per mailing).
8. Renewed our efforts with "United Methodists Against Gambling" looking toward vote in the fall of 1996.
9. Helped to sponsor "Ingathering 1995" where through which more than $850,000 in funds, goods and services were contributed by the churches of the Annual Conference.
10. Continued the process of training/equipping our Disaster Response Team.
11. Experienced continued support of our ethnic churches by providing an ethnic local church consultant, providing/allocating funds for scholarships and special projects and salaries for a Black Community Developer and a Church and Community Worker.
12. Continued the Denman Award for a young person.
13. Began planning for and working toward "Shalom Zone" ministries within the North Arkansas Annual Conference.
14. Made plans for a "Lab School" to be held at First United Methodist Church of North Little Rock in the fall of 1996.
15. Made plans for jointly sponsoring a "Disciple Training Event" in Little Rock in August.

The Conference Council on Ministries seeking to be more effective and accountable will, for 1996, reduce the number of RESOURCE mailings from six to four. This will allow for more direct or individual program mailings which we hope will increase communications to local church leaders.

1997-2000 Theme, Logo, Goals, And Objectives:

The CCOM, in November 1995, agreed to recommend as the theme for our Annual Conference, for the 1997-2000 quadrennium, **"Salvation is for ALL."**

The goal recommended for 1997-2000 is **"TO SEND THE PEOPLE OF GOD TO SHARE THE GOOD NEWS OF JESUS CHRIST THAT ALL PEOPLE MAY HEAR AND CLAIM THE GIFT OF SALVATION."**

The CCOM recommends the following three objectives to support this goal:

1. We will claim the assurance of Salvation in Christ Jesus for ourselves and all people of the world.

2. We will hear the call of Christ and heed the cry of those in need.

3. We will go where the people are and share the good news of salvation in Jesus Christ.

Salvation Is For All

The United Methodist Church

"Vision 2000:"

"Vision 2000 will be the primary way we address "Salvation Is For All". That statement by the Conference COM suggests the priority that has been placed on "Vision 2000." Three major events are planned for the near future.

•Transformation 2000: A training event for lay persons with an emphasis on Emerging Leadership.

•Clergy Transformation: A training event for all clergy of the Conference.

•A "Faith Sharing Workshop" to be led by Dr. Eddie Fox early in 1997.

Total 1997 Proposed COM Program Budget: $106,278.

AREA TEEN CRISIS TASK FORCE

Since the original Teen Crisis Task Force was formed in 1990, this group has been in ministry to youth, their families and clergy during crisis. The major issues of teen suicide, addictions (drugs, alcohol, gambling, sex) , and pregnancy continue to be emphasized. Other youth issues, such as runaways, grief, violence, etc., are addressed as needed.

The year of 1995 became a time to evaluate the ministry. A self-assessment was conducted in May by a volunteer from the National Board of Global Ministries. In August, the Task Force continued the assessment with the exercise, "Documenting Youth Trends." Educational and ministry needs were distilled from observation of social, spiritual and health trends affecting teens. The reoccurring themes that emerged were that teens needed the Church to assist with values, respect, parenting and youth participation in the life of the Church.

Teen Crisis has proven to be a unique and viable ministry to youth, parents, pastors, and youth counselors. The desire of the Task Force is to build on past successes in the ministry and move with the youth trends, matching ministry to the realities in teen lives.

The ministry continues to be available to field calls for education or referral on all issues facing youth today. In 1993, the top five topics most frequently addressed were: suicide, sexual abuse, communication, grief, and referrals to the United Methodist Children's Home. In 1994, the top five were: drugs, suicide, parenting, sex, and gangs. In 1995, the top five were: suicide, drugs, runaways, pregnancy, and homelessness.

Opportunities to provide educational programs to local churches are numerous. The Power Surge Video and Discussion Sessions related to youth issues has been seen by over 5,000 youth.

Celebrating Youth '95, coordinated by the Teen Crisis Task Force, gave over 1300 youth a day of worship, fellowship, and Christian role-modeling. Underlying the positive, uplifting theme of Celebration youth was the belief that strengthening the connection of youth to their faith and their church was a type of crisis prevention.

Arkansas United Methodists can be proud to support this unique ministry. This ministry is not the typical youth ministry, *planning* programs and experiences *for* youth. Rather, it is ministry *during* crisis *to* youth, their families, and clergy.

The Arkansas Area Teen Crisis Task Force desires this ministry to expand with a full time, salaried

coordinator. The Councils on Ministry of each conference was approached with a request to increase the ministry's budget from $15,500 per conference to $23,200. The request included designation as an Arkansas Area Office versus the current status as a Task Force. Suggestions were made for an adult advisory committee and a separate youth advisory committee, each with representation from each district, gender, and ethnic origin.

The Councils' decisions were to decline the increase and instead, "recommend that an area study committee be established to examine all CCOM and Area administrative and program staff to determine how to best staff the conference and area ministries." This proposal evolved from a previous recommendation that "a study group be formed to consider the possibilities of a full time Area Youth Ministry, which would include the concerns of the teen crisis work."

The Teen Crisis Task Force does not oppose such a study. It is regretful that the budget increase was denied and some goals will not be realized. The Task Force does oppose the study replacing ministry.

Donna Coburn, Director

CELEBRATING YOUTH '95

Celebrating Youth '95 was a tremendous success!

YES! There were over 1300 youth and adults in attendance!

YES! A number of youth made professions of faith at the event!

YES! Several youth groups reported youth choosing to follow Christ in ways that had not been witnessed before!

YES! Teen Crisis Ministry's visibility was increased. Numbers of youth counselors reported that they were not aware of all the various programs offered though the United Methodist Church and Teen Crisis Ministry.

YES! Numerous youth groups have inquired when the next Celebrating Youth event will occur!

YES! Youth across Arkansas were revived to serve God in their communities, churches, schools, and homes!

YES! The speakers, the musicians, the Bishop, and the emcees, were inspirational!

YES! October 28, 1995 was a day for Rejoicing! It is a day and an event to remember: Methodist Youth knew and felt they were affirmed and loved by their Church.

YES! Celebrating Youth was a joint effort of the United Methodist Women, United Methodist Men, United Methodist Youth, Little Rock Annual Conference, North Arkansas Conference, and the Arkansas Area Teen Crisis Ministry. It was well planned and many people gave countless hours to insure its success. I stand confident though, that it was not the extra ordinary efforts that made the event Celebrating Youth '95 the tremendous success it was. I KNOW in a way that I have never known or experienced before that the success and the way the event flowed smoothly was due to one ingredient and ONE ONLY: PRAYER.

There were four of us who committed to pray for the event every day beginning last February. Oh, yes, we had prayed for the event at meetings and some of us had it on our prayer list for a year before that, but, we realized last year that we were being called to pray for the event, the youth, the speakers, the musicians, the Bishop, the emcees, and all who would be affected by the event. It was prayer and God's blessings that made Celebrating Youth unforgettable for me and those who volunteered that day.

I want to encourage all committees and all those entrusted with the work of our church to pray and pray diligently. We, as God's People, must take seriously Jesus' admonition to PRAY. We need committed prayer warriors for all of our events and all of our camps. We must place God's work in God's hands. We must pray for God's will to be done and to use the events we plan as the vessels for His will.

AREA COMMUNICATIONS

The Area Committee on Communications consists of the Joint Committees on Communications of the two Annual Conferences. The Arkansas Area Communications program covers three main areas:

1. Arkansas Area Media Center
2. Arkansas Area Production Center
3. *Arkansas United Methodist Newspaper*

Arkansas Area Media Center:

The Area Media Center maintains a collection of videotapes, audio tapes, films, filmstrips, slides and other audio/visual materials and equipment. These resources are available to all UMs in Arkansas. There is a wide variety of topics to choose from: children, youth, missions, church history, Christmas, Easter, confirmation, family issues, special programs of the church (local, state, and national), and many more.

Your local church is encouraged to use these resources for adult Sunday school classes, children's Sunday school classes, UMW circles, youth programs, administrative board meetings, confirmation classes, and any other opportunities you may find. A Media Center catalog is available upon request. Newly acquired resources are highlighted in the *Arkansas UM* newspaper.

The rental fee for each resource title is $2 if picked up at the office, and $3 if the resource is mailed. The Media Center is located at the UM Center, 715 Center Street in Little Rock. Office hours are 8:30 a.m.-12:00 noon Mon. through Fri. You may leave a request for resources on voice mail 24 hours a day. For more information call the Media Center Librarian, Gloria Caldwell, at (501) 324-8011.

Arkansas Area Production Center:

The Area Production Center, an in-house facility, produces quality printed materials needed to accomplish adopted COM programs of the Arkansas Area. The Production Center has proved to be an integral and economical production tool to UM programs.

The Center has purchased a new printing system for duplicating materials which has greatly improved the quality and productivity of the production center. Because of the increased productivity, we can better serve the needs of your local church. If your church has a special printing need, please call the Area Production Center to check our rates and availability.

We compared the rates of the Area Production Center to other popular printing businesses. We found our cost to the conference and local churches to be 30-60% below what is charged by all other discount and full-service printers.

Located in the UMC Center in Little Rock, the Production Center is available for typesetting and layout, printing, bindery work, and distribution. Contact the Area Production Center Supervisor, Laura Organ at (501) 324-8006 for more details.

Arkansas United Methodist:

In 1996, the *Arkansas United Methodist* continues to serve the church through its ministry of communication and information, just as it has for well over a century. This familiar and friendly publication goes out to 11,500 homes and churches twice a month, providing a glimpse into what The United Methodist Church and its people are all about–in Arkansas and beyond our state's borders.

The *Arkansas United Methodist* relates information about local churches, districts and conferences; about people in the know, places in the news and happenings you don't want to miss; about success stories, celebrations and goals for the future; about where we're going, where we are now, and where we've been. In short, the pages of the *Arkansas United Methodist* are a great place to learn and share and "get connected" to others across our great connectional church. It represents a ministry of information with no other equal in United Methodism across the conference.

How does it all happen? First of all, through their apportionment support, local churches invest in this ministry and make it possible to produce the *Arkansas United Methodist's* 3.3 million pages of newsprint each year. This support is the backbone of the *Arkansas United Methodist's* ability to reach out across the conference and connect with vital news, views and information that can subsequently help them strengthen their faith as individuals, build stronger local ministry, mission and outreach as a church, and take the word of Jesus Christ to others in the community. And in return for this financial support, the *Arkansas United Methodist* gives each local church its proportionate share of 5,000 "free" or allocated copies that are distributed in the North Arkansas Conference. [Likewise, 5,000 copies are also allocated to be distributed to local churches in the Little Rock Conference.]

The newspaper's financial base is supplemented by advertising sales (representing approximately 11 percent of total revenue) and paid subscriptions (17 percent total revenue).

In recent years, however, the cost of producing the *Arkansas United Methodist* has continued to rise steadily. The ever increasing cost for postage and printing has been dramatic. These two expenditures alone represent nearly 50% of the newspaper's yearly budget. *The Arkansas United Methodist's* two person staff–Jane Dennis, Editor, and Melissa Sanders, Administrative Assistant–continues to strive to operate the newspaper as efficiently as possible, examining everything from the cost of printer paper and typewriter ribbons to various ways of sorting and mailing the publication in order to get the lowest possible mail rate. Every effort is being made to produce a quality publication

at the lowest possible cost to individuals and the church.

The *Arkansas United Methodist* is a time honored tradition in The United Methodist Church in Arkansas. But not only that, it is an important link in how United Methodists "connect" to one another and to others as they attempt to spread the Good News and minister to a world that needs and yearns for a caring community of faith. In short, the *Arkansas United Methodist* is a worthy investment for United Methodists in Arkansas.

AREA DISASTER RESPONSE COMMITTEE

The Arkansas Area Disaster Response Committee has concentrated on and emphasized training in 1995-96. The committee has a number of new persons who join the committee each year due to moves which occur within the Conference.

In October 1995, the Arkansas Area Committee was represented by three persons (Claudete Ehrhardt of the Little Rock Conference, Wayne Jarvis and Ed Wyers from North Arkansas) who attended the First International Disaster Response Training Event, "Love in Action: United Methodists in Disaster Response" which was held at the Sager Brown Center in Baldwin, Louisiana.

The church continues to have a unique opportunity for ministry through disaster response. The United Methodist Church is represented in almost every county or parish in the U.S. Therefore, we are **there** before, during, and after the disaster. We have the distinction of being able to provide leadership and to become a liaison between the people affected by disaster and persons of goodwill across the country who want to make donations of goods/services. The United Methodist Committee on Relief works through local leadership in order to provide a response which is tailored to local need.

Funding for disaster response is a critical need. Your gifts help to activate a network throughout the United States and the world to alleviate the suffering of those who face terrifying natural disasters.

Members of the North Arkansas Committee are:

Ed Wyers, Batesville District Coordinator
Jeff Hampton, Conway District Coordinator
Paul Barrington, Fayetteville District Coordinator
Monty Bell, Forrest City District Coordinator
Tom Hazelwood, Fort Smith District Coordinator
Jimmy Dale Thresher, Paragould-Jonesboro District Coordinator
Dick Gregory and Wayne Jarvis

AREA VOLUNTEERS IN MISSION

This has been a year packed with excitement as we forge ahead with the building of infrastructure and networking to make Volunteers In Mission a productive part of the mission field within this body of God's Church.

Our first challenge was to bring the many fragmented parts of mission work into one view, with our purpose to find prayerfully, a focus within this whole scope, for Arkansas United Methodist to be functional part of this ministry of serving others.

We have embarked on a journey that will not allow us to turn back to our old ways, and will make a definite impact on this Church body as more and more people experience the exhilaration and excitement that comes with exercising a servant lifestyle.

This ministry has taken baby steps this year, only to find that giant accomplishments have been produced through the hard work and dedication of volunteers, young and old alike.

Many Arkansans attended the mission field and offered numerous hours of work to the Glory of God. These persons were offered as counselors, teachers, cooks, nurses, doctors, plumbers, electricians, painters, carpenters, roofers and just common laborers to perform a task, never to realize the full impact of their work after leaving that particular project, only knowing that their purpose was to deliver a blessing from God and help in making God's Grace real to all who will experience it.

Our first Team Leader Training Event was held at Dardanelle UMC on April 19 & 20, where we introduced our team leader training manual to 23 persons. The event was led by Larry Acton, Director of the Oklahoma VIM office. Other training events will be scheduled for those interested in learning ways to implement mission teams into action. We hope these training manuals will become a well used and resourceful tool in planning and implementing mission teams and projects.

Our thanks are extended to the District Superintendents that allowed mission grants for persons to attend this event from their respective Districts.

We have a need for work teams at several projects;

Work is ongoing to find a way to financially support VIM without burdening our churches. Our first official donation was received this week from the UMW at First UMC of Malvern in the amount of $100. A special thanks to the UMW at Malvern First Church for this donation. If we survive the swell of interests, and if we are to be successful, we must buy into this valuable and worthwhile project.

Many big thanks are due Bill Waddell and Bill Gregory for their leadership as Co-Chair of the VIM Area Task Force Committee and to the other committee members that have a yearning in their heart to see VIM grow into a great instrument of God's Service to those bearing burdens.

There are no adequate words to express my thanks to those who are making this ministry successful by giving the best of you time, talents, and gifts, especially your witness. By your work uniting with God's great purpose for each of our lives, you are transforming this VIM dream and vision into a spiritual relationship with our brothers and sisters in Christ, that will bear fruits beyond our efforts.

CAMP ALDERSGATE

The past year at Camp Aldersgate was one that can best be described by the word "building". The camp experienced one of the busiest years in recent history in capital improvements to the 120-acre campgrounds located in the heart of the state's largest city.

In addition to the improvements of the facilities, building was also happening in the development of the organization by the board of directors, in the camp's development of financial resources, in its visibility, and in each of the camp's programs.

In its strategic planning process, the board of directors updated the camp's mission statement to read:

"Camp Aldersgate, an nonprofit organization related to the General Board of Global Ministries of the United Methodist Church, is committed to social justice, racial harmony, and providing life enrichment opportunities in a natural setting.

Each of the camp's programs reflect this mission and enhancements were made to each program.

Programs

The Summer Medical Camps program celebrated its 25th year and honored its 5000th camper. The camp hosted one of the largest sessions ever held with 353 campers from 138 Arkansas towns and 60 counties, along with campers from five other states. Summer staff members represented five states and one was from New Zealand. A grant from the Arkansas Arts Council provided an artist-in-residence, S.D. Youngwolf, who led the campers in exploring Arkansas' Native American culture through camp activities.

The Weekend Respite Care program, the state's first and only respite program located in a camp setting, continues to provide weekend respite care for children with severe disabilities. The program assisted 70 families from 16 Arkansas counties.

The Seniors Day Out program hosted 30-50 participants weekly from September through May. In collaboration with the Services and Opportunities for Seniors, the Southwestern Bell Telephone Pioneers, United Methodist Women and local pastors, the seniors from Roland, Pankey, Ferndale, and downtown Little Rock enjoyed continuing education, socialization, nutritious meals, and entertainment.

The Youth Initiative Project continued to grow and added a summer program in addition to the after school program for the youth ages 14 to 17. As the camp continues to interrelate its own programs, the youth participated in a summer fishing derby with campers attending the Muscular Dystrophy week of the summer medical camps.

The Camp Aldersgate Mission Experience program saw an extremely successful year with 104 participants from United Methodist churches in Fort Smith, Newport, Stuttgart, and Cabot, Arkansas; Kansas City, Missouri; and Shawnee Mission, Kansas. In only four weeks, participants completed projects at 19 houses and at St. Mark's Chapel United Methodist Church.

Year-round facilities were provided for the housing of the Westside Medical Clinic a program of the Catholic Social Services of the Diocese of Little Rock, and for the Woodlawn Therapeutic Children's, of Centers for Youth and Families.

Staff

During the past year the camp added a director of programs and a full-time director of volunteers. The staff continued its professional and community involvement with participation and offices held in the American Camping Association, Mid-South Chapter; the National Society of Fund Raising Executives, Arkansas Chapter; the Arkansas Volunteer Coordinators Association; the Pulaski County Aquatics Council; the National Respite Coalition; the Regional AIDS Interfaith Network; and the United Methodist Women.

Volunteers continued to be the lifeline of Camp Aldersgate's programs. Over 230 youth volunteered 35,680 hours of service to the camp, while adults contributed over 20,000 hours.

Resource Development

The camp's board of directors continued the work toward diversifying and stabilizing the camp's financial resources. The United Methodist churches of Arkansas provided strong support, especially the United Methodist Women of St. James UMC in Little Rock, who raised $12,500 for the camp at their Mission Madness silent auction. During the past year, Camp Aldersgate was recognized throughout the nation. The South Central Jurisdiction of the UMW held a Mission Event at the camp with over 40 women participating in various work projects. The camp was chosen to take part in the International United Methodist Children's Fund for Christian Mission during 1995-1996. It also was selected as a featured agency in the national display held at the 1995 General Board of Global Ministries Quadrennial Conference in Seattle in November.

1995 was a year of building for Camp Aldersgate. Not only with the expansions and enhancements of the physical site and programs, but in the work to establish a stable foundation of mission and resources by which to provide continues services to the thousands of people who benefit from the camp's programs. Once again, the United Methodist Church of Arkansas has been a significant part of that work.

CANDLER SCHOOL OF THEOLOGY

Candler School of Theology of Emory University is committed to preparing effective and dynamic leadership for The United Methodist Church. It seeks to do this by maintaining close ties with clergy and laity. Based on conversations with these constituent groups, the Candler faculty has reviewed and revised its degree curriculum to assure a solid biblical foundation and strong preaching background for its graduates. Required one-year Old and New Testament interpretation classes taught by Candler's internationally recognized Bible faculty and foundational class on the basics of vital preaching will prepare students for a lifetime of study in these two important disciplines.

Candler faculty stay abreast of concerns of local church members through preaching, teaching, and leading workshops for churches and conferences. During 1995-96 Candler faculty traveled to 25 states to participate in lay theology academies, pastors' schools, Christian educators' fellowships, revivals, laity retreats, and other church events. Through the recently instituted Avary Program in Church leadership, customized workshops will by presented by Candler free of charge to churches, districts, and annual conferences interested in revitalizing clergy and lay leadership.

The educational program available at Candler had been strengthened this year by the addition of three new faculty members. Dr. Nancy Eiesland, a Candler and Emory University graduate, teaches in the area of sociology of religion. One of her specialities is the study of how congregations respond to community change. Dr. Timothy Jackson teaches in the area of Christian ethics. He will also offer courses in medical ethics, using insights he has gleaned from his service on the ethics board of a denominationally affiliated retirement home. Dr. Neal Walls, an Old Testament professor, is interested in the religious traditions of ancient Israel, especially as a context for understanding Hebrew texts found in the Old Testament.

As the largest of the thirteen official United Methodist seminaries, Candler is looking toward the future of the church at it prepares students for faithful and creative ministries. The school recently received a $3.3 million grant from The Pew Charitable Trust to support a program to develop Hispanic religious leadership by promoting Hispanic participation in theological education. Candler's administration of this program will help prepare persons to proclaim the Gospel in an increasingly diverse church.

Just as Candler seeks to support local churches, the seminary continues to benefit from the support

of local churches for theological education through the Ministerial Education Fund (MEF), as well as the generosity of faithful individuals. We are grateful for these gifts and for the prayers of the conference for our students, faculty, and staff. We give thanks for the partnership Candler has with this conference in preparing future leaders of the church.

   a. Preservation of capital;
   b. Liquidity - to meet anticipated and unanticipated future needs;
   c. Maximization of income - while simultaneously insuring preservation of capital and liquidity.
   d. Compliance with the *Social Principles* and the Discipline of the UMC.
3. To accomplish this objective:
   a. Funds should be deposited in AR institutions in a fully insured status: i.e., AA or better state and national banks, CD/Savings and Loan and Bank FDIC insured, maximum investments

$100,000 per institution.

b. Securities:

(1) Direct obligation of United States Government Treasury Bills and Notes.

(2) Certificate of Deposits, Time Deposits, interest bearing accounts.

4. Funds should be deposited on a short-term basis, generally 60 or 90 days, but up to six months when all objectives can be satisfied.
5. This policy is intended to be flexible in its application in order to meet changing economic conditions. Investments made for longer that 90 days may be made after the approval of the Executive Committee of the NAC Council on Finance and Administration. While income is desirable, the primary emphasis is to be on the maintenance of adequate funds and the avoidance of speculative investments.
6. This policy may be amended to meet changing conditions and to fulfill the needs of the Annual Conference.

L. The NAC gives the Conference Council on Finance and Administration the authority to fund extraordinary needs relating to the life and ministry of the NAAC. These needs shall be funded from available unrestricted funds and stabilization funds. This authority shall not be used to replace or circumvent normal funding procedures of the NAAC.

M. When the Annual Conference adopts a program or ministry which is not within the existing Conference structure, the Conference shall specify lines of amenability and accountability so as to provide for budgeting, evaluation, and audit.

VI. Administrative Concerns:

A. All funding requests from institutions shall be presented to the appropriate board or agency of the Conference for recommendation before presentation to the Council on Finance and Administration.

B. All persons authorized to vouch for funds shall be identified by agencies and approved by the Council on Ministries prior to the dispensing of funds.

C. All apportionments shall be received by the Area Treasurer by 2:00 p.m. on Wed. after the first Sunday in January.

D. Each charge shall declare all ministerial support. The report shall include remuneration for compensation, travel, utility expense, insurance, social security, and all additional compensation paid to the pastor or on behalf of the pastor.

E. When any agency's total budgeted funds have been expended, no further expenditures will be authorized without CF & A approval.

F. All benevolent and connectional funds shall be sent to the Office of Finance and Management, P.O. Box 2941, Little Rock, AR 72203, except for the following which shall be sent as designated:

1. AR UM Children's Home Christmas Offering and special gifts to the Office of the Superintendent, P.O. Box 4125, Little Rock, AR 72214.
2. All insurance premiums be sent according to the instructions from the Committee on Group Insurance to Mrs. Faye Watson, P.O. Box 119, Marion, AR 72364.

G. The Conference Council on Finance and Administration recommends that Joe Eason be elected to the Office of Conference Treasurer for the 1997-2000 quadrennium.

H. We express our appreciation to Joe Eason and his staff, Cheryl Beck, Todd Burris, and Mary Lois Stanfield, for the excellent service they perform for the Conference.

David Orr, President
Jim West, Secretary

Council on Professional Ministry

Board Of Ordained Ministry:

The duties of the Board of Ordained Ministry are outlined in ¶733.2 of the 1992 Book of Discipline.

I. Policy And Program:

A. The financial resources of the Board will be disbursed in the following ways:

1. For the normal work of the Board and its officers in fulfilling our responsibilities to persons related to the Board in preparation and enhancement for ministry.
2. The financial assistance to students enrolled in the Master of Divinity program (or its equivalent) in seminaries listed by the University Senate of the UMC, and to candidates enrolled in basic degree programs for Diaconal Ministries. Depending on the availability of funds, interest free loans will be made, per semester, as follows:

   $1,500 for students attending UM Seminaries (full time)
   $750 for students attending UM Seminaries (part time)
   $525 for students attending UM Seminaries (summer)
   $225 for students attending UM Seminaries (mini-term)
   $750 for students attending Non-UM Seminaries (full time)
   $375 for students attending Non-UM Seminaries (part time)
   $263 for students attending Non-UM Seminaries (summer)
   $113 for Students attending Non-UM Seminaries (mini-term)

   The above schedule is a guideline and the actual amount of loans may be increased with the availability of funds.

   Loans for full-time seminary students will be granted for no more than four seminary years. Part-time students may receive loans for more than four years, but the total amount of loans shall not exceed the total amount granted to a full-time student in four years, i.e. $12,000 maximum grants. To be eligible for loans, students must have received the Certificate of Candidacy and be attending an approved institution and must not be receiving full scholarship aid from an approved institution. Students are expected to provide information concerning their academic standing and any circumstances relevant to their case to the Registrar of the Board. The Loan Officer for the Board is Mike Morey The loans are to be paid back at the rate of:

   One service year per year of loan for full-time student.
   One-half service year per year of loan for part-time student.
   Service in any UM Conference is payment.

Service in any other denomination does not count.
If persons leave the UM ministry they will repay the loan at a rate of $700/year.

B. The Course of Studies Schools:
1. Local Pastors attending the Course of Study School at a UM School of Theology will receive financial aid from the Board for room and board expenses, up to $570 for a four week school or up to $285 for a two week school. Students will bear all other expenses including registration, books and travel.
2. The Board heartily endorses the Arkansas Area Extension Course of Study School for part-time local pastors. The Board will provide $10,000 to fund the school. Students will bear their expenses for registration and travel.
3. Loan money is available for students in Advance Studies at the same rate as part time students, not more than four semesters, after consultation with and the approval of the Conference Board of Ordained Ministry.
4. The Board will pay up to one-half of the cost of registration for the correspondence cost for the History, Polity, and Doctrine course and up to $300 for the residential program regardless of how long it may take.
5. The Board will pay one-half of the cost of registration fee for course of study by correspondence for one year.
6. The Board will not pay for the same course of study more than one time. If course is not "passed" the first time repeat of that course is the student's responsibility.

C. The AR Area Local Pastor's License School:
The Board will give financial support to the AR Local Pastor's License School up to $4,000.

D. Professional Ministries School:
The Board will support the AR Area Conference on Leadership in Ministry by providing funding up to $1,500.

E. Supervision of Resident Probationers:
The Board has adopted a process to insure supervision of post-seminary probationary members through the assignment by the Board of Ordained Ministry of a Counseling Elder, known as a Mentor, to each individual and/or joint assignment to a geographic cluster group.

F. Continuing Education:
1. The Board has adopted a Guideline for Continuing Education in conjunction with the Board of Diaconal Ministry which established an expectation of ten Continuing Education Units during a three-year period. (The Guidelines have been circulated and are available from the Chairperson of Continuing Education, Mackie Yokem.)
2. We recommend that each local church or charge allow continuing education leave time for their Pastor as provided in ¶445.2 and ¶445.5 of the 1992 Book of Discipline. This leave time should not be considered part of the pastor's annual vacation.
3. We recommend that each local church or charge provide in its budget a Continuing Education Fund. This item should be separate from compensation, utilities, and other expense items and should not be counted therein. This fund should be a reimbursed expense to encourage professional and personal growth. We request that each District Superintendent make this an item of inquiry at each Charge Conference. The Board will continue to support the Clergy Professional Growth Training which is promoted by Bishop Richard B. Wilke and the Cabinet.
4. Continuing Education credits will be awarded as .1 CEU per hour of contact time.

G. Testing and Evaluation:
1. In consideration of ¶407.5 of the 1992 Book of Discipline the Board will require physical and psychological evaluation when:
   a. A Candidate seeks full-time appointment in the NAC and/or
   b. A Candidate applies for probationary membership in the NAC.
   c. At other times deemed helpful by the Board of Ordained Ministry.
2. Methodist Hospitals of Memphis will do all physical and psychological evaluation except with prior consent of the Board of Ordained Ministry.

H. Retirement:
1. The Board will recommend annually to the Annual Conference those persons to be granted the Retired Relationship.
2. The Board will provide a plaque to each retiring Pastor (full member, associate member, local pastor) showing his/her years of service to the church at the retirement celebration at Annual

Conference.

3. The Board will work in cooperation with the Little Rock Conference Board of Ordained Ministry and the UM Foundation of AR to provide at least once each quadrennium a pre-retirement Seminar for pastors and other church professionals. Persons 55 years of age or older will be encouraged to attend these seminars.

I. The Board, through its Secretary on Memoirs Carolyn Park, will provide through its inclusion in the Annual Conference Journal a list of those ministers, widows of family members who have died since the last session of the Annual Conference.

J. Registrar Staff: Gary Goldman, Board Registrar; Lewis See, Asst. Registrar for Residency/Full Membership; Dennis Spence, Asst. Registrar for Seminary/Probationary Member Candidates; Marilyn Webb and Prior Cruce, Asst. Registrar for Local Pastors; and Bennie Harmon, Asst. Registrar for Candidacy.

II. Seminary Scholarship Endowment Fund:

Article I Property

The Board of Ordained Ministry of the NAAC desires to place funds with the Trustee, UM Foundation of AR, for the purpose of providing scholarship support to students attending seminary. The Donor hereby assigns to the Trustee certain property and may make additional assignments of property from time to time.

Article II Administration of Fund

These funds shall be known as the NAAC Seminary Scholarship Endowment Fund. The Trustee shall hold, manage, and control the property currently in the fund, and any other property coming into the possession of the Trustee, pursuant to the power and authority herein given to it, for the uses and purposes and upon the terms and conditions as stated:

1. The Trustee shall distribute funds from earned income according to the instruction of the Board of Ordained Ministry of the NAC to be used exclusively for educational purposes.
2. The Trustee shall transfer 75% of the annual net income to the principal of the Fund as of December 31 of each year until the principal balance reaches $10,000. Thereafter, 25% of the annual net income shall be transferred to the principal of the Fund as of December 31 of each year.
3. The remaining 25% of the annual net income of the fund, before principal balance reaches $10,000 or 75% of the annual net income of the fund after the principal balances reaches $10,000, shall be used to fund scholarships.
4. If awarded, scholarships will be granted to students seeking a Master of Divinity Degree or equivalent according to the following priorities:
   a. A Probationary Member of the NAAC attending a UM Seminary full time.
   b. A licensed Local Pastor attending a UM Seminary full time.
   c. A certified Candidate attending a UM Seminary full time.
5. The Trustee may accumulate income from year to year in its sole discretion. Amounts accumulated from previous years shall be available for funding scholarships in future years.
6. If the fund's principal balance does not equal or exceed $10,000 ten years after the execution of this agreement, the Trustee shall forward the entire balance of the fund, including principal and interest to the NAC Emergency Educational Endowment Fund. The Trustee shall confer with the Board of Ordained Ministry in this eventuality.
7. The Board of Ordained Ministry of the NAAC will solicit scholarship applications from qualified students between January 1 and March 31 each year, will determine recipient(s) based on funds available and announce awards at Annual Conference session.
8. Scholarships will be for one 12 month period on an academic year basis.
9. Scholarships shall be distributed to the student in compliance with the Internal Revenue Code. Additional articles will be written by the Board representatives and the Trustee as needed for tax purposes and legal clarification.

III. Recommendations:

A. We recommend continued emphasis on the Ministerial Education program and our UM Seminaries. We ask that each local church pay its full apportionment of the Ministerial Education Fund. The portion of this fund which is retained in the Annual Conference provides the Board's funds for continuing education, tuition loans, support of persons attending the Course of Study School, the AR Area Local Pastor's License School, and the History, Polity and Doctrine Course.

B. The Board continues to have a vital concern for candidates for Ordained Ministry who face the increasing costs of Theological Education. In the light of the increasing costs of Theological Education, we recommend that each District in the NAC establish at least one Ministerial Education Scholarship to be granted annually to a seminary student from the NAC. We further encourage District organizations (i.e. UM Women, UM Men, etc.) and local churches to establish significant help to the education of our future pastors.
C. The Board of Ordained Ministry seeks approval of the Annual Conference to identify partnership churches in the Annual Conference. Such churches would be asked to pay 1/2 of the costs of a persons theological education for services rendered to the Church by the student during their education time and to identify individual patrons. Such individuals will give special support to Candidates for Ordained and Diaconal Ministry during their educational pursuits.
D. We recommend that those persons desiring to make inquiry concerning the Ordained Ministry as their vocation secure proper application forms for Candidacy from their District Superintendent or from the Assistant Registrar for Candidacy, Bennie Harmon.
E. We recommend that each pastor become familiar with the Candidacy for Ministry process in order to give proper counsel to members of his/her congregation. Each individual entering the Ordained Ministry must complete the Candidacy program.
F. We recommend that local church (and especially Committee on Staff/Parish or Pastor/Parish Relations) become familiar with the Disciplinary provisions which relate to Ordained and Diaconal Ministry. Local churches have an increasing role in the process through which a person enters the Ministry.
G. We recommend that all pastors be encouraged to attend the AR Area Conference on Leadership in Ministry. New appointees to the Annual Conference are encouraged to attend the course on "Ethics" which includes information about Sexual Harassment.
H. We recommend that congregations in the NAC be encouraged to participate in the seminary intern program.
I. We recommend and encourage the support of and participation in the Ministerial Assistance Fund by all Pastors of the NAC by contributing annually an amount equal to 1/4 of 1% of their base compensation to the fund. Any pastor may apply for emergency assistance with the understanding that this is a one time grant. The maximum grant is $500. Grant applications are processed through the office of the District Superintendent.
J. We recommend that each local Staff/Parish or Pastor/Parish Relations Committee insure that the Pastor's compensation package be arranged in such a way as to be as tax efficient as possible.

IV. Handbook of Policies & Procedures for the Resolution of Grievances of Clergy Members

This handbook helps clarify the Discipline's process for resolving grievances against a minister within the North Arkansas Annual Conference. It serves as a guide to all parties so that all shall know which steps are in order. This handbook also clarifies those procedures that the Discipline leaves to the Annual Conference to define. Every effort has been made to ensure this handbook does not conflict with the Discipline. Naturally, this handbook is amendable to the Discipline and to the clergy session of the Annual Conference. In its attempt to be thorough, the handbook also recognizes each situation may raise unique questions. Therefore, the handbook is not exhaustive and welcomes any ideas for improvements which helps it meet its purpose of guiding all parties in the resolution of grievances.

The scope of these procedures is ecclesiastical, not criminal or civil. Just as criminal and civil issues have their own code books and procedures, the primary code book for the orderly and fair disposition of resolutions of grievances is the current Discipline of The United Methodist Church. All decisions of procedure and resolution (from the supervisory level, to the trial, to ratification by the clergy session) must be in keeping with the current Discipline and any applicable North Arkansas Conference by laws and/or procedures.

These procedures provide a framework for determining the validity of grievances. If the grievances are true, the procedures are to be used in assessing the extent to which the accused's action has affected his or her ability to continue in a ministerial relationship with the North Arkansas Annual Conference.

The Discipline instructs all parties to always seek for and possess a spirit of reconciliation. Reconciliation shall be defined as a decision agreed upon by all parties involved (the accuser, the accused and the Conference) unless the agreement is counter to the Discipline and any North Arkansas Conference by-laws and procedures.

The following chart illustrates the new complaint process from the supervisory level and onward, if unresolved, the Bishop sends all administrative complaints to the Board of Ministry and all judicial complaints-chargeable offenses to the Committee on Investigations

NEW PROCESS FOR RESOLVING COMPLAINTS AGAINST CLERGY

Council on Professional Ministry

Board Of Diaconal Ministry:

Diaconal Ministers are lay persons called by God to specialized ministries of love, justice, and service within local congregations and the wider world. Diaconal Ministers are educated in the Biblical and theological precepts of the Christian faith and in the historical and doctrinal traditions of the United Methodist Church. Diaconal Ministers are professional lay persons trained to focus their service through a variety of ministries such as community development, social services, health ministries, missions, peace making, education, counseling, evangelism, administration, and music. Diaconal Ministers function as assistants in worship, partners in governance, leadership in mission, ministers of pastoral care, and teaching, and as agents of Christian unity. The Diaconal Ministry involves interpreting to the church the needs, concerns and hopes of the world, serving and nurturing persons within the household of faith, responding to the needs of the corporate body, thus enabling the church to be in ministry in the world. Diaconal Ministers are consecrated by the church and appointed by the Bishop to serve time-honored functions and offer flexibility for expressing ministry in new ways responsive to contemporary needs. We affirm our commitment to adhere faithfully to the requirements of the Discipline in all matters related to the ministry. The Board of Diaconal Ministry has responsibility for inquiring candidates, certified candidates, Diaconal ministers, persons holding professional certifications and assistants in various program areas.

I. POLICY AND PROGRAM

A. CANDIDACY

1. When a person hears and heeds the call to serve as a Diaconal Minister his/her first formal step is to qualify as a candidate for Diaconal Ministry.

2. During this time of searching and defining his/her call, the Board of Diaconal Ministry assigns the pilgrim a Mentor. The Mentor is a guide and resource person who has been selected and trained to help the pilgrim in his/her search.

3. Candidacy for Diaconal Ministry occurs in two stages. The inquiring candidate is anyone who has made a written inquiry to the Board and has been assigned a mentor. The inquiring candidate works with his/her mentor through Chapter 3 in the Candidacy Journal. A person can be an inquiring candidate for an indefinite period of time. The progress of each inquiring candidate (pilgrim) will be reported to

the Board by his/her mentor annually.

4. Certified Candidacy begins after the person has completed Chapter 3 in the Candidacy Journal and has been approved by the Board and the Annual Conference. This initial interview with the Board focuses mainly on the person's responses to the questions on page 102 of the Candidacy Journal. The person has a maximum of eight years to complete the candidacy process. Leaves of absence of up the three years may be granted by the Board in special cases. The status of each candidate is evaluated annually by the Board of Diaconal Ministry. Candidates failing to renew their candidacy may be put on leave by the Board. Certified Candidates in good standing are eligible for scholarship grants from the Ministerial Education Fund. When the candidate completes the process, he/she may apply for consecration. The candidate will submit in writing answers to the doctrinal questions on page 102 of the Candidacy Journal a second time. After approval by the Board of Diaconal Ministry, the candidate is presented to the Annual Conference for Consecration.

5. We continue to support the mentor program as the point of entry into the formal candidacy process and encourage persons to be trained as mentors so as to provide direction and support to persons exploring the Diaconal ministry.

6. Certified Candidates must complete the certification and foundation courses or have an advanced degree which includes the required courses from a school approved by the University Senate.

B. CONTINUATION IN THE OFFICE OF DIACONAL MINISTER OR AS A CERTIFIED PROFESSIONAL

1. All Diaconal Ministers will complete the annual review forms, charge conference report, and service appointment forms.

2. Each Diaconal Minister will be reviewed by the Board of Diaconal Ministry once each quadrennium at the first retreat following the General Conference each quadrennium.

3. All certified Professionals will complete the Annual Renewal Forms.

4. Each Certified Professional will be reviewed by the Board once each quadrennium at the first retreat following General Conference each quadrennium.

5. Diaconal Ministers will contract with their employing institution each year through the Staff-Parish Relations Committee or its equivalent and the District Superintendent.

6. District Superintendents will ask for an itemized statement of the support package of each Diaconal Minister at the Charge Conference.

7. We encourage Diaconal Ministers and Certified Professionals to be in attendance at all regular minister's meetings and cluster groups in their district.

8. We encourage local churches to become familiar with the Disciplinary provisions which relate to Ordained and Diaconal Ministry and to be faithful to their covenant agreement with the ministers appointed to their charge.

C. RETIREMENT

4. Retired Diaconal Ministers will be included in the retirement luncheon held during Annual Conference.

D. MEMOIRS

1. The Board of Diaconal Ministry will provide to the Board of Ordained Ministry's Memoirs Secretary a list of those Diaconal Ministers, certified candidates and certified professionals and their family members who have died during the year to be included in the Journal.

2. These persons will be included in those remembered at the opening worship service of Annual Conference.

E. FINANCIAL RESOURCES OF THE BOARD

1. The financial resources of the Board of Diaconal Ministry will be distributed in the following ways:

A. For the normal work of the Board of Diaconal Ministry and its officers in fulfilling their responsibilities to persons related to them in preparation and continuation of the process of certification or consecration.

B. To provide the required physical and psychological testing service through Methodist Hospital required of the candidates for consecration.

C. To publicize and raise the public awareness of the existence of Diaconal Ministry as a viable form of representative ministry.

F. CONTINUING EDUCATION

1. We endorse the Conference On Leadership In Ministry as an option for continuing education and continue to work toward the goal of offering courses that would be designed for Diaconal Ministers and certified professionals also.

2. We continue to use the guideline of four Continuing Education Unites during a four-year period as a standard expectation of Diaconal Ministers.

3. We recommend that each local church employing a Diaconal Minister, certified professional or candidate provide continuing education time as provided for in the Book of Discipline. This leave should not be a part of the person's annual vacation time.

4. We recommend that each local church employing a Diaconal Minister, certified candidate or person holding professional certification provide in its budget a continuing education fund. This item should be separate from salary and other expense items and should not be counted therein.

5. We encourage Diaconal Ministers, certified candidates and those holding professional certifications to attend the Conference On Leadership In Ministry.

6. We endorse the continuation of Resolution #5 passed at the 1990 Session regarding scholarship assistance for dependents of Diaconal Ministers at United Methodist Colleges and Universities.

G. MINISTERIAL EDUCATION FUND

1. We continue to work with the Board of Ordained Ministry in providing scholarship through Ministerial Education Funds for our students enrolled in the Foundation or Certification Courses of Study or persons in our program who are enrolled in a Masters degree program in a school listed by the University Senate of the United Methodist Church.

2. Diaconal Candidates or Certification Candidates are to be included as choices for Ministerial Education Fund scholarships offered in the various districts of the North Arkansas Conference.

3. We continue to emphasize the Ministerial Education program and our United Methodist Seminaries. We ask that each local church pay its full apportionment of the Ministerial Education Fund.

Council on Professional Ministry

Board Of Pensions:

The NAC Board of Pensions is charged with the work of providing for and contributing to the support, relief, assistance and pensioning of the ministers and their families of The UMC. The board works closely with the General Board of Pensions of The UMC which has provided excellent counsel, interpretation and guidance in our pension program.

All eligible clergy must be enrolled in the pension program (MPP). Eligible clergy include a bishop of the United Methodist Church elected by a jurisdictional conference; a bishop of the Puerto Rico Methodist Church; a clergy member of a Conference; a local pastor under episcopal appointment in a Conference, and those who have been previously approved by the Conference Board of Ordained Ministry for service as full-time, part-time or student; or a clergyperson of another denomination who is under episcopal appointment in a Conference, if you are not participating in a pension program of the denomination to which you belong.

Enrollment is the responsibility of the participant. Enrollment blanks may be obtained from Mrs. Faye Douglas Watson, Administrative Secretary, P.O. Box 119, Marion, Arkansas 72364.

The Board of Pensions recommends that:

1. The 1997 annuity rate for service completed prior to 1982 be $313.
2. The NAC continue participation in the Ministerial Pension Plan (MPP) and the Comprehensive Protection Plan (CPP) of the General Board of Pensions of The UMC as follows:
   a. That the contribution rate for Ministerial Pension Plan be 12% of the plan compensation of the participant up to the Denominational Average Compensation (DAC). Plan

Compensation includes cash salary plus 25% for parsonage or cash amount for housing, plus any tax-deferred annuity program, plus any amount paid to participant as a reimbursement for Social Security taxes.

b. That each minister contributes 3% of his/her Plan Contribution, up to the DAC, to his/her personal account with the General Board of Pensions.

c. That the contribution to the Comprehensive Protection Plan (CPP) be 4.4% of which 1%, shall be contributed by the participating minister.

d. That current service be paid by apportionment by the churches of the conference.

e. That we include any ministers in the Comprehensive Protection Plan (CPP) who are eligible for the Special Arrangement feature.

3. Past Service funding be paid by apportionment income, interest income, and depletion of pension resources as indicated below.

a. At the 1993 session of the NAAC, the Conference Board of Pensions, Council on Finance and Administration, and the Board of Ordained Ministry were charged with compiling and accounting "those projected to retire by 2000, estimated funds needed, and a proposed financial plan to meet those needs". This group has met and made an extensive study of several alternative ways of meeting our needs, including the possibility of another capital funds campaign to fund past service obligations. The recommendation of this study group and the Board of Pensions was to establish our yearly past service funding deposit at $780,000, and then use interest income from pension funds on deposit, and an actual depletion of those pension fund deposits, to cover the increases that are expected in that past service funding requirement in the future. In order to do this, a $200,000 increase in our annual apportionment was required, beginning in 1995.

If interest earnings and apportionment income stay high, and retirement projections hold true, this plan would fund our past service funding portion of the pensions budget for several years, and possibly until that obligation becomes fully funded. Due to the unpredictability of the number of retirements in the future, the level of unfunding related to those retirements, the longevity of retirees and spouses, and the investment rate of return, it is impossible to make any realistic projection beyond the year 2000/2004.

It is our hope to continue to use the Deposit Account funds as long as possible to supplement the required past service payment in excess of $780,000. How long this method can continue will be determined by the factors described above. It is important to remember that these factors are beyond our control.

We will continue to give you a yearly update on how well this procedure is actually working, and to suggest any alterations that seem advisable or needed. Since the General Board of Pension and Health Benefits produces five year projections on the annual past service payments, we will know at least five years in advance of the total liquidation of the Deposit Account, which maintains the conference's pension funds, and the need to end or alter this funding plan.

It should also be pointed out that past service funding represents only one component of the entire pension's budget. Past service funding relates to retirement years accumulated prior to 1982. Pensions have two additional major areas of responsibility, however: 1) current active pastor's pension funding, and 2) health insurance coverage for retired pastors. This area of health insurance coverage is another volatile area which is largely beyond our control and has been a source of concern for several years.

All this should remind us of the impossibility of holding the entire pensions apportionment to a zero increase in any one year; however, by better managing this area of past service funding, increases will be held to a minimum.

The Board of Pensions is very sensitive to the situation of our local churches and pledges to you to do the very best we can in our fiscal management to hold down unnecessary increases in the apportionment, while at the same time remaining faithful to our obligations to those who have served our Lord so faithfully.

b. That the surviving spouse continue to receive benefits at 75% of the formula benefit rate for pre-1982 service.

4. That the Death Benefit Program (DBP and DBP+) be available to participants who are currently enrolled, for the plan year 1997 and beyond, at the participants own expense.

5. In order to provide adequately for the pension program (current and past funding) the

churches shall pay an apportioned amount totaling $1,712,752.

6. Health insurance premiums for retirees shall be apportioned in the amount of $550,000.
7. Allowance grants, retirement love offerings and local expenses of the Board of Pensions is paid by the Treasurer of the Conference Board of Pensions, subject to the approval of the Conference Board of Pensions and the 1992 Book of Discipline.
8. The institution, board or organization paying the salary of a minister on special appointment without annuity claim on the conference shall make provision for the pension of such person. Attention is called to ¶1606.3a (3), 1992 Book of Discipline, regarding eligibility to participate in Ministerial Pension Plan (MPP) and Comprehensive Protection Plan (CPP).
9. There shall be apportioned to each agency and institution served by a ministerial member under special appointment with annuity claim on the conference an amount equal to 15.4% of the Denominational Average Compensation (DAC).
10. Listing of special appointments:
    a. WITH ANNUITY CLAIM upon the conference subject to 1992 Book of Discipline, ¶1606.3a (3):
        The District Superintendents
        The Director and Associate Directors, Conference Council on Ministries

11. Notice for claims for pension credit shall be made in writing to the Administrative Secretary, NAC Board of Pensions.
12. In determining years of service, the Board of Pensions shall carefully examine and consider those years listed in the conference Journal prior to accepting them as valid years; and any years in question shall be subject to validation by the applicant and by approval of the Board of Pensions.
13. Copies of individual service records may be obtained from the General Board of Pensions, 1200 Davis Street, Evanston, IL 60201.
14. The Board recommends that annuity credit for past service be given to the following: Thomas E. Anderson: 2/18/73 thru 6/6/74.
15. Eligible claimants who have been retired by the NAC with pension benefit will have their death benefit coverage provided through the Comprehensive Protection Plan (CPP). The benefit is 20% of the Denominational Average Compensation.
16. We recommend that all retired ministers, widows, and dependent children, who are the responsibility of the conference, be covered by the conference health insurance program. The Annual Conference will pay 100% of health care cost of retirees and surviving spouses within the following guidelines:
    a) A retiree must serve 40 years within the UMC to receive 100% payment. Less than 40 years service are credited with 2 1/2% funding per year of service.
    b) Premiums paid by the Conference for a surviving spouse's insurance coverage is determined by the number of years of service of their deceased ministerial spouse, and their own particular age (see below).
    c) Retired ministers and their spouses receive funding only up the maximum of Medicare

supplement insurance cost. Persons under 65 years of age must pay the difference between Medicare and active insurance costs themselves.

d) Retired individuals, eligible for Medicare, shall personally pay Medicare premiums.

e) When a surviving spouse of a retired clergy person remarries that surviving spouse will be responsible for 100% of the insurance premium.

f) Spouses and dependent children of an active clergy person who dies will have 80% of their insurance paid by the Conference, until that spouse remarries, or until that spouse reaches age 65, at which time the above guidelines go into effect.

g) If a retired minister marries after June 1, 1995, the new spouse will be responsible for 100% of the insurance premium.

17. Resolution Relating to Rental/Housing Allowance for Retired or Disabled Ministers of this Conference:

Whereas, the religious denomination known as The UMC has functions through Ministers of the Gospel who are duly ordained or licensed; and

Whereas, the practice of The UMC is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers, and

Whereas, pensions paid to retired ordained or licensed ministers of The UMC are considered as deferred compensation and are paid to said retired and disabled ordained and licensed ministers in consideration of previous active service; and

Whereas, the Internal Revenue Service has recognized that The NAAC is the appropriate organization to designate a housing/allowance for retired ordained or licensed ministers who are members of the Conference; and

Now Therefore Be It Resolved:

a) An amount equal to 100% of the pensions payments received during the year 1997 be and is hereby designated as a rental/housing allowance for each retired or disabled ordained or licensed minister of The UMC who is or was a member of The NAAC at the time of his/her retirement.

b) This rental/housing allowance shall apply to each retired and disabled ordained or licensed minister who has been granted the retired relation or placed on disability leave by the NAC and whose name and relationship to the conference is recorded in the Journal of the NAC and in other appropriate records maintained by the Conference.

c) The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired and disabled ordained or licensed minister from all employment by any local church, Annual Conference, or institution of The UMC or any former denomination that is now a part of The UMC, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The UMC for such retired minister's pension or disabled minister's benefits.

Note: The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-290 C.B.92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities."

The above exclusion applies to clergy only. Upon the death of a clergyperson, assuming the filing of a joint tax return, the surviving spouse may exclude housing costs which were paid for during the life of the clergyperson, but may not exclude those costs which were paid for after the death of the clergyperson. This ruling comes from the Internal Revenue Service.

Important notice about rollovers and the housing allowance exclusion. If you choose to roll over your distribution to an IRA or another section 403(b) annuity, you may not claim the rental allowance exclusion against any of the payments you later receive from that IRA or section 403(b) annuity.

18. Each minister at the time of full retirement and drawing annuity from The General Board of

Pensions will be given a love offering with the following formula being used: a maximum of $1,000 which will be figured at $25.00 per service year in The NAC up to a maximum of 40 years.

19. Retired Minister's Day: Recommended to be the Third Sunday of May each year. The purpose of this day is to recognize the service of the retired servants and their families, and to involve the local churches in the recognition of the needs, both present and future, of The NAC Pension Fund.
    If a retired minister does not reside within the bounds of a charge, but a member of a retired minister's family does, they shall be invited to participate in the service (or observance); otherwise, recognition of these servants, and their service, should be observed appropriately. "Appropriately" should be determined by the Pastor/Parish Relations Committee of each local church. This committee shall have the responsibility of locating these people and relate the service of these persons to the local church and our Annual Conference. The Conference Board of Pensions will be responsible for providing promotional ideas and some materials (i.e., total years of service, percentage of retired ministers serving churches while in their retired status, etc.).
20. We recommend that a special grant be made to Donna McCammon, dependent child.
21. Ministers desiring to participate in the tax-deferred program of The General Board of Pensions should write Reverend Peter Ferguson, Assistant General Secretary, General Board of Pension, 1200 Davis Street, Evanston, IL 60201.
22. As of January 1, 1982, ¶1606.4a(2), 1992 Book of Discipline, be enforced.
23. Participants in our pension programs should notify the Administrative Secretary, Faye Douglas Watson, P.O. Box 119, Marion, Arkansas, Phone 501-739-3185, when:
    a. a death in the immediate family occurs;
    b. any change in address or income occurs;
    c. a change of beneficiary is desired;
    d. information relative to pensions matters is needed;
    e. to enroll in our pensions program;
    f. retirement is intended (90 days prior to the session of the annual conference at which retirement is contemplated).
    g. you have a question of annuity credit for past service.
24. We recommend that a fund be established in our conference to assist in the payment of health insurance premiums for North Arkansas Conference Retired Ministers and their spouses who are under the age of 65.

Council on Professional Ministry

Commission On Equitable Compensation:

I. Minimum Salary Program:

The Commission on Equitable Compensation recommends that the 1997 Minimum Salary Schedule and Guidelines be established as follows:

A. MINIMUM SALARY SCHEDULE:

	Full Connection	Probationary or Associate	Local Pastor
Minimum Salary	(1)19,000	18,000	17,000

B. Category Guidelines:

	Base Salary (Min.) (2)	Travel Utilities (Max.) (4)	Conference Salary Aid (Max.) (3)	Minimum Total Comp.	Maximum Total Comp.
Full Connection	11,400	4,500	7,600	19,000	23,500
Probationary Mem	10,800	4,500	7,200	18,000	22,500
Associate Mem.	10,800	4,500	7,200	18,000	22,500
Local Pastor	10,200	4,500	6,800	17,000	21,500

1. The 1997 MINIMUM SALARY for a Full-time Local Pastor is 98% of the Base Plan

Compensation for the Board of Pensions Comprehensive Protection Plan (CPP) coverage for all persons in full-time ministry. The additional increments of $1,000 and $2,000 are designed to recognize the levels of experience, ordination and conference relationship.

2. The CHARGE is required to provide at least 60% of the Minimum Salary as a BASE SALARY for the category in which its minister falls. When no parsonage is provided, the Charge must provide a Housing Allowance equal to 20% of the Minimum Salary for its pastor IN ADDITION TO THE BASE SALARY ALREADY STATED.
3. The Commission on Equitable Compensation will provide Salary Aid up to 40% of the Minimum Salary for pastors in the various categories. Our first priority is to bring all pastors up to Minimum Salary, and then, AS FUNDS ALLOW, will give aid up to the Maximum Total Compensation.
4. The CHARGE is required to provide adequate TRAVEL AND UTILITIES ALLOWANCES as routine obligations of having a full-time pastor. After a CHARGE has met the BASE SALARY requirement, it may then allocate an additional amount on the salary package UP TO $4,500 AS TRAVEL AND UTILITIES ALLOWANCES.
5. No pastor on Minimum Salary Aid may earn more than the MAXIMUM TOTAL COMPENSATION amount for the category in which he/she falls.

C. Requirements for Qualification

1. The CHARGE must meet the required BASE SALARY (including HOUSING ALLOWANCE, when applicable) before qualifying for Minimum Salary Aid. If a great disparity exists between the Minimum Salary Guidelines and the CHARGE'S ability to provide for them, it is suggested that the Charge be either realigned to strengthen its financial state, or considered as a part-time charge.
2. The CHARGE shall pay at least 60% of its APPORTIONMENTS for Pension and Benefits Fund, Episcopal Fund, District Superintendent's Fund, and the Equitable Compensation Fund, as per paragraph 925, 1992 Book of Discipline.
3. Part-time Pastors are not eligible for Minimum Salary Aid. See Paragraph 437, 1992 Book of Discipline, for the definition of "Full-Time Ministry".
4. Associate Pastors *(not to be confused with Associate Members of the Conference)* are not eligible for Minimum Salary Aid.
5. RETIRED PASTORS are not eligible for Minimum Salary Aid. See paragraph 451.6 of the 1992 Book of Discipline.
6. See the section on APPLICATIONS FOR SALARY AID.

The Commission on Equitable Compensation recommends approval of the following Charges for Minimum Salary Aid, at the stated annual totals:

Quitman	2,344
Dover/Moreland	1,645
Mayflower	2,600
McCabe Chapel	7,200
Dell	2,833
Forrest Hills	2,592

II. Key Charge Program:

The Key Charge Program provides Salary Aid to pastors who are appointed to Charges which are targeted for significant growth by the Conference, or which require short-term support for pastoral leadership for various other reasons, beyond the Minimum Salary level.

Key Charges are related to the Commission on Equitable Compensation by a contractual agreement. The contract is negotiated by representatives of the Commission, the District Superintendent, and representatives appointed by the Charge. The persons, or their successors, shall be the trustees of the contract, having verified it with their signatures.

The contract shall include: (a) the initial amount of Salary Aid needed, (b) the duration of the contract (up to 5 years), and (c) the signatures of the persons negotiating the contract. The nature of the contract is such that the amount of Salary Aid given shall decrease proportionately each year, while the base salary paid by the Charge increases by the same amount, thus keeping the salary at least stable over the contract period. After the contract has expired, no further Salary Aid will be granted to the Charge.

Under the Key Charge arrangement, there will be no required minimum or maximum levels of support by the Charge. The only limitation will be the amount of funding budgeted for this program.

Charges to receive Salary Aid under Key Charge Agreements:

Grace, Conway 8,800
Salem, Conway 10,250
Kibler 2,027

III. E.L.C. Salary Support:

We recommend that the NAAC undergird its mission through its Ethnic Local Churches by providing, in addition to opportunity for participating in the Minimum Salary Program, a special Ethnic Local Church Salary Support Program: intended to help provide capable pastoral leadership to charges which function in areas of extreme economic limitation, and which are unable to provide a viable level of pastoral support without mission aid.

The level of salary support in each case shall be negotiated by the Commission on Equitable Compensation and the District Superintendent, in consultation with the pastor and officials of the charge.

A new application shall be submitted for each year for which Salary Aid is requested. See APPLICATIONS FOR SALARY AID.

Priority shall be given to charges which show potential for growth, for increased effectiveness in ministry, and for advance toward self-support.

We recommend that the following churches be approved for Salary Aid at the stated annual rates under the E.L.C. SALARY SUPPORT PROGRAM:

Jacksonville Korean 1,500
McCabe Chapel 5,200
Hanmaum Korean 3,600
NW Ark Hispanic 16,000
St. James 3,600
Cornerstone 1,000
Kynette 3,174
Scruggs Chapel 3,174
Wesley/Taylor 6,160
Mallalieu 7,000

IV. APPLICATIONS FOR SALARY AID

A. Applications for Minimum Salary E.L.C. Salary Support, or Key Charge Support shall be submitted on the form supplied by the Commission on Equitable Compensation. The form shall be filled out completely and mailed to the Commission Chairperson not later than December 20, 1996. The Commission will review the applications in January, 1997. Council on Professional Ministry

Group Insurance:

Report #1: Program:

1. At the regular session of our Annual Conference on June 5, 1995 the Conference approved the Insurance Committee's recommendation to merge our Conference Group Health Plan for both active and Medicare supplement participants with the Little Rock Conference to form our own group self insurance program with Spradley & Coker of Little Rock as our Plan Administrator. The change to be effective August 1, 1995.
2. All full, associate, and probationary members and full time local pastors of the NAC under appointment (except students serving in or those employed by other conferences or agencies which have compulsory programs, members under special appointment outside the Conference, or retired military personnel serving in the Conference), and every full time employee of the Conference, shall participate in the Health Benefits Program of the NAC.
   A. The Health Benefits Program will be open for Probationers, Student Local Pastors, Diaconal

Ministers, Full Members serving less than full time appointment or employment. This is optional for the eligible participant and the participant must make their necessary arrangements and be responsible for the total premium.

B. No evidence of insurability will be required if a participant enrolls self and dependents within 30 days after the eligibility date. Eligibility date shall be date of appointment or employment. Dependents of persons participating in the conference plan who are enrolled in and covered by another true group health plan will be eligible to enroll in our plan without evidence of insurability provided they enroll in our plan within 30 days of the date their coverage ceases in the other group. All participants who enroll in our plan before the expiration of their eligibility date shall receive a waiver of preexisting conditions and be fully covered immediately upon enrolling in our plan.

C. All retired clergy, surviving spouses, and dependent children who are the responsibility of the North Arkansas Conference and who are in the health program on the date of retirement shall be eligible to participate.

D. The Insurance Treasurer will check with the District Superintendent concerned in the case of a pastor applying for enrollment for the first time. The eligibility of any full time lay employee of a church will be checked with the pastor concerned. In either case, the first premium payment must accompany the application for enrollment before the application can be processed.

3. The Charge (church) shall pay at least 80% of the premium, and the participant shall pay not more than 20%. We suggest that local churches consider paying 100% of the pastor's health insurance premium and reducing the pastor's salary compensation by the amount of the pastor's 20%.
   A. 1% is added to the premiums to cover administrative costs of the committee.
4. We recommend that the NAC Committee on Group Insurance be empowered to raise the life time limit from one million to two million dollars per individual as approved by the 1992 Annual Conference.
5. The Health Benefit Program premiums are due quarterly on the date shown on the statement sent from the Treasurer. All participants are responsible for seeing that the total premium due is sent to: Mrs. Faye Watson, P.O. Box 119, Marion, AR 72364, no later than the date due.
6. The Committee shall use the following measures when premiums are not received on time:
   A. A second notice will be sent to the Participant 14 days after the due date. A copy of the second notice will be sent to the District Superintendent concerned. A late charge of $20.00 will be paid by the participant after this second notice is sent.
   B. A third notice will be sent to the participant and Cabinet Representative 7 days after the second notice with termination date clearly stated.
   C. Seven (7) days after the third notice has been sent, and no response made, the participant <u>will be deleted</u> from the Program and the Cabinet Representative notified. Premiums must be received before the termination date and not just post marked. Premiums received after the termination date will be returned.
   D. When coverage is terminated, reinstatement requires proof of Insurability for you and your dependents.
7. Participants in the Health Benefits Program whose appointment/employment is terminated will be granted an extension of coverage of up to nine months provided:
   (A) The Participant makes a written request to the Insurance Committee;
   (B) The Participant is responsible for payment of the total premium.
8. The premium rates will be determined by the Insurance Committee based on the claims experience of the group
9. We recommend the health benefits for all Active participants and Retirees under 65 years of age be changed, effective August 1, 1995, as follows:

EPISCOPAL COMMITTEE REPORT

Bishop and Mrs. Richard B. Wilke will be completing their 12th year in Arkansas this August. They will be retiring and making their home in Kansas where Bishop Wilke will become Bishop in Residence at Southwestern College in Winfield, Kansas. The Wilke's have enriched the lives of Arkansas United Methodists. They will long be remembered and appreciated for their ministry and significant accomplishments.

The United Methodist institutions are significantly stronger than they were twelve years ago. Philander Smith College has grown significantly in terms of it's physical plant, financial stability, student enrollment and national reputation. Hendrix College has become one of the best liberal arts colleges in the nation as they have added new physical structures, a significantly larger endowment and a student body with some of the brightest students in the nation.

Camp Aldersgate has emerged from it's important, struggling mission to become one of the premiere mission expressions of ministry to physically and mentally handicapped persons. The United Methodist Children's Home has moved from primarily a one campus, residential facility to a dispersed network of Teaching Family Homes in Arkansas and are the envy of most other institutions.

Methodist Health System has continued to pave the way toward excellence in a volatile field of

health care. Mount Eagle Christian Center is embarking upon an ambitious capital fund drive to fulfill the dream of their first phase of development toward a Family Renewal Center.

Bishop Wilke has provided the vision of leadership to enable these institutions to become some of the clearer expressions of God's love found anywhere in America. His name will not only appear on many of their buildings, but his vision will enable them to march effectively into the future.

Perhaps Bishop and Mrs. Wilke's greatest contribution will be their gift to the Christian community of Disciple Bible Study. Disciple has been translated and printed around the world "Disciple III" was introduced at General Conference and will be available for use this fall in congregations around the world. All will anticipate with great expectation their writing of "Disciple IV" during the years of their retirement. No other material has impacted Methodism like Disciple. It's value will be in evidence for years to come.

Members of the 1995 Annual Conference participated in a survey to one expectation of episcopal leadership in Arkansas. The survey indicated that the primary roles of a bishop should be to work within the annual conferences, to teach and lead, to be evangelistic, to be supportive and available to pastors and pastoral families. The respondents were not very excited about a bishop initiating program ideas for local churches, traveling around the Connection, and serving on General Boards and Agencies, or Conference Committees. It was surprising that so little difference in expectations existed between clergy and lay, men and women, young and old, or even between annual conferences. The expectations were basically the same.

It has been a joy and privilege for the Committee on Episcopacy to work with Bishop Wilke. We express appreciation to the Annual Conference for allowing us to carry out this task.

EPISCOPAL RESIDENCE REPORT

There has been much talk by members of the Area Committee on Episcopacy concerning our espicopal residence.

Twelve years ago when the Wilkes came to Arkansas, the Area did not have an episcopal residence or furniture. The Wilkes had to live in an apartment until a home could be purchased. Pressed for time, members of the committee on episcopacy and Board of Trustees sought a home could be purchased. Upon finding the home at 28 St. Andrews, a special session of the Conference was called and the recommendation was made to purchase the home. The North Arkansas Conference also met in special session. Both conferences voted to purchase the residence at 28 St. Andrews for $140,000. [The Wilkes have provided the furnishings.]

Though the present residence has many pluses, functionally it lacks what is needed for an episcopal residence. All bedrooms are upstairs; there is no study; the living area is downstairs; parking is inadequate; the arrangement is lacking when hosting meetings and other functions related to episcopal responsibilities.

After investigating this issue for approximately two years, in consultation with the Conference Board of Trustees, the Committee on Episcopacy recommends that the present episcopal residence be sold and a new residence and furniture by purchased.

The market analysis of the home at 28 St. Andrews is $179,900.

Following is financial information pertinent to the above recommendation:

1. Payoff on the home at 28 St. Andres as of 3/12/96. . . . . .$58,064.38
2. Current balance in the Episcopal Residence Account.
   a. Residence Fund. $72,613.33
   b. Furniture Reserve. $60,000.00
3. Amount paid monthly on the Episcopal Residence. . . . . .$ 1,987.95
4. Amount received annually from GCFA for the Episcopal Residence. .$ 20,000.00
5. Amount received from the two Conferences annually designated for the Episcopal residence:
   a. Little Rock Conference [approximately]. . . . . .$ 5,000.00
   b North Arkansas Conference [approximately. . . . . $ 5,000.00

HENDRIX COLLEGE

Hendrix College is proud of its long-standing relationship with the United Methodist Churches of Arkansas. That relationship is reflected in the education students receive at Hendrix and in the ways in which the College conducts its daily business. Students at Hendrix receive an education that values both intellectual challenge and moral and spiritual development and is nationally recognized for its outstanding academic quality.

This year has been an important year in the development of opportunities for spiritual growth at Hendrix. Last June, the Reverend Rock Jones was appointed as the new Chaplain of the College. Rock was charged with developing new programs of religious life that would afford students of a variety of religious backgrounds the opportunity to mature in their spiritual faith. Rock began his work by forming a Religious Life Council, a group of students who work with the Chaplain to provide general oversight to Religious Life at Hendrix.

The first decision of the Religious Life Council was to institute Wednesday evening Campus Worship services in Greene Chapel. The services are held each Wednesday at 9:00 p.m. Student organizations and residence halls alternate responsibility for planning the services and selecting the Biblical passage from which Rock preaches. Attendance has been between eighty and one hundred each week, with over 150 different students providing leadership in one or more services this year.

Numerous Bible studies meet in the residence halls each week. Rock Jones leads a Chaplain's Bible Study in the Private Dining Room at supper each Wednesday. Several Covenant Discipleship groups, modeled after the early Methodist class meetings, meet under the leadership of Dr. David Sutherland, Associate Professor of Mathematics. Roman Catholic Mass is celebrated in Greene Chapel each Sunday at 9:00 p.m. Religious Life retreats are scheduled once or twice each term. A chapter of Fellowship of Christian Athletes has organized this year and meets regularly.

In addition to its ministries to students at Hendrix, the Religious Life Council has developed opportunities for Hendrix students to minister to people beyond the Hendrix community. Fellowship Teams of students are available to lead worship in United Methodist Churches throughout the state. The Hendrix RAIN Care Team has led fifteen UMYF programs in local churches in central Arkansas. Student groups participated in the Appalachian Service Project in Kentucky, a Habitat for Humanity Collegiate Challenge in Mississippi, and volunteer service over Spring Break. Another group will travel to the Christian Mission of Pignon in Haiti for two weeks this summer.

Religious Life at Hendrix is enhanced by the large number of Hendrix students with experience as leaders in local, district, and conference United Methodist Youth ministries. In recognition of this fact, and in an effort to attract students who demonstrate potential to provide spiritual leadership at Hendrix, Hendrix has instituted the UMYF Leadership Scholars program. Each year fifteen entering freshmen are named UMYF Scholars and are awarded scholarships of $2,800 to participate in a program designed to nurture spiritual leaders and provide leadership in the various Religious Life ministries at Hendrix.

Religious Life at Hendrix is strengthened by a growing number of international students who are coming to the College through United Methodist connections. With the assistance of Bishop Wilke and the Bishops of Singapore and Korea, the College has instituted programs to bring students from these countries to Hendrix. This year Hendrix has enrolled United Methodist students from Singapore and Indonesia. Hendrix is also working with United Methodist missionaries in Kenya and Japan to enroll United Methodist students from those countries next year.

Hendrix is committed to maintaining and developing new facilities to support our growing programs in Religious Life. In November, Mrs. Bernice Jones of Springdale announced the gift to Hendrix of the H.G. "Jack" Frost Campus Center. The gift, from the Harvey and Bernice Jones Trust, is named for Jack Frost, a long time business associate of Mr. and Mrs. Jones, Hendrix trustee, and lifetime United Methodist. At Mrs. Jones' request, the Jack Frost Campus Center will include a Religious Life Center, with offices for the Chaplain's staff, meeting rooms for religious life organizations, and a prayer room that will be open anytime the Campus Center is open.

Also last fall, Hendrix received an anonymous gift of $335,000 to fund a new organ and renovation of Greene Chapel. The 31 rank organ will triple the capacity of the existing organ which has long been in need of replacement. Chapel renovations will include new tile under the pews, new carpet, refinishing the pews, new communion rails, refinishing all wood work, and new chancel furniture. New banners have been ordered for the Chapel, and persons willing to work on needlepoint projects are asked to call the Office of the Chaplain, (501) 450-1263. Both Greene Chapel and the small

prayer room near the Chapel are used many times each day by students and faculty who desire a quiet place for prayer and meditation.

The Hendrix College Program of Religious Education, Church Music, and Youth Ministry continues to grow under the direction of the Reverend Lamar Davis. The first group of persons to enroll in the program completed the two-year course in the spring. The program sponsors four workshops each year and offers internships to persons who enroll. Workshops are available both to persons enrolled in the programs and to individuals interested in a particular workshop. Nest year's workshops will include a day with Dr. David Lowes Watson, the author of books that have initiated the Covenant Discipleship movement in United Methodist Churches across the country.

The development of the Hendrix College Program of Religious Education, Church Music, and Youth Ministry is indicative of the commitment of Hendrix to its relationship with the United Methodist Churches in Arkansas. In an effort to continue to strengthen that relationship, the College has inaugurated Connections, a semi-annual newsletter linking Hendrix and United Methodists in Arkansas. Representatives of the College are available to visit United Methodist congregations to share the story of Hendrix and its association with these churches. The Office of Admission this year instituted a special United Methodist Clergy visitation day. Clergy from across the state brought high school juniors and seniors to visit Hendrix. While the students attended classes, the clergy shared an open forum with the Chaplain and leaders from the Religious Life Council. In February, Hendrix sponsored the first all UMYF Day. Over 350 United Methodist Youth from across Arkansas visited campus for a morning youth rally, lunch, and afternoon basketball games. Hendrix will continue to look for ways to offer ministries to the Church and enhance communications between the Church and the College.

Hendrix College continues to receive national recognition for the outstanding quality of a Hendrix education. This year Hendrix was ranked by Money Magazine as the twentieth best buy in higher education among all colleges and universities in the United States. Among small, liberal arts colleges, Hendrix ranked fourth. Hendrix was the highest ranked college related to the United Methodist Church. Hendrix continues to be the only school in Arkansas listed by U.S. News & World Report in its list of nationally recognized liberal arts colleges.

Hendrix has achieved national distinction because of the long-standing vision of the United Methodist clergy and lay persons of Arkansas. These leaders have dreamed for more than a century of a college that offers an academic education of the highest quality in the context of an environment that values theological reflection, moral development, and growth.

Hendrix is grateful for the historic support and the continued visionary leadership it receives from United Methodists in Arkansas. Thirteen ordained clergy are Trustees of the College. Hendrix receives apportionment dollars from United Methodist Churches in Arkansas. These funds are used exclusively to provide scholarship support for students with financial need. Many churches in Arkansas have endowed scholarships at Hendrix that provide financial aid. Countless individual lay persons have supported the College through gifts, unsolicited financial support of students enrolled at Hendrix, and encouraging high school students in their communities to enroll at Hendrix.

Hendrix cherishes its relationship with the United Methodist Church. We are grateful for your support and hope to see you on campus soon.

Ann H. Die, President

HIGHER EDUCATION AND CAMPUS MINISTRY

Over fourteen million students are enrolled in United States institutions of Higher Education. The North Arkansas Conference Board of Higher Education and Campus Ministry is your agency for the church's ministry on college and university campuses. The 1992 General Conference recognized that the turning point in the lives of college students often takes place during the years on a college campus. That General Conference action committed the church to strengthen its ministry through "Campus Ministry: Mission at the Center" by clearly defining the mission of each campus ministry. We in the North Arkansas Conference have long been working toward this goal through our campus ministry chaplains and directors of Wesley Foundation: Jay Lofton, Philander Smith; Rock Jones, Hendrix College; Gregg Taylor, UA; David Scroggin, ATU; Leonard Higgins, ASU; and John Palmer, UCA.

Dr. John Warren, who taught at Hendrix, told my class that in order for one to comprehend, he or she must hear it... see it... experience it.

HEAR IT: You will have the opportunity to hear more about campus ministry at conference, but to tune you in, IMAGINE: Welcome Concerts to begin a fall term, Burger Bashes, Thursday Praise and Worship services, Devotional classes, Lunch on Mondays, Founders' Day celebrations, "Awakening," Leadership teams-"Experiencing God", Disciple Bible Studies at 6:00 A.M., Ministerial Career workshops, Music retreats: bands, choral groups, drum teams, cooperative programs with other Wesleys, "Age to Age" for at risk kids, UMYF leadership scholarships, Human Sexuality workshops, building project, our first Wesley Foundation intern, Mission trips (including 4 out of the country) and a program growing so fast that we needed an associate director, and on and on. Hundreds OF EVENTS ON THESE SIX CAMPUSES. This is YOUR AGENCY for the church at work on the college campus!

SEE IT: Monday night worship at Annual Conference--June 10, 1996--will give you the opportunity to see and worship with these young adults. The Wesley Foundations will lead us in praising God through the word and music. Don't miss it.

EXPERIENCE IT: The BHECM encourages your congregation to become actively involved in "Campus Ministry: Mission at the Center".

1. Elect a local church chairperson of Higher Education and Campus Ministry. We mailed out only 75 chairperson packets in December, which is only 40% of our churches. Every church needs to have leadership in this area of ministry.
2. Learn about your students. Who? Where? are your recent high school graduates. Gather the names and send to that campus.
3. Obtain their college addresses, put them on your church's mailing list, keep in touch. You are their home church.
4. Invite a UM college or campus ministry unit to present a program at your church and educate your congregation.
5. Learn about the existing and needed programs and ministries with students. This may be a perfect project for a Sunday School class.
6. Contact the director of a Wesley Foundation, the ecumenical campus ministry or the college chaplain--ASK--How can my congregation share in ministry?
7. Promote the Student Day Offering; 10% of our conference's giving comes back to our conference.

You may not be able to do everything at once, but you can take the first step in developing your congregation's participation in "CAMPUS MINISTRY: MISSION AT THE CENTER."

Reflect on the needs and Dream the possibilities!

LAY LIFE AND WORK COUNCIL

The Church's mission in every age has involved developing disciples and sending them into their community, and into the world — this ongoing process within a congregation includes:

- reaching out into its community and receiving people into the faith family;
- encouraging people in their relationship to God and inviting them to commitment in Jesus Christ;
- providing opportunities for them to be nurtured and to practice the disciplines of the faith, and,
- supporting them to live and act as faithful disciples in the world in the power of the Holy Spirit.

The primary mission of the UMC is to "make Disciples for Jesus Christ." The primary task of the Church is to reach out to people where they are, relate them to God, nourish them in the faith, train them in discipleship and send them out to ministry and mission.

The primary task of your Council on Lay Life and Work is to interpret and spread throughout the conference all the rich meanings of the universal priesthood of all believers, of Christian vocation, and the ministry of the laity. We are to be enablers, within the Annual Conference, of programs that aim to recruit, train and equip the laity to live out their discipleship as they implement and fulfill the primary task of the Church in their community.

Your Council has 21 lay members consisting the Conference Lay Leader, the Conference Director of Lay Speaking Ministry, the Conference Scouting Coordinator, the six District Lay Leaders, the Conference President of UM Women, the Conference President of UM Men, four youth from the Council on Youth Ministries, four at-large members elected by the Annual Conference, and th currently elected lay-delegates to the General Conference. Additionally, the Conference Cou Director and a District Superintendent are Ex-officio members of our Council.

The quadrennial theme for the North Arkansas Conference (1997-2000) is "Salvation is For All". The quadrennial goal for the North Arkansas Conference is "To send the people of God to share the good news of Jesus Christ that all people may hear and claim the gift of salvation."

All of our plans and programs, and those of the groups represented on our Council, support and undergird our Conference theme-"Salvation is For All."

James W. (Jim) Lane, Conference Lay Leader

LONG RANGE PLANNING

By action of both the Little Rock Annual Conference and the North Arkansas Annual Conference in 1994, an Arkansas Area Long Range Planning Committee was established to study ways to strengthen Arkansas United Methodism's ministry and mission into the 21st century and to further study implications of a possible uniting of the two conferences. Each of the annual conferences elected three lay and three clergy persons to serve. Kearney Dietz, Little Rock layman and Guy Whitney, Bentonville clergy, were elected to co-chair the committee.

During the past annual conference year of 95-96, the committee met on October 26, January 17, February 29, and March 28.

Bishop Wilke was present for our January 17 meeting shared with us a list of some 11 activities which are now being participated in by both conferences.

1) One United Methodist Foundation
2) One United Methodist newspaper
3) One Resource Library
4) One office complex with a major Cokesbury Store
5) One School of Christian Mission
6) One Leadership Development School
7) One Course of Study School for Part-time Local Pastors
8) One unified computer system
9) One Health Insurance Program with a preferred provider component
10) One Five Star Plan
11) One Combined Cabinet which meets as a unity most of the time

Dr. Allen K. Waltz from the General Board of Discipleship of the United Methodist Church in Nashville, Tennessee met with us to help analyze the structure of the church in Arkansas.

Dr. Waltz's observations included the following:

1) Any discussion of merger should be focused, particularly, on the mission of the church and not on streamlining the church administratively. If the conferences ultimately do merge, the motivator should be a compelling dedication to mission.
2) Where there is no vision (mission), the people "parish."
3) Most of the list of joint activities (see above) now being participated in by the two conferences are administrative and support activities, not mission.
4) The issue is leadership! The conference role should be to Recruit-Train-Credential-Deploy church leaders, both clergy and lay.
5) Declining systems do not tolerate change, innovation.
6) 75% of the United Methodist churches in Arkansas have fewer than 200 members. (The national average is 66%).

In light of this year's study and consultations with Bishop Wilke and Dr. Alan Waltz, the LRP committee has defined its task as working to articulate a unified vision for the church.

We will be working to take inventory of the "yearnings" (suggested by Dr. Waltz) of the members of the church in the state. Among the questions to be asked in such an inventory would be these:

1) What brought you to this church?
2) Why do you stay?
3) Why do you want a relationship with God and how can this church help you with that relationship?

We ask for prayers and continued support of our respective annual conferences as we seek to listen to the clergy and lay people of Arkansas United Methodism in order to help articulate a unified mission nd vision that will provide focus for our shared ministry as we prepare to enter the 21st Century.

As a result of the meeting with Dr. Waltz and further discussions regarding that meeting, the mittee decided that the pursuit of a shared mission by <u>all</u> Arkansas United Methodists is a worthy ut that the articulation of that mission should come from a committee with representation from

the top leadership of the church in the state. It was agreed that the Area Long Range Planning Committee, as presently constituted, could be a catalyst but that the addition of the new Bishop, COM Directors, and Lay Leaders to the committee and to the task of presenting a mission that all Arkansas Methodists can buy into, would result in the adoption of a dynamic, workable plan for the future of the church in the state.

If adopted by both conference, this report, and the call to adopt a shared mission, will become the charge to an expanded Area Long Range Planning Committee

Kearney Dietz, LRC Co-Chair

LYDIA PATTERSON INSTITUTE

It is with respect and appreciation that I submit this report of your institution. Lydia Patterson Institute (LPI). In that highly democratic spirit that exists within this connectional system that unites all of us, I wish to ask that you join me in telling the LPI story throughout your conference. It is my wish that every United Methodist in this jurisdiction know of this ministry at work and the many blessings that are revolutionizing the community of El Paso-Juarez. When, in our society, we are faced with problems of drugs, gangs, teen-pregnancy, school dropouts, poverty. etc., LPI continues to provide hope through academic preparation and Christian leadership.

The Southern Association of Colleges and Schools and the University Senate of the United Methodist Church have both reaffirmed accredited status with no deficiencies in our program.

It is with this affirmation that I bring to you a report of substance and vision for LPI. I wish to thank every member of this conference for the apportionments paid during the past year. Without these funds, none of our accomplishments would have been possible. I also wish to ask for your continued support in order that we may be able to reach even greater goals.

The South Central Jurisdiction and Lydia Patterson Institute are making history. For the first time in 83 years, Lydia Patterson Institute is establishing an endowment fund to secure its ministry in the next century. Since 1913, and through the support of the United Methodist Church, Lydia Patterson Institute has established a solid foundation of ministry to Hispanic communities on the U.S. Mexican border. However, without and endowment, this ministry has faced endless threatening financial circumstances since its birth.

At the beginning of this quadrennium, we began the development of a campaign for endowment under the leadership of Bishop John Wesley Hardt (retired). The goals were set at raising $2 million within all the local churches of the South Central Jurisdiction and $4 million from other sources outside the boundaries of the church.

I am happy to inform you that as of December 31, 1995, a total of $1,185,186 had been raised with additional commitments of $650,000 to be paid out over a period of time. The funds raised in the churches have been invested in their conference foundation. The revenues derived from this endowment have been designated for three purposes: teachers salaries, enhancement of programs and library, and building upkeep and maintenance.

The South Central Jurisdiction has taken responsibility and has raised one-fourth of the $2 million goal. I wish to acknowledge the commitment of Bishop Ray Owen in his two annual conferences. By December 31, 1995, Rio Grande had raised 124% and Southwest Texas has raised 100% of their assigned goals. I feel confident that we will reach our final destination. Led by the hand of God, we will continue to overcome obstacles as we welcome the 21st century. Perhaps Jurisdictional Conference 2092 will judge that decisions taken in 1992 for LPI were with vision, talent and justice.

As a result of this beginning endowment, I proudly inform you that the first pay increase for teachers has been made effective September 1, 1995. New computers were purchased, old typewriters were replaced with word processors, the library was upgraded with a new computer and on-line resources, a new boiler was installed, visual aids equipment was placed in every classroom, new books have been provided, and a 15-passenger van has been purchased.

We have added English classes for adults during the evening, provided the site for GED classes and Vista volunteers. We have added summer and after school high-school classes and collaborated with local agencies for youth programs.

New programs of outreach and community service with our students have been developed. Students serve as tutors in the neighboring elementary schools, and they volunteer time in neighborhood community agencies. They form work teams to help in the local UM Churches and at the UM Retreat

Center in Sacramento, NM. For the first time, students are traveling to other parts of the jurisdiction to participate in work camps.

During this past summer, students traveled throughout the jurisdiction to share their language and culture or to help in areas of Hispanic ministry. Other students traveled to different conferences to teach Spanish to younger kids and others simply traveled to talk about their school and the difference that it has made in their lives.

The economic conditions on our neighboring country, Mexico, has definitely affected the El Paso-Juarez area. The constant devaluation of the Mexican peso is a continuing threat to our students. Our enrollment has remained constant, but it becomes harder by the day for parents to meet tuitions. It is at times like these when the mission of Lydia Patterson Institute is best understood. The educational needs and spiritual hopes of our students are greater than ever, and it is our responsibility to see that they do not become victims of the circumstances. In spite of these unfortunate conditions, ninety percent of the students that graduate from LPI continue to enroll in a college or university. Again, we thank God for the beauty of this connectional church and the help of our UM colleges and universities that continue our ministry by providing scholarships for our students. We now have students attending Texas Wesleyan University, McMurry University, Nebraska Wesleyan University, Central Methodist College, and Southern Methodist University. Very soon, we hope to see LPI students enrolled in every one of our UM institutions of the South Central Jurisdiction.

As the only institution of the UMC that ministers to predominately Hispanics, we have a vision of even greater service to our students as well as the church in general. In recognition of all its strengths in the area of Hispanic ministry and its service to the church and community at large, the Board of Trustees and this administration have begun the work of a strategic plan that will lead us into the year 2000 as one of the finest institutions of the UMC.

As we move forward with our ministry and we continue to work on our endowment goal and plan for the future, I ask for your prayers. I wish to thank all the Bishops of the South Central Jurisdiction for their leadership and wisdom and for helping us come this far. Mrs. Lydia Patterson had a dream, and you as members of the United Methodist Church have added life to this dream by touching thousands of lives. Our goals are within sight, and God has gathered us back together again to celebrate success and His blessings that do not cease.

METHODIST HEALTH SYSTEMS

1995 was an extremely successful year of both challenge and positive change for Methodist Health Systems. We continue to grow and change to better serve our patients and the community, Methodist's commitment to quality care is being carried out by the efforts of our volunteers, physicians, and associates. The successes of Methodist Health Systems this year included the following highlights:

Le Bonheur Children's Medical Center became part of Methodist, bringing excellence in pediatrics to more areas of the community.

Methodist became the largest hospital in Memphis, providing care to more individuals than any other hospital system.

Methodist Maternity Centers-at Central, Germantown, North and South-became the largest maternity service in the city, bringing our special personalized care to more mothers and babies than ever before.

Methodist's primary care network experienced tremendous growth, including the formation of River City Medical Group and the growth of our Methodist Family Care Centers and Methodist Internal Medicine Associates.

CIGNA Healthcare of Tennessee selected Methodist and MetroCare physicians for its healthcare services.

NAC CENTER RENAMED MOUNT EAGLE; NEW CAMPAIGN LAUNCHED

The Mount Eagle Christian Center is the new name of the 1,000 acre NAC Stone County site formerly known as Nawake. Charles Barnett, chairman of the Mount Eagle Christian Center's Board of Trustees, said a Mount Eagle capital campaign is underway, co-chaired by Kaneaster and Lindley Hodges of First United Methodist Church in Newport and Bob and Joan Miller of Fort Smith's First United Methodist Church.

Kaneaster Hodges is an attorney in private practice and a former United States Senator. A homemaker, Lindley Hodges teaches Bible studies and works in the Gideon Auxiliary. Founder of the Newport School Cultural Fund Committee, she heads up the Portfest Lemonade Stand and has revived the Jackson County Newcomers Club.

Bob Miller serves as president of Miller Investments in Fort Smith. Joan Miller is a homemaker and has been active in a variety of community efforts, including her founding the Fort Smith Public Library's book mobile program.

In addition to the co-chairs, former Arkansas Banking Commissioner Marlin Jackson, a member of Conway's Grace United Methodist Church, serves on the campaign's steering committee.

Kaneaster Hodges believes Mount Eagle holds unique promise.

"This beautiful property is evidence of all that God has given to us," Hodges said. "Lindley, Bob, Joan and I are strongly committed to this endeavor. Through our prayers, God has shown us His need for the four of us to work together for the successful realization of this outdoor ministry."

Hodges said the Mount Eagle Christian Center name captures the mission focus of the site, while also echoing the project's mission statement based on Isiah 40:31 ("...they will mount up with wings like eagles...").

Bob Miller said he believed Mount Eagle can realize it's mission through a variety of different activities, all geared toward helping Christians achieve their fullest spiritual potential.

"We must ask for God's guidance as we prioritize our needs," Miller added. "I believe that with a single focus and a commitment from Arkansas Methodists and other prayerful Christians, Mount Eagle will become a place to which we can all journey for renewal and inspiration."

Cranford Johnson Robinson Woods, a Little Rock-based regional full-service advertising and public relations firm, designed the Mount Eagle Logo and is providing communications support for the campaign.

Purchased by the North Arkansas Conference in the late 1960's, the Center has a lodge facility, Kaetzell Lodge, with bedroom and kitchen facilities for approximately 30 people. For more information about Mount Eagle, contact Reverend Charles McDonald, Mount Eagle Christian Center, 1610 Prince Street, Conway, Arkansas 72032 or call (501) 730-0540.

MOUNT SEQUOYAH CONFERENCE AND RETREAT CENTER

Mount Sequoyah is moving into the 21st Century with new vision. Building upon a rich history of more than seventy years the trustees, staff and supporters are developing an exemplary Christian conference center. The mission for Mount Sequoyah in the new century is to provide excellent opportunities for learning, living and leisure in order to develop skilled church and community leaders.

This is the knowledge age. Those who will give shape and direction to church and culture will be ones who are able to blend the enormous body of contemporary knowledge with traditional values and understanding. Mount Sequoyah has been a gathering and learning place for United Methodists for many years. Resident programs of spiritual and intellectual growth have been a significant experience for thousands who have found new faith, vision and direction at Mount Sequoyah. For many, their lives have been changed. The new vision is to continue these experiences in relevant, contemporary ways.

In 1922 commissioners from the surrounding Annual Conferences of the Methodist Episcopal Church drafted and approved a charter to establish "The Chautauqua of the Ozarks." They had been

given land by the City of Fayetteville and it was their dream to establish a place for learning and spiritual development in the tradition already well developed in the eastern regions of the country. The founder's vision was of a place like Lake Junaluska in North Carolina which would by more easily accessible to persons west of the Mississippi. Building on the Native American history of the area, East Mountain was renamed Mount Sequoyah after the Cherokee scholar and teacher Sequoyah.

Early programs on Mount Sequoyah included speaking and training events, a College Activities Week, a School of Missions, Evangelism Training and courses in Social Service and Temperance.

What began as a campground for primarily summer gatherings was developed into a 30 acre campus with permanent all weather facilities. As the programs developed, buildings were constructed, many by volunteers, to meet the needs of the persons who came many miles to participate in the activities. A hospitality staff supported programs led by church leaders.

As times have changed, so has Mount Sequoyah. New needs have called for new programs and facilities. Today Mount Sequoyah serves a broad cross section of resident programs with groups of 30 to 300. Training and leadership development for The United Methodist Church continues to be primary function of the institution. "And, in recent years there has been considerable expansion to provide service to educational groups from other churches, schools and community organizations. That which began as a summer campground now has resident accommodations for some 400 persons including a modern cafeteria, auditorium, activity center, meeting rooms and classrooms. Most recently new recreational facilities including a large swimming pool and tennis courts have been added.

In this decade the Board of Trustees has taken bold steps. The board's work included a comprehensive study to develop and implement a strategic plan for program and facility development. The first step in this new direction was in 1993 with the employment of a Director of Program Services to provide coordination and development of new programs. In 1995, the Trustees' retained and empowered a new President, a nationally known professional educator with experience in both resident education and conference facility operation. This new president has been given a mandate to develop a staff and facility that can produce relevant new programs while continuing traditional services.

Mount Sequoyah's new president, Dr. Charles Wallace, brings considerable knowledge and experience to this work. A native of West Texas, he is a graduate of Texas Wesleyan and holds advanced degrees from San Francisco Theological Seminary. Before coming to Mount Sequoyah he served for 25 years as President and CEO of United Camps, Conferences and Retreats, a cooperative of six denominations with headquarters in San Rafael, CA. In addition to his work in California, Dr. Wallace has served as President of the International Association of Conference Center Administrators and developed that organizations continuing education and certification program. He is a member of the teaching faculty of the IACCA and the American Camping Association and is well known as a leader, teacher, and speaker in the field of resident education.

The new century will call for focused specialization. Continuing education will be essential for persons who want to keep pace with our fast changing world. The quadrennial goal of Mount Sequoyah is to become The Learning Place, an outstanding Christian Conference Center of the South Central Jurisdiction of The United Methodist Church.

Wilistine Smith,Executive Secretary

The level of local church's participation and effort are also significant factors.

DISBURSEMENTS OF GRANT OR LOANS

In general, disbursements of a grant may be made to a project when the Pastor and the District Superintendent certify by letter to the Secretary of Church Revitalization that the funds, thus made available, will when combined with other available funds, make possible the completion of the project. Disbursement of a loan may be made when all requested forms are in the hands of the Conference Loan Secretary.

As money becomes available in the appropriate fund, a disbursement check shall then be mailed to the District Superintendent for delivery to the project. Approved Grants must be requested within two years of the approval date.

New Congregation Development Program

The Parish and Community Development Committee, is charged with "encouraging and supporting the development of new and established congregations", (¶731.5e) and the Catch the Vision Fund is the process whereby meaningful contributions can be made in starting new churches and to the proposed relocation of existing congregations when justified.

I. NEW CONGREGATIONS:

A. Goal: It shall be a goal of the North Arkansas Conference to start one new congregation a year within our conference as the need arises and the resources are available.

B. New Congregations may be started in a variety of ways, including (but not limited to): (1) an existing congregation initiating a mission location; (2) an existing congregation initiating an extension Sunday School in another location; (3) a pastor may be appointed to a given area for the purpose of establishing a congregation; (4) a pastor may be appointed to a piece of property already owned to start a new church; (5) the District Board of Church Location and Building identifies an area or community of significant growth for a new or relocated congregation and one of the above may take place; (6) Bishop, Cabinet and Committee on Parish and Community Development may identify an area or community as a target for a new church or relocated congregation.

C. Criteria for an Emerging Congregation:

1. Missions and Ministry shall be a focus from the beginning of each congregation. The purpose of a United Methodist Church is to be held forth by each pastor so as to present the Gospel in the community.

2. A strong community of faith, fellowship or koinonia, will be an aim to provide strength and support to each person in the Body of Christ.

3. Stewardship in all its aspects (time, talents, finances) will be taught so as to enrich the goals above as well as to financially undergird the fledgling congregations.

4. While the pastor is critical in the formation of a new church, the people need to help provide a setting conducive to the high morale of the pastor.

5. New congregations will be encouraged to contribute a tithe of their current year's operating budget to the apportioned funds of the annual conference in lieu of apportionments for a maximum of 5 years. Specific amounts and division among the various apportionment items to be arrived at in consultation with the District Superintendent.

II. FINANCIAL SUPPORT FOR NEW CONGREGATIONS

Support for the new congregations can come from several sources such as: the congregation itself, district mission funds, district "special" funds/apportionment, interested individuals or groups in the community, Equitable Salary Commission (key charge arrangement), and Catch the Vision funds. These new and relocated congregations, particularly the new ones, will need this assistance for clergy salary and housing and utilities support, first meeting facilities, site purchase, program, outreach ministries, advertising, signs, leadership training.

A. First meeting facilities can include arenas, theaters, community building, other religious group

buildings, public buildings (schools, auditoriums). We do not recommend or endorse the use of trailers. It is important to have a focal point for identity during the beginning for the new congregation, but deliberate, long-range plans need to be made to avoid premature, debilitating indebtedness.

B. Salary, utilities and housing for the pastor will be needed until such time as the new congregation can become self-sufficient. A five year declining rate of support from district, Equitable Salaries, or other funds, is anticipated, however, each church will be urged to make stewardship education among its primary goals to shorten the time whenever possible.

C. Site selection and purchase can come at any time prior to, or after the organization of the church; unless there are unusual circumstances, five acres will be considered the minimum goal for a new congregation. Once the property is identified through the combined efforts of the Bishop, Cabinet, District Board of Church Location and Building, and the Parish and Community Development Committee, the purchase will be pursued in accordance with the Book of Discipline.

D. Outreach and programs of nurture should begin with the advent of the new church, even before there is a sizeable number of members and constituents. A recommended goal for the congregation's budget is seen as one-fourth salary, one-fourth mission/outreach (including initiating apportionments), one-fourth program (including advertising) and one-fourth debt retirement.

E. The First Phase in the building program will be crucial to the continued growth and nurture of the new congregation, therefore, a premature program is to be avoided. The first phase of the building program should not be initiated until attendance is averaging 100 or better. This first phase needs to be constructed within the bounds of a reasonably manageable debt for the membership (national statistics indicate the need to be at a $60,000 self-generated budget with 1/3 for debt retirement as the minimum requirement). Catch the Vision funds are seen as one way to help avoid indebtedness which might severely limit the focus and capabilities of those members and future members.

III. CATCH THE VISION FUNDS

A. Monies collected from the Catch the Vision Annual Calls will provide support to eligible projects for the following purposes:

1. Site purchase for a present or future development.
2. Assistance for start-up and first meeting facilities.
3. Assistance in the first phases of the building program.

B. New Congregations/Churches formed by Relocation or Merger. Relocating churches and new congregations formed by merger will be eligible for funds under the following criteria:

1. A relocation church shall be defined as one which is moved at the initiative of the Bishop, District Superintendent/Cabinet, District Board of Church Location and Building, with the advice and consultation of the Parish and Community Development Committee.

2. New churches resulting from a merger of two or more congregations will be eligible under the same process as for relocation.

C. Limits on Catch the Vision Funding:

The following shall be the limits of time and dollars for new congregations.

1. A church shall be considered new for five years from the date of the appointment of the pastor. An extension of up to two years may be granted for special circumstances after an indepth review.

2. A maximum of $ 350,000 will be allowed to any one situation, covering all items as noted in III.A. Actual funding will be determined by the needs of the project and the availability of funds.

3. Projects eligible for funding within the above limit must have been approved as a qualifying project by the Parish and Community Development Committee prior to the beginning of the project.

D. Application for Catch the Vision Funds.

1. Secure an application form from: Rev. Steve Coburn, 1201 Edgewood Dr., Maumelle, AR 72113

2. Complete the form, including the signature of the District Superintendent and others as needed for the specific request.

3. Return the form/request to: Rev. Steve Coburn, 1201 Edgewood Dr., Maumelle, AR 72113

4. Requests will be considered at any time during the year by the Parish and Community Development Committee with funds being disbursed according to need and availability.

PERKINS SCHOOL OF THEOLOGY, SMU

For Perkins School of Theology, this has been a year of outreach to the churches and exploration of new possibilities for leadership in ministry. In the Fall Semester, we began a program of theological studies for the Houston-Galveston area. Fifty students enrolled in basic studies toward the M.Div., M.T.S., or M.R.E. degrees in what has become known as "Perkins South." The enthusiastic support of United Methodist leadership in the region and the commitment of Moody Memorial First United Methodist Church in Galveston and St. Luke's United Methodist Church in Houston made this new venture possible.

With the addition of the "Perkins South" students, total enrollment at Perkins School of Theology reached 428. Students preparing for pastoral ministry through the M.Div. program continue to be the largest part of our enrollment (62%). Doctor of Ministry students make up 12% of the student body, and Ph.D. students account for 6%. By denomination, our students are 74% United Methodist. Female students were 38% of the student body in the Fall of 1995.

Perkins continued its efforts to make quality theological education affordable, with new grants for students with high promise for leadership in ministry. Here, too, partnership with the churches is important. Our United Methodist students depend heavily on support from their Annual Conference Boards of Ordained Ministry, and Perkins is grateful for the efforts of congregations across the South Central Jurisdiction to meet their apportionments for the Ministerial Education Fund. In many cases, Perkins alumni/ae provide additional scholarship support through funds held by their Annual Conference Foundations.

The Intern Program at Perkins has provided opportunities for students to experience life and work of parish ministry for nearly 25 years. Lay teaching committees in local congregations join with Perkins intern faculty and trained clinical supervisors to help students reflect on the meaning and purpose of their experiences in ministry. As we extend the Intern Program to a new group of students in the Houston/Galveston area, we are reminded again that Perkins is more than a school on campus in Dallas. It is a network of teaching and learning that extends across the South Central Jurisdiction and reaches to places in Europe, Central America, and Asia where Perkins students learn the work of ministry by participating in it.

Fifty years ago, the vision of Joe and Lois Perkins, Bishop Paul Martin, Dean Eugene Hawk, and J.S. Bridwell gave Methodism a school of theology that was able not merely to meet the future, but to lead the church into it. Today, we celebrate that legacy with remembrance of their vision, and with our own commitment to provide a program that will respond to the needs of the church and meet the challenges of ministry in the next fifty years.

PHILANDER SMITH COLLEGE

Our enrollment increased this year for both the Fall and Spring Semesters--Fall, 956 students and Spring, 840 students.

A new $2.5 million, 35,000 sq. ft. Academic Building is approximately 60% complete and we are in the second year of our new $3 million, 40,000 sq. ft. Multi-Purpose Building.

The college is fiscally stable and operating is in the black. The faculty has been strengthened, the Library has been upgraded with computer technology, new books and periodicals.

Values in the tradition of The United Methodist Church continue to be emphasized; the Collegiate Choir has performed in several churches, for community religious activities and will perform at the Grand Foyer Concert Series JFK Center for the Performing Arts in Washington D.C. this spring.

We remain committed to the college's mission of providing quality higher education in the tradition of The United Methodist Church.

PLANNING AND RESEARCH COMMITTEE

The chairperson of the Committee on Planning and Research would like to thank each of the members of the committee for their work during the past four years. A special word of thanks is due those members who will rotate off the committee because they have served two terms. The following items are reported for their information or consideration to the 1996 North Arkansas Annual Conference.

1. The Area Long Range Planning Committee was elected at the 1994 North Arkansas Annual Conference and the Little Rock Conference. It is composed of six persons from the North Arkansas Conference and six persons from the Little Rock Conference. Three members from each conference are lay persons and three are clergy. Two questions have been raised about this committee. How long is the term of office for the members? Who is responsible for replacing members of the committee?

The primary purpose of this committee is to develop a long range plan for The United Methodist Church of the Arkansas Area. Planning and Research feels that it was intended that this committee was created to do a specific task and that it should retain its elected members until the task is completed and reported to the Annual Conference. After completion of the task the committee would no longer exist unless action by the Annual Conference designated otherwise. This conclusion is based on the task of the committee and the manner in which it was formed.

It is recommended that if members of the committee have to be replaced because of moving out of the Conference, death, or other reasons, that the vacancy be filled by appointment of the Area Bishop and confirmed by the next meeting of the Annual Conference.

2. Several persons have talked with the chair of Planning and Research about wanting two persons to be named as co-coordinators for youth ministry in the Annual Conference. This was discussed with the chair of the Conference Council on Ministries and by the Conference Nominating Committee.

Planning and Research, after much consideration and input from others, recommends that no change be made in the youth coordinator position for the Annual Conference in the structure. This does not mean that age-level coordinators could not have other persons assisting them in ways that they would choose. The Youth Coordinator named by the Conference Nominating Committee would be the voting member of the Conference Council of Ministries, as the present structure indicates.

3. In reviewing the 1995 Planning and Research Conference Report it was noted that the name of Nawake Conference and Retreat Center appeared in Standing Rule #14, page 239 of the 1995 Conference Journal. It is recommended that this be changed to the new name, Mount Eagle Christian Center. All references to the previously named center should be changed to the new one.

4. The Arkansas Area Disaster Response Committee has existed for a number of years, but does not appear in the structure of the Annual Conference. The coordinator is named by the Nominating Committee and the committee is listed in the Conference Journal. This listing spells out the membership of the committee.

Since the CCOM is recommending a study of Conference staffing it is recommended that this matter not be placed in the Conference Structure until after the recommendations of this study is completed during the next year.

5. During the next year the Committee on Planning and Research will have a large task of reconciling the Annual Conference Structure with the new Discipline. The new Discipline will not be available until several months after the adjourning of the 1996 General Conference. A revised structure consistent with action of the 1996 General Conference will be presented to the 1997 Annual Conference.

RELIGION AND RACE

On February 17, 1996 the Conference Commission on Religion and Race sponsored a conference-wide event, "Festival of Diversity," that was held from 10:00-3:00 p.m. in the Auditorium of Philander Smith College in Little Rock.

During the morning MUSIC and WORSHIP session, Bishop Wilke brought special greetings. There was a special litany written by Revs. Bonda Moyer and Jan Edwards. The keynote speaker was Theressa Hoover, former Head of Staff of United Methodist Women. Music diversity was reflected through Spanish music: two solos sung by Natalia Salazar, a native of Bolivia and a doctoral student at the University of Arkansas in Fayetteville, "Tu Has Venido a la Orilla" and "Cantemos al Senor," (UMH pp. 3 & 14) and several selections from the Hispanic Ministry in Springdale, led by Rev. Ramiro Lizcano; Cherokee Music; several selections by Wynema Smith and Rev. Ray Keeter from Cookson-Hill, OK. (They taught the audience to sing "Amazing Grace" in Cherokee); several selections from members of the Theressa Hoover United Methodist Church Choir in lIttle Rock, and a solo "Come Sunday" (written by Duke Ellington) sung by John Manning of the St. James United mthosdist Church.

The food served at the free lunch also reflected diversity of cultures, including Asian, Latino, and African American.

At the second session MUSIC and DRAMA, a Biblical drama, "The Good Samaritan," was presented by Rev. Norm Moyer of Forrest City.

The day ended with a third session MUSIC and COMMUNION. Special musical selections were sung by members of the Philander Smith Choir. Wynema Smith signed "The Lord's Prayer" while the audience sang it. The celebration of communion by Rev. Sarah Bainbridge of the Mansfield and Huntington United Methodist Churches included the story, "And Then Came Jesus," song, and a liturgical dance to the music of "Were You There."

Throughout the day's events, special Biblical verses, read by members of the CCORR (Rev. Rufus ALexander, Viola Meadows, Ann Carroll, Rev. Bonda Moyer) and Vicki Chronister, referring to music, song, dance, celebration, and unity, alon with prayers from Rev. Bill Thompson and Rev. Rufus Alexander were interspersed throughout the event by members of the CCORR. Additionally, the audience participated in the singing of a number of songs.

There were 63 persons in attendance, representing 7 Districts (Batesville, Conway, Fayetteville, Forrest City, Fort Smith, Little Rock, Parpgould/Jonesboro) and visitors from Cotton Plant, Fayetteville, Marianna, North LIttle Rock, and Imboden. The larger attendance that was expected was considerably affected by the rescheduling of a major conflicting conference event. Based on those responding to the evaluation form distributed at registration, 70% rated the event excellent, 15% good, and 15% poor. Teh poor rating reflected the concern about the problems experienced as a result of unanticipated logistical problems.

A sampling of the remarks includes these statements: "Touching moment: Cherokee singers-Great! (especially "Trail of Tears")."--"Excellent performance by Hispanic group!" and--"I hope this will become an annual event. Include LRCCORR."

In addition to considering making this an annual event, the North Arkansas CCORR is hoping to encourage more of these kinds of celebrations on the district and individual church levels.

SAINT PAUL SCHOOL OF THEOLOGY, KANSAS CITY

Both the church and our society cry out for the kind of leadership that can renew and revitalize. Saint Paul School of Theology is preparing **leadership in the Wesleyan tradition** to meet the great challenges of churches and communities in our day.

The 1995-96 school year has been productive and gratifying as dedicated faculty have worked with **gifted and committed students** to prepare for ministry.

Beginning this year, a **new specialization in evangelism** is available for Saint Paul students. This specialization was developed by our faculty over the past year to strengthen the seminary's commitment to the renewal of the church's witness through vital evangelism. Those of us in the Wesleyan tradition remember that the first task for John Wesley was always evangelism. It is in this spirit that we emphasize evangelism at Saint Paul and are seeking ways to strengthen our program in this most important work of the church.

The specialization seeks to build on the work of our new faculty Chair in Evangelism made possible by a cooperative effort of The Foundation for Evangelism and Missouri United Methodists.

Dr. Henry H. (Hal) Knight III, who occupies the evangelism chair, will give experienced leadership to this specialization. In commenting on this enhancement of the seminary's evangelism program, Dr. Knight said, "Our society presents us with both great challenges and a tremendous opportunity to share the Good News of Jesus Christ. This specialization will enable Saint Paul to identify and train a new generation of leaders for evangelism in the 21st century."

Saint Paul is now **debt free**! The high inflation years of the 1970's were difficult for seminaries with small endowments. The budget deficits of those years continued until the mid-1980s for Saint Paul, requiring significant borrowing. In 1985 Saint Paul stopped all such borrowing and began a plan to repay all accumulated indebtedness over ten years. The end of the 1994-95 academic year marked ten consecutive balanced budgets and the last payment on this debt.

Progress continues on the major multi-year **campus renewal plan**. Denver Avenue has been closed, and a new entrance off Truman Road with a drive and parking area leading to the chapel is nearing completion. The Bishop Eugene and Wilma Frank Bell Tower now stands at the new entrance, and the Property Services Building (the new maintenance facility) is completed. The view of the campus from Truman Road is being transformed! Renovation of classrooms and offices, as well as accessibility projects continues.

Of course, all of these efforts have significance only as they help us prepare committed and capable leaders for the church. Let us all hope, pray, and work for **renewal and revitalization** in all of our churches. Thank you for all you do to make our ministry on behalf of the church possible.

SCOUTING

This past year has been exciting. A number of churches have begun or strengthened their relationship with the youth of their community through Scouting. Girl Scouts, 4-H, and Boy Scouts are tools that your church can use to deliver the word of Jesus Christ to young people. Scouting, a tool of the church.

Many people feel that Scouting competes against other youth programs throughout the church. This is a misconception I try to correct. When you take a saw and use it to cut a board in two pieces, many say you have divided the board. This is not true. What you have done is doubled the board. In the church, if you want more adults to come to Sunday School class, you add another class. Scouting, at tool of the church.

The God and Country program is a series of material that helps youth focus their thoughts about God. Youth have powerful feelings about their beliefs just as a clawhammer contains great power. To be useful this power must be focused through a nail down to the point of that nail. All that power focused to one single point. The God and Country program, a tool of the church.

On Saturday, November 2, 1996 anyone interested in serving youth are invited to attend the Scouting Missions for Youth Conference that will be held from Noon to 5:00 pm at Grace United Methodist Church in Conway. We will share information that will highlight ways to use Scouting as a mission of your church. Scouting, a tool of the church.

Congratulations to Bishop Richard B. Wilke on receiving the Silver Beaver award. This award was presented by Jeff Herrmann, Scout Executive and Warren Stephenson, President of the Quapaw Area Council, Boy Scouts of America. I want to thank Boy Scout Troop 380 from Grace United Methodist Church, Conway, for assisting me in presenting this report presentation. Scouting, a tool of the church.

Yours in Christ through Scouting, Jim Rhodes

SOUTH CENTRAL JURISDICTION

Twelve conferences from our Jurisdiction sent teams this year to our Jurisdictional VIM project, Operacion Hogar in Juarez and Chihuahua, Mexico. These were part of more than six hundred persons serving Operacion Hogar this year. More than one hundred homes have been completed for the working poor in Juarez. We mail our VIM newsletter semiannually to all pastors in the Jurisdiction, and to 900 interested laity.

The Jurisdiction continued its service to its twenty-nine Korean congregations, coordinated by Dr. Won Kie Kim. Cutbacks at military bases in the Jurisdiction have caused membership loses in several Korean congregations, but the churches continue forward with courage and determination. Under Dr. Kim's leadership the Jurisdiction annually sponsors gatherings of Korean United Methodists for leadership training, youth and student rallies and new pastor orientation.

The Executive Director provided field services in several of the annual conferences this year, including teaching in a conference ministers' school and in a district ministers' enrichment day. The Director provided consultative services for vitalization in several local churches, and for conflict resolution in one church. Eleven annual conferences have received field services from the jurisdictional office during this quadrennium.

The Jurisdictional office and the Jurisdictional College of Bishops is co-sponsoring with the Board of Higher Education and Ministry an event to lift up the call to ministry to persons ages sixteen to twenty-five. This event, Explo96, will be at the DFW Airport Hyatt Regency on November 1 to November 3, 1996. We will sponsor events in three locations in 1997 to lift up the call to ministry to persons twenty-five and older.

Jurisdictional Conference is July 14-18 at the downtown Mariott in Kansas City, Missouri. The Conference in 2000 will be in Albuquerque on July 14-17.

SOUTHERN METHODIST UNIVERSITY

It is my pleasure as the tenth president of Southern Methodist University to provide this institutional report to the Conference. Since my arrival as president in June 1995, I have enjoyed tremendous support from our United Methodist constituents, including the annual conferences and area churches I have visited. I am grateful for the guidance that has brought SMU to this point in its evolution and for the support which will make further progress possible.

The Board of Trustees authorized an Inauguration Ceremony on September 9, to bring together the larger community to celebrate the University and to reaffirm our heritage and faith in the future. More than 4,000 constituents from throughout the nation attended the event. In my Inaugural Address, I outlined some of the key areas that deserve attention as we refine our offerings and services for a new century and millennium. SMU must: 1) continue to infuse the perspectives of globalism into the curriculum, including an ongoing commitment to increase the diversity of our University community; 2) provide excellent programs in all areas of communications, from composition to journalism to telecommunications; 3) strengthen programs that will prepare students for leadership roles in the health care professions; and 4) continue to emphasize the study of ethics by increasing opportunities for ethical considerations throughout the curriculum.

The University is currently preparing an academic strategic plan that reflects these priorities and others identified by the various schools and departments. The plan will form the basis of a major gifts campaign for which we are in the planning stages.

I am also pleased to report that the campus United Methodist Ministry is flourishing under the direction of Rev. Greg Ligon. For example, the Thursday night Bible study group has grown from five students to more than 100. We are indeed grateful to the Annual Conferences of the Jurisdiction for continuing support of this program.

The Perkins School of Theology has been strengthened in several ways, among them:

• A $10 million endowment gift, the largest in history, from the J.S. Bridwell Foundation establishing the J.S. Bridwell Foundation Endowed Library Fund.

• A $1 million gift to the Theology School $500,000 from trustee Caren Prothro and her husband Vin in honor of his parents, former trustees Charles and Elizabeth Prothro; and $500,000 from the Joe and Lois Perkins Foundation.

• The appointment of Dean Robin W. Lovin, former dean of the Theological School at Drew University.

The beginning of a South Texas seminary program in partnership with United Methodist Church leaders in the Houston area, offering classes in Houston and Galveston taught by Perkins faculty.

SMU's fall 1995 enrollment was the highest in 11 years, with the largest first-year undergraduate class in six years. Minority enrollment is at an all-time high of 18.8 percent for the total student body.

We continue to need and to appreciate your interest, prayers, leadership, and gifts as we reaffirm SMU's founding vision through our achievements of today and tomorrow.

STATUS AND ROLE OF WOMEN, COMMISSION

I. The Commission of the Status and Role of Women

CRSW challenges United Methodists to continue to work toward the full and equal responsibility and participation of women in the total life and mission of the church.

CRSW serves as an advocate on behalf of women, individually and collectively, within the church

CRSW helps develop policies and strategies to address and eradicate all forms of sexism, including sexual harassment. Develops guidelines for language in our churches inclusive of all persons and reflect the fullness of God.

CRSW recommends study materials on new understandings of theology and biblical history affecting the status of women.

CRSW Grounded in the Gospel

The life and work of the Commission on the Status and Role of Women is grounded in the Gospel of Jesus Christ and the Judeo-Christian scriptures. Therein is God's profound desire for justice and peace.

God's intention for partnership and mutuality is evidenced in the creation stories--having made female and male in God's own image and having placed them in harmonious partnership in the garden.

The Old Testament prophets call for justice and for speaking out against inequities, to stand with the oppressed and marginalized.

In Jesus Christ is the example and inspiration-a person who, in having women as friends, disciples and witnesses, challenged the conventional sexism of His time. Christ calls forth Paul, the people of

God join in creating and living in a world where the gifts of both women and men are celebrated and utilized, where "there is neither male nor female, but all are one in Christ Jesus." (Galatians 3:28)

In many ways the Church, the Body of Christ, has followed the world, embracing and institutionalizing patriarchy, with its attendant sexism, rather than living out of the vision of justice and mutuality.

The existence of the Commission on the Status and Role of Women is both a confession of participation in this sin, and a commitment to the church's mission to embrace more fully the promise of the gospel.

II. For the last conference year there are 19 elders and 5 probationers holding membership in the North Arkansas Conference. There are 29 women, ordained and local pastors, serving churches within the conference. There are a total of 66 women in all active and retired relationships, including those in candidacy studies, those women who are licensed as local pastors but not appointed and Diaconal ministers. Further, 15 of 19 active and retired Diaconal ministers are women.

III. Julia Wilke, a native of Texarkana, Texas, the daughter of Dr. and Mrs. Chester Earl Kitchens. Julia was a member of First UMC, Texarkana, Arkansas, but attended school in Texas. She graduated from SMU with a BS in Education.

Julia married Richard Byrd Wilke on June 20, 1953. She taught school in Connecticut while her husband studied at Yale. Since that time, Julia has taught every age in the Sunday School and now leads workshops on the adult Sunday School class nationwide. She also does speaking and teaching on Marriage and Family, and together she and the Bishop have led marriage enrichment retreats. Her lifelong love and teaching of the Bible led her to work, plan and co-author the Disciple Bible Study.

The Disciple Bible Study is one of the most significant and powerful instruments available for spiritual formation and has trained more than 18,000 leaders in more than 6200 churches, with over 32,000 youth and over 350,000 adult participants in the study. Disciple III has just been released at General Conference and there have been over 51,000 participants in the advanced studies. Training has been done now in England, Ireland, Canada, Australia, Malaysia, New Zealand, and Germany. Planning for Disciple IV has already begun. After "retiring" and having a new association with Southwestern College in Winfield, Kansas, Julia and Dick Wilke will begin work on Disciple IV.

We are honored to have had Julia Wilke in our midst for the last twelve years and for the future we anticipate seeing the fruit of Disciple Bible Study in it's continued and increasing impact on the Church.

UNITED METHODIST CHILDREN'S HOME

Do you remember the anticipation of receiving your report cards? I remember having to explain some grades when report cards were brought home. There was the joy of good grades and the embarrassment of bad grades (and the consequences that followed).

In this report to you we present our report card from last year. You will read our report telling you how we have done in the past year. There are statistics about the number of youth we cared for this past year and financial figures that tell you about our stewardship of funds entrusted to our care for them.

I am pleased to report that United Methodist Children's Home is now a Certified Teaching- Family Site. What does that mean? It means that UMCH is recognized nationally by the Teaching-Family Association as an one of many Teaching-Family Sites in the United States that provides the highest quality of child care in America today! It means that we respect the dignity, individuality, and worth of each person and value the preservation and protection of fundamental human rights for youth. We are committed to providing professional services characterized by competence, compassion, and integrity. We are the first child care program in the State of Arkansas, providing quality care for youth, to be certified by the Teaching-Family Association.

Statistics on number of youth served cannot capture the entire story. They do not tell about lives changed and families restored. Many of our success will not be revealed until much later in life. As we look at the numbers, we visualize youth who have names and faces. We remember the good times and the difficulties as we continue to minister to them and their families.

Just as statistics cannot capture the stories of the children served, neither can they capture the spirit of those who give in support of care for youth. The money in our budget comes from several sources. Endowment funds and Estate Gifts are the result of many persons giving because of their love for children and youth. Contributions represent the tithes and offerings of many people. I receive many letters from our supporters and many of them tell of the sacrificial gifts of persons on fixed incomes. Special projects in local United Methodist churches and groups contribute time, energy and money to our support.

You will also notice that part of our income is from state and federal governments. These dollars are for services rendered to youth who are in the custody of the state or for other programs for needy youth. I want us to move to the place where we are dependent more on private contributions for our work and not upon state or federal dollars. With all of the emphasis on welfare reform, I am becoming more convinced that we will need more contributions from private citizens and supporters in the year that is before us. There will be fewer government dollars available.

Your prayers, interest, and support have enabled us to care for youth and to write the record in the numbers below.

YOUTH SERVED	1994	1995
Residential Care in 7 Teaching-Family Group Homes	60	71
Total number of Days of Care Provided	8,160	8,960
GENERAL OPERATING FUND INCOME	**1994**	**1995**
Contributions	272,471	229,323

State/Federal Govt.	88,647	203,692
Endowment Fund/Estate Gifts	742,594	575,783

ROCKEFELLER GRANT

We have been the recipient of a Rockefeller Foundation Grant of $2,000 which provided training for two of our Consultants to attend the Common Sense Parenting Workshop at Boys Town. Beginning this Summer and Fall we will be sponsoring Workshops in various locations around the State. This is an exciting program as it is based on the curriculum skills as taught by Teaching-Parents in our program here at the Home.

Along with unconditional love and respect for children, parents need a logical, workable approach to discipline. Common Sense Parenting provides both plus a lot more. Parents will learn how to build close relationships, how to reduce problem behavior by teaching children appropriate ways of behaving, how to give clear messages, stay calm and teach children self-control and develop consistent expectations and consequences for their children. We are excited about this addition to our Programing.

BOARD ADOPTS NEW ARTICLES OF INCORPORATION AND BY LAWS

The Board voted unanimously at its May Board meeting to restructure the Board of Directors so as to come into compliance with the new State Law for non-profit organizations.

As you know, we receive State as well as private/church contributions for the care of our children.

We are finding no problems or restrictions with this and our homes are now considered to the very best in child care by the Division of Children, Family Services. The Board felt it could not afford to jeopardize this status if we wanted to continue to serve troubled children. The only substantive change is in the number of Board members. The reduction guidelines simply make it more effective for our Board to have greater involvement in our work.

As is true in other like institutions, the nominating committee will submit names annually and any United Methodist minister or lay person would be welcome by the nominating committee. That procedure is held to now. We are always looking for persons who have a special interest in the Home. This new structure calls for at least three fourths of the body to be members of United Methodist Churches and/or Clergy.

IN CLOSING

Natalie Sleeth's great hymn used by many in the church today, "Hymn of Promise" speaks of the many youth who come to United Methodist Children's Home each year. We can know something of their backgrounds as we gather information about their history and family situations. We do not know of their potential but we teach, through positive reinforcement and other ways, seeking to develop that potential. Many skilled and dedicated persons on our staff influence the lives of these youth. Our care is designed to develop the hidden talents and abilities of the youth in our care and teach them the skills and values necessary to be successful adults. We are also blessed when we see most of them flourish and bloom when given the proper care and nurture. You are also a part of the nurturing process as you support us with your gifts, prayers and concern.

Finally, I want to share with you a statement I ran across the other day and have now on my desk. It reads, "What each child gives us — one more chance to do it right." The truth becomes a reality as Natalie Sleeth wrote, "Unrevealed until its season, something God alone can see."

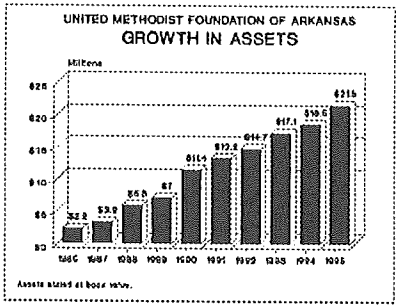
UNITED METHODIST FOUNDATION OF ARKANSAS

As the accompanying chart reveals, 1995 was another great year for your Foundation. We experienced significant growth in every category.



It is such a great blessing to be given the opportunity to work for the good of the Kingdom through the Foundation's ministry. Our sense of fulfillment is rewarded daily as we assist individuals and local churches in their discipleship. Our clients appreciate the Foundation's services, but it's a pure joy to befriend and serve these devoted and generous United Methodists.

This past year brought major enhancements to the Foundation's operations. A significant investment was made by the Foundation's board of directors to upgrade our computer hardware and trust accounting system. We're still struggling through the transition, but in the end it's sure to improve our efficiency and quality of service.

Of course, our educational outreach always needs expansion, but we've been warmly received by countless local congregations as we've traveled Arkansas. Many of our new clients come through referrals from pastors, Foundation board members, or attorney and CPA friends from throughout the state.

We were much more aggressive during 1995 in the area of church loans, increasing our loan portfolio to over $2.5 million and committing almost 30% of the Foundation's Income Investment Pool to this asset category. It's mutually beneficial transaction for the Foundation and borrowing churches.

Call on us to explore charitable giving options or local church investment management services. We're your Foundation and we're here to help in any way we can.

UNITED METHODIST WOMEN

Those of you who attended the United Methodist Women's breakfast this morning know that our emphasis for today is on diversity and inclusiveness.

We ask God to erase the barriers that separate us, to help us accept each other as Christ accepted

us; to teach us as sisters and brothers to embrace each person. O Lord, teach us your lessons, as in our daily life we struggle to be human and search for hope and faith. Teach us to care for people, for all, not just for some, to love them as we find them, or as they may become.

Lord, for today's encounters with all who are in need, who hunger for acceptance, for righteousness and bread, we need new eyes for seeing, new hands for holding on; renew us with your spirit; Lord, free us, make us one.

This past year has been exciting and challenging for United Methodist Women. We are in the midst of change. 1996 is a year of innovation, for there is to be a new structure come January 1st. This applies to the conference and district teams as well as the larger units. Small units will experience no change. Medium sized units will have options.

We're hearing a lot about corporate and government downsizing. For United Methodist Women, streamlining operations makes a lot of sense, as we find most women of the 90's with more commitments than they can easily manage. One aspect of the plan changes the Conference and District executive committees from 13 elected officers to 11. The larger units will have 9 elected officers instead of 11.

There is also a change in name for the mission coordinators and revised job descriptions. So the nominating committees that are affected must become informed before they prepare the slates for next year. Conference and district officers are ready to help the units adjust to the new pattern of organization.

The year has been full of meaningful activities. 12 conferences team members traveled to Abilene, Texas last summer to attend the Regional School of Christian Mission. We were extremely proud of our own Diane Clark Vogler who served as Dean of that school. Ellie Martin was selected to serve on the planning team for this year's Regional School which will again be in Abilene in just a couple of weeks.

Mary Lou Young and Marleen Calvin went to the National Seminar in Nashville. I attended the quadrennial meeting of the General Board of Global Ministries' National Division in Seattle. Both meetings stressed ministries for children and youth.

Seven newly elected team members went to Chicago for a National Officer Training Event. Last month 14 of us traveled to Omaha for the Jurisdiction meeting of United Methodist Women.

We were pleased to have Mary Tipton from Ozark elected as a member of the Core Planning Group Committee on Nominations. Diane Clark Vogler of North Little Rock was elected to be one of the eight on Women's division to represent the 17 conferences in the South Central Jurisdiction. This is an honor for Diane and for our Conference.

This is the second year of a four year period where our theme is SOCIAL HOLINESS/ PERSONAL WHOLENESS. The Goals are:

I. To live our PURPOSE
II. To change and be change agents for inclusiveness
III. To share our mission story
IV. To create new strategies for increased membership

The twenty-third annual meeting was again a "mountain top' experience, being held on beautiful Mt. Sequoyah in Fayetteville. The theme "In Communion with Creation', the fairyland fall colors and the excitement of the participants would almost have been enough. But add a multitude of backpacks and school supplies, a fantastic keynote address by Lynda R. Byrd, entitled "W.O.W.S.E." (With or Without Someone Else), plus the grace and worship in motion of Marcia McFee, and the weekend was almost celestial!!

Recognition was given to districts that participated in mission studies, the Reading Program, Five Star Giving, the Cecelia Weeden Charter Club and World Thank. We were challenged to cherish the earth with a special skit presented by the Redfern family of Fayetteville. Maxine Barnett, Jurisdictional Core Planning team member from the Oklahoma Missionary Conference, installed the new officers. We honored retiring officers with a special recognition. Bishop Wilke addressed the assembly, and Reverend Divida Corbin-Autry closed our event with an original storytellers version of the creation and with the celebration of communion. As United Methodist Women we do celebrate our "communion with creation" and affirm God's presence through out this world and within our lives.

A major concern each year is seeing that we fulfill our commitment to missions in this country and around the world. In general the units are very faithful in paying their pledges in full. This year our conference United Methodist Women sent to Women's Division, for mission, $237,833.08.

The local money goes to the district treasurer quarterly. She keeps very complete records on the giving of each unit and sends the funds on to the conference. As you can imagine the job of the district treasurer is crucial in the journey of our mission money. District and conference records are carefully audited each year. This is only part of the mission story. We know that in each local community the

women are also reaching out to help and support worthy causes

As membership has decreased, it 's been a struggle for the conference to meet its financial goals, but we are optimistic. We've urged units to use the prayer calendar at each meeting so that the women see more intimately their mission dollars at work. With the help of all we'll meet our pledge.

We are working hard to bring in new members. At the end of 1995 with 100% of the units reporting we had a membership of exactly 9,200. That's a net gain of 29 persons. This is much more of a triumph that it seems, for literally hundreds of our longtime members are dying each year. Its a challenge to match that number with new members. However, 3 new units were organized, and Forrest City District led the conference with an increase of 55 members over the year before. We commend them for superior work. This is the first time in this decade that the conference United Methodist Women have shown an increase in members.

We've launched a membership campaign and are redoubling our efforts to interest younger women in the concept of mission. Special target groups are teenage women, college students, young adults, working moms and newly retired women. It's suggested that they form interest groups and structure their meetings and mission programs as it fits the particular life-style of that group. We ask for your prayers as we start our membership campaign.

Our activity in the area of Global Missions is vigorous and ongoing. The School of Christian Mission last summer was one of the biggest and best we've had. The faculty was outstanding, and we saw many more children and youth involved. The Bible study on Ecclesiastics was excellent. The other two choices for study were The Churches of Europe and The United Nations.

The School of Mission is awesome in many respects but especially in the impact it has on our spiritual lives and our understanding of present-day Christian concerns. Its an education in itself.

This August we'll be studying China and Hong Kong, John Welsey and Living in a Multicultural Society. 18 scholarships are available each year for School of Mission, and some of these have not been taken for 1996 as yet.

Last summer eight of our women participated in a Jurisdiction Mission Event held at Camp Aldersgate, and just three weeks ago our conference organized and sponsored a Clean-up Day at Camp Aldersgate. Between 50 and 60 volunteers came to help spruce up the facility before the summer camping sessions.

Mission is God's business, and mission is our business. We glory in this partnership.

Concern for children in our communities continues to motivate activity for United Methodist Women. Last year women in the units gathered school supplies and filled hundreds of backpacks with the needed materials. Approximately 1500 bags of school supplies were distributed locally through the schools to underprivileged children. We were impressed by one small unit with 18 members. They provided 34 backpacks with supplies to their school.

This year the school supplies project continues, and the women are also making teddy bears. Law Enforcement Officers have expressed a need for these bears to help children through incidents of domestic violence and automobile accidents. The teddy bears will also be offered to hospitals, women's shelters and fire departments. Some of our children are forced to experience very tragic situations. A teddy bear to hug may help a little.

The need for our Ministry to Incarcerated Women and Their Children, called MIWATCH, has not diminished. The latest statistics, those of May 15th, show that 36 women, with 95 children, have been cleared for visits from these children. We are grateful for the volunteers who transport 61 children to see their mothers. 34 children are still waiting to see if someone will offer to drive them to the prison. The volunteers who transport children find this a rewarding experience. The children are so excited about seeing their mothers, and the mothers are very appreciative.

On May 10th we participated in a Seminar at the State Capitol called Mothers in Prison, Children in Crisis. As we learn more we realize that there is no question but what these children need our care and concern.

We've collected books and toys for the children and provided toiletries and reading material for the mothers, but the project exists to put mothers and children together so that the family ties are not broken. The women approved by the prison for this program are not hardened criminals. They are paying for their mistakes, but the children are paying to an even greater extent. If you can help with our transportation project, please see me.

To live our UMW Purpose requires us to be involved in social issues. In 1995 we have been working in activities to promote racial justice, women's and children's issues, stewardship of the environment and economic justice.

Through the Women's Division we have been able to support the Rugmark Campaign to eliminate child labor in the imported rug industry. During district meetings, our conference annual meeting and the School of Missions we participated in card and letter-writing campaigns to national and state

politicians concerning issues such as the U.N. Convention on the Rights of the Child and to raise awareness of the importance of clean water to the environment and to humankind.

United Methodist Women were part of the national movement which culminated June 1st in Stand for Children Day. We are now in the beginning stages of planning a Day at the Legislature for January 1997. For this event we'll be working with a coalition of other Christian women's organizations.

Jesus was a social activist. We must be social activists too!!

Other members of the team are on the stage with us. It takes all of us working together to carry out the ambitious programs of mission we are committed to.

In looking ahead we know that we have a vital part to play in providing ministries to women, children and youth around the globe. We welcome the changes that help us to grow. We welcome the opportunities that bring us into closer relationship with women so like ourselves across the world. We ask God for renewal and for courage to carry out the mission he calls us to do.

UNITED METHODIST YOUTH

The North Arkansas Conference Council on Youth Ministries continues to be a vital ministry of this annual conference. To date 725 of 3,955 youth have participated in conference activities with Junior High Assembly, Senior High Assembly and Conference Choir Tour still to come. Over 600 youth are anticipated to attend these events. We also were represented by over 100 youth of our conference at the national youth event in Salt Lake City, Utah, which had over 4000 youth and adults in attendance.

Reverend David Fleming and Mrs. Carla Choate led our Conference Choir Tour in June. The choir toured in all districts and had tremendous support from the host churches.

Junior High and Senior High Assembly were held in Little Rock at the Holiday Inn. Craig McNair Wilson was the speaker at both events. One of the highlights of the week was a baptism in the hotel pool. Over 400 youth and adults participated. Jay Clark, Carla Choate, Jeff Quick and Terry Gregory were the adult leaders.

Celebrating Youth '95, a one day event held in Little Rock, was a huge success. CCYM representatives from all six districts helped with the publicity for the event.

Conference Youth Tour was an educational fun-filled nine day tour of Washington D.C. and New York City. Its purpose was to offer experiences of Christian nurture and awareness through exposure to interesting sites as well as to various significant approaches to life. The tour was open to youth in the 9th grade through college freshmen. Reverend Vaughn Marsden was leader of the event which had 45 participants.

Over 100 youth and adults participated in our winter event at Cold Springs Camp near Conway. LeVav was designed for 9th through 12th grades. Gayle Keine, Rodney Aist, and Andy Nixon were the adult leaders.

Veritas was held at Mt. Sequoyah in March. More than 275 participants in the 7th through 12th grades enjoyed a weekend on the mountain. Kathy Fincg and Gail Martin were the adult leaders.

Larry Martineau and A.B. Naylor along with the Youth Service Fund Task Force did an outstanding job this year raising money for this worthwhile fund. The task force worked at every event to raise $8, 216.22.

There are four events scheduled for this summer. Choir Tour will be June-30. There will be performances at Cabot, Goddard in Fort Smith, Springdale, Paragould, Augusta, and Beebe. The Jurisdictional Youth Ministry Orgainiztion (JYMO) will be held July 8-12 at Mt. Sequoyah in Fayetteville. This is a training event for the new CCYM members. Junior High Assembly will be held Sunday, July 28 through Wednesday, July 31 at Mt. Sequoyah. Senior High Assembly will be held Wednesday, July 31 through Sunday, August 4 at Mt. Sequoyah.

We congratulate the "Five Star Youth Groups" for 1995-96. They are: Jacksonville FUMC, Greenwood FUMC, North Little Rock FUMC, Mt. Home FUMC, Greenbrier FUMC, Heber Springs FUMC, Forrest City FUMC, Paragould FUMC, Cabot FUMC, Newport FUMC, and Wye Mountain FUMC. We congratulate these groups on an outstanding year.

We fully support the "Focus on Young People" as adopted by the 1996 session of General Conference. In an effort to participate in this focus, the NACCYM will present a plan of action as a part of this year's annual conference report. Please refer to the yellow "Focus on Young People" flyer also included in your packet.

Focus on Young People:

The vision, as adopted by the 1996 General Conference, for the Focus on Young People is a shared response to the joys and pains of young people around the world, through the Good News of God's

unconditional love in Christ.

The call to the United Methodist Church is to reorder its priorities and focus on the needs of young people and to enable young people to be participants in the life and work of the church.

A shared mission focus is a new way of creatively living into this vision of a "shared response to the joys and pains of young people around the world, through the Good News of God's unconditional love in Christ."

It is shared because it comes from and belongs to every part of the church. No one part of the church can do it alone. It is shared because this work is done together with God.

It is mission because, in the spirit of the Great Commission in Matthew 28:19, it is people to people. We are being sent in response to a critical need in God's world. It is mission because it is action.

It is Focus, not a "program." This shared mission focus is a way of seeing and focusing on young people in our world. It calls us to turn our heads, open our eyes, feel with the heart, and look deeply into the eyes of young people all around us. It is this focused seeing that then inspires United Methodists to focus the creativity, energy, and resources that can flow from every part of the Body of Christ in this shared mission.

Opportunities/Proposals of Action:

1. Co-Coordinators of the Conference Council on Youth Ministries: Maintain the current volunteer staff of Co-Coordinators of CCYM. Although there would be two coordinators, there would only be one adult vote on the CCOM.

2. Conference Youth Staff Position: With the possibilities of funding through the General Conference, establish a CCOM Task Force charged with looking at all conference youth ministries including CCYM and Teen Crisis with the goal of obtaining a full time staff position in the area of youth ministry.

3. Risk Management/Covenants: In an effort to protect and provide health, authenticity, integrity, and safety of all youth programs, events, and counselors as well as a nurturing environment for each participant, endorse the current process of Adult Counselor Covenants as used by the NACCYM.

4. Risk Management/Application and Authorization: Charge NACCYM with the task of bringing to the CCOM an Application and Authorization method for obtaining counselors.

5. Encourage Local/District Participation: Each District and Local Church should be encouraged to participate in the Shared Focus on Young People by exploring new ways of implementing ministry by, for and with young people.

6. Encourage Communication: Those who are responsible for working with young people should be encouraged to share the Good News, by celebrating the achievements of young people within their communities.

UNITED METHODIST MEN

1. Considered the fastest growing group among UM Churches.
2. UMM now a commission, accountable to the general council on ministries.
3. Each local fellowship is required by Book of Discipline to be a charted fellowship and such charter to be renewed annually. The NACCUMM has taken charge of the charter program by taking application with payment of $50. $35 of this amount is sent to Nashville, with $15 retained by our conference. This has greatly contributed to our treasury. All churches are encouraged to participate and be blessed with your participation.
4. We are now, and will continue to support the Mount Eagle Christian Center Project and to be a large contributor in the future.
5. UMM should look forward and start planning for future events to attend.
   a. NACUMM annual retreat. (to be announced soon.)
   b. District President's Conference in Nashville Oct. 18-20.
   c. World Peace and Order - Washington D.C. Sept 25.
   d. All District annual retreats.
   e. Purdue 1997 Quadrennial National Congress June 11-18, 1997.
6. The UMM of this conference are facing a great future and it all hinges on our chartering program. The pastors and lay leaders are the secret to this important program. To assist the churches in any way you can, call me during the day at 1-800-456-7474

Independent Auditor's Report

Council on Finance and Administration
North Arkansas Conference of the
United Methodist Church
Little Rock, Arkansas

We have audited the statement of assets, liabilities and fund balances - cash basis of the North Arkansas Conference of the United Methodist Church as of December 31, 1995 and 1994, and the related statement of changes in fund balances - cash basis for the year ended December 31, 1995. These financial statements are the responsibility of the Conference's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 1, the Conference's policy is to prepare its financial statements on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than generally accepted accounting principles. Consequently, certain receipts and the related assets were recognized when received rather than when earned, and certain disbursements were recognized when paid rather than when the obligation was incurred. Accordingly, the accompanying financial statements are not intended to be presented in conformity with generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and fund balances - cash basis of the North Arkansas Conference of the United Methodist Church as of December 31, 1995 and 1994, and the changes in fund balances - cash basis for the year ended December 31, 1995, on the basis of accounting described in Note 1.

DECEMBER 31, 1995 AND 1994

1. Summary of Significant Accounting Policies

Basis of accounting - The financial statements of the North Arkansas Conference of the United Methodist Church have been prepared on the cash basis. In connection with the utilization of the cash basis of accounting, the Conference has not capitalized its fixed assets and recorded the related depreciation.

The records are held open after year-end in order to include the remittances from the churches in the Conference for the last few weeks of the year. This policy is consistent with the prior years.

2. Income Taxes

The Conference meets the requirements of Section 501(c)(3) of the Internal Revenue Code and is therefore exempt from federal income taxes.

3. Cash Investments

All cash investments are recorded at cost plus interest income as received in the account. These balances approximate current market value of the particular investments.

Interest on savings accounts is received quarterly. Interest on all other cash investments is not recognized until maturity. Interest earned on investments during 1995 and 1994 was $16,760 and $12,172, respectively.

The aggregate market value of investments was $200,000 at December 31, 1995 and $100,000 at December 31, 1994.

4. Pension Plans

Substantially all conference employees are covered under one of two defined contribution pension plans.

a. Ministerial employees - All ministerial employees, including the Bishop, are covered under a defined contribution pension plan whereby the participant contributes 3% and the church or conference contributes 10% to 12% of the participants' annual contribution base (compensation) based on the conference average compensation as computed by the General Board of Pensions.

b. Lay personnel - All lay employees are covered under a defined contribution pension plan whereby the participant contributes 3% and the conference contributes 6% of the participants' annual contribution base (compensation).

NORTH ARKANSAS CONFERENCE OF THE UNITED METHODIST CHURCH

NOTES TO FINANCIAL STATEMENTS - CASH BASIS

DECEMBER 31, 1995 AND 1994

4. Pension Plans (cont.)

Both of the aforementioned plans provide benefits upon retirement based on converting accumulated contributions for that participant to an annuity or an actuarially equivalent basis. Both plans are multi-employer plans by which all contributed assets of participating employers and employees are commingled and are not segregated by employer. This commingling of assets prevents a matching of individual employer's plan assets to plan liabilities.

Total pension cost for the years ended December 31, 1995 and 1994 was $946,484 and $887,259, respectively.

5. Contingencies

a. The Conference receives remittances from churches located within the State of Arkansas and is dependent on these contributions for its operations.

b. The Conference maintains, at various financial institutions, cash and cash equivalents which may exceed the federally insured amounts at times during the year.

#1 RESOLUTION CONCERNING DR. MARTIN LUTHER KING, JR. DAY

WHEREAS Dr. Martin Luther King, Jr. is considered to be a modern day martyr for his fight for religious/racial inclusion, unity and reconciliation... and...

WHEREAS there are an estimated 431,000 ethnic minority people among the 8.6 million United Methodist Church members in the United States... and...

WHEREAS many states, churches, and businesses around the country honor the life and contributions of Dr. Martin Luther King, Jr. on the third Monday of January each year by not conducting business on that day... and...

WHEREAS the United Methodist Church celebrates Human Relations Day in recognition of the fact that we are all God's children,

BE IT THEREFORE RESOLVED THAT

United Methodist Churches in the North Arkansas Conference set aside the Nationally recognized Martin Luther King Day as a day of prayer for inclusion, unity and reconciliation and witness same by recommending that local churches close their offices on that day.

§§§§§

#2 RESOLUTION OPPOSING GAMBLING

WHEREAS, the United Methodist Church has a long history opposing gambling and its parasitic impact on us. The Boards of Church and Society of the Little Rock and North Arkansas Conferences of the United Methodist Church, through its joint Arkansas Area United Methodist Against Gambling Task Force call upon this denomination to follow this stand by continuing to oppose the passage of any amendments or legislation that promotes or allows the further degradation of our state's moral and ethical standards by way of additional legalized forms of gambling in Arkansas.

WHEREAS, this opposition to the proposed Arkansas Constitution amendments is based on the long standing principles of our Church against gambling. It is also grounded in our reliance upon a consistent thread of Biblical principles. This opposition is also based upon our Church's knowledge of and response to the systemic evil and deception that is inherent in the gambling industry and the residual societal damage that communities inevitably experience with the presence of gambling in any form.

BE IT THEREFORE RESOLVED THAT

we call upon all United Methodists to oppose all present and future proposed constitutional amendments and legislation which would promote and expand gambling in its various forms, and to examine the portions of our life-styles and values that make us susceptible to the false promise of such vices.

{Ruby Lee Jackson, Chairperson Little Rock Conference, Board of Church and Society
G. Randall Nix, Chairperson North Arkansas Conference, Board of Church and Society}

§§§§§

#3 RESOLUTION CONCERNING TREATMENT OF PRISONERS

WHEREAS WE BELIEVE THAT "The church should continually exert a strong ethical influence upon the state, supporting policies and programs deemed to be just and compassionate and opposing programs which are not." (Paragraph 74.B, The Book of Discipline, "The Social Principles"), and ,

WHEREAS, it has come to the attention of the North Arkansas Conference of the United Methodist Church that the State of Arkansas has breached its responsibility to protect and maintain the health, safety, and dignity of inmates and citizens convicted and sentenced under the penal code of the State of Arkansas, and,

WHEREAS, the church recognizes that even those convicted and sentenced to death are entitled to be treated with dignity and the protection of the State of Arkansas in its custodial responsibility;

THEREFORE BE IT RESOLVED THAT:

1. The North Arkansas Conference of the United Methodist Church go on record as condemning the inhumane and unchristian acts of those responsible for the care and protection of prisoners incarcerated in the penal system of the state of Arkansas;
2. That a copy of this resolution with a request for a response be sent to the Governor, the Attorney General, the Director of Prisons, and the Wardens of all state prison units.

Submitted by Jimmy W. Anderson Bay & Pleasant ValleyUMC

§§§§§§

#4 RESOLUTION CONCERNING APPORTIONMENTS

WHEREAS: Apportionments make up a major portion of the budgets of many smaller United Methodist Churches in Arkansas, and

WHEREAS: Apportionments have been steadily going up over the past several years and have forced some churches to choose between apportionments and funding local programs, and

NOW, therefore, be it resolved that The North Arkansas Conference provide some material to the local churches that are pressed to meet their financial obligations.

And that the Conference ask that our COM Directors work with small churches throughout the Conference, at no cost to the churches, to improve programs, assist with evangelism efforts, and increase giving.

submitted by John Wedaman, Kensett-Judsonia Charge, and John Back, Griffithville Charge

§§§§§§

#5 RESOLUTION ON CHURCH BURNING

WHEREAS a recent chain of church destruction has been taking place in our nation since late 1993; and this church destruction by burnings is taking place, all in the southern portion of the United States; and

WHEREAS these churches have been predominately black churches that tend to the spiritual and evangelical needs of their constituents and also others who care to enter; and

WHEREAS these churches contribute to the health care, education and housing needs of people in their communities;

THEREFORE BE IT RESOLVED that the North Arkansas Annual Conference call on the church to be in prayer for all these churches and also use its influence to help stop this madness and atrocities.

Be it therefore further resolved that; The North Arkansas Annual Conference:

1. Instruct the Conference Secretary send a copy of this resolution to the pastors/congregations affected.
2. Issue a public statement denouncing these arsons to the press.
3. Request our conference committee on Disaster Relief to contact these churches to ascertain what their needs are and how we can help.

Respectfully Submitted by: Euba Harris-Winton

§§§§§

#6 RESOLUTION TO THE COUNCIL ON BISHOPS

WHEREAS during the 1996 General Conference, fifteen United Methodist bishops made a statement that while they would continue their responsibility to the order and discipline of the church, their personal convictions differed from the language of the 1992 Book of Discipline concerning homosexual persons [paragraph 71.f, 402.2, 906.12, and footnote on P. 205]; and,

WHEREAS the perspective of those bishops on the matter of homosexuality is in opposition to that of the Discipline of the United Methodist Church, and to that of the majority of United Methodist Christians.

WHEREAS the Book of Discipline of The United Methodist Church states in paragraph 610.1: "Speaking for the Church. -1. No person, no paper, no organization, has the authority to speak officially for the United Methodist Church, this right having been reserved exclusively to the General Conference under the Constitution. Any written public policy statement issued by a general church agency shall clearly identify either at the beginning or at the end that the statement represents the position of that general agency and not necessarily the position of The United Methodist Church (paragraph 817)."

Therefore, be it resolved that the North Arkansas Annual Conference concurs with the action taken by the 1996 General Conference to retain the Disciplinary language regarding homosexuality;

Be it further resolved that the North Arkansas Annual Conference renew our commitment as a covenant community to be in prayerful concern for one another and to seek God's guidance as we continue to deal with the challenges and opportunities of our diversity.

Submitted as a Substitute Motion by Max Whitfield

SECTION I

1. The foundational and doctrinal guidance for this structure document is the 1992 Discipline of the United Methodist Church. The following paragraph is quoted:

"¶ 707, 1992 Discipline of The United Methodist Church:

The Annual Conference shall provide for the connectional relationship between the general boards and commissions and the conference, district and local church.

1. The Annual Conference shall structure itself for effective mission in any mode deemed appropriate. In each Annual Conference, there may be conference program boards related to the general program boards organized as the Annual Conference shall determine. The Annual Conference shall provide for the connectional relationship between the general program boards and the conference, districts, and local churches, and shall specifically assign the program responsibilities related to the objectives and scope of the general program boards to agencies of the Annual Conference.

[NOTE: Decision No. 417 (Oct 30, 1976) of The Judicial Council of The United Methodist Church found that ¶ 706.1 was constitutional. The council declared that "if a conference should determine not to create any of the boards or divisions thereof, it shall specifically assign the liaison functions and responsibilities of each such board or division to another agency in the conference."]

2. The Annual Conference may appoint additional committees for the purpose of promoting the work of The United Methodist Church within the bounds of said Annual Conference and may prescribe their membership and their powers and duties.

3. Each Annual Conference may make its agencies of such size as its work may require; provided that consideration shall be given to the inclusion of lay and clergy persons from small membership churches. All local pastors serving charges are eligible for election or appointment to such agencies, except those dealing with qualifications, orders, and status of clergy and local pastors.

4. In the nomination and election of the membership of councils, boards, and agencies of the Annual Conference, special attention shall be given to the inclusion of clergywomen, youth, young adults, older adults, persons with handicapping conditions, and racial and ethnic persons, in keeping with policies for general church agencies. It is further recommended that the membership of such agencies include one-third clergy, one-third laywomen, and one-third lay men, except for the Board of Ordained Ministry.

5. Members of general agencies shall serve as ex-officio members of the corresponding Annual Conference agency or its equivalent structure. If this results in a person being a member of more than one Annual Conference agency in violation of either Annual Conference policy or another provision of the Book of Discipline, the person shall choose the Annual Conference agency on which to serve."

6. It is strongly recommended that the Annual Conference provide for child and dependent care both during sessions of the Annual Conference and meetings of the Annual Conference boards and agencies."

2. All Disciplinary references herein are to the 1992 Book of Discipline of The United Methodist Church.

She met Reverend Hubert E. Pearce, from the Umsted Memorial Church in Newport, at an Annual Conference and married him on January 19, 1938. They had two sons, Hubert, Jr., who was born at Newport in 1939 and Warren, who was born at Fayetteville in 1944. Together, they served churches in Crawfordsville starting in 1939, Pocahontas in 1942, Clarksville in 1947, Heber Springs in 1948, Bentonville in 1951, Wynne in 1955, Paris in 1959, Sylvan Hills in 1961, Cameron Missouri in 1964, Kansas City-Oakley in 1966, and Southwest City in 1971.

Lucille's Methodist history dates back to almost the beginning, as Great Grandfather, William Henbest, was a clergyman in England in the late 1700's. She was a member of the Life Service Band organized by James W. Workman, Sr. Lucille had many offices in the Church's Women's work where they lived. The had three conference offices: Spiritual Life, Promotion and Recording Secretary. She was given Special Membership pins by the Batesville District, and by the Oakley UMW. She was a member of the Women's Planning Committee of the Japan International Christian University Foundation of Tokyo for many years. She attended more than 30 summer schools of Christian Mission in Arkansas and Missouri, and taught a course in 1969 at the Missouri West Conference School. She joined the Eastern Star Chapter in Fayetteville in 1931, and was Worthy Matron in 1935. She was Grand Page that year at the Grand Chapter in Little Rock. She was Grand Representative to New Brunswick, Canada for 2.5 years.

Being a minister's wife in the early days was very different than now. Their home in one town had been willed to the church under the condition that it never be changed. It took permission of the Court while thy were there to add indoor plumbing! When they arrived at another town, the local doctor and sheriff invited Hubert out to the river for some shooting. After a while, it became apparent to Hubert that the real reason was to see if the new minister could take care of himself. Well, Hubert grabbed a candy bar our of the doctor's pocket and kept it moving across the river back with his pistol. The doctor and sheriff commented that they felt he could take care of himself. Happily, that kind of care was never necessary. In another home, the roof over Hubert, Jr.'s bed always leaked no matter what Hubert, Sr. tried to do. When the rain came down, Lucille spread all the pots from the kitchen over his bed. Lucille always drove the car. It seems that Hubert would get so involved in preaching to himself that he would not pay sufficient attention to driving. So, Lucille was the driver.

Lucille and Hubert were the Bishop's Church Builders. They either rebuilt or remodeled almost every church they served and the Bentonville Church was the most beautiful. In Bentonville, Hubert drew the plans for the present sanctuary building and saw to its building. Lucille designed the beautiful stained glass windows in the sanctuary. Hubert's childhood as the son of a plumber gave him skills not included in most seminaries.

After Hubert's death in 1973, Lucille moved to Bentonville to live. Her life focused on the Bentonville Church, but she also made many valuable contributions to the community with her talents and gifts. As would be expected for a minister's wife, she and the Church remained inseparable. She was known as the "Church Angel."

Survivors are her son, Warren Pearce, and a granddaughter, Elizabeth, of Colorado springs, Colorado, Burial was February 24, at Bentonville Cemetery.

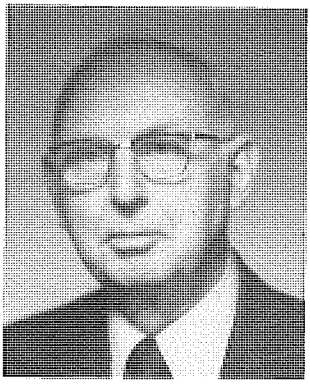
Fred G. Roebuck



Fred G. Roebuck, a much loved Methodist pastor who began an amazing 80-year ministry by traveling Arkansas' rural dirt roads and prairie land on foot and on horseback, died November 17, 1995, in Fort Smith. He was 102.

He was considered one of the denomination's oldest "circuit riders," having redden horseback from church to church on his preaching circuit, beginning in 1913.

Roebuck was born in 1893 and grew up on a farm at New Edinburg (Cleveland County), part of a strong Methodist family. The family often welcomed circuit riders to their home, where services were sometimes held. Young Roebuck would travel with the visiting preacher to homes and churches in the area, and soon felt called to the ministry.

Fresh out of college, he received his first appointment, the Humphrey Circuit, in 1913. He would make the 25-mile trip by horse from Humphrey to Bayou Meto to preach about two Sundays a month. While on this circuit, Roebuck also preached at Sunshine, Acorn, Harrington, Brummett, Geridge and Alport, with his pulpit at the local schoolhouse, post office or railroad station. He also served as school principal at Humphrey.

He was a graduate of Stuttgart Training School, State Teacher's College and Perkins School of Theology. He capped his long ministry with 21 years of service as senior pastor of First United Methodist Church, Fort Smith, where he was later named pastor emeritus. He also served Bearden, Prescott, Pulaski Heights-Little Rock, Asbury-Little Rock and Lakeside-Pine Bluff churches. He was well known for leading successful church building campaigns.

"The church has been my life, and I've been very happy in it," the soft spoken pastor told the Arkansas United Methodist in 1991 as his 98th birthday neared. "I've given the best I've had, and I'm glad I did."

He received an honorary doctorate of divinity from Hendrix College, and Roebuck Chapel at First UMC, Fort Smith, is named in his honor.

Roebuck retired in 1965 at the age of 72, but continued to preach, conduct weddings, baptisms and funerals, visit hospitals and nursing homes and minister to others past his 98th birthday. He was believed to have baptized, married and buried more people in Sebastian County than any other minister during the 20th century.

As a pastor serving churches in both the Little Rock and North Arkansas conferences, he held an astounding record of attending annual conference sessions for 80 consecutive years.

Roebuck met schoolteacher Blanche Stokes at the Humphrey church, where she was organist. They married in 1917 and shared 62 years together before her death in 1979.

He is survived by three sons, Fred G. Roebuck, Jr. of New York City, Lewis Roebuck of Scottsdale, Arizona, and Dan Roebuck of Fort Smith; two daughters, Doris Hansen of Sunrise Beach, Texas, and Virginia Guthrie of Camden; 13 grandchildren and 29 great grandchildren.

Services were held November 20, 1995, at Fort Smith First UMC, with burial at Forest Park Cemetery.

Edna B. Rowland

Edna B. Rowland was born September 3, 1898, in Clerendon, Arkansas. She passed away August 13, 1995. She is survived by a son, John of Houston, Texas; a daughter, Edna R. of Roswell, New Mexico; and two grandchildren, one great-grandchild, four neices and two nephews. The following is a somewhat shortened version of the eulogy which her son wrote and presented at the graveside service.

Edna Vivian Bryant Rowland was born September 3, 1898, in Clarendon, Arkansas, located in Eastern Arkansas in the White River. Her father managed a saw mill and her mother was a homemaker for her husband and three daughters. Our mother was the youngest of the three daughters.

She attended high school in Clarendon and after graduation was employed for seven years as a station manager for the Missouri Pacific Railroad in LaGrange, Arkansas.

There she met and married John Lester Rowland, known as Lester, a Methodist preacher. They moved to Conway, Arkansas, to attend Hendrix College, a Methodist school. She was an outstanding student and was graduated Magna Cum Laude in 1927, majoring in English.

After graduation they moved to Durham, North Carolina where Lester attended seminary at Duke University. Following graduation, they returned to Arkansas to fill Methodist appointments at Plainview, Wheatly, and Walnut Ridge.

While at Walnut Ridge, Lester fell ill, having been weakened from wounds sustained in World War I. He spent the last 20 years of his life in a Veterans Administration Hospital in North Little Rock, Arkansas, passing away in May of 1959.

Faced with the prospect of rearing two children alone, Mother, Edna, I, and a female mutt named Tippy loaded in a 1936 Ford and make our way to Roswell, New Mexico in the summer of 1944. World War II was being fought and we had to apply for enough gasoline ration coupons to make the trip.

Mother's sister had lived in Roswell several years and was involved in two restaurants which she leased, the Nickson Hotel Coffee Shop and the Central Grill in the J.P. White Building on West Third Street. Mother immediately became manager of the Central Grill and was involved in the restaurant catering business until 1949 when she began a 16 1/2 year teaching career in the Roswelll School System. She was a third grade teacher at Parkview Elementary and loved every minute of it.

Mother was fortunate to have lived when she did. She witnessed the birth and growth of the automobile, the airplane, radio, television, electrification, indoor plumbing, and air-conditioning. She saw America transformed from an agrarian society to today's communication society. She saw early in life that the basic ingredient for involvement was hard work.

Survivors are Mitchell's wife of 56 years, Gladys Masters Sanford of North Little Rock; a daughter and son-in-law, Judith and Charles Long of Little Rock; a granddaughter, Jade Long of Little Rock; three nieces and three nephews.
