Reports of Committees.

Epworth League

The Epworth League of the Methodist Episcopal Church is an important factor in the development of the religious, intellectual workings of our church, most especially among the young people.

We hail the coming of Prof. I. G. Penn, our Secretary, who has come to us from time to time with such wholesome instruction and enthusiasm, which marks greatly our success. And if we stand up to him and our State President, J. W. Burns and the instructions given we can not fail. Furthermore we ask each Dist. to arrange to hold their Annual Meetings before the 1st. of Aug. 1906 and send their reports to the State officers. We further recommend that a special Financial committee be appointed to look after the expenses of each chapter, Committee,

J. W. Burns, Chairman
P. Owens.
W. McIntosh.
D. H. E. Harris.
J. H. Greer, Secretary.

On The State Of The Church.

Whereas, in the time of our highest ambition the church has always been the star of our brightest hope, and it has been the light of all generations. No other institution can take the place of the Church. It is indeed the house of God. It moulds the lives of men into the spiritual realm of the highest purity.

Her doctrines have been in harmony with all good citizenship; many find relief at her altars.

Therefore be it resolved, That we pledge ourselves to give her our hearty support to spread her borders in the state as never before.

Sabbath Observance.

We, your committee on Observance of the Sabbath beg to make the following report:

Whereas, the Holy Sabbath is a divine institution, set apart by our Heavenly Father for rest as well as divine worsip. Therefore be it resolved, That we, the ministers of the Little Rock Conference, use every effort possible to have our people observe this day as a day of worship, and that we discourage every thing that tends to cast a shadow of desecration upon this Holy Day.

S. M. Cain.
G. N. Johson,

Church Extension.

We, your committee on Church Extension beg leave to make the following report;

We highly congratulate the Board of the Church Extention Society of the Methodist Episcapal church upon the great success it has obtain in extending the work of the church building throughout the Southland and especially in the Colored Conferences of the great Methodist Episcopal Church it has helped at least 80 churches in Little Rock, Resolve, That we insist that every charge raise its full apportionment for the said Society.

J. T. Hawkins.
A. R. Ray.

Missionary Society

Whereas, the Missionary Society of the Methodist Episcopal Church; through its regular channels, disburses for home and foreign fields more than a million dollars a year. Therefore be it Resolved that we do all we can to push all the interests of this Society, to bring our membership up to one dollar mark, to scat-

ter Missionary information among the members and friends of our congregations. We are highly gratified in the elections of our Missionary Bishops, who are doing so much good in the foreign lands.

We also strongly endorse the plan of a field Agent to create more interest among our members in the great Missionary Movement of our church. We are greatly pleased with the appointment of Dr. G. G. Logan to this field of labor.

Temperance

WHEREAS, the cause of Temperance is a very worthy cause and one that is lacking for the support that it ought to have and

WHEREAS, our people have suffered and are suffering most through the destructive influence of that destroying monster, the drink habit, which has weilded its deadly and poisonous influence throughout the country and

WHEREAS the church and ministry realize a lack of financial support, because of such prevalent indulgence in intemperance.

THEREFORE, be it resolved, That we the ministers and members of the Little Rock Conf. endeavor to exert all our power and influence to stamp out and eradicate the influence and support of this deadly enemy, be it furthermore

RESOLVED, That the ministers of the Little Rock Conference shall distribute literature and deliver addresses and sermons at least once a quarter in every church of each charge on Temperance.

Lee Nelson.
L. G. Hodges.

Periodicals.

We have no question fraught with more vitality and responsibility than that of periodicals, literature. The literature of a Church or nation gives tone and color to its sentimentalities, for as a man thinketh in his heart so is he. In this age of periodicals, when the

land is being flooded with every class and character of literature. It is our duty as guardians of the diversified interests of the Ch. of Christ, to maintain the most ceaseless vigilance, thereby making it possible that every rank and file of our great Methodism be provided with that class of periodicals which are clean and wholesome. We point with pride to that grade of literature coming from the Methodist press. It has altered to an eminent dergree our ministry and proportionately as the ministery has been benefited the laity has been lifted up. We most heartily recommend the use of the literature provided by our own press in its entirety.

Respectfully submitted.

L. G. Hodges

We, the committee on Auditing the Presiding Elder's account, beg leave to say that we have carefully inspected their books and found each correct.

State of the Church.

We, your Committee be leave to submit the following report:

Recognizing the fact that the church of God is the most potent agency in the up lift of humanity and is the only institution which our Lord Jesus Christ has sent into the world to save men from sin and death, we look upon it with paramount interest and pledge fidelity to its cause. In all lands where the gospel is preached and practiced the church stands a beacon on the shores of times shedding spiritual light and life on a perishing world. Let us therefore increase our efforts to spread its borders in all our territory until its influence shall be felt in all parts of our great state

We further recognize the fact that there is great need of deeper

spiritual life in all our churches and that may God in his infinite way bring this much desired state.

W. H. Morris,

The work being done is a blessing for which we feel very grateful. We note with very great pleasure the interest manifested by our pastors in pushing the claims of the society and the increase of collections for the same.

We are heartily in sympathy with Drs. Mason and Thirkield whose wise administration we most heartily commend.

We commend the work done by the assistance of the society in Philander Smith College, so wisely carried on by the able, wise, noble and true, Dr. J. M. Cox, who is so abundant in labor and sacrifice

We commend the work done in the Ciow Seminary and rejoice because of the great success of its Principle, Prof. A. D. Jacques

Therefore be it resolved, that we the Little Rock Conference do everything in our power to raise at the earliest date every cent which we may be asked to raise for the Freedman Aid and Southern Educational Society and report the same at our next commencement. Be it futher resolved that the conference pledge itself to raise $1400 for Feedmen's Aid this year and that this amount be equally divided among the districts.
