

How To Make Your Easter Cross

1. Choose a cross.
2. Think of some special gifts, talents and interests that God has given you **or** something for which you are thankful.
What defines you?

3. Color in the white part of the cross with symbols of who God has created you to be. (Use permanent markers.)

4. Color in the white background to make it look really cool!

5. Sign your name and the year. (Use permanent markers.)
