I have prayed and thought long and hard about this before placing myself for consideration. I am an active member of QQUMC. I am committed to the mission we all are called as children of God and I wish to see that commitment moved forward with a reasoned diligence and concerted effort.

What leadership experiences have you had in the church or community that will help you do the work of the delegation?

Please limit to 150 words.

I actually am the son of a Presbyterian minister, have 3 years experience as a camp counselor, sang in the church choir, helped with the feeding ministry, been on mission trips, was an officer at the Wesley Foundation in college, and am an active member of my church. I come with one who has seen all the facets of the church in many ways. Also I served at 3 different GC's of the Episcopal Denomination in the House of Bishops as Support Staff.

Share three (3) areas crucial to The United Methodist Church's mission to make disciples of Jesus Christ for the transformation of the world:

We have to start meeting our Brothers and Sisters in Christ on the road where they are at. We have to have the boldness of the prophets like Elijah and Nathan to speak truth to power. But we also need to have the worker mentality of a Martha to do the work, rather than just sit at the feet listening to the words of Christ.

What are three (3) issues emerging from those areas you stated above:

Our continued and hopefully expanding relationship with the LGBT Community who are our Brothers & Sisters in Christ. Examining a more efficient and effective fiduciary method of funding the church. Expanding and growing our presence on college and high school campuses, but also increasing a ministry for those out of college, but single.
