HISTORY OF THE FT. SMITH-OKLAHOMA CONFERENCE

The Ft. Smith-Oklahoma Conference, as it has christened itself, has had a varied history. The Ft. Smith part was organized into a separate conference out of the North Arkansas Conference in the year 1881. There had been Methodist Protestants in this section of Arkansas before the Civil War. The first president of the Ft. Smith District, Rev. Clark Mason, lies buried on the Fayetteville circuit. Some splendid work was done by such men as Mason, Stumbaugh, Bartholomew, Mackey, Wilson, Jacobs, and a host of others. The only charter members now alive are Rev. R. R. Nichols of Denning, Ark., and Rev. T. E. Lewis of Ft. Smith, Ark.

The Oklahoma part of this new conference has had quite as varied a past. The first district of the present State of Oklahoma to be organized was the northeastern part, known as the Indian Mission Conference which was organized about the year 1887. W. B. Tinsell was a leading man in this conference. Bro. S. J. Shackelford is probably the only charter member alive. A little later the Oklahoma Conference, the Southern Oklahoma, the Chickasaw Mission, and later the Choctaw Mission was organized. Among the leading men in these districts were: B. L. Hancock, J. E. Bounds, B. J. Dougherty, and a host of others. These Oklahoma districts were merged by the General Conference in 1908.

The General Conference of 1916 recommended the merging of the Oklahoma and Ft. Smith districts, which was done in a splendid and harmonious session at Shiloh, near Mansfield, Ark., November 1-4, 1917.

There is a splendid outlook for this division of our Great Church. - As I think of the apple-crowned hills of Arkansas, the prize fruit country of the Union, with the beautiful little city of Fayetteville setting like a pearl among the Ozarks, I say, "Lord, help us to measure up to the opportunity in this section."

Then I hie away to the westward across the great Arkansas River Valley, most fertile of the regions of the Southwest, with Ft. Smith, the giant young metropolis, setting midway between Kansas City and the Gulf, bidding fair to dispute with any the kingdom of the Southwest. I find also in this section gas, oil, coal, timber and cotton, the fleecy staple that has made man rich in a single year. In this section are Miami,

the prince of mining towns, where we have a mission; Tulsa, the chief of oil towns, whose growth and wealth are marvelous; Oklahoma City lies just to the west of this region, and not even Kansas can rival the wheat fields and alfalfa meadows of Central Oklahoma. To the west are cattle-raising sections with their fertile river valley; to the south is Lindsey, the greatest broomcorn market in the world, surrounded by fertile river valleys with wealth of natural resources.

What is the spiritual outlook? We have some eleven or twelve young men just entering our ranks and as I looked into their faces a few days ago I said, "The destiny of the Methodist Protestant Church is safe in your hands." We have in all some sixty ministers on our rolls and I believe in them and they believe in the church of mutual rights.

Many splendid movements are being set on foot and you will hear ere long from the Ft. Smith-Oklahoma Conference. People are beginning to demand a right to exercise their intelligence in church affairs as well as in other lines of human endeavor.

Rev. M. L. Mathews served as president of the Ft. Smith-Oklahoma Conference from November, 1917, to November 1920. Under the wise and untiring efforts of President Mathews, the conference made great progress as is shown by the annual reports of 1917-1920. Since the uniting of the conferences E. W. Mackey, Rev. J. A. Phipps and Rev. G. O. McMillan have served as secretaries; and Rev. John A. Moody and Rev. J. A. Phipps have served as conference stewards.

At the November, 1920, conference the following officers were elected: O. W. Milburn, president; M. L. Mathews, treasurer; and G. O. McMillan, secretary.

At the October, 1921, Conference the following officers were elected: M. L. Mathews, president; G. O. McMillan, secretary; and R. Underwood, treasurer. This conference reported 1100 conversions and 750 additions to the church during the year just closed, with twenty students in Westminster College.

REPORT C.

Report of President to the Fifth Session of the Ft. Smith-Oklahoma Annual Conference, at Quinton, Oklahoma,
October 19, 1921.

Dear Brethren:

I beg leave to submit the following report to-wit: This has been a prosperous year for our beloved church in many respects. There have been about one thousand conversions and about six hundred additions to the church, for which we give God the glory

I have preached more than a hundred and fifty sermons, assisted in three revival meetings, travelled ten thousand miles and had the pleasure of attending the conference of Presidents held at Birmingham, Ala., March 16, 1921.

In this conference I received many new ideas and an

abundance of highly appreciated suggestions concerning the welfare of our work for the year.

Throughout my territory I have come in contact with many open doors of opportunity for our church, which should be entered and developed at once, viz: Ozark, Arkansas, Ft. Smith, Arkansas and Oklahoma City, Oklahoma. These are places of vital importance and in my judgment should have established churches in them.

In my addresses to the respective churches I have endeavored to emphasize the fact that it is necessary to become more systematic and organic in our attempts to raise the necessary funds required to carry on our business and to support the various enterprises of the church.

OFFICIAL REPORT

On December 29th, I assigned Rev. J. I. Kindle, of the Arkansas Conference to the Denning work where he served until March, when he was called home, on account of sickness in his family.

In December I released Rev. J. H. Stacy from the Enterprise work and assigned same to Rev. J. T. Turner.

On November 26th, I assigned Rev. William Pursell to the Beach Grove work, who made two trips only and gave up the work.

On March 23rd, I released Rev. G. A. Southerland from the Valley work.

In May, I employed Rev. T. J. Adams as Conference Evangelist and W. C. Childers as Evangelistic Singer to assist him. As a result of employing these men it has proven very helpful to the work which is very highly appreciated by the conference.

I gave certificates of standing to Rev. S. L. Snapp in December, and to Rev. J. A. Witmer in March.

Let me recommend at this time that each pastor make a special effort to collect all outstanding pledges on the Million Dollar Campaign.

In this connection let me recommend that one-twelfth of the conference budget be disposed of by each charge at the end of each month.

Yours fraternally,
O. W. MILBURN, President.

**REPORT OF PRESIDENT OF DENOMINATIONAL
YOUNG PEOPLES WORK. F.**

As President of the Denominational Young Peoples Work,
I beg leave to submit the following report:

For lack of finances I have been unable to visit many of the
churches of the District, but have tried in a very small way
to inspire by letters to the Pastors and leaders, to greater
activity among the young people of the church. The results of
these activities have not been as great as they should have been,
but the reports will show that there has been some good ac-
complished. I have had the splendid co-operation of some
of the Pastors and leaders in the work, and the reports of the
different churches will show a greater increase in Christian En-
deavor work than any previous year in the history of the Con-
ference.

One year ago, there were only 9 C. E. Societies in the
Conference, with a membership of 215. At this time we are
able to report 37 Societies, with a membership of 1168. Last
year we had 40 Sunday Schools with an enrollment of 2544.
This year we have 41 Schools, with an enrollment of 2389.

Assisted by Dr. and Mrs. A. G. Dixon, Dr. Forelines and
others, we held four young peoples rallies, which were very
well attended, and resulted in great good to the communities
in which they were held, besides there were several young
people enlisted for Life Service in the work of the church.

I should like to make mention of the men and women who
have done so nobly with the work this year but space in this
report forbids. May I suggest a few things that we undertake
for the ensuing year?

1. Let's have a Christian Endeavor Society in every Meth-
odist Protestant church in the Conference before the year ends.

2. Let's quit allowing a few from other denominations in the community in which our church is located, dictate to us the kind of Sunday School literature we should use, and instead, have a Methodist Protestant Sunday School in a Methodist Protestant church using Methodist Protestant literature. As long as we allow "Union" Sunday schools take the place of our own in our own churches, we will never gain the respect that we deserve.

3. Let us observe the four special days, Rally Day, Educational Day, Children's Day and Easter. These are special days that have been set apart by the denomination for the training of the young in our church, and is one great blessing to any church. It takes time and patience to get up the programs, but we have neglected already too long, to be about our Master's business in training the young under our care. They are the only hope of the church for the future. If we neglect them we die. If we train them we will live and take our place among the other denominations.

4. I suggest a budget of not less than two hundred dollars for the young peoples work for the year 1922. And may I further suggest, that we not only assess that amount, but that we collect it so that the young peoples work will not be handicapped for lack of finances.

5. I suggest that the second day of our Annual Conference be devoted to young peoples work. This will give each pastor an opportunity to get help with some of his problems and will also give to our young people a chance to visit our Conference sessions.

May I suggest in closing this report that we pray also, for the work of the church the coming year, more and more, that many of our young people will enter the Masters harvest field that is already white, and carry on the great work that is so needed at this time.

Respectfully submitted,

G. O. McMILLAN,

President of Denominational Young Peoples Work.

LITERATURE AND PERIODICALS. G.

We your committee on Literature and Periodicals submit the following report:

Believing that the Methodist Protestant church is responsible to the world and our Lord for what can be done by its

members in carrying out His great commission to the church in discipling all nations, and that one of the most effectual mediums through which we may reach the people of the Earth with the gospel of Jesus Christ, which He would have us carry to every land, are our publications, viz: The Methodist Protestant the Methodist Recorder, our Sunday School periodicals, and a study of our church Discipline. And since there are many Methodist Protestants without the church papers, and there are a number of our Sunday Schools using union and other literature instead of our own, therefore be it resolved, That the Ministerial and Lay Delegates of this Conference, be requested to pledge themselves to co-operate in bringing to the attention of their Quarterly Conferences our own Sunday School literature, and earnestly insist that wherever possible, that it be used in preference to any other; and furthermore, that pastors insist that our law be followed in seeing that the local church provide Disciplines for each member received so that we may have a better informed membership, in regard to our church government and faith.

Be it further resolved that our pastors urge our people to take and read our church papers, and that they earnestly endeavor to place one in each Methodist Protestant home.

D. W. BOONE,

T. J. ADAMS.

B. A. THOMPSON, Committee.

TEMPERANCE. H.

We, your committee on Temperance submit the following report:

We find what seems to be, an organized effort on the part of the whiskey men, to bring that part of the constitution, prohibiting the manufacture, transportation and sale of spiritous liquors, into disrepute; and to evade this law by every possible means.

We feel that the time has come for the church to take an advanced stand on law enforcement, and to aid by every possible means in the suppression of this illegal traffic.

We feel that it is not only our duty to uphold the honor of our officials, but to get into the fight ourselves, in a personal way, for the enforcement of this law.

We condemn the courts and officials who are making a mock and a travesty of this law, as unamerican in spirit, and disloyal to home, to their country, and to God.

We recommend that each of our Ministers pledge himself to preach at least one sermon on law enforcement, and to aid in every possible way to suppress this illegal traffic.

D. W. BOONE,

A. J. RHOTEN, Committee.

EDUCATION. I.

We, your committee on Education wish to report as follows:

1. That the pastors of this Conference strive to make his people familiar with the educational policy as adopted by the last General Conference.

2. That Westminster College at Tehuacana, Texas, is the place where our boys and girls should receive their educational training.

We further recommend that the pastors of each Charge have a service during the year in behalf of Westminster College and that its merits be highly magnified.

3. That our young men called to the ministry be urged and aided in every possible way to get the necessary training to qualify them for the service of the church and the Kingdom.

4. That our aim be: Forty students in Westminster College for the year 1922-1923.
