Ralph Mann spoke to the report, in respect to equalizing pension payments for Approved Supply Pastors and conference members. He proposed the following amendment to the report relative to this matter: referred to as Section (a) to part 1 of Division C titled "Recommendations of the Board of Pensions Report": A full-time approved supply pastor who retires with 15 or more years of continuous service shall have his annuity rate set at the same base as conference members. The effective date of this amendment shall be the conference year 1966-1967." Kenneth L. Spore seconded the Motion. There was a technicality as to whether or not Ralph Mann was qualified to present an amendment. Carr Dee Racop and John Miles so asked for clarification. Luther Miller spoke in favor of the amendment. Joe R. Phil-

lips asked for clarification relative to the matter of it applying to full-time Approved Supply.

Dr. Arthur Terry spoke against the report suggesting that action be delayed until next year. ## VI. Reports

### DISTRICT SUPERINTENDENTS REPORT

To Bishop Paul V. Galloway and members of the One Hundred and Twelfth session of the Little Rock Annual Conference:

It is with grateful recognition of the abiding loyalty of the Methodist People within the bounds of The Little Rock Annual Conference that we report to you concerning the work and witness of the Church in the year now closing. The 383 churches of our Conference have added to their rolls 1,564 persons on Profession of Faith, 2,513 persons by transfer from other Methodist Churches, and 514 persons from other denominations. Our present number of full members is 84,155. Our pastors have baptized 665 infants and 826 children, youth, and adults. We carry on our Preparatory Rolls 5,414 persons.

Our major program emphasis this year has been the first phase of the Quadrennial Program, "One Witness in One World." Reports from each District indicate that our people have received this program as a serious challenge to self-evaluation and the adoption of those procedures and decisions which will strengthen us where we are weak and which will take full advantage of our strong points.

This special emphasis has been given strong undergirding by the Conference Board of Evangelism as they have led in effective United Evangelistic Missions in three Districts — Arkadelphia, Camden, and Pine Bluff. Similar missions will be undertaken in the remaining Districts of the Conference in the year soon beginning. The Town and Country Commission, under the able leadership of the Rev. Elmer J. Holifield, has used the Every Member Visitation Program to further implement our "One Witness in One World."

Our work of Christian Education is being carried out in an excellent manner by the 389 Church Schools in our Conference, enrolling in their membership 5,598 officers and teachers, and with a total enrollment of 57,622. The materials of the New Curriculum have been received with commendation by our Church School workers, and Methodist Approved literature is now being used in 2,761 Church School classes.

The vitality of the lay witness in our Conference is demonstrated in the work of The Woman's Society and of The Methodist Mens Clubs. The Woman's Society now enrolls 11,863 persons and the Methodist Mens Club enroll 2,721.

A look at the temporal concerns of the Church show that we hold church properties valued at \$25,713,420.; parsonage properties valued at \$3,200,225.; and, other assets valued at \$1,074,508.

A brief look at the work in each of the six Districts of the Conference gives an indication of the militant faith and fruitful service of the Methodist People.

1. ARKADELPHIA DISTRICT: A new church has been organized at Daisy, and a second new church is to be organized on the Malvern Road in Hot Springs. The District will provide worship services for campers at six sites on the lakes and in the parks of the District. It is estimated that a minimum of 5,000 persons will serve God through these services during the summer months. Pastors and laymen of the Hot Springs area gave courageous leadership in the Churches United Against Gambling campaign. They deserve the commendation and encouragement of Methodist everywhere.

Plant expansions and renovations have been carried out at Oaklawn, Hot Springs; Amity; Tigert Memorial, Hot Springs; Gurdon; New Salam; Gardner; Magnet Cove; Oden; and Social Hill. New parsonages have been provided at Delight and Gardner. At First Church, Hot

Springs, there is a new education building which carries on its east facade an exterior mosaic of Christ as the great teacher.

2. CAMDEN DISTRICT: Every Charge in the Camden District participated in the Mission to People program. 1,290 persons attended the District Rally in Magnolia. Fairview Church sent \$9,000. in medicines and drugs to our over seas mission stations. Air conditioning projects have been completed at Bradley and Timothy. Remodeling and/or re-decoration projects have been completed at Huttig, Strong, and Waldo. New parsonages have been provided at Stamps and Pleasant Grove. Debts have been totally liquidated at Lewisville and Marysville. A new church plant has been completed at Smackover. A new church site has been purchased in Magnolia looking toward the organization of a new church in that city. A new parsonage is under construction for the Wesley Foundation Student Center in Magnolia.

3. HOPE: This District, embracing seven southwest Arkansas Counties carries on a fruitful work through its 28 pastoral charges, and 83 churches with an active membership. In addition to these, we have 14 Extension Churches in the Hope District. Work has been done, and is continuing, for the regrouping and rearranging of churches and charges in order that a more effective ministry may be carried out in this District.

A new church at Midway has been constructed, paid for, and dedicated. A Fellowship Hall has been built at Pleasant Hill. New churches are under construction at Mena and Hatfield. Church buildings are being planned and contracted for at Dierks and Mineral Springs. Additional properties have been purchased by First Methodist, Texarkana.

4. LITTLE ROCK: One new church has been organized this year, Smyrna in Lonoke County and one is in its first year of full time operation, St. Andrews in Little Rock. New sanctuaries have been completed at Mabalvale and St. Luke. New educational facilities have been completed, or, are near completion at Asbury, Primrose, Hamilton, and Pride Valley. The churches at Carlisle and Des Arc, have undergone extensive remodeling. New projects underway, or ready to be launched are: an Educational Unit at Sardis; Sanctuary and Educational Unit at Devalls Bluff; First unit of permanent facilities at Markham; and Educational unit at St. Paul; and, the first unit of construction at St. Andrew.

Sites for new churches are being secured in the Pleasant Valley Development and in the West 12th Street area. A new Charge has been organized and is designated as the Woodlawn Ct.

5. MONTICELLO: A new church plant has been constructed at Gould, and is nearing completion. Plans for new plant construction at Dumas are well advanced. First Church, McGehee is planning the construction of a new parsonage and of a new Educational Unit. The Star City Church is being relocated. The new site has been purchased, and the construction of the new plant is expected to be underway in the near future. Air conditioning projects have been completed in the Hamburg church and parsonage. A new parsonage is to be built at Thornton. The Monticello Church has purchased a site for the erection of a new parsonage. The remodeling and redecorating program at Fordyce has been completed and paid for. Sites in Crossett are now being studied, looking toward the organization of a new church in that city. The Green Hill Church has been remodeled and redecorated. Extensive property improvements have been made at Tillar. Plans are being studied for a new educational unit at Wilmot. Redecorating and remodeling of the Rock Springs Church is near completion.

6. PINE BLUFF: Almyra has been given the Small Town Church of the Year, and Moore's Chapel has been given the Rural Church of the Year award. Every church in the District is credited with making a contribution to the Methodist Childrens Home, with the District's total gift amounting to \$12,537.

The District Board of Missions has authorized the purchase of two sites for future churches — one in Pine Bluff and one in Stuttgart. Parsonages have been dedicated at England, Good Faith, Rison, and First Church Stuttgart. New church buildings at Carr Memorial, Almyra, and Moores Chapel have been consecrated. Educational buildings have been constructed at Roe, Pleasant Grove, and Mt. Olivet. Lakeside in Pine Bluff has liquidated its educational building indebtedness. \$11,414. has been raised in Advance Specials.

It would be improper and ungrateful, were we to conclude our report to the Conference without expressing our genuine love and appreciation to Bishop Paul V. Galloway for his brotherly and decisive leadership of the total work of the Church in Arkansas. On him is cast the care of all the churches. This care and responsibility he has assumed with a pastors heart and a prophets vision. In this his first year as Resident Bishop of Arkansas, we have seen his ministry and leadership among us, summon forth in us the spirit of unity, oneness of purpose, and a work and witness undertaken with a single eye to the glory of God. To him we say, "We are glad that you have come our way. We are the stronger for it."

Respectfully submitted:

THE LITTLE ROCK CONFERENCE CABINET

Charles W. Richards, Chairman

Joe R. Phillips, Jr., Secretary

#### AREA COUNCIL OF ARKANSAS

I would like to think with you about the program and work ahead of us in Arkansas Methodism.

Our program will fit into the Quadrennial emphasis of The Methodist Church, "One Witness in One World." Isn't that a thrilling statement, — "One Witness in One World!" We want this catchy statement to become a household word in every Methodist home.

Already I have met with the preachers in 12 of our 13 districts, and we have discussed this program. We hope each church will make the Self-Analysis. We believe that if every church will make a real evaluation of itself to discover its strength and to understand its weaknesses, it can become a much more efficient instrument in the hands of God. Our office and all members of the Area Staff are willing and eager to help local churches in this self-analysis.

The other three phases of the Quadrennial program deal with action. I do like action among Christians, and our planning calls for action on the part of us all.

On the local church level, we will be working with the Boards of Education in continuing to try to enlist more people in the Church School program, to increase the average attendance of the Sunday School, and to provide even better teaching. All the statistics that we have reveal that our best opportunity to win people for Christ comes through enlisting people in the Church School. I hope that our Commissions on Education and Evangelism will work together in such a way that the visitation evangelism set-up in the local church will also share in the recruiting of people for the Church School.

In the local church, we will be working under the guidance of the Boards of Evangelism in recruiting laymen to become witnesses for Christ. If we could have five or six thousand trained laymen to witness for Christ at the coffee table, in the office, at the factory, in the homes of our state, we could, in the next few years, take Arkansas for Christ. We will also be promoting Visitation Evangelism, sending our lay people in teams of two to invite people to come with them to Christ and His Church.

We will continue to promote our lay preaching program. We want a preaching service in every Methodist Church every Sunday, and we can have it if competent lay speakers will be willing to take the training necessary for this kind of work.

The Boards of Evangelism and Lay Activities of the North Arkansas Conference are recommending to you an evangelistic rally this fall, and I hope you share in the program.

In the local church, through the leadership of the Boards of Social Concerns, we propose "to lead the churches in action on the basis of what has been said and what must of necessity continue to be said." In the local churches we want to come to grips with social, moral, and racial problems in such a way that we will assume and fulfill our responsibility as a Christian church, and as Christian individuals.

Since 1966 is the 150th Anniversary of the American Bible Society, we want to place added stress on Bible reading the next conference year. Since 1966 is also the 200th anniversary of the beginning of Methodist preaching in the U.S., we want to place great emphasis on evangelistic preaching in 1966. I can think of no finer program than that which calls for Bible reading from the laity and great biblical and evangelistic preaching from the ministry.

The second action program of the quadrennial emphasis calls for action on the part of the Annual Conference.

We plan to continue to help the Conference and Districts to buy land for future churches and to establish new churches.

We will continue to challenge our churches and charges to merge churches where one church can serve two or more congregations, and to encourage the establishment of "enlarged charges."

We plan a program of stewardship for the State that will encourage every church to develop its conception of Christian stewardship. We hope that our people will respond to the opportunity which will be laid before them to remember the church in their wills and legacies.

The third action of the Quadrennial emphasis is world action. We do want Arkansas Methodism to have a world outreach. We want to continue to overpay our goal for World Service. We want our conferences to take some World Advance Specials that can be promoted as a Conference. In this way we can make an effective impact on some community somewhere in the world. We plan to encourage our people to share in the Bishop's Fund, which will be used by Bishop Galloway to meet great needs with which he comes in contact in his travels.

We are concerned about recruiting workers who will become full-time workers for Christ in foreign countries and at home.

We have had a great conference. The future is before us. We can share in making it glorious. To fulfill our mission, we plan to do much training in district meetings, area workshops, rallies, etc. We also intend to use a great amount of space in The Arkansas Methodist to tell the story of our work. I have never taken a story to the Arkansas Methodist but that it has been accepted gladly. We want to have a wider use of the daily newspaper, audio-visual aids, radio, and television. I believe that the church must present the gospel to more people more often.

Our episcopal leadership, for which we are truly grateful, has challenged us with two main objectives: first, to develop a greater sense of bigness and, secondly, to develop brotherliness among the laity and the clergy. The connectional men have been fine and cooperative. The District Superintendents are capable and dedicated men. The pastors are ready and eager to move forward. The laymen are on their toes, filled with great vision. I would like, as we come to the close of this conference, to re-dedicate our lives to making Arkansas a real power in God's hand for the saving of our world.

BISHOP PAUL V. GALLOWAY, Chairman  
CECIL R. CULVER, Executive Secretary  
Adopted May 28, 1965

**JOINT COMMISSION FOR THE ARKANSAS METHODIST  
AND LOUISIANA METHODIST  
RECOMMENDATIONS**

1. That the dates for the 1966 Circulation Campaign be January 9 to 16.
2. That the campaign goal for the 1966 Circulation Campaign be 41,000 with the quotas for the local churches to be one subscriber for every seven members reported by the local church in the 1965 annual conference journal.
3. That the subscription price be \$2 per year, with churches to be eligible for the \$1.50 per year rate if their list equals one subscriber for every three members reported.
4. That an intensive campaign be conducted by the editor, working with the district directors and district superintendents, looking to the addition of one all-family church in each district.
5. That the World Service and Finance Commissions of the North Arkansas, Little Rock and Louisiana Annual Conferences be requested to continue and annual appropriation of \$4,600 each for the support of the papers.
6. That the Executive Committee be empowered to act for the Commission in matters that might require attention between meetings of the full commission.
7. That the editor and the chairman of the Commission be authorized to sign notes at Union National Bank, Little Rock, for money that must be borrowed for current operation.
8. That the appreciation of this Commission be expressed to all who have made it possible to have such a successful year of operation. We are especially indebted to Bishop Paul V. Galloway, Bishop Aubrey G. Walton and to the 21 district superintendents of Arkansas and Louisiana; to the 21 district directors and the pastors and laymen who worked so diligently to make the 1965 Circulation Campaign such a success.

To all of the members of the staff of the publications and to the many devoted persons throughout our three annual conferences who contribute regularly to the papers and those who send the news to us making it possible to publicize all that the Methodist Church is doing throughout Arkansas and Louisiana, we express our sincere thanks.

**BOARD OF CHRISTIAN SOCIAL CONCERNS**

We have been involved in the following activities:

1. In cooperation with the Christian Civic Foundation and the Board of Christian Social Concerns of the North Arkansas Conference we sponsored a state-wide and interdenominational Workshop on Gambling.
2. In cooperation with the Churches United Against Gambling we participated in the successful attempt to defeat proposed Amendment 55 which would have legalized casino gambling in Garland County.
3. We participated in the area wide program training workshop conducted at Hendrix College and we provided leadership for District Workshops in which the local commission chairmen were instructed in the aims and techniques of the proposed program of Christian Social Concerns in the Little Rock Conference.
4. In cooperation with the General Board of Christian Social Concerns we provided information and leadership for special concerns of the church as designated by the General Conference.

5. We sent three representatives to the National Convocation in Washington, D.C.: Rev. David Hankins, Rev. Woodrow Smith and Rev. Charles Ramsay.

We recommend the following program and goals for the local church in the year 1965-66:

1. We urge every local church to follow the program of the church as it is outlined in **The Methodist Story** from month to month. We ask that the pastor and chairman of the commission in each local church give special attention to the program planning issue of **The Methodist Story** and make early provision in the church's calendar for the observance of special days of Christian Social Concern. We request that special attention be given to the observance of **Social Creed Sunday; World Order Sunday, October 24; Commitment Day, November 14; and Race Relations Day, February 13.**

2. We recommend that each local church obtain for the members of the local commission copies of the new **Manual for the Commission on Christian Social Concerns** and obtain for the use of the commission the new film strip, **Your Church — Christian Social Concerns.**

3. We believe that the local church will be greatly benefited by having representation at the **Annual Regional Coaching Conference** at Mt. Sequoyah, August 6-8, and we urge the several district directors to make up car pools to the conference so that expense may be held to a minimum.

4. We request the commissions to work with the Woman's Society of Christian Service in sponsoring and conducting the church-wide study, **Mission — The Christian's Calling.**

We propose that the Conference Board actively sponsor and promote the following programs:

1. We plan to conduct seminars in each district of the conference for the purpose of examining the basic question, **'Who Speaks for the Church in Social Action?'** Local church leaders will be given the opportunity to explore thoroughly the role of the agencies of the church in social change.

2. We recognize that the war on poverty and the **Economic Opportunity Program** are of vital importance and concern to all and that it should be implemented to its fullest. However we feel that machinery is now available through other agencies for the implementation of the program and The Methodist Church of the Little Rock Conference stands ready to assist in this program in any manner.

3. We propose to cooperate with the Christian Civic Foundation in the state-wide promotion of **Operation Speak-Up, November 26-27.**

We give thanks for the diligent work of the Christian Civic Foundation of Arkansas and pledge our cooperation with its activities. Whereas Dr. William E. Brown continues to give the Foundation excellent leadership, we respectfully request that Bishop Paul V. Galloway reappoint him as its executive director.

### COMMISSION ON CHRISTIAN VOCATIONS

For the Christian Disciple, the idea of Vocation is central. It always means that the individual is being "called," and that he must answer, if he is to become what he potentially is, and if he is to fulfill his destiny in the world.

While the word "vocation" appears only once in the New Testament, the idea of calling and reference to God's activity of calling is woven into the warp and woof of the Old and the New Testaments. This is the idea that a person cannot be a Christian in isolation. There

must be a community of the called. In other words, the Church in action throughout the world.

In light of our responsibility in this area of Vocations in the Little Rock Conference, we as the Commission on Vocations recommend for the coming year, the following:

1. An emphasis on Church-related vocations for college students by; (a.) itinerating a vocations resource person to each college campus in the state, and (b.) sponsoring a vocations seminar in order that students interested in church-related vocations might pursue this more in depth. Both suggestions should be worked out in cooperation with the Arkansas Methodist Student Movement and the Woman's Society of Christian Service.

2. A week-end Church-related Vocations Seminar at Camp Tanako for senior high school students working in cooperation with the Board of Education and the Woman's Society of Christian Service.

3. That each District Superintendent be urged to organize and activate the District Committee on Christian Vocations and that Church-related Vocations be emphasized in the districts through rallies, workshops, etc . . .

4. That the Conference Commission on Christian Vocations study the Vocational Intern Program carried on in other conferences for the possibility of setting up such a program in the Little Rock Conference. The program would be two-fold: (a.) to allow a church which so desires, to have a summer worker and (b.) to provide an opportunity for youth to receive "in-service, supervised training" in Church-related vocations.

5. That the Conference on the Ministry be held again this year.

6. That the Christian Vocations Packet be given wide distribution and that it be used to its fullest extent.

7. That the Month of November be designated as Recruitment Month, and that each pastor preach on the "Call to the Ministry."

8. That the pastor of the Local Church notify the Conference Director of Youth Work and the Commission on Christian Vocations when one of his youth makes a commitment to full-time Christian Service. This will enable us to have an accurate list of such commitments.

9. That the Christian Vocations filmstrip series be given wider use throughout the districts and local churches.

10. That each Local Church elect a Secretary of Christian Vocations as required by the 1964 Discipline as a minimum step in recruitment, and that all churches which can, be urged to elect a Commission on Christian Vocations in the Local Church.

11. That local church leaders seek to cooperate with the high schools in their "Career Day" programs.

12. That the Little Rock and the North Arkansas Conference Commissions on Christian Vocations take part in the Area Program Training Workshops meeting at Conway in June, 1965.

Ministers and laymen are encouraged to cooperate in recruitment for church-related vocations. In every local congregation, there are young men and women (as well as some more mature) who need guidance from dedicated leaders to properly interpret and answer God's call. Qualified prospects must be made aware of the world's great need and their ability to serve Christ's cause if they are willing to respond to the Divine summons.

William D. Elliott, Secretary

#### CONFERENCE BOARD OF TRUSTEES

The 1964 Session of the Little Rock Annual Conference meeting at First Methodist Church in Hot Springs, May 24-27, 1964 authorized

and directed that the Little Rock Conference Board of Trustees be incorporated according to the Laws of Arkansas and the 1960 Discipline of the Methodist Church, Paragraph 711-1. This matter is in the hands of an attorney and will be completed in due time.

#### **Resolution Unanimously Adopted**

The motion was made by Rev. Harold D. Sadler and seconded by Rev. Kenneth M. Goode, that Rev. W. Braska Savage, Chairman, and O. Wendell Hoover, Secretary of the Little Rock Board of Trustees of the Little Rock Annual Conference of the Methodist Church be hereby authorized and directed to sign Deed of Transfer or such papers as are necessary to transfer Title of Property to the Board of Trustees of the Little Rock District of the Little Rock Conference of the Methodist Church-to wit:

A track of land beginning at the Quarter Section Corner on the East side of Section 1 of ——— 1 North, Range 13, West, on Center Section 624 feet with variation 4.15/100 feet, thence North 20 feet to the SE corner of Cemetery and point of beginning to survey Cemetery; thence West 555 feet, thence North 130 feet, thence East 555 feet, thence South 130 feet to point of beginning, containing 1.66/100 acres.

This transfer of Title was ordered by vote of the Little Rock Annual Conference meeting in First Church, Hot Springs, May 24-27, 1964.

We further recommend:

The Conference Board of Trustees recommends the sale of one acre of ground in the form of a square in the Northeast corner of the Southwest Quarter of the Southeast Quarter of Section 31, Township 9 South, Range 23 West, Hempstead County, Arkansas, and the proceeds from the sale be made to the Blevins Methodist Parsonage.

The Little Rock Conference Board of Trustees has had difficulty in getting a complete listing of abandoned Church Property within the bounds of the Little Rock Annual Conference of the Methodist Church. Rev. D. Mouzon Mann, District Superintendent, of the Arkadelphia District has filed with the Board of Trustees a listing of all known abandoned Church Property in that District. Therefore, we continue our request that the District Superintendents supply the Board of Trustees with a complete listing of such properties within the bounds of each District.

W. Braska Savage, Chairman  
O. W. Hoover, Secretary

### BOARD OF EDUCATION

#### Report No. 1

#### Conference Promotion

The Little Rock Conference has long had a good program of Christian Education. It is comprehensive and effective. We shall continue to work along these fundamental lines, striving for greater efficiency and effectiveness; and adding new features as occasions arise.

With a few additions the following have long been among our chief objectives and will continue to command our best efforts:

1. A continuation of the program of seeking to increase the church school membership and attendance, giving special attention to outpost Sunday schools and the organization of new classes.

2. A year-around emphasis on winning persons for Christ and His Church; and carefully training them in the meaning of the Christian life and church membership.

3. We believe that the new Program of Evangelism for Youth is sound so that it will also have our careful consideration and active support.

4. To improve the quality of teaching for all age groups we hope to achieve two objectives: (1) Each local church to have a long range program for discovering, enlisting and training officers and teachers; (2) to have three or more Christian Workers' Schools in each district, these schools to be set up on a sub-district basis with all churches in the area co-operating in planning and promoting the school. Thus we hope to have one or more training opportunities with accredited instructors available for every church and church school worker in the Little Rock Conference.

5. A Conference Camping Committee to study our present camping program with a view of making improvements; and looking especially toward adding Frontier Camping to our present program.

6. Our new literature for children, Christian studies for Methodist Children, has been enthusiastically received by churches large and small. We are now looking forward to and planning for the new literature for youth and for adults which we hope to have by September 1967.

7. Stewardship Emphasis for Children and Youth through the regular channels of our church; and a special study of stewardship at our Junior High Camps at Tanako this summer.

8. A continued and deep concern for the home and for Christian family life, with special emphasis on: the organization of active Family Life Committees; the observance of Children's Day and National Family Week, the promotion of the Young Parent's Study Plan; and with close co-operation between home and church throughout the year.

9. Full co-operation with Area and other Conference agencies in all matters of common interests.

10. We pledge our continued support to our fine Methodist seminaries.

### REPORT OF HISTORICAL SOCIETY

Your Historical Society continues its efforts to secure historical material and file it in our cabinets in Little Rock.

Persons having important documents which should be preserved, and pictures of persons or buildings, should send them to Dr. Roy E. Fawcett, Assistant Custodian, 7423 H Street, Little Rock, Arkansas, for filing in our cabinets.

The Quarterly Magazine **METHODIST HISTORY**, published at Lake Junaluska, Dr. Albea Godbold, editor, is a valuable magazine. Persons interested in Methodist History will enjoy reading it. The price is \$3.00 per year.

A new book, **WILLIAM STEVENSON, Riding Preacher**, by Dr. Walter N. Vernon, recently published is a valuable record of early Methodism in Arkansas. Order from the Publishing House.

Persons having old Annual Conference Journals would do well to send them to Dr. Fawcett. We have calls for these old Journals and can place them to advantage.

We welcome to our Society two new members: Rev. Ralph E. Hale to fill a vacancy, and Dr. Robert E. L. Bearden by virtue of his membership in our Jurisdictional and National Historical Societies.

For the first time in many years we have on display at this Conference some old books, pictures and artifacts of early Methodism. This display was prepared by a Committee of which Rev. Ralph Hale is Chairman.

Special note should be taken of the Bicentennial of American Methodism to be celebrated in Baltimore, Maryland, April 21-24, 1966. Therefore we respectfully request Bishop Galloway to appoint ten (10) delegates to represent this Conference at that celebration.

We recommend the publication in the 1966 Conference Journal a picture of every preacher serving under appointment by the Bishop in the Little Rock Conference. This work to be done under the direction of the Conference Historical Society.

### BOARD OF LAY ACTIVITIES

The Board of Lay Activities has directed its efforts toward a better understanding of those programs concerning Benevolences, Methodist Men and Lay Speaking. Its purpose has been this year to inform better and encourage stronger support and more determined efforts by the Laymen of this conference.

To better advise the Charge Lay Leader of the importance of his office and his role in the program of the Local Church-The Board provided for each charge a copy of the manual "The Charge Lay Leader." The Laymen's Assembly for the Conference was held at Camp Tanako in September. An inspirational program was presented to a near record group in attendance.

Layman's Day was observed as in past years by most of the churches in the conference. A large number of Laymen are filling the pulpits of churches that are served only part time by their pastor.

To increase interest in Methodist Men it was proposed at the February Board meeting that a number of Laymen from each district of the conference be encouraged to attend the National Conference of Methodist Men at Perdue University in July. A bus was chartered and the seats were allocated by districts. All seats have been reserved and reservations completed for a record number of our laymen to attend this conference.

**REPORT OF COMMITTEE ON MEMOIRS**

Your Committee on Memoirs has two primary functions. First, this Committee selects the preacher to bring the Commemoration Message at Annual Conference, and presents this service to the Annual Conference.

We try to select as the preacher, men of the Conference who know the membership of the Conference, and are able to represent the Methodist Ministry.

We also try to select men of preaching ability in order to make this service an outstanding part of our Annual Conference session. In a real sense this is the "key note" service of the Annual Conference. We have had many compliments on our efforts. Our preacher for the 1965 session is Dr. Arthur Terry.

Our second task is to have written a Memoir for every deceased minister, minister's wife, and widow of a preacher. These Memoirs are printed in the Conference Journal.

The Conference Standing Rules state what is to be included in a Memoir: "Date and place of birth, date of admission on trial, to whom married and date, name of children, charges served and place of burial." Follow these instructions and save having a Memoir returned for correction. Three copies of all Memoirs are to be furnished.

Memoirs should be written not later than sixty days after death occurs. Send Memoir to Rev. Robert B. Moore, Jr., Secretary, First Methodist Church, Hope, Arkansas.

Robert B. Moore, Secretary

### **Methodist Headquarters Building Committee Report**

The Little Rock and North Arkansas Annual Conferences, in session in May and June 1964, authorized and empowered the Building Committee for the New Methodist Headquarters Building to proceed with the construction of a Headquarters Building for Arkansas at the corner of University Avenue at 28th Street, Little Rock, Arkansas; the building to be jointly owned and held by the North Arkansas and Little Rock Annual Conferences. The committee was authorized to expend the approximate sum of \$150,000 for such building.

The committee proceeded as instructed and asked for bids through the architect that had previously been employed. However, the bids far exceeded the amount of money authorized by the Annual Conferences and exceeded the ability to pay for the building of an amortization plan without charging excessive rent.

A committee was appointed to work with the architect to see if the cost could be reduced sufficiently to meet the approved funds without reducing the size and appearance of the building to the point where it would be unacceptable. After some time, the architect said he was not able to reduce the cost sufficiently. Then, the committee began to turn in other directions to find a suitable building. It was learned that the Rector Building, owned by Hendrix College, had some space to rent but parking presented a problem. Also, the information was obtained that the First Methodist Church of Little Rock was giving some consideration to erecting a building on their property or remodeling present facilities to rent or lease as a Headquarters Building. These two possibilities, along with the location on University Avenue and 28th Street, are being explored by the committee and they will also consider other possibilities. There are considerations, if they develop, which would make a very desirable headquarters for Arkansas Methodists. We have been assured by the owners of the present building that they are in no hurry to occupy the building.

The committee feels keenly that the selection or erection of a Headquarters Building for Arkansas Methodism is a serious matter and should not be rushed into but all reasonable possibilities should be explored.

The committee has met many times and the expense has been born by each individual, but each one has been glad to bear this expense and has been faithful in attending meetings and trying to provide a Headquarters for Arkansas Methodism that all Methodists would be proud of.

It is the recommendation of the New Headquarters Building Committee that a committee be continued for the purpose of negotiating for or erecting a Headquarters Building and authorize Bishop Paul V. Gallo-way to appoint the personnel of such a committee.

**THE METHODIST PUBLISHING HOUSE**

Would it be possible for our Church to operate without The Methodist Publishing House? Look at this Year's service in addition to meeting our regular publishing needs. There is the new children's literature with demands beyond all former years. There is a Young Reader's Bible, to be out in the fall. From the 1964 General Conference we have already at hand the Discipline, the new Methodist Hymnal to be out by spring 1966, the Book of Worship already available in cloth binding and to be available in de luxe edition in 1966. Any of these is a large task for the private printing business.

This year the sum of \$700,000.00 has again been set aside for the retired minister's Fund, making the total in 25 years \$11,165,000.00.

Would it be too much to expect that in every Methodist Home there be a Bible, a current Discipline, a Hymnal and, or, a Book of Worship, and the family magazine Together?

E. Clifton Rule

**CAMP TANAKO**

During the 1964 camping season 30 different groups, numbering approximately 2500 persons, participated in well-planned programs under the direction of carefully selected, capable leadership. Already the schedule for 1965 is almost filled.

The Camp is planned, and the program set up, to minister to all age groups - children through adults, with activities appropriate for their respective ages. Every care is given to make the camping experience physically safe and morally and spiritually rewarding. The Board is endeavoring to make the entire camping program an increasingly effective force for the developing of Christian character and the training of needed leadership.

We are happy to report that we now have facilities for taking care of approximately two hundred campers at a time; and needed improvements and repairs were made during the year. We still have need for

additional class rooms, especially when weather is inclement; and for additional landscaping for preserving and beautifying the property.

The Little Rock Conference Board of Education has appointed a Conference Camping Committee to study the present camping program with a view of making improvements when possible; and also of looking into the possibility of inaugurating a program of Frontier Camping to supplement our present program of Institutional Camping - if this is found to be advisable.

We recommend the continuation of the financial policy currently followed:

1. From Conference apportionments, \$9,000.00.
2. The privilege of a free-will offering Sunday, April 24, 1966.
3. Encouragement of gifts from individuals and special groups.

We transmit the following nominations to membership on the Board of Trustees, all terms to expire in 1968.

Mrs. Claude E. Haswell to succeed herself; and Reverend Tom Abney to represent the Board of Ministerial Training; Edward B. Hollenbeck, Missions; Mrs. H. L. Kennedy, Womans Society of Christian Service.

Paul R. Fair, Chairman  
W. Neill Hart, Secretary

#### WOMAN'S SOCIETY OF CHRISTIAN SERVICE

Miss Mary Lou Barnwell, a staff member of the National Division of the Board of Missions told this story at Buck Hill Falls in January this year. "A congregation in a certain community wanted to build a new church. The men raised one half of the money — the women raised the rest. They needed a new parsonage — the men raised a little of the money — the women the rest. They needed a new pipe organ. The men raised a little of the money — the women the rest. They all died and went to heaven. The men were put to work — the women got the rest."

It is a fact that formal church leadership in the past has counted on women to raise money in whatever ways they could; to do good works for the entire church; to keep themselves occupied in their organizations and

out of the sessions where the real decisions concerning the church were made. But now we are grateful that the new structural changes in our church and in our Board of Missions recognizes the changing role of women in the world today and more particularly their changing role in the church.

During the transition year through which we have just come, we have tried to acquaint ourselves with some of the changes and prepare ourselves to assume new roles in a new age. We hope and we feel that many of our women have grown spiritually as individuals and that our organization has made progress toward a more relevant relationship to the entire church and to Christ.

We began this 1964-65 year with some challenging and specific goals and honestly worked toward their attainment, but we fell far short on some and gained but little on others. One of the most disappointing aspects is that of membership. Despite the fact that the membership goal of 25% has been reached in only a few places over the entire Woman's Division, this does not make us feel any better when we must report to you a net loss of 78 members, five small societies and one Guild since last May. Our total adult membership as of May 15th this year is 11,838 in 211 societies and 72 guilds. The districts report 540 new Woman's Society members and 120 new Guild members, but this is off set by the losses.

This seems to be a significant statistic from our reports. Of 192 societies reporting, 143 reported that the majority of their members were in the age group between 35 and 55, 45 in the age group over 55 and only 4 in the age group under 35. This shows a "generational gap" in women's groups in the church. We are concerned about where the necessary new leadership will come from. Our Woman's Division leaders are aware of this and have already launched daring and novel plans, the first of which will be taking place in our 1965 Regional and Conference Schools of Christian Mission all over Methodism. These are designed to attract and challenge younger women in our churches — and yes, even unchurched young women leaders in the community to find their places of service to and in the church.

While numbers are still important, membership has taken on a new dimension. We are at the present time engaged in a self-study on the meaning and basis of membership in the Society and Guild, and its relation to motivation for membership cultivation. On May 15th Conference and Conference Guild leaders spent a day of self-study before God realizing that renewal must come to our individual lives if the organization is to challenge other women to respond to God's redemptive purpose. This same type of self-study will be conducted on the district level in the late summer and in the local societies and guilds in October and November.

Our Christian Social Relations emphasis has been directed toward several areas this year. We cooperated throughout the Conference preceding the General Election with the Churches United Against Gambling in working to defeat the legislation which would have permitted legalized casino gambling in Garland County. We have supported and participated in the program of the Christian Civic Foundation in its continuing efforts to educate against the evils of liquor, gambling and salacious literature. The Charter of Racial Policies of the Methodist Church was ratified at our Annual Meeting at Benton in March 1965. It has since been ratified by the Arkadelphia and Hope District at their annual district meetings. Other districts are working toward ratification. This is an important step we have taken. The Conference Secretary of Christian Social Relations is working with Rev. Rodney Shaw and Christian Social Concerns representatives of both Arkansas conferences on our Church's responsibility in the Poverty Program.

There have been most pleasant and rewarding experiences in Christian fellowship as the Wesleyan Service Guild and Woman's Society mem-

bers have planned and worked together on common goals this year. They too, are disappointed at not reaching some of their goals but not discouraged. The Conference Guild lost a beloved member and early leader during the year, Miss Hanna Kelly. A beautiful and fitting memorial is being given to Aldersgate Camp in her memory.

One of the newest and most challenging departures from the former ways of doing our work has been in our Mission Study program. No longer will the women be conducting three or four mission studies just for themselves each year. In the new program a unified approach will be used in the local church with the Commissions on Missions Christian Social Concerns, Education, The Methodist Men, the Wesleyan Service Guild and the Woman's Society all having representatives on a committee to plan and present the Mission Study program in two **churchwide** studies which will be all inclusive studies embodying all the areas of missions that we have formerly studied in separate study units, plus a Bible Study. We are quite excited too about the prospect of having the opportunity as conference and district leaders in Missionary Education in the Woman's Society and the Annual Conference of planning together and receiving our training together for our Missionary Education program. Several Annual Conference and Woman's Society Conference groups are already conducting joint pilot programs of training leaders this summer in their schools of Christian Mission. We want to start our planning early enough next year to include both our groups of leaders and perhaps some of the Commission Chairmen in the local churches. Our School of Christian Mission will be held at Hendrix College this summer for the first time in many years. We are looking forward to meeting in this perfect classroom setting and enjoy the cool comfort of the newly air conditioned facilities Dr. Marshall Steel offers us.

The financial goal for our 25th Anniversary observance is a 25% increase by May 1966, based on the pledge giving of 1962-63. The amount we have remitted to the Woman's Division on pledge for 1964-65 is \$96,584.95 which is an increase of 9.31%. The giving to the Children's Service Fund was \$218.72 and \$2,641.93 was credited at the Division from the MYFund, which makes a total on appropriations of \$99,445.60. The total amount sent to the Division was \$116,469.20 which includes Cash for Supply Askings, Call to Prayer and Self Denial offerings, Division Cultivation and Supplementary Gifts. A part of the supplementary gift from our conference came from a bequest to the Warren Society of \$2,582.80 by the late Mrs. V. O. Buck, who had been a member of that society and a Monticello District officer for many years. The total moneys sent in by the districts was \$125,115.30. They report spent for local church and community work \$47,181.45. The Societies are not required to report their local expenditures, but some do and this much was reported. We are sure that more was spent. We continue to support Miss Helen Wilson as we have in the past and Mrs. Adele Phillips. Miss Wilson is in Bolivia and Mrs. Phillips is at present home on furlough. She went out from our Conference in 1961 as a Special Term Missionary for three years, but she will be returning to the field late this year as a regular missionary. We are very pleased about this.

The most important phase of our work and one which undergirds every thing else we do is Spiritual Life Cultivation, and this cannot be evaluated on a report blank very well. We do know that our Conference, district and local leaders have tried to help us grow in the knowledge and experience of God by providing opportunities such as prayer retreats, quiet days, small prayer groups, encouraging the use of the Prayer Calendar, the new Book of Worship of our Church and good devotional reading along with more Bible study in depth. It is our belief that the Self-study plans that are being made will meet with eager response on the part of many women who are searching for more meaning and purpose for their lives.

## LITTLE ROCK CONFERENCE

This year's Annual Meeting observed our 25th Anniversary in ways that we consider interesting, historical, unique and delightfully entertaining. A careful record has been made of this observance for those who will follow us.

The president would like to express for the Conference Woman's Society and Wesleyan Service Guild our appreciation to Bishop Paul Galloway. Dr. Cecil Culver, the District Superintendents, the ministers in our churches and the various staff people on all levels. You have cooperated with us and encouraged us in our efforts and you have made us feel that we are needed and that our opinions count. As lay women of the Methodist Church we sincerely want to add our witness to yours as we try to work for "One Witness in One World."

MRS. EDGAR F. DIXON, President

4. District Superintendent's Salary, Expense and Utilities: The District Superintendents shall receive an annual salary of \$9,000.00, \$800.00 of which shall be considered as utilities; and \$3,000.00 travel expense, to be used at the discretion of the individual District Superintendent. Both travel and salary to be paid monthly.

The Commission recommends that an amount equal to 10% of all pastors' cash salaries be paid to the District Superintendent's Fund, \$4,000.00 of this fund to be credited to Lydia Patterson Institute, El Paso, Texas, Rio Grande Conference, for capital improvement.

10. If a charge does not otherwise provide for the pastor's utilities, then each charge is requested to designate the cost of parsonage utilities as a part of the assessee's salary thus exempting the cost of the utilities from the income tax claims. It is understood that a designation of a part of salary as utilities for tax purposes only does not exempt this amount from percentage that would be normally levied against it.

11. We recommend that the Commission on Vocations be allowed \$600.00.

12. We emphasize the importance of Christian wills and legacies. Materials for promotion may be ordered from the Department of Wills, Bequests and Gifts of the Council on World Service and Finance, 1200 Davis Street, Evanston, Illinois.

We further approve the raising on a voluntary basis as Advance Specials \$7,200.00 for a parsonage in the Oklahoma Indian Mission and \$10,000.00 for special work in South Chile.

14. We recommend that, in accordance with a request from the Western Methodist Assembly, an amount not less than \$10.00 per charge be paid this year for the needed building and improvement of the Western Methodist Assembly.

15. We recommend that the Little Rock Conference pay an amount equal to an amount paid through World Service and Finance Commission of the North Arkansas Conference to the support of the Chaplain at Booneville Sanitorium.

16. We recommend that the Conference raise \$85,297.00 for its work of Higher Education at Hendrix College; this amount to be apportioned to the Districts and that the District Superintendents and District Stewards make the apportionment to the churches of the District according to their best judgment.

17. We recommend that the apportionment set for Wesley Foundation Operational Fund be on the basis of fifty cents per member.

18. We recommend an extension of one year on the program of Capital Improvement of Wesley Foundation to those churches not having reached their goal.

19. At the suggestion of the Board of Education, we recommend the fourth Sunday in September as Church School Day, and authorize the Church School Day Askings to be \$9,000.00, and urge all our churches to raise their quotas to meet this need.

20. We urge our churches to continue their support of Camp Tanako. Concurring with the request from the Camp Board we are urging all churches either to include the Camp program in their annual financial budget, or to make the fourth Sunday of April as Camp Sunday, at which time a free-will offering may be made for this project.

21. We recommend the first Sunday in December (Commitment Sunday) as Christian Civic Foundation Day, and authorize a Christian Civic Foundation of Arkansas, Inc., offering of \$7,500.00 and urge all our churches to cooperate. 25. We give our endorsement to the plans of the Television, Radio and Film Commission to go before the districts to promote the TRAFCO fund, working toward 10c per member for this fund, and we give our approval to a special offering for TRAFCO on the fourth Sunday in October.

26. Your Commission recommends that all surplus funds not under any Board or Commission of the Annual Conference be subject to the direction of the Commission on World Service and Finance.

27. We authorize the Treasurer to cooperate with the First Methodist Church, Hot Springs, Arkansas, and to pay the proper official of said church any deficit in Conference entertainment expense following the submission of a financial statement to the Treasurer.

28. We respectfully request the Bishop to appoint a committee to study the interboard structure for conference administration. Said committee to cooperate with a similar committee from the North Arkansas Conference to study a joint interboard structure for conference administration of Arkansas Methodism.

## AUDIT REPORT

May 31, 1965

220 Adkins Building  
 Little Rock, Arkansas  
 June 30, 1965

World Service and Finance Commission  
 Little Rock Conference of the Methodist Church  
 1723 Broadway

Little Rock, Arkansas  
 Gentlemen:

The attached statements present cash receipts and disbursements for the period June 1, 1964 through May 31, 1965.

My examination of the treasurer's records was made in accordance with generally accepted auditing standards and included such tests and checks as I considered necessary in the circumstances including verification by correspondence with depositories and physical inspection of notes and other assets. Cash receipts were traced into the bank accounts and were examined as to credit in the proper amounts into the proper funds. Cash disbursements were verified against canceled checks and a test check of authorized requisitions.

My examination did not extend to the Board of Pensions Distribution Fund at Evanston, Illinois. At all times there is a balance in this account which is not reflected on the books of the Little Rock Conference Treasurer, and this balance is not reflected in this audit report. The Little Rock treasurer sends funds to Evanston ahead of time for payment of pensions.

It is my opinion that the accompanying statements present fairly the results of cash operations under the control of Grafton Thomas, treasurer for the period June 1, 1964 through May 31, 1965, and that funds and investments are on hand (Board of Pensions Distribution Fund excepted) at May 31, 1965 as stated in the exhibits.

Respectfully submitted,  
 E. Eugene Mapes  
 Certified Public Accountant

**Memoirs****GUY CHETWOOD AMES**

Guy Chetwood Ames, son of General Beaugard and Frances Elizabeth Ames, was born in Hempstead County, Arkansas, September 6, 1898. Before the Civil War, his father, an Ohioan, had married an Alabama girl. When the War started, his wife was with her parents in Alabama. There he joined her and they moved to Hempstead County.

As a young man, Guy Chetwood Ames joined the U.S. Navy. As a sailor, he saw much of the world. He was in active service during World War I and afterwards received his honorable discharge.

In the Methodist Church at Antoine, Arkansas, July 2, 1921 he married Lillie Belle Davis, daughter of the late Rev. W. J. Davis and Martha Carrie Davis. The late Rev. Jesse Galloway officiated at the ceremony. For many years, Mrs. Ames' father was a member of the Little Rock Conference and at that time was pastor at Delight.

Of that marriage, three children were born, namely: Rev. Guy C. Ames, Jr., now pastor of Asbury Methodist Church, Oklahoma City, Oklahoma; Rev. G. B. Ames, now pastor of the First Methodist Church, Morrilton, Arkansas; and Mrs. Irma Ames Velchoff, El Dorado, Arkansas.

After an unusual experience in the spiritual presence of God through Christ in whom he so devoutly believed, Guy Chetwood Ames was called into the ministry of the Methodist Church. In 1922 he was admitted on trial in the Little Rock Conference. From that time until he retired in June, 1963, at its annual Conference in Hot Springs, Arkansas, he was a zealous and dedicated servant of his Lord.

Shortly after his admission, he was transferred to the Oklahoma Conference. In that state he served many churches with distinction. In 1938 he was transferred back to the North Arkansas Conference, where he held pastorates in the First Methodist Churches at Clarksville, Paragould and Newport. In 1954 he was returned to the Little Rock Conference and assigned to Highland Methodist Church, Little Rock. His last pastorates were in Warren, Hamburg and Lake Village.

After his retirement, Bro. Ames chose Lake Village, Arkansas, for his residence. At that time he was ill and thereafter suffered much until his death on July 7, 1964, in Union Memorial Hospital at El Dorado, Arkansas. On July 9, 1964, he was buried there in Arlington Cemetery. His funeral services were conducted in the First Methodist Church, El Dorado, by its pastor, the Rev. C. Ray Hozendorf. The Rev. Joel Cooper, pastor of Winfield Methodist Church, Little Rock, assisted.

He was survived by his wife, three children and ten grandchildren; also, by a brother, W. D. Ames, Santa Rosa, Texas, and two sisters, Mrs. Ruth Ames Bryant of Camden and Mrs. Mattie Lee Ames Luce, then teaching in Africa.

The pattern of the life of a man creates in others an image of him by his appearance, his conduct, his words and his actions.

"Brother Guy," as he liked to be called, was physically attractive and dressed immaculately. He was courageous, individualistic and realistic. His personality radiated an aura of magnificence. His candor, sincerity and compassion were distinctive. He loved people.

He had that rare talent of sensing the needs of his fellowmen. To the weak and heavy laden, he was given to extend his hand. Whether their needs were financial, physical or spiritual, sacrificially and without regard to personal loss, he shared of that which he had without regard to age, race, creed or color. In addition, he always gave to them the key "that unlocks the door into the Kingdom of God." Because Guy Chetwood Ames put his hands on the shoulders of so many "in a friendly sort of way" as his Lord and Master had done, thousands whom he met along the way in the forty years of his Christian Ministry will long mourn his loss and look to join him someday in that happy Eternal Land of Tomorrow.

### T. P. CLARK

The Reverend Thomas Powell Clark was born July 2, 1867, at Calico Rock, Ark. He departed this life December 23, 1964. He retired from the Little Rock Conference in 1924 because of ill health and the last eight years he had been bed fast.

He attended McCouley Teachers at Madisonville, Ky. and Marvin College at Clinton, Ky. He did graduate work at the University of Chicago. He was admitted into the Memphis Conference in 1892. He served Churches in Slater and Murray, Ky. and in Lexington and Friendship, Tenn. He transferred to the Little Rock Conference in 1904 and served Churches at Stamps, Stuttgart, Lake Village, England, DeValls Bluff, Hazen, Wilmar, Hamburg, and Foreman.

He was married in 1891 to Elizabeth Olivia Boyett, who preceded him in death in 1959. The children that survive him are Rev. W. J. Clark of DeSota, Mo., W. B. Clark of Wilmar, Ark., and Thomas P. Clark of Washington, D. C., Mrs. G. B. Cotner of Tulsa, Okla., Mrs. A. L. McCutcheon of Benton, Ark., and Mrs. Ruby Boydston of Conway,

Ark., in whose home he spent the last years of his life.

Bro. Clark lived and did his work in a time when the Church needed an apologist. Bro. Clark prepared himself for this task and was known as the best in this field.

His funeral was conducted in the Wesley Memorial Methodist Church in Conway, Ark. by his lifelong friend, Rev. A. H. DuLaney and assisted by the writer. His body was placed beside his wife in the Oak Grove Cemetery in Conway, Arkansas.

### WILLIAM H. SANDERS

William H. Sanders, the son of Mr. & Mrs. Charles Wesley Sanders, was born April 12, 1896, in Jefferson County, Ohio.

He was educated in Ohio Wesleyan College, from which institution he received the D.D. Degree in later years.

He was licensed to preach in 1921, and Admitted On Trial in the Kentucky Conference in 1922. He was Admitted into Full Connection and Ordained Deacon in 1925. Ordained Elder in 1927.

He transferred to the Little Rock Conference 1954 and served the following charges: Douglassville 1954, '55 and '56; Good Faith 1957; Hampton 1958; Eudora 1959; Delight 1960. He led in building a beautiful parsonage at Hampton, and in the building of a beautiful church at Delight.

He retired in 1961 and he and his wife re-

turned to Louisville, Ky., to live.

He was married to Miss Ada Hughes in the Spring of 1917.<sup>1</sup> To this union was born one daughter, Mrs. Peggy Newsom, of Riverside, California, who survives him.

His wife died June 14, 1963. He came back to Arkansas in the summer of 1964 and made his home in Little Rock.

He is also survived by a brother, Rev. Sanders, of Florida.

He is also survived by one sister, Mrs. C. W. Adams, of Louisville, Kentucky, and two grandchildren Joanne and Suzanne Newsome.

He died February 27, 1965, and the body was carried back to Louisville, Kentucky, and laid to rest in Evergreen Cemetery by that of his first wife.

Brother Sanders was a good man, a faithful Methodist preacher, serving wherever he was sent. He and his first wife visited in our home several times and we came to love them. Now they are together in that home prepared for those who love the Lord Jesus Christ.

### ALENZO N. STONECIPHER

Reverend Alenzo N. Stonecipher was born January 21, 1885, at Marion, Arkansas, and went to be with his Master on August 13, 1964. He died at a nursing home in El Dorado, Arkansas.

When we think of the life of Brother Stonecipher, we cannot but help think of an incident in the life of the Master, when a woman touched the hem of his garment and was made whole. Jesus turned aside from His major assignment that day and ministered to this woman's needs. The picture of Jesus is incomplete without the tender-gentle overflow ministry of his life. This was certainly true of Brother Stonecipher. The overflow ministry of his life was a beautiful and rewarding service. He was always turning aside to help those who were in need.

He was admitted into the Methodist Conference in 1910, and was ordained Elder and came into full connection in 1913. For thirty eight years he served in the Methodist Church and witnessed many souls born into the Kingdom of God. I have

heard many people say that it was Brother Stonecipher who baptized them and received them into the church. He lived a most unselfish and beautiful life. Someone said, "When he prayed in church, something happened to peoples hearts."

After his retirement in 1948, he made his home in Magnolia, Arkansas. He still loved and had a concern for people and would visit them in the hospital and on the street. We feel that he was a great man because he fit so beautifully the words of the Master when he said, "He that is greatest among you, let him be the servant of them all."

I don't think I am exaggerating when I say that everybody who knew Brother Stonecipher, loved him. He was so gentle and kind and had such faith that to be with him you felt that you had been with God.

He is survived by two daughters: Mrs. Freeman Spencer of Pecos, Texas, and Mrs. Carylton Hamilton of Haynesville, La.; two sons: Tyra of Magnolia, Arkansas and Dale of St. Petersburg, Florida; two sisters: Mrs. C. E. Dillard of Murfreesboro, Arkansas, and Mrs. Fuller Bond of Haynesville, La.; two brothers: Earl of Haynesville, La., and Litrel of Fayetteville, Arkansas; seven grand children and one great grand child.

We thank God for men like Brother Stonecipher, and we believe that our world is a better place to live in because he came our way.

His funeral service was conducted, by the writer, in the Jackson Street Methodist Church, Magnolia, Arkansas, August 15, 1964, and burial was in the City Cemetery.

#### REV. EARL DEVASIER

Rev. Earl DeVasier was born July 30, 1929. He was a veteran of World War II. He was married to Maxine Tollett in 1947 and to this union was added 3 sons, Billie, Hollis, and Danny; also one daughter, Precia Ann. He entered the ministry in the Methodist Church, and became an Approved Supply pastor. He was assigned to Bingen Charge in 1960 and served it one year then was assigned to Horatio in 1961-62-63. He died at Prothro in Sevier County August 22, 1964. His funeral was conducted by Rev. J. R. Callicott of Locksburg and was buried in the cemetery at Greens Chapel Church near Dierks, Arkansas.

He is survived by his wife, his four children, and his mother.

#### MRS. P. D. ALSTON

During the winter the gates of the world beyond opened wide and another of God's children stepped out of the earthly line of pilgrimage and entered to wait beside the open door of days for loved ones, left behind for a little while.

It was my privilege to know the Alstons many years. Mrs. Alston and "Pete" were members of Vantrease Memorial when I first went on the Camden District. Brother Alston was a foreman at Root Refinery. However, I soon found that their deepest interest and concern was for Christ and the work of the Church. They had come in a little late and wanted to make up for lost years.

Mrs. Alston presided over a home where hospitality was ever warm and generous. She was delighted when friends were about.

In 1935 Brother Alston was licensed a local preacher. Soon his restless desire to give all he had led him to offer the annual conference his full time service. There was sacrifice involved and Mrs. Alston faced the sacrifice involved without a question. "Pete's" work was her work. During the itinerant years she was faithfully by his side. When ill health forced retirement she cared for him with unfailing love and devotion.

How do you measure a life. If by faith, by deep devotion, by unstinted love, by the full measured offering of all one's best where God calls then Cynthia Lee, daughter of Mr. and Mrs. Faulks, wife of P. D. Alston, lived a good and full life.

And in that faith by which she and her mate served those left behind wait with confidence the time when

"Heaven's morning breaks."

#### MRS. LUCY (HOGUE) BRYANT

One of the sweetest spirits, and most dedicated Christians, it has been my privilege to know was the late Mrs. Lucy (Hogue) Bryant of Springhill, Louisiana. Mrs. Bryant was born February 10, 1896. She "was a member of the Valley Methodist Church in Drew County (Arkansas) where she was reared." She was married the first time to the Reverend E. L. Hogue November 14, 1914. Mr. Hogue joined the Arkansas Conference of the former M. P. Church in November 1914, a few days before his marriage to the former Miss Lucy Mae White.

Brother Hogue as an undergraduate (Accepted Supply) did some mission work, and completed the Conference Course of Study, and was ordained an Elder November 12, 1922.

"Miss Lucy" as she was known to many of her close friends, faithfully stood by her husband, prayed for him, and gladly shared with him the hard ships and sacrifices a minister and his family often knew in those earlier days of the Methodist ministry. From 1922 until Brother Hogue's death in 1936 she served with him the following charges: Prescott Circuit, Oak Grove Circuit (near Stamps, Arkansas) Ebenezer Circuit, Village, Arkansas, and the charges of Emerson, Arkansas, and Leonard, Arkansas.

Mrs. Hogue was married to John T. Bryant in October 1943, and lived at Centerville, Iowa until Mr. Bryant's death in 1953. Then she moved to Springhill, Louisiana and lived until her passing with her daughter, Miss Elinor Hogue.

Due to convenience Mrs. Bryant attended the services of the Nazarene Church after moving to Springhill, and taught a young peoples Sunday School class as long as her health would permit her to do so.

Mrs. Bryant passed away the latter part of January 1965. The following is in part her obituary as it appeared in a newspaper published at Wilmar, Arkansas. "Funeral services for Mrs. Lucy Mae Bryant, age 68, who died Jan. 31, were held Monday Feb. 1, at 2 p.m. at Bailey Mortuary Chapel at Springhill, La., by the Rev. G. M. Akin, Rev. Adrin Jordan and Rev. W. O. Tisdale. Burial was in the Welcome Cemetery near Springhill.

Survivors include another daughter, Mrs. Lois Wilson of Coquille, Ore., a son, Donald Hogue, also of Coquille; a brother, Rev. Arthur White of Fountain Hill; four stepsons, Curtis Bryant and LaVern Bryant of Centerville, Iowa, Virgil Bryant of Moline, Ill., and Earl Bryant of Peru; six grandchildren, and 10 great grandchildren, and 9 step-grandchildren."

W. O. Tisdale

#### MRS. MARION W. MILLER

Willie Eunice (Caple) Miller was born at Sardis, Saline County, on July 13, 1895, the daughter of John and Frances (Buzbee) Caple. On January 12, 1925 she married Marion W. Miller and served as a minister's wife in the Little Rock Conference for thirty nine years. Married the first year her husband entered the ministry she served with him the following charges: Carlisle Circuit; Forrest Park (now St. Paul); Des Arc; Dumas; Church Carlisle; First Church McGehee; First Church Hamburg; Fairview in Camden and Vantrease, El Dorado.

Mrs. Miller was a diligent student, effective teacher and a faithful worker in every church which her husband served. She was active in the Woman's Society of Christian Service and in every phase of the work of the church. Her specialty, however, was children's work. She was one of the first in the Little Rock Conference to receive the coveted "Blue Seal Diploma" for teacher training. For ten years she served as Director of Children's Work in the Monticello District; and she was either a division or a department superintendent in the children's division on practically every church her husband served. At the time of her death she was the Conference Secretary of Children's Work for the Womans' Society of Christian Service; and had just accepted the position of District Director of Children's Work for the Camden District.

Working with children she ever kept the inquisitive mind, the buoyant spirit and the bright optimism of a child — about whom we recall Jesus said, "Of such is the kingdom of heaven." She was ever growing and learning. When asked about retirement she would always say, "There is no time to quit in the Lord's work — and who wants to dry up anyway?"

The work of the Lord came first with her, but next to her Church the chief interest of her life was her home. She was a loving wife and helpmate, sharing all the cares and responsibilities of the ministry with her husband. She was also a devoted and wise mother and grandmother; and a very effective homemaker.

She loved flowers and won many awards for her flower arrangements. Two of these appeared in the 1964 and the 1965 Engagement Calendar of the Arkansas Federation of Garden Clubs.

After thirty nine years as the wife of a Methodist minister and a devoted worker for her Lord, Mrs. Miller died in the Warner-Brown Hospital in El Dorado on November 3, 1964 of a coronary thrombosis. Funeral services were held in the Vantrease Memorial Methodist Church on November 4, 1964. The service was in charge of the Reverend Marshall A. Bridwell, District Superintendent of the Camden District, assisted by the Reverend I. L. Claud and the Reverend John P. Miles. Interment was in Roselawn Memorial Park in Little Rock, Arkansas.

Mrs. Miller is survived by her husband, the Reverend Marion W. Miller of El Dorado, Arkansas; one daughter, Mrs. Carl E. Barnes of Camden, Arkansas; three grand-children; two sisters, Mrs. Roy Pettus of Bauxite and Mrs. Mack O. Kellet of North Little Rock; one brother, Jim Caple of Boise, Idaho.

"A good wife who can find? She is far more precious than jewels. The heart of her husband trusts in her, and he will have no lack of gain. She doeth him good, and not harm, all the days of her life." (Proverbs 31:10-12)

With these words the inspired writer describes God's ideal woman. Many minister's wives, perhaps, meet this high standard set for womanhood, but certainly none better than Mrs. Marion W. Miller.

#### MRS. MARY VIOLA SMALL

Her children rise up and call her blessed; her husband also, and he praises her: Many women have done exceedingly, but thou surpasses them all." Proverbs 31:28,219.

I have known Mrs. W. I. Small, (Mary Viola) as the queen of the parsonage, quiet, sincere and industrious. A good mother and a wife dedicated to her husband's calling. She preached sermons in the communities they served by making the parsonage, a home for her children and a haven for her husband. She was unpretentious yet her influence was felt and appreciated. She was loved by many friends she had made and her family. On this particular trip back to Arkansas, after visiting their family, she and her husband had stayed over night with a family at Columbus, before leaving early the morning of February 17, 1965, when they met with the traffic accident at Fulton, Arkansas, that brought her untimely death and seriously injured her husband. Her contribution to the Kingdom is not written in books, but in the hearts of many people.

She was born November 4, 1889, in Arkansas. Age 66.

Services were held at Herndon-Cornelius Funeral Home, at Hope, Arkansas, by the writer, assisted by the Rev. Joe T. Jones, and Rev. John Miles. Burial was in Tuson, Arizona. South Lawn cemetery. She is survived by her husband, Walter Irvin Small; two sons, Chester A. Small, Russellville, Arkansas; Bryan T. Small, Mountain View, California; two daughters, Mrs. Lucille Yates, Tuson, and Mrs. Bernice Hiderman, Encinitas, California.

God bless her family and friends.

## VIII. Roll of Dead, Deceased Ministerial Members

The Little Rock Conference of the Methodist Episcopal Church, South, the Arkansas Conference of the Methodist Protestant Church, and the Little Rock Conference of The Methodist Church. ### COMMITTEE ON RESOLUTIONS

We, the Little Rock Annual Conference in its 112th session, wish to express our deep appreciation to the First Methodist Church and to the fine people of Hot Springs who have contributed so much toward making this session a joyful experience. Our days here have been physically comfortable, spiritually enriching and challenging.

We are indebted to First Methodist Church for the use of all its facilities. This year the addition of the new educational wing and parking area has facilitated extraordinary convenience.

To Dr. Fred R. Harrison, host pastor, and Mrs. Harry P. Bischof and their staff of able assistants, we owe a debt of special gratitude. The office staff has been most helpful and efficient in providing for the secretarial needs of the conference. In spite of the fact that the building and facilities have been in almost constant use they have always been clean and orderly. For this we give special thanks to Mr. George Guyton, church custodian.

As in the past the altar appointments have added greatly to worshipful atmosphere of the sanctuary. The continued service of Mrs. Blanche Martin in providing the floral arrangements is greatly appreciated.

Mr. Clare Clark, head usher, is to be commended for the way he and his staff of ushers have assisted at the business sessions and in the worship services.

Throughout the conference the music has added much to our worship and pleasure. Our thanks go to Mrs. J. D. Baker, and Mr. Bob Ellis for their able ministry at the organ, and to the Rev. O. D. Peters for his helpful direction of the congregational singing.

Outstanding special music has been presented by the Grand Avenue, Oaklawn, and First Methodist Church choirs, the Hot Springs Choral Club under the direction of Mrs. Elizabeth Bowe Sims and by Mrs. Gerald Fisher soloist. A special word of thanks is extended to Cokesbury for making available the sampler of the new Methodist Hymnal.

Grateful appreciation is expressed to those who have led us in such a wonderful way in the worship services. Dr. Ernest A. Dixon, President of Philander Smith College, who challenged us to recapture the meaning of Aldersgate for our lives today and to Dr. Arthur Terry for his stirring commemoration message.

We are truly grateful to Bishop Paul Neff Garber for his interesting, moving portrayal of our Methodist history and his inspiring challenge to live our lives in the light of this heritage.

We want to express a special word of thanks to the state and local press and especially our own Arkansas Methodist and Methodist Information for their accurate and complete coverage of the conference.

It was a rare privilege and pleasure to have three Bishops of The Methodist Church, Bishop Paul V. Galloway, Bishop William C. Martin, and Bishop Paul N. Garber, to preside over the business sessions of the Annual Conference.

The entire conference has appreciated the leadership of our beloved Bishop Paul V. Galloway. His able administration, his clear decision, and his personal wit and humor have added real warmth to the proceedings of the conference. We are indeed grateful and count ourselves extremely fortunate in having Bishop and Mrs. Galloway for our episcopal leaders. We look forward to continued guidance and inspiration under their capable leadership.

We are thankful to God for the inspiration of Holy Spirit and Chris-

## RESOLUTION

WHEREAS, it has been reported in the state press that Representative Milt Earnhart of Sebastian County has suggested as "food for thought" a state controlled lottery as a means of raising additional revenues;

AND, WHEREAS, Senator Q. Byrum Hurst has also suggested through a statement reported by a state newspaper that the Special Session of the Arkansas State Legislature should consider and enact legislation making it legal in the State of Arkansas to sell and serve all alcoholic beverages by the drink;

BE IT THEREFORE RESOLVED that the Little Rock Annual Conference of The Methodist Church in session at First Methodist Church in Hot Springs does hereby appeal to the legislators of the State of Arkansas now in session at the State Capitol in Little Rock to resist any and all attempts to enact such legislation.
