VI. Reports

District Superintendent's Report To Annual Conference

The Cabinet, imperfect servants of Jesus Christ, appointed to be superintendents responsible for overseeing the total ministry of the church, greet you with Grace and Peace in the Name of the Father, Son, and Holy Spirit.

We have sought diligently to carry out the specific responsibilities assigned to us by the Discipline. "We confess that we have left undone those things which we ought to have done, and we have done those things which we ought not to have done," but God in His Mercy continues to work in and through us to do His Will.

We have carefully endeavored to be in the consultative process in all appointments. All have much to learn in this new way of working with pastors and churches. We affirm the emphasis in the Discipline that this process shall in no way diminish the authority and responsibility of the Bishop in making and fixing all appointments. We believe that the morale of all will be greatly improved, when pastors and churches perceive that we truly seek to be fair in each situation, and strive for the good of the whole church.

This is an exciting and challenging time to be in ministry in Arkansas. We are experiencing a growing sense of trust and cooperation between the Cabinets of the two Conferences and among the Staff across the Area. The spirit of cooperation that reaches out to include every church, regardless of size, is helping to bring new life and work in a growing number of churches grouped together for service and praise.

We are thankful for the continued support of the Missional Priority, Developing and Strengthening the Ethnic Minority Local Church. Some progress has been made in program, in recruitment, and training of leadership. It is said, however, that we have yet to so put on Christ as to experience that life of faith in which there is neither Jew nor Greek, slave nor free, male nor female. We pledge steadfast leadership to move closer to this scriptural goal.

We have faced, together, the challenge and problem represented by hunger throughout the world. In cooperation with other denominations, we have received a generous ingathering of food, clothing, animals and money. This is one of the largest events of its nature in the nation, and yet it is but a small sign pointing to the magnitude and complexity of this worldwide need. We must hear again the words of Jesus spoken in the context of judgment, "In as much as you have done it unto the least of these my brethren, you have done it unto me."

Bishop Hicks has acted with courage and wisdom in calling our attention to the growing threat of nuclear war. Surely, we must do all in our power to work the works of peace. We dare not be contributors to a holocaust offering up the whole family of God on the altars of idols.

We commend our Bishop, and other religious leaders in our area, in their efforts to uphold the principle of the separation of Church and State. These efforts point up the renewed concern of our people about the relationships between religion and science, faith and reason, church and politics, individual and community. This concern is reflected by the interest of our people for serious study of the Bible. We have a great opportunity to teach and preach the Word of God. There is, however, a long-standing gap in our approach to, and our understanding of, Scripture. We must not shy away from the challenge this gap represents. History suggests that renewal of the church is tied directly to serious study of the Bible. The gaps must be exposed and bridged if our efforts are to bear fruit and if we are to know the Truth that sets us free.

We are beginning to see the limits of reason and technology. We are frightened by what we are capable of doing to ourselves and others. The idols of our modern era are crumbling. Self confidence is being replaced with fear and hate. Our people are as sheep without a shepherd. Surely, we who know the Good Shepherd, must make Him manifest in this time of desperate need.

We give God thanks for being alive in this time of great opportunity. The remainder of this Century contains enough challenge to call forth the deepest faith, the highest commitment,

and the most ardent work, of any time in Christian History. We are, of all people, most to be pitied if we close our eyes and fold our hands, or even worse, if we fix our eyes on small matters and piddle with insignificant tasks.

We might ask with those of old, "Who sinned that these things have come? They have come that God might manifest Himself in our midst." God makes His Grace, Peace, Mercy, Love, palpable, feelable, believable, as the open palm of your hand. These challenges have come that God might make Himself known to us in Jesus Christ, who became like us, that we might become like Him.

Thanks be to God for all those children, youth, and adults who, as United Methodists, (i.e. Christians in earnest) make Christ manifest by sharing in the total ministry of the People of God within the community of faith and in the world.

Thanks be to God for those in the specialized ministry of Word, Sacrament, and Order.

Thanks be to God for those who are set aside to guide us in the fulfillment of our ministry of service to others.

May the Grace of God enable us to make Him manifest in the midst of the challenges of our time. "Thy Kingdom Come, Thy will be done on earth as it is in Heaven." Amen.

Conference Council On Ministries

February 24-25, 1982

Purpose Statement:

The purpose of the Little Rock Conference, the churches and institutions related to the United Methodist Church within the Conference shall be:

1. To communicate the Gospel with the intention of nurturing personal commitment to Jesus Christ and related Christian values.
2. To develop support systems and structures which will contribute to the enrichment of life-in-relationship with God, neighbor, family, environment, society, and one's self.
3. To enable United Methodist Christians to join with others in alleviating human need in ways which lead to self-development and personal achievement.

To assist the fellowship of people called United Methodists in achieving our purpose, we understand our function as a conference to serve:

1. as **Partners** with the local churches in discovering, interpreting, and proclaiming the gospel of Jesus-Christ; serving as the body of Christ; and performing the mission of Christ in His World.
2. as **Partners** with districts, South Central Jurisdiction, and General Church in offering approaches which will enable the identification and implementation of forms of ministries which offer hope and encouragement for the present and future.
3. as **Partners** with other communions in offering approaches which will enable the identification and implementation of forms of ministries which offer hope and encouragement for the present and future.

Priority — Ethnic Minority Local Church

Purpose:

The purpose of the Little Rock Conference Committee on the Ethnic Minority Local Church is to coordinate the involvement of the Conference in the Missional Priority, "Developing and Strengthening the Ethnic Minority Local Church."

Goal Statements:

1. Recruitment and retention of trained ethnic clergy.
2. To strengthen the ethnic church through support of Philander Smith College.
3. Developing and strengthening stewardship in the ethnic local church.
4. To assist local churches in responding to the missional priority.
5. To work closely with DCOM's in their implementation of the missional priority.

1983 Program Objectives:

1. To provide salary supplementation in two areas where there is promise for the strengthening of the local church with trained ethnic clergy leadership. It is important that such persons be in residence and full-time. Budget: \$8,000. (two \$4,000 supplements or as best addresses the goal)
2. To provide \$500 in scholarship aid at Philander Smith College each semester. Priority for this aid will be United Methodist ethnic students, who are enrolled as full-time students. Budget: \$1,000.
3. To provide an area-wide training program on stewardship for the ethnic local church which is designed to enhance the understanding and nature of Christian stewardship. This is designed as a year long program. Budget: \$1,000.
4. To provide leadership from the EMLC Committee to do interpretive events and staff the EMLC section of the District "My Job" Workshops. Budget: \$250.
5. To provide the vital link between the Conference EMLC Committee and the DCOM's, we are proposing that one member of the EMLC Committee from each district sit ex officio on the DCOM to assist in the district implementation of this missional priority. Budget: \$250.

Total Budget: \$10,500.00

All of the aforementioned budget comes from the apportioned fund for the missional priority of which the conference retains 30%. This budget assumes a payout rate of about 90% for the conference.

Theresa Hoover United Methodist Church

Report to the Little Rock Annual Conference — 1982

"For whosoever shall do the will of my Father, which is in heaven, the same is my brother, and sister, and mother." Matthew 12:50

Obviously, someone understood what that passage of scripture meant, because the Theresa Hoover United Methodist Church in Little Rock is in existence today.

In 1974, the Little Rock District Superintendent began a study of changing communities in the District. The study data proved positive in the establishment of a new ministry in the Highland area, which was being vacated by a United Methodist church that at one time had 1,214 members.

At the 1979 Annual Conference, Harry Bass moved that the conference bless the efforts to establish a black Methodist Church in Little Rock. He withdrew the motion. Tom Adkinson supported the idea. John Hays said Highland was considering an offer of \$200,000. Negail Riley suggested that the issue be referred to the Council Board of Global Ministries. Charles Ashcraft moved that the conference authorize the Board of Trustees to purchase Highland Church and mortgage the property to hold for the conference until the Board of Global Ministries had an opportunity to develop its use and this was referred to the Council on Finance and Administration. The CFA reported, "We accept the recommendation of Charles Ashcraft and move that it be referred to the Conference Board of Trustees. Further, we suggest that the Board of Trustees consult with the Conference Board of Global Ministries, the Little Rock District Board of Missions, and the Ethnic Minority Local Church Task Force regarding procedures. We also move that the Special Church Extension Fund be increased in the amount of \$21,000 and receipts be directed to the Conference Board of Trustees for payment of interest on mortgage." Charles Ashcraft moved the Board appoint a study group to study the procedures for handling churches in transition and report back to the Annual Conference. This was carried. I refer you to the 1979 Annual Conference Journal, Page 68.

The 1980 report of the Council on Finance and Administration approved the necessary funds for the Highland project. Thirty-eight thousand, six hundred fifty dollars (38,650) was apportioned. Ray Bagely moved that the capital campaign of \$200,000 for former Highland Church Property be approved. Following discussion, vote by secret ballot was 164 — YES; 36 — NO. John B. Hays moved, "That the Trustees of the Little Rock Annual Conference be and are hereby authorized to enter into a loan agreement for the financing of the property

owned by the Annual Conference at the most favorable terms and interest rates available. "Further, that any two officers of the Board of Trustees shall be authorized to sign any mortgage and other legal documents necessary to complete the loan." This was passed. I refer you to the 1980 Annual Conference Journal, Pages 62 and 101. The Little Rock Conference was letting other conferences see that they were serious about meeting the general church's emphasis on strengthening and developing ethnic minority congregations. This ministry was also to have an active out-reach ministry focus.

William Robinson, Jr. was appointed to lead in the new black congregational development. The church's emphasis was to be on effective evangelism, outreach ministry program development and lay leadership growth. Although the doors of the church were not opened for service until August 10, 1980, William Robinson recognized the need to begin immediately developing and witnessing. Music is a vital part of any church and especially in the black church. It draws people into the church who would otherwise be hesitant. A choir was established focusing in on a broad range of musical selections from the Gothic chants to the modern day Gospel and Contemporary Music. Flyers were passed out in the community letting the community know that a community serving church was opened for service.

The doors of the church were opened officially on August 10, 1980. Approximately fifteen (15) persons showed up for that first service and were challenged to go forth in Jesus' name. The church was renamed Theresa Hoover United Methodist Church in honor of the Associate General Secretary of the Women's Division, a native of Fayetteville, Arkansas. Bishop Kenneth Hicks delivered the chartering address to the first black church to be organized in the Little Rock Conference in the last thirty-five years on December 21, 1980, with twenty-seven members.

The Children's and Sanctuary choir began growing as the church began to take on its call to be in ministry to the community as set forth by the annual conference. United Methodist Youth, United Methodist Men, United Methodist Women, Church School, a working Administrative Council, an Evangelism Team with the aid of R. B. Brown, an active outreach ministry, lay leadership, all began touching the surrounding community and larger community until people began to sit up and say, "there's a church on 13th and Cedar who realizes what the gospel of Jesus Christ means." Articles on the church's ministry have appeared in several Methodist publications nationally, and a representative from the General Council on Ministries has visited the Hoover church, which was one of the churches across the nation selected for surveying as a model for types of assistance needed in new black congregational development versus white congregations.

Requests began pouring into the church, from as far away as Hot Springs First Church, asking, "what can I do to help and support your ministry?" The facilities were quickly being used for a ministry to the community. Those ministries include the following:

BLACK COMMUNITY DEVELOPER'S PROGRAM, this program is one of the missional programs of the General Board of Global Ministries. It allows an individual to be a liaison between the local church and community. Responsibilities include designing programs for the community that brings about a level of positive self-imagery, fighting some of the atrocities that affect our community, and witnessing or evangelizing in the name of Jesus Christ for the Methodist Church.

FOOD AND CLOTHING MINISTRY, this program helps those who for many reasons would have to do without, since poverty is very high in the Highland community. This ministry has helped somewhere around 700 different families over the last year. This ministry has also brought other Methodist churches together in the Little Rock/North Little Rock area in one accord where if this program did not exist it may not have happened. The Little Rock Metro-Ministry uses Hoover as a Clearinghouse to distribute food and clothing to those in real need.

WORK RELEASE PROGRAM FOR FIRST OFFENDERS, this program allows the first offender to come out to the church and community and serve his or her time through work programs and/or assistance.

PARENTING SKILLS WORKSHOP, this program through the Parent Center allows

those who need to strengthen their parenting skills or to develop skills to do just that. The Parent Center recognized the fact that blacks were not utilizing the services that the Parent Center had to offer and after a study was done they found out several reasons:

1. The location of their former facility was inaccessible to the black community,
2. The cost factor for their programs was geared for the upper class family,
3. They lacked minority counselors,
4. They lacked knowledge in reaching into the black community.

Interestingly, the Board of Discipleship is planning to implement a Parenting Program for the churches soon. Hoover has already implemented theirs.

EMERGENCY SHELTER, this program is a much needed program for the community anywhere. Many times families lose their homes because of fire, tornado, and other reasons. This program allows a family to utilize a space provided for them on a temporary basis.

CARE FOR THE MENTALLY ILL, this ministry is a counseling and care ministry. So many times we turn our backs on those considered by us as mentally ill, as if we ourselves are immune from ever being declared mentally ill. This program allows the individual to respond, feel loved and cared for, and also helps the individual to take care of their personal business. One individual is learning how to manage his finances.

SUMMER YOUTH ENRICHMENT PROGRAM, this program is through the Neighborhood Arts Program. The Arts Center foresaw a need to put their programs into the community and into an area that needs this type of enrichment. The center was selected because of the types of ministry it was giving to the community. This program allows youth to participate in drama, photography, art, music, modern dance, and geriatrics. A total of 83 youth were serviced last summer through this program.

EDUCATIONAL AND POLITICAL FORUMS, this program brings into the community individuals from the educational and political arena. It's usually done on a community forum style where the community can come face-to-face with those who make the decisions for them and allows extensive dialogue to take place.

TUTORIAL CLASSES, this program allows children, youth, and adults to come to the center for assistance with their educational problems and someone is there to assist them. For children and youth, this provides for them another mechanism for learning and it's a time being wisely used. For adults, it helps them to refresh, regroup, and remember.

SENIOR CITIZEN'S PROGRAM, this program allows for senior citizens in the community to decide what programs they wish to participate in and also allows them to direct their own programs. It gives them an opportunity to utilize the skills and knowledge that they possess in a cooperative spirit of fellowship.

DAY CARE CENTER (PAW PAW'S DAY CARE), from the first time this ministry was offered to the community, the faces of parents lit up. Here was an opportunity to place their child in a licensed center that cared what their child was learning, the child's potential for growth, and that recognized the needs of the individual child. It allowed them not to have to travel across town to a day care that was only concerned about making a profit. That's not the ministry of the church, that is, not at Hoover. This ministry is licensed for 45 children by the State Department of Social Services and has an enrollment of 42. They just graduated 15 this past May 23rd and requests for those slots as well as others are being applied for.

Many of these programs are existing with the aid of those networks already long established so as not to cause any duplication of services.

Programs and ministries continue to be strengthened with the support of the district, conference and general boards and agencies, and by many local churches who believe this ministry is vital to Arkansas Methodism. Here is an example of true sensitivity and response to a community that is saying in the words of Dr. Charles Tindley, "When the storms of life are raging, stand by me." Last night, Mike Clayton said in his sermon, "if we do not think of the future of the church, then the church has no future." That is almost like the story of the man who had a bird in the palm of his hands . . .

Recommendations

1. It is expected that United Methodist Curriculum shall be the basis for Christian education in the churches of our conference. It is our conviction that the recommended curriculum is the best material available for United Methodist Churches.
2. We urge CFA to continue to receive the Christian Education Day offering in the way it is now being received for these reasons:
 - a. It gives high visibility to Christian Education which has been an historic Methodist emphasis. As a designated offering the Minister has a chance to lift up the importance of Christian Education.
 - b. It does not seem wise at this point in the quadrennium to add an offering (although it is being collected under another name) to World Service and Conference Benevolence, even though the total allocated would be the same. No matter how adequate an explanation of the increase in World Service and Conference Benevolence is given, the explanation will be missed or misunderstood by many and will cause problems. Your Education Board feels that a lesser amount will be collected than is now being received unless it is kept as a separate apportionment.
 - c. Permission for receiving the offering is expressly given in the Discipline to the Annual Conference — paragraph 270; and 271 E. With this permission, and a day set aside for Christian Education, it seems appropriate to have such an offering.

Perkins School of Theology

Report to Little Rock Annual Conference — 1983

"Perkins offers superb field education for its students and is conspicuous for its academic excellence." So states Dean James E. Kirby about the School of Theology at Southern Methodist University. Kirby is the first alumnus of Perkins to be appointed its dean, returning to Texas in June, 1982 to take up his post.

The challenges of preparing persons for the decade of the eighties have resulted in a comprehensive curriculum review which has been extended through this year and into the next. A review committee, made up of faculty, students, and alumni/ae has taken a careful look at current degree requirements. Perkins is committed to maintain a curriculum which will not only train persons to think theologically but also to impart skills in such practical areas as church budgeting. The increasing pluralism of the church and the importance of making it evident in the seminary community have caused the dean to institute conversational Spanish classes for faculty and staff.

Under the leadership of the new Director of Development, Joan Ronck, plans and programs are being formulated to make fund raising a high priority. By the beginning of the academic year, a director of recruitment and admissions and a dean of student life will be appointed, as well as a new faculty member in Christian Education.

Student enrollment for 1981-82 school year totalled 423 degree students, of which 326 are United Methodists. Twenty-one other denominations are represented and 15 international students are enrolled. Students come from 37 states and 12 countries. Reflecting recent trends, nearly half of the students enrolled this year did undergraduate work in state institutions rather than in church-related colleges.

The Intern Program, the Mexican-American Program, the Perkins Women Students' Association, the Black Seminarians, and the Wesleyan Fellowship offer students

Philander Smith College

Report to Little Rock Annual Conference — 1983

Notable progress, new directions, creative program thrusts and retrenchment have characterized the course of events at Philander Smith College — related to United Methodism and Arkansas Methodism for more than a century — during the past annual conference year.

During 1981-82 student enrollment was up slightly for the first time in two years. In the Fall semester 637 were enrolled. First-time entering students numbered 128. Eighty percent of the student body is from Arkansas. Ten percent come from the cities and states surrounding Arkansas while about ten percent are internationals — mostly from Africa but the Caribbean and Middle East as well.

Academic programs have been expanded and enriched through new components in Computer Science, Dance and Psychology. With financial assistance from foundations and government grants, computerized registration and updated business office procedures have been installed. Last Fall the College received a CETA grant of \$197,000 to prepare minority youth for employment in mass communications fields. A grant of \$50,000 has been received from the Fund for the Improvement of Post-Secondary Education (FIPSE) to develop a closer cooperative relationship with neighboring colleges in Little Rock. The Student Union Center is being renovated with a grant of \$150,000 from the Kresge Foundation. Dormitories approach eighty percent occupancy for the first time since 1978. The College has established a new position in Church Relations for the purpose of cultivation of the eight supporting annual conferences in the Jurisdiction — Kansas East, Kansas West, Little Rock, Missouri East, Missouri West, Nebraska, North Arkansas and Oklahoma. During the past year this office has been largely responsible for revitalizing church relations with the College. It has also raised a significant amount of money for the College.

Despite these positive vital signs, the College is in financial difficulty. Government grants to students for tuition payments have decreased and will decrease further in 1982-1983. Enrollment forecasts are negative rather than positive. The cost factors of programs — faculty-staff salaries, goods and services have increased almost forty percent in the last five years. Tuition fees cannot be increased to any great extent without becoming unresponsive to the basic mission of the College — to provide the greatest possible access to the largest number of disadvantaged youth, especially black youth, as possible.

The College moved in several directions to resolve the situation it faced. A program of stringent retrenchment was put in place including budget reductions, program consolidation, reductions in non-critical and non-essential services and staff reduction — academic and non-academic. A Development/Fund Raising program will be launched in April involving (1) clarification of mission, (2) trustee involvement in fund-raising, (3) the creation of a support advisory board for development, (4) several fund-raising drives, (5) a strategy to position the College to seek and gain wider public support and (6) the development of a long range plan of growth.

The annual United Negro College Fund Drive (July-December) included in 1981 for the first time a State-Wide Telethon featuring the famous Lou Rawls Parade of Stars Show. More than \$44,000 was pledged in this effort and approximately \$25,000 came in the form of cash.

An aggressive and focused recruitment program has been launched. A determined Alumni Association has recommitted itself to a wide range of support activities. Last, but not least, a reorganized and revitalized Collegiate Chorale group of twenty-four mixed voices will tour in the eight supporting annual conferences of the College this Spring.

3. We recommend that the full apportionment as requested be made to the local church for the Ministerial Education Fund.
4. We request that an apportionment in the amount of \$119,071.00 be made to the local churches for the support of Campus Ministries in the Little Rock Annual Conference for 1983.

Little Rock Conference United Methodist Camp

Camp Tanako

The Articles of Incorporation of Camp Tanako declare that our purpose is to "maintain a camp for recreational, educational, evangelistic, inspirational, and other uses of the people of the Little Rock Conference of the United Methodist Church . . ."

The Board of Trustees are dedicated to the fulfillment of this purpose. Many of you, the people of the United Methodist Church, are also dedicated to this purpose. You have proven your dedication in the past by supporting Camp Tanako with your time, your talents, your gifts, and your prayers. We, the Board of Trustees, thank you for your dedication. But, as is always the case, no one can depend upon past achievements to tackle the needs of the present. Therefore, the call goes out again to all of you and your churches to continue your faithful support of this important ministry.

As with any operation, finances are a major factor to success. We feel we have made some progress in the area of finances even in the midst of inflated maintenance costs and

operational expenses, even though the camp has a debt of \$48,000.00 because of the installation of a new water system and needs an updated electrical system, a new van-truck, and other items. Only with your continued support will these needs be met.

The Board thanks the Council on Finance and Administration for their fine and loyal support of Camp Tanako. And we thank the churches who have responded to the camp's financial needs by accepting and paying their 1982 apportionment. We hope you will do the same in 1983. We also urge the churches who have not accepted their 1982 apportionment to do so. We also thank the individuals and groups who have given special gifts to the camp.

Camp Tanako is our camp, owned and operated by the Little Rock Conference. Let us use it, enjoy it, and support it to the fullest. Tanako waits for you.

The Board recommends the following amendments and changes be made in the Articles of Incorporation of Camp Tanako:

Changes in Article VII:

The Board of Trustees of the Corporation shall be composed of Camp Tanako Trustees and Ex-Officio Trustees.

Section 1: The Little Rock Conference Camp Tanako Trustees (not to exceed 15 in number) shall be elected by the Little Rock Annual Conference of the United Methodist Church on nomination of the Board of Trustees of Camp Tanako.

The first election shall be as hereinafter set forth and all succeeding elections shall be for a term of three (3) years, with the Board electing five (5) Camp Tanako Trustees each year.

Section 2: The following officers of the Little Rock Conference or their appointed representative shall be Ex-Officio members of the Board of Trustees of the Corporation, with the same rights and duties as Camp Tanako Trustees, to serve during their term of office: The Resident Bishop; the Arkadelphia District Superintendent; the Associate Director of the Conference Council on Ministries; the Chairperson of the Board of Education; the President of the United Methodist Women; the President of the United Methodist Men; and the President of the United Methodist Youth.

Resolution

A Call To Halt The Nuclear Arms Race

Whereas, the escalation of research, production, and deployment of nuclear arms continues to become more deadly and dangerous, with the resulting threat of nuclear war causing unimaginable death and suffering; and

Whereas, global expenditures for arms of \$500 billion annually are drawing the world's resources for development and are diverting desperately needed funds for the alleviation of poverty, hunger, and economic stratification toward equality and justice among the world's people; and

Whereas, the prophetic call of shalom is inherent to the worldwide Judeo-Christian community, the overarching theme of Biblical revelation, and is the human expression of God's will for harmony and wholeness; and

Whereas, God's will and intention for peace is ultimately expressed in the life, death, and resurrection of our Lord Jesus Christ, who is our peace; and

Whereas, being members of the body of his Church, we are called to be peacemakers, proclaiming a gospel of peace, reconciliation, and repentance; and in the freedom, strength, and forgiveness of the gospel we strive faithfully toward the Biblical vision of peace;

Therefore, be it resolved:

that the Little Rock Annual Conference of the United Methodist Church express its deep concern over the increasing threat of catastrophic nuclear war and join in calling for a halt to the nuclear arms race; and

that the Little Rock Annual Conference affirm the conviction that to improve national and global security, the United States and the Soviet Union, along with Great Britain, France, and the People's Republic of China, should adopt and implement a mutual freeze on testing, production, and deployment of nuclear weapons; and

that the Little Rock Annual Conference affirm this mutual freeze as an essential, verifiable first step toward lessening the risk of nuclear war and reducing the nuclear arsenals and toward the ultimate aim of achieving a worldwide moratorium on nuclear weapons; and

that the Little Rock Annual Conference affirm the United States-Soviet Union arms reduction negotiations in Geneva as crucial in importance and hopeful in their possibilities, and call upon its congregations and others of good will to engage in continuing prayer for the success of these negotiations and for the elimination of nuclear weapons and for enduring peace in our world; and

that the Little Rock Annual Conference call upon its congregations to give high priority toward involving members in appropriate efforts to halt the nuclear arms race, including the availability of Congressional petitions calling for a mutual nuclear arms freeze as a means of personal response to the growing crisis; and

that the Little Rock Annual Conference direct its officials to present copies of this action to the President of the United States, to the Secretaries of State and Defense, and to all representatives of the State of Arkansas in the United States Senate and House of Representatives, urging them to take all available initiatives toward the attainment of these ends.

Little Rock Conference Board of
Churches and Society

A Resolution On Capital Punishment

The Board of Church and Society of the Little Rock Conference of the United Methodist Church, in keeping with its stated purpose to show the members of the church and the society that the reconciliation which God effected through Christ involves personal, social and civic righteousness, affirms the following:

WHEREAS the Arkansas Criminal Code still provides capital punishment for certain crimes; and

WHEREAS the Governor of the State of Arkansas is setting execution dates for persons on death row in Arkansas; and

WHEREAS the 1980 Book of Discipline (p. 101) opposes capital punishment and urges its elimination from the Criminal Code; and

WHEREAS the taking of a human life removes forever the possibility for rehabilitation and redemption; and

WHEREAS the claim that capital punishment provides a deterrent to crime has not been substantiated or conclusively proven; and

WHEREAS capital punishment is discriminatory in that it is imposed almost exclusively against members of racial minorities, the poor and the uneducated; and

WHEREAS human execution, in whatever form and for whatever reason, compounds the moral dilemma of our political system and involves the people of the state in a violent act of questionable moral behavior;

BE IT RESOLVED:

THAT the Board of Church and Society and the Little Rock Annual Conference affirm the sacred value of all persons, law-abiding and law-breaking alike;

THAT the Board and the Conference extend their concern to the victims of crime as well as its perpetrators;

THAT the Board and the Conference oppose capital punishment as a means of dealing

THAT the Board and the Conference support efforts directed toward rehabilitation and crime prevention; and

THAT the Board and the Conference call upon the Governor of the State of Arkansas, the Legislature, the Board of Correction, and the people of our State to take the necessary steps for the elimination of capital punishment from the Criminal Code.

Political and Human Rights

Marilyn Bachofner, Executive Director of Criminal Justice Ministries brought the board up to date information on the prison ministries. Budget: \$10,000 (CFA)

Total Budget: \$2,500.00

Committee On Communications — 1983

Suggested programs for a video ministry for the Little Rock Annual Conference:

- a. **Conference Video News Program.** Each month the office of Communications will produce a 15-20 minute conference news program. This will be a video presentation of religious news from local churches, conference, and national news items, and other religious news of current interest. Such a format will be suitable for local cable systems and local church "in-house" use.
- b. **Instructional tapes for "My Job Workshops."** Several 15 minute tapes will be produced on various church programs and committees that can be used as teaching aids for "My Job Workshops."
- c. **Taping Conference Workshops.** The Conference will tape certain workshops that are held within the conference and make these available to local churches for instructional viewing. This will enable more people to benefit from the number of workshops held each year.
- d. **Producing a Video Benevolence Program.** At least one 15-30 minute program will be produced on a particular conference benevolence program or Advance Special. This program will be of the quality that will enable it to be aired on a cable system or for local church "in-house" use.
- e. **Video Workshop.** The conference will sponsor a Basic Video Workshop which will be concerned with the use of basic video equipment and the variety of uses for church programs.

The above programs (a-e) would be developed by:

Interfaith Cable Committee Membership	\$500.00
Production	\$500.00
Tapes	\$300.00
Workshop	\$500.00
	Total \$1,800.00

Resolutions

Whereas, the United Methodists of Arkansas (and the predecessor denominations) have had a long history with an area newspaper; and

Whereas, we, at the present time, do not have such a communications organ; and

Whereas, the Bishop and members of his Area Leadership Team asked the two Conference Councils on Ministries to form an Area Ad Hoc Newspaper Committee to report recommendations about this matter to the 1982 Annual Conferences;

Now, therefore, be it resolved that the following recommendations are made concerning state-wide United Methodist Communications.

1. That an Area Communication Tool must be made available for the United Methodists of Arkansas.

2. That the CFA in each Conference appropriate \$2,000.00 immediately so that an independent, professional study can be made (in the summer of 1982) to determine the financing, the format, style, desired frequency, content, etc. of an Area Communication Tool.

3. That the Annual Conference direct the Area Communications Committee to take the

findings of the professional study and design the Area Communications Tool, propose to the CFAs a budget, name the staff, and target January 1, 1983, as the time to begin.

4. That Bishop Kenneth Hicks be requested to call a special session of the Annual Conferences, by Sept. 15, 1982, to hear the proposed plan and vote thereon.

Commission On Religion And Race — 1983

Purpose

Paul said in his letter to the Corinthians, "For the body is not one member but many." (I Cor. 12-14) Just as the human body is advanced by its various parts; so the United Methodist Church can find wholeness and richness in the participation of its many ethnic heritages. As Paul sought to emphasize the wholeness of the "church" in his day, we seek the self-same goal even today in the United Methodist Church.

Goals

1. 729.1 of The 1980 Discipline states, "There shall be in each Annual Conference a Conference Commission on Religion and Race . . ." 729.2 sets forth the guidelines for membership, including provisions for district directors of Religion and Race.
2. The disciplinary mandate sets forth a number of responsibilities for the Conference Commission on Religion and Race. We would like to lift up a few of these responsibilities in this report:

It is our duty to resource the local church work area on Religion and Race. We are charged with an important monitoring responsibility. Through the monitoring process, we seek to examine ethnic minority representation on all conference boards, agencies, commissions, committees and related institutions. Our recommendations there reflect the aforementioned examination. The mandate also includes providing programs of sensitization and education at every level of the conference on the nature and meaning of racism — attitudinal, behavioral and institutional.

Priorities

For the year 1983, we seek the following as priority-concerns:

- a. Monitoring the missional priority "Developing and Strengthening the Ethnic Minority Local Church."
- b. Examination of ethnic representation on boards, agencies, commissions, committees and governing boards of related institutions.
- c. Recommendations designed to make total inclusiveness possible.

The following are recommendations that we believe will greatly enhance the work of the Conference Commission on Religion and Race:

1. We are asking the District Superintendents to assist by using a brief instrument at charge conferences for the purposes of statistical analysis and consciousness raising in/of the local church. This brief form will be presented to the Cabinet for review before being finalized.
2. That each District Superintendent appoint or reappoint a District Director of Religion and Race. That person then will act as a liaison between the District and the Conference. This will help greatly in the providing of information and coordination for the "My Job" Workshops on Religion and Race during 1983, as well as general coordination of the work of the Commission.

Budget

1. District "My Job" Workshops — \$750.00
2. Jurisdictional Religion and Race Workshop — \$550.00

Total Budget: \$1,300.00

B. Pastor's Utilities and Appurtenances: If no utility allowance is made, we recommend that the local church designate a part of the salary as Parsonage Utilities and Appurtenances to exempt those costs from the income tax claim.

- C. The contract between the Committee on the Annual Conference and First United Methodist Church Hot Springs be approved. The contract sets a flat payment of \$1,800 for the cost of the 1982 session of the Annual Conference.
- D. That the Travel Allowance be set at 20¢ per mile plus 2¢ per mile for each additional person, to encourage car pooling.
- E. That Retired Ministers be paid \$35 per diem for days they attend Annual Conference.

Pastors who are returning from seminary to receive their first appointment as seminary graduates and retiring ministers will receive \$200.00 to help defray the cost of moving. This would be a one-time supplement, and would be in addition to the above rate of compensation. To become effective at the 1982 Annual Conference. The following persons are eligible: pastors, lay pastors, student pastors, after first appointment, district superintendents, persons in conference connectional positions, retiring pastors, persons taking disability leave, and others recommended by the Board of Ministry.

XV. We recommend that \$38,272 be apportioned to the local churches for Cooperative Parish Ministries.

United Methodist Foundation Of Arkansas

The United Methodist Foundation of Arkansas is a benevolent, not for profit corporation chartered by the State of Arkansas on October 31, 1963, pursuant to authority granted by the Little Rock and North Arkansas Annual Conferences. The Foundation is an area service agency of the United Methodist Church in Arkansas in stewardship through bequests, wills, trusts, property gifts, life income agreements, life insurance, and other forms of current or deferred giving.

The services of the Foundation are mutually beneficial to the institutions and programs of the two Annual Conferences and to prospective donors. The Foundation serves the institutions and programs of the Area by representing them with prospective donors. The Foundation serves donors by providing estate and charitable gift planning, counsel, and some instances, by serving as an executor of an estate or as a trustee of a charitable trust agreement.

The business of the Foundation is managed by a Corporate Board of Directors, nominated by the resident Bishop of the Arkansas Area of the United Methodist Church, elected by the Corporate Board, and approved by each of the two Annual Conferences. The Board is comprised of 24 directors, 12 from each Annual Conference. In addition, the Foundation has 8 ex-officio directors. The Board has 4 active committees; executive, investment, budget and finance, and development.

The Year in Review

The year 1981 was a benchmark year for the United Methodist Foundation of Arkansas. The Foundation completed its plans for acquiring a full time executive director and employed Jim Argue, Jr.

Jim joined the Foundation on June 16. On July 15-17, he attended a Robert F. Sharkey seminar on marketing techniques for development programs. On October 5-7, he attended the National Association of United Methodist Foundations meeting and met with foundation directors from throughout the country. On October 27-30, he attended the Philanthropy Training Institute directed by Mr. Conrad Teitell. The Foundation was fortunate in that scholarship

were obtained for Jim to attend these seminars.

In recent months, Jim has conducted seminars throughout the state, and has addressed numerous local congregations and Sunday School Classes. Through these efforts, the awareness of the Foundation has grown substantially.

Progress has also been made in terms of gift development. Although numerous gifts benefiting virtually every United Methodist institution and program in the state have been received, two particular gifts deserve highlighting in this report. A \$25,000.00 seed money gift was obtained to begin the Developing Ministries Endowment Fund. This fund is in effect an undesignated endowment fund. Each year, the Conference Council on Ministries will make recommendations to the Foundation Board for disbursing the income earned on this fund. It presents an exciting giving option to donors, in that they can give today to provide financial support to the future's deserving ministries.

The other gift we would like to highlight here is a \$20,000.00 seed money gift to the Double Duty Endowment Fund. This fund also presents an exciting giving opportunity to our donors, in that by contributing to this fund, they can make their gift dollars work twice. First, the money in this fund can be used to make church extension loans at a favorable rate of interest to new or expanding congregations. Second, the income from these church loans, plus any other investment income earned by this fund, will be used to help support the ministerial pension program. Thus, a gift to this fund serves both church expansion and ministerial pensions.

Financial Highlights

The following financial statement reflects growth in the Foundation of 71% from January 1981 to January 1982.

Basically, the Foundation receives four types of monies. First, gifts of endowments are received. With these funds, only the income is available for the work of the church each year. Second, we receive gifts through life income agreements. With these gifts, the donor retains the income from the gift for his or her lifetime. Third, we receive funds under management agreements. With these funds, the Foundation provides management and investment services to other institutions. Fourth, the Foundation has reserves that are used at the discretion of the Board.

Board Of Pensions

1. We recommend that the Little Rock Conference participate in the Ministerial Pension Plan (MPP) and the Comprehensive Protection Plan (CPP) of the General Board of Pensions during 1983 on the following basis —

- Contribution base shall be the Denominational Average Compensation (DAC)
- Contribution rate shall be MPP, 12% of DAC, and CPP, 4.4% of DAC
- Annuity rate for pre-January 1, 1982, service shall be \$136 per service year
- Surviving spouse percentage of the formula benefit rate shall be 70%
- A 40 year amortization period will be used to pay the unfunded past service liability
- Monthly contributions to MPP/CPP shall be made through the apportionment system
- CPP benefits shall be supplemented with Death Benefit Plan-Plus (DBP-Plus) to 300% DAC
- Active participants will contribute to the Death Benefit Program Plus with the Church paying 60% and the participant 40%
- Every Conference member making less than the Equitable Salary can be included in the CPP at the rate of 3.4% of DAC
- Probationers at seminary will be provided CPP at 3.4%

2. We recommend that in keeping with Par. 1706 Section 12e of the 1980 Discipline that the Sunday following Easter be observed as Retired Minister's Day. Each pastor is urged to acquaint his or her congregation with the pension program of the Conference as part of the observance, and if possible to use a retired minister in the Worship Service.

3. We recommend in keeping with Par. 1706 Section 4h of the 1980 Discipline, the approval of the Annual Conference that Special Appointments shall be listed in the Conference Journal as follows: (1) With Annuity Claim (a) upon the Annual Conference or (b) upon the General Board, an Institution, or an Agency of the United Methodist Church; (2) Without Annuity claim upon this Annual Conference.

4. We recommend that the Board of Pensions pay the entire insurance premium for our eligible retirees and ministers on Disability both for the Death Benefit Program and the Hospital and Medical Expense Program. The Death Benefit for eligible surviving spouses is now a part of the CPP of the new pension program. Benefits remain 10% of the Average

Conference Salary. In addition, we recommend that the eligible Conference and Special Conference Claimants have the voluntary portion of Medicare paid by the Conference Board of Pensions.

5. We recommend that an annual amount equal to 100% of the pension and disability payment of each minister of the Little Rock Conference be designated as housing allowance.

6. We recommend that in keeping with Par. 726 Section 4 of the 1980 Discipline that there shall be organized from the membership of the Board of Pensions of the Little Rock Conference a committee to compare the records of the amount paid by each pastoral charge for support of pastors and for pension benefit purposes computing the proportional distribution thereof and keeping a permanent record of defaults of the ministers in the Conference who have failed to observe the provision in Par. 726 Section 4 pertaining to proportional payment; and shall render annually to each minister and Charge in default a statement of amounts in default for that and preceding years. In event of default by any Pastoral Charge after the notification of the committee, liens shall be filed against future pensions and the names of the churches and ministers along with the amount in default shall be printed in the Conference Journal.

7. We request the Secretary of the Annual Conference to print in the Minister's Service Record in the Journal, one column stating "Years of Pension Claim on the Little Rock Conference," and another stating "Total Service Years in the Ministry."

8. The Board of Pensions wishes to thank the members of the churches of the Little Rock Conference for the support given the Minister's Reserve Pension Fund allowing its successful completion.

9. A list of annuitants and pension payments for the year 1981 is available in the Conference Treasurer's Office from Earnestine Martin.

10. We request the Conference to approve the "Resolution Relating to Rental Housing Allowances for Retired or Disabled Ministers of the Little Rock Conference" and direct the Conference Secretary to include it in the 1982 Journal of The Little Rock Conference.

11. We report that special grants have been made to Mayme Marbly, Donna McCammon, and Leroy Wallace.

12. The Board of Pensions of The Little Rock Conference wishes to express its deepest appreciation to E. B. Matkin, Jr. for the leadership he has given the Pensions Program of The Little Rock Conference both as a member and as the Chairperson of our Board.

**Little Rock Annual Conference
Of The United Methodist Church
Resolution Relating To Rental/Housing Allowances For
Retired Or Disabled Ministers Of This Conference**

WHEREAS, the religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous, active service, and disability benefits are considered payments in lieu of compensation for active service; and

WHEREAS, the Internal Revenue Service has recognized that the Little Rock Annual Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of this Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister and, thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

NOW THEREFORE BE IT RESOLVED:

- 1.** An amount equal to 100% of the pension or any amount in excess of the first \$5,200 of disability payments received during the year of 1982 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of the United Methodist Church who is or was a member of the Little Rock Annual Conference at the time of his or her retirement or disability;
- 2.** The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency, or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired minister's pension or disabled minister's benefits.

NOTE:

The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Since, under current Federal

law, the first \$5,200 of disability benefits received by an individual is excludable from gross income, the housing allowance designation from disability payments is, in the above resolution, designated to be only those payments made which are in excess of the first \$5,200 of disability benefits during any given year.

Committee On Insurance

A. Hospitalization and Medical Expense Program

Little Rock Conference has the Hospitalization and Medical Expense Program, (HMEP), provided by the General Board of Pensions of the United Methodist Church. Travelers Insurance Company is the underwriter. The General Board of Pensions defines policies regarding eligibility and enrollment. These policies are recorded in the 1979 Journal.

Upon receiving an initial full-time appointment in the Conference, a person becomes eligible for HMEP. He/she shall enroll with the Insurance Committee secretary within 90 days. Beyond the 90 day period, proof of insurability is required. The same 90 day requirement applies to full-time lay employees of a participating church or agency who are seeking coverage.

The General Board of Pensions at its March 1982 meeting modified the eligibility for participation specifications of HMEP to include the divorced spouse of an HMEP participant in the category of Eligible Dependents subject to the following conditions:

- 1) Coverage of the divorced spouse will be continuous until the earlier of:
 - a) acquisition of group health coverage from another source, or
 - b) the remarriage of the divorced spouse, or
 - c) two years have elapsed following the date of the divorce decree.
- 2) The participating annual conference will be billed for the premium due on account of the participation of the divorced spouse.
- 3) Following adoption of this eligibility category by an annual conference, it shall be mandatory for the annual conference to enroll all divorced spouses where the divorce date is subsequent to the date of such adoption. Eligibility to participate in HMEP shall not apply to those divorced spouses when the date of the divorce was prior to the date of which the annual conference adopts this provision.
- 4) The spouse must be a participant in HMEP at the time of the divorce.
- 5) In cases where the divorced spouse is totally and permanently disabled at the time of the divorce, coverage would be continued indefinitely beyond the two-year period provided such spouse does not remarry or obtain group coverage elsewhere.

The General Board will go to a calendar year for HMEP premium rates beginning January 1, 1983. Therefore, there will be no increase in premiums until that date.

Benefits paid by HMEP for those under age 65 are outlined in the 1979 Journal, including a resolution about accident coverage, with additional information regarding nursery charges for newborn infants appearing in the 1980 Journal.

Benefits for persons 65 and over change annually according to Medicare guidelines. For 1982, the following is applicable for Medicare enrollees:

In-Patient Hospital Services: Full payment of \$260 Part A Medicare deductible; full payment of \$65 per day from 61st through 90th day; full payment of semi-private and miscellaneous charges from 91st through 120th day beyond payment made from Medicare Lifetime Reserve days; then 80% of reasonable charges from the 121st day up to a \$500,000 lifetime maximum.

Skilled Nursing Facility: Full payment of \$32.50 per day from the 21st through the 100th day.

Physicians and Other Medical Services: 20% of reasonable charges after a \$75 calendar year Medicare Part B deductible. You must pay the \$75 Part B deductible.

Geographical Limits: Worldwide coverage.

Important Information Concerning Medicare Enrollment: Any minister who will reach his 65th birthday when he is still serving in a full-time capacity, and not drawing Social Security, should apply three months before his 65th birthday at his local Social Security office for Medicare. Should a minister's wife reach age 65 before the minister, she should apply for Medicare at the local Social Security office. This applies to those who are eligible and wish to participate in Medicare.

It is each person's responsibility to secure his or her own Medicare coverage.

For those age 65 and older, HMEP provides coverage which complements Medicare.

Should persons have questions regarding insurance payments, after filing a claim, they should contact the secretary, Mrs. Ernestine Martin, at the Office of Finance and Management.

B. Comprehensive Protection Plan and Death Benefit Program

The disability insurance program (equal to 40% of the Denominational Average Compensation, or DAC) and the basic death benefit coverage are included in the Comprehensive Protection Plan portion of the Pension and Benefit Program. Cost of these is included in the pension apportionment to local churches. DAC for 1982 is \$16,776.

The basic death benefit coverage is scaled from 150% of DAC for persons age 46 and under, to 20% of DAC at retirement and beyond.

Our Conference also has Death Benefit Program Plus (DBP+) coverage. This coverage approximately doubles the basic DBP plan.

Educational benefits, and benefits paid on the death of a spouse, child under 18, or surviving spouse, are part of the new pension program.

Lay employees presently covered will continue to be in DBP, but will not be covered by CPP. Their premium payments will continue as they have been.

C. Annual Conference Policies

1. Premium Payments

a. The local church, or charge, to which a minister is appointed shall provide 60% of the premium cost for individual or family (whichever is applicable) HMEP coverage. Also, the local church or charge shall provide 60% of the DBP+ premium.

b. The local church, or charge, shall provide 60% of the premium cost for HMEP and DBP+ for eligible local church lay employees.

c. The Conference Board or Agency responsible for its own budget will provide 60% of the premium cost for either individual or family coverage, whichever is applicable, for ministers under special appointment, and for lay employees.

d. The Conference Board of Pensions pays the full HMEP premium and DBP+ premium for Conference Claimants.

e. All eligible persons holding an appointment from the Bishop are expected to participate in the HMEP and DBP+. When an eligible person is offered HMEP and DBP+, and the person chooses not to participate in either program, he or she shall state this choice in writing to the Committee secretary.

f. If an enrolled person fails to pay premiums for two consecutive quarters, the secretary shall notify the insured by registered mail that he/she will be terminated within fifteen (15) days of the letter's date unless full payment is received in that fifteen day period. Any exceptions to this policy must be approved by the Insurance Committee. A copy of this letter shall be sent to the appropriate District Superintendent as notification that termination is being considered. Should there be a hardship, the District Superintendent should convey such information to the Insurance Committee. The District Superintendent shall be advised of any considered change in insured's status.

D. Administration of Insurance Program

Administration costs of our insurance program do not come from premium payments. That cost is underwritten by receipts from money the Committee has invested. Many Conferences add 2% to 3% to premium costs for administration purposes.

ERNESTINE MARTIN, Secretary

Little Rock Conference Telephone Network

The Board of Ordained Ministry has felt a need for communication between parsonage families concerning major crises, such as life-threatening illness and death. All too often the ministers in the conference find out about a death in the family after the funeral has already occurred. Therefore, we would like to propose the following telephone network as a means of aiding in our caring ministry to one another.

Upon learning of a crisis, one would contact the district superintendent of the affected family. After the superintendent determines that the family does indeed desire that the ministers of the conference be informed, s/he would contact the bishop's office. The bishop would contact all the district superintendents who would then contact the pastors of the churches serving as callers. (These churches are noted on the following list.) The pastor of each of these churches would then call the churches which follow his/her church on the list.

As a back up for the district superintendent, the pastor of the "First Church" in the seat of the district should be contacted. For example, if the superintendent in Little Rock cannot be contacted, the pastor at Little Rock First would be the backup. Also, if any of the contacts made by the district superintendent are unavailable, the superintendent should choose one other from that grouping to complete the calls.

Each minister should then be responsible for calling the ministers holding charge conference membership in a church on his/her charge. (This would include retired ministers and those serving beyond the local church.) Multiple pastor staffs should also communicate the information to one another.

Cooperative Parish Ministries

The purpose of Cooperative Parish Ministries is to strengthen the mission and ministry of local churches in close geographical proximity through working together. Where cooperation has become the norm for churchmanship this purpose is being realized in congregations, among clergy, and by agencies of the annual conferences.

Through the Office of Cooperative Parish Ministries we propose the following:

I. Goals for 1983**A. Training and Consultation**

1. To provide training for directors of parish and probe staffs and for coordinators of exploratory areas;
2. To provide training for exploratory, probe and parish teams in each district;
3. To provide for consultation and training for parish councils;
4. To provide funding and/or opportunities for individual staff members to acquire specialized training in cooperative parish ministries at conference, jurisdictional and general church levels;
5. To provide training for cabinet and conference personnel in cooperative parish ministries.

B. Interpretation and Communication

1. To publish and distribute a brochure on the cooperative parish process and existing service areas;
2. To continue publication of *Together* as a means of sharing news, resources and insights in cooperative parish ministries;
3. To produce in cooperation with the Area Director of Communications a filmstrip or slide presentation on CPM in Arkansas;
4. To provide for interpretive events in churches that are interested in cooperation;
5. To make new resources available to cooperative parishes and staffs.

C. Administration

1. To provide for annual evaluation of the Area Director;
2. To evaluate yearly the "Arkansas Area Policy on Cooperative Parish Ministries";
3. To evaluate cooperative efforts at preparatory, probe and parish levels;
4. To continue cooperation with conference and area staff;
5. To assist the Bishop and cabinets in site selection, development, and staffing for cooperative parish ministries;
6. To work closely with Parish and Community Development committees and other conference agencies for purposes of resourcing, funding and program development in cooperative parish ministries;
7. To cooperate with the Office of Town and Country Ministries, National Division, Board of Global Ministries;
8. To cooperate with the Office of Church and Community Ministries, National Division, Board of Global Ministries, for the purpose of providing workers in

cooperative settings;

9. To cooperate with United Methodist seminaries in order to interpret ministerial training needs and to place seminary interns in cooperative settings.

II. Recommendations

- A. That the word “preparatory,” which refers to the initial phase of the cooperative parish process, be replaced with the word “exploratory” wherever it occurs in the Area Policy on Cooperative Parish Ministries;
- B. That the Little Rock and North Arkansas Annual Conferences continue to fund the Office of Cooperative Parish Ministries by apportionment;
- C. That the two annual conferences permit St. Paul School of Theology to solicit funds in Arkansas for the establishment of a chair/center for town and country ministries.

III. Parish Development

Presentation of service areas in exploratory, probe and organized phases will be made at sessions of the annual conferences.

History Of The Southwest Parish

In early 1981 Victor Nixon, Area Director of Cooperative Parish Ministries, J. W. Lofton, Area Director of Ethnic Minority Local Church, and John F. Walker, Hope District Superintendent, selected the eight black churches of Sevier and Howard counties as a possible cooperative parish. The decision was made based on concerns for cooperative ministries and the priority of the EMLC.

A meeting was then held with the pastors who included J. T. Counts, John Oliver, Perry Lomax, and Charles McAdoo. Plans were made for a Holy Week Revival to give the churches an experience of cooperation.

Lay representatives from each of the churches met in March of 1981. The revival plans were accepted. Since none of the pastors were full-time, the agreement was reached that an organization and officers were needed earlier in the life of the Parish than usual. Richard Garland was elected Chairperson, Carliss Jean Lewis, Vice-Chairperson, and Snowie Brown, Secretary-Treasurer.

On April 15, 1982 the purpose and constitution for the Parish were decided on. The Name "Southwest Parish" was selected. This describes the section of the state the Parish is located in, as well as pointing to historical ties to the Southwest Annual Conference. Each church ratified the constitution and elected two laypersons to serve on the Parish Council.

At Conference that year, the Parish was designated as being in the probe phase. Conference 1982 sees the Parish as operational with J. T. Counts appointed as Parish Director.

The evident need, the many successful activities and outstanding leadership have enabled the Parish to move quickly through the preparatory and probe phases to become operational. The Southwest Cooperative Parish is in ministry in a way that it could not be as individual congregations. The Gospel is proclaimed through the Southwest Parish.

Area Merger Study Committee Report

We, the Area Study Committee, affirm that the merger of the two annual conferences is a possibility and we recommend that the conferences establish a committee appointed by the Conference Nominating Committees to develop a plan for merger and report back to the Annual Conferences for a vote in 1984.

We further recommend that the formula for the present study committee be used.

JOEL COOPER, Chairperson
DON RIGGIN, Secretary

Little Rock Conference Board Of Trustees

We recommend:

1. That the property known as the "County Line Methodist Church" in the Arkadelphia District be deeded to the "County Line Cemetery Association." This association has been incorporated as a non-profit corporation and the papers were filed with the Secretary of State on April 20, 1982.

2. That we make a quitclaim deed to the "Old Mt. Tabor Community Cemetery Association" in the Arkadelphia District for property in Montgomery County which we own adjacent to the cemetery. And, that the Association be required to incorporate prior to this action being taken.

3. That an isolated piece of property in the Arkadelphia District, once known as "The Caney Creek Methodist Church South" be declared abandoned, and that with the exception of the cemetery (approximately $\frac{1}{4}$ to $\frac{1}{2}$ acre) the remainder of the two acre tract be sold to Mr. Gary Goldman for \$500.00. The Little Rock Conference will retain title to the cemetery, which the buyer has agreed to maintain. We request that the money from this sale, less the cost of a survey, be given to the Arkadelphia District Board of Missions & Church Extension.

4. That the abandoned property in Union County, known as the "Bolding Church" be sold to James and Louise Seymore for \$500.00. There is approximately one acre of property involved and an old building in very poor condition. The surrounding land is owned by the Seymores and her parents whose ancestors gave the original tract to the church. Mr. Seymore has agreed to construct a permanent marker using the old church bell and a plaque to note the church site. We also recommend that the money be given to the Camden District Board of Missions and Church Extension for use within the District.

5. That lots 15 and 16 of Block 56 in Felsenthal (Camden District) be sold to the highest bidder and that the monies received from this sale be given to the Huttig United Methodist Church for use on their parsonage. This assumes that we will be able to provide title to this property which is shown on the 1907 Book in the Union County Courthouse to have been given to the M. E. Church South. These lots are only 25 x 110 feet each.

6. That the "Power's Chapel Church" property in Pike County (approximately two acres) less the cemetery, be sold to the highest bidder and that the money be given to the Arkadelphia District Board of Missions and Church Extension.

Ralph E. Hale, President
R. J. Wills, Secretary

To The Little Rock Conference 129th Annual Session

From The Committee On Church Extension

Request the following changes be made to clarify the conference policy on usage of "Regular Church Extension" monies and "Special Church Extension" monies.

- I. Referring to the 1979 Journal which contains the Policy on page 99 paragraph 8IC request the last sentence in the paragraph be changed from "Grants from these funds shall be limited to \$1,000.00 and used for remodeling church facilities and parsonages or constructing new parsonages" to read:
"Grants from these funds shall be limited to \$1,000.00 and used for any church facilities."
- II. Referring to page 99 and 100 paragraph 8D2 request the item which reads, "Construction of new Church facilities" be changed to read "Construction of Church facilities for new congregations."

Little Rock Conference United Methodist Women Annual Conference Report June 1, 1982

From all over this nation they came. Over 10,000 women on a journey to Philadelphia, Pennsylvania, to the 1982 National Assembly of United Methodist Women anticipating a meaningful experience in community and to celebrate over one hundred years in mission

and renewed commitment to Jesus Christ. Sixty five women and one man from the Little Rock Conference made this journey, April 29 through May 30, and received the challenge to look forward with a sense of expectation and excitement as we continue the journey individually and corporately with Christ who is our hope. This was the highlight of the journey that the Little Rock Conference United Methodist Women have been on since my last report to this Annual Conference.

The first step on that journey was the West Gulf Regional School where members of the conference mission team spent five days in study at Southern Methodist University. From there we traveled on to the Arkansas School of Christian Mission at Hendrix College where 127 people from the Little Rock Conference were enrolled. Study is a very important part of this mission journey and as always we urge every one to attend the 1982 school July 30-31 and August 1-5. Rubye Lee Jackson from our Conference is the dean and we hope we can top last year's attendance which was the largest in recent years.

From the schools of Christian Mission we traveled on to a very helpful and inspiring Christian Disciplines workshop by Women's division members Joan Kelsey, Gene Maxwell, and Blanche Powell. This was the first of four quadrennial workshops offered by the women's division and accepted as a conference goal for the Little Rock Conference. Jimmie Lee Stephens, mission coordinator for Christian Personhood, coordinated this workshop, and it was well attended by conference and selected district officers.

We continue on our journey to the First United Methodist Church in Hope, Arkansas, for the eighth annual meeting of the Little Rock Conference United Methodist Women. The Hope United Methodist women reported that 314 people were served lunch on that day. Marilyn Winters, Vice President of the women's division, was the keynote speaker. The theme "World Development Is —" began the study on world development. Marilyn explored the theme from the Biblical imperative for world development to each individual's responsibility to be in mission to the world we live in. She challenged us to study II Cor. as a Biblical basis for world development. Other special guests were Jay Lofton, giving the meditation, and Virginia Starkweather from the jurisdiction core-planning group, who installed officers and brought greetings from the jurisdiction. The special love offering of \$708.78 was shared by the Red Bird Mission School and Missionary support.

The world development workshop continued as the leadership development workshop for district officers met at Camp Tanako with Gene Maxwell, staff from the women's division assigned to the Denver region, leading us in this event.

Many separate journeys were made by the conference officers as we attended all district Fall and Spring meetings. Working to fulfill another of our goals, the goal-setting and program-planning task forces were privileged to share with all districts. The financial interpretation task force has shared with four of the districts. There has been membership interpretation in districts and a task force is presently being formed and will share with the districts as they are invited.

We continued our journey as the Executive committee met in January at Good Faith United Methodist Church in Pine Bluff. We listened to ways we could be in mission in the Criminal Justice ministry, evaluated our goals, conducted our business and began the process of goal planning for the year.

The goal planning was carried over to the leadership development workshop, the second of the quadrennial plan, conducted by women's division members Marilyn Sweet, Linda Hair and Bernice Johnson. This workshop was coordinated by Leona Bonsall and attended by conference and selected district officers. I'm very pleased to see the districts using the skills and catching the vision of the mission of United Methodist Women as presented by the Conference mission team and these workshops.

The Conference met the pledge to the women's division of \$105,525.00. Supplementary gifts amounted to \$13,472.61 making a total of \$118,979.61 sent to the women's division in 1981.

The evaluation reports show a loss in membership but we were unable to get reports from all our units. We will be working hard to increase membership in 1982 and 1983, and have adopted this as one of the goals.

My personal journey included an invitation to attend the Fall meeting of the women's

division in October and the Jurisdiction president's consultation in January.

New officers, Regina Norwood, Gladys Alley and Peggy Mitchell attended new officer's training. Jimmie Lee Stephens attended the IMPACT briefing in Washington, D.C. Rosemary McLarty represented us at a corporate financial workshop and Leona Bonsall is the representative on the West Gulf Regional School planning committee serving as Registrar for the 1982 school.

We're looking forward to continuing our journey to the Legislative training event, initiated by the Little Rock Conference United Methodist Women, cooperating with the North Arkansas United Methodist Women and the two Boards of Church and Society, scheduled for September 10, 11 and 12.

Our annual meeting will be at Philander Smith College with Wesley United Methodist Women as our hosts. Theresa Hoover, Associate General Secretary, of the women's division, will be our keynote speaker, and we anticipate with pleasure this meeting.

The conference team has worked hard and committed themselves unselfishly to the task we set for ourselves and have received many blessings as we have traveled to district and local units to interpret the mission that God has called us to do, and to fulfill our PURPOSE to be a community of women whose PURPOSE is to know God and to experience freedom as whole persons through Jesus Christ, to develop a creative supportive fellowship and to expand our concepts of mission through participation in the global ministries of the church.

Camp Aldersgate, Incorporated Report To Little Rock Annual Conference June 1, 1982

As a mission of the United Methodist Church, Camp Aldersgate is at the cutting edge of life where the people are with many needs. Since its inception, more than 25,000 people from across Arkansas and adjoining states have participated in the camp's mission programs.

Aldersgate is more than a place, it is an experience! It is where all who come may know the presence of God in themselves, and in their fellow man. It is in this spirit that we provide:

1. Food distribution to the needy;
2. Programs for the disadvantaged youth;
3. Medical camps for children with handicapping conditions;

4. A way for youth in trouble to discover alternative life styles;
5. A free health clinic for treatment and diagnosis of medical problems for all who have need; and
6. A family relationship in an atmosphere of love for the isolated and lonely senior citizens.

We invite you and your church to become involved with these exciting ministries at Camp Aldersgate. You know, “. . . the Church is not the Church, when it meets and goes home. The Church becomes the Church, when it becomes involved with meeting the needs of others. . . .”

Camp property, consisting of approximately 115 acres, is owned by the Women's Division of the Board of Global Ministries. Grants of more than \$50,000 have been received from the Women's Division within the last twenty-four months for improvements of buildings, water, and gas lines. The entire facility is available to both Arkansas Conferences for programmatic purposes, with no built in costs for capital improvements or mortgage and/or lease payments. Therefore, churches, organizations and others have full facility utilization of the Camp available at bare-bones operating costs.

General operating costs (core cost) are received from church groups and interested individuals. These funds support on-going administration, development and maintenance of camp programs and facilities. It is the support of these core services which enables the Camp its day-to-day operation.

The core costs of operating the Camp totals \$148,000 per year. At this time, only \$35,000 of these costs are supplied by all church contributions.

During this time, when government funds are being reduced or eliminated, and keen competition for private donations is upon us, human service needs have increased. It becomes more important that we re-establish a strong connection with the United Methodist Church in Arkansas to meet these needs.

Over the past years in the Little Rock Conference, Aldersgate has been an “Advance Special.” This year, in recognition of the need for greater support, the Council on Finance and Administration has also recommended that Camp Aldersgate be designated as a \$50,000 “Fair Share” giving.

We need for your church to accept and meet your apportioned “Fair Share.” Now that funding has become so critical, it is necessary for the United Methodist Church to make a more meaningful commitment of support. With this support, together we can continue with a strong mission program. Without it, we will cease to exist. The need is too great for this to happen.

An itinerant farm laborer who was stranded in Little Rock recently was brought to Camp Aldersgate. I was reviewing his situation and said to him, “. . . here you are, twenty-five years old — you have lost your job, your home, your furniture, your car. All the money you have is 65¢, and all your possessions are here in two small suitcases and a cardboard box. You tell me you have not eaten any hot food in ten days, and your two small babies are sick. Tell me, what makes life worthwhile?” Quickly he responded, “I have the privilege (his word, not mine) of praying to a God who still answers prayer.”

I told him that I agreed, and I thought God had sent him to Aldersgate to have his prayers answered!

I thank God there is an Aldersgate, where people can come to have their needs fulfilled. I am proud to be there as your representative, where human needs and workable solutions come together, where faith and works become one, where the Church becomes the Church.

John Thomas Bolding

John Thomas Bolding was born July 24, 1890 at Bolding, Arkansas, the son of Perry M. and Siddie White Bolding. Between the ages of 30 and 66, he served the citizens of El Dorado as a city postal carrier, a work which would later prepare him for a unique familiarity with the streets and the people of the area which he would use in his personal visitation program from the St. Paul United Methodist Church of that town.

"Bro. John" as he was affectionately known to his friends, was educated in the Bolding schools and furthered his education in ministerial courses of study at the Perkins School of Theology, Southern Methodist University. Having lost his eyesight at the age of 75, he never let this be taken as a handicap, but worked all the more diligently. He credits the Reverend James Ford of the Little Rock Conference for being his roommate and great help while going to seminary in the summers.

He was ordained a deacon in the Little Rock Annual Conference of the United Methodist Church in the year 1959. He served as pastor of the Bethel United Methodist Church and the Centennial United Methodist Church in the Camden District between the years of 1951 and 1959. For nine years, "Bro. John" was the teacher of the Men's Bible Class of the Norphlet United Methodist Church.

Due to his love for the ministry in all its facets, he was given the title of Honorary Pastor Emeritus of the St. Paul United Methodist Church in El Dorado where he and his wife, Annie Lee, were faithful members from 1961 until his death. It was in this congregation that he once served as interim pastor for a short time, and led a men's visitation group.

On January 23, 1913, he was united in Holy Matrimony to the former Annie Lee Sinclair of Bolding, Arkansas. For 69 years, their lives blended in a beautiful Christian relationship. Besides his wife, he is survived by two sons, Merrill S. Bolding and Perry M. Bolding of El Dorado, and one daughter, Mrs. W. C. Hunter, Jr. of Texas City, Texas.

"Bro. John" expired February 15, 1982 following a lengthy illness. Memorial Services for him were conducted in the sanctuary of the St. Paul United Methodist Church with leadership being given by the Reverend F. Gladwin Connell, the Reverend Ralph Hale, the Reverend James Ford, and the writer of this memoir.

Donald F. Nolley

Robert C. Ekberg

Robert C. Ekberg was born in Bloomington, Illinois, June 13, 1912. He and his family moved to Texas in 1913 where he attended the Dallas Public Schools. Before entering the ministry in 1961, he worked as a florist for 35 years.

Bob answered his country's call to duty and served in the U.S. Army during World War I in the Philippines. Upon his return, he met and married a beautiful girl named Leoti (Lee) in the First Methodist Church, Corpus Christi, Texas on June 8, 1947.

During that period of time, Bob felt the call to the ministry. He did not answer that call immediately, but that call never left him. Even as he served the church as a florist, he somehow knew that he must someday answer that call.

When that call was finally answered, he began his training by attending Southern Methodist University. He was ordained a Deacon in 1964 and an Elder in 1968. He was an Associate Member of the Little Rock Annual Conference. He served churches on the Blevins Circuit, Harmony Grove, Waldo, and Junction City before retiring in 1977. He also served pastorates in East Texas before transferring to the Little Rock Conference in 1968. As his wife, Lee said: "We both said many, many times the happiest part of our life was during our

years in the ministry.”

In addition to his wife, Lee, he is survived by his daughter, Joan Olivia, two sisters, and a brother. Bob was laid to rest in Waco, Texas.

Sincerely,
Gerald Fincher

Doss Franklin

Reverend Doss Franklin was born March 26, 1895 to Mrs. Minerva Scott in Macon, Mississippi.

He accepted Christ in his life at an early age. He joined New Zion Methodist Church in Macon, Mississippi. Later moving to Gould, Arkansas where he joined Bailey Chapel United Methodist Church and remained until death. God called him into ministry where he served until health failed him. The gracious faithful work of his pastoral ministry has blessed several churches including St. Mark U.M.C., Pine Bluff, Arkansas.

He leaves to mourn: One sister, Mrs. Savannah Sanders of Marked Tree, Arkansas; five daughters: Mrs. Lena Miles of Clifton, New Jersey, Mrs. Nevla Milton of Marked Tree, Arkansas, Mrs. Lutisia Hunter of Toledo, Ohio, Mrs. Gail B. Lock of New York City, New York, and Mrs. Daisy Franklin of Detroit, Michigan; one son, Oneil Franklin of Kansas City, Missouri, twenty-one grandchildren, twenty-two great grandchildren, five great great grandchildren and a host of relatives and friends.

“Most truthfully I say to you, he that hears my word and believes Him that sent me has everlasting life, he does not come into judgement but has passed over from death to life.”

— JOHN 5:24

Eulis DeWitt Galloway

Rev. Eulis DeWitt Galloway, “Ed,” died in his home, “Edswood,” in peace and quiet and in the presence of his beloved wife, Sarah, on Wednesday, April 7, 1982. The “Celebration of His Life, Witness, and Home-going” was held at Highland Valley United Methodist Church on Good Friday at 2:00 p.m. He was laid to rest at Walnut Grove Cemetery, beside one of the churches in his first charge. His colleagues, Larry R. Williams, C. Ray Hozendorf, Robert E. L. Bearden and Otto Teague officiated at the service. In the message, Robert Bearden referred to his death as a “gentle transition” from earth to heaven.

“Ed” Galloway, as his friends all called him, was born in Onton, Kentucky, March 12, 1898, the son of David and Sarah Hancock Galloway. In his early teens, he moved to Arkansas in a covered wagon and was educated in the Prairie County Public Schools, Henderson Brown College, Vanderbilt University and Southern Methodist University.

He was licensed to preach in 1917 and admitted as a probationary member of the Little Rock Conference in 1920. He served for forty-five years. He was married to Sarah White on November 27, 1922. His first charge was the Oak Hill Circuit in Western Pulaski County. He walked this circuit until obtaining a horse. He steadily rose from the ranks, serving small town and rural churches until his value and dedication were fully recognized. He spent the greater part of his ministry in some of the strongest churches in the Conference.

He served Forrest Park, now St. Paul, Henderson and Pulaski Heights in Little Rock, Keo-Tomberlin, Grady, Gould, Vantrese Memorial, El Dorado, Hamburg, DeQueen, Warren, the Hope District, First Church, Hot Springs. His last appointment was the Little Rock District from which he was retired in 1964. After retirement, he was interim minister at Pride Valley and First Congregational Church, Little Rock. The Galloway Memorial United Methodist Church in Eastern Little Rock is named in his honor.

Brother Galloway was a delegate to the 1951 World Ecumenical Conference in Oxford, England, and the General and Jurisdictional Conference of 1960. He served on some of the major National Boards of the Church, was president of the Hot Springs and Little Rock Ministerial Associations and a member of the Board of Trustees of Philander Smith College. He was the author of a book, *Illustrations and Preachments in Poetry*, and was a member of the Hendrix Half Century Club.

He is survived by his wife, Sarah White Galloway, and a son, Kenneth N. Thompson of Memphis. Ed Galloway's ministry has spiritually enriched us all. His memory will be long cherished and his witness will bear fruit, blessed fruit for years to come.

Robert E. L. Bearder

Woodie Daniel (W. D.) Lester, Sr.

Reverend Woodie Daniel (W. D.) Lester, Sr., the seventh child of Daniel Kelley Lester and Sally Ann Jones Lester, was born in Sardis, Mississippi, November 5, 1897. He moved with his parents while quite an infant to Brinkley, Arkansas where they made their home. He received his primary and secondary education in the schools of Arkansas; A.B., Philander Smith College at Little Rock; B.D., Gammon Theological Seminary, Atlanta, Georgia; the Doctor of Divinity (D.D.) and the Doctor of Laws (LL.D.), Philander Smith College.

Dr. Lester made his Christian commitment to Christ and the church at the age of fifteen years and united with Wesley Chapel Methodist Episcopal Church in Brinkley, Arkansas. He was shortly called to the ministry and granted license to preach at the age of sixteen years and supplied his first church at the age of seventeen years. He was true to his calling and a staunch believer in the Christian way of life throughout his ministry. His ministry spread over half of the world. He pastored some of the largest churches in Methodism. Dr. Lester served as District Superintendent, Executive Secretary of Christian Education, Director of Evangelism for Special Activities of the National Board of Evangelism of the Methodist Church for seventeen years. After retirement from the General Agencies he became the Pastor of Wesley Chapel United Methodist on the campus of Philander Smith College, Little Rock, Arkansas, after three years he retired from the active ministry. Due to the limited number of ministers in the Tennessee Conference he was persuaded to come to the rescue of the Conference by supplying Key-Stewart United Methodist Church for about three years. Although reluctant, he added one hundred and one members to the church. He served as Co-Pastor and Associate Pastor of Braden and John Wesley United Methodist Churches as long as his health permitted.

Dr. Lester was married to Miss Julia Beatrice Smith of Pine Bluff, Arkansas. To this union two sons were born, Woodie D. Lester, Jr. and Julius Bernard Lester. He expired July 31, 1981.

His survivors are, a devoted wife, Mrs. Julia Beatrice Lester, Nashville, Tennessee; two sons, Woodie D. Lester, Jr., Peru, Indiana and Julius Bernard Lester, Amherst, Massachusetts; one brother, Professor A. E. Lester, Blythville, Arkansas; one sponsored

daughter, Mrs. Dorothy Green, Washington, D.C.; one foster daughter, Mrs. Gladys Nelson, Nashville, Tennessee; two daughters-in-law, Mrs. Margaret Ann Lester, Peru, Indiana and Mrs. Lynn Lester, Amherst, Massachusetts; four sisters-in-law, Mrs. Martha Lester, North Little Rock, Arkansas, Mrs. Emma Ruth Lester, Franklinton, Louisiana, Mrs. Emma Lester, Blythville, Arkansas and Mrs. Ada B. Ames, Denver, Colorado; one brother-in-law, Mr. Oscar Smith, Denver, Colorado; four very devoted nieces, Mrs. Maggie Hunter, Little Rock, Arkansas, Viola Isabell, North Little Rock, Arkansas, Mrs. Maude Sarter and Ms. Melba Gates, Memphis, Tennessee; a very dear and devoted cousin, Mrs. Dorris Garner, Chicago, Illinois and a plurality of other nephews, nieces, cousins and friends.

The Reverend John H. Oliver

The Reverend John H. Oliver was born August 10th, 1896 in Clarendon, Arkansas, son of Rev. Charlie and Mary Etta Oliver.

John accepted Christ as Lord and Savior in September of 1916. On October 18, 1918 he was united in holy matrimony to the former Lillian Walker, who later preceded him in death. To this union there were no children, though they were blessed with three (3) foster children.

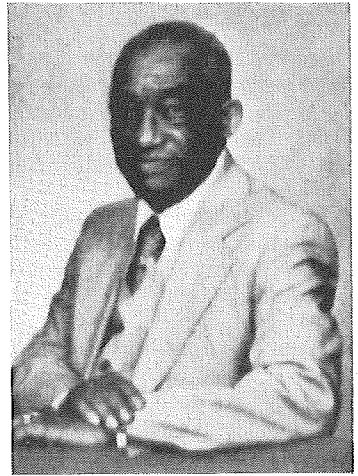

He was trained in the public schools of Arkansas, attended Philander Smith College and the St. Louis College of Religion. He was licensed to preach in January of 1917. The first charge which he served was at Rison, Arkansas, with three (3) members. He later organized the Mt. Olive Church in Fordyce. The congregation grew rapidly under his leadership.

John H. Oliver was a faithful and dedicated pastor to many churches of the former Southwest Conference. He served as a District Superintendent, a delegate to the Central Jurisdictional Conference, and a delegate to General Conference. He worked in the Church until he was hospitalized, strongly believing that a minister should "wear out for God, not rust out." Rev. Oliver's commitment to God was evidenced by his having given more than 60 years of service to the church, more than 50 of which were as an elder in full connection.

Rev. Oliver touched the lives of many persons in Methodism, both black and white. Those whom he touched were enriched by that contact. Most of the black clergy presently serving in the conference had Rev. Oliver as their pastor at sometime. It is unfortunate that all of the service records of the old Southwest Conference are not available, for it would be very interesting to see the churches and the lives that Rev. Oliver touched in those many fruitful years of ministry. He served on the following Boards (before reorganization after merger): Stewardship and Finance, Higher Education, Pensions, Evangelism, Education and Missions. He also served as a Trustee of Philander Smith College for a number of years.

John H. Oliver departed this life on September 5th, 1981 at Helena, Arkansas while visiting relatives. Left to mourn his passing are, a brother, Rev. Murphy Walker of Carthage, Arkansas; a sister, Mrs. Isabell Marks of Fordyce, Arkansas; a foster daughter, Mrs. Thelma Woods of Detroit, Michigan; a foster son, Mr. Willie Walker of Cleveland, Ohio; four sisters-in-law, two brothers-in-law, many nieces, nephews, other relatives and friends.

Rev. Leonard D. Yates

Rev. Leonard D. Yates was born July 10, 1910 at Queen City, Texas. He moved to Texarkana in 1928 and was married to Mary Ella Walton in 1932.

Bro. Yates began his ministry in 1953 on the Old Boston Circuit near Texarkana. Other pastoral appointments served were: Few Memorial, Olive Branch, Doddridge, Ogden, Welcome and Norphlet from where he retired in 1973. For the past two years he served as pastor of Law's Chapel & Midway near Atlanta, Texas. Brother Yates was also a retired Federal employee, was active in many civic affairs and was an associate member of the Little Rock Conference.

Brother Leonard Yates died Wednesday, April 14, 1982 and funeral services were conducted Friday, April 16, in the Texarkana Funeral Chapel, Texarkana, Texas. The Rev. Clyde Swift, Rev. Jerry Rhodes and Rev. John Walker officiated. Burial was in Memorial Gardens.

He is survived by his wife, Mary Ella Yates, one daughter, Carolyn Sue Yates of Texarkana, two sons, Douglas Yates of Shreveport, Tommy Yates of Little Rock, one brother, Jimmy Yates of Chicago, Ill., three sisters, Flora Green and Magnolia Cigainero of Texarkana, Maudie Mae Price Orean of Ajo, Ariz., and four grandchildren.

Bro. Yates was an unusual man. He loved the Lord and the Church and was a bold, unashamed witness for Christ. He would frequently ask a stranger — "Do you know Him of whom I know?" He spent himself unselfishly in service for God and always preached fervently for a decision for Christ. He never seemed to tire of visiting the hospitals, nursing homes and leading Bible studies regularly. Bro. Leonard could say with Paul, "I have kept the faith." He not only kept the faith with God but also with his beloved wife of over 50 years and his family.

For those of us who knew him, "He being dead yet speaketh."

Lelia Ophelia Martin Ault

Mrs. Lelia Ophelia Martin Ault, wife of the Reverend Homer A. F. Ault, died May 22, 1982, in the Hot Springs County Memorial Hospital in Malvern, Arkansas. She was the youngest of ten children born to George Washington and Susan Rebecca Martin on March 4, 1894. She was united in marriage to Reverend H. A. F. Ault on September 13, 1916, at the Caney Methodist Church near Glenwood.

The year she married her husband was the year he felt the call to preach. For forty-three years she served side by side with her husband. Mrs. Ault was known for her winsome spirit and willingness to work in the church wherever there was need. After Reverend Ault's retirement in 1959 they made their home in Malvern.

She is survived by her husband, Reverend Ault; three sons, Holland Alonzo Ault, McGehee; Kenneth Elery Ault, San Diego, CA.; and Julius Albert Ault, Little Rock; a number of grandchildren and great

grandchildren.

On Saturday morning, May 22, after a lengthy illness, she transferred her Church membership from the Malvern Church to the Church Triumphant where she continues to serve her Risen Lord! The Celebration of Christian Victory in her memory was held on Wednesday, May 26, at First United Methodist Church, Malvern and conducted by her pastor, the Reverend F. Gladwin Connell, her District Superintendent, Reverend Thomas E. Weir, and her dear friends, Reverend Waymon Mann, Reverend G. E. Blakely and Reverend M. E. Scott. The interment was in the Midway Cemetery near Malvern.

Mrs. John Lemuel Dedman

Martha Frances Dedman, nee Taylor, was born December 1, 1894 at Jacinto in the vicinity of the historic town of Princeton, Arkansas from which area, in the not too distant past, came many of Arkansas' leading citizens. She received her education from the schools of that area and what is now the University of Arkansas at Monticello.

On September 17, 1915 she was united in Holy Matrimony to her childhood sweetheart, a budding young Methodist minister, the Reverend John Lemuel Dedman. To turn a phrase, it was as tho she were to the parsonage born. That was before the days of what we now call "modern conveniences." Parsonages were austere places as were many of the even better homes compared to now. Their honeymoon parsonage on the Thornton Circuit certainly must have left much to be desired. But in later years this writer heard a then older member of one of the churches on that circuit say of Martha Frances, "She made that parsonage a thing of beauty which is a joy forever." Soon she was to grace some of the stateliest parsonages of

Methodism as her talented young minister husband rose rapidly to places of prominence and leadership in the conference, serving as pastor of the first churches at Hot Springs, Camden and Magnolia and as Presiding Elder, or District Superintendent of the Prescott, Monticello, Forrest City, Pine Bluff and Camden Districts. (The latter twice.)

J. L. Dedman did not reach the astronomical ministerial heights by his abilities alone. Martha Frances not only encouraged her husband, she complimented and supplemented his ministries. She sometimes referred to herself as "a lady of the cloth," not that she considered herself a minister but because she identified with her husband's calling. Wherever they served she was active in the program of the local church and served in official capacities at the district and conference levels both in children's work and in what is now the United Methodist Women. Not only that, but the decor of the parsonage and her own personal appearance were such that the parishioners "needeth not to be ashamed," in fact they were always proud of their parsonage and of their parsonette.

She was the mother of two children who distinguished themselves in the civic, professional and religious life of Camden, Mrs. Richard W. (Mabel) Butt, a teacher and Dr. J. L. Dedman Jr., a practicing physician.

When a break in health dictated her husband's retirement they returned to Camden where they had served three different assignments and where their children lived. There they built their modest, but beautifully appointed, retirement home. There Martha Frances involved herself in church and club activities, enjoying her children, grandchildren and many friends.

After an extended illness in Ouachita Hospital, on October 3, 1981, at the age of 86, she went to claim her room in our Father's House of Many Mansions.

The beautiful, triumphant and inspiring memorial service was held in her beloved First United Methodist Church of Camden, conducted by her pastor, the Reverend Charles G. Ashcraft. Interment was beside her husband in Camden's Memorial Park. It seemed like the end of an era. For her it was the beginning of something far greater than that of which this world dreams.

Mrs. Harold Flowers

Mrs. Margaret Jean Olga Brown Flowers, the daughter of the late Mr. and Mrs. Herbert Brown, was born in Monticello, Arkansas, on April 15, 1925. She departed this life on Tuesday, October 6, 1981, at Jefferson Regional Medical Center, Pine Bluff, Arkansas.

Margaret attended Pine Bluff Public Schools and graduated from Merrill High School. After attending Tuskegee Institute at Tuskegee, Alabama, for two years, she later graduated from the University of Arkansas at Pine Bluff.

Mrs. Flowers was a teacher for fourteen years in Pine Bluff Public Schools. She began as an itinerant music instructor.

Margaret was married to Reverend William Harold Flowers who survives her. She is also survived by five sons, W. Harold Flowers, Jr., of Boulder, Colorado, Thurman H. Flowers of Houston, Texas, Alonzo W. Flowers, II and Alfred L. Flowers, both of Little Rock, Arkansas, and Arthur Knight Flowers of Pine Bluff, Arkansas; three daughters, Mrs. Gretchen F. Wiggins and Miss Stephanie Flowers, both of Houston, Texas, and Mrs. Daphne F. Scarbrough of Fayetteville, Arkansas; one sister, Mrs. Myrtle B. Hyman of Milwaukee, Wisconsin, one brother, Jerry Brown, of St. Paul, Minnesota; nine grandchildren and numerous other relatives and a host of friends.

Her funeral service was conducted at Lakeside United Methodist Church, Pine Bluff, Arkansas, on October 9, 1981, by the Reverend Robert E. Langley, assisted by the Reverends J. Robert Scott, Fletcher Bryant, and Roger Armstrong. Interment was in Forest Lawn Memorial Cemetery.

When her husband was called into the ministry, she felt she was a part of that call. She made the adjustments necessary to become a good minister's wife. Even after failing health, she continued to go with her husband to the worship services. She continued to be active in the UMW and the District Ministers' spouses organization. She followed the example of her Lord "I want to serve." Margaret was a wonderful mother, faithful wife, tremendous teacher, and dedicated Christian.

JOHN 5:24

Mrs. C. B. Harris

Mrs. C. B. Harris, 89, died July 25, 1981 in El Dorado following a long illness. She was born in Cusetta, Texas, the daughter of James Lee and Mary Eugenia Hightower Griffin. Mrs. Harris was the widow of the late Rev. C. B. Harris, who served several Methodist churches for 13 years in Columbia County.

She was a member of the First United Methodist Church, El Dorado, Gleaners Sunday School Class, United Methodist Women, United Daughters of the Confederacy, and Real Daughters of El Dorado.

She is survived by four children: William K. Harris, Monroe, LA; Jesse S. Harris, Dallas, Texas; Mrs. C. E. Cofer, Baytown, Texas; and Mrs. H. A. Kennedy, El Dorado; seven grandchildren and five great-grandchildren.

Mrs. Harris lived in such a way that family, friends and mere acquaintances felt the warmth of Christian perfection. She was able to project the characteristics of Godliness in a sweet and wholesome manner in the most trying circumstances of life. Because of her being able to share love and concern for others, her influence continues to be expressed in the lives of all who knew her.

As a minister's wife her grace and charm enhanced the blessedness of her devout husband's life in his work of our Lord. Between the two of them, the Lord's vineyard flourished with prized fruits of redeemed souls and strengthened lives of dedicated Methodists of Columbia and Union counties.

Patience in affliction and perseverance in keeping the faith through the dark experiences of life enabled her to find escape from the world of flesh in the triumphant victory over death. Her example of handling life positively and meeting death unafraid challenge us to a deeper commitment to Christ and his examples set before us.

She is neither gone nor forgotten. Our memories constantly recreate the beauty of her soul and in all that is good, pure and eternal that flows about us and comes to rest in our inner-selves; she is alive and well.

Surely, the words of our Lord were meant for her when He said, “Well done, good and faithful servant, you have been faithful over a little. I will set you over much; enter into the joy of our Master.”

Funeral services for Mrs. Harris were conducted by the Rev. Ralph E. Hale, on July 27, 1981. Interment was in Arlington Cemetery, El Dorado, Arkansas.

Mrs. Ollie O. McKnight

Mrs. Ollie O. McKnight, aged 86, of Hot Springs, died Friday, August 28. The widow of the late Rev. J. J. McKnight, a ministerial member of the Little Rock Conference of the United Methodist Church, she was a retired nurse. A graveside service was held in Ebenezer Cemetery (Grant County) by Gross Funeral Home.

Mrs. McKnight is survived by a brother, James Lowry of Texas, and one grandchild.

Mrs. Hazel Ione Mitchell

Mrs. Hazel Ione Mitchell, widow of the late Rev. Ira M. Mitchell, a ministerial member of the Little Rock Conference, died in Memphis, TN, Monday, July 13, 1981. She is survived by a son, Benjamin E. Mitchell of Memphis.

Mrs. Charles (Virginia) Richards

Virginia Elizabeth Coltharp was born at Newport, Arkansas on April 8, 1915 to Chester and Mary Virginia Coltharp. To this union was also born a son Chester, Jr. The entire Coltharp family was a very close knit family and very much involved in the life and work of the Methodist Church.

Upon finishing high school she attended Galloway College, then went on to graduate from the University of Central Arkansas and received her Master's degree from George Peabody College in Nashville, Tenn. She formerly taught English and French in the public schools in Arkansas and Tennessee.

In 1933 she met Charles Richards. Thus began a friendship that grew into a love for each other that continued to grow over the 45 years that followed. Charles and Virginia were married in the fall of 1937 while both were teaching school in Pocahontas, Arkansas.

After seven years of teaching, Virginia became the home secretary of a brand new Methodist preacher when she and Charles moved to a five point circuit near Lawrenceburg, Tennessee. Although Virginia did not marry a minister she committed her life to ministry in no less degree than did her husband. So across the span of 37 years in local churches and 11 years on the district she was a superb homemaker and wife, mother of two fine children who are active Methodists, an effective home secretary, a quiet but competent counselor to those who sought her counsel, a good neighbor to those who would be neighborly, an officer in UMW, PTA and Garden Club. Virginia was a great lover of flowers, particularly roses. However, her greatest thrill in recent years was the arrival of four grandchildren, whom she loved and adored.

Virginia died February 16, 1982. Memorial services were held February 18, 1982 at the First United Methodist Church in Fort Smith, Arkansas with Bishop Kenneth Hicks and Dr. Joel Cooper officiating. Burial was in Roselawn Cemetery in Fort Smith.

Virginia was preceded in death by her brother Chester, Jr. She is survived by her husband Charles, a daughter, Jacqueline Gentry of Ansbach, Germany, a son William of Fort Smith and four grandchildren.

Virginia felt that she was expendable, like Paul when he said, "I am willing to spend and be spent for you." She cared deeply for people and was always eager to hear about "your family." Everyone was somebody to her. Wherever Virginia was one felt immediately that there was a sweet sweet spirit in that place. She was a great encourager like Jesus who

encouraged Peter.

Those who knew Virginia knew her to be selfless and caring. As we think of the number of lives to whom Virginia gave of herself, we know that we owe what we are in part to the love and interest that has touched our lives through the faith of one so dear to us.

And, when the stream
Which overflowed the soul was passed away,
A consciousness remained that it had left,
Deposited upon the silent shore
Of memory, images and precious thoughts,
That shall not idle, and cannot be destroyed.

Tipton who served as pastor of the Samaritan United Methodist Church, St. Louis before transferring to the Wesley Chapel in Little Rock, Arkansas where they served in the Church. Mamie Swinger Wallace

Mamie Swinger Wallace, the second child of three children of the late Mr. and Mrs. Dave Swinger was born November 24, 1902 at Marche, in Pulaski County, Arkansas.

She departed this life Tuesday, April 13, 1982 in Little Rock, Arkansas.

She professed Christ at an early age and united with Zion Chapel Methodist Episcopal Church. Later she united with White Memorial U.M. Church, serving with the Golden Cross Guild.

She was a member of the Order of Eastern Star, Bright Future Chapter No. 332.

Survivors are: one brother, Leroy Swinger of North Little Rock, Arkansas; four step-children, Mrs. Eustice Hutchinson, North Little Rock, Arkansas, Mr. Marion Wallace, Detroit, Michigan, Mrs. Edith B. Harris and Mrs. Agnes J. Meyer, both of Los Angeles, California; one niece, Mrs. Eugene Piggee, Little Rock, Arkansas; one cousin, Mrs. Rosie Oliver, Little Rock, Arkansas; 11 grandchildren; 18 great grandchildren, a host of other relatives and friends.

At the end of this life, filled with some joy,
some sorrow, some pain and deprivation;
I go to meet my Saviour, Christ the Lord to rest in peace.

Jonna Lee Ross

"And calling to him a child . . ." So Matthew begins the illustration of what Jesus saw as greatest in the Kingdom of Heaven. Trusting dependence, unself-conscious love, unfeigned humility, — those are the characteristics of a child, characteristics of the "greatest in the kingdom of heaven." Jonna Ross measured up!

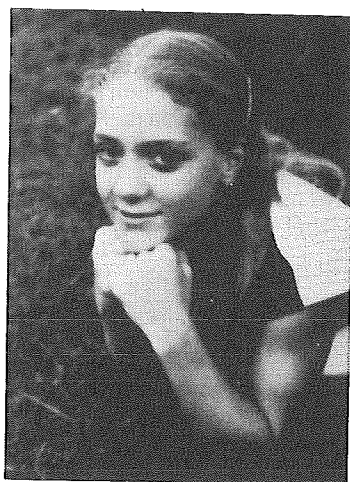

During her fourteen years and eleven months of earthly life, from her birth on August 26, 1966, she lived in those heavenly graces.

A child of Christ's Church, she trusted herself to its forms and ministries. In the fellowship of United Methodist Youth, in District U.M.Y. Offices, in her cherished service as a youth delegate to the Annual Conference, she believed in and relied upon the Church for belonging and guidance and nurture. Love moved freely through her in responsible uses of the gifts entrusted to her, achieving National Honor Society membership for two years in the Star City High School, and employing her artistic talents as accompanist for the Drew Central Boy's Choir, as a member of Reach-Out Singers in Monticello, and as a talented dancer. Her accomplishments and honors she wore naturally, without pretension, grateful for them and ready to share them without compensation.

When illness worked its evil upon her she lived in Faith, relying upon her belief in a saving Lord. Neither was her love diminished, especially for her "brothers," whom she called those "crazy Methodist preachers," whose letters and visits she prized more than convenience or privacy. Even in the painful labors of her last days she remained in that child-like state of Grace.

And then on July 20, 1981, Jonna was set free to move from weakness and pain unto that dimension where, "angels always behold the face of my Father." Her parents John and Lisa, her brother James, her grandparents Winfred C. Ross of Little Rock and the Roger McRoberts of Houston are joined in remembrance of her by her schoolmates and by author Lucille Babcock who wrote of her, "a fourteen year old who gave the people poetry through dance, song, and in her reflection of God's idea." She lives on in their love and in God's love for, "... it is not the will of my Father who is in heaven that one of these little ones should perish."

Benjamin Tyndale Fooks

With the home-going of B. T. Fooks, the Little Rock Conference lost one of the most outstanding laymen ever to participate in its deliberations. For four decades, Tyndale Fooks was a lay member of the Little Rock Conference participating fully in its fellowship and official actions. His home church, First United Methodist Church, Camden elected him repeatedly as its representative, and the laymen of the conference in turn elected him as a member of the General and Jurisdictional Conference on each of four quadrennia. The wide esteem in which B. T. Fooks was held can be seen by the fact that he served as trustee of Hendrix College, Southern Methodist University, Mt. Sequoyah Assembly, and as a member of the General and Jurisdictional Boards of Missions.

Mr. Fooks did not limit the expression of his Christian faith to the organizations of the church. He was active in state politics, seeking to elect those candidates who he believed would contribute most to the common good. He was also generous in giving his time to many national and state organizations which could contribute to the economic advancement of the people of our state and nation.

Perhaps his greatest achievement was the development of his own business. The Grapette Company of Camden, Arkansas, whose soft drink products were sold throughout the Western Hemisphere and Japan. It was from the activities of this business that he derived the economic base from which he could make generous monetary gifts to this church and her institutions.

It is always with gratitude that the writer recalls that Mr. and Mrs. Fooks were the sole donors of the financial support that he and his wife received during the five years of foreign missionary work for the Methodist Church in the Republic of Chile.

Through more than 80 years of life, Benjamin Tyndale Fooks served his Lord. That life began in Paducah, Kentucky on July 15, 1901, and ended in Camden, Arkansas on September 30, 1981. His funeral service was held in his beloved home church where he had served as lay leader and steward for so long. His pastor, Reverend Charles G. Ashcraft, conducted the service and his body was laid to rest in the Greenwood Cemetery at Camden.

Every pastor dreams of having such an outstanding and dedicated layman in his congregation, one who will serve the church at its broader levels but who is also loyal and supportive in the local church. Tyndale Fooks was just such a layman. The writer can find no better way to close this memoir than to quote a tribute composed by the present Superintendent of the Camden District, Michael R. Clayton. "Tyndale Fooks, through his capacities for self-giving, was an individual who gave strength to many. Mr. Fooks carried out his responsibilities with integrity, loyalty and in the strength of God's love. In his own unique way through the gift of his life, substance became spirit in full capacity."

Frank H. Thompson, Sr.

When Frank H. Thompson, Sr. was born near Stephens on August 9, 1921, he was destined to become an active and prominent layman in Arkansas Methodism. The son of Robert Herbert and Irene Hodge Thompson, he became a successful South Arkansas businessman as owner and operator of Frank Thompson Transport, Inc., of El Dorado.

During World War II, Frank served his country in the U.S. Army with time spent overseas in Italy and the Philippines.

As a civic-minded person, he was active in many local and State affairs including the El Dorado Rotary Club, Chamber of Commerce, Union County Development Council, Chairman of the Union County F.H.A. Committee, President of the Union County Soil and Water Conservation Board, and past-president of the Southwest District of the same. He was also a member of the Arkansas Bus and Truck Association.

Frank Thompson is best remembered for his work as a committed Christian and as a long-time member of First United Methodist Church of El Dorado. He was a member of the Francis Asbury Sunday School Class and served his church for a number of years as a lay member of the Little Rock Annual Conference and a member of the Administrative Board. He also served as the Camden District Lay Leader.

On the conference level, he was a member of the Committee on Finance and Administration, and the Arkansas Methodist Foundation.

Survivors include his widow, Mrs. Lurline Thompson, one son, Frank H. Thompson, Jr., both of El Dorado; two daughters, Mrs. Celia Janet Haas of Rio de Janeiro, Brazil, and Mrs. Carolyn Orr of Bellevue, Nebraska; his step-mother, Mrs. R. H. Thompson of El Dorado; two brothers, Wilfred H. Thompson of Minden, LA, and Hal Jean Thompson of Venezuela; and two grandchildren.

The Memorial service for Frank was held at First United Methodist Church in El Dorado on July 4, 1981, with burial in Arlington Cemetery. This service was conducted by Rev. Ralph E. Hale and Rev. Ralph S. Mann. His influence and memory continue to live in the hearts of many and his spirit has returned to God who gave it.

According to the Board of Discipleship of The United Methodist Church, Section on Christian Education, the "most reliable leading indicators of membership trends are the trends in Church School Attendance, Church School Enrollment, and Morning Church Worship Attendance." The following two bar-graphs indicate the Change Rate Trends in Attendance and Membership since the 1961-1964 Quadrennium . . . showing a comparison between the United Methodist Denominational figures and the Little Rock Annual Conference figures. There are some indications that the downward trends are turning around, especially in Church Membership and Worship Attendance, for both the Denomination and the Little Rock Conference. The Denomination shows this also for Church School Enrollment and Attendance, but the Little Rock Conference continues to decline in the Church School.
