Womack, Britt Skarda, Paulette O'Dell, James Polk and Vincent Harris. He nominated Roger E. Armstrong, Journal Clerk and Patricia Parker, Transcriptionist.

VI. Reports

Episcopal Address Little Rock Annual Conference June 11-14, 1989

An Annual Conference is a unique critter. We are not a convention; we're not an assembly, not a church legislature. In many respects we're a family.

The preachers have no local church membership, but belong to the Annual Conference — offering in return their joy in service wherever they are appointed. It is their spiritual home. Laity represent local churches as spiritual advisors, friends, with a willingness to receive their appointed pastors. So it's a very special group of people who come together.

Our business is to see what we can do collectively that we cannot do individually. Since we are family, the strong help the weak, in establishing new congregations, providing minimum support to modest congregations, helping each other with insurance, preachers, pensions, and emergency aid.

Together we support our institutions: Arkansas can be extremely grateful for splendid colleges under the brilliant leadership of Dr. Joe Hatcher at Hendrix and Dr. Myer Titus at Philander Smith. They are literally leading the way in the education field in the United Methodist Church. SMU, under Dr. Kenneth Pye, is refreshingly alive and vibrant. The Children's Home, headed by Reverend Bob Orr, is ministering to troubled youth in changing times. Mr. John Blundell draws national attention to Aldersgate and its work with ill, handicapped, and/or abused children and youth. Mt. Sequoyah has doubled its participation and dramatically improved its facilities under Don and Constance Waddell. Camp Tanako, with Terry Everitt's leadership, is having a wonderful program and is rebuilding the facilities.

Together we can do great things. Time would not allow us to look at our world participation in United Methodist ministries. But a symbol of world wide connection is the new United Methodist University in Zimbabwe. The African bishops are ecstatic. They say it will impact South Central Africa and will impact the future as ministers, doctors, and business people, civil servants, and teachers come out of that University.

So we are together as family — soul brothers and sisters in the Wesleyan heritage, knitted together by our vows and commitments, our history and heritage, and, perhaps most important of all, our dreams of ministry and service in the days ahead. We have one driving question. "Together, how much can we do for God?"

Part I — Discipleship

I want to focus on three areas of church life this morning. Discipleship — the itinerancy, our professional ministry — and the issues of our society.

First, our obedience to the command of our Lord to make disciples, baptizing and teaching. How are we doing?

Pastors are relearning how to reach the unchurched. Lay Christians are rediscovering how to witness, how to invite, how to teach. The **Disciple** Bible Study is a powerful tool for renewal. I respectfully ask each congregation to enter into the **Disciple** plan within the next two years as a dramatic way of rediscovering the Word of God amid the intimacy of Christian fellowship. Churches that are really alive are including several unchurched people in the **Disciple** groups.

This foundation undergirds the Sunday School, the pre-schools, the Vacation Bible Schools, the Youth programs, the adult classes. You cannot have good church schools without good teachers, and you need Biblical, theological and practical training.

We're on the brink! Lab schools are filling up again. So are teacher training workshops. District Superintendents are offering themselves as resources. So is the Conference staff. What we are striving for is a revitalized Christian Education. With the spiritual vacuum in our schools, with the breakdown of our homes, we must do everything we can to see

that every Christian from six weeks to ninety-six years is in some form of Christian education.

Twenty-six churches were **Five Star Churches**.

Pastors expecting advancement of responsibility must have lay leadership development and vital Sunday Schools.

Our statistics can be read in different ways. My Dad used to say figures don't lie, but liars can figure.

On one hand we baptized 941 people — this was 70 less than the previous year. On the other hand, we buried 1122 people; that's 181 more than we baptized.

Our Sunday School declined nearly 949 in average attendance, but our constituency rolls were up by 1064.

Total membership declined by 882.

Let me appeal to you laity —

Get out of your mind the worldly values — we want a bigger church. We want to be as big as the Baptists. We need more members to help pay our bills.

Put into your minds the Godly values. Is every child receiving Christian training? Has every man and woman been invited to our fellowship? Do we have new ministries that would attract the unchurched? Are we praying daily for converts? Can we help begin a new congregation? Does our pastor need help in confirmation training? How can we reach youth for Jesus Christ?

We will not be satisfied until every church has a conversion. We will not let up until we baptize more souls than we bury. We will be unrelenting that we open our doors to the poor, the disenfranchised, the black, the young, the newcomer within our gates.

During my ministry in Arkansas, I dream of a resurgence of enthusiasm, a growing church school, a youth ministry, and an expanding membership of our churches.

Part II — The Appointment Making Process

For better or worse, we live under an appointive style of ministry. I am assigned, and every United Methodist pastor is assigned. The bishop, with the advice of the cabinet, hearing through a consultative process with pastors and staff or Pastor Parish Committees, annually assign each member of the Conference and each local pastor to her or his charge.

Across the years, the process has evolved. In early days, young men on horseback were assigned by the bishop to whole territories — Kentucky — or Missouri — or Arkansas. When preachers were ineffective or became worn out, tired, or sick, they were located. So were they if they got married, for they were encumbered by a family and considered unable to itinerate. There was no shortage of settlements in which to preach.

Now things are different. Ministers, both men and women, often have strings tied to their appointments: the job of a spouse, the education of children, the care of parents, the health and welfare of a family member — all are legitimate concerns, but they restrict freedom to itinerate. An oft unspoken restriction is the reluctance to receive a drop in salary.

The laity, on the other hand, are becoming increasingly involved. They are properly consulting by way of the Pastor Parish Committees through the district superintendent. For several years now we have been receiving large numbers of members from other denominations. Some of these fine Christians expect congregational votes, or church-wide meetings to discuss the pastor. Or they would like to send a group of people to visit with the superintendent or bishop. That action violates our **Discipline** and our proper process. Help your people know that our consultation is only and always through the Pastor Parish Relations Committee. The Lay Member of the Conference is a member of that committee, hopefully, also, so is the lay leader, providing excellent linkage.

More and more, through the consultative process, committees are properly encouraging their pastor throughout the year, making and achieving mutual goals, affirming strengths, pointing out weaknesses, helping the pastor receive additional training, rest, or spiritual enrichment. More and more committees are developing a profile of expectation

when a change of pastors seems appropriate.

This year was the best ever for consultation. We were able to have 20% fewer moves and most moves went smoothly.

Two or three hitches occurred, however.

In some committees, a vote was taken, and it was felt that that vote was determinative — in other words, for example, a 5 to 4 vote or a 6 to 3 vote for the pastor to move or stay, thinking that decided the matter. We do not recommend a vote at all, for it is a judgment call that should try to read both the will of God and the mood of the Church. But, whether a consensus or a vote, the action is still advisory; the Bishop with the advice of the cabinet must finally decide what seems to be in the best interests of the church and the pastor.

In the same manner, it is an unwise pastor who says in the Spring — “I’m moving,” or “I’m staying.” A Methodist pastor has more appropriate words to say, such as “I am requesting to stay” or “I’m under evaluation.” Some pastors burn their bridges, forgetting there may be no place for them to go.

The hardest thing to explain is both our glory and our difficulty. When I read the appointments for the North Arkansas Conference and the Little Rock Conference (incidentally, we are forced more and more to think of the entire state — and beyond — in appointment matters) — When the appointments are read, every church, every church no matter how small, will have a pastor. Several people are asking for ministry — elders from other states, pastors from other denominations, lay persons wishing to be local pastors — and we do not, this year, have room for them.

Recently I talked with a Presbyterian executive who said his system works only when 10% to 20% of their church are without a pastor — it allows the system to call and respond.

Our system is more like musical chairs — and every chair is full. A pastor cannot move until a church is open and a church is not open until a pastor moves. The informal kitchen cabinet cannot understand this because they usually leave someone out, making things a lot easier. To make our system work we sometimes need a pastor who should not move. That upsets everybody, including me. But to use a simple, hypothetical illustration:

Here is a pastor with responsibility for 600 souls, who, after 8 years, is moving. Here is a pastor of 200 souls, who, after 6 years, is ready for a new challenge. But the responsibility jump is great, maybe too great, the salary increase is large, the morale of the conference is shaken. What to do? Here is a pastor right in between — 400 souls, with good experience — the salary in between — but who is in her or his third year — a unanimous vote of the P.P.R. Committee requests no move — has assumed he or she will stay.

This year, more than ever before, P.P.R. Committees objected when that change was made, even though it never was done without the pastor’s approval.

So, to modify our system even more, we are going to:

- a) avoid such situations as often as we can, moving pastors with longer tenure even if it means significantly larger churches.
- b) notify immediately the P.P.R. Committee if an unexpected move is being considered, and
- c) allowing the P.P.R. Committee more time to reflect and prepare a profile of their needs before a new appointment is made.

All this is difficult, because often a series of appointments — 10 or 12 — must all be made together. To paraphrase Benjamin Franklin — “They hang together” or fall together. But we are determined to try.

No conference has ever been blessed with finer, more caring superintendents.

During the coming year, I’m asking them to do two things specifically. Spend more time with the pastors, less time in committee meetings; more time with the churches, listening, and less time preaching. Like the Conference Staff, I want them to be available to you, to help you start a Fisherman’s Club, carry teachers to a Sunday School training workshop; study a city to dream in a new congregation. Their goal will be to help every

pastor succeed, every appointment to work well, and every church to flourish.

And second, and this I want to say very heavily to the pastors, I'm asking superintendents to form cluster groups of all pastors. We have worked alone too long. We have walked lonely vigils too long. It is time we became a fellowship once again, to meet regularly for prayer, for Bible Study — not just to hand out mimeograph sheets (I've been on both sides of that), but to have a time of sharing and fellowship.

Do you realize it is a precious gift of Christ that we would have not only the strength from the scriptures and the sacraments, but that we would have each other. Please, please, help us to do that. Satan is destroying a minister here, a minister there, tearing up a family, driving competitive wedges within the fellowship, causing pride and jealousy — who's serving what church — and that has to be overcome by a sweet spirit of cooperation. Homes are at stake, spiritual morale is involved, and fellowship is essential.

Help us build a ministry with the same type of Koinonia we covet for every Christian.

A word about women in ministry. Folks, it's here. No longer is it coming. It is here! No longer is it acceptable for a church to say, "Don't send us a woman preacher."

I haven't done what one of my bishop friends has done. He said to the Pastor Parish committee, "If you make that request, please put that in writing so that the civil suit will be directed to you."

I believe with all my heart that God needs all God's people. The work is so huge. The task of Kingdom building is so great, we need us all, and the Lord needs us all. One third of all of our seminary students in the United Methodist seminaries are women; half in my own seminary. We have been asked by the Episcopal Committee, and actually I am more eager than they, to have a woman superintendent as soon as possible.

We need women pastors in our larger churches and in the superintendency. We're having some of our strongest and finest leadership given by women. Each of you go back to your home church, and you are on your Pastor-Parish. Men and women are called by God to preach. I feel so strongly because our two daughters are in a form of ministry, and believe you me, God gave them some special gifts that are reaching people for Christ and the Church. Women are in ministry, and they will be in every level of our denomination.

Part III — The Issues Of Our Society

A word about the hymnal. We are going to have the greatest liturgical renewal that our Church has seen in a half of a century. The new hymnal is so exciting! You can sing "We're Climbing Jacob's Ladder" or "A Mighty Fortress is Our God" or "There's A Sweet, Sweet Spirit In This Place" or "Precious Lord, Take My Hand." It's all there! And you can sing and sing and sing and sing and sing. And I hope that some of you will blow the three hymns and a prayer right out of the saddle.

Sing, sing, and sing again. And I hope you will start singing on Sunday nights, and I hope you will start singing around the piano, and I hope you'll sing in your homes. I hope the young people will sing, and I hope the children will sing, and I hope the Methodists will once again be a "singing people."

The morning news reminds us that we are in a changing world. China is struggling with democracy; when Russia is referring to God and passing out Bibles — when Koreans are sending missionaries all over the world.

A renewal of the things we hold deepest is happening all over the world. Christianity and Christian principals are swelling up. Every person is a child of God. People believe that. Freedom comes when Christ breaks the sin-hold on a human life. Life has meaning when it's shared. And so, how do we live out our faith?

I can't get a better handle on it than to think of our own discipleship and our own intensity. In your pre-schools, teach as much of the Gospel as you can. Don't farm that out to somebody down the street. In your Mom's Day Out, teach your little ones as much as you can. In your Vacation Church Schools, laugh and play and help young people know that Christ came to give the abundant life. And ask **everybody** to come to your Vacation Bible School — the greatest way for the small and the rural church to reach the unchurched.

Open your church for tutoring. The library in your church for young people to read. Volunteers in the jail to do tutoring. Both **Trinity** and **Disciple** are moving into some of the prisons.

Pray for better schools in Arkansas. The critical issue in Arkansas in the public sector is **schools. Pray for the schools, pay for the schools.** Let the Methodist Church demand higher pay for teachers — better classrooms — better colleges — stronger education! **And we don't need a lottery to do it!**

Now this final word about children and young people. Most of you are not dying of illegal drugs. Few alcoholics are in this room. Many of you have been saved from disease, chemical abuse, alcohol, tobacco usage because when you were twelve years old, somebody told you that the body is the Temple of the Holy Spirit — Somebody shared with you that Jesus Christ could lead you into an abundant life where you did not need alcohol or tobacco or — we didn't know so much about drugs in those days, but now we do.

Who's going to tell our twelve-year olds if you don't tell them? Who's going to show them the way if you do not abstain? Who is going to offer to the youth of America a sober, clean, traditionally Methodist life, free from alcohol, tobacco and chemical abuse if you don't do it?

Who is going to proclaim it, publicly and personally? Should the surgeon general of the United States be more excited than the Methodist preacher? Should we have to look — and I praise God for him — for him to be the evangelist to our society on drunk driving? An advertising of alcohol where, as he put it, the athletes and the movie stars teach our young people that it is sexually and socially wise and prominent to drink.

I ask your churches to take as a great mission field the youth of America. Not the youth of your church — that's not big enough. The youth of your town — the youth of your community — the youth as far as you can count them. Put some money in it; hire some youth workers; bring some college kids back for the summer and help your youth program. Take your finest lay people off your administrative board, off your Pastor Parish Committee, and have them become youth workers and teachers.

Every Methodist preacher ought to be working in a youth camp. Where did we get the idea that once you're 35 you no longer have an impact on young people. I don't know how many teen-agers there are in this Conference, but every one of them needs Jesus Christ.

And if the people called Methodist can't do it, then we ought to go out of business.

Folks, I have never been so excited about the ministry of the Church; I've never been so excited about the Christian community around the world. I believe that God is whispering to us today, that He has brought us to this hour for a very, very special purpose and that He expects the Little Rock Annual Conference to be a powerhouse in the days ahead.

Report #1 — Council On Finance And Administration

If you were in business and you saw your business statistics going downhill, what would you do? Would you ignore it? Would you say it is simply bad times? Would you seek to do something about it in a forthright and progressive way? Hopefully, you would seek to do the latter, especially if you loved that business and had given your life to it. Well, our business is the church and in particular the United Methodist Church in the Little Rock Conference.

Your Conference CFA has been given the responsibility to handle the business end of the conference work. This means we must, sometimes to our dismay, look at the finances. Here is what we are seeing at present: In 1978 our conference paid 98% of its apportionments. In 1978 we paid 97% of World Service. Since that time, we have gone steadily downhill. In 1988, we paid 86% of apportionments. We paid 80% of World Service. This simply means that many programs and ministries of the church suffered. Your CFA has met with Bishop Wilke and we discussed at length the problems in our conference as they relate to apportionments. As a result, the Council on Finance and Administration (CFA) recommends the following for adoption by the Little Rock Annual Conference:

1. That the Annual Conference require District Superintendents to work with churches to create support and develop plans to pay 100% of apportionments. A reasonable time-line should be applied and the plan filed annually with the CFA.
2. A list of pastors and churches paying their apportionments in full be published in the ARKANSAS UNITED METHODIST.
3. That the Bishop and CFA go on record as asking the Cabinet to appropriately apply the appointive process to assure full payment of apportionments.
4. That churches considering building programs give serious consideration to paying apportionments in full, or devising a plan to do so, before undertaking major capital expenditures.

FINAL COMMENT: If we do not turn this problem around in the next two years, we can anticipate such a massive deficit in apportionments as to make it impossible to maintain present programs and ministries. Everyone will be hurt.

Respectfully submitted,
David F. Prothro, Chairperson
Committee on Benevolent Interpretation

VI. Apportionments and Asking:		
A. World Service and Conference Benevolences: We recommend that the General Conference apportionment of \$423,326 for World Service be accepted and that an amount of \$871,365 be apportioned for Conference Benevolences for 1990; for a total apportionment of \$1,294,691. Further, we recommend that the monies received for World Service and Conference Benevolences be distributed on a basis of 32.70% for World Service and 67.30% for Conference Benevolences.		
B. Ministerial Support: We recommend that the Ministerial Support apportionment of \$1,786,106 be accepted in full by the Annual Conference and that it be apportioned to the local churches.		
C. Other Apportioned Funds: We recommend that the Annual Conference accept in full the asking listed below and they be apportioned to the local churches.		

General and Jurisdictional and Area Benevolences.....	\$142,397
Tanako Development Fund.....	165,000
Administration.....	<u>178,692</u>
TOTAL.....	\$486,089

VII. Apportionment Formula

We recommend that the formula used by the Conference be a two year average of the most recent years' statistics: $\frac{1}{3}$ based on membership (column 9) and $\frac{2}{3}$ based on financial data, consisting of local church expenditures (columns 35, 36, 38, 39, 40, and 41) and that year's apportionments. The decimal will be a Conference decimal, with each church weighed against the conference total.

VIII. Salary and Expenses of District Superintendents and Council on Ministries Director:

We recommend the District Superintendents' total compensation package for 1990 be \$58,558.26. This figure shall include salary, utilities and appurtenances, and travel expense.

We recommend a vouchered expense pool for the District Superintendents in the amount of \$21,000 for meetings (Cabinet, CCOM, and out of state) with the stipulation that no district, board, or agency make any payment for the purpose indicated above.

We recommend that the Director of the Council on Ministries' salary and expense be the same as the District Superintendents'.

IX. Advance Specials

We recommend General Advance Specials to local churches for firsthand relationships with mission projects and involvement in mission.

X. Special Days

We recommend these Special Days with offerings:

Human Relations Day — During Epiphany on the Sunday before the observance of Martin Luther King's birthday.

One Great Hour of Sharing — Fourth Sunday in Lent

United Methodist Student Day — Sunday after Thanksgiving

World Communion Sunday — First Sunday in October

Peace with Justice — Second Sunday after Pentecost

United Methodist Children's Home — Second and Third Sundays in December

Native American Awareness Sunday — April 29

Tanako Offering — September 10

Golden Cross Sunday — First Sunday in May

XI. "Fair Share" Goals:

A. Aldersgate Camp — We recommend \$50,000 be requested from the churches in "Fair Share goals for core costs" at Aldersgate, and that "programmatic costs" be continued as a Conference Advance Special.

B. Christian Civic Foundation — We recommend \$12,500 be requested from the local churches in "Fair Share" goals for the Christian Civic Foundation in 1990.

C. Perkins/St. Paul — We recommend \$63,060 be requested from the local churches in "Fair Share" goals for the Perkins/St. Paul campaign may be paid only after the Ministerial Education Fund apportionment is paid in full.

D. U.A.M.S Hospital Chaplains Fund — We recommend \$6,000 be requested from the local churches in "Fair Share" goals for the Pastoral Care program.

Council On Finance And Administration
Report #3
Other Recommendations

- I. Pastor's Utilities and Appurtenances: If no utility allowance is made, we recommend that the local churches designate a part of the compensation as parsonage utilities and appurtenances to exempt those costs from income taxes.
- II. The travel allowance remain at \$.20 per mile plus \$.02 per mile for each additional person, to encourage car pooling.
- III. Retired ministers be paid \$35 per diem for days they attend Annual Conference.
- IV. Pastors' moving expense be paid at the rate of \$300 plus \$.75 per mile. The mileage is to be paid from parsonage to parsonage, with one exception. When transferring from another conference, the rate will apply from parsonage to the Little Rock Conference boundary. The policies for application for Pastors' Moving Expenses Funds are listed in the 1982 JOURNAL, page 127, Section 12II(F).
- V. All unrestricted benevolence funds be placed in a central operating balance.
- VI. "Interest Income" from investments (estimated 1990 income: \$40,000), with the exception of the income earned from Church Development Funds, be deposited in the Conference Administration Fund.
- VII. Balances remaining in the Conference Benevolence Fund and the Conference Administration Fund at year end be transferred to the Contingency Fund.
- VIII. Any Conference employee who has, or who desires a tax sheltered annuity may direct the Director of Finance & Management to pay this annuity from his regular income following proper guidelines.
- IX. Housing allowances (for persons receiving such funds) be set at the estimated actual expense as reported to the conference or local church. This information should be reported at the beginning of each calendar year. This will result in re-allocation in the funds paid to such persons and will not increase the total amount paid.
- X. Each board, commission, committee or agency not be allowed to change a line item in its approved budget which would exceed 10% of the amount without approval of the Council on Finance & Administration.
- XI. All agencies receiving conference funds shall submit their latest independent audits to the Conference Council on Finance & Administration for their review and study.
- XII. Wesley Foundations may solicit funds within their supporting districts after approval is given by the District Council on Ministries.
- XIII. Local church administrative boards consider paying all conference life and health insurance (DBP & HMEP) premiums directly (above salary) in order to provide tax savings for pastors and other church employees. If necessary or desirable, the salary may be reduced by the same amount. This policy must be consistently applied to all employees.
- XIV. Participation by the conference in Area programs must not exceed 50% of the cost of that program, with the exceptions approved by the Council on Finance and Administration.
- XV. The management and investment of all the monies of/from all those boards and agencies which receive monies from the Conference or line item apportionments must be handled by the area treasurer's office.
- XVI. Any capital lease or purchase over \$1,500 must be approved by the Council on Finance and Administration prior to lease or purchase, even if that budget has been previously approved.
- XVII. Permission be granted to the area treasurer to borrow funds (on a short-term basis) from the Arkansas Area account if Little Rock Conference funds are not sufficient to meet current needs. Both Council on Finance and Administration

presidents must approve the loan before it is transacted. Interest on such loan will be paid at the current money market rate.

XVIII. The Conference provide fidelity bonding insurance for all local churches in compliance with Paragraph 714.1.

XIX. A uniform percentage of 5% will be added to all 1990 apportionments.

XX. The following be adopted, as a guide for the investment and care of all Conference Funds:

The Area Treasurer is charged with the responsibility for managing all Conference funds in a manner that will provide:

A. The maximum income from the investment of all funds, while simultaneously insuring

B. Adequate liquidity to meet the day-to-day operational needs of the Treasurer's Office and

C. The safety and soundness of all funds. To accomplish this, all funds should be

(1) deposited in Arkansas institutions in a fully insured status on a short-term basis, generally ninety days, but up to six months with the approval of the Investment Committee or CFA, or

(2) invested in direct U. S. Government obligations for terms up to six months, or

(3) invested with the General Board of Pensions of the United Methodist Church.

Longer term investments may be made from time to time, but these are generally discouraged, because of the uncertainty of the need for funds and the volatility of interest rates. The Area Treasurer is encouraged to consult with a majority of the Investment Committee or the CFA, when he is uncertain about an investment. This policy is intended to be flexible in its application, in order to meet rapidly changing economic conditions. While income is desirable, the primary emphasis should continue to be the maintenance of adequate funds and the avoidance of speculative investments.

This policy may be amended from time to time to meet changing conditions and to enhance the income of the Conference.

XXI. That the South Central Jurisdiction VOLUNTEERS IN MISSION be given authority to solicit "volunteer" contributions from individuals, districts, and the Annual Conference for the purpose of funding the administrative work of this program. That these contributions be kept as a line item in reporting to the Jurisdictional Council on Finance and Administration and that such be a part of the audit report of the jurisdictional budget.

All contributions to this fund must go directly to the Little Rock Conference Treasurer's Office.

XXII. The Conference gives the Conference Council on Finance and Administration the authority to fund extraordinary needs relating to the life and ministry of the annual conference. These needs shall be funded from unrestricted funds and contingency funds. This authority shall not be used, nor is it intended, to replace or circumvent normal funding procedures of the Little Rock Annual Conference. Actions on such requests shall be reported to the next regular session of the Annual Conference. (This recommendation is in reference to paragraph 709.6 of the 1988 BOOK OF DISCIPLINE)

XXIII. The Conference Council on Finance and Administration recommends the purchase of computers and software for each District Office. Based on a proposal given to the CFA by the Joint Cabinet the computer systems would cost \$4,500 each. Funding for these computers would come from the Conference contingency funds. This would be a total expenditure of \$27,000. The CFA approved the purchase of these computer systems subject to a vote of the Annual Conference.

- XXIV. THE BOOK OF DISCIPLINE authorizes the Conference CFA to convene representatives of various conference agencies when there are matters of mutual concern. It has been brought to our attention that several conferences have begun programs of property insurance coverage for the various local churches and agencies of their conference. As a result, significant savings in premium costs have been realized by those participating. In order to look into this possibility, the CFA has organized a group of lay and clergy persons from around our conference to study this program and to bring any recommendations they might deem advisable to the 1990 annual conference, through the Conference Council on Finance and Administration.
- XXV. The Conference CFA recommends that Joe Eason be elected to the Office of Conference Treasurer for the 1989-1992 quadrennium.
- XXVI. We express our appreciation to Joe Eason and his staff, Barbara Skiles, Cheryl Beck, Alvin Burks, and Mary Lois Stanfield, for the excellent service they perform for the Conference.

DECISION NO. 614

IN RE: Custody and Management of Refund from the Medical Expense Program of the General Board of Pensions.

DIGEST

Employee benefits are not subject to the investment policies of the Conference Council on Finance and Administration.

STATEMENT OF FACTS

The Insurance Committee and the Conference Council on Finance and Administration have received differing opinions as relates to whether funds paid by subscribers to the Health and Medical Expense Plan of the Conference are funds which fall under the purview of the Conference Council on Finance and Administration, and thus, subject to the investment policies of the Conference Council on Finance and Administration, or are employee benefits which would make them subject to the investment policies of the Board of Pensions, and thus, fall under the purview of the Conference Insurance Committee. The Conference voted to ask the Judicial Council for a declaratory Decision regarding same.

Appearing at an oral hearing on April 20, 1989 in Dallas, Texas were Dr. Fred Haustein, representing the Little Rock Conference Council on Finance and Administration, and the Rev. John F. Walker and Dr. F. Gladwin Connell, representing the Insurance Committee of the Little Rock Annual Conference.

Jurisdiction

The Judicial Council has jurisdiction under ¶2615 of the **Discipline**.

Analysis

The issue here is whether funds held by the Conference Insurance Committee are "Conference funds," and thus subject to the investment policies of the Conference Council on Finance and

In cooperation with the General Council on Finance and Administration, related Annual Conference agencies and institutions, and local churches, to make recommendations to the Annual Conference regarding the development, promotion and review of a broad general program of insurance protection and risk management, **except for employee benefit programs** (emphasis added).

The funds in question have been held in trust by the Insurance Committee for forty-one years.

Sections 104 and 106 of the **Internal Revenue Code of 1986** exclude from gross income compensation to employees received from health and accident insurance, thus implying that health and accident insurance is an employee benefit. Generally, in business circles, accident and health insurance coverage is considered to be a benefit to the employee.

The Health and Medical Expense Program of the Little Rock Annual Conference is a program which provides an employee benefit. The monies held by the Insurance Committee of the Little Rock Annual Conference under ¶709.13 of the **Discipline** are excluded from those funds made available to the Conference Council on Finance and Administration for investment purposes.

Decision

The funds currently held and invested by the Insurance Committee of the Little Rock Annual Conference are funds intended to be utilized as benefits to the employees. These funds, therefore, under the provision of ¶709.13 of the **Discipline** are excluded from the purview of the Conference Council on Finance and Administration's investment policies.

IMPORTANT INFORMATION CONCERNING MEDICARE ENROLLMENT

Any minister who will reach his/her 65th birthday when he/she is still serving in a full time capacity and not drawing Social Security, should apply three months before his/her 65th birthday at the local Social Security office for Medicare. Any minister who has passed his/her 65th birthday and has not applied for Medicare, should contact the Social Security office immediately. This applies to those who are eligible and wish to participate in Medicare.

Should a minister's spouse reach age 65 before the minister, he/she should apply for Medicare at the local Social Security office.

It is each person's responsibility to secure his or her own Medicare coverage. For most persons age 65 or over, HMEP coverage complements Medicare.

Because of the Tax Equity and Fiscal Responsibility Act, a minister or lay employee who is age 65, but under age 70 and is still serving in an active status, is required to pay the HMEP premium of a person under age 65. For a person in this situation, Travelers is the primary payor and Medicare is the secondary payor.

THE DEATH BENEFIT PROGRAM

The Death Benefit Program is in three parts. Part I is included in the Ministerial Pension Plan/Comprehensive Protection Plan (MMP/CPP). Part II is an elective additional coverage called DBP-PLUS. Part III is a carry over from the past, available to clergy not covered by CPP.

CLAIMS PROCEDURES

1. Hospitalization and Medical Expense Program:

NOTE: To file a claim, send a First Notice of Claim Form, (one per person per year) to the Claims Department, Travelers Insurance Company, P.O. Box 105312, Atlanta, Georgia 30048. The toll free number is 1-800-792-7729. Follow the instructions on the First Notice Claim Form.

Board Of Pensions

Since 1982 the Board of Pensions has been able to raise the rate for past service from \$118.00 to \$237.00 (1988). At the same time, the period of years projected to pay the unfunded liability has decreased from 40 to 20 years. This has been possible by the rate of apportionment received from the local churches and the good investment yields at the General Board of Pensions.

Report No. 1

1. We recommend that the Little Rock Conference participate in the Ministerial Pension (MPP) and the Comprehensive Protection Plan (CPP) of the General Board of Pensions during 1990 on the following basis:
 - a. Contribution base shall be limited to each minister's plan compensation not to exceed the denominational average compensation.
 - b. Contribution rate shall be MPP, 12% of each minister's contribution base, and CPP, 4.4% of each minister's contribution base.
 - c. Annuity rate for pre-January 1, 1982 service shall be raised from \$237 to \$250 per service year.

- d. Surviving spouse percentage of the formula benefit rate shall be 70%.
- e. A 20 year amortization period shall be used to pay the unfunded past service liability.
- f. Monthly contributions to MPP/CPP shall be made through the apportionment system.
- g. CPP benefits shall be supplemented with Death Benefit Plan-Plus (DBP-Plus) to 300% DAC.
- h. Active participants will contribute to the Death Benefit Program Plus with the church paying 60% and the participant 40%.
- i. Every Conference member earning less than the Equitable Salary from his/her primary salary paying unit can be included in CPP at the rate of 3.4% of his/her contribution base.
- j. Probationers at seminary will be provided CPP at 3.4%.
- k. Those on leave of absence may participate in CPP at the rate of 3.4%. The participant will pay the full 3.4%.
2. We recommend that in keeping with Par. 1606, Section 12e of the 1988 Discipline that the Sunday following Easter be observed as Retired Minister's Day. Each Pastor is urged to acquaint his or her congregation with the pension program of the Conference as part of the observation, and if possible to use a retired minister in the Worship Service.
3. We recommend in keeping with Par. 1606, Section 4h of the 1988 Discipline, the approval of the Annual Conference that Special Appointments shall be listed in the Conference Journal as follows: (1) with Annuity claim, (a) upon the Annual Conference, or (b) upon a General Board, an Institution, or an Agency of the United Methodist Church; (2) without Annuity claim upon this Annual Conference.
4. We recommend the following pertaining to the health insurance program of the Conference:
 - a. Board of Pensions pay 100% of the premium for our eligible retirees, surviving spouses, and ministers on disability for the Hospital and Medical Expense Program.
 - b. Conference Claimants: If a retired minister and/or spouse desires to have the premium for their Conference Hospitalization and Medical Insurance Program paid by the Board of Pensions, the minister must have been enrolled in the program prior to his/her 65th birthday. Likewise, if the spouse is to have the premium for the Program paid by the Conference, he/she must have been enrolled in the program for a minimum of one year prior to his/her 65th birthday or one year prior to the minister's retirement.
 - c. Spouses of Deceased and Retired Ministers: In the case of a deceased minister whose spouse is under the age of 65, the Board of Pensions will pay the dependent's insurance premium for five (5) years following the death of the minister. In the event of extenuating circumstances, an extension of payments may be requested by the dependent. Payment automatically ends with the remarriage of the dependent. Each case will be reviewed annually. If a minister's spouse is under the age of 65 at the time of that minister's retirement, the Board of Pensions will pay only the portion of the Conference Hospitalization and Medical Insurance Program premium equal to the amount of the premium of the retired minister.
5. We recommend that an annual amount equal to 100% of the pension and disability payment of each minister of the Little Rock Conference be designated as housing allowance.
6. We recommend that in keeping with Par. 737, Section 4 of the 1988 Discipline that there shall be organized from the membership of the Board of Pensions of the Little Rock Conference a committee to compare the records of the amount paid by each pastoral charge for support of pastors and for pension benefit purposes computing the proportional distribution thereof and keeping a permanent record of defaults of the ministers in the Conference who have failed to observe the provision in Par. 737, Sec-

tion 4 pertaining to proportional payment, and shall render annually to each minister and charge in default a statement of amounts in default for that and preceding years. In event of default by any Pastoral Charge and after the notification of the committee, liens shall be filed against future pensions and the names of the churches and ministers along with the amount in default shall be printed in the Conference Journal.

7. We request the Secretary of the Annual Conference to print in the minister's Service Record in the Journal, one column stating "Years of Pensions Claim on the Little Rock Conference," and another stating "Total Service Years in the Ministry."
8. A list of annuitants and pensions payments for the year 1988 is available in the Conference Treasurer's Office from Mary Stanfield.

**Resolution Relating to Rental/Housing Allowances For
Retired or Disabled Ministers of This Conference**

Whereas, the religious denomination known as the United Methodist Church has functions through Ministers of the Gospel who are duly ordained or licensed; and

Whereas, the practice of the United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers, and

Whereas, pensions paid to retired ordained or licensed ministers of the United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous, active service, and disability benefits are considered payments in lieu of compensation for active service; and

Whereas, the Internal Revenue Service has recognized that the Little Rock Annual Conference is the appropriate organization to designate a housing/allowance for retired ordained or licensed ministers who are members of the Conference; and

Whereas, the disabled minister has the same legal relationship to the Annual Conference as does the retired minister and, thus this Annual Conference is also the appropriate organization to designate a housing/allowance for a disabled ordained or licensed minister who is a member of this Conference;

Now Therefore Be It Resolved:

1. An amount equal to 100% of the pensions payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister, during the year 1990 be and is hereby designated as a rental/allowance respectively for each retired or disabled ordained or licensed minister of the United Methodist Church who is or was a member of the Little Rock Annual Conference at the time of his/her retirement or disability;
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency, or institution of the United Methodist Church or any former denomination that is now a part of the United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of the United Methodist Church for such retired minister's pension or disabled minister's benefits.

Note:

The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107 (2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities."

Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount disability benefit payments will be taxable income to the recipient beginning in 1984.

The Annual Conference shall maintain an amount in its Deposit Account sufficient to provide for the monthly transfer of the Church Contributions on behalf of its Active Participants. In the event the Deposit Account is overdrawn, an interest charge shall be made by the General Board of Pensions. Such charge shall be made at the monthly rate of interest credited to the Diversified Fund (6 1/2% per annum) or the current monthly rate of interest credited to the STIRA investment program, whichever is greater. (MPP Section 4.1(a) and 4.2(g), and CPP Section 4.1(b) and 4.2(h)).

(MPP and CPP Sections 3.2).

Liability and Deposits

In accordance with paragraph (f) of Supplement One, the unfunded liability as of January 1, 1990 has been actuarially projected to be \$2,420,363. Past service funding deposits are required to fund this unfunded liability, and shall be in the amounts for the periods as shown below:

Amount	Period of Deposits
\$272,800.00	20 Years

These annual deposits shall be made at the end of each calendar year as required by the General Board of Pensions. The past service deposits shall be transferred from the Little Rock Conference Deposit Account to the Past Service Funding Account on December 31. If the annual cash flow requirement, as determined by the General Board of Pensions, exceeds the combined past service funding deposit amounts, then the cash flow re-

quirement shall become the required past service funding deposit. (MPP Supplement One (f)).

Church Development 1989-90 Children: Their Faith — Our Future

The Focus of the Little Rock Conference Church Development Priority of Children for 1989-90 will be as follows:

I. FOCUS ON FAITH DEVELOPMENT

Bimonthly the Arkansas United Methodist and Conference mailings will include a page to be duplicated and placed in the hands of each child by the local churches. Specifically for children, parents, grandparents and care givers of children, it will include guides for family worship, steps in nurturing a child's faith, and helps for effective parenting.

II. CONFERENCE FOR MINISTRIES WITH CHILDREN

A fall conference-wide day event will sharpen our visions and build our skills for working with ALL children — those in our homes, congregations, and those in our communities. A noted speaker in United Methodist Children ministries and conference leaders will address the needs of pastors, local church coordinators and teachers, parents and professional care givers.

III. DISTRICT CHILDREN'S FAIR

An invitation will be given to local churches to create a project giving children an opportunity to share their faith through music, art, drama, or other medium. These projects will be shared at District Children's Fairs scheduled for Spring of 1990. Hands-on learning opportunities for parents, teachers and children will also be available at the event.

Note: Limited scholarships will be offered to participants in Focus '89. This is a United Methodist Conference on Ministries with Children in Nashville, Tennessee, July 31-August 4.

Task Force Members are: Pat Parette, Laverne Keahey, Donna Flenniken, Rusty Johnson, Davis Thompson, Greg Taylor, Jenni Douglas, Richard Lancaster, Lynn Lindsay, Roy Smith, J. W. Lofton, Marty Cash-Burless, Evy Lamb, Darrell Horton, Sue Crutchfield and Mort Cox.

Board Of Education

The vision of the Little Rock Conference Board of Education is effective Christian education for all people as perhaps the most important activity, opportunity and challenge in our society, which will unite our people as Christians and bring us all to a knowledge of and right relationship with each other and with our God. Toward that end the Board covenants to strive continuously toward that perfection in Christian education using a broad-based, ongoing, and ever-expanding program of action to meet that goal.

During recent years the Board has carried out a conference on in-depth study of the Bible through study seminars scattered over the conference, climaxed by a series "From Information to Transformation." With this work as our foundation and taking a cue from the vision statement that effective Christian education is perhaps the most important challenge to meet the needs of society today, the Board adopted the following areas for goal development.

1. To increase the effectiveness of Christian education in local congregations the Board will develop a comprehensive plan of teacher development and training.
 - A. The plan goal is to include at least one event in each district each year that focuses on teacher **development**. (Development is concerned with the longer term process of helping teachers gain increased knowledge of the Bible and the faith and continuing personal spiritual growth.)
 - B. The plan goal is to include the holding of at least one event in each district each year with focus on teacher training. (Training is concerned with lesson planning, teaching skills and methods, discipline, etc.)
 - C. Consider holding at least one lab school each year. Small membership church lab schools will be emphasized.
2. Provide support and training for the unique role of clergy and professional Christian educators in Christian education in the local congregation by holding at least one conference event for them.
3. To increase the effective use of approved United Methodist curriculum the Board will hold cluster training events each year.

In addition, local church consultants and curriculum resources will be provided in congregations who want to explore using United Methodist curriculum. Persons will be encouraged to call Curric-U-Phone (1-800-251-8591) for information about curriculum.

4. To reach more persons so that they will become more faithful disciples the Board will provide a training event on each district to help local congregations reach for the unchurched, baby boomers, etc., by starting new classes or groups in new settings.
5. Emphasize mission education in training events, and through resources to help persons know about and be involved in mission. Local congregations will be made aware of mission study resources for all ages, the Children's Fund for Christian Mission, the Youth Service Fund and the funds of the General Board of Global Ministries.
6. In order for human sexuality education to become an integral and ongoing part of the Christian education program of local congregations at least one training event per year will be provided for leaders of children, youth, and adults.
7. Provide resources to assist local congregations in carrying out the responsibility of providing confirmation training (children, youth, and adults), through conference, district, or cluster training events.
8. Consult and cooperate with other groups in the Annual Conference who have responsibility for church extension to interpret, encourage and seek resources for starting new Sunday Schools.
9. Encourage the observance of Christian Education Week and Christian Education Sunday, which shall be observed on the third Sunday in September and shall be the first day of the full week for observing Christian Education Week.

As broad and ambitious as this program may appear, it is important to recognize it as a four to five year program, and the Board is resolved to develop and implement strategies to achieve the goals through the use of task forces and committees and by keeping the strategies focused around single purposes. Quality of events and/or resources will be top priority. Insofar as feasible, events will be held close to congregations, especially for small membership congregations. The Conference Coordinating Committee on Camping, as a part of the Christian Education Program at Camp Tanako, shall present a lesson series on Christian Vocations and the call to Christian Ministries. This curriculum shall be presented before the end of the 1991 camping season, be evaluated and revised as needed, and be made a regular feature of the camping program.

The Conference Program priority is currently in the midst of a great program of Ministry with Youth. For 1989-90 the priority is "The Year of the Child." The Board of Education recommends beginning 1990-91 the conference priority be "Reach Out," with emphasis on outreach and ministry with the unchurched, with major emphasis on reaching for the baby boomers.

Board Of Higher Education And Campus Ministry

I. WESLEY FOUNDATION CONSULTATION

The 1988 session of the Little Rock Annual Conference approved the proposal of the Conference Board of Higher Education and Campus Ministry to evaluate the structure, program and effectiveness of the Wesley Foundation Campus Ministries within the Conference and the ecumenical United Campus Ministry at the University of Arkansas at Pine Bluff. In order to fulfill the intention of the Annual Conference, the Board of Higher Education and Campus Ministry (herein referred to as BHECM) retained Donald S. Manes, AICP, Planning and Management Consultant with offices in Little Rock, to prepare the study and to report his findings through written recommendations. The consultant's evaluation evolved through examining the activities and programs being undertaken in the various Wesley Foundation student centers, perceiving the revealed roles and ministries of the directors, considering the work and structure of the Board of Higher Education and Campus Ministry, investigating the budgeting process and the current system of financial and program accountability, and inquiring about the assistance being offered on the staff level by the Conference Council on Ministries and the National Division of Higher Education and Campus Ministry.

The charge to the consultant, as spread in the Conference journal, was to study all aspects and installations of campus ministry in the Conference with the idea of providing recommendations to the next Annual Conference as to the need, form, staffing and purpose of each campus ministry. The study's emphasis thus resolved was upon each campus ministry, individually, recognizing that there is no single form or format that should be, or even could be, applied to each campus ministry. In declaring that, 'The effect of this proposal would be to inform ourselves as to the best strategies for campus ministry,' BHECM offered an eight-point rationale that was printed in the 1988 Conference journal for undertaking the study whose results are summarized herein.

A. UNIVERSITY OF ARKANSAS AT PINE BLUFF AS A SPECIAL MINISTRY

The 1988 session of the Annual Conference approved the report of the Study Committee on UAPB Wesley Foundation, expressing the will of the Annual Conference that the campus ministry at UAPB be designated as a Wesley Foundation; the UAPB Wesley Foundation receive equal funding as other campus ministries supported by the Little Rock Conference; and that the Annual Conference take steps to insure that additional funding to the UAPB ministry not adversely affect the funding at the present Wesley Foundations in the Conference. BHECM has adopted a resolution authorizing the UAPB campus ministry and seeking funding for the establishment thereof as a complete Wesley Foundation in 1990.

The Consultant, on the other hand, believes that the ministry at UAPB might become a special ministry, not following traditional Wesley Foundation lines, but rather fashioned on the strength of the highly ecumenical campus ministry the Reverend C. E. McAdoo undertook at UAPB until his recent appointment to the Wesley Chapel United Methodist Church in Little Rock. The United Campus Ministry at UAPB is only partially funded by the United Methodist Church, namely \$5,745 from the 1988 Annual Conference as a portion of the overall annual budget of approximately \$16,000. Other churches provide the majority of the budget, the principal being Presbyterian Church, USA; Episcopal; African Methodist Episcopal; Christian Church (Disciples of Christ); and African Methodist Episcopal Zion. The 13 member board of directors of United Campus Ministry — UAPB, includes representation from each of these sponsoring churches, but only two of whom are representatives from the United Methodist Church namely Dr. John Lindsay and Reverend John Walker.

The Consultant believes that with the increased infusion of United Methodist monies, the ecumenically based board of directors should be expanded to increase representation from the United Methodist Church, while retaining its ecumenical character. While the UAPB campus ministry should be a Wesley Foundation with all of the Church's tradition of commitment to ministry in higher education and expected

performance in light of the missional goals of the General Church, it should retain its ecumenical identity in order to build upon the strong foundation and cooperative arrangement already established at UAPB.

The mission of the campus director, who initially will also pastor the St. James United Methodist Church in Pine Bluff, should be viewed not as a chaplaincy but rather as a missionary or evangelistic ministry.

Accordingly, the Consultant has recommended to BHECM that the new campus minister be given a significant increase in budget over prior years, that funding be increased annually as the director demonstrates success in expanding the quality of campus ministry and the penetration of the United Methodist Church at UAPB and in the larger black community of Pine Bluff, that the number of United Methodists on the United Campus Ministry Board of Directors be increased as the Church's share of the budget increases but never to become a majority of the board until such time as the United Methodist Church contributes the majority of funds to the annual budget, and that the UAPB campus minister's appointment become a full-time Wesley Foundation (without pastoring a local church) within four years.

As indicated, these are the Consultant's recommendations. BHECM does not revise or alter its earlier resolution as described above.

B. BHECM DEVELOPMENT OF POLICY STATEMENTS

Continuing with the Consultant's recommendations, the Conference Board of Higher Education and Campus Ministry should develop two policy statements that would be designed to further the missional goals of the General Church. These two statements are:

1. Statement of Mission — that is a statement of purpose and policies concerning the work and programs of campus ministries, emphasizing objectives to be accomplished.
2. Statement of qualifications for persons to be appointed Wesley Foundation Directors, focusing on education, experience and other pertinent requirements.

The statement of required qualifications is to be used by the Bishop and the Cabinet in making future Wesley Foundation appointments.

C. DIRECTORS BECOME FULL-TIME APPOINTMENTS

The missional work of the Wesley Foundations is serious business and requires the full-time devotion of energies and mental commitment from the campus minister. Freeing the directors from local church pastoral responsibilities would permit them to heighten the visibility of and increase the awareness of the Wesley Foundation through their making presentations in the churches of the Districts and to the many church-based groups having a natural interest in young persons. Thus, the Wesley Foundation directorships should be made full-time appointments.

Recognizing that the cost to the Conference of converting to full-time directorships will be substantial, it is proposed that the following target dates be established for the conversion to full-time directorships: Henderson State University within two years, University of Arkansas at Little Rock within three years, University of Arkansas at Pine Bluff within four years, University of Arkansas at Monticello within five years, and Southern Arkansas University at Magnolia within six years. Within six years after the 1989 Annual Conference, the five Wesley Foundations should be operating with full-time directors. The staged conversion to full-time directorships would allow the Annual Conference, the six Districts and the local Wesley Foundation Boards of Directors a sufficient time schedule to make an orderly adjustment to higher spending levels.

D. ACCOUNTABILITY AND RESPONSIVENESS TO MISSION

In recognizing that increased accountability would tend to encourage the development of new and innovative programs and activities among the campus ministers, there are several proposed revisions in the structure and organization of participating entities and in communications between staff, BHECM, the District Superintendents and the Wesley Foundation Directors.

One, while the roles of CCOM and BHECM are clearly described in the **Discipline**, the District Superintendents should become more closely involved in campus ministry. They have an innate responsibility for the witness and worship of the church; and the local campus minister needs to be responsive to the District Superintendent's pastoral guidance.

Two, the director should submit periodic written reports to CCOM staff and BHECM with copies to the designated District Superintendent(s). These reports would describe their activities and programs, relate changes in the student population, summarize presentations and interpretive meetings with local churches, identify new funding sources, assess budget performance and provide other basic information on the work and witness of the Wesley Foundation.

Additionally, the five District Superintendents who have campus ministries within their District should meet quarterly with their respective Wesley Foundation Directors to discuss the ministries, review the written reports to be submitted as described above, review budget requests and discuss expenses, and permit the District Superintendent to have more hands-on opportunity for guiding campus ministries. District Superintendents sit on each of the Wesley Foundation Boards, (most of which meet only once or sometimes twice a year), but this one-on-one meeting between the District Superintendent and the Wesley Foundation Director would serve to elevate the sense of accountability and responsiveness to mission.

Finally, the Wesley Foundation Directors should meet as a group on a quarterly basis to share their experiences, discuss their programs, seek guidance and support, and develop a unity of expression as to the witness of the Church on the university campuses in the Little Rock Conference.

E. COHERENT GOVERNANCE

The Consultant's recommendations are directed toward both BHECM and the local Wesley Foundation Boards of Directors.

The BHECM should meet at least six times a year in response to the expansion of its activities instead of the present schedule of two or three meetings a year. Three committees should be formed to provide specialization and closer scrutiny of the goals and objectives of BHECM, namely Finance, Evaluation and Program/Policy. The Evaluation Committee should review and evaluate the Directors' performance on an annual basis.

Given the proposed expansion of the workload of BHECM, it is recommended that its membership be expanded to twelve voting members in the near future, and increased to fourteen by 1992. Instead of continuing the election of at-large members at the Annual Conference, it is felt that the election of voting members of the board at district level would enhance the support of Wesley Foundations among local churches and within each District's governance. After removing the current prohibition in the structure against a local Wesley Foundation board member serving on BHECM, improved allegiance to campus ministry should be achieved through the election of voting members to BHECM as follows:

1. Chairperson elected by the Annual Conference for a quadrennial term (current practice retained).
2. One representative from each of the six Districts in the Conference, nominated by the District Committee on Nominations and ratified by the Annual Conference. Serving one year terms, the District members may serve up to four successive terms.
3. The Chairperson of each Wesley Foundation Board of Directors elected locally and ratified by the Annual Conference, each of these to serve two year terms on BHECM and as the local chairperson.
4. By 1992, add two students from Wesley Foundations, one candidate being nominated by each Wesley Foundation Director to comprise five candidates and the two student representatives on the Board being elected in the fall by the other voting members of the Board of Higher Education and Campus Ministry. The two elected

students would serve one year terms.

Under this arrangement, BHECM would ultimately have 14 voting members. The current structure of having nine ex-officio members is worthy of retention, as it involves the five Wesley Foundation Directors, one District Superintendent representing the Cabinet, one CCOM Staff, and the Presidents (or appointed representatives of same) of Hendrix College and Philander Smith College.

It is further recommended that BHECM elect the local Wesley Foundation Boards of Directors from rosters provided by local nominating committees. Imbuing local Wesley Foundation Board Members with a sense of obligation to a higher authority should serve to intensify their interest in and commitment to the work of their respective campus ministries.

The size and composition of each Wesley Foundation Board of Directors should be determined locally and in light of the style of campus ministry that will be under their stewardship. Basic principles which should be observed would restructure Wesley Foundation Boards to reduce the number of clergy, be certain that students are included, and strive to appoint a selected portion of board members because of their proven fund-raising capabilities and high visibility in their community, as well as in the District. The chairpersons should serve two year terms in order to provide stability and continuity among members on the revamped BHECM and to provide them ample time to be effective Wesley Foundation Chairpersons. Wesley Foundation Boards of Directors should have four committees: Executive, Policy/Program, Finance and Personnel. The Executive Committee should meet monthly, and the other three should meet quarterly. One of the responsibilities of the Personnel Committee would be to evaluate the program performance of the Campus Minister on an annual basis. The Finance Committee would be the principle fund-raising body, the supporter of program (not incremental) budgets and the watch-dog over expenses. The Policy/Program Committee would be responsible for oversight of the policies and objectives of the campus ministry. The District Superintendent should be not only on the Wesley Foundation Board of Directors but also on its Executive Committee.

F. TOWARD REALISTIC AND SECURE FUNDING

The budget process should be revised to make it a programmatic budget rather than one involving automatic increases that are keyed to a cost-of-living index. Often times referred to as zero-base budgeting, each year is to be viewed as a new enterprise in which the budget is constructed from the ground up. This approach would make budgeting better related to the real financial needs of Wesley Foundations instead of tailoring the ministry to fit the available budget.

Inasmuch as the campus ministries would convert to full-time directorships over a staggered schedule, it is recognized and should be readily accepted that Wesley Foundations of the future will have unequal annual funding support from the Annual Conference. The Conference's interval increases in funding would be tied to the schedule of converting specific Wesley Foundations to full-time appointments. Equal funding would return after the fifth campus ministry is converted.

In order to share the financial burden with the annual conference and to strengthen locally based loyalties, each Wesley Foundation Board of Directors should have as a goal the raising of a significant portion of the annual operating budget of the campus ministry. It is possible, and even desirable that the Districts will include increased spending in their respective budgets for the support of campus ministries in the Little Rock Conference.

Furthermore, it is recommended that a special fund drive be instituted by the Little Rock Conference within two years to establish an endowment fund for the perpetual maintenance and upkeep of the physical plant of Wesley Foundation, namely student centers and parsonages. Fund raising would be outside the church apportionment system, and a period of three years should be allowed to raise a sufficient endowment to provide an income from investments adequate to maintain the physical facilities. An annual expenditure of a range of 2.5% to 4.0% of the estimated value of the physical

facilities should be the target. Subject to the determination of a task force to be appointed by the Bishop or the annual conference to determine the amount of corpus required, the Consultant has estimated that an endowment fund of \$550,000 would be required. Once established, the endowment fund would be administered by BHECM.

Until investment income from the endowment becomes available to the extent needed for annual upkeep and maintenance, it is recommended that successive Annual Conferences include a line item in the Wesley Foundation budget of approximately \$20,000 for annual maintenance and upkeep of the parsonages and student centers. This line item amount would decrease incrementally as endowment fund income increases. These funds would be administered by BHECM.

Recognizing the problems from overdue maintenance on parsonages and student centers, the Annual Conference is requested to approve line item expenditures for capital improvements and maintenance on individual Wesley Foundations as presented below.

G. HEIGHTENED VISIBILITY

Making Wesley Foundation directors full-time appointments without local church pastoral responsibilities would serve to increase the frequency of their presentations to local churches. While interpretation should be the primary emphasis, the need for increased funding of campus ministry operations should be made very plain to local churches and church-related groups. There should be ample publicity in advance of the fund-raising drive to establish an endowment fund. BHECM has voted to ask the Annual Conference to designate the second Sunday in October as Wesley Foundation Day. This would be a day on which information is distributed through local churches to church members throughout the Little Rock Conference. This effort would not include a request for contributions or funds but would rather spread the message about Wesley Foundation. The pamphlet to be prepared for October 1990 could be expanded and revised for 1991 distribution at which time the fund-raising appeal should be initiated. The "Focus on Wesley Foundation" campaign should be placed under the direction of a skilled professional in the field of advertising and public relations.

These are the recommendations on improved strategies for campus ministries that evolved through the consultation by Donald S. Manes, CCOM Staff, the campus ministers, and the Board on Higher Education and Campus Ministry.

H. REQUESTED FUNDING FOR HIGHER EDUCATION AND CAMPUS MINISTRY

Board Of Higher Education And Campus Ministry

The Board of Higher Education and Campus Ministry is charged with presenting the financial needs for support of all ministries related to higher education. That responsibility includes Schools, Colleges, Seminaries, Campus Ministries, and Wesley Foundations related to the Little Rock Annual Conference. Therefore, we present the following recommendations to the Council on Finance and Administration and to the Annual Conference.

1. That \$187,424 for Hendrix College be apportioned to the Churches for 1990.
2. That \$176,936 for four Wesley Foundations be apportioned to the churches for 1990. This supports Wesley Foundations at the University of Arkansas at Little Rock, the University of Arkansas at Monticello, Henderson State University, and Southern Arkansas University.
3. That \$16,800 for the Wesley Foundation at the University of Arkansas at Pine Bluff be apportioned to the churches for 1990.
4. That \$50,000 be apportioned to the Churches for support of Philander Smith College for 1990.
5. That full apportionment as requested for the Black College Fund (United Methodist related colleges) be apportioned to the Churches for 1990.
6. That full apportionment as requested for the Ministerial Education Fund be apportioned to the Churches for 1990.
7. That \$20,000 for annual maintenance and upkeep of parsonages and student cen-

ters at Wesley Foundations to be administered by the Board of Higher Education and Campus Ministry be apportioned to the churches for 1990.

Southern Methodist University 1989 Report

This has been an important year of self-study, transition, and progress in the life of the University. The academic mission of SMU is being refined and clarified through a series of internal committees and the work of a Task Force on Academic Priorities. A Task Force on Financial Feasibility and one on Diversity will also report this Spring. Based upon these deliberations, I shall make recommendations to the faculty and ultimately to the Board of Trustees this Fall. I can assure you that our mission, and my vision, will be in tandem with our fiscal ability to make our plan a reality. SMU is a strong university that must continue to do well what it can do best, namely, teach undergraduate students through a broad-based program of education in a personalized living and learning environment. At the same time, we must continue the outstanding tradition of the Perkins School of Theology and the School of Law, as well as a limited number of graduate programs.

The Board of Trustees, elected in July 1988, has functioned superbly. The Board has proved to be a hard working, hands-on governing body. Its committee structure provides members with a broad understanding of policies and procedures, the opportunity for meaningful discussion, and with those, a real sense of responsibility for and to the institution. As chairperson of the Board, Ray Hunt continues to provide outstanding service and leadership.

Several initiatives have been set in motion this year that should, over the next few years, strengthen our important United Methodist ties. For example, we have increased our involvement with TUMCA by participating in its new brochure, as well as hosting a "Day at SMU" for chairpersons of the Boards of Higher Education and Ministry. We have produced for the first time at SMU a poster with tear-off forms requesting more information, which has been sent to all episcopal appointments in the South Central Jurisdiction. SMU will be the host institution for the 1990 Jurisdictional Youth Rally, in which some 2,000 United Methodist young people from throughout the Jurisdiction will be on the SMU campus July 13-19, 1990.

The Task Force on Church Relatedness, which I appointed in the fall of 1988, has made its report, which reinforces the importance of SMU's United Methodist connections and reaffirms the positive steps we are taking.

I would be remiss if I did not talk about athletics. I have been very pleased at the direction in which Athletics Director Doug Single is moving our overall program. In particular, I believe we are on the right track in renewing our football program with integrity and in a manner that is consistent with the mission of the University.

After almost two years as SMU's president, I am pleased to report that we continue to make progress in meeting our current challenges, and we pursue with increased vitality our quest toward excellence as an outstanding United Methodist institution of higher learning.

Perkins School Of Theology

Concern over the effect on seminary education of the increasing number of "second career" students was raised during the year with the observation that this population now represents 65% of enrollments. This involves more part-time students who choose courses for convenience as much as content. Previous life experiences are difficult to credit for these persons. Broader interpretations by the church of study requirements for ministerial qualification burdens seminaries with responding to these factors with integ-

ity, while aiding the church in meeting increasing demands to train persons adequately for ministry.

Student enrollment this year maintained a balance with last year, with 271 in the Master of Divinity degree program and distribution among other degrees totalling 417 for the fall, with a small rise to 423 in the spring. Women constitute 38% of the students in all programs and the combination of Asian Americans, African American, Hispanic students reaching a total of 63, with 31 internationals. The ages of students showed the largest segment in ages 25-34, though a significant number are in the 40-49 age range.

Renewal of a sort other than theological has been the norm this year as the Perkins Chapel and the Bridwell Library have undergone redecoration and major renovation. The Chapel received its regular face-lift, with general painting and clean-up accomplished during December and January.

The Bridwell Library has functioned "in exile" for almost the whole year, while total renovation of the building has been accomplished. Circulating collections were shifted to a dormitory basement, while staff dispersed to other office locations. With the reopening in March, services of the library for students and researchers will be vastly improved. Carefully designed reading rooms, private study carrels, conservation facilities, galleries and archival storage will constitute one of the foremost research and knowledge facilities in this part of the world.

Emphasis on the Ministerial Education Fund remains crucial as the annual base of local church support for ministerial studies in the seminary. The Jurisdictional "Fair Share Goal" campaign continues for Perkins as we seek to improve the endowment that is essential to the perpetuity of support for student financial assistance, the Intern program and other important facets of education for ministers in training. Several significant estate gifts were gratefully received, including \$65,000 for the Fern Woodhull-Oden Memorial Scholarship Fund; \$500,000 for a lectureship on the arts as interpreters of religious faiths and practices, and \$160,000 for the Faculty Development Program funded jointly by the Lilly Endowment. A new program, Partners With Perkins, seeks special gifts with an emphasis on International students and general scholarship support from persons able and interested in this type of investment.

New faculty this year include Dr. Thomas William Spann and the Rev. Marilyn Spurrell Atkins in the Intern Program; Dr. Yap Kim Hao of Malaysia and Singapore has been Visiting Professor of World Christianity. Bishop James S. Thomas retired from the Eastern Ohio Conference and came as Distinguished Visiting Professor of Practical Theology. Bishop John Wesley Hardt became Bishop in Residence upon retirement from the Oklahoma Conference. Dr. Ruth Tiffany Barnhouse retires this year. We were saddened by the death of Bishop W. McFerrin Store, who had served eight years as Bishop in Residence, following retirement from the episcopacy.

Search committees for five faculty positions that are coming open due to retirements began early in 1989, driven by inspiring visions that Perkins may equip itself and its students to meet the challenges of ministry in the 21st Century.

Saint Paul School Of Theology

Saint Paul School of Theology serves the Little Rock Annual Conference by preparing persons for effective leadership in the church.

Throughout our first thirty years of service our focus has been squarely on the local church. In a survey of laity and clergy, when asked what word or phrase first came to their minds when they heard the name of Saint Paul School of Theology, the overwhelming response was "local church." That has been our past; it is also our future.

The effectiveness of Saint Paul and your other seminaries cannot be separated from the commitment and capabilities of those in the church who respond to God's call to ministry. Seminaries and churches together have the responsibility of consistently lifting before persons the challenge to respond to God's invitation to serve. The challenges fac-

ing the church in the years ahead demand the very best leadership possible. This will be particularly true in the United Methodist Church in the coming decade when the number of retirements of pastors will increase dramatically over the past decade.

We at Saint Paul thank you for your generous support of theological education at Saint Paul and the other United Methodist seminaries. The thirteen United Methodist seminaries comprise perhaps the finest family of denominational seminaries in the United States. You can be proud of all thirteen. We work together very well and want to make it possible for every United Methodist student to be able to attend a United Methodist seminary.

In our thirtieth academic year, many significant events occurred. Dr. Eleanor Scott Meyers came to Saint Paul from Union Theological Seminary in New York City as our third Academic Dean. Harold C. Washington joined our faculty in Old Testament. Two faculty members announced their retirements, Dr. Carl Bangs, Professor of Historical Theology, and Dr. Gilbert Ferrell, Associate Professor of Church Administration.

The William K. McElvaney Chair in Preaching was established in September with Dr. Eugene L. Lowry named as the first occupant. A major curriculum revision took place. It keeps the integrated, interdisciplinary approach to theological education but is much more flexible, making it easier for students who find it necessary to go part-time. Last year we did a survey of 10,000 lay persons and 300 clergy leaders of the church asking what they felt to be most important in the preparation of pastors and leaders. The survey has been extremely helpful in focusing areas of curricular need and priority.

We appreciate your support and seek your involvement. We at Saint Paul can do our work well only when we stay in close and ongoing dialogue and relationship with those of you in the churches who brought us into being, who have supported us through the years, and for whom we are preparing a new generation of leaders in the Wesleyan tradition.

Hendrix College

It is a privilege for Hendrix College to report to the United Methodist Church of Arkansas, for it was that church which gave birth to the college a little more than 100 years ago. The church has faithfully continued its support of the college across the years. Hendrix has not forgotten her origins.

It is deep in the nature of Hendrix to be concerned about the spiritual goodness, character, human thriving, and the good life.

The college holds fast to the church's expectation that it strive to be the best educational institution possible. In every way Hendrix seeks to prepare students with rigorous academic studies, to develop written and oral communication skills, and to provide opportunities for culturally relevant liberal education within the context of the Judeo-Christian heritage.

The Hendrix report to the conferences last year ended with a commitment to look for ways to strengthen the college's relationship to the church and "to demonstrate our appreciation for the support the church has given Hendrix." We have taken several steps.

Hendrix Fellowship Teams. This year the college has reinstituted a program known as Fellowship Teams. Groups of four to six students and a staff advisor go (on invitation) into local United Methodist Churches where team members teach a class of young people, serve as liturgists in worship, give a children's sermon, sing a solo, preach, direct recreation, give 2-minute talks on Hendrix, show videos on Hendrix, and lead discussion groups. Hendrix wants the impact of this program to be a genuine "thank you" to the church and a presentation of the college to the local church. The program is also very meaningful to our students. We have made six visits and will do three more spring term. The teams have had three times as many invitations from churches as they have been able to fill.

Preaching Workshop. There will be a pastor's preaching workshop at Hendrix October

12-14, 1989. All the plans have not yet been completed, but we believe it will be a helpful session.

Recognition Of Church Leaders. Hendrix continues a program established as part of her centennial celebration, that annually recognizes selected church leaders who have distinguished themselves in the fields of Christian Education and Social Awareness. These awards were established in memory of Mary and Ira Brumley (Education) and Ethel K. Millar (Social Awareness).

Religious Studies. Year after year the college makes its facilities available for church functions. Under the auspices of the Marshall T. Steel Center for the Study of Religion and Philosophy, Hendrix continues to bring to campus programs designed to enrich the lives of United Methodist laity and clergy. The Hendrix library houses a growing historical center for Arkansas Methodism. Faculty and staff members are available to give lectures, preach, and teach Sunday School in local churches. Students interested in the professional ministry are organized and have a staff counselor. They meet regularly to give each other support and to study matters of current interest.

State Of The College. The \$16.8 million Campaign for Hendrix will draw to a close in just a few months. On March 20, 1989, the college had collected \$14.9 million in cash and pledges. Money is also being raised to refurbish Raney Hall, a women's residence hall. Part of the campaign's success results from the support of United Methodists who went considerably beyond their goal (\$425,000) of providing seating for Staples Auditorium. Also, for the first time in history the churches of Arkansas Methodism contributed more than \$300,000 to the annual fund in 1988 which is also part of the campaign.

Enrollment. Hendrix began the 1988-89 school year with 1,029 students, 46 percent men and 54 percent women. Methodists make up 35 percent of the enrollment. There are 5 percent black students and 1 percent international. Eighty-five percent live in college housing, and 87 percent of the students are from Arkansas.

Financial Assistance. Sixty-nine percent of all students receive some form of financial aid. Dependents of United Methodist ministers and ministerial students receive an automatic one-half tuition scholarship from the college. Dependents of ministers of other denominations also receive special scholarship assistance. Grants of this nature total \$140,000 for 1988-89.

Financial Aid. The college believes financial conditions should not be the deciding factor on whether a student chooses Hendrix. The college works with students and families to develop a financial aid package designed to meet the demonstrated need of that student.

Miscellaneous Statistics. There are 67 full-time equivalent faculty members at Hendrix. Seventy-seven percent hold doctorates and 92 percent have appropriate terminal degrees. Sixty-four percent are tenured. The faculty-student ratio is 15 to 1, and the average class during the winter term was 19.

The market value of the college's endowment fund was about \$43 million on July 31, 1988. The total operating budget of the college in 1988-89 is \$12.225 million. The college continues to have a strong fiscal history and anticipates balancing its budget for the 32nd consecutive year on July 31, 1989.

Hendrix Highlights. The college was named in THE FISKE GUIDE TO COLLEGES as "something this side of remarkable . . ." It was listed in PETERSON'S GUIDE TO COMPETITIVE COLLEGES and was recognized in GOOD HOUSEKEEPING magazine's October, 1988, issue as one of the 50 best educational values in the nation. Hendrix students have received Watson Fellows for five consecutive years. The college again has been listed in THE BEST BUYS IN COLLEGE EDUCATION. It was recognized in CHANGING TIMES magazine as one of the 50 best buys in education and has been described by North Central Association as one of the outstanding, small liberal arts colleges in the country.

Our commitment to the church is this: Hendrix will continue to strive to equip her graduates for service in God's creation.

Philander Smith College Little Rock, Arkansas

Philander Smith College made significant improvements in its endeavors during the past year under the capable leadership of Dr. Myer L. Titus, President, who completed his first year as CEO February 1, 1989.

Student headcount enrollment is up 8% for the 1988 Fall Term over the 1987 Fall Term — 594 and 550 students respectively. The physical environment of the campus has been improved. Improvements include renovations in the Administration Building, the College Cafeteria and Snack Bar. Campus lighting has been improved and campus security has been strengthened.

Undergirded by the ideals of Christianity in the great tradition of The United Methodist Church, the faculty continues to maintain excellence in teaching, learning and research. With regard to research, in 1989 a faculty member visited South Africa on grant funds pursuant to the scientific research he conducts at the College designed to impact on the economic and social welfare of Third World people.

For the first time in recent years, Philander Smith College was represented at all United Methodist Annual Conferences assigned to it to visit in 1988 in interest of the Black College Fund (BCF) and the College. President Titus visited Annual Conferences in Arkansas, Missouri, and Kansas.

The College's alumni is showing increased interest in supporting their Alma Mater. During its Annual Convention in 1988, the National Alumni Association awarded the College \$25,000. The Association also pledged to buy the College a heavy duty commercial bus. During the President's Inauguration in October, 1988, an alumnus did a fundraiser which netted the College approximately \$11,000.

The Commission on Black Colleges, Nashville, Tennessee, approved the College for continued funding from the Black College Fund after the Commission's on-site visit to the campus November, 1988. The North Central Association of Colleges and Schools approved the College's annual report showing its progress on student recruitment, fiscal management, fund-raising and the endowment.

Sound fiscal management continues to be practiced at the College. It finished the fiscal year, 1987-88, in the black; and its annual audit by professionals was received with only minor exceptions. Significant improvements were made in the insurance benefits to college personnel. The faculty received a 15% increase in salary and the staff received 8%.

Fund-raising continues to be a high priority, inasmuch as additional financial support to the College is critical. Proposals amounting to \$392,388 have been submitted to various agencies. The College raised \$54,148 in cash and pledges during the 1988 United Negro College Fund (UNCF) campaign and the UNCF Telethon aired on television December, 1988. Funds from a proposal submitted to Federal, State, and other agencies have been received in the amount of \$1,667,193 to support various education programs.

The intercollegiate basketball teams (Men and Women) and the Collegiate Choir continue to play important roles in the positive morale of our students as well as serve as ambassadors for the College.

The College is optimistic about its future as a viable United Methodist institution of higher education.

Conference Council On Youth Ministry

"Building the Faith" as young Christians in the United Methodist Church has been the theme for the 1988-89 Conference Council on Youth Ministries. Our programming this year has included strengthening the district events, working with the Annual Conference Priority Task Force, continued leadership training and promoting Youth Service Fund.

Our six districts have had a variety of events and opportunities for connectional fellowship, and worship; as well as offering training events for adult workers with youth.

Members of the Conference Council on Youth Ministries served on the committees which put together Spiritfest and Spiritquest, two priority task force sponsored events for spiritual growth.

For the second year in a row, the Youth Service Fund went over \$6,400. First UMC Crossett was the top giving UMYF, and England UMC had the most dollars given per youth. There were five churches whose giving averaged \$10.00 or more per youth: England; St. James, Pine Bluff; Crossett; DeQueen; and Warren. We are especially grateful to these churches for their commitment to YSF.

One of the highlights of our year was participation by 62 youth and adults in Youth '88 in Macomb, Illinois last August. Funds from Warren First UMC and Grand Avenue UMC, Hot Springs, along with some conference monies helped sponsor three delegates from Sierra Leone, West Africa and one from West Germany. This international flavor to our caravan was an educational and spirit-filled experience that will always be remembered. Jason Phillips, Roderick Thompson and Tara Everitt are delegates from our Annual Conference selected to participate in a South Central Jurisdictional sponsored "Mission of Peace" to the Soviet Union and Poland in July.

The CCYM appreciates the continued support of the conference.

Mount Sequoyah Assembly Administrator — Donald H. Waddell

The Olin C. Bailey Center has been completed and is serving the needs of the South Central Jurisdiction. Mount Sequoyah was favored by the jurisdiction in its 1988 session in New Orleans with the approval of funding for the construction of this 5,000 square foot building. It serves as a place for 250 persons to meet in a seminar setting.

Funding for this new addition will be apportioned to the churches in 1990 which will raise the \$300,000 cost of the building in four years. This will be in addition to the present apportionment of \$60,000 per year which is used to support the existing program of Mount Sequoyah.

New Trustees were introduced to the board this year after election by the jurisdiction. Outstanding persons from all seventeen Annual Conferences of the jurisdiction serve on this board along with three bishops. From the Little Rock annual conference we have the able assistance of BISHOP RICHARD B. WILKE who will serve on the Executive Committee; and MR. W. E. HASTING who will serve on the Budget and Finance Committee.

A theme was selected for 1989 which features the rose. A new event will be held in August 1989, called the "Festival of Roses." New roses have been planted near the cafeteria to augment the two hundred roses already growing on the grounds.

In conjunction with the University of Arkansas, Mount Sequoyah will hold its first Elderhostel program. This fine educational program has been around for more than a decade but in recent years has increased in importance. We are pleased to offer this addition to programming for retired persons.

A jurisdictional work camp was planned for 1989 with the intention of joining all of the annual conferences into one week of work in support of this facility which serves the entire area.

The Trustees have started a Bishop's Club to gain support for Mount Sequoyah. Persons who are able to generate \$1,000 or more of new support are to be honored during Bishop's Week. Such generosity is the life's blood of the institution helping to insure its future place of importance, serving the seventeen conferences of the South Central Jurisdiction.

Mount Sequoyah reaches out to all of the members of the churches in the Little Rock annual conference. You are invited to seek the presence of God, to deepen your faith, and to define more clearly your ministry and mission as you join into events held on the mountain top in this "Year of the Rose."

Lydia Patterson Institute

The year 1988 has been an exciting one for the Administration, Faculty, Staff and Student Body at Lydia Patterson Institute.

This year marked our 75th Anniversary, and was highlighted by numerous activities which included a full week of Homecoming Activities, a vigorous Diamond Jubilee Financial Campaign in which many alumni and friends participated and a highly successful Christmas Matching Fund Campaign. We have experienced an unprecedented level of renewed alumni interest in Lydia Patterson.

Our enrollment has grown by 21% and has climbed to 350. This has necessitated new classes and additional staff. The turnover rate in our teaching staff was only one this year. This fact bespeaks the commitment that our teachers have to the purposes for which Lydia Patterson Institute has traditionally stood.

L.P.I.'s personnel are committed to an uncompromised academic standard that is demanding, and will enable our graduates to compete at the collegiate level. We undergird these high academic standards by very intentional spiritual nurture that will challenge our student body not only to acknowledge Christ in their life but to adopt His standards in their lives.

Our financial circumstances have varied, month by month, from stable to critical. We are, however, grateful for the commitment of many individuals and congregations from across the entire Jurisdiction whose regular support have enabled us to fulfill our ministry and to meet our obligations . . . at times under considerable stress. It has been nothing short of amazing to see how God has provided for all our needs, and how the connectionalism of our South Central Jurisdiction has come into play with blessed consistency.

The Mission for which God brought Lydia Patterson Institute into being in 1913 continues to be our mandate today. It is:

- A. To represent the Christian faith as understood by the United Methodist Church;
- B. To provide quality bi-lingual, cross-cultural, academic education;
- C. To provide a center where local church leaders, clergy and lay, may receive training and experience in effecting Christian witness and ministry with persons of other ethnic and racial backgrounds; and
- D. To develop leadership skills in persons interested in cross-cultural and international positions in Christian Ministry.

I trust that even as our friends from across the Jurisdiction and around the world faithfully remember us in their daily prayer and with the financial resources, that they will plan to visit us and see the fruit of their trust in the Ministry that is being lived out each day at Lydia Patterson Institute.

In Christ's love

President

Board Of Trustees United Methodist Church Center

The Board of Trustees met separately and with members of the Long Range Planning Committee during 1988 and 1989.

After studying a number of options related to the possible relocation of the United Methodist Church, we recommend to the Annual Conference that the United Methodist Church Center remain at its present location, First United Methodist Church, Little Rock.

We express thanks to members of the study groups, consultants and others who worked with us.

Camp Tanako: Report To Annual Conference: 1989

FROM: CAMP TANAKO BOARD

Camp Tanako was organized in 1948 and all of the buildings now in use were built between that time and 1952. Therefore, all of our buildings are approaching 40 years old. In the meantime, we have been able to afford only minimal repairs and rehabilitation due to limited budget.

In the early 1980's, it became obvious that we had to look at the overall camp, facilities and programs, to see what the camp should now be and what it should become.

Our Master Planning process began in 1983 and the Master Plan was completed in 1986. We have delayed asking for any special apportionment for three years due to other programs which were in process.

Last year at Annual Conference, the Tanako Board asked for and got Conference approval to raise money on our own for Phase I. At that Conference, we told you that we would be back during Annual Conference of 1989 to request special apportionment items for the completion of Phase I and Phase II. We have worked very hard within the past year and are proud to report that without a Conference-wide program, we have raised over \$325,000 in cash and pledges to underwrite four of the eight cabin complexes. Three are now completed.

We are very pleased with this progress and are very pleased to find that we have such loyal support all over the conference.

Earlier this spring, the Tanako Board asked for CCOM approval for a special apportionment totaling \$1,500,000 of construction dollars to complete Phase I and build Phase II.

Completion of Phase I includes the final four cabin complexes, including all utilities, furniture, and street and parking improvements in the cabin area itself.

Phase II is the gymatorium which includes a large open air meeting hall, heated and air conditioned meeting rooms, all utilities, furniture, parking lot, two new tennis courts and swimming pool improvements.

The total cost of the two phases if built in the fall and winter of this year, 1989, will be \$1,500,000.00.

After several discussions with CCOM, CFA, the Cabinet and Laity over the Conference, we have modified our request to the proposal below, which we feel is very attainable for the Conference and the local churches.

The Goal:

1. That Camp Tanako be established as a development priority and build the needed facilities, as defined below.

2. Secure \$570,000 for the construction of four new cabin complexes, sewer work, road work, and interest over a period of two years — 1990 and 1991. This amount shall be raised as follows:

A. \$165,000 shall be apportioned to the churches each year, 1990 and 1991, as a separate line item, upon adoption by the Conference. The line item shall be called "Camp Tanako Development Priority."

B. A Minimum of \$120,000 shall be raised by special solicitations each year.

The Proposal:

1. The Camp Tanako Board requests the 1989 session of Annual Conference, after receiving approval of the Cabinet and the Council on Finance and Administration, to accept a \$165,000 apportionment for two years, beginning in 1990.

2. We request a continuation of the permission to the Tanako Board of Trustees to contact individuals, foundations and corporations seeking gifts to further develop Tanako.

3. Upon acceptance of the apportionment by the Annual Conference, the Tanako Board of Trustees shall be authorized to borrow funds, for a period of two and one-half years, to build new cabins and do site work and road improvements. The maximum the Trustees shall be authorized to borrow shall be \$250,000 without the permission of the Executive Committee of CFA.

4. As soon as the sufficient funds are assured to build additional facilities, the Tanako Board of Trustees shall be authorized to sign the necessary contracts, including borrowing additional funds.

5. Designate Sunday, September 10, 1989 as "Camp Tanako Sunday." Provide a brochure to churches noting . . .

. . . cabins already built, and how funds were raised.

. . . summer camping experiences and availability of the camp to churches and church groups throughout the year. Emphasize that the cabins are winterized.

. . . pictures of people in camps.

. . . at least two testimonials concerning what the camp has meant to persons. Suggestion: One testimonial from a youth who attended a summer 1989 session, and one from an adult who attended the camp as a youth.

Observe Sunday, September 9, 1990 as "Tanako Sunday" and provide a different brochure, noting development progress.

6. The Tanako Board of Trustees and the Camping Committee shall work diligently to schedule camps throughout the year, and provide leadership to create excitement about the Camp.

The Camp Tanako Board of Trustees urges your prayerful consideration of this proposal. We hope that yesterday you were as pleased with the progress at the camp as we have been.

Sincerely,
Jim Wilson

Report To The Annual Conference On

Long Range Planning Of The United Methodist Children's Home

IN 1897 a group of concerned church leaders approached the conference about a need to effectively relate to orphans in our state. That concern culminated with the State of Arkansas granting a charter for the Methodist Orphanage in 1899.

The Orphanage received its first orphan in February, 1902. No one knows how many orphans found good homes because of the work of the Methodist Orphanage.

IN 1907 it was determined that the original house on Commerce Street in Little Rock was no longer filling the need. Land was purchased and a more suitable facility was erected at 16th and Elm. The move was completed in 1910.

IN THE MID-1940's the rambling, single structure at 16th & Elm was deemed less than adequate and the child care facility was relocated on the northeast corner of the recently purchased 80 acre tract of land that was bounded by 20th Street, 28th Street, Fillmore Street and Hays Street (University).

When the Home moved to the Fillmore location (in 1947) the needs of children being served had so changed that the mission and name of the Home was changed from "orphanage" to "The Methodist Children's Home."

CHANGE! It has been said that "the only thing that is constant, is change."

The crying need of today's children is not that of finding adoptive parents for orphaned children; nor is "bed and breakfast" the most pressing issue.

The term most often heard today is the "at-risk" child. It is not a baby without a crib, it is teenagers on streets that are filled with drug/smuth peddlers. It is children whose natural parents either don't care, or are not capable of helping their children through the terrible maze of growing up to be healthy, wholesome adults.

These kids need a stable base in a well-rounded society. They don't (so much) need to be isolated from society in an institution. They really need to be integrated as a functioning part of a strong, healthy society. They don't need a peer group made up predominately of other youths like themselves. They need to be nurtured in a setting where acceptable role models can be observed and with whom they can naturally interact.

More than 18 months ago the Trustees of UMCH made the decision to take an in-depth look at who we were and what it was we were trying to do; to see where we were and what we were really doing in serving the needs of "at-risk" children. They voted (in November, 1987) to retain a professional consulting firm to do this study for us. In doing this study, the planners sorted through every aspect of the Home. They also delved into the entire community of professional child care as well as identifying some areas of need in the juvenile population. They left no stones unturned, either inside or outside our agency.

Just over one year ago (May 1988) the consultants made their report to our Trustees. The Trustees, recognizing the value of this study, authorized the Chairperson to appoint a Long Range Planning Committee to receive this report. That Committee was charged with the task of taking the planning and management study; digesting, researching and bringing back to the Board their findings and recommendations for the future of the Home.

That Committee and those chosen as resource persons to the Committee consisted of: four clergy members of the Board (all of whom are, or have served as District Superintendents), one lay member of the Board (the Executive Director of the Arkansas Methodist Foundation), one qualified and certified researcher for studies, one licensed social worker (our Director of Children & Family Services), and one Ph.D. in Psychology (our Director of Professional Services).

The Committee chose Dr. C. Ray Hozendorf to chair the Committee. Dr. Hozendorf, in his systematic and dedicated manner, led the Committee to a conclusive end. I want you to listen closely as he walks you swiftly through this year long study that has resulted in some daring radical changes that should open a whole new world of exciting service to

children/youth whose future may well rest in our hands. Dr. Hozendorf.

Bishop Wilke and members of the Little Rock Annual Conference, thank you for the privilege of speaking to you on behalf of the United Methodist Children's Home and the exciting changes the Board of Directors has approved. The change of direction from campus oriented to community based group homes is one of the most exciting things that has happened.

Every member of the Long Range Planning Committee has worked diligently to study the need, to understand the situation under which we have been operating, to discover the alternatives and to recommend a plan that would allow the Children's Home to fulfill its mission and purpose, which is "to develop each child to his fullest potential physically, mentally, and spiritually, to provide a decent home life, adequate food and clothes, and an opportunity for an education and an environment conducive to spiritual growth. This is to be done through a program of child care which shall effectively meet the needs of the children served, without regard to race, creed, or national origin, and through residential care, foster home care, group home services, etc."

Various members of the Committee visited the Louisiana Children's Home, the Texas Children's Home and the North Carolina Conference Children's Home. On other occasions members met with the deputy director of the Arkansas Department of Human Services, with Bishop Wilke and with others to secure insights and knowledge of human service needs and policies. After gathering as much information as we could the Committee formulated its recommendations.

The statement of purpose includes the phrase: "to have an environment conducive to spiritual growth." As the Committee considered this aspect of our mission we determined that our experience with the Magnolia and Searcy group homes was much more stable and far more conducive to the atmosphere for spiritual growth, such neighborhoods being more community and church oriented.

The following changes in strategy of the UMCH were unanimously approved by the Board of Directors on May 16.

1. That additional community based group homes be established with properly equipped, trained and funded teaching parents. The community would be asked to be involved in a supportive manner and committed to this relationship on a continuous basis. The group home system would emphasize the teaching of basic values, morals and ethics in a supportive family style environment. The community based group home has proven to be a superior approach for teaching social, academic, maintenance and self help skills in a supportive family relationship.

2. Develop the Independent Living Program approved by the Directors some eighteen months ago for older youth, aged 18-21, and move forward in this program as rapidly as possible.

3. Foster Home Care is the number one placement of children by Human Service. The United Methodist Children's Home is capable of promoting, locating, training personnel, and maintaining a network of foster homes. The Home will pursue this strategy enthusiastically and with commitment of personnel and financial resources.

4. When all the children who are under our care have been cared for adequately, and each staff member given individual and proper concern, the 27.7 acres on S. Fillmore may be offered for sale. The appraisal and the land use study which has been approved and are approaching completion will be of inestimable value in determining the future use of the property.

5. The plan is that the administrative offices remain in Little Rock, with the professional staff relating to the community based group homes. You may ask, are you going to have a home in Little Rock or North Little Rock? Any county in the state can have a home. It will depend on meeting the supportive conditions mentioned previously.

What will you do with the proceeds of any possible sale? We would like to place all proceeds received in the endowment fund, if and when such sale should occur. We only have \$1,427,000.00 in the endowment now. Some of the money may have to be used in establishing homes, but we hope the communities will help with the actual buildings.

Will we ever need this campus again? It was the considered judgment of the study committee that if the present trends of the area continue that the campus would become less acceptable as a sight for a human services location with the passing of time.

We used to have other group homes at Fort Smith and Arkadelphia, but abandoned them, why are we going back to them? We were fifteen years ahead of the times on the Fort Smith home. The two homes in Arkadelphia were never United Methodist Children's Homes. They were Clark County owned. UMCH provided personnel and funding for the residents.

The plans we have presented are long range plans. It will take about two years to provide for the present group of children. The process of securing a location for future community based group homes and finding foster homes and training foster parents will be developing over a ten year period.

Through the ninety year history of the Children's Home you have trusted your trustees and supported the Home generously. Today we ask for your continued trust and support. It has been said that troubled children come from troubled homes. This plan offers United Methodists of Arkansas the opportunity to minister to troubled youth and troubled families. You are asked to (1) give of your interest and time to help secure community based group homes; (2) continue to give generously to the Christmas Offering and through your memorials, wills and bequests; and (3) pray for the Children's Home and for the guidance of the Holy Spirit as we seek to minister to troubled children and troubled families.

United Methodist Women

The United Methodist Women of the Little Rock Conference are a varied group. We are married, single, divorced, widowed, single parents, grandmothers, housewives, gainfully employed, retired, young, old, black and white. We are different shapes and sizes as well as colors. But we have a common denominator. We are concerned about God's children and because of that we are in Mission. We work within our organization and throughout the whole Church.

More than 200 of us gathered at Camp Tanako on September 15, 1988 for a conference wide day apart where we considered "Dimension of Prayer." There was also a district retreat in each of the districts during the year. The 1989 day apart will again be at Tanako on Saturday, September 23rd.

The Annual Meeting was held at Pulaski Heights United Methodist Church, in Little Rock, on October 22nd with the theme Children of God — Hope for the World. Our speaker, Mary Lou Blakeman, a psychologist working with children in schools in the New Orleans area and the wife of a District Superintendent reminded us that we have a long tradition as women who care. God gives us whatever is necessary to do the task. We must listen to God's love and get up each morning ready to do the task. It was my personal privilege at this meeting to present the retiring president, Leona Bonsall, with a full complement of Special Membership Recognition pins — one of every denomination available. This was made possible by gifts from units and individuals in every district who gave more than \$3,350.00 to mission to show their love and appreciation for Leona.

Women's Division has asked every conference to increase its pledge-undesignated giving for each of the years 1988, 1989, and 1990. We increased our pledge \$8,000.00 for 1988 and paid it in full — \$128,000.00. We sent just over \$22,000.00, a large part for Aldersgate, in supplemental gifts making over \$150,000.00 sent to the Women's Division for Mission in 1988 and much more was spent in our local churches and communities. Our pledge for 1989 is increased to \$140,000.00.

We appreciate the support of Bishop Wilke and all the local ministers who gave over the Morning Worship service to the United Methodist Women on January 29th or an alternate Sunday. The reports we've had have been good ones. Many women had the responsibility and opportunity to participate in varying ways that were new to them and their congregations. If you missed the January Sunday, it isn't too late to choose another

date. United Methodist Women's Sunday will be an annual event and we hope that every church will participate in 1990. Both clergy and laity (men and women) have said they learned things they didn't know about United Methodist Women through these services.

Our districts have taken the boundary changes in stride and for the most part made the necessary adjustments. In addition to the retreats mentioned previously, each district has had some informative and inspirational programs and training sessions.

While United Methodist Women have a zest for Mission, it seems that this zest did not extend to evaluation reports this year. Fewer members were reported for this year but only 76% of our units reported. All other indications deny a membership loss — especially increased giving.

The past year, our women have studied "Ruth and Esther," "Faces of Poverty in our Midst," and "South Africa." This year, with annual Conference later than usual, our Conference Officers have a schedule conflict, in that they are due in Oklahoma City for the start of West Gulf Regional School at noon, Tuesday, June 13th. In addition to update instruction for officers, at Oklahoma City University, and again at Arkansas Area School of Mission in August, this year we will study "Psalms," "The World of Islam," and "The Philippines."

Two Women's Division staff members and three directors will present a leadership development workshop for our Conference Officers, Nominating Committee, and District Presidents at Aldersgate the weekend of April 7-9.

A five year campaign for children began in 1988. Many local units were already involved in projects to help children. All units are asked to assess the needs in their area, and work either with existing groups or start new projects to meet children's needs.

While 1988's annual meeting topic was children, in 1989 our theme will be "Youth Our Responsibility of Today — Our Investment in Tomorrow." This annual meeting will be at First United Methodist Church, Malvern October 7, 1989.

Several units in our conference have been saving Campbell soup labels to be used to buy equipment for McCurdy or other schools. Any units supporting other schools may continue to do so, and all others are asked to save labels from all Campbell products. McCurdy School, in Espanola, New Mexico, is one of our National Division projects.

The Conference Executive Committee voted to ask the local units to participate in a second new project Conference wide — the Women's Watchcare Network. They will be monitoring and reporting the activities of hate groups and also reporting abuse of women and children. I feel that awareness can be a powerful motivator.

When the Executive Committee met in February, May of 1990 seemed far in the future. It's getting closer for the United Methodist Women's Assembly in Kansas City, MO, May 3-6. With it being 8-10 hours away we anticipate the need to charter a bus or busses to go. We will give a \$200.00 scholarship to attend the Assembly (which is the program meeting of the Quadrennium).

So you can see that United Methodist Women have been productive, are staying active, and plan to continue to be a vital part of both receiving and giving God's love and care in the Little Rock Conference.

Report Of Work Area On Church And Society

In response to the action of the Annual Conference last year, a Task Group was set up to determine a course of action that would provide education and direction for the Little Rock Conference in AIDS ministry. The following actions were taken by that Task Group:

(1) Appropriate informational material was secured and distributed in our conference mailings.

(2) A high priority was set on providing training for clergy and others who are likely to be called upon to counsel persons with AIDS and related conditions, or their families. It

was determined that this should be an area event so the Task Group was enlarged to include representatives of the North Arkansas Conference. Dr. Ronald H. Sunderland, a Research Fellow at the Institute of Religion in Houston and the co-author of three books related to AIDS Ministry and the Religious Community was selected as the leader. This event — “Can You Face AIDS in Your Congregation?” — was held at Pulaski Heights UMC on February 28th with 70 persons participating, representing 10 denominations and 2 institutions. Dr. Sunderland defined three major actions the church can take to fight the AIDS epidemic — focus on education, establish ministries as an example to the community, and establish or join ecumenical caretaking programs to assist AIDS patients. He warned “how we respond to this crisis may determine the integrity of the religious community as conveyors of the Gospel.”

(3) We supported the Arkansas AIDS foundation through a monetary gift to the operational fund and through the service of several United Methodists on the Religious Advisory Committee currently chaired by Dr. Tyler Thompson of Pulaski Heights UMC. Because of the interest generated in our community following our training event, we were contacted by the Associated Catholic Charities of New Orleans with an offer to fund a part time director for AIDS Ministry in Arkansas. They were seeking an ecumenical sponsor so the Advisory Committee is working with them to make this come about. Funding will be by ACC from a grant they received to assist local churches in educational and training programs for ministry.

A second Task Group was formed to define priorities for the Work Area. District representatives on Church and Society as well as representatives of United Methodist Women, the Commission on the Status and Role of Women and the Commission on Religion and Race were asked to participate. The following concerns were identified as priorities among many concerns proposed:

(1) It is a primary responsibility to work with district and local representatives to clarify and interpret the position of the Church as passed by General Conference and stated in our Social Principles and the Book of Resolutions and to explore the responsibilities of the Church and Society representative. To this end we recommend that districts specify Church and Society as one facet of “My Job Workshops” or similar training programs. Further, assistance will be provided, on request, to help local churches understand our responsibilities.

(2) Since most of the programs of Church and Society related to the compassionate ministries of Christ to all humanity, but particularly to those who cannot be their own advocates, a training event will be sponsored by Church and Society to develop advocacy skills in our membership.

(3) In the area of AIDS Ministry the Task Group recommended that we continue intensive education and ministry. We will assemble training tools that are appropriate for various age levels and make them available to districts and local churches. Requests will be made to the Board of Managers of Pastors School and the Planning Team for the Area School of Christian Mission to include a significant segment of AIDS training in those schools in 1990. It is further recommended that an AIDS Awareness Day be observed by the conference in 1990. Dr. Thomson and the Reverend Norwood Jones of St. James UMC will be the Coordinators of our AIDS Ministry.

(4) While a number of environmental and ecological concerns were identified, for the present we would like to recommend to our churches that they use paper products in lieu of styrofoam/plastic products, which are non-biodegradable. This would be of economic as well as ecological benefit to our part of the state.

The other major action we plan for 1989-1990 is in the area of Peace With Justice. Because of the funds that have been collected on Peace With Justice Sunday the last few years we have funds available for work in this area. We hope to have a United Nations related event in the fall and a “Parenting for Peace” seminar next spring. We encourage the churches to participate in “Trick or Treat for UNICEF” in October.

I am pleased to announce that Mr. Jim Wohlleb of First United Methodist Church, Little Rock, will be our Peace With Justice Coordinator.

In keeping with our Conference Priorities for this year and the next, we have a deep concern about many issues that relate to children and youth such as in education and health care. We are particularly concerned about the rise in the numbers of youth who experience teenage pregnancies, substance abuse and suicides. Therefore we recommend the establishment of an Area Committee to research statistics and data for Arkansas and to determine a recommended course of action which would address these problems.

With the numerous issues that face our church and our society, we have a full agenda before us. It takes commitment and enormous courage to deal with many of them, but we certainly are going to undertake the journey!

We have four sponsored resolutions to present.

Commission On Religion And Race Report

The 1988-89 year has been a transitional period for the Little Rock Conference Commission. Our primary accomplishment has been to lay the groundwork for the task before us. This has been achieved through assessing our current status; prayerful recommitment on the part of the current Commission members; and by establishing achievable goals and realistic timetables.

To insure that the work of the Commission on Religion and Race is implemented at the grass roots level of the Little Rock Annual Conference, an aggressive training schedule has been adopted:

Chairperson Training — March 1-4, 1989

Area Wide Training — Fall 1989

Commission Members, District Coordinators and the Cabinet

District Training Events — 1990

Local Church Religion and Race Chairpersons

The Conference Commission by working through the Committee on Nominations will be setting the standard for inclusiveness by insuring that the populations identified by **Discipline** are represented in its membership. This will enhance the Commission on Religion and Race in its monitoring efforts with other Conference Committees and Commissions as this is a primary component (inclusiveness) that will be considered when evaluating groups within the Annual Conference.

The Commission will be monitoring the small groupings which resulted from the Jurisdictional Convocation on Racism, the Conference Priority and the implementation of the Wesley Foundation at the University of Arkansas at Pine Bluff. The Commission will assist with mainstreaming EMLC as it relates to the new Conference Taskforce on the Ethnic Church. The Commission will serve as a resource point for other Conference Committees and Commissions upon their request.

Much work confronts us as we go forth into the quadrennium. Without strong leadership, adequate training, open hearts and minds, we will fall short of the Wesleyan tenet of "going on to perfection." To paraphrase Dr. Martin Luther King, Jr., until we look at the "content of a man's character rather than the color of a man's skin" we cannot say that our goals have been achieved.

Resolution on the 1972 Merger Agreement Between the Little Rock Annual Conference and the Southwest Annual Conference

Whereas 1992 will be the twentieth anniversary of the 1972 Merger Agreement between the Little Rock Annual Conference and the Southwest Annual Conference;

And whereas, since merger, Black churches of the former Southwest Annual Conference have suffered alarming losses in laity and clergy;

And whereas, in 1989, 3 of the 24 positions on the Little Rock Annual Conference Council of Ministries are held by Blacks;

And whereas the Little Rock Annual Conference has not appointed a Black person to the office of the Superintendency since the 1972 merger;

And whereas, in 1989, in the Little Rock Annual Conference, 7 of 23 Conference Boards and Agencies do not have Black representatives;

And whereas, in 1989, only two Black clergy persons, whose salary package is derived from serving a single local congregation, are paid at a level above minimum salary;

And whereas in 1989, there are no Black lay persons serving in a full time professional capacity in any White United Methodist local church within the Little Rock Annual Conference;

Be it hereby resolved that the Little Rock Annual Conference reaffirm the contents of the 1972 Merger Agreement, and in preparation for the twentieth anniversary of said agreement hereby covenant to adopt the following goals to be accomplished by 1992;

1. A Black Clergy person be elected to the office of the Superintendency to serve in the Little Rock Annual Conference by 1992;
2. That aggressive recruitment be undertaken by the Cabinet to fill pulpits for Black churches with full-time ordained clergy persons, where feasible. This recruitment process shall be in consultation with existing Black lay and clergy leadership to insure persons will be retained once recruited;

3. That full open itineracy be encouraged throughout the connectional system within the Little Rock Annual Conference. This should include encouragement by the Cabinet of pulpit exchanges; placement of Black clergy as pastors; and encouragement to hire Black laity in professional staff positions within White United Methodist Churches;
4. That the Little Rock Annual Conference shall adopt an Affirmative Action Policy with regard to all boards and agencies.

And finally, that this resolution be read annually until the 1992 session of the Little Rock Annual Conference to celebrate the progress toward these goals.

Submitted this day, June 11, 1989, the Little Rock Conference Commission on Religion and Race,

Maxine Waller

Committee On Ethnic Minority Local Church

The committee on Ethnic Minority Local Church was officially formed in the Little Rock Conference during January of 1989. This committee replaces the missional priority committee that existed in the Little Rock Conference during the past eight years (1980-1988).

The 1988 General Conference approved the incorporation of the EMLC into the ongoing life of the church at all levels during the 1989-1992 quadrennium.

To assist in accomplishing the goals as outlined in the comprehensive plan, seven subcommittee assignments have been grouped into three committees. They include:

- A. Leadership Development
 - Structural Involvement
- B. Church Growth
 - Outreach/Witness
 - Discipleship
- C. Liturgy/Worship
 - Facilities/Buildings

Committee members have been assigned to implement strategies identified in the comprehensive plan. Special effort is being made to empower ethnic minority local churches to assess funds that have now been mainstreamed into the budgets of agencies and boards.

Proposed Organization For Area Communication

The Committees on Communications of the two Annual Conferences shall administer the Arkansas Area Communications Program

This program covers three main areas:

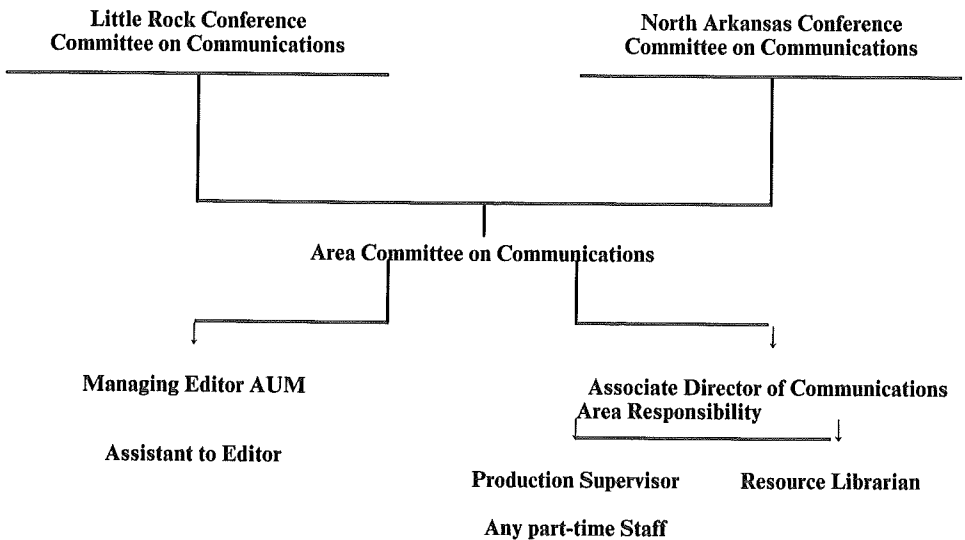

1. Arkansas United Methodist Newspaper
2. Arkansas Area Resource Center
3. Arkansas Area Production Center

The Little Rock Conference has a full-time staff person in communications with up to ¼ time being shared on an area basis. That person is the Associate Director for Communications of the Little Rock Conference.

We recommend that the following lines of accountability be established.

1. The Area Committee of Communications made up of the joint Committees on Communications of the two Annual Conferences shall supervise the work of the area staff in communications. This shall include the Managing Editor of the Arkansas United Methodist Newspaper, the Assistant to the Editor, the Resource Librarian, the Production Center Supervisor. It shall also supervise the Associate Director of Communications only to the extent of that person's supervision of Area personnel and program.
2. The Area Committee on Communications shall review, update, and manage the policies of the Resource Center, Production center, and the Newspaper. They shall monitor the budgets and approve any significant changes.

3. The lines of accountability and responsibility shall be for the purpose of carrying out the approved policies and administering the appropriate budgets.
- The Managing Editor of the Arkansas United Methodist Newspaper shall oversee the production of the newspaper and supervise the Assistant. The Editor shall report directly and regularly to the Area Committee.
 - The Associate Director of Communications of the Little Rock Conference shall oversee the work of the Production Center and the Resource Center as part of the area duties within their job description.
- The day to day operations will be the responsibility of the Production Supervisor and the Resource Librarian. However, purchases above \$100 and any budget changes must be approved prior to funds being spent. Any questions about policy and jobs should be directed first to the Associate Director of Communication and then to the Area Committee. The Associate Director of Communications shall report directly and regularly to the Area Committee on Communications.
4. The following diagram represents these lines of accountability.

Christian Unity And Inter-Religious Concerns

"That they may all be one," is the prayer of Jesus for his followers, (John 17:21). Two significant current steps toward Christian unity are; The United Methodist/Lutheran statement on Episcopacy, and, the Consultation on Church Union Covenanting Proposal.

The statement on Episcopacy is available from the Service Center, 7820 Reading Road, Cincinnati, Ohio — 45222-1800 — and is recommended as part of the ongoing effort by participating communions to clarify our mind and practice regarding this important Office of the Church.

The Covenanting Proposal of the Consultation on Church Union recommends that "Covenanting Councils" be established at national, regional and local levels. Such Councils would provide for inter-denominational representation at Ordinations, common acceptability of Ministers among covenanting churches, and a visible, if not organic, form of unity before the world. This document is available from the Consultation on Church Union, 151 Wall Street, Princeton, New Jersey — 08540-1514.

It is recommended that the Little Rock Annual Conference adopt the following timeline relative to the Covenanting Proposal: 1989-1990 a year for studying the Proposal throughout the Annual Conference; 1990-1991 for the encouragement and formulation of petitions to General Conference, reflecting the sense of the Annual Conference; 1991-1992 for promoting the Annual Conference perspective through General Conference representations.

In addition, two helpful perspectives on the movement toward Christian Unity are in recently released video-tapes entitled, "Tapestry" which portrays the work of the National Council of Churches, and, "One World" which highlights the work of the World Council of Churches emphasizing the Worship and spiritual life at the center of the Council. These video-tapes are available from the Arkansas Area Resource Center, 715 Center Street, Little Rock, Arkansas — 72201.

Finally, for those who can take advantage of them, the National Council of Churches Ecumenical Travel Seminars (NETS) provide cross-cultural learning experiences in the Christian Faith. Near future seminars include U.S.S.R. II (July 31-August 17), Brazil (September 3-19) and distant seminars include Pacific Regions (1990) and Australia (1991). Detailed information on the travel seminars is available from the National Council of Churches, 475 Riverside Drive, Room 851, New York, New York — 10115-0050.

Respectfully Submitted,
Tom Abney, Chairperson

Archives And History Commission

The Little Rock Conference Archives and History Commission has continued to organize the material in the Methodist Archives at Hendrix College. The accomplishments for 1988-1989 have been: (1) the creation of additional space for materials and for the display of three-dimensional objects; (2) the purchase of a new filing cabinet, a new portable typewriter, and the necessary acid-free materials needed; (3) the completion of the photocopying of the Stanley Baugh collection of photographs of early 20th century Little Rock Conference rural churches and the attendance cataloging information.

An exhibit of photographs and biographies of laypersons of the Little Rock Conference (deceased), which was requested by the Jurisdictional Conference committee for display at the meeting in New Orleans, was displayed at Conference time in 1988, as well as an exhibit on Methodist campgrounds. The exhibit for the 1989 Conference will refer to information regarding the 50th anniversary of the reunification of the Methodist churches in 1939.

The Commission met with the North Arkansas Commission on Archives and History in March, 1989 to implement the working together as a joint conference. This was a very productive meeting with much accomplished which will benefit the archives work in both conferences.

"The Vine And Branch Connection"

"I am the vine and you are the branches. Whoever remains in me and I in him will bear much fruit; for you can do nothing without me." (John 15:5)

We are a connectional church. This concept is Biblical. Jesus said, "I am the vine, you are the branches . . ." Individually each of us needs to be attached to Christ spiritually. Within the church, we need to feel we are a part of the whole. We also have to remember that we are part of the larger church. As United Methodists we are connected and each church is like a branch unto a vine which is the Annual (General) Conference. We are not alone, even though it may seem that way at times.

Therefore, on behalf of the Conference Board of Global Ministries, we want to say "Thank You" for:

1. Your support of the Mini-Global Gathering which was held in Little Rock this past April;
2. Your support of Mission Interpreters when they were itinerating in our area;
3. Your increased support to General Advance Special Projects from \$43,963 in 1987 to \$62,076 in 1988. We are now in fourth place in Jurisdictional ratings for UMCOR Advance giving.
4. Your increased support to the Aldersgate Fair Share from \$20,874 in 1987 to \$22,543 in 1988.
5. Your continued support of Ethnic Minority Local Church Ministries;
6. Your \$600 that was given through the ribbon sale for Partner Churches in Crisis;
7. Your support of Mission Churches through regular/special church extension.

And in promoting the following mission projects:

1. We encourage increased support for "One Great Hour of Sharing." Since 1949 this offering has given Christians an effective way to respond to Christ's call to "feed my sheep" and to care for those stricken by natural disaster, war and other human tragedy. Our goal for 1990 is to have every U.M. church observe "One Great Hour of Sharing" and take up an offering.
2. We encourage you to pick out and support some of the 2,000 General Advance Special Projects that are listed in the 1989-90 bi-annual edition of "Partnership in Missions" (A copy is sent to every pastor in the United Methodist Church.)

3. We encourage increased support for all Fair Share askings.
4. We encourage support for the Black Community Developers Program in the Little Rock District.
5. We encourage and support the implementation of the 1-2-3 Hunger Challenge in local churches for the 1989-90 celebration of the 50th Anniversary of U.M.C.O.R.
6. We encourage continued support for:
 - Arkansas Conference of Churches & Synagogues
 - Oklahoma Indian Missionary Conference
 - Rio Grande Conference
 - Cooperative Parish Ministries
 - Ozark Mission Project.
7. We encourage you to read and support our new mission statement: "Grace upon grace: God's Mission and Ours."
8. We encourage you to affirm and support the General Board of Global Ministries as the official missionary-sending agency of the United Methodist Church.
9. We encourage your affirmation and support of the "U.S. Agriculture and Rural Communities in Crisis" policy statement adopted by the General Conference.

Finally, as a branch on the vine of the Little Rock Annual Conference, we need your continued support as we determine the best way to tell the mission story in the next decade.

Thank you,
Chester Jones
Chairperson

Report On Korean Mission In South Central Jurisdiction

1. Korean Mission work in South Central Jurisdiction was started on February 15, 1989. Its primary purpose is to enable congregational development among the growing Korean immigrant communities. The key concept of MISSION is to enable new congregational birthing and incubation which is described in the DISCIPLINE (P. 663-664). Until the new congregations have been chartered (the Organization of the Charge Conference) within the Annual conference and District, the proceeding conditions call for much closer relationship between the Korean Mission and Annual Conferences and Districts which the work is carried on.
 2. The mission work is a facilitating and coordinating for the development of Korean-American ministries and new church development, especially consultation for redeveloping the designated Korean churches.
 3. The mission projects presently carried on are six congregations: Springdale-Hanmaum (N. Arkansas), Wichita-Sarang (Kansas W.), Jacksonville (N. Arkansas), Copperas Cove (C. Texas) Waco (C. Texas), Enid (Oklahoma), and ongoing projects are five: Irving (N. Texas), Kansas City (Kansas E.), Corpus Christi (S.W. Texas), Waynesville (Missouri E.), Ft. Smith (N. Arkansas), and in surveying projects are follows: Houston Second (Texas), Shreveport (Louisiana), College Station (Texas), Abilene (N.W. Texas), Lake Charles (Louisiana), Laredo (S.W. Texas), Topeka (Kansas E.), Omaha (Nebraska), Denton (N. Texas).
 4. The mission leadership development is very important for the new church development and nurturing with the Korean churches, especially recruitment and training of mission pastors.
- Your understanding and continued support are appreciated.

Bon Woong Koo,
Korean Mission Director,
S.C.J.

Episcopacy Committee

Bishop and Members of the Annual Conference:

I appreciate the opportunity to make this report on behalf of the Conference Committee on Episcopacy.

In compliance with the disciplinary requirements, the Bishop convened this Committee November 19, 1988, and the Committee elected the officers, named an Executive Committee and began its work.

To orient the Committee to its functions, the secretary included paragraph 735 from the **Discipline** in the mailed minutes of our meeting. Briefly these are:

- to support the Bishop in the oversight of spiritual and temporal affairs of the church
- to be available to the Bishop for counsel
- to assist in determining the Area Episcopal needs and make recommendations to appropriate bodies
- to keep him advised concerning conditions within the area that affect relationships between him and the people of the conference agencies
- to interpret to the people and conference agencies the nature and functions of the Episcopal agencies
- have annual consultations and appraisal of the Bishop's work with respect to inclusiveness of all persons and understanding and implementing the consultation process in appointment making
- to report needs for Episcopal leadership to the Jurisdictional Committee on Episcopacy through the elected conference members of that committee. John Miles and I are the members from our conference.

The Jurisdictional Committee, recognizing that there was no uniform procedure for conference committees to guide their work, worked on and developed some guideline questions for the committees to consider.

The Executive Committee met, reviewed these questions and agreed that these should be sent to the Committee members prior to the full Committee meeting to guide us in our discussion and work. The questions were developed to help us fulfill the functions assigned us in the **Discipline**.

At the April 15 meeting at Camp Tamako, the members had looked at the agenda and guideline questions, and we were able to have some good dialogue around the strengths and perceived weaknesses of the Episcopacy.

Under the function to assist in determining the Episcopal area needs, we raised again the feasibility of making a study to merge the two conferences in the Arkansas Area. While the merger was not supported by all our members, we did have and passed a motion to make this recommendation at the combined meeting of the two Episcopal Committees. A study committee would be appointed by the Bishop. When this was discussed at the Area meeting, we decided that this was not the best time to do this.

The North Arkansas Committee had met prior to an invitation by the Bishop to have a combined meeting at the Episcopal residence May 7 making it possible for us to come together and share the results of each committee's work.

As one of our functions is to keep the Area advised concerning conditions that affect relationships between the Bishop and the people in the Conference agencies, and to interpret to you and to Conference agencies the nature and function of the Episcopal office, we invite you to keep us informed. This is the only way we can do our work. You should understand the consultation process set out in the **Discipline** and explained by the Bishop

in his address. You need to pay careful attention to the Finance and Administration Committee to understand the apportionments and see to the spiritual and administrative need of the Conference.

Most of our functions depend on the initiation of the Bishop or the people and conference agencies — to support — to be available — to assist — to interpret — the last two are initiated by the Committee to have consultations and to report to the Jurisdiction.

We're trying to be conscientious about the work you've given us to do. We want to be available and sensitive to the needs of the church in this Conference.

The Executive Committee is composed of Doris Fish, Chair; Tom Williams, Secretary; Kurt Bogan, John Miles and John Walker.

Independent Auditor's Report

We have audited the statements of assets, liabilities and fund balances — cash basis of the Little Rock Conference of the United Methodist Church as of December 31, 1988 and 1987, and the related statement of changes in fund balances — cash basis for the years then ended. These financial statements are the responsibility of the church's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provides a reasonable basis for our opinion.

As described in Note 1, the organization's policy is to prepare its financial statements on the basis of cash receipts and disbursements. Consequently, certain receipts and the related assets were recognized when received rather than when earned, and certain disbursements were recognized when paid rather than when the obligation was incurred. In addition, expenditures for capital assets were reflected as disbursements and are not shown as assets of the organization. Accordingly, the accompanying financial statements are not intended to be presented in conformity with generally accepted auditing principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and fund balances of the Little Rock Conference of the United Methodist Church as of December 31, 1988 and 1987, and changes in fund balances for the years then ended, on the basis of accounting described in Note 1.

Little Rock Conference Of The United Methodist Church Notes To Financial Statements December 31, 1988 And 1987

1. Summary Of Significant Accounting Policies

Basis of accounting — the financial statements of the Little Rock Conference of the United Methodist Church have been prepared on the cash basis. The records are held open for approximately two weeks after year-end in order to include the remittance from the churches in the conference for the last few weeks of the year. This policy is consistent with prior years.

2. Income Taxes

The Conference meets the requirements of section 501(c)3 of the Internal Revenue Code and is therefore exempt from federal income taxes.

3. Cash Investments

All cash investments are recorded at cost plus interest income as received in the account. These balances approximate current market value of the particular investments. Due to the current nature of some of these investments, market quotations are not available.

Interest on the savings accounts is received quarterly. Interest on Dean Witter Inter capital Liquid Asset Fund and Fidelity Cash Reserves are received monthly. Interest

on all other cash investments is not recognized until maturity.

Interest earned on investments during 1988 was \$62,228.

The aggregate market value of short term cash investments was \$559,143 at December 31, 1988. Net unrealized losses amounted to \$6,348 which are considered immaterial and temporary in nature and will be reflected when realized.

4. **Pension Plans**

Substantially all conference employees are covered under one of the two defined contribution pension plans.

- a. Ministerial employees — all ministerial employees, including the bishop, are covered under a defined contribution pension plan whereby the participant contributes 3% and the church or conference contributes 10% to 12% of the participants' annual contribution base (compensation) based on the conference average compensation as computed by the General Board of Pensions.
- b. Lay personnel — all lay employees are covered under a defined contribution pension plan whereby the participant contributes 3% and the conference contributes 6% of the participants' annual contribution base (compensation).

Both of the aforementioned plans provide benefits upon retirement based on converting accumulated contributions for that participant to an annuity or an actuarily equivalent basis.

Both plans are multi-employer plans by which all contributed assets of participating employers are commingled and are not segregated by employer. This commingling of assets prevents a matching of individual employer's plan assets to plan liabilities.

Total pension cost for the years ended December 31, 1988 and 1987 were \$563,004 and \$540,697, respectively.

Everett Meril Dobson, Jr.

Reverend Everett Meril Dobson, Jr., 47, died Thursday, March 2, 1989 in a Stuttgart Hospital. Survivors include his wife, Clara Jean Blackwood Dobson; two daughters, Karen Michele Bomrase and Mary Christine Jenkins; his mother and stepfather, Mr. and Mrs. Walter Van Cleave; a stepbrother Walter Van Cleave; his grandmother, Mrs. August Hesse of Stuttgart and three grandchildren. Funeral was Saturday, March 4, at Turpin Funeral Home in Stuttgart. Burial was at the Lone Tree Cemetery, in Stuttgart, Arkansas. Officiating minister was Robert A. Regnier.

His ministry began in 1976 as Pastor of the Shorewood Hills Church in the Arkadelphia District and continued at Tigert-Morning Star, 1977, Parker's Chapel, 1980, Sardis, 1984, and finally to Eudora/Parkdale in 1987. His active ministry ended December 31, 1988, because of illness. At that time he was given Disability Leave. He became an Associate Member of the Annual Conference in 1987 and was ordained a Deacon. He was a graduate of Garland Community College in Hot Springs and the Course of Study School at St. Paul.

Everett felt very strongly that he was called of God to ministry in the United Methodist Church. He lived up to that calling to the end through his commitment and service to the Church. Even though he could not preach during his last months he always hoped that he would get well, that he could be back in the pulpit before long. He never had that opportunity, but he did witness to his faith through his spirit of joy and love to those who visited with him in the hospital and at his home.

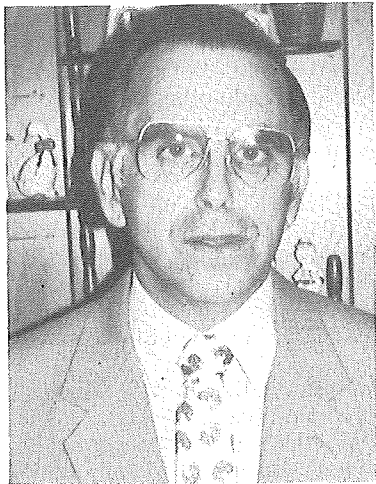

He was a "big man, with a big hat, with a big heart" is how he was described by one of his brothers in ministry. He lived his commitment in the words of the Psalmist found in Psalm 40.

"You have given me ears to hear you,
 . . . and so I answered, "Here I am . . .
 How I love to do your will, my God!
 I keep your teaching in my heart."

In the assembly of all your people, Lord,
 I told the good news that you save us.
 You know that I will never stop telling it.
 I have not kept the news of salvation to myself;
 I have always spoken of your faithfulness and help.
 In the assembly of all your people I have not been silent
 about your loyalty and constant love."

Robert A. Regnier
 Monticello District Superintendent

Samuel Clayton Harrison

Samuel Clayton Harrison was born in Wayne County, Mississippi April 4, 1940, the son of Henry and Viola Harrison. He passed way on October 7, 1988. Clayton was a graduate of the University of Southern Mississippi at Hattiesburg and received his MA from Emory University in Atlanta. He entered the ministry in 1959. He was married on April 12, 1963 to Mary Ann Fleming. He is survived by his wife and three children, James, Jeffrey and Renee.

His ministerial appointments were: Mississippi — The Matherville Charge, Lauderdale, Lambert, Mattison and Dublin. Georgia — The Level Creek — Sardis Circuit and Chicopee. Arkansas — The Hickory Plain Circuit, Mt. Carmel and New Hope.

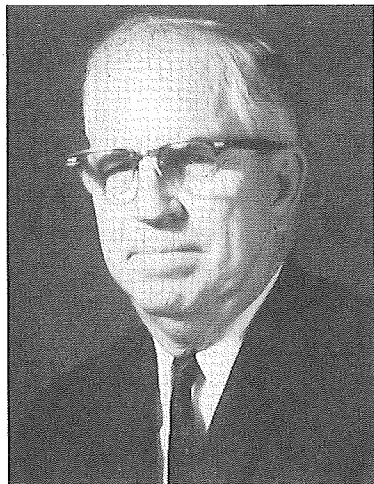

He was employed by the State of Arkansas in the Department of Rehabilitation Services in 1969 as a counselor in Helena. In 1975 he was made supervisor of the Rehabilitation Services' facility at the Benton Services Center. He was later transferred to the Central

Office as section 503 employment coordinator. In 1986 he was appointed County Administrator for Hot Spring County by the Department of Human Services.

He was vice president of the Glen Rose Band Booster Club, served on the board of directors of the Hot Spring County Chamber of Commerce, was a member of the Lions Club, Kiwanis Club, and Civitan Club. He also was a founder of the Hot Spring County Resource Organization for Service Excellence (R.O.S.E.)

In December the conference room of the new Department of Human Services building in Malvern was dedicated in memory of him. A plaque was presented by the State for his "tireless devotion and dedication to serving the citizens of Hot Spring County." He was recognized as a doer, committed to serving clients and always believing there was good in everyone. He had a deep concern and love for people.

Charles V. Mashburn

On November 26, 1988, funeral services were conducted in First United Methodist Church, Hot Springs, Arkansas, for Brother Charlie Mashburn. One of God's faithful servants had joined the church triumphant. A passage of scripture from the prophet Malachi is most fitting for this dear pastor. "Says the Lord of hosts, my covenant with him was a covenant of life and peace. He feared me, he stood in awe of my name. True instruction was in his mouth and no wrong was found on his lips. He walked with me in peace and uprightness and he turned many from iniquity."

Brother Charlie served 39 years in the ministry, most of it in the Little Rock Annual Conference. His was a ministry characterized by patience, love, sacrifice, dedication, concern and faithfulness. Like Abraham he went where he was sent and did so joyfully. There was one thing unique about Brother Charlie, climbing the ladder never meant much to him. He

never served any large churches. He was always concerned about serving where he could.

He was happy to take a circuit of churches that might otherwise have found it difficult to have a pastor. He did this not because he was lacking in ability, but simply wanted to serve God as best he could.

He believed that underneath the marshlands of sin and the shifting sands of doubt, there was a certainty. He believed in victory beyond defeat. He believed in triumph over tragedy. What sustained him was a great love for God and what God had done for him.

His beloved wife of 50 years survives him, along with 5 children. All are grateful for the heritage he left them.

He was a consecrated minister, true to God, his church, his family, and his fellowman. The world is better because Charlie Mashburn lived, served, and died in the faith he preached about and looked for that city with foundations whose builder and maker is God. And now Brother Charlie has claimed his citizenship in that city. Well done good and faithful servant.

Carlos E. Martin

Dr. Marshall T. Steel

Dr. Marshall Turrentine Steel died in the Trinity Medical Center, Pine Bluff, on January 20, 1989. Dr. Steel had moved back to Pine Bluff where he had spent his teen age years while his father was pastor of the First United Methodist Church there. He was the son of the late Reverend Edward and Kate Steel.

After graduating from the Pine Bluff High School, Dr. Steel graduated, with honors, from Hendrix College. He earned the Bachelor of divinity degree from Union Theological Seminary. He received an honorary doctor of divinity degree from Hendrix College and an honorary doctor of laws degree from Southern Methodist University.

After serving the Methodist Churches in Bauxite, Carlisle and Monticello he was appointed to the Winfield United Methodist Church in Little Rock. Later, he was appointed to the Highland Park United Methodist Church in Dallas, Texas. Under his ministry the church quadrupled in membership to 8,600 and became the largest church in Methodism.

As a member of the United Methodist Church's National Board of Global Ministries, he visited mission stations worldwide.

Dr. Steel served on the board of directors of Arkansas Power and Light Company, Arkansas Bank and Trust Company, Hot Springs, Union National Bank in Little Rock, Southern Methodist University and Hendrix College.

He became the sixth president of Hendrix College. During his presidency Hendrix became one of the most prestigious liberal arts colleges in America.

In 1930 Dr. Steel married Ouita Burroughs who died in 1984. He later married Clara McConnell Stone of Pine Bluff, who survives him. Other survivors are a son, Dr. William E. Steel, Costa Mesa, Calif., a daughter, Sara Hill of Dallas; a stepson, Donald Stone of Jonesboro, 13 grandchildren and two great grandchildren. A son, Robert Steel preceeded him in death.

Funeral services were held in the First United Methodist Church of Pine Bluff by Fred H. Arnold, John W. Lindsay and William McElvaney. The service of committal was held in Graceland Cemetery with Bishop Paul Galloway officiating.

The Rev. Dr. Otto Warren Teague

Otto W. Teague was born at Hollywood, Arkansas on October 2, 1900 and died October 22, 1988. A memorial service was held October 25 at First United Methodist Church in Beebe and burial was at Meadow Creek Cemetery in Beebe.

During his 43 years of active service as a minister in the United Methodist Church, Otto W. Teague served pastorates at Buckner, Louann, Norphlet, Carlisle, Fairview in Texarkana, First Methodist in Stuttgart, Lakeside in Pine Bluff and Asbury in Little Rock. He also served as district superintendent at Forrest City, Hope, and Arkadelphia. He served 15 years as treasurer for the Little Rock Conference Board of Claimants. In 1968 he headed the Conference's ministerial delegation to General Conference.

Mr. Teague was a dedicated minister who is remembered as being kind and thoughtful of others. His family knew him as a loving, steadfast and faithful father and husband. Ministerial associates re-

member him as a friend and colleague of unquestioned integrity.

Otto Teague was a good steward of his calling. That stewardship was exemplified by the care with which he managed church and personal funds. He was fond of recalling when, during his early ministry when "times were hard," he agreed to perform a wedding ceremony with the couple sitting in their Model T Ford. He commented it may have been "the first drive-in wedding."

Otto Teague was the son of Warren A. and Ruthie Mae Teague. He graduated in 1925 from Henderson-Brown College where he also attended the academy. He married Lydia Lois Young in 1925 and they had 5 children, children, Otto Jr. of Stuttgart, Elizabeth T. Workman of Conway, Lorraine T. Wilson of Beebe, Sam B. Teague of North Little Rock, and David G. Teague of Clinton, Miss. Mr. Teague was granted an honorary doctorate from Hendrix College in 1965.

Hazel Middleton Beck

Mary Middleton Beck, wife of the Reverend Leo Beck, pastor of the Welcome and New Era United Methodist Churches died on Monday, November 7, 1988 at the Humanna Hospital in Springhill, La. after a long and painful illness.

She was born December 9, 1916 in Pleasant Hill, La. She taught in the public schools for nineteen years. Hazel was always actively involved in the life of the pastorates she and Leo served as long as her health permitted. She had a deep radiance for life and a strong love for people. Hazel Beck was truly a Christian lady who "gave all she had to God and His world."

Survivors in addition to her husband include two daughters, Mary Caver of Lake Kowa, Tx. and Billy Logan of Shreveport, La.; two sons, Dale Beck of Blytheville and Lonnie Beck of North Little Rock; and five grandchildren.

Funeral services were held at the First United Methodist Church in Springhill, La. on November 9. Burial was in the Welcome United Methodist Church Cemetery.

F. Gladwin Connell
Camden District Superintendent

Mrs. Ruby (McKinney) Sadler

Mrs. Ruby (McKinney) Sadler, aged 87, died Sunday, May 21, 1989 at the Cleveland County Nursing in Rison. She was the widow of Rev. Harold D. Sadler, who died January 15, 1985. She was a former school teacher.

Mrs. Sadler was born at Rison, April 28, 1902, and was the daughter of N. A. and Annie (Smith) McKinney. She was a member of the Rison United Methodist Church. She was a graduate of Rison High School, Ouachita Baptist College at Arkadelphia and had been a teacher in the Rison, Hazen and Stamps Public Schools.
