GENERAL

Forms are available at the Conference Secretary's Desk to record any motion, amendment, or substitute motion or resolution. These forms must be used to record said information either before the action is proposed or immediately following the proposal being made or acted upon, for inclusion in the Journal. This is the only form which the conference secretary will accept for the official record and minutes.

The Conference Secretarial Staff has moved into the Computer Age. All 1990 Pre-conference Reports are on the computer. Please submit all errors for reports and amendments or changes on the said sheets to Lou Ann Walker. Karen Compton is recording the minutes as they happen on the computer. The computer in the Conference Office has all service records and addresses on it.

It is our hope that all of your records are correct in the 1990 Journal. If you have questions about your records, please see the Conference Secretary.

All persons transferring into the Little Rock Conference from another Conference, or those whose status is changed at this Conference - newly elected elders, deacons, new diaconal minsters, etc. need to report to the Conference Secretary's Office to receive a form to be used in reporting prior service information and to receive a schedule for group pictures.

The Bulletin Board in the Sanctuary will be used for emergency messages and the board in the Fellowship Hall will be used to post or receive messages. See Tom Hazelwood for help in this area.

The Offerings received during the services of worship will be used to defray the expense incurred by the meeting of the Annual Conference.

An amount equal to 100% of the pensions payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister, during the year 1991 be and is hereby designated as a rental/allowance respectively for each retired or disabled ordained or licensed minister of the United Methodist Church who is or was a member of the Little Rock Annual Conference at the time of his/her retirement or disability;
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency, or institution of the United Methodist Church or any former denomination that is now a part of the United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of the United Methodist Church for such retired minister's Pension or disabled minister's benefits.

Note:

The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rule 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107 (2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities."

Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore the full amount disability benefit payments will be taxable income to the recipient beginning in 1984.

VII. REPORTS

THE EPISCOPAL ADDRESS

Little Rock Annual Conference
June 4, 1990

This has been an exciting, splendid and significant year for Arkansas United Methodism. Let me thank you for your tremendous efforts that have been taken by the local churches and by the conference this past year. And most especially I want to thank you for the graces and the courtesies and the cooperation and the hospitalities that you continue to extend to Julia and to me and to our ministry in your midst and for the privilege of serving a sixth year as your bishop.

You have one of the strong pension programs in the United States, carefully nurtured across the years. Your health insurance is well managed. Your apportionments paid last year jumped dramatically from 87% the year before to 93% last year.

Your emphasis on children and youth ministries is bearing fruit. I attended the great Children's Choir Festival -- nearly 500 children from 30 to 40 churches -- in a great culmination of choir camping, local church worship, and great concert with a nationally prominent director, is the finest expression of this kind in the nation. And now a conference your choir is aborning -- something that should stimulate our youth ministries.

Several years ago, the trustees of Tanako asked for permission to develop a long range plan. They offered to pay for it themselves. Lo and behold, they did it; they paid that first $25,000 -- and brought you a brilliant design of a year-round, all ages, all purpose Christian Camping and Retreat Center. Then, because of the current campaign to start new churches, they asked permission to raise $300,000 on their own -- and they did that -- with your prayers and encouragement. Then last year you voted $165,000 apportionment over two years to push the project ahead, and the money is coming in happily and without rancor. Today, for those who can attend the Barbecue at Tanako -- you will see six beautiful new cabin facilities, able to house about 130 persons in heated, air conditioned accommodations, year round. Fourteen major camping events are scheduled for this summer -- and I am told that we will reach approximately two times as many youth this year as we did three years ago. Adult week-end events are multiplying.

How important is this? Last summer at a high school camp at Tanako, an invitation was given one evening to respond to an invitation to give one's life and heart to Jesus Christ, and forty youth responded by laying their lives on the line. The power of commitments of that sort will be measured over the next fifty years as pastors, Christian educators, missionaries, youth workers, Sunday School teachers, leading lay persons, serve our churches around the world.

I am hoping that you will continue to build, on beautiful Lake Catherine, the loveliest, most complete facility in the nation. It will take several million dollars, and will not be done overnight -- may take 10 - 15 - 20 years -- but it is your dream -- I believe it is God's dream. I will do everything I can to help you. The day will come when men and women from local churches will enjoy Tanako as much as the children. Incidentally, if you want to buy a bed for Tanako -- our most immediate need -- slip a check in my pocket or one of the trustees', and we'll see that it's taken care of.

While we are focusing on youth, I want to express great appreciation for the work being done by two committees - a committee on drug use, education and rehabilitation, headed by Reverend Bill Robinson, and the Committee on Teen Problems: Suicide, Drugs, Teen Pregnancy, headed by Judge Rita Gruber. As you hear their reports, I hope you will re-dedicate yourself and your churches to:

* A stronger youth program in your local church, a stronger Vacation Bible School, Kids' Klub, sports program, scouting programs, tutoring ministry, and youth music ministry in your congregation;

* A goal of doubling our conference camping program again in the next three years;

* Healing, sharing, self help groups in your church for drug abuse, Alcoholics anonymous, families of people on drugs and alcohol.

I believe that Jesus Christ has the power to be "the Way, the Truth, and the Life", but it is our great task to reach kids, all kids, for Christ and Christian fellowship. And to reach families, help build wholesome family life. Never in my life has the battle for souls been so intense. Remember, we struggle not against flesh and blood but against principalities and powers, spiritual rulers of darkness.

In terms of church growth, we can celebrate one of the strongest years in recent history - perhaps the last 25 years. Many other rural states continue to report losses of 2,000 or 3,000 members. Last year our net loss of about 150 members is a record low. When you consider the great number of small and rural churches, that has been a phenomenal record on your part, and I commend you on that. Just think, that is less than one member per church. If this year we could exert the slightest extra effort, we could actually record a net gain.

I am elated that worship attendance was up, but disappointed that Sunday School attendance was down.

Disciple Bible Study continues to amaze us. Arkansas ranked with Texas, Virginia, Florida, and Oklahoma in the top states participating. Over one hundred Arkansas churches are participating. Study of God's Word in small Wesley Class meeting style gatherings with video presentations by top Christian scholars is showing spiritual power. Some churches report new Sunday School teachers, better youth sponsors, and stronger stewardship in their congregations. As pastoral changes occur, some churches are now asking for Disciple trained pastors.

New Church Development has helped turn the Conference around and has assisted us in reaching new people for Christ and the Church. We have started new congregations or relocated others at:

Hot Springs Village - Christ of the Hills
Joplin near Mt. Ida
Piney Grove, near Hot Springs
Winfield in western Little Rock
Quapaw in Downtown Little Rock.

We have purchased land in North Texarkana and are seeking to do so in Western Little Rock.

We are reaching several thousand people through these new congregations, many of whom are received by Profession of Faith.

Institutions

Our institutions are doing well. Hendrix College with 1,000 students continues to be one of the finest liberal arts, church-related colleges in the nation. Philander Smith is growing, now with 620 students, a balanced budget, support from the United Negro College Fund and the United Methodist Black College Fund -- a bright future. Philander Smith is embarking on a $3 million capital funds campaign, and I urge all Arkansas to help.

The Children's Home is decentralizing its ministry to youth by adding homes in cities and towns in other parts of Arkansas. Aldersgate has received building grants from the Women's Division enabling the work to expand. We have ten different medical camps, respite care, fellowship for the aging -- a powerful ministry of interracial Christian witness.

Ministry

A word about our ministry and our appointment structure. This is difficult at this moment to go into all the nuances, but changes are so rapid in our appointment system and in our style of ministerial life. Those of us who can remember when bishops read the appointments and we found out where we were going, and on the day is a different day today. Family concerns, working spouses, children with unique health and educational concerns, women in ministry, spouses where one has a job that almost is necessary to be located in a different place and the other an itinerant United Methodist preacher. These are all prayerful concerns of your cabinet and your bishop. It makes life complicated in the assignment of an itinerant minister.

Furthermore, consultation with the churches is now part of our lives. We gladly and with disciplinary mandate consult with every pastor and his or her family, with every church, in their spiritual needs.

But, our system is not a call system. Our system is not a plan where a church has a search committee. Our system is not a program in which a minister negotiates their call or their assignment. We have several intrusions on the system that are not appropriate. We have some churches that still are hesitant to receive a woman in ministry. I remind you that we are in a revolution, a revolution based on the Holy Spirit coming into our midst as the Prophet Joel foretold when "the young men shall see visions, your old men shall dream dreams, your men and your women will prophesy". When the Holy Spirit comes upon a person and that person feels called to preach and is confirmed by the judgment of the Church, that is the work of God, friends. And the gifts and graces of the Holy Spirit comes to all people - some to be administrators, some to seek the word of prophesy, some to be teachers, some to be helpers and healers. And it is not ours to stand in the way of the gift of God's graces.

Age has been a bit of a problem for us. In several churches this year we had requests for ministers between 37 and 40 years of age. I'm approaching my 60th birthday this summer, and I'm getting a little more sensitive on this issue. Some of our pastors may not run as fast as they used to, but they might walk to the right place.

What our churches really want are people of any age, of either sex, who will be able to reach young people, help them find Christ, be able to work with young families. We know that. We want people who are healthy and strong and full of zeal and enthusiasm. But, let me tell you folks, not just to protect those of us who have a little arthritis in our knees, but the Holy Spirit and the work of the ministry, graciously comes to people of all ages. We cannot have a ministry that is limited to a particular age bracket. Furthermore, it is hard for a bishop to say this, but our church and our government is built on a concept that we as ministers serve at the pleasure of the bishop. We are appointed at the discretion of the bishop. That means that when a Pastor Parish Committee meets, it gets top attention. I personally discourage votes because sometimes people think when they have voted they have decided. They have just given consultation. We talk with the pastor, we talk deeply, and sometimes I know the district superintendents go a little overboard trying to be nice, but really what they are trying to do is to listen to your needs and your feelings, but you receive that as consultation.

The cabinet is so important that I would feel both arms were cut off without the district superintendents. But their advice is consultation. Methodist preachers serve under appointment, itinerant, willing to go where they are appointed within the bounds of the Conference. And churches agree to receive the appointment of the bishop. That's the way our system works. We'll do everything possible to hear and to be concerned and to take seriously all the matters I've named.

We ask this question: Who do we have that could serve that church most effectively at this moment in history? And as long as we ask that question in a close system where every church has a pastor and every pastor has a church, there will be some disfunction. And there will be some person who at some moment in their life will move to a smaller church or a parsonage with less rooms or with more churches on the circuit. And all I can say is that I too am under the assignment of the Church and that is what it means to kneel before the altar and be a part of the United Methodist Church.

Social Issues

A word about the social issues that we face. We could talk a long time about the turmoil of our society and the issues of our people, but let me lift up these issues.

I. With the fall elections coming, it is an important time to evaluate candidates regarding public education. It is popular now for everyone to be against taxes.

In every way, by additional salaries for teachers, additional resources for universities, better restructuring, racial justice, we must push hard for top quality education for our children.

The Church must do its part. We are strengthening our Wesley Foundation work at State universities. At Pine Bluff, and at UALR, we will have ethnic ministers as Wesley Foundation directors. This is the first time we have had the luxury of trained ethnic personnel at UALR to work beyond the local church. Slowly we are building a cadre of "friends" around each Foundation to give assistance. Arkadelphia, Monticello, and Magnolia maintain strong programs.

The local church should consider Head Start programs, pre-school ministries, day care assistance, after school tutoring programs. Christian education amid a secular environment drives us to more hours of Church School, stronger confirmation classes (many churches now have a 9-month program), after school clubs and fellowship, Scouting, choir and work camp ministries. Remember, children are our greatest product.

II. The assault on our natural resources, the violation of our air and water violates our sense of Christian stewardship. Contaminants abound.

I am concerned about our loss of hardwood trees.

I am upset about the poisons we are spraying on our fields and in the air.

I worry about waste, toxic and non-biodegradable like heaps of manure piles across our country.

I am disturbed by water where fish die, where people cannot picnic, where ducks swim at their peril.

I am glad the super powers have agreed to cut back on products for chemical warfare. But a chemical warfare is going on all around the world -- coming from exhaust systems, smoke stacks, in farm and city alike.

III. The third item I mention is racial justice. Every time it seems like we make a strike forward we wake up to the fact, --- One person mentioned to me recently that "Gee, it looks like we are in the Fifties again."

Some terrible things are being said publicly that are just bubbling with racism. A national confrontation is a possibility at any point. I'm so proud of some of the pastors who this past year brought some of the people together in places like England, Arkansas, people who gather to talk over the race relations to keep folks from hitting each other in the head.

We are still a closed church. Our congregations are not as open with hospitality as God wants us to be. And our system as a Church and our body politics call for committed Christians to speak again and ask again on behalf of justice for all people.

IV. Finally I want to say a word about the lottery. The lottery faces us. We will probably lose the battle, but we must fight it with all our strength. A lottery is opposed by Arkansas Educators and by the leaders in every religious organization in the state. Why?

It will:

* cause the State Legislature to be running the biggest gambling establishment in the state;
* try to teach children to do honest work and pay for their lessons with gambling receipts;
* cause people to oppose taxes for education, saying "Let the lottery do it";
* develop a cruelly recessive tax that hits the poor the hardest for they are wooed into believing that for a dollar or two a day out of their grocery or shoe money they will strike it rich. There is more chance that they will be struck by lightning.

As United Methodists we have opposed gambling in all its forms for 200 years. Let me quote from our **Discipline:**

> "Gambling is a menace to society, deadly to the best interests of moral, social, economic, and spiritual life, and destructive of good government. As an act of faith and love, Christians should abstain from gambling, and should strive to minister to those victimized by the practice. Where gambling has become addictive, the Church will encourage such individuals to receive therapeutic assistance so that the individual's energies may be redirected into positive and constructive ends. Community standards and personal life styles should be such as would make unnecessary and undesirable the resort to commercial gambling, including public lotteries, as a recreation, as an escape, or as a means of producing public revenue or funds for support of charities or government." (Paragraph 73G, **The Book of Discipline** of the United Methodist Church, 1988)

That is the official position. I believe here in Arkansas if we put our minds to it we can make an impact.

Thank you for listening to this statement. It's probably more personal today than usual. I have never been so excited about the Church. I have never been so excited about the ministry of the Church. I have never seen the world so hungry for the gospel and for the fellowship of the Church. And for me, this year of our Lord 1990 will be a wonderful, productive year on the part of all of us.

EPISCOPAL COMMITTEE

The Conference Committee on Episcopacy has sought to be faithful to the assigned responsibilities in the Discipline.

We are called to support the bishop in oversight of the spiritual and temporal affairs of the church, especially where the bishop has presidential responsibilities; to be available for counsel; to assist in determining the episcopal needs of the area and make recommendations to the appropriate bodies; to keep the bishop advised concerning conditions within the area as they affect relationships between the bishop and the people of the conference agencies.

At the combined meeting of the two Conference Committees on Episcopacy, May 7, 1989, the suggestion was made that Bishop Wilke call together persons selected by him in consultation with the two Conference Council directors to do visioning for the present and future and to have the bishop hold district meetings with the clergy members of Annual Conference to talk about their work together. These meetings would help the committee fulfill the functions stated above.

A retreat was held September 25 and 26, 1989. Blocks of time were allotted to focus on:

*Evaluation of United Methodist Institutions

*Identifying social concerns

*Identifying a strategy for statewide impact for witness and work

*Looking at possibilities for merging the two conferences with suggestions for the bishop.

Out of the two day retreat, recommendations were made to have a statewide emphasis on Sunday School, and to have a 5*Star Plan for Mission and Ministry.

A serious and lengthy discussion on whether to recommend merger of the two conferences resulted in a decision that this not be done at this time. The group did recommend that the two conferences, though respective conference agencies make an intentional decision to work more closely together, such as planning together for seminars, workshops and programs bringing national leadership to the area.

The proposed motion was sent to each Annual Conference Council on Ministries that the conferences declare a willful intent to work closely together where our ministry and mission in the area can be strengthened by such cooperation. We understand this to mean a willingness for structural components of the respective conferences (CCOM, CCFA, Agencies) to meet with their corresponding structural components and work together whenever this can be productive.

John Miles and I attended the Jurisdictional Committee on Episcopacy February 4-5, 1990. It was helpful to meet with and hear about the work other committees are doing and have our work affirmed by our colleagues. It was also helpful to meet with the bishops and hear how they work with their conference committees. We affirmed the guidelines developed for Conference Episcopal Committees and began the process that will guide the committee at Jurisdictional Conference in 1992.

The committee will be meeting jointly with the North Arkansas committee and separately in the afternoon on May 12, 1990. Results of that meeting will be shared at Annual Conference in June.

COUNCIL ON FINANCE AND ADMINISTRATION REPORT #1

One of the goals of your Council on Finance and Administration is to work with the local churches of our Conference so as to increase support for, and 100% payment of, our apportionment program. We are, encouraged with recent plans developed by the Conference Council on Ministries and the Stewardship Work Area of our Conference to initiate programming in this area. During the course of the year, members of our CFA have led District workshops and counselled with local churches about the financial program of our Conference. We pledge to continue this and other efforts to inform and encourage support of these vital ministries.

At the conclusion of 1989, churches that had failed to pay their apportionments in full were asked to develop their own plan for moving to 100% pay out. As directed by the 1989 Annual Conference, these plans have been shared with the District Superintendent and the CFA. The District Superintendents have worked closely with these churches and supported these efforts. We are encouraged at the plans that have been developed and look forward to positive progress soon. We will continue to monitor this process each year and stand ready to assist these churches in achieving their goals in any way we can.

Several helpful suggestions have been offered as to ways we can assist churches which are having difficulty in assuming their full share of the apportionment program. One item presented has to do with the negative effect that built-in increases to our Conference budget have on churches which are struggling to move to 100% pay out. The Conference budget never remains static. Each year we try to expand our ministry and build in minimal cost of living increases. And so, even if a local church increases the amount of its actual apportionment pay-out each year, it can still fall behind in its percent of payment. Thus, the gap between a church's actual pay-out and its goal of 100% support can widen each year, extending the time of their reaching full payment. This often frustrates local churches and they simply "give up", dropping their goal of full payment in the apportionment program.

After working with many of our churches and Pastors we are convinced that the majority of our churches and Pastors want to participate fully in the apportionment program of our church and to do their full share. There are few Pastors and churches who do not want to be an active part of our connectional fellowship and ministry.

In order to provide some "breathing space" for these churches to catch up and become fully supportive members of our apportionment program, the CFA has devised a "Build-Back Plan" to use as it goes through the process of recommending the Conference budget to the Annual Conference. The idea is to increase apportionment income through planned budgetary restrictions. We have used this plan in the 1991 budget process. We appreciate the wonderful cooperation of the Conference Council on Ministries and other agencies of our Conference in working with us in this process.

We realize such a plan cannot be used year-in and year-out, however. We can restrict program growth and development and prioritize our ministries only a limited number of times before we actually change the whole character and structure of our ministry. Our intention is not to subvert or radically change the ministry of our Conference. Our desire is to undergird the wonderful ministry of our Conference so that we do not constantly keep our programs on a "hand-to-mouth" kind of existence and to extend the number of churches who join the roles of those who pay out in full.

The point of the "Build-Back Plan", is to give some "breathing space" so that churches may "get on board" with their full share of the apportionment system. But the period of "breathing space" cannot be long, since we cannot artificially hold down inflation and we do want to continue growth. Thus, we ask each local church to join with us in this effort by moving to full payment of your share of the apportionment program as soon as possible. If you do not "strike while the iron is hot", we are afraid needed increases will once again begin stretching the gap between your church's ability to pay and its apportionment goal.

For your information, this is a copy of the plan we are using in our part of this process. **Please know this process is one the CFA has set for itself in its budgeting process as it builds the budget it recommends to the Annual Conference. This, in no way, restricts the action of the Annual Conference.**

"BUILD-BACK PLAN"
For Increasing Apportionment Income Through

Planned Budgetary Restrictions
Conference Council on Finance and Administration
Little Rock Annual Conference

I. Purpose:

A. To increase apportionment income from the local churches of our Annual Conference so as to support and increase the ministry of our Conference.

B. To set into place a mechanism by which all ministries of our Conference undergo regular evaluation and prioritizing.

II. Plan:

A. It is the intent of the Council on Finance and Administration to maintain the annual budget at its current level while encouraging the churches to achieve full payment of apportionments. Increases in apportionment income will be granted only to those sections of the budget that reached 95% pay-out in the previous year. Items excluded from this rule are General and Jurisdictional Apportionments and Pension funds.

B. Each year in which 100% of apportionments are received, the "pad" will be reduced one percent for the coming year. Each year less than 100% of apportionments are received, one percent will be added to the local church apportionments, with the understanding the "pad" will not increase beyond 5%.

III. Explanation:

No Annual Conference can commit funding for any future Annual Conference. Budgetary recommendations that go to Annual Conference from the CFA and other Conference agencies are simply that, recommendations, however. Thus, it is possible for us voluntarily to agree to limit our recommendations based on previous apportionment receipts. The Annual Conference may choose to adopt or amend the recommendations as it sees fit.

New programs, salary raises, and other increases may be considered even in years when no overall increase will be granted. But considerable prioritizing will be necessary in order for this to happen. Thus, evaluation and priority setting will be built-in to the process.

The plan is built on the belief that most local churches and pastors want to pay their apportionments in full. No plan will work if this is not so.

This plan will help churches see the importance of their participation in the Conference budget. It will provide solid financial support for the ministries of our Conference and demonstrate that the Conference listens and responds to the "grass roots" level of our connectional system. Hopefully, it will provide a method by which we may "build back" 100% support of our budget.

Finally, we are encouraged by the positive turn in apportionment receipts in 1989. But we are concerned that this turnaround not be a one-time "fluke". With your help we hope to undergird the ministry of our Lord Jesus Christ through the Little Rock Conference of the United Methodist Church with a ever-strengthening financial base. We covet your prayers and committed response.

Fred Haustein, President
Mary Davis, Secretary

VI. APPORTIONMENTS AND ASKINGS:

A. **World Service and Conference Benevolences:** We recommend that the General Conference apportionments of $441,297 for World Service be accepted and that an amount of $876,887 be apportioned for Conference Benevolences for 1991 for a total apportionment of $1,318,184. Further, we recommend that the monies received for World Service and Conference Benevolences be distributed on a basis of 33.48% for World Service and 66.52% for Conference Benevolences.

B. **Ministerial Support:** We recommend that the Ministerial Support apportionment of $1,824,588 be accepted in full by the Annual Conference and that it be apportioned to the local churches.

C. **Other Apportioned Funds:** We recommend that the Annual Conference accept in full the askings listed below and they be apportioned to the local churches.

General and Jurisdictional and Area Benevolences	**$130,932**
Tanako Development Fund	**165,000**
Administration	182,280
TOTAL	$478,212

VII. **Apportionment Formula**

We recommend that the formula used by the Conference be a two year average of the most recent years' statistics: 1/3 based on members (column 9) and 2/3 based on financial data, consisting of local church expenditures (columns 35,36,38,39,40 and 41) and that year's apportionments. The decimal will be a Conference decimal, with each church weighted against the conference total.

VIII. **Salary and Expenses of District Superintendents'** total compensation package for 1991 will be $60,380. This figure shall include salary, utilities and appurtenances, and travel expense. We recommend a vouchered expense pool for the District Superintendents in the amount of $21,000 for meetings (Cabinet, CCOM, and out of state) with the stipulation that no district, board, or agency make any payment for the purpose indicated above.

IX. **Advance Specials**

We recommend General Advance Specials to local churches for firsthand relationships with mission projects and involvement in mission.

X. **Special Days**

We recommend these Special Days with offerings:

* Human Relations Day - During Epiphany on the Sunday before the observance of Martin Luther King's birthday.
* One Great Hour of Sharing - Fourth Sunday in Lent
* United Methodist Student Day - Sunday after Thanksgiving.
* World Communion Sunday - First Sunday in October
* Peace with Justice - Second Sunday after Pentecost
* United Methodist Children's Home - Second and Third Sundays in December
* Native American Awareness Sunday - April 14
* Tanako Offering - September 8
* Golden Cross Sunday - First Sunday in May

XI. ***"Fair Share"* Goals:**

A. **Aldersgate Camp** - We recommend $50,000 be requested from the churches in ***"Fair Share"*** goals for core costs at Aldersgate, and that "programmatic costs" be continued as a Conference Advance Special.

B. **Christian Civic Foundation** - We recommend $12,500 be requested from the local churches for ***"Fair Share"*** goals for the Christian Civic Foundation in 1991.

C. **Perkins/St. Paul** - We recommend $63,060 be requested from the local churches for 1991. The ***"Fair Share"*** goals for the Perkins/St. Paul campaign may be paid only after the Ministerial Education Fund apportionment is paid in full.

LITTLE ROCK CONFERENCE
COUNCIL ON FINANCE AND ADMINISTRATION REPORT #3
OTHER RECOMMENDATIONS

I. Pastor's Utilities and Appurtenances: If no utility allowance is made, we recommend that the local churches designate a part of the compensation as parsonage utilities and appurtenances to exempt those costs from incomes taxes.

II. The travel allowance remain at $.20 per mile plus $.02 per mile for each additional person, to encourage car pooling.

III. Retired ministers be paid $35 per diem for days they attend Annual Conference.

IV. Pastors' moving expense be paid at the rate of $400 plus $.75 per mile. The mileage is to be paid from parsonage to parsonage, with one exception. When transferring from another conference, the rate will apply from parsonage to the Little Rock Conference boundary. The policies for application for Pastors' Moving Expenses Funds are listed in the 1982 JOURNAL, page 127, section 1211(F).

V. All unrestricted benevolence funds be placed in a central operating balance

VI. "Interest Income" from investments (estimated 1991 income: $40,000), with the exception of the income earned from Church Development Funds, be deposited in the Conference Administration Fund

VII. Balances remaining in the Conference Benevolence Fund and the Conference Administration Fund at year end be transferred to the Contingency Fund.

VIII. Any Conference employee who has, or who desires a tax sheltered annuity, may direct the Director of Finance and Management to pay his annuity from his regular income following proper guidelines.

IX. Housing allowances (for persons receiving such funds) be set at the estimated actual expense as reported to the conference or local church. This information should be reported at the beginning of each calendar year. This will result in reallocation in funds paid to such persons and will not increase the total amount paid.

X. Each board, commission, committee or agency not be allowed to change a line item in its approved budget which would exceed 10% of the amount without approval of the Council on Finance and Administration.

XI. All agencies receiving conference funds shall submit their latest independent audits to the Conference Council on Finance and Administration.

XII. Wesley Foundations may solicit funds within their supporting districts after approval is given by the District Council on Ministries.

XIII. Local church administrative boards consider paying all conference life and health insurance (DBP & HMEP) premiums directly (above salary) in order to provide tax savings for pastors and other church employees. If necessary or desirable, the salary may be reduced by the same amount. This policy must be consistently applied to all employees.

XIV. Participation by the conference in Area programs must not exceed 50% of the cost of that program, with the exceptions approved by the Council on Finance and Administration.

XV. The management and investment of all the monies of/from all those boards and agencies which receive monies from the Conference or line item apportionments must be handled by the area treasurer's office.

XVI. Any capital lease or purchase over $1500 must be approved by the Council on Finance and Administration prior to lease or purchase, even if that budget has been previously approved.

XVII. Permission be granted to the area treasurer to borrow funds (on a short-term basis) from the Arkansas Area account if Little Rock Conference funds are not sufficient to meet current needs. Both Council on Finance and Administration presidents must approve the loan before it is transacted. Interest on such loan will be paid at the current money market rate.

XVIII. The Conference provide fidelity bonding insurance for all local churches in compliance with Paragraph 714.1.

XIX. A uniform percentage of 5% will be added to all 1991 apportionments.

XX. The following be adopted, as a guide for the investment and care of all Conference Funds: The Area Treasurer is charged with the responsibility, for managing all Conference funds in a manner that will provide :

A. The maximum income from the investment of all funds, while simultaneously insuring
B. Adequate liquidity to meet the day-to-day operational needs of the Treasurer's Office and
C. The safety and soundness of all funds. To accomplish this, all funds should be
   (1) deposited in Arkansas institutions in a fully insured status on a short-term basis, generally ninety days, but up to six months with the approval of the Investment Committee or CFA, or
   (2) invested in direct U.S. Government obligations for terms up to six months, or
   (3) invested with the General Board of Pension of the United Methodist Church.

Longer term investments may be made from time to time, but these are generally discouraged, because of the uncertainty of the need for funds and the volatility of interest rates. The Area Treasurer is encouraged to consult with a majority of the Investment Committee or the CFA, when he is uncertain about an investment. This policy is intended to be flexible in its application, in order to meet rapidly changing economic conditions. While income is desirable, the primary emphasis should continue to be the maintenance of adequate funds and the avoidance of speculative investments.

This policy may be amended from time to time to meet changing conditions and to enhance the income of the Conference.

XXI. That the South Central Jurisdiction VOLUNTEERS IN MISSION be given authority to solicit "volunteer" contributions from individuals, districts, and the Annual Conference for the purpose of funding the administrative work of this program. That these contributions be kept as a line item in reporting to the Jurisdiction Council on Finance and Administration and that such be a part of the audit report of the jurisdictional budget.

All contributions to this fund must go directly to the Little Rock Conference Treasurer's Office.

XXII. The Conference gives the Conference Council on Finance and Administration the authority to fund extraordinary needs relating to the life and ministry of the Annual Conference. These needs shall be funded from unrestricted funds and contingency funds. This authority shall not be used, nor is it intended, to replace or circumvent normal funding procedures of the Little Rock Annual Conference. Actions on such requests shall be reported to the next regular session the Annual Conference. (This recommendation is in reference to paragraph 709.6 of the 1988 BOOK OF DISCIPLINE.

A. Requests for funding from the Conference Contingency Fund since the last Annual Conference.
   (1) Request for $3,121.00 to help fund a Campus Ministry at S.M.U. - Denied
   (2) Request from Methodist Health Systems for $1,000.00 to fund organization and development costs for United Methodist Senior Services of Arkansas, Inc. for 1991 - Tabled.

(3) Request for $1,000.00 from National Association of Annual Conference Treasurers to help fund the development of software to be used in the Annual Conference Treasurers' offices - Granted.

XXIII. The Conference CFA recommends that Joe Eason be elected to the Office of Conference Treasurer for the 1989-1992 quadrennium.

XXIV. We express our appreciation to Joe Eason and his staff, Barbara Skiles, Cheryl Beck, Alvin Burks, and Mary Lois Stanfield, for the excellent service they perform for the Conference.

COUNCIL ON FINANCE AND ADMINISTRATION REPORT #4

Paragraph 710.13 of the current Book of Discipline gives the Conference CFA responsibility for making recommendations "regarding the development, promotion, and review of a broad general program of insurance protection and risk management" to the Annual Conference. In recent general church meetings we have been made aware of several Annual Conferences which have initiated voluntary programs of property insurance and risk management for the local churches of their Conference. By brokering such coverage for a large number of their churches, it has been possible to produce a substantial savings in premium costs for some local churches. Other churches have been able to secure more comprehensive coverage at costs of their current policies.

Last year our Conference Council on Finance and Administration set up a Task Force to look into this possibility. George Frazier, a lay person from Hope, AR, with vast experience in the insurance industry, agreed to chair this group. Other members with expertise in this area who agreed to serve are Cecil Polk of Norphlet, Richard Clark of Waldo, John Ross of Amity, Zenobia Harris of Little Rock, Marilynn Loyd of Lake Village, and David Wilson of the Hope District.

This group has met on a continuing basis in concert with representatives from the General Council on Finance and Administration and the Frank B. Hall Company of New York, New York. The study has centered on the basic premise that with the Frank B. Hall/ Atlantic Mutual Insurance Company property insurance program, the Conference could offer our local churches a broader program at a greater savings than is now available on an individual church basis.

After considerable study, the Task Force is reluctant to give an unqualified "yes" to the proposed program. Their reservations are based on several difficulties, one of which is the wide variance in the accuracy of current replacement values for the local churches of the Conference.

Mr. George Frazier plans to be present at the Conference session to give you an update on the study, point out difficulties we must overcome before such a program can be developed, answer any questions you might have, listen to any input you might like to give the Task Force, and share their plan for continuing the study.

We encourage you to review your church's current property insurance coverage and come prepared to offer your helpful suggestions as we continue this exploration into the coming year.

IMPORTANT INFORMATION CONCERNING MEDICARE ENROLLMENT

Any minister who will reach his/her 65th birthday when he/she is still serving in a full time capacity and not drawing Social Security, should apply three months before his/her 65th birthday at the local Social Security office for Medicare. Any minister who has passed his/her 65th birthday and has not applied for Medicare, should contact the Social Security office immediately. This applies to those who are eligible and wish to participate in Medicare.

Should a minister's spouse reach age 65 before the minister, he/she should apply for Medicare at the local Social Security office.

It is each person's responsibility to secure his or her own Medicare coverage. For most persons age 65 or over, HMEP coverage complements Medicare.

Because of the Tax Equity and Fiscal Responsibility Act,
a minister or lay employee who is age 65, but under age 70 and is still serving in an active status, is required to pay the HMEP premium of a person under age 65. For a person in this situation, Travelers is the primary payor and Medicare is the secondary payor.

THE DEATH BENEFIT PROGRAM

The Death Benefit Program is in three parts. Part I is included in the Ministerial Pension Plan/ Comprehensive Protection Plan (MPP/CPP). Part II is an elective additional coverage called DBP-PLUS. Part III is a carry over from the past, available to clergy not covered by CPP.

RECOMMENDED CHANGES

The Little Rock Conference Insurance Committee offers the following changes:

1. That the $50 deductibles for Hospital services, for physician and other covered charges be raised to $200 each.
2. That the local church or Agency responsible for premiums will provide 100% of premium rather than the 60% that has been asked. This might be accomplished, the first year, by a salary reduction for the 40%. This would be a tax break for the participant.

Several youth delegates attended conference: Daniel Kelso, Julie Robbins, Carrie Smith, Tiffany Givens, John Alston, Brad Crain, Ida Bostian, Jami Harding, Robin Armstrong, Stacy Whisenhunt, Tara Leslie, and Scott Clark.

BOARD OF PENSIONS

Since 1982 the Board of Pensions has been able to raise the rate for past service from $118.00 to $250.00 (1989). At the same time, the period of years projected to pay the unfunded liability has decreased from 40 to 19 years. This has been possible by the rate of apportionment received from the local churches and the good investment yields at the General Board of Pensions.

Report No. 1

1. We recommend that the Little Rock Conference participate in the Ministerial Pension (MPP) and the Comprehensive Protection Plan (CPP) of the General Board of Pensions during 1991 on the following basis:
   a. Contribution base shall be limited to each minister's plan compensation not to exceed the denominational average compensation. b. Contribution rate shall be MPP, 12% of each minister's contribution base, and CPP, 4.4% of each minister's contribution base.
   c. Annuity rate for pre-January 1, 1982 service shall be raised from $250 to $275 Per service year.
   d. Surviving spouse percentage of the formula benefit rate shall be 70%.
   e. A 20 year amortization period shall be used to pay the unfunded past service liability.
   f. Monthly contributions to MPP/CPP shall be made through the apportionment system.
   g. cpp benefits shall be supplemented with Death Benefit Plan-Plus (DBP-Plus) to 300% DAC.

h. Active participants will contribute to the Death Benefit Program Plus with the church paying 60% and the participant 40%.

i. Every Conference member earning less than the Equitable Salary from his/her primary salary paying unit can be included in CPP at the rate of 3.4% of his/her contribution base.

j. Probationers at seminary will be provided CPP at 3.4%.

k. Those on leave of absence **may** participate in CPP at the rate of 3.4%. The participant will pay the full 3.4%.

2. We recommend that in keeping with Par. 1606, Section 12e of the 1988 Discipline that the Sunday following Easter be observed as Retired Minister's Day. Each Pastor is urged to acquaint his or her congregation with the pension program of the Conference as part of the observation, and if possible to use a retired minister in the Worship Service.

3. We recommend in keeping with Par. 1606, Section 4h of the 1988 Discipline line, the approval of the Annual Conference that Special appointments shall be listed in the Conference Journal as follows: (1) with Annuity claim, (a) upon the Annual Conference, or (b) upon a General Board, an Institution, or an Agency of the United Methodist Church; (2) without Annuity claim upon this Annual Conference.

4. We recommend the following pertaining to the health insurance program of the Conference:

a. Board of Pensions pay 100% of the premium for our eligible retirees, surviving spouses, and ministers on disability for the Hospital and Medical Expense Program.

b. Conference Claimants: If a retired minister and/or spouse desires to have the premium for their Conference Hospitalization and Medical Insurance Program paid by the Board of Pensions, the minister must have been enrolled in the program prior to his/her 65th birthday. Likewise, if the spouse is to have the premium for the Program paid by the Conference, he/she must have been enrolled in the program for a minimum of one year prior to his/her 65th birthday or one year prior to the minister's retirement.

c. Spouses of Deceased and Retired Ministers: In the case of a deceased minister whose spouse is under the age of 65, the Board of Pensions will pay the dependent's insurance premium for five (5) years following the death of the minister. In the event of extenuating circumstances, an extension of payments may be requested by the dependent. Payment automatically ends with the remarriage of the dependent. Each case will be reviewed annually. If a minister's spouse is under the age of 65 at the time of that minister's retirement, the Board of Pensions will pay for that spouse an amount equal to the premium for a spouse over 65, plus 3% of the premium per each year of service by the said spouse in the Arkansas area, up to a total of 80% of the spouse's premium. (The words 'spouse' always refers to the same person.)

5. We recommend that an annual amount equal to 100% of the pension and disability payment of each minister of the Little Rock Conference be designated as housing allowance.

6. We recommend that in keeping with Par. 737, Section 4 of the 1988 Discipline that there shall be organized from the membership of the Board of Pensions of the Little Rock Conference a committee to compare the records of the amount paid by each pastoral charge for support of pastors: and for pension benefit purposes computing the proportional distribution thereof and keeping a permanent record of defaults of the ministers in the Conference who have failed to observe the provision in Par. 737, Section 4 pertaining to proportional payment, and shall render annually to each minister and charge in default a statement of amounts in default for the current year and preceding years. In event of default by any pastoral charge the amount in default for the current year only may be printed in the Conference Journal.

7. We request the Secretary of the Annual Conference to print in the Minister's Service Record in the Journal, one column stating "Years of Pensions Claim on the Little Rock Conference, "and another stating "Total Service Years in the Ministry."
8. A list of annuitants and pensions payments for the year 1989 is available in the Conference Treasurer's Office from Mary Stanfield.

Resolution Relating to Rental/Housing Allowances For Retired or Disabled Ministers of This Conference

Whereas, the religious denomination known as the United Methodist Church has functions through Ministers of the Gospel who are duly ordained or licensed; and

Whereas, the practice of the United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers, and

Whereas, pensions paid to retired ordained or licensed ministers licensed ministers in consideration of previous, active service, and disability benefits are considered payments in lieu of compensation for active service; and

Whereas, the Internal Revenue Service has recognized that the Little Annual Conference is the appropriate organization to designate a housing/allowance for retired ordained or licensed ministers who are members of the Conference; and

Whereas, the disabled minister has the same legal relationship to the Annual Conference as does the retired minister and, thus this Annual Conference is also the appropriate organization to designate a housing/allowance for a disabled ordained or licensed minister who is a member of this conference;

Now Therefore Be It Resolved:

1. An amount equal to 100% of the pensions payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister, during the year 1991 be and is hereby designated as a rental/allowance respectively for each retired or disabled ordained or licensed minister of the United Methodist Church who is or was a member of the Little Rock Annual Conference at the time of his/her retirement or disability;
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency, or institution of the United Methodist Church or any former denomination that is now a part of the United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of the United Methodist Church for such retired minister's Pension or disabled minister's benefits.

Note:

The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rule 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107 (2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities."

Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore the full amount disability benefit payments will be taxable income to the recipient beginning in 1984.

BOARD OF EDUCATION

Working within the framework of the vision statement of the Conference Board of Education as adopted and reported previously to the Conference, the Board of Education collectively and its members individually have concentrated their efforts on specific work areas with quality as a top priority.

Camping and Outdoor Ministries. The major emphasis of the Board has been the reconstruction of the Coordinating Committee on Camping under the very capable leadership of Jim Polk, Chairman; and in keeping with the changes in the Conference Structure as approved by the Conference last year. An ad hoc committee of the Conference Council on Ministries was very helpful in clarifying and re-defining the division of responsibilities of the Board of Education and the Board of Trustees of Camp Tanako, and the relationship between the Chairman of the Coordinating Committee on Camping and the Camp Superintendent.

A comprehensive Mission Statement for the CCOC was hammered out, adopted by the CCOC, and approved by the Board of Education, and is included in the colorful 1990 camping ministry brochure.

The organization and staffing for the 1990 summer camping program at Camp Tanako, and the preparation and more timely dissemination of a more attractive informational and promotion brochure is a giant step forward this year, leading to even earlier planning in the future.

As reflected in the camping brochure, and in keeping with the expressed desires of the Conference, there will be a record number of camps and anticipated campers at Tanako in 1990, with even more projected for future years. A very modest increase in funds to help support this growth ministry is being requested for 1991.

In view of the enhancement of the camping and outdoor ministries program and its anticipated continuing growth, the Board of Education is recommending the Chairperson of the Coordinating Committee on Camping become an ex officio member of the Conference Council on Ministries the same as Coordinators of age-level and specialized ministries; that the District Coordinator of Camping be added to the District Council on Ministries; that three at-large members be added to the CCOC, the positions to be filled by the Conference Nominating Committee, to insure adequate representation by women and ethnic minorities; and that the Conference Structure be amended accordingly.

Human Sexuality. At the risk of being selective, three of the new 1990 camps are more especially important and bear emphasis. Human Sexuality and Christian Living will be the subject of separate sessions for children, youth and adults. Parents or guardians will be required to attend portions of the program for children and youth.

David Deere and Charles Murry were sponsored by the Board of Education to attend a week-long training event in Nashville and will be the deans for these sessions at Tanako.

"Reach Out". An innovative approach is being developed to accomplish with maximum results the 1990-91 Little Rock Conference Priority, "Reach Out", which is in keeping with the general church emphasis.

The quadrennial theme, Celebrate and Witness, approved by the 1988 General Conference, in part calls on each local congregation "to develop and implement a plan to witness and reach the unchurched in the community and the world expressing God's love through Jesus Christ."

The foundation resource materials to be used are those developed by the Section on Christian Education of the General Board of Discipleship titled "Reaching for the Baby Boomers." The materials are open-ended and applicable to all the great mass of unchurched people in each of our communities.

Charles Settle, Conference Chairman of Evangelism, is co-chairman for the priority. And because District Superintendents and District Councils (particularly Education and Evangelism) are the most effective in stimulating interest and action within the local church, the program is being decentralized from the conference level to the district level.

Every district will be furnished with sufficient copies of the priority manual for each local church along with a set of two video tapes for use in district or cluster group meetings of local church representatives.

A training event for District Superintendents, District Councils (particularly Education and Evangelism) and others selected by the District Superintendent will be held in Wilson Center **at Camp Tanako, Tuesday, August 28.** This is a new advanced date to avoid scheduling conflicts and to gear up for

earlier implementation of the program on the local church level. The use of Tanako is to practice what we preach. Those attending will be equipped with the knowledge and will feel confident to go back into their districts to do virtually the same thing with District groups. Funds will be available to pay expenses for attending this meeting.

Each District Superintendent will receive $1,500 to use in the District for expenses of carrying out the program in the District. It is planned to have related informational and promotion materials available for use by the District Councils.

Christian Education Sunday. Since the Camp Tanako Board of Trustees has relinquished the second Sunday in September as Camp Tanako Day, it is recommended this day be established as the annual day for the observance of Christian Education Sunday in the Conference, and that a free will offering be taken that day for use in additional Christian Education programs and activities.

Laboratory Training. One of the great needs of the Conference is the availability of professional help in the development and training of Sunday School teachers and leaders. Such an opportunity will be offered this year, July 14-20, at Mount Sequoyah, by the Section on Christian Education and Age Level Ministries of the General Board of Discipleship. Training will be offered for workers in literally every age group from nursery/kindergarten to adults.

There will also be a seminar and recertification seminar in conjunction with this event.

It is contemplated that some funds will be available as scholarships or matching grants to help pay expenses of those who give of their time and talents in the Christian Education program of the church.

Conference Priority 1992-92. One of the ideas which emerged from the Area Leadership Retreat last Fall was a "Joint Area-Wide Emphasis on the Sunday School" as the Conference Priority for 1991-92.

In concert with the North Arkansas Conference (at the suggestion of Bishop Wilke) a design team was formed to pursue this event. The Bishop expressed a hope that at least $50,000 could be marked for the program, most of which would be used for media publicity, promotion and advertising. Minorities, intentionally, were included in the design team. The Executive Budget Committee recommended $16,000 for the Conference Priority for 1991. It is recommended this amount be increased to $25,000 to match the budget of the North Arkansas Conference to fund this joint venture.

After much discussion of a mission statement, the committee unanimously agreed to the following objective: "That in 1991 the United Methodist Churches of Arkansas will engage in a Sunday School priority for the purpose of recognizing the significance of Sunday Schools for spiritual growth and discipline."

Components which may be considered by the design team as it continues its work may include, but not be limited to:

*Spiritual formation, particularly for teachers and leaders.
*Techniques and models for starting new Sunday school classes.
*Valuing teaching and teachers so they occupy a more prominent place in the church's ministry
*Six week promotion to culminate in a state-wide rally day.
*Intentional training of teachers using lab schools, district training events and local teacher training.
*Use of "Disciple" as a major tool.
*Focus on the program at Annual Conference sessions in 1991.
*Develop models of children's and youth programs.
*Have specific goals for Sunday school attendance.
*Include in the Bishop's Five-Star Plan.
*Statewide media saturation with maximum amount of funds that can be made available.
*Develop and promote camping and retreat ministries.
*Incorporate and emphasize Confirmation Training.

The committee adopted a minimum $50,000 budget to be split between the two Annual Conferences. There was an expression of hope that additional funds might be raised from special sources.

TASK FORCE FOR OLDER ADULT MINISTRY

A new Older Adult Ministries program, as approved by the 1989 Annual Conference has been organized with a representative from each of the Districts: Mort Cox, Arkadelphia; Rev. Pamela Jean Estes, Camden; Davis Benton, Hope; Ms. Marcella Grimmett, Little Rock; Rev. Gerald Myers, Monticello; Ms. Clara Beard, Pine Bluff.

A ministry "by, with and for" any person over the age of 65 years of age.

The Book of Resolutions, 1984, says "during the past 100 years, life expectancy in the United States has increased roughly 26 years, a fact to be celebrated." The number of persons 65 years of age and older have grown from 25,000,000 in 1980 to an expected 32,000,000 in the year 2000. The fastest growing age group in the population is 85 years of age and over, and the second most rapidly growing group is the 75 to 81 age group.

The Methodist Church has been attentive to the aging in the past and now the need is even greater than in the past. The task force has designed a quarterly newsletter which will be included in the conference mailing; encouraged each church to appoint an older adult coordinator and to form an older adult task force; the district coordinators are contacting local churches to research present programs in place; each local church is asked to survey their older adult population.

The phrase "by, with and for" older adults has become your conference team's guiding principle for ministry involving older adults. Plans must be more than program and activities "for" older adults, more than information, entertainment and trips. They need to be involved in planning and leading ministry with other older adults. These older adults should be challenged - invited and helped to minister to others. We know they have time, energy and talents that can be directed in service through the church and into the community. Thus ministry should be "by" older adults.

Someone has said "the test of a people is how it behaves toward the old." How does your church behave towards its older members?

Mattie Mae Rice, Chair

TASK FORCE ON SINGLES MINISTRY

The ministry of the local church shall include and be extended to persons of all ages who are single, widowed, divorced, never-married, or married and spouse-absent.

2. Each Singles Coordinator asked to form a committee from his/her district.
3. Each District plan one Singles Fellowship Meeting before Annual Conference. Date to be set by Coordinator/Committee of each district.
4. Training Teams: If there is a local church ready to organize a singles program, a request is made for a training team to come give technical assistance to the local church.

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

The BHECM notes and is pleased with the increased contribution and involvement of the local boards of the Wesley Foundations. The boards are inclusive in membership, organized for a program of work, and are meeting regularly. The local boards are raising money locally to meet the need for increased operating funds and maintenance of buildings. The BHECM is pleased with this activity and requests a continued commitment in this financial partnership with the Annual Conference. Continued support and even increased support by the Conference is vital to the programs of the Wesley Foundations.

The continued availability of the buildings is essential to offering current programs. These needs must be addressed. BHECM asks the Annual Conference to establish a task force to study and make recommendations on the long-term building and maintenance needs of the Wesley Foundations. The suggested composition of the task force would be one member of BHECM, one member from each of the five Wesley Foundation boards, one district superintendent, and one member of the Council on Finance and Administration. The report would be submitted to the 1991 Annual Conference.

The BHECM is charged with presenting the financial needs for support of all ministries related to higher education. That responsibility includes schools, colleges, seminaries, campus ministries, and Wesley Foundations related to the Little Rock Annual Conference. Therefore, we present the following recommendations to the Council on Finance and Administration and to the Annual Conference.

1. That $178,500 for Hendrix College be apportioned to the churches for 1991.
2. That $184,168 for five Wesley Foundations be apportioned to the churches for 1991. This supports Wesley Foundations at the University of Arkansas at Little Rock, the University of Arkansas at Monticello, Henderson State University, Southern Arkansas University, and the University of Arkansas at Pine Bluff.
3. That $41,000 be apportioned to the churches for support of Philander Smith College for 1991.
4. That full apportionment as requested for the Black College Fund (United Methodist related colleges) be apportioned to the churches for 1991.
5. That full apportionment as requested for the Ministerial Education Fund be apportioned to the churches for 1991.

A REPORT ON UNITED METHODIST THEOLOGICAL SCHOOLS AND MINISTERIAL EDUCATION FUND (MEF)

By Lovett H. Weems, Jr. President, Saint Paul School of Theology

I am happy to report to you on the work of your thirteen United Methodist seminaries. Beginning last year we have a new system in the South Central Jurisdiction for reporting on the seminaries in which one of us each year will represent all thirteen seminaries and the Ministerial Education Fund. We believe this will be better for the seminaries and the Annual Conferences.

As United Methodists you can be proud of all thirteen of your seminaries. They comprise perhaps the strongest denominational family of seminaries in the United States.

We as United Methodists support our thirteen seminaries through the Ministerial Education Fund (MEF). The MEF is an apportionment which is divided seventy-five percent for the thirteen seminaries and twenty-five percent for use by your own Annual Conference for ministerial education within your Conference such as continuing education. The portion for the seminaries is divided among the schools according to a formula to provide the basic financial foundation (something less than thirty percent) for the seminaries which is supplemented by what the students pay in tuition and by gift income from individuals in the region most served by the seminaries. Your support of MEF is extremely important and deeply appreciated.

The MEF was established across the denomination in 1968. It was modeled after programs already in place in the South Central Jurisdiction and the Southeastern Jurisdiction. The MEF has become a model for many other denominations.

Every endeavor has to invest in its future leadership. The MEF is our "method," our systematic means, of doing this as a denomination. Because of the MEF we can do together what no one local church or one Conference could ever hope to do separately. Of each dollar you contribute to your church, .9 of one cent goes to the MEF for the preparation of future pastors and leaders for the church.

One concern we in the seminaries have is that the portion of the cost of a seminary student's education paid by the denomination has been going down for several years. Sixty years ago, across all Protestant seminaries, denominations paid ninety percent of the cost of a future pastor's education. Today that figure is below thirty percent for United Methodist seminaries and is continuing to decline. The reason is not that seminary budgets have increased inordinately. In fact, United Methodist seminary budgets have increased much less over the last ten years than the budgets of other seminaries. The result of this increasing share of the seminary cost being borne by the student is that the educational indebtedness students carry out of seminary has steadily increased. We are concerned because, combined with the low salaries pastors often make immediately following seminary, this indebtedness becomes another source of stress for them during a very critical period in their ministries.

You can help. If your church is currently paying 100% of your MEF apportionment, please be sure that that continues. If your church is not paying 100%, please do everything possible to reach that goal as soon as possible.

Now, for what purpose are we asking you to contribute?

What are we about in your thirteen United Methodist seminaries? At the most basic level we are about the preparation of individuals for ordained and lay ministry within the church.

It is easy for us as United Methodists to take for granted the presence of an educated clergy. This has not always been the case. we went for fifty years in this country before we had a Methodist theological school.

In fact, it has only been in relatively recent times that most churches could expect to have an educated pastor on a regular basis.

Some figures indicate that we cannot necessarily take the presence of an educated clergy for granted for the future. For instance, forty percent of the present clergy will retire by the year 2000. In the next ten years we will have twice as many retirements as the last ten years. For example, in 1989 there were 500 retirements and 1994 there will be 1200 retirements. The age of our clergy has also changed dramatically. In 1973 twenty-eight percent of our clergy were under the age of thirty-five. Today only 9.7% are under thirty-five. At the same time, in the last five years we have begun to see some declines in seminary enrollments for the first time in a number of years.

What are we about in the United Methodist seminaries? At another level we are about leadership for the church.

The scholar James MacGregor Burns has said of the American context, "One of the most universal cravings in our time is a hunger for compelling and creative leadership." This is certainly true of the church which is crying out for leadership.

Leadership is not administration or management, as important as these can be to leadership. Rather, leadership is essentially a moral act. It grows out of a vision for the church and the world far different from the current reality, just as the reign of God is always different from any particular historical manifestation.

To give this kind of leadership, those who enter ministry must understand that ministry is a way of life, not a profession; that ministry is a calling, not a career.

What are we about in the United Methodist seminaries? At the most important level we are about the very future of the church.

A student of American church history has observed, "As the seminaries go, so goes American Protestantism."

We in the seminaries know that we succeed finally not in what happens in the classroom but what happens in local churches. Are lives being changed? Are systems being redeemed?

Our futures, local United Methodist churches and United Methodist seminaries, are bound together. United Methodist churches cannot be strong without vital United Methodist seminaries. Likewise, we in the thirteen United Methodist seminaries cannot do our work well without close and ongoing interaction with those of you in the churches who brought us into being, who have supported us through the years, and for whom we are preparing a new generation of leaders in the Wesleyan tradition.

We appreciate your support and prayers. We seek always to do our work in such a way to merit the confidence you have put in us. We do that through the depth of our faith and commitment to Jesus Christ, through the quality of the teaching and learning that takes place, and especially through the effectiveness of our graduates in ministry.

Thank you for your support of your thirteen United Methodist seminaries.

SOUTHERN METHODIST UNIVERSITY

I am pleased to comply with the 1988 Resolution from the Jurisdictional Conference requesting an Annual Report to each Annual Conference in the South Central Jurisdiction.

As I reported to you last year, I proposed academic priorities which the Board of Trustees approved in December. The recommendations grew from the deliberations of several task force and committee reports to me over the course of the year, including the Task Force on Church Relatedness. The plan for the future of SMU reaffirms our historic commitment to the centrality of undergraduate liberal arts education and broadens the cross disciplinary base of that education.

A distinctive aspect of the new SMU plan calls for all students, except those majoring in the performing arts, to have either a major or a minor in the liberal arts - an unusual requirement in American higher education. Other curricular changes reflect increased emphasis on ethics, science and technology, writing skills, global awareness, and multicultural sensitivity.

Leaders of the 21st century must have the capacity to cope with a world whose only constant will be rapid change. They must develop greater skills of analysis, problem-solving, and communication against the backdrop of a broad understanding of civilization and of issues they will face in our emerging global society. I believe that a sound liberal arts program will better equip students to succeed in both their professional and their personal lives. A key to a high-quality liberal arts education will be a renewed commitment to the primacy of good teaching by full-time faculty teaching small classes.

At its December meeting, the Board reasserted the need for fiscal responsibility and a balanced budget. It also placed priority on raising new funds for unrestricted endowment, unrestricted annual giving, endowment for financial aid, a new science and technology building, and relief of budget expenditures now financed by unrestricted funds.

In addition, reaffirm the importance of nurturing SMU's ties with the United Methodist Church. We are, for example, pleased that the College of Bishops have moved ahead with hiring a United Methodist Campus Minister for SMU; we anticipate that this individual will be in place by June. Also, are pleased that the Jurisdictional Youth Rally will be on our campus for one week in July. We especially hope that youth from your annual conference will be in attendance. Our United Methodist recruiting efforts are beginning to make some inroads, as is our commitment to meet basic student financial need as defined by the federal government.

We will continue to monitor and make progress in our athletic program as work toward achieving the appropriate student athlete model at SMU.

Our current challenges and opportunities are great, but I believe we are making good progress toward our quest for excellence. With your prayers and gifts we shall continue to move forward in making SMU an outstanding United Methodist institution of higher learning.

PERKINS SCHOOL OF THEOLOGY

Southern Methodist University, Dallas, Texas 75275

New curriculum design, new faculty members, and improved library resources summarize the changes at Perkins School of Theology, SMU during the 1989-90 year.

Visions of ministry for the new century stimulated faculty and students are Perkins School of Theology to adopt new curriculum designs and new schedule plans, in order to focus the seminary experience on maximum effectiveness in preparation of persons for future ministries. More flexible course offerings will better serve the diverse needs of individual students, from full-time students to student pastors who find it necessary to study part-time, to fulfill other family and church responsibilities, and at the same time to pursue seminary studies.

The Bridwell Library was reopened for the fall term, following total renovation of the building. The splendid new Elizabeth Perkins Prothro Galleries appropriately opened with an exhibit from her collection, titled "The Bible: 100 Landmarks." Carefully designed reading rooms, additional private study carrels,

conservation facilities, the exhibit galleries, and archival storage make the Bridwell one of the foremost research and study facilities in this part of the world.

Extensive searches for new faculty culminated in the professional appointments of Dr. C. Clifton Black in New Testament, Dr. Edward Poitras in World Christianity and Dr. Benjamin Habito in History of Religions. Dr. D. Lyle Dabney has been visiting Assistant Professor of Systematic Theology. Positions in systematic theology and Christian education will be filled soon.

The community was bereaved at the deaths of Dr. Albert C. Outler, Dr. L. Howard Grimes, and the Rev. Beverly Sawyer, while praising God for their profound contributions.

Student enrollments for the academic year totaled 401 in the fall, with 250 in the M.Div degree programs, 70 in other master's programs, 54 in doctor of ministry studies, and the remainder in graduate religious studies. Of the total 37% are women and 23% are ethnic minority students, including international students.

Funding was completed for the Faculty Development Fund, an endowed fund of $250,000, established with significant private and church gifts, begun with a grant from the Lilly Endowment to provide for scholarly research and reports on topics of interest to local churches such as evangelism, Old and New Testament studies, stewardship, and United Methodist history. Studies of theological and developmental issues are now in progress. Dr. Durwood Fleming was acknowledged for his leadership in the successful funding program.

In addition to substantial gifts received for the Albert C. Outler Memorial Fund, Mrs. Carla Outler made a gift of $160,000 to the Bob and Doris Parrott Archivist Fund, to be matched with additional gifts to provide for a Methodist Archivist in the Bridwell Library.

An unusually large number of publications were released during the past year by Perkins people, including William J. Abraham, William S. Babcock, C. Clifton Black, Ruben Habito, Richard P. Heitzenrater, Susanne Johnson, William K. McElvaney, Schubert M. Ogden, Marjorie Procter-Smith, and David K. Switzer.

Continuing education opportunities offered by Perkins include the fifth year of a new pastors' mentor program, the second year of the Perkins school of youth ministry, senior pastors' conferences designed for leadership in various sizes of congregation, and continuing emphasis on theological studies for laity. Plans for a series of satellite teleconferences are being explored, to make available significant studies to a wider audience in districts and local situations.

SAINT PAUL SCHOOL OF THEOLOGY

Saint Paul School of Theology serves the Little Rock Annual Conference by preparing effective and respected leaders for the church.

The start of the 1989-90 school year marked the beginning of a new curriculum and class schedule for the seminary's Master of Divinity program. The new curriculum maintains the distinctive, integrated, interdisciplinary approach of Saint Paul to theological education, yet is more flexible. Classes are offered in the mornings, afternoons, evenings, and occasionally on weekends.

Emilie M. Townes and Amy Oden joined the faculty of Saint Paul this year. Dr. Townes was Assistant Professor of Christian Social Ethics. She received her Ph.D. from the joint Garrett-Evangelical Theological Seminary/Northwestern University Program in Religious and Theological Studies. Ms. Oden was appointed as Instructor in Church History. She is a Ph.D. candidate at Southern Methodist University.

Books published by faculty members this year include ***Theological Worlds: Understanding the Alternative Rhythms of Christian Belief*** by W. Paul Jones, ***How to Preach a Parable*** by Eugene L. Lowry, and ***Preaching with the Small Congregation*** by Laurence A. Wagley. Tex S. Sample has a book entitled ***U.S. Lifestyles and Mainline Churches: A Key to Reaching People in the Ninety's***, scheduled for publication in May.

We at Saint Paul thank you for your generous support of theological education at Saint Paul and the other United Methodist seminaries. The thirteen United Methodist seminaries comprise perhaps the finest family of denominational seminaries in the United States. You can be proud of all thirteen. We work

very well together and want to make it possible for every United Methodist student to be able to attend a United Methodist seminary.

We realize that the test for us as a seminary will come in the impact we are able to make on the renewal and vitality of the church as God's faithful instrument in the world. We will be judged by whether or not we make a difference in the quality of the life of the church. We are not so much about a strong Saint Paul; we are about a renewed church.

Our mission is clear and simple: the preparation of leadership for the church. There is no more worthy endeavor to which any of us could give our energies and resources. As a student of United States church history has said, "**As the seminaries go, so goes American Protestantism.**" We thank you for being partners with us in this mission.

HENDRIX COLLEGE

It is a privilege for Hendrix College to report to the United Methodist Church of Arkansas, for it was that church which created the college a little more than 100 years ago. The church has faithfully continued its support of the college across the years, and Hendrix has not forgotten her origins.

The mission of Hendrix College is to be "...dedicated to the cultivation of whole persons through the transmission of knowledge, the refinement of intellect, the development of character, and the encouragement of a concern for values."

The faculty and administration are committed to the church's expectation that the college should strive to be the best educational institution possible. Hendrix seeks to prepare students through rigorous academic studies, to develop written and oral communication skills, and to provide opportunities for culturally relevant liberal education. Through the concern for each student's mind, body, and spirit, the college strives to graduate students who will be caring and contributing members of society.

The Hendrix report to the conference last year ended with a commitment to look for ways to strengthen the college's relationship to the church and "to demonstrate our appreciation for the support the church has given Hendrix." We would like to report on several areas of the college in which there is a close tie between the church and the college.

Hendrix Fellowship Teams. This year the college has continued its program known as Fellowship Teams. Groups of four to six students and a staff advisor go (on invitation) into local United Methodist "Churches where team members serve in a variety of capacities, including teaching a class of young people, serving as liturgist in worship, giving a children's sermon, singing a solo, and delivering the sermon. Sometimes they are asked to talk about Hendrix, show videos on Hendrix, or lead discussion groups. Hendrix wants the impact of this program to be a genuine "thank you" to the church and a presentation of the college to the local church. The program is also very meaningful to our students. We plan to make nine visits this year.

Preaching Workshop. There was a pastor's preaching workshop at Hendrix October 12-14, 1989, led by Dr. Carol Noren from Duke University. And, in cooperation with Bishop Wilke, a preaching workshop was held March 7-9, 1990. It was led by Dr. John Holbert from Perkins School of Theology at SMU.

Recognition of Church Leaders. Hendrix continues a program established as part of her centennial celebration, that annually recognizes selected church leaders who have distinguished themselves in the fields of Christian Education and Social Awareness. These awards were established in memory of Mary and Ira Brumley (Education) and Ethel K. Millar (Social Awareness). This year's recipients of the Mary and Ira Brumley Awards are Ferris and Marion Baker and Floyd "Buddy" Villines. Verna Maxwell and Olive Smith are this year's recipients of the Ethel K. Millar Awards.

Religious Studies. The college has a strong three-member department of religion. Additionally, other faculty teach courses within the department. The newest addition to the department will be Jane

Harris. She is a doctoral candidate at the University of North Carolina in Biblical Studies and American Christianity. Her dissertation is on the Christian mission in China during the early 20th Century.

Year after year the college makes its facilities available for church functions. Under the auspices of the Marshall T. Steel Center for the Study of Religion and Philosophy, Hendrix continues to bring to campus programs designed to enrich the lives of United Methodist laity and clergy. The Hendrix library houses a growing historical center for Arkansas Methodism. Faculty and staff members are available to give lectures, preach, and teach Sunday School in local churches. Students interested in the professional ministry are organized and have a staff counselor. They meet regularly to give each other support and to study matters of current interest.

Financial Stability. The $16.8 million Campaign for Hendrix was successfully completed on December 31, 1989. The college deeply appreciates the support the church gave to making the campaign a success. The financial support given through church apportionments is critical to the financial stability of Hendrix. Your gifts enabled Hendrix to keep its tuition relatively low for comparable institutions in the South. These gifts are part of the margin of excellence which has helped make Hendrix a strong institution.

Enrollment. Hendrix began the 1989-90 school year with 1,029 students, 47 percent men and 53 percent women. Methodists make up 33 percent of the enrollment, 5.5 percent of the students are in an ethnic minority, and 1.5 percent are international students. Eighty-five percent live in college housing and 85 percent are from Arkansas.

Financial Assistance. Seventy percent of all students receive some form of financial aid. Dependents of United Methodist ministers and ministerial students receive an automatic one-half tuition scholarship from the college. Depends of ministers of other denominations also receive special scholarship assistance. Grants of this nature totaled $140,000 for 1988-89.

Financial Aid. The college believes financial need should not be the deciding factor on whether a student chooses Hendrix. The college works with students and families to develop a financial aid package designed to meet the demonstrated need of that student.

Miscellaneous Statistics. There are 64 full time faculty members at Hendrix. Seventy-seven hold doctorates and 92 percent have appropriate terminal degrees. Sixty-five percent are tenured. The faculty-student ratio is 15 to 1, and the average class size is about 20.

The market value of the college's endowment fund was about $50 million on July 31, 1989. The total operating budget of the college in 1989-90 is about $13 million. The college continues to have a strong fiscal history and anticipates balancing its budget for the 33rd consecutive year on July 31, 1990.

Hendrix Highlights. The college was named in **The Fiske Guide to Colleges** as "***something this side of remarkable...***" It was listed in **Peterson's Guide to Competitive Colleges** and was recognized in **Good Housekeeping magazine's** October, 1988, issues as one of the 50 best educational values in the nation. Hendrix students have received Watson Fellowships for six consecutive years. The college has been listed in both editions of **The Best Buys in College Education.** It was recognized in CHANGING TIMES magazine as one of the 50 best buys in education and has been described by North Central Association as one of the outstanding, small liberal arts colleges in the country.

PHILANDER SMITH COLLEGE

Philander Smith College continues to make significant progress under the dynamic leadership of Dr. Myer L. Titus, President, who completed his second year as CEO February, 1990.

The North Central Association (NCA) site visit team evaluated the college's educational program in February, 1990 and informed the President that it will recommend to NCA's Commission on Institutions of Higher Education that the college's NCA accreditation be continued.

A system of sound financial management is in operation at the college. The college ended the 1988-89 fiscal year in the "**black**". During the year, the permanent endowment fund was increased by over 100 percent.

Student enrollment increased five percent for the 1989 Fall semester, and nine percent for the 1990 Spring semester. Student's moral is good, and they appreciate the opportunity to study at Philander Smith College, a Christian institution in the tradition of the United Methodist Church. A dedicated faculty remains committed to teaching and learning. The faculty was strengthened by the addition of new persons with doctorate degrees.

The physical facilities of the college have been improved significantly. The James Monroe Cox Administration Building has been completely renovated and placed in the national register of historic places. Renovations were done on residence halls for students, the student union, the cafeteria, the science hall and the fine arts building. Extensive landscaping has been done on the grounds.

Students continue to participate in a variety of co- curricula activities, especially in the collegiate choir, the student Christian Association, and inter-collegiate basketball.

The alumni is giving increased financial and volunteer service support to the college. They purchased a new comfortable, air-conditioned, 28-passenger bus which improves significantly the college's transportation needs.

The college remains optimistic about its future as a viable United Methodist institution of higher education in the decade of the 1990's and into the years of 2000.

LYDIA PATTERSON INSTITUTE

Lydia Patterson Institute's Ministry has touched many lives during 1989. We have kept faith with the vision that caught the spirit of courageous Methodist women in 1913, and which has guided Staff and Personnel for the past 76 years.

For the third consecutive year we have experienced growth (21%) in our enrollment; we presently have 355 students. This growth reflects the confidence that is felt in our fully accredited program (TEA, Southern Association of Colleges and Secondary Schools).

This year's student body has included a vital ethnic cross section composed of anglos, blacks, chinese and hispanics. Approximately 80% are Mexican citizens who commute from Cd. Juarez with student visas. The balance comes from the El Paso metropolitan area.

While most of our students initially come to learn English, many remain clear through high school. This enables us not only to challenge and stretch their minds through a demanding academic program but to very intentionally nurture them spiritually through a balanced spiritual approach that includes weekly chapel, required Bible study and four annual retreats. Many young lives have been clearly transformed as they have accepted the Lordship of Christ in their lives.

A review of 1989 reveals that there has been a slight downturn in our apportioned support from the churches of the 17 Annual Conferences of the South Central Jurisdiction. Even so, we have been blessed by the 83% payout that we have received. I trust those churches who have elected not to accept their askings will prayerfully reconsider their decision, and will give us the privilege of sharing our story with them. We are trusting for a new day when the entire Jurisdiction will join those Annual Conferences who subscribe their apportionments for Lydia Patterson Institute 100%

Finally, we invite all of our friends and supporters to visit us, to see what is being done in their name, in the name of Christ and United Methodism.

MOUNT SEQUOYAH

1989 "The Year of the Rose" was a very successful year for Mount Sequoyah. We had a record 22,000 people days attendance. This compares to approximately 15,000 in 1988. The 5,000 square foot Olin C. Bailey Center Building, that serves up to 250 persons for seminar setting meetings was completed in 1989. The groups using the building during 1989 were joyful and thankful for such a nice well planed facility. Your apportionments for repayment of the new building costs began in 1990. In addition to Bailey Center the new rose garden planted next to the cafeteria bloomed to near perfection.

This 1989 year also saw the assignment of the Waddells to Chile as United Methodist missionaries. Their presence will be missed. But the existing Mount Sequoyah staff is in place and ready to continue to serve you.

Plans for 1990 include:

*The recruiting of a new chief executive officer.

*A change in the division of responsibilities at Mount Sequoyah to have a CEO and a chief operating officer. This will allow added freedom for the CEO to do promotion, publicity, endowment activities, and fund raising for Mount Sequoyah.

*The Galloway Cafeteria now has a new shape with a sloped room to augment is appearance with the remainder of the mountain buildings.

*Expansion of the flower and rose gardens, as a continuation of Waddell's garden setting for Mount Sequoyah.

*Adding new United Methodist events to the Mount Sequoyah schedule.

*Two new jurisdictional events "The Upper Room".

*Leadership Training for an "Adventure in Healing and Wholeness" at Mount Sequoyah March, 1990, plus "Jurisdictional Inclusive Camp" which is an ethnic minority inclusive youth camp is scheduled for August, 1990.

*The Mount Sequoyah Cider Circle is now completed and planted ready for welcoming our guests. Complete with Ozark "Apple Town Cider."

*Most of the 1989 Mount Sequoyah events have already rescheduled for 1990, plus new requests are received each week.

*The 1990 theme for Mount Sequoyah is "Sequoyah the Man" which will feature the rich heritage of the indian chief Sequoyah.

Our trustees continue the future planning for Mount Sequoyah. Outstanding persons from all seventeen annual conferences of the jurisdiction serve on this board along with three bishops. From the Little Rock Annual Conference we continue to have the able assistance of Bishop Richard B. Wilke who will serve on the Executive Committee; and Mr. W. E. Hasting who will serve on the Budget and Finance Committee.

The 1989 Jurisdictional work camp was a highly successful event of joining all of the annual conferences into one week of work in support of the Mount Sequoyah facility which serves the entire area. The 1990 and future jurisdictional work camp events are planned for the week after Easter.

In 1989 the trustees started a Bishop's Club to gain support for Mount Sequoyah. Continuation of this is planned for 1990 and future years. Persons who are able to generate $1,000 or more of new contributions for endowment to Mount Sequoyah are to be honored during Bishop's Week. In 1989 this raised an additional $30,000. The continuation of such generosity as this is the life's blood of the institution helping to insure its future place of importance, serving the seventeen conferences of the South Central Jurisdiction.

Mount Sequoyah reaches out to all of the members of the churches in the Little Rock Annual Conference. You are invited to seek the presence of God, to deepen your faith, and to define more clearly your ministry and mission as you join into events held on the mountain top in this "Year of Sequoyah the Man." Mount Sequoyah "welcomes" you to come join the thousands of other methodists.

UNITED METHODIST CHILDREN'S HOME, INC.

I appreciate the opportunity to report to the United Methodists of Arkansas on behalf of the Board of Trustees and the staff of the United Methodist Children's Home. This child care mission is indebted to the United Methodists of Arkansas, not only for its birth, but also for its continued life. Thank you for your support, financially, spiritually and otherwise.

I want to share with you three things about our life this year that is out of the ordinary.

1. We sponsored a reunion for ex-residents of the Home on December 30, 1989. We assisted in getting the word out as best we could and were amazed when more than 300 showed up for the occasion. Those attending ranged in age up to 90 years young. It was a day packed with love and emotion.There was a strong expression of interest for this to be done again in the future.
2. The home had six students graduate from high school last June (1989). Of those six, five of them entered higher education. Four of them are still in our care and one has gone to a private home. They have all done quite well. One is at U of A, Fayetteville, one is in Hendrix, one in ASU, Beebe, one is in Southern Technical College, and one is progressing through a Beauty College. We are very happy with this and feel it to be a real achievement both on the part of these youth and our professional services department.
3. We launched our first Independent Living Pilot program last November. An eighteen year old girl who graduated from Central High last June entered Southern Technical College in August working on a certified secretarial program. She has been a resident of the home for more than two years. She now resides in a one bedroom apartment on our campus, attends STC, has a part-time job, and receives guidance and support from a social worker in management and decision making. When she has completed her course we will assist her in moving out totally on her own.

Another one of the bright spots in the Home's program continues to be the Learning Center. With the assistance of the Little Rock School District, our residents are receiving excellent remedial help every day. There is no way to measure the value of this program for the future of our boys and girls.

This year through the work of our Professional Services Department and in cooperation with the State (we are NOT an adoption agency) we have seen 4 of our children placed for adoption, 11 placed in private foster homes, and returned 38 children to their natural homes. During the year just ended we served 119 boys and girls in residence.

Our long range plan to develop community based group homes (extension cottages) is moving slowly, but it is moving. We are in the probe stage as we seek to identify both areas that reveal need and reflect interest. We are working with a number of sites at this level and are most hopeful that we will begin to see some regional homes materialize in the near future.

Plans have just been completed for some new leadership in the Magnolia operation. LaVerne Keahey, a diaconal minister, is scheduled to begin work there as a Teaching Parent in the boys cottage and as program coordinator for both cottages in Magnolia. We feel this will add a new dimension to that part of our child care ministry.

We at the Home are striving to: (1) provide a stable atmosphere and be a home-away-from-home for our residents, (2) diagnose the present day ills, (3) and project where these changing times will demand us to be in the future. This is no simple chore and we covet your prayers and input. We thank you again for your monetary support without which we could not survive. Thank you for helping us to be in ministry on your behalf and in the Name of Our Lord.

Bob D. Orr, Administrator

CAMP ALDERSGATE

For the past 43 years Camp Aldersgate has been at the very cutting edge of life, fulfilling people's needs that are not normally being met by others.

There are programs that minister to the needs of individuals and families from all economic, social, and racial backgrounds, especially those who are isolated, lonely, or have handicapping conditions. Summer Med Camps, Weekend Respite Care, Family Support Program, Medical Clinic, distribution of food and clothing, and programs for Senior Citizens are our main focus.

When we see a confident smile on the face of a child with a handicapping condition after winning a race or mastering a challenge...

When tears of gratitude well up in the eyes of an elderly person who has found friendship and a reprieve from loneliness...

When we see the hungry fed or the caregivers of a medically-fragile family member relieved of their burden for a few hours...

We pause to give thanks for the support you give that makes these ministries happen...

There are so many who look to Camp Aldersgate for help and hope. Each year these numbers are ever increasing....people reaching out for help. This past year we have served more people than anytime in our history. We have had more children in Med Camp and Respite Care. The Westside Health Clinic has become so crowded we have scheduled extra nights to take care of the overflow of people with medical problems. We have added a new Family Support Program designed to provide additional help in keeping children with handicapping conditions in their homes rather than having to institutionalize them. We have developed plans and are now training people from all over the State of Arkansas in the art of caring for children with handicapping conditions. This past year we have trained 110 people from 54 counties here in Arkansas. Now we are able to pass along to others the experience and knowledge we have gained over the past years which they can use in their own hometown. Being able to expand the amount of help and hope we give at Camp Aldersgate will ultimately improve the quality of life for so many in Arkansas.

You who faithfully support Camp Aldersgate have helped make this miracle happen. Whenever we extend the love of Christ to those in need, we are all blessed.

UNITED METHODIST VOLUNTEERS IN MISSION, SOUTH CENTRAL JURISDICTION

The ministry of South Central Jurisdiction United Methodist Volunteers in Mission falls under four broad areas. They are:

1. **NETWORK DEVELOPMENT** involves providing training, information, resources and support for South Central Jurisdiction Annual Conference Volunteers in Mission leadership. It also involves networking with the other five jurisdictional VIM offices, as well as the Personnel and Resources Program Department of the General Board of Global Ministries in New York.
2. **PROJECT DEVELOPMENT** involves processing applications from South Central Jurisdiction mission agencies and programs that need volunteers and circulating their needs throughout the United Methodist Church.
3. **VOLUNTEER PLACEMENT** involves processing applications from groups and individuals wanting to serve as volunteers in mission. Volunteers are placed throughout the jurisdiction, the United States, and the world.
4. **PROMOTION** involves providing resources and speakers to interpret Volunteers in Mission in local, district and conference settings throughout the South Central Jurisdiction.

SUPERSERVE is the annual SCJ VIM Rally held at Mount Sequoyah, in Fayetteville, Arkansas, on Labor Day Weekend. The ADVANCE SPECIAL number for the SCJ VIM program is #982871-2. The SCJ VIM Committee, chaired by Dr. James Palmer, thanks you for your support.

CAMP TANAKO

Since Annual Conference last year, we have made several improvements at Camp Tanako. Phase 1-B, the construction of two new cabin complexes is nearly complete. All of the old cabins have been removed. A new waste treatment plant will be operational by this summer.

The two new cabin complexes were made possible through the $165,000 apportionment granted by the Annual Conference for this year and next. The Camp Tanako Board asks for your help in reaching these apportionments.

The Tanako Board if presently working on Phase II, the construction of a camp lifecenter (gymnatorium) and a mini-lodge. With the completion of Phase II, we feel we will have a camping complex as good as any in the country.

Alan White, President of the Board

UNITED METHODIST SENIOR SERVICES OF ARKANSAS, INC.

In 1987 the North Arkansas Annual Conference passed a resolution asking Methodist Health Systems to study the need for elderly housing within the state. This study was completed, recommending that the Bishop appoint a task force for future plans and further study. The 1988 Annual Conferences approved this recommendation and a task force was established representing five members from the North Arkansas Conference, five members from the Little Rock Conference and five members from Methodist Health Systems.

During the 1988 year this task force worked diligently to define the role that it would play in developing elderly housing. After researching other United Methodist programs in the country it was determined that Arkansas showed a need for more than elderly housing. There was a need for ministry through service programs as well. It was decided that Arkansas would benefit in patterning a program similar to the United Methodist Senior Services of Mississippi. After some intensive work in coordination with the Board of Global Ministries and Donovan Gardner, aging and housing specialist from the Board of Global Ministries, the charter and bylaws for United Methodist Senior Services of Arkansas were prepared. These documents along with a proposed budget for funding the first year of operation (1991) and a request for continued funding for the task force were presented to both Annual Conferences in June of 1989.

Since that time the task force has filed the charter and bylaws (for incorporation) with the state. Along with this goes the request for 501(c)3 (non-profit) status. Members of the task force are also working at this time to solicit members for the UMSSA Board of Trustees and Board of Directors.

The ongoing plans, however, remain the definition and scope of services to be provided to seniors in need across the state. The church's commitment to serving seniors through a ministry such as this is a strong one. UMSSA can really reach out to touch individuals and groups from the smaller rural church to the large urban church. Whether the need is in assessing a problem, accessing existing local services, curriculum and program development, housing or healthcare needs, the UMSSA will be available to work with the local church or district. This relationship is designed to be supportive - not to take over the responsibilities of the local church. Through a joint effort UMSSA and the local pastorate will enhance the lives of all concerned - the caregivers, the seniors, the volunteers, and the staff. It's a great dream and we're making it come true.

The task force is asking both the North Arkansas and Little Rock Annual Conferences' Committees on Nominations to select and present to the Conferences, for approval, names of trustees

which will be effective immediately. In turn, the Board of Trustees will select the Board of Directors, and United Methodist Senior Services of Arkansas, Inc. will become a legal, functioning agency of the United Methodist Church.

BOARD OF GLOBAL MINISTRIES

"You are the salt of the earth." Matt. 5:13

Those of us who have gone swimming in the Gulf know how painful salt water can be in a fresh wound. It stings and hurts. While salt may sting and hurt in a fresh wound, it also works to heal the sore. There are many sore wounds in our society. They are found in substance abuse, poverty, discrimination, AIDS, adolescent pregnancy, hunger, teen suicide, and the uninsured working poor. In all these sore wounds, the message of Christ will have the same effect as salt. You and I, as a part of the body of christ, are the only ones who can be this salt which our society needs. When Jesus said, "You are the salt of the earth," he meant for us to be the stinging irritants which won't let our society remain content with those sore spots.

Therefore, on behalf of your Conference Board of Global Ministries, we want to share some Good News about those groups, churches, and districts that are taking the message of Christ, "You are the salt of the earth," seriously.

THE GOOD NEWS IS THAT:

1. A Leadership and Networking Workshop entitled "***Empowering our Ministry and Mission***" through Working Together with Churches of Small Membership is being planned for October 5-6, 1990, at First United Methodist Church in Little Rock. Everyone is invited. Our Bishop and his wife, Julia, will lead a workshop on Major Methodist Beliefs/How Our Church is Connected. As you know, the 1988 General Conference directed GCOM to establish a task force to develop a strategy for strengthening the mission and ministry of churches with small membership. A report will be made to the General Conference in 1992 for action.
2. A Statewide Conference on Crack Cocaine, "***The Death of a Race,***" was sponsored in July, 1989 by Hoover United Methodist Church and the Black Community Developers. As you know, our Conference is working to address the substance abuse problems with Bishop Felton May in his ministry and work on the Bishop's Initiative on Drugs and Substance Abuse.
3. A number of our churches were given a touch of salt to help strengthen their mission and ministry through regular and special church extension funding. (Contact Rev. Calvin Mitchell for information about the funding process.)
4. A Thank You is due our Conference for its continued support to our Ethnic Local Church Ministries. (Because of our work together through mainstreaming District/Conference support, many ethnic churches are experiencing growth.)
5. A word of congratulations to Dr. Gladwin Connell and his committee in the Camden District for a very successful District Mission Fair in January. More than $7,000 was raised to support building a new black church in Childester (Mt. Moriah).
6. A contribution can be made to UMCOR by purchasing a $1.00 bookmark made by Bolivian United Methodists. (Go to the display in the Fellowship Hall.) Every penny received from the sale of these bookmarks goes toward alleviating world hunger/poverty.
7. A word of congratulations is due to our UMCOR 50th Anniversary guest speaker, Mrs. LaRayne Wahlstrom. Mrs. Wahlstrom is the chairperson of the UMCOR 50th Anniversary Celebration.
8. A Thank You is due to Marvin Loyd of Lake Village who will be leading his eighth dental mission to Haiti on June 29-July 8, 1990.
9. A request has been made by Bill Waddell, our Conference VIM Coordinator, urging the Conference, districts and local churches to support our Jurisdictional VIM Office. If you feel called to be a short-term volunteer in mission, please contact Bill Waddell.
10. A Thank You is due to Mrs. Doris Fish, our Conference representative on the General Board of Global Ministries. She has been privileged to witness the church in mission in Mozambique, South Africa, Zimbabwe, Zaire, the west Bank, Goza, Israel, Jordan and Mexico.
11. **A Statement on Mission Evangelism:** We encourage support for the General Board of Global Ministries Working Statement on Mission Evangelism for the 1990's: "The Mission Evangelism

Committee recommends that all United Methodist Missionaries shall possess the skills, training and motivation to articulate their faith in Christ as an integral part of their assigned tasks." For more than 150 years, the United Methodist Church has been sending missionaries from the United States to other countries. The United Methodist dollars have made this possible.

12. A request has been made asking that more clergy persons attend the **Arkansas Area School of Christian Mission**, August 12-17, at Hendrix College in Conway.

13. **Hunger Ingathering 1990:** Arkansas Ingathering for World Hunger will be held on Saturday, November 17, 1990. Please put this event on your calendar.

14. The Little Rock Conference Board of Global Ministries encourages Conference support for the following General Church approved Advance Specials:

Jurisdiction:

Parish Partners in the:
Rio Grande Conference - Adv. #982589-0
Oklahoma Indian Missionary Conference - Adv. #583634-4
Volunteers in Mission - S.C.J. - Adv. #982871-2

World:

Street Children of Brazil - Advance #714808-6
Africa Church Growth & Development - Adv. #008233-0 H-T
Bibles for Poland - Adv. #00408 GRA
World Hunger & Poverty - Advance #982920-4

15. The Little Rock Conference Board of Global Ministries recommends that the following projects be approved as Little Rock Conference Advance Projects:

a. The Black Community Development Program at Hoover United Methodist Church.
b. The Arkansas Rice Depot - one of our Hunger Projects in Arkansas. They gave away 899,021 pounds of food last year which was distributed in 72 of the state's 75 counties. They mainly distribute rice and beans.
c. Aldersgate United Methodist Camp has already been approved and will remain so - Advance #982149-3.
d. Camperships for Tanako: This would be administered by the Committee on Camping, Conference Board of Education.
e. Prison Fellowship USA

Finally, remember that Jesus said, "You are the salt of the earth." I believe that, if we take His message seriously, we can save the world.

TASK FORCE ON ETHNIC LOCAL CHURCH CONCERNS

It is our belief that what is at stake in making real the comprehensive plan for the Ethnic Minority Local Church is what Paul reminds us of in the 12th chapter of his letter to the Romans. In this letter, Paul so likens the church to the body of Christ. He states that, if any part of the body is neglected or weak, the whole body suffers. In contrast, if all of the parts are working together in strength and harmony, the body flourishes.

As we consider the comprehensive plan with its emphasis during this quadrennium, we want to share some of our accomplishments in the following areas:

A. **Leadership Development:**

1. Developed a manual for securing grant funds.
2. Conducted a grant writing workshop that was attended by approximately sixty persons.
3. Provided consultation services to a number of churches applying for grants from conferences and General Boards.
4. Sponsored scholarships for eight minority youth to attend summer camping experiences at Tanako.

5. Sponsored minority youth participation in South Central Jurisdiction Soviet Union Mission Tour.
6. Provided scholarship support for minority youth to attend college.
7. Provided scholarship for four minority youth to attend Spiritual Life Rally at SMU.

B. Outreach & Mission:

1. Sponsored drug abuse prevention seminars.
2. Sponsored AIDS education workshops.
3. Provided support for the community outreach and mission programs at Hoover UMC.
4. Provided grant funds for the Metro Youth program in the Little Rock District.
5. Provided support for tutorial program at St. James, Pine Bluff.

C. Facilities:

1. Provided "seed money" to enhance facilities at several churches.
2. Provided consultation services to several churches on securing resources for plans to improve facilities.

To further facilitate the implementation of the comprehensive plan, we recommend that district leadership:

1. Encourage and support cluster workshops that will be held during the fall.
2. Encourage the development of partnership congregations.
3. Encourage and help identify resources and technical assistance to meet unique needs of ethnic minority local churches.

Finally, it is our hope that, with these accomplishments during the last year, you will be able to see that progress is being made. Perhaps one of the greatest things about being a part of the body of Christ is that the Holy Spirit can lead us to see not only with our eyes but with our hearts as well. Thus, in Christian love and compassion, laying aside all barriers dividing us, let us truly work to see our comprehensive plan through our hearts.

KOREAN MISSION IN SOUTH CENTRAL JURISDICTION

The primary purpose of Korean Mission is the consultation, coordination and facilitation for enabling New Church Development and the ministries for existing church growth among the growing Korean immigrant communities in the South Central Jurisdiction in cooperation with the conferences and the districts.

In the South Central Jurisdiction there are now 33 Korean churches and congregation. During 1989, four new churches were implemented; Lake Charles (Louisiana), Waynesville (Missouri-E), Houston Dongsan (Texas), Clovis (New Mexico). In 1990, planning to start three new churches: Houston S.W. (Texas), Omaha/Lincoln (Nebraska), Garden City (Kansas W.).

Many United Methodist Churches support the Korean Churches by sharing the facilities with them in order to have their mature growing and strengthening. It is a very important portion of new church development and its growth in Korean mission.

I am planning to develop the programs of Korean ministers and laity training to support their understanding of the United Methodist Church polity and Discipline in order to adjust and harmonize with other United Methodists.

Your continuing support and understanding is appreciated.

COMMISSION ON RELIGION AND RACE

"Equipping the Saints for Ministry" has been Religion and Race's task throughout the 1989-90. This year we have developed persons on the commission to be able to carry out our task within the Annual Conference. During the November 1989 meeting we identified goals for the year. Our goals were: (1) Training for each member, and local church chairperson; (2) Monitoring the CCOM and Cabinet; (3) Increasing our advocacy role in and outside of the Little Rock Annual Conference; and (4) Follow-up on the 1989 Resolution.

In January, a Conference-wide training event for members and District Superintendents was held at Camp Aldersgate. The General Commission on Religion and Race provided two staff persons to resource this seminar. As a result of our time together, we came to understand the Biblical mandate for the Commission, as well as methods to enhance current operations.

Recognizing that February is celebrated as Black History Month, the District Directors from the Commission conducted a telephone poll as a follow-up to the Resolution presented at the 1989 Annual Conference. (A completed report will be given at the 1990 Annual Conference.) This same survey was conducted as a part of the Commission's report to the February Conference Council on Ministries. The results of the Council on Ministries survey indicated that the Resolution had been shared with 1/3 of the congregations represented; and that 60% of the persons on the CCOM would insure that the Resolution would at least be read in their local churches prior to the 1990 Annual Conference. The Commission applauds the efforts of Pine Bluff District Superintendent, Tom Weir, who provided copies of the Resolution to all Pine Bluff District pastors in two (2) separate mailings.

In its role as monitor, the Commission monitored the February CCOM meeting. The findings indicate that 87% of persons speaking were white male; 7% white female; 6% black female; 5% black male. The survey tallied who spoke, each that they spoke and the subject spoken about. The finances, whether as a part of a report or the total Conference budget, proved to be the subject with the most speakers (57). Although the tally did not indicate lay and clergy, of those present, the white male clergy persons predominated.

In addition, during its February meeting, the Council on Ministries adopted a Commission request to develop a Conference-wide Affirmative Action Plan. We commend the CCOM for its willingness to take the lead to implement item #4 form the 1989 Resolution! (See Resolution on the 1972 Merger Agreement between the Little Rock Annual Conference and the Southwest Annual Conference.)

This year, in an effort to be faithful stewards of the funds entrusted to the Commission, we have implemented a plan whereby we utilize telephone conference calls to reduce meeting costs. In addition, this eliminates travel time for members and allows persons who can not travel a chance to participate in Commission activities. By utilizing conference calls, it also allows us to create more of a team effort in order to accomplish our charge.

The Commission paid registration for four (4) representatives to attend the 23rd Annual Meeting of Black Methodists for Church Renewal in Nashville, Tennessee, March 11 through 17, 1990. While in Nashville, the Commission Chairperson, Maxine Allen, delivered a Keynote Address on the topic of "Claiming Higher Ground." Commission members attending, in addition to chairperson Allen, were: Sandra Graves, Vincent Harris, and C. E. McAdoo.

As a part of the on-going training role of the Commission, 1991 **My Job Workshops** have been targeted to insure that there is a Religion and Race component within each training session. The District Directors will be working with the District Superintendents during the planning cycles for these events.

REPORT OF PROGRESS ON RESOLUTION ADOPTED DURING THE 1989 LITTLE ROCK ANNUAL CONFERENCE SESSION

BLUE RIBBON TASK FORCE ON TEEN CRISES

Bishop Richard B. Wilke appointed a task force to explore three issues facing the Church today:

1) **Chemical Dependency among youths**
2) **Teenage Pregnancy**
3) **Teenage Suicide**

The task force has met twice, January 5, 1990 and March 1, 1990.

The task force has determined that these issues can best be attacked by providing the following:

I. A resource guide of services and agencies currently available across the State. The resource guide will be divided according to the twelve United Methodist Districts in Arkansas.

II. The project will identify existing teaching models and develop new ones to train pastors, lay persons, parents, and youth to better respond to needs at the local church level. The teaching models will be tools for the local church to try to address problems before they happen.

TASK FORCE MEMBERS: Paul Dubar, Searcy; Debra Rowlett, Jacksonville; Gary Valen, Conway; Evelyn Banks, Moro; Sonya Byrd, Pine Bluff; Jim West, West Helena; Janice Goldman, Jonesboro; Bobby Bell, Fort Smith; Nell Barling, Blytheville; Jeff Quick, Mountain Home; Jimmie Lee Stephens, Bryant; Sandy Smith, England; Wanda O'Quinn, Arkadelphia; Georgia Cooley, Pine Bluff; Rita Gruber, Little Rock; Kenneth Allen, Little Rock; John Miles II, Little Rock; Kimberly Mays, Little Rock; Rubye Lee Jackson, Little Rock.

REPORT TO THE ANNUAL CONFERENCES FROM THE AREA TASK FORCE ON DRUGS, SUICIDE, AND TEEN PREGNANCY

The solutions to the problems of drug usage, pregnancy, and suicide among Arkansas youth will require dedicated and informed responses by local communities, state government, and other organizations. The United Methodist Church should be a key player in a full scale effort to work with teenagers on these crucial issues. The Church is already a powerful force in local communities. The organization of the Church into conferences and districts provides an excellent network for cooperation and the documentation of information. The Church teaches vital spiritual messages that should provide a stable base that will

support teenagers during the turbulent times of their lives. The following recommendations represent a plan that will guide Church leaders in a response to the teen crises of the 1990's. The list is far from complete and, in fact, calls for a continuation of the Task Force as a guide for the Church's efforts in this vital area.

It is recommended that:

1. The Annual Conferences of the Arkansas Area of The United Methodist Church will create a network that supplies resources such as literature, video tapes, and speakers to the various congregations.
2. An area-wide training program will be established to help local youth leaders and adult workers with youth provide the best support for their youth.
3. The Annual Conferences, upon recommendation of the Task Force, will designate special times and programs during each year to celebrate the positive opportunities that are available to youth in the 1990's.
4. Each District will maintain a repository for materials that can be used by local church leaders to provide information and support for youth in addition to the Area maintained resources.
5. Each local church will designate youth leaders and adult workers with youth who have a specific responsibility for an ongoing education and support program for community youth.
6. Local churches will create a network of volunteers who will talk with youth at any time. Such a network could be organized around a phone hotline system, a specific set of counseling opportunities, or a peer-counseling structure.
7. Local churches will develop a response team to work with specific issues such as a potential suicide, a family that discovers a teen problem with alcohol and drugs, or a youth struggling with the issue of an unwanted pregnancy.
8. Local churches will promote personal well-being among youth by sponsoring workshops, special events, and other activities that point to a bright future. Wellness, career opportunities, personal relationships, communication skills, and healthy leisure activities are some of the topics that can be discussed.
9. The Annual Conferences will create an Area Teen Crises Office that will coordinate the distribution of materials, identify resource people, provide training opportunities, and, in general, coordinate the overall church response to the teen crises.
10. A guide will be assembled and reproduced containing names and location of program agencies or resources available locally, district-wide and state-wide. The anticipated distribution date of this guide will be in September 1990.
11. The Task Force on Drugs, Suicide and Teen Pregnancy will be continued in order to add specifics to this general list of recommendations and to assure continuity of the program.

ARKANSAS AREA DRUG TASK FORCE

The use of tobacco, alcohol, barbiturates, sedatives, heroin, cocaine, marijuana and other drugs are harmful to our health. The church has clearly stated that social factors and personal habits can contribute to and promote substance abuse.

Scriptures in Leviticus, Job, Matthew and Acts address "unclean spirits and all manner of unclean things that defile the Lord's temple." The Book of Leviticus pays particular attention to God's law about anything that enters or touches the body. John Wesley also addressed dangerous substances in his book, **Primitive Remedies**: "In all that have yet fallen into my hands I find many clear and many far-fetched medicines; besides many of so dangerous a kind as a prudent man would never meddle with."

What would John Wesley say today if he knew that men, women and children used such "dangerous, far-fetched" substances as cocaine, crack cocaine and heroin mixed with cocaine chased with alcohol?

Substance abuse is so grave a problem in this society and the world that the urgency and the need to eliminate its most destructive manifestations require all responsible persons to squarely face this issue. All persons concerned about the health and survival of humanity must act against chemical violence, or it will devour us.

The 1988 Book of Resolutions addresses substance abuse as "clearly destructive to health." However, the health related resolutions do not address substance abuse as a primary threat and destructive force to the survival of the human race.

Substance abuse is a challenge to opportunities for mission. Our Wesleyan tradition urges us to take on challenges. As Jesus challenged his disciples to "interpret the signs of the times" (Matthew 16:3 and Luke 12:56) we, too, must interpret the signs of the times as an opportunity for witnessing and healing.

Governor Bill Clinton related, on July 14, 1989, at a statewide conference on drugs, sponsored by Theressa Hoover United Methodist Church, that "over $840 million in drugs was confiscated last year in Arkansas."

Based on these considerations the Area Task Force has established the following initial plan of action:

1. Pray regularly for persons who are working on substance abuse issues in our community.
2. Make a contribution to local and national projects on drug abuse issues.
3. Get each local church to designate a Drug Awareness Month and to develop appropriate programs.
4. Identify local, city, county, or religious groups who are responding to substance abuse and work with them.
5. Develop support groups in local churches for family members and loved ones of persons with an addiction.

We recommend that the Annual Conference adopt the "National Drug Initiative" and provide the necessary support for its success.

RECOMMENDATIONS OF THE ARKANSAS AREA DRUG TASK FORCE

It is recommended that the following actions be taken by Annual Conferences in support of the Bishops' Initiative on the Drug Crisis:

1. Designate October as Substance Abuse Awareness Month.
2. Designate October 21st (the Sunday at the beginning of "Red Ribbon Week") as Substance Abuse Awareness Sunday.
3. Ask local churches to hold a prayer vigil during the month of July for Bishop May and the 14 Covenant Churches in the Washington, D.C. area as they minister in the area surrounding our National Capitol.
4. Provide additional suggestions for actions that may be taken by local churches now and during the October emphasis.

Reverend Bill Robinson, Chairman
Arkansas Area Drug Task Force

AREA COMMUNICATIONS

The Area Committee on Communications consists of the joint Committees on Communications of the two Annual Conferences. The Arkansas Area Communications program covers three main area:

1. Arkansas United Methodist Newspaper
2. Arkansas Area Resource Center
3. Arkansas Area Production Center

Arkansas United Methodist. Our own **Arkansas United Methodist** earned the distinction as "the best" newspaper in the denomination when editor Jane Dearing was presented the 1989 Robert F. Storey Award of Excellence for Newspapers by the United Methodist Association of Communicators. Announced at the

UMAC awards banquet in November in Boston, the honor turned nationwide attention on the Arkansas Area newspaper. Congratulations have been extended from communicators and church leaders who recognize the **Arkansas United Methodist** as one of the outstanding church newspapers in the country.

In addition, Jane Dearing and the United Methodist newspaper won three first-place awards in the 1989 Arkansas Press Women's communications contest and the publication went on to earn top honors and a first-place award in the National Federation of Press Women competition.

In other news, more than 400 new subscribers were added to the list of readers of the conference newspaper, thanks to the outstanding response to "Arkansas United Methodist Sunday" in January. The support and assistance of district superintendents, local pastors and lay leaders insured the success of this year's campaign, which involved the distribution of an additional 30,000 copies of the newspaper throughout the state.

The **Arkansas United Methodist** continues to deliver to its readers a complete overview of the church at work, from local and district news and features to decisions made on the conference and general church levels. This year,k one of the new features in the newspaper is the Children's Page, produced by the Little Rock Conference Children's Priority Committee. This monthly page has been a valuable addition to the newspaper and has been exceptionally well received by readers. Other new features include the "United Methodist Digest", a wrap-up of national and international news, and the "Remember When" and "Church Roots" historical columns.

What's ahead for the **Arkansas United Methodist**? Here's what editor Jane Dearing has to say: "As we settle into the 1990's, I have three main goals regarding the Area newspaper. They are: **(1)** to continue to run a tight, efficient, financially responsible newspaper operation; **(2)** to deliver a newspaper that is timely, interesting and thought-provoking; and **(3)** to continue producing a quality product that accurately reflects the people and the ministry of the United Methodist Church in Arkansas. I look forward to this challenge and pledge to do my best in seeing these goals accomplished."

Arkansas Area Resource Library: The Arkansas Area Resource Library maintains a collection of videotapes, audio tapes, films, filmstrips, slides and other audio/visual materials and equipment. The library loans these resources to United Methodist Churches in Arkansas.

In September, 1989, the Resource Library began extended hours, 8:30 a.m. - 2:30 p.m. Monday through Friday. A new catalog update, describing the library's latest additions, is available upon request from the resource librarian. Various resources are featured each month in the Arkansas United Methodist newspaper column. Be sure to watch for the display of special resources set up at many conference events. For more information on the Area Resource Library call the librarian, Gloria Caldwell, at 370-4011.

Arkansas Area Production Center: The in-house facility became operational in 1980 to economically produce quality printed materials and resources needed to inform and accomplish adopted Council on Ministries programs of the Arkansas Area. The Production Center also produces materials for other agencies and local churches of the Annual Conference, as time allows. Located in the United Methodist Church Center in Little Rock, the Production Center employs a full-time supervisor, Laura Organ; and a part-time production assistant. The Production Center is available for typesetting and layout, printing, bindery work, and distribution.

WORK AREA ON WORSHIP

In the fall of 1989 and spring of 1990, District Workshops on the **United Methodist Hymnal** were held across the districts of the Little Rock Conference.

The Work Area on Worship will participate with the Stewardship Work Area on developing worship resources for a 1991 Lenten emphasis on Stewardship.

Kurt Boggan, Chairperson

WORK AREA ON CHRISTIAN UNITY AND INTERRELIGIOUS CONCERNS

The focus of the work area continues to be the dissemination of information relative to the Covenanting Proposal of the Consultation on Church Union. Study of this proposal is being encouraged through supplying the main study book, Churches in Covenant Communion: The Church of Christ Uniting, study guides for leaders and other materials for uses in various groups in the Annual Conference. Members of the work area are recruiting churches in the districts to conduct a study of the proposal. A means of response will be supplied by the work area in order in order that General Conference delegates and the General Commission on Christian Unity and Interreligious Concerns may receive feedback from a healthy cross-section of the denomination prior to the 1992 General Conference. The General Conference of 1992 will vote on the proposal to enter into a covenant relationship with eight other denominations.

The work area recognizes that many churches are unaware of the history and purpose of the Consultation on Church Union and are vague in understanding what the proposed "covenant communion" relationship involves. These questions can best be answered through study and discussion of the materials available.

We are seeking a variety of settings in which to present basics of the covenanting process. We encourage Sunday School classes, United Methodist Women, United Methodist Men, Pastor groups and others to invest time in considering this study.

There is much to be gained from participating in the study. There is the increased awareness of events and possibilities taking form at the general level of our denomination. The benefits of joining in the effort to assist the 1992 General Conference in its decision-making may be realized in a greater sense of connection with not just the General Conference, but the membership all across the church. Perhaps one of the best results of the study will be the spiritual journey taken because of the focus on Christian unity, doctrines, missions and ministry.

The Little Rock Annual Conference has adopted the following timeline relative to the Covenanting Proposal: 1989-90 a year for studying the Proposal throughout the Annual Conference; 1990-91 for the encouragement and formulation of petitions to General Conference, reflecting the sense of the Annual Conference; 1991-92 for promoting the Annual Conference perspective through General Conference representations.

The work area will supply a book with study guide and material to ministers who request them. Some pastors are leading the study. Some of our laity are involved. Additional study books and materials may be ordered quite inexpensively. The General Commission on Christian Unity and Interreligious Concerns will be in contact with those churches who conduct the study, providing a means to respond directly to the General Commission; as well as to the Annual Conference CUIC.

During the 1990-91 year the Conference CUIC Work Area will

1) Continue to encourage local church study through the summer and fall months, and receive their feedback;
2) Review the Proposal with Annual Conference leaders and with leaders from other COCU member churches;
3) Prepare a petition to General Conference to be presented to Annual Conference in 1991.

The Christian Church (Disciples of Christ) is working to bring Dr. David Taylor, General Secretary of the Consultation on Church Union, to the Arkansas Area. His appearance is scheduled for September 20-22, 1990 at Pulaski Heights Christian Church. We will provide greater details as they become available.

WORK AREA ON CHURCH AND SOCIETY

As a preface to my report I would like to remind you that Church and Society is known as the part of our denomination that is engaged in compassionate ministries and advocacy for those who are little able to impact the power structures in the community. By the very nature of our conference structure we find that the majority of this ministry is done by individuals, groups, local churches or districts. If the conference can provide inspiration, information, or leadership in these efforts, we will have done our job. We will continue to encourage congregations to be involved in a variety of issues as well as to join the conference on major emphases as they arrive. You will find the following indicative of the work being done in Church and Society.

AIDS Ministry: Although we do not have an active task force at this time, we are still engaged in a variety of AIDS programs. We support the Arkansas AIDS Foundation and are a part of the Arkansas AIDS Interfaith Network which is chaired by Tyler Thompson of Pulaski Heights Church. Norwood Jones and Bill Robinson are both active in AIDS education projects. We are working closely with the Religious

AIDS Interfaith Network (RAIN) in education and in training of "care teams" for persons with AIDS and their families. There are three United Methodist "care teams" trained and at work: St. James-Little Rock, First Church-Benton, and the United Methodist Fellowship of Little Rock. In addition we are hearing of more and more local education programs going on.

Legislative Issues: We continue to monitor issues on education, environment, economics and social problems that need study and evaluation, and make a United Methodist presence within the context of these issues when deemed appropriate.

TASK GROUPS:

1. **Teenage Crisis: Pregnancy, Chemical Abuse and Suicide.** As a result of action taken by both conferences last year, Bishop Wilke appointed an area task group to consider action that could be taken to alleviate these problems. Judge Rita Gruber of the North Arkansas Conference was named to chair this group. Meetings began in January 1990 and considerable progress has been made. A separate report of this task group will be presented to the Conference.
2. **Substance Abuse.** This Area Committee is a spin-off of the Council of Bishops Drug Initiative. Reverend Bill Robinson, Little Rock Conference, chairs this group. This also will be the subject of a separate report.
3. **Prioritizing Task Group.** This group is composed of District Church and Society representatives, representatives to jurisdictional and national events, the conference chair and staff advisor for Church and Society. The group met and heard reports from jurisdiction and national meetings with recommendations for action within the conference. It will be recommending the direction for future programming. One action that will be taken is conducting a survey to determine just what work is being done by local groups that are within the parameters of Church and Society concerns, with the probability of making some recognition to churches doing outstanding work in the area.

Peace With Justice Training for PWJ Coordinators: Jo Ann Mays, a member of St. James UMC, Pine Bluff, represented our conference at San Antonio in January, as they explored what Peace With Justice really is. She returned with two challenges: (1) that the segment of the video, "Come, Share, Rejoice", that has to do with Peace with Justice be shown to the congregations of our conference and (2) that churches be made aware of the possibility to become a "Covenant Church for Peace With Justice."

National Convocation - Church and Society: (Visions of Hope: Transforming the Chaos). Reverend Britt Skarda, Little Rock District Church and Society Representative and I attended this meeting in Albuquerque, NM in February. The whole event centered on environmental justice, economic justice and human rights. We had opportunities to hear presentations by knowledgeable persons in these fields and then to go out into the community to see examples where flagrant violations of rights were evident. I followed a "toxic waste" track, and it was amazing to realize the same sort of violations are present all around us. This will probably be one of the priorities we will work on in 1991.

Recently I had to submit a report about what Church and Society is doing in the Little Rock Conference. My first reaction was - not much really. But then I thought about items I have read in the Arkansas United Methodist and church bulletins I have seen, and in the newspapers. And then I knew - there is a lot going on in local churches and districts. Our local churches are involved in education about AIDS and other issues, they are feeding the hungry, housing the homeless, tending the poor in health, caring for little children, doing prison ministry, and other caring programs. They are doing these things in the name of Christ and for His Sake. These are concerns of our Work Area - they are justice issues - they are peace issues - and they are being done by our people to allow lives to be lived more peacefully. I thank God that this is so.

COMMISSION ON ARCHIVES AND HISTORY

The Little Rock Conference Commission on Archives and History has continued to organize the materials in the Methodist Archives at Hendrix College. The accomplishments for 1989-90 have been:

1. Joining with the North Arkansas Conference Commission to form an Arkansas Area Joint Commission, chaired by the two chairpersons. This Area Commission meets quarterly.
2. Moving of the bound **Arkansas United Methodist** newspapers to the office of Jane Dearing, Editor of the newspaper, in the United Methodist Center where they are available for research.
3. Ongoing funding, jointly with the North Arkansas Conference, of student help at Hendrix to index the **Arkansas United Methodist** newspaper from its earliest years. Kim Beard, a Senior student, is computerizing the index under the supervision of Jerry Blackburn at the computer center there. She will train another student before she graduates.
4. Aiding Jane Dearing to the rebinding of several of the oldest volumes of the newspaper.
5. Sending one hundred dollars to the General Commission on Archives and History at Drew University, Madison, NJ.

The cataloging of information on the churches of Arkansas Methodism has continued, with much additional information and many photographs. The clergy file was greatly augmented after biographical questionnaires were sent to all retired clergy of both conferences and to the widows of the deceased clergy. The Commission has also responded to many requests from Arkansas churches for copies of documents and photographs to aid in their historical collections and heritage celebrations. A collection policy has been established as part of a procedures manual which is still being compiled.

WORK AREA ON STEWARDSHIP

Under the direction of the CCOM, a Conference Task Force on Stewardship was established on October 17, 1989 to examine the issue of stewardship and explore possible programs in stewardship for the Little Rock Conference. The Task Force is composed of the Conference Chairperson of Stewardship, District Representatives of Stewardship, one District Superintendent, the General Board of Discipleship Representative, the Conference Chairperson of Religion and Race, the President of United Methodist Women, the President of United Methodist Men, and the Conference Lay Leader.

The Conference Task Force on Stewardship met on February 1, 1990 to explore possibilities for developing a comprehensive program of Christian stewardship to inform, motivate and inspire the local churches of the Little Rock Conference to a new level of faithfulness to God in all areas of practical living. The issue of stewardship is multifaceted and incorporates many areas of Christian living: the employment of human abilities, time management, discovering and using our spiritual gifts, engaging the laity in ministry, the stewardship of our physical health, the use of our financial resources and assets, and the care of the natural order.

The essence of stewardship is that we are gifted people. We have been gifted with abilities and talents and every good thing in creation. But we are not the owners of these gifts from God. Instead, we are appointed as overseers and managers of what God has given to us and we are responsible to God for how we use all things. Therefore, stewardship encompasses issues of faithfulness and loyalty and continual growth in Christ.

The following preliminary outline is a synthesis of the work of the Stewardship Task Force:

A Proposal for a Three-Year Conference Program in Stewardship

Year One-- (1991)

Target: the Season of Lent

(1) In cooperation with the Work Area on Worship, the development of a notebook containing worship materials and resources for sermon preparation for 5 services during Lent 1991:
Focus of Service One: God's people as stewards of the Gospel.
Focus of Service Two: God's people are gifted (empowered to minister).
Focus of Service Three: God's people as spiritual managers (of time and money).
Focus of Service Four: God's people have a need to give (response to and imitation of God).
Focus of Service Five: God's people as stewards in the world (the care of the earth and its people).
This material would be distributed in the fall of 1990 to the pastors and lay leaders at district gatherings with instruction and guidance in its use.

(2) The creation of a video tape of lay people from across the Little Rock Conference telling their stories of growing in faithfulness to God in various areas of practical living. This video would be available to every charge to be used in worship services, church school classes, and study groups. The purpose of the video would be to give personal witness to the deep sense of joy that comes to those who are moving forward in their response to God's grace and the mission of God's kingdom in the world.

Year Two-- (1992)

Target: the Season of Lent

(1) Develop a study workbook to be used in five sessions of church school classes or short-term classes in the local church covering issues of practical Christian living, spiritual gifts, lay ministry, the mission of the church, and education concerning apportionments as mission giving.

(2) Get the story of the United Methodist Church in mission out to the local church: through printed material, personal witnesses sent to local churches, etc. Market the story.

Year Three-- (1993)

Target: to be determined by each district

(1) **Celebration:** District or subdistrict worship services to celebrate the response of God's people to more faithful discipleship. It would be left up to the DCOM of each district to develop their own event.

(2) **Evaluation**: Evaluate the success and impact of the three-year focus. Issues of evaluation might include: the scope of influence (how many local churches used the materials), the format of the materials, the appeal and interest of the materials, and the effectiveness of long-term programs.

CONFERENCE COUNCIL ON YOUTH MINISTRY

The Little Rock Conference Council on Youth Ministry (CCYM) has had several firsts this past year. Tara Everitt was our first president to serve two terms; Mark Norman was our first ethnic minority conference officer; the CCYM had four ethnic minority youth among its members; Elizabeth Lilly became the first Little Rock Conference youth (to our knowledge) to serve on the National Youth Ministry Organization steering committee; Michael Woods became the first adult to serve on that committee from our conference. We see all of these things as signs of progress in youth ministry - youth taking responsible ownership of their program, becoming more inclusive, and seeing church life as a priority.

This year's theme "God is Callin' on You" has dealt with being real Christian persons, personal prayer life, responding to the call to Christian vocation and more specifically, church-related vocation. Our midwinter rally, Leadership Weekend, and conference camp have all reflected this theme. We are hoping to have four to six young people attend the national meeting on church-related careers in St. Louis in October, including several who have already made decisions to go into the full time ordained ministry. YSF

has had an interesting record this year. Although we were short of our $7,500 goal, we received enough more money within two weeks **after** the year-end deadline to put us at an all time high for YSF contributions! The conference youth music program has gotten off the ground this spring, with our endorsement and some financial assistance. Conference Camp at Tanako this summer will have a new face, thanks to a lot of creative thinking on the part of a strong design team. We have far to go, but we have come a long way.

LITTLE ROCK CONFERENCE YOUTH MUSIC MINISTRY - 1990

The Little Rock Conference Youth Music Ministry is beginning in 1990. Our Conference has a great children's choir festival program that is known throughout the country. It is our hope that our Youth Music Ministry will grow to become as great a program.

The purpose of the Little Rock Conference Youth Music program is to provide a special opportunity for youth who are interested in ministering through various types and forms of musical experiences. The program will strive to minister to the musical and spiritual needs of the youth and the lives they touch.

1990 will hold two events for our youth - this past March we "kicked off" the ministry with a lock-in. Over 100 youth attended the night at Highland Valley United Methodist Church in Little Rock. The youth enjoyed an evening of fun, food, fellowship, worship and a concert by "Watermark." The second and main event will be July 5-10. We will begin with two days at Camp Tanako where we will prepare our music centered worship service. On Saturday, July 7, we take our group on the road. Our ministry will be shared with White Hall United Methodist Church, Pine Bluff; First United Methodist Church, Stuttgart; two churches in Memphis, Tennessee - Mullins & Emmanuel, Wesley Highland Towers; and conclude with a homecoming concert at Tanako. There will also be a fun day at Memphis' Libertyland.

We encourage each church to help spread the news about this exciting new way to minister to our conference youth.

UNITED METHODIST WOMEN

United Methodist Women have been active in all areas of church life this year. One hundred forty of our number were enrolled in the School of Missions in August and we also provided a portion of the leadership for it.

Attendance at our Annual Meeting in Malvern was good. In spite of necessary last minute adjustments, the program was both informative and inspirational. The entire membership (not just the women) of Malvern First Church made us feel welcome and comfortable.

Conference officers led a workshop of training and leadership development for all elected leaders from the districts in November. Many of the conference officers have been able to offer support by attending district meetings both in the fall and this spring.

Women's Division directors and staff led a Christian Disciplines Workshop for all conference officers and three officers from each district at Tanako in February. This event allowed us to be the first February camp at Tanako.

We are looking forward to the upcoming Assembly at Kansas City. One hundred six (106) have received confirmations of registrations. A few registrations were returned because the capacity of 10,000 was reached six weeks prior to the deadline. We expect to be able to have a spot for those from cancellations. This will be the largest group we've had at an Assembly.

Reports of UMW Sunday in many churches have been gratifying. We appreciate the help of the ministers and congregations in this endeavor.

Evaluation reports from all the local units are sometimes harder to get than is money. Most of our pledges were paid. Reports showed that our women bought gifts of all kinds for their churches and parsonages, sent children to Tanako, gave toward conference apportionments, and participated in many local Mission Projects. I have been disturbed because reports showed a decrease in our membership the last few years. However, this years tabulation shows an increase of 74 members - (1%) with 7476 now on roll. We pray that this is an indication of things to come.

COMMISSION ON THE STATUS & ROLE OF WOMEN - 1990

Friends in Christ, the apostle Paul preached the equality which is our Christ wrote to us the churches of the Risen Redeemer.

"Whatever happens, let your conduct be worthy of the gospel of Christ, so that whether or not I come and see your for myself I may hear that you are standing firm, united in spirit and in mind, side by side in the struggle to advance the gospel faith, meeting your opponents without so much as a tremor." Philippians 2:27-28

Our Commission on the Status and Role of Women maintains its interest in fulfilling the gospel which is for all God's people and its charge as described in the **Discipline**. The Little Rock Conference COSROW in the coming year shall address as advocate, catalyst, and monitor the life of the church in its embodiment of Christ's commands to love in equality.

We shall strive to call the church to appropriate remembrance of the implications of the Good News:

*for implementation in ministry by and with all persons.

*to fulfill Christ's call to us to be people who live in the ministry of mutuality.

*to support the fullest use of all the gifts and graces of women and of men.

We shall strive to set before the life of this Conference and its local churches those concerns which specifically effect women.

And, we promise that our work shall be in the spirit to which the Risen One calls us - joy, compassion, and justice - and shall always be centered and grounded in Christ's Gospel of justice and merciful love.

BOARD OF DIACONAL MINISTRY

Purpose

The purpose of the Conference Board of Diaconal Ministry is to study the needs and resources of the Conference, relative to professional ministry careers and to interpret Diaconal Ministry throughout the conference, to seek to enlist persons of all races and ethnic origins; to guide persons interested in these careers through the process of training, certification, and consecration. The Board shall also assist in the personal/professional growth of certified and consecrated professionals in the church.

Goals

The goals of the Board in the 1988-92 quadrennium have been to administer records and maintain standards, interpret diaconal ministry and the certification process, to expand Arkansas' settings for lay professional ministry, and to improve support systems for persons in forms of diaconal ministry.

In the past year the Board, with Karen Fry, has designed and produced a video of our own diaconal ministers to interpret and explain diaconal ministry and its commitment and calling. The video is being distributed through existing networks in the church and will be available in the media library. In the next year a brochure will be produced to go with this video.

Efforts to bring diaconal ministers, the Board, and candidates together have been hampered by busy schedules, but a focused meeting is planned for 1991.

Pastor-parish committees will be sent a mailing about evaluation, hiring, and dismissal procedures for lay professionals.

We have surveyed other conferences for models of ethnic diaconal ministry and have polled our own ethnic churches for ideas. We are applying for a grant from the Division of Diaconal Ministry to fund a part-time position for Josephine Bell in an ethnic church, as she goes through the certification process.

Still in editing, the grant will be submitted for the October 1 reading by the Division. We ask the conference's support of this project through the following **resolution:**

The Little Rock Annual Conference supports and endorses the efforts of the Board of Diaconal Ministry to encourage and train ethnic persons in forms of diaconal ministry.

Scholarship Fund

The Board of Diaconal Ministry maintains a scholarship fund for persons in certification and candidacy studies and for continuing education for diaconal ministers. Applicants may receive up to $300 a year, granted on the basis of need and availability of funds.

Applications for aid shall be sent to the Vice Chair of the Board, Evy Lamb, 607-D So. Anna, Stuttgart, AR 72160.

BOARD OF TRUSTEES
LITTLE ROCK CONFERENCE
June 6, 1990

The Board of Trustees of the Little Rock Conference makes the following recommendations to the Little Rock Conference:

1. That the Bluff Springs Church, west of Nashville, be leased to R. L. Graves and Robert Elrod as individuals for five years at $1 per year beginning in June, 1990. The property shall only be used for Christian worship. Graves and Elrod shall be responsible for providing liability insurance.

2. The request of Jackie Moore requesting electricity be restored to the Carolina Church to provide electricity for their deer camp is denied.

No action was taken in regard to the Silver Hill Cemetery Association of Union County or the Stoney Point Church until further information is received by the Board.

As approved last year the Ozan Church property has been deeded to Thomas Johnson, the Doyle Church property to the Doyle Cemetery Association, the McCaskill Church property to Jimmy White, and the Davis Church property to Willie Branden or Lydia Lewis Branden. The Toller's Church was moved by the Grant County Museum.

THE UNITED METHODIST PUBLISHING HOUSE - 1990

First, we remained committed to providing services and products that will enhance our ministry as an arm of the United Methodist Church. Our desire and goal is to be the church publisher that advances the cause of Christ by producing and distributing resources that meet the needs of people.

This year, we feel that we have made extraordinary strides. We continue to distribute worship, educational, administrative and other resources and supplies that bring to the forefront effective ministries in our local churches.

I want to highlight in particular the efforts which are focused on our support of the **Africa University Library Project,** our new **United Methodist Hymnal,** and the **New Revised Standard Version** of the Bible.

The United Methodist Publishing House is committed to developing the Library for the College of Theology for Africa University. The House has assumed responsibility for collecting library resources. All inquiries related to the donation of books and gifts should be directed to Rosalyn Lewis, chair of the project. Her office is located in our main office building in Nashville.

In our efforts to broaden support for the Africa University Library Project, we are publishing a special edition of the **Hymnal.** One dollar and fifty cents from each hymnal sold will be donated for this cause.

We are also working with the United Methodist Publishing House of the United Kingdom by publishing and providing Christmas cards that be purchased by churches and individuals for resale. For each pack of Christmas cards sold, Cokesbury will donate twenty-five to fifty cents. These amounts will also support library development.

The New Hymnal is now being used in approximately half of all our denominational churches. Because of the phenomenal reception and the evidence of churchwide support, this year, the United Methodist Publishing House is **doubling** its return for ministerial pensions. The General Board of Pensions directs the allocation. One million dollars will be allocated as usual. The other millions will be allocated to the central conferences by the General Board of Pensions.

The New Revised Standard Version (NRSV) of the Bible has been introduced. This effort has taken 17 years to complete. This event is so significant in the life of the church until we feel that every United Methodist bishop should have the NRSV of the Bible as a part of his/her library. (This is our gift to the bishop in the setting.)

There are so many new and innovative things happening at our UMPH until it is impossible in these few moments to tell you everything. However, this agency continues to make news. On October 24, 1990, we will officially open our **New Consolidated Distribution Center.** This center is designed to serve our customers better. You are invited to join us for this celebration at 11 a.m. on this date. Additional information regarding this event will be released soon.

Our work has been extremely successful. We are privileged to serve the church through the United Methodist Publishing House. One behalf of the General Board of Publication, we are pleased today to provide you with your share of this year's return for the Clergy Pension Fund.

We have audited the statement of assets, liabilities and fund balances - cash basis of The Little Rock Conference of The United Methodist Church as of December 31, 1989 and 1988, and the related statement of changes in fund balances - cash basis for the year ended December 31, 1989. These financial statements are the responsibility of the Conference's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 1, the organization's policy is to prepare its financial statements on the basis of cash receipts and disbursements. Consequently, certain receipts and the related assets were recognized when received rather than when earned, and certain disbursements were recognized when paid rather than when the obligation was incurred. In addition, expenditures for capital assets were reflected as disbursements and are not shown as assets of the organization. Accordingly, the accompanying financial statements are not intended to be presented in conformity with generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and fund balances of The Little Rock Conference of The United Methodist Church as of December 31, 1989 and 1988, and changes in fund balances for the year ended December 31, 1989, on the basis of accounting described in Note 1.

LITTLE ROCK CONFERENCE OF THE UNITED METHODIST CHURCH
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 1989 AND 1988

1. Summary of Significant Accounting Policies

Basis of accounting - The financial statements of The Little Rock Conference of The United Methodist Church have been prepared on the cash basis. The records are held open for approximately two weeks after year-end in order to include the remittances from the churches in the conference for the last few weeks of the year. This policy is consistent with prior years.

2. Income Taxes

The conference meets the requirements of Section 501(c)3 of the Internal Revenue Code and is therefore exempt from federal income taxes.

3. Cash Investments

All cash investments are recorded at cost plus interest income as received in the account. These balances approximate current market value of the particular investments. Due to the current nature of some of these investments, market quotations are not available.

Interest on the savings accounts is received quarterly. Interest on Dean Witter Intercapital Liquid Asset Fund and Fidelity Cash Reserves are received monthly. Interest on all other cash investments is not recognized until maturity.

Interest earned on investments in 1989 was $110,927.

The aggregate market value of short term cash investments was $444,769 at December 31, 1989 and $559,143 at December 31, 1988. Net unrealized losses amounted to $5,183 in 1989 and $6,348 in 1988 which are considered immaterial and temporary in nature and will be reflected when realized.

4. Pension Plans

Substantially all conference employees are covered under one of the two defined contribution pension plans.

a. Ministerial employees - All ministerial employees, including the Bishop, are covered under a defined contribution pension plan whereby the participant contributes 3% and the church or conference contributes 10% to 12% of the participants' annual contribution base (compensation) based on the conference average compensation as computed by the General Board of Pensions.

b. Lay personnel - All lay employees are covered under a defined contribution pension plan whereby the participant contributes 3% and the conference contributes 6% of the participants' annual contribution base (compensation).

Both of the aforementioned plans provide benefits upon retirement based on converting accumulated contributions for that participant to an annuity or an actuarily equivalent basis.

Both plans are multi-employer plans by which all contributed assets of participating employers are commingled and are not segregated by employer. This commingling of assets prevents a matching of individual employer's plan assets to plan liabilities.

Total pension cost for the years ended December 31, 1989 and 1988 were $588,954 and $563,004, respectively.

5. Contingencies

At December 31, 1989, the Little Rock Conference is contingently liable for mortgage obligations of $202,437 in connection with the construction of new cabins at Camp Tanako.

"No one truly dies who lives in the hearts of those who loved them."

THE REV. W. HAROLD FLOWERS

William Harold Flowers was born in Stamps, Arkansas, on October 16, 1911, to Alonzo William Flowers and Beulah Lee Flowers. He died April 7, 1990, in Pine Bluff Arkansas.

His early education began in Stamps, Arkansas, where he attended school through the eighth grade. After two years at Lincoln High School, East St. Louis, Illinois, he returned to Arkansas and completed both high school and college at Philander Smith College in Little Rock. He passed the Arkansas Bar Exam in June of 1935. He received a law degree from the Robert H. Terrell Law School in Washington, D.C., in June of 1937. He formally opened practice in Pine Bluff in February, 1938, where he remained in active practice until his death.

In 1977 he served as Special Circuit Court Judge for Jefferson County. In 1980, he was appointed Associate Justice of the Arkansas Court of Appeals.

He was a leader in the Little Rock Conference and before that, the South West Conference. He was admitted into full connection in 1971 and served several charges through the years. At the time of his death he was serving New Zion and Union Chapel in the North Arkansas Conference. He crossed the barriers that separate people and helped bring a spirit of racial harmony to our church.

He was married to the late Margaret Brown Flowers. He is survived by eight of their nine children: W. Harold Flowers, Jr. of Boulder, Colorado; Thurman H. Flowers, Gretchen Flowers Wiggins, and Stephanie A. Flowers of Houston, Texas; Alonzo W. Flowers, II, and Alfred L. Flowers, Sr. of Little Rock, Arkansas; Arthur Knight Flowers of Pine Bluff, Arkansas; and Daphne Flowers Scarbrough, Fayetteville, Arkansas. One daughter, Francis Elizabeth Flowers, is dead. One brother survives him, Dr. Cleon A. Flowers, Pine Bluff, Arkansas. Eleven grandchildren and two great-grandchildren survive him, as well as many nieces and nephews.

DR. JOHN W. LINDSAY

John W. Lindsay was born in Pine Bluff, Arkansas and lived out most of his life in the city of his birth. He was born on March 5, 1922 to Edward C. Lindsay and Floy Ragan Lindsay. John and Shirley Lowman Lindsay were the parents of two children, Karen Lindsay Knight (Arlington,. Texas) and John Mark Lindsay (Fayetteville, Arkansas). Their children and grandchildren were the delight of John's life. John and his brother and sisters -- Harry, Minnie and Mildred were very dear to each other. John's extended family were members of his staff, members of churches served and United Methodist folk within the Pine Bluff District. John loved his family and they knew it. John's family loved him and he knew it.

John was licensed to preach in 1939. His home church was Good Faith United Methodist, Pine Bluff District. He was received into full connection in the Central Texas Conference in 1947 and transferred to Little Rock Conference in 1952. John's appointments in Arkansas were: First United Methodist, Little Rock (Associate) 1952-56; Jackson Street (Asbury), Magnolia 1956-60; First United Methodist, Malvern, 1960-64; First United Methodist, Pine Bluff 1964- 83; District Superintendent, Pine Bluff District, 1983-89; Village United Methodist, Hot Springs Village (Associate) 1989. John was on the staff of Texas Wesleyan College prior to his return to Arkansas. John served on numerous boards and agencies of the Little Rock Annual Conference. He was a member of the Board of Trustees of Hendrix College and of the United Methodist Children's Home.

John received his Bachelor of Science Degree from Texas Wesleyan College in 1944; his Master of Divinity from Perkins School of Theology, Southern Methodist University in 1951 ; and, was awarded the Doctor of Divinity in 1970 by Hendrix College.

John died at Trinity Village, Pine Bluff, on October 12, 1989. The Memorial Service for John was held in First United Methodist Church, Pine Bluff by Bishop Richard B. Wilke, Rev. Fred Arnold, and Rev. George A. Tanner on October 14, 1989.

John loved the United Methodist Church. Although he was an outstanding District Superintendent, he was first and foremost a minister appointed to a local church. He treasured his time with church members and friends. He stayed on the job. He liked to preach. He watched over his church and his district like a father caring for his own. When the folks hurt, he hurt. When the folks were happy, so was he. He was never one to take his responsibilities lightly. Give John an appointment or an assignment and the church received from him the very best that he had to offer. John was not big in statue, but he was a giant among the people called Methodist. Our lives were immeasurably enriched by the time together with him, and we will be forever grateful to God for the life and work of John W. Lindsay.

THE REV. DUDLEY EDWARD MCCULLOCH

Dudley Edward McCulloch served as a Local Pastor in the Little Rock Conference since the beginning of his ministry. Ed had felt the call to preach as a teenager, but because of his health problem, felt that he could not itinerate. God kept calling him and Ed discovered that he could serve part-time living in the Little Rock area. Beginning in 1963, he served the Mt. Pleasant/Mtn View Charge until 1967. In 1968-69 he served the Woodlawn Circuit. In 1969 he became the pastor of the Galloway Church in Little Rock serving for 4 years. In 1973 he began a 10 year ministry at Traskwood-Ebenezer and in 1982 was assigned to the Austin Circuit where he served until he was forced to take disability leave in 1988.

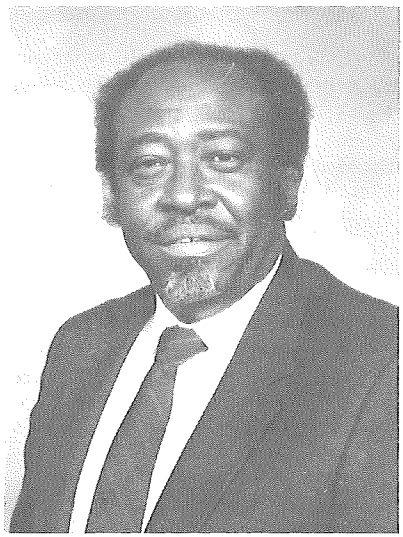

One of the proud accomplishments in Ed's ministry was his ordination as a Local Deacon. He had worked long and hard to complete the educational requirements, taking his vacation time from his full-time employment to attend the summer courses. He was ordained in 1976.

Ed was greatly loved as was his wife, Jayanna, by all whom he served. They were impressed by his faith and dedication and knew that he was often serving them when he himself needed to be cared for.

He was employed by Worthen Bank in Little Rock and served the bank as personnel counselor and chaplain.

Services were held at Pulaski Heights, Ed's "home church" by Dr. John B. Hays, Dr. George W. Martin, and Dr. Gerald Mullikin.

THE REV. VARNELL M. NORMAN

Rev. Varnell M. Norman was pastor of St. Paul United Methodist Church, Maumelle, AR, at the time of his death, June 21, 1989. His funeral was held in St. Paul church and a great congregation was present. The service was led by Dr. Alvin C. Murray, District Superintendent.

Varnell was a true minister of Jesus Christ. He came into ministry through a calling that found him engaged in serving people as a school teacher. He taught schools for 18 years, serving as a science teacher at Cotton Plant, Jones High and Northeast High in North Little Rock. While a teacher at Cotton Plant he was asked to supply some small churches as a Lay Speaker. He soon came to see that his first calling was to the ministry and was approved for license to preach at Duncan United Methodist Church on June 17, 1973.

He served as pastor of White Memorial beginning in 1973 and then followed with pastorates at Wesley Chapel and St. Paul until the time that his body died. He had also taught at Philander Smith College and coached the baseball team. He and his family were known for their musical ability and often were called to sing.

He married Doris after they had met while singing in the Philanders Smith college Choir. They have three children: Varnell Jr., Cassandra "Sandy", and Mark. His father was a Methodist Minister and District Superintendent and so he graduated from the High School at Wewoka, Oklahoma. graduate work at the University of Minnesota. At the time he was called Home, he was working on his Master of Divinity degree at Memphis Theological.

In closing his remarks at Varnell's celebration service, Dr. Murray said, "We can say that his body has died but the great spirit who was and is Varnell is alive and real today. He lives in our hearts and always will. He lives with his Father in heaven and always will. Somewhere he is singing with a great heavenly choir and they proclaim, with great joy, 'The Lord is my light and my salvation ."

THE REV. BEVERLY J. SAWYER

Rev. Beverly J. Sawyer was killed in an automobile accident in Hot Springs, Arkansas, on January 5, 1990. Rev. Sawyer had been appointed to First United Methodist Church in Hot Springs as Associate Pastor at the Annual Conference session in June of 1989, and had won a place of acceptance and love with that congregation. She was known by the youth of the church as "Rev. Bev".

Rev. Sawyer was a graduate of Baylor University and Perkins School of Theology. She entered the ministry of The United Methodist Church as an intern at Lakeside in Pine Bluff in 1979.

In 1980, she was appointed Associate Pastor of Pulaski Heights in Little Rock, where she served with distinction with Dr. James B. Argue, From 1982 to 1984 she served as Senior Pastor of the John Wesley Parish in Little Rock where Dr. Harold Flowers was assigned as Associate. This was a unique charge in Arkansas: Hunter was an integrated congregation, Marks Chapel was a black church and Mt. Pleasant was white. The charge required unusual sensitivity and care which Beverly was to provide. Her ministry there was to have community-wide impact on race relations and social concerns in the community.

From 1984 to 1988 Rev. Sawyer served as Associate Dean of Student Life at Perkins School of Theology in Dallas. After a leave of absence she was appointed to First, Hot Springs.

"Singer of Seasons" had been published while she was serving at Pulaski Heights and contained her Pastoral Prayers which have and will continue to minister to large numbers of persons of special needs. She was able to catch the pain and joy of life and to share with others. In recent years, she had developed a great love of photography and had become quite adept at capturing human emotion and nature's bounty on film.

Her contributions to ministry were marked by her caring spirit, her deep concern for others, and her willingness to share her faith based on her own life's experience.

The funeral service was held at Pulaski Heights United Methodist Church with Dr. James B. Argue, Bishop Richard B. Wilke, Dr. Gerald Mullikin, Dr. John B. Hays, and Rev. Gina A. Teel. A memorial service was held at First United Methodist Church in Hot Springs with Dr. John B. Hays, Rev. Michael R. Clayton and Rev. Carlos Martin. A memorial service was also held at Perkins Chapel, Southern Methodist University, Dallas, Texas.

THE REV. JAMES C. SOUTHERLAND

Rev. James C. Southerland, Jr. was born March 31, 1938 in Little Rock, Arkansas. He died in Memphis, Tennessee on May 23, 1990, while undergoing a liver transplant. He was 52 years of age.

Jim grew up in Little Rock, and began his ministry in 1968, when he was ordained in the Baptist Church. It was also in this same year that he married Nan Hodges. Jim began his Methodist ministry in 1971. During his years of service, he served Calico Rock United Methodist Church; Jacksonville-McArthur United Methodist Churches; Lakewood United Methodist Church, Associate; Mountain View United Methodist Church; Wesley Foundation, Arkansas State University, Directory; Rector United Methodist

Church; Newark United Methodist Church; Parkin United Methodist Church; and Des Arc United Methodist Church.

Jim is survived by his wife, Nan Southerland, and his son, Jamie Southerland, both of Sherwood, Arkansas.

During the attempt to transplant a healthy liver to replace his failed one, Jim died to this life; and "... a final act, not of his own choosing, permitted [the] liver to be used for another woman or man somewhere else... His living and his dying reflected the cross of Christ, for in both his living and dying he gave life to others: while alive because he broke the bread of life; while dying because his death permitted another to live...that which is dead to the world bears the mark of life" (From the funeral sermon given by Rev. Bill Stroud, May 25, 1990).

Funeral services were held May 25, 1990, with the Reverands Bill Stroud, Suze Anderson, and Alvin Murray officiating. Burial was at Rest Hills Memorial Park.

> *"But we have this treasure in clay jars, so that it may be made clear that this extraordinary power belongs to God and does not come from us. We are afflicted in every way, but not crushed; perplexed, but not driven to despair; persecuted, but not forsaken; struck down but not destroyed; always carrying in the body the death of Jesus, so that the life of Jesus may also be made visible in our bodies. For while we live, we are always being given up to death for Jesus' sake, so that the life of Jesus may be made visible in our mortal flesh. So death is at work in us, but life in you."*

DORA LEE BARRON

She was born May 16, 1923, in Bayard, Nebraska, the daughter of Claude H. Trickett and Iva S. Cowley Trickett. She was the middle child of five sisters. She had two older sisters who survived her who were twins. They are Miriam Riordan of Dallas, Texas, and Phyllis Van Pelt of Little Rock, Arkansas. Her younger sisters were also survivors of her and their names are Rita Sapp of Athens, Texas, and Mary Edith Staples of Jacksonville, Arkansas.

The family moved to Little Rock in 1930 and Dora Lee grew up in the Heights on Stonewall Street. She went to Forest Park Elementary School, Pulaski Heights Junior High, and graduated from Little Rock High School in 1940. While growing up she was a member of the Forest Park Methodist Church. This church has since moved to Durwood Road and is now St. Paul United Methodist Church.

She met her husband to be Rev. Bill Barron, who still survives her, at a Sunday School Party at Forest Park Methodist Church in the home of Bill's sister, Carra Neal Thomas in June of 1939. It was at this party Bill was asked to be the teacher of her Youth Class. October 27, 1939, Bill and Dora Lee began to date and a year later on November 9, 1940, they were married in the Forest Park Methodist Church. That church building is now a Masonic Lodge at Cantrell and Pierce.

They lived in Little Rock for seven years until Bill entered the ministry. Bill worked for Blass and served in the Air Force during the World War II and Dora Lee worked for J. C. Penny's for a year. In 1941 she bore their first son, Wiley Lee. Claude Edward was born in 1944, Iva Elaine in 1949, and their last child

Jo Anne in 1950. They are all grown and married today. She had five grandchildren, one of them Scott Edward Keys, preceeded her into heaven. She gave all of them special names - Amanda was her joy, Melissa was her dream, Kevin was her delight, Scott was her angel, and Allen was her desire. They were her love and life.

Dora Lee served along side her husband for 30 years in ministry in the United Methodist Church. Her parsonage home was open to all and she held many events there. They served in apppointments on the Austin Circuit, Taylor, Marysville, Carthage, Thornton, Hermitage, Wilmar, Tillar, Rison, Parker's Chapel, Few Memorial in Texarkana, Keith Memorial in Malvern and the Leola Charge. They retired from the active ministry at the Annual Conference Session of 1979.

They retired in Little Rock and joined Asbury United Methodist Church. For a few years they moved to Harrison but in August of 1986 they returned to Little Rock and Asbury. She was active in the Robert Moore Bible Class of Asbury and served as Secretary for two years. She loved the class and the church. She was also a part of the Quilters of Highland Valley United Methodist Church. Dora Lee spent her retired years, like she spent her life, taking care of Bill, her home, and her host of friends. She loved her grandchildren, her family, and her Lord.

She joined the church as a child, was active in the Sunday School, and taught the Primary Class of the Forest Park Methodist Church Sunday School. Two young men entered the ministry out of her classes. They were Rev. Albert Elder and Rev. Eugene Efird. She lived her life close to God and to the work of the church. She gave of herself entirely to God's purpose.

On April 7, 1990, God came to take her to heaven. The Memorial Service for her was held at Asbury United Methodist Church by the Rev. Louis L. Averitt on April 10, 1990. The internment was in the National Cemetery in Little Rock. A large crowd was on hand to attest to her faith and to the number of lives she had touched. Her children shared in the service with a special tribute to her with the playing and singing of a selection of her favorite hymns. Thanks be unto God for her life. Well done good and faithful servant now enter into the Reward for a life well lived. Blessed be the dead who die in the Lord that they may rest from their labors and their works to follow them.

ANNIE LEE SINCLAIR BOLDING

Annie Lee Sinclair Bolding, widow of the Reverend John Thomas Bolding, was born September 26, 1894. She was the daughter of the late Susan Etta Wooten and Lee Temple Sinclair. From earliest childhood she was deeply rooted in The Methodist Church.

On January 23, 1913 she was to married John Thomas Bolding of Bolding, Arkansas. For sixty nine years the two walked through life sharing it all together....as much one mind and one heart as two people can be in living for each other and yet opening their lives to let other people in.

Into this union were born four children: Perry M. Bolding, El Dorado, AR; Merrill S. & John W. (both deceased); and Virginia Bolding Hunter, Texas City, TX. The Christian witness of the Boldings is easily seen in the complete devotion of their children and grandchild to the Church.

Annie Lee Bolding was active in all phases of the work of the church until failing health prevented her involvement the last few years of her life. She was a Charter Member of St. Paul United Methodist Church, El Dorado, and supported it with her presence, her gifts, her service and her prayers. She was a tremendous help to her husband's ministry because of his failing eyesight. She drove him many miles in visiting the sick and unchurched.

One of my favorite poets is Tennyson. Over many years he developed the kind of faith Solomon wrote about in Proverbs. Life was nearly over for Tennyson but he had no fear. One day he was thinking of those lines which John Donne had written..."Death, be not proud....one short sleep past, we wake eternally, and Death shall be no more." And Tennyson thought of the narrow strait that separates the Isle of Wright from England. Many times returning home he had seen the beautiful sunset, heard the evening bells, the "moaning of the bar". The end of his life would be like that he imagined....a brief crossing in the twilight, the moving tide, the evening star and then home! Such was the death of Annie Lee Bolding.

On Sunday night, November 11, 1989, she experienced the crowning event of her life....entry into the eternal Kingdom of God where today she is sharing the joy of living in His eternal presence!

The service celebrating her Christian Victory was held at her beloved St. Paul United Methodist Church in El Dorado on November 14. Her pastor, the Reverend Larry Williams and her former pastor, the Reverend Donald F. Nolley officiated at the service. Her earthly remains were interred alongside her beloved John Thomas in Memory Gardens in El Dorado.

LUCILLE TRIPLETT CLEGG

Lucille Triplett Clegg, age 97, died September 25, 1989, at her home in Magnolia. She was the widow of Dr. Leland Clegg, who died in 1977.

Mrs. Clegg was born at Harperville, Mississippi, September 5, 1892. She was the daughter of Oliver B. and Elizabeth (Beaman) Triplett. She was a member of First United Methodist Church, Magnolia. She was a graduate of Mississippi State College for Women (now Mississippi University for Women).

During the 60 years she and her husband were active in the church, they served in the Mississippi, Louisiana, North Arkansas, Little Rock, New Mexico and Oklahoma Conferences. He served as District Superintendent of the Pine Bluff and Camden Districts and of the Oklahoma City District twice.

Mrs. Clegg was a parsonage wife. Being of a reserved nature, and, although totally loyal to her church, she confined her personal offices to teaching classes of children. She was a constant companion in home visitations.

She is survived by her children, Mary Elizabeth Holmes of Little Rock and Oliver M. Clegg of Magnolia and five grandchildren.

"Tender, tender comrade, wife,
a fellow-farer true through life."
R.L. Stevenson, My Wife
Oliver M. Clegg

FAYE H. HOLLAND

Faye H. Holland, widow of Rev. Clarence B. Holland, joined the Church Triumphant on December 13, 1989. Mrs. Holland suffered a fall at her home just after returning from morning worship. She was always in the congregation and praying for God to use the message and the pastor for the saving of souls.

She was active in First United Methodist Church at Hot Springs and a member of Extra Years of Zest, The Wesley Philathea Sunday School Class, the United Methodist Women, and the Work Area on Missions. Sister Faye had her own ministry. She kept everyone in the church busy collecting soup labels, used clothing, seeds, blankets, used stamps and other items of value. These she shipped to Red Bird Mission, McCurdy School, Four Corners Native American Mission, Gardens Against Hunger, Heifer Project International, etc. She kept those in need constantly before us and for a number of years spent several hundred dollars of her retirement income paying the shipping costs for the items. When the church became aware of her unselfishness, we established a line item in the budget: Faye Holland's shipping fund.

She had served the church as a parsonage help mate to her husband and after his death continued her own sweet-spirited witness. In a final generous act her family shared Brother Holland's library with a number of young pastors in the Hot Springs area.

Services were held in First United Methodist Church of Hot Springs with Rev. Carlos Martin and Dr. John B. Hays. She was buried at the "home place" in the cemetery at the Amity United Methodist Church.

She held offices at the local, district, and conference levels of the United Methodist Women, and its predecessor organizations. In the local church, Eva worked in children's and youth ministries, and was active in the camping program of the church.

As Eva and Everette moved back to Bono, in their retirement years, they remained close to the ministers and spouses of the Jonesboro District. Eva loved people, especially United Methodist laity and clergy, and was always happiest in her church and its activities.

Everette Patton, Sr., of the home; one son, Clarence Everette Patton, Jr., of Newport; two daughters, Barbara Elizabeth Jenkins of Batesville, Miss., and Judith Patton Davison of Pine Bluff; one sister, Billie Norwell of Memphis, Tenn.; eight grandchildren; and three great-grandchildren.
