The bishop called on Chris Cooper, Conference Secretary, to instruct the Annual Conference on voting procedures. Chris indicated that there will be 4 Clergy and 4 Lay Delegates to General Conference, and 3 additional Clergy and 3 additional Lay Delegates to Jurisdictional Conference, for a total of 7 Clergy and 7 Lay Delegates to Jurisdictional Conference. The first 3 clergy and lay delegates elected to Jurisdictional Conference will be the alternate delegates to General Conference, in the order of their election. After the election of the 4 General and 3 Jurisdictional Conference Clergy and Lay Delegates, 2 alternate Clergy and Lay Delegates to Jurisdictional Conference will then be elected.

1. Each member of the Conference (Lay and Clergy alike) will be given a ballot book. Blue Ballot books will be for Clergy; White Ballot books for the Laity. Clergy vote for Clergy, and Laity vote for Laity. Members of the Conference should keep their ballot book with them at all times during the session. Should a lay member leave the floor at any time, their name tag (which is used by the teller to indicate they are entitled to vote) and their ballot books should be given to the Alternate member from their charge.
2. The Chair will specify, as each ballot is announced, how many are to be elected on that particular ballot. For example on Ballot #1, the instructions to both Clergy and Lay Members will be:

"Ballot #1 for lay delegates to General Conference. Vote for 4. Ballot #1 for clergy delegates to General Conference. Vote for 4."
3. As persons are elected the number to be voted upon will change accordingly and will be announced by the Chair. This voting procedure will continue until all Delegates and Alternates to General and Jurisdictional Conferences are elected.
4. A BALLOT WILL BE INVALID IF:
 - a. Votes are cast for more or less persons than the number announced to be elected. For example, if instructions from the chair call for three to be elected and four are voted for, the ballot will be invalid. Or if instructions from the chair call for three to be elected and 2 are voted for, the ballot is invalid.
 - b. The writing and spelling is such that two tellers cannot agree as to the name intended.
 - c. A wrong numbered page from the ballot book is used. For example, if instructions from the chair are: "Ballot #1," and page #3 from the book is used, the ballot will be invalid. (Note: no one should give someone else a page from their book.) If a mistake is made on a particular page, see one of the tellers.
 - d. Lay vote for a Clergy candidate, or if a Clergy delegate votes for a Lay candidate.
5. As each ballot is announced, the Chair will indicate the ballot being reported, the number of votes needed to be elected, the name of the person elected, if any, and the number of votes that person received. For example, if Lay Ballot #1 is being reported, it shall be said, "Lay Ballot #1, needed to elect 300, elected 'John Doe' with 151 votes." At this point a full report of the ballot will be placed on an overhead projector for all to see, and the list will be read.
6. Election tellers for the counting of ballots will be selected by the District Superintendents to insure equal representation throughout the districts of the Little Rock Conference. They shall select and secure agreement to serve 2 Clergy from each district and 2 Laity from each district, who do not have to be members of the Annual Conference. The Cabinet will select the Head Tellers for the Clergy and Laity Election, who shall be members of the Annual Conference. The Head Tellers will supervise the election tellers, and shall report elections to the Chair.

B. LITTLE ROCK CONFERENCE RESOLUTIONS

RESOLUTIONS #1 - ON ABORTION

WHEREAS the United Methodist Church affirms in its Social Principles that all matters fall under the rule of a loving God, Creator of all life, we accept our fullest human responsibilities of stewardship and care for all life.

THEREFORE, BE IT RESOLVED:

- 1) That the Little Rock Conference strongly recommend to each local congregation and to each appointed minister the use of the official United Methodist curriculum on sexuality for all ages on a regular basis.
- 2) That such curriculum use shall always include discussion of

¶ 71 G Abortion - "The beginning of life and the ending of life are the God-given boundaries of human existence. While individuals have always had some degree of control over when they would die, they now have the awesome power to determine when and even whether new individuals will be born. Our belief in the sanctity of unborn human life makes us reluctant to approve abortion. But we are equally bound to respect the sacredness of the life and well-being of the mother, for whom devastating damage may result from an unacceptable pregnancy. In continuity with past Christian teaching, we recognize tragic conflicts of life with life that may justify abortion, and in such cases support the legal option of abortion under proper medical procedures. We cannot affirm abortion as an acceptable means of birth control, and we unconditionally reject it as a means of gender selection. We call all Christians to a searching and prayerful inquiry into the sorts of conditions that may warrant abortion. Governmental laws and regulations do not provide all the guidance required by the informed Christian conscience. Therefore, a decision concerning abortion should be made only after thoughtful and prayerful consideration by the parties involved, with medical, pastoral, and other appropriate counsel"

and the diversity of Christian opinion, with emphasis on theological and moral issues.

- 3) That all pastors address sexuality issues on a continuing basis in all aspects of their ministry, i.e., in worship, Sunday School, youth, UMW, UMM, administrative board/council on ministries.
- 4) That each congregation shall offer educational opportunities using such curriculum at least every four years to all the various age groups within the worship family.
- 5) That the Little Rock Conference through the Boards of Education, Ordained Ministry, and Diaconal Ministry, shall provide and require continuing education opportunities in the area of sexuality by 1994 for all appointed ministers. And, that these education opportunities be offered to others serving in education/youth staff positions at nominal cost.
- 6) That all ordained clergy complete UM training in sexuality by 2000. That all diaconal ministers complete UM training in sexuality by 2000.

Approved by the Little Rock Conference, June 1991

RESOLUTION #2 - ON ABORTION

That United Methodist related hospitals shall abide by the nondiscrimination requirements of ¶815, especially in regards to provision of health care for those least able to afford it.

That United Methodist related hospitals shall offer pastoral counseling to all persons seeking birth control and medical care following conception.

That United Methodist related hospitals shall participate in pro bono education in the communities served which shall address sexuality and especially birth control, abortion, and family planning, sexual diseases, and family life, emphasizing theological and moral issues with reference to ¶71G.

That the United Methodist related facilities for unwed mothers be promoted at least annually in United Methodist publications including but not limited to youth magazines, Sunday School materials, and The Interpreter.

That adoption be promoted as a faithful witness to Christ and an alternative to abortion.

That congregations actively support those who choose to share in adoption.

A RESOLUTION ON THE STEWARDSHIP OF THE ENVIRONMENT

WHEREAS Psalm 24:1 states, "The earth is the Lord's and the fullness thereof..."

WHEREAS Genesis affirms that every person is created in God's image and being created in God's image brings with it the responsibility to care for God's creation.

WHEREAS to have dominion over the earth is a trusteeship, a sign that God cares for creation and has entrusted it to our stewardship.

WHEREAS as stewards of the natural environment we are called to preserve and restore the very air, water and land on which life depends.

WHEREAS many of today's "environmental problems" have their roots in humanity's shortsighted use of God's creation.

WHEREAS with new hope rooted in Christ and with more obedient living as stewards of the earth, the creation can be healed.

THEREFORE, BE IT RESOLVED,

that local churches of the Little Rock Conference be called upon to actively support community, state, national and global programs designed to safeguard the environment. Specifically this will include:

1. Responsible use of resources.
2. Careful use of chemicals applied on land, forests and vegetation.

3. Thorough and intentional planning for disposal of radioactive and toxic waste to protect water and air resources.
4. Educational programs to alert citizens of the adverse impact of technological advances and military activities on the environment.
5. Local congregational efforts to participate in recycling programs and to discourage the use of products that are non-biodegradable until recycling of such products becomes more feasible.

Approved by the Little Rock Conference, June 1991

RESOLUTION ON CAPITAL PUNISHMENT

WHEREAS the stand on Capital Punishment of the United Methodist Church is for its "elimination from all criminal codes." Par. 74, page 108 (F) The Book of Discipline 1988; and

WHEREAS in the same paragraph we speak to the issue of care and support of the victims of crime; and

WHEREAS the General Conference is the only body of the United Methodist Church who can speak officially for the Church.

THEREFORE, BE IT RESOLVED

that the Little Rock Annual Conference support and affirm the position of the social principles of the United Methodist Church in the Book of Discipline on capital punishment by opposing it and seeking ways to eliminate it from our criminal codes in Arkansas.

Approved by the Little Rock Conference, June 1991

RESOLUTION ON OLDER ADULT MINISTRIES

WHEREAS 43% of United Methodist Church members in the United States are 55 years or older; and

WHEREAS an increasing number of older adults need opportunities to reaffirm their faith and commitment to Christ at this significant time in their lives and;

WHEREAS both the 1984 and 1988 General Conferences have adopted a "Resolution on Aging";

THEREFORE, BE IT RESOLVED

that the Little Rock Annual Conference go on record as supporting legislation to General Conference for the formation of a Committee on Older Adult Ministries.

Approved by the Little Rock Conference, June 1991

RESOLUTION - PHILANDER SMITH COLLEGE

WHEREAS Our Conference, until recently, has given nothing to Philander Smith College over what we gave to the Black College Fund. The Black College Fund is a General Church Apportionment and we are obliged to pay it as a part of our connectional ministry.

WHEREAS Recently, we as a Conference have been giving some to Philander Smith. Last year we gave eleven thousand dollars. The question that we as a Conference must decide is, whether or not Philander is our college. In 1972 the Little Rock Annual Conference incorporated the Black Methodists from the segregated Southwest Conference, after a century of being separated. However, we did not at that time, or since, consider Philander as also a part of our Conference. Is Philander a part of our Conference? Not perhaps to the white members, but certainly to the black. Ask Rev. C. E. McAdoo or, Dr. Charles Donaldson or, Dr. Jocelyn Elders who are Philander Smith graduates and active United Methodists.

WHEREAS Philander is a college we can take pride in. Last year they graduated nearly 20% of all black college graduates in Arkansas. Some have suggested that they do not handle their money well. Yet they educate 740 students, many from a low income background, for 3.5 million dollars. Check around, that is a real bargain. Also, for the past four years they have operated in the black.

WHEREAS Many in our Conference believe it is time for The Little Rock Annual Conference to recognize that we have two fine United Methodist Colleges in our state.

THEREFORE, BE IT RESOLVED

that the Little Rock Annual Conference pledges to enter into a partnership with Philander Smith in their ministry of education to minority students. We will support them by learning more about their unique ministry.

We will interpret that ministry to our congregation, and we will encourage our people to lift up Philander with their prayers, their presence, their gifts, and their service.

Approved by the Little Rock Conference, June 1991

A PROPOSAL CONCERNING PRIORITY PROGRAMMING

BE IT RESOLVED THAT:

The Sunday School '91 Priority be continued through the calendar, 1992, as a conference priority, or, in the event that North Arkansas wishes to continue cooperation on this effort, as an area priority;

A new quadrennial priority, Vital Congregations - Faithful Disciples, be implemented for the quadrennium, 1993-96, focusing each year on a major aspect of congregational vitality and worship, beginning in 1993, with a priority addressing 'worship and music.'

Thoughts Concerning Implementation:

The Sunday School '91 task force be asked to continue its work through 1992.

A task force be appointed immediately to begin work on implementation of the quadrennial priority, Vital Congregations - Faithful Disciples. This task force will be asked to select one aspect of congregational vitality for focus each year. Some possibilities might include: worship and music, worship and evangelism, worship and stewardship, worship and the sacraments, worship and preaching, and worship and covenant discipleship.

The task force be asked to follow this time line: submit for the approval of the annual conference, eighteen months in advance, the focus and general direction for a particular year, and be prepared to report to the annual conference in June, in detail, the fully planned program for the following year. This will enable local churches to coordinate their program planning with the program planning of the annual conference.

The CCOM approach Bishop Wilke about the possibility of following the Sunday School '91 strategy of aligning the Bishop's Five Star Plan of Excellence with the conference priority program, and ask Bishop Wilke to announce the Five Star goals for the coming year at annual conference. This, too, will enable local churches to coordinate their program planning with the Bishop's Five Star Plan of Excellence.

Benefits of this Strategy:

This strategy offers our conference the opportunity to capture the momentum of The Gathering, to embrace the Council of Bishops' call for Vital Congregations and Faithful Disciples, and to fulfill our most basic responsibility to resource the local church. It begins with a recognition of worship as the primary task of the church, and again following the example of the Foundation Document, "Vital Congregations -Faithful Disciples," addresses significant elements of congregational vitality and faithful discipleship in the context of worship.

RESOLUTION ON THE STUDY OF MINISTERIAL SALARIES

WHEREAS Arkansas is primarily a rural, agricultural state with the majority of United Methodist churches being those which contain fewer than 100 members.

WHEREAS this state has been plagued with spring flooding and summer drought,

WHEREAS these disasters, as well as other documented events which make up the "farm crisis" has stripped the family farm not only of its current economic status, but will continue to stress many Arkansas families well into the twenty first century,

WHEREAS the Arkansas Delta region has one of the highest rates of unemployment in the nation and continues in an unending economic downturn, with extensive joblessness,, leading to many families being displaced into urban parts of the state, causing metropolitan area churches to ever expand their ministries to the homeless (which increasingly has become whole families in need),

WHEREAS ministerial support must be maintained in all local churches, from the smallest membership to the tallest steeple as a part of the United Methodist heritage and tradition,

WHEREAS ministerial salaries are often the first item to be limited in small churches and the last item to be capped at the district and episcopal levels,

WHEREAS our District Superintendents salaries for 1991 were approved at \$60,380 which exceeds the entire budget of the majority of local churches in the Little Rock Annual Conference reported in the 1990 Journal (1989 Statistical Tables, item #58, pages 275-304).

THEREFORE, BE IT RESOLVED

that a task force be formed to study ways to bring about pastoral salary equity and report back to the 1992 session of the Little Rock Annual Conference.

Approved by the Little Rock Conference, June 1991

A RESOLUTION ON SUBSTANCE ABUSE/RECOVERY

WHEREAS the high incidence of substance abuse (alcohol and narcotics) continues to grow in our communities.

WHEREAS many of our families are touched by these problems (as well as numerous others in our communities).

WHEREAS a part of our Christian responsibility is to minister to our sisters and brothers at the point of their need.

THEREFORE, BE IT RESOLVED

that local churches support programs and agencies that are involved in Recovery Groups, such as the 12 Step programs and that churches be encouraged to allow such groups to meet in their facilities.

Approved by the Little Rock Conference, June 1991

A RESOLUTION ON RELIGIOUS SUPPORT FOR PERSONS IN THE MILITARY

WHEREAS The United Methodist Church has historically and disciplinarily *"opposed all war, called for the elimination of war, violence, and forced coercion in international affairs,"* but

WHEREAS The United States of America after exhausting all possible diplomatic measures with Iraq, and

WHEREAS The United Methodist Church has extended its support to **all persons**, including those *"who conscientiously oppose all war, or any war"*, and **THOSE persons** *"who conscientiously choose to serve in the armed forces or to accept alternative service"*, and

WHEREAS The United Methodist Church has had many members serving in Desert Shield and Desert Storm, and many still involved in Desert Calm, both here and abroad,

THEREFORE, BE IT RESOLVED

that the Little Rock Conference, Commend the work of our United Methodist Chaplains in providing religious support and moral encouragement to our military personnel, especially those United Methodist Chaplains serving from the Arkansas Area:

BE IT FURTHER RESOLVED

that the Little Rock Conference call upon all its churches and members to joyfully and prayerfully support all the military personnel who have served from their community in this International Crisis, with particular interest in helping Reservist re-orient themselves back in their community with all the benefits, job security, and community appreciation for the sacrifices that they have made during this crisis.

C. RESOLUTIONS TO BE SENT TO GENERAL CONFERENCE BY THE LITTLE ROCK CONFERENCE

A RESOLUTION ON BAPTISM AND CONFIRMATION

WHEREAS the United Methodist Church has been described in terms of a "catholic-evangelical" tradition, incorporating notions of the power of sacramental grace and justifying and sanctifying grace; and

WHEREAS this "catholic-evangelical" tradition creates a healthy tension within United Methodist doctrine and practice; and,

WHEREAS United Methodists affirm infant baptism as an outward sign of God's unmerited grace, and at the same time affirm that membership in Christ's church is granted to persons who "commit themselves to Jesus Christ as Lord and Savior," and have "confessed their faith in Christ and have made known their desire to assume the obligations and become faithful members of The United Methodist Church." Paragraph 216, The Book of Discipline of the United Methodist Church.

THEREFORE BE IT RESOLVED,

that the Little Rock Annual Conference petition the General Conference to retain infant or "household" baptism as a sign of God's unmerited love, but also retain the practice of granting church membership to those who, having attained the age of accountability, have professed faith in Jesus Christ.

Approved by the Little Rock Conference, June, 1991

A RESOLUTION ON COCU

WHEREAS The United Methodist church has a long and faithful tradition of ecumenical cooperation and involvement and has contributed invaluable leadership in the Consultation on Church Union, and

WHEREAS The United Methodist Church has been moving toward entering into covenant communion undergirded theologically by the document The COCU Consensus (adopted by General Conference, 1988) and described in the document Churches in Covenant Communion, currently under study, and

WHEREAS The Council of Bishops, having met in May, 1991, celebrates God's call to the concept of covenant relationship expressed in Churches in Covenant Communion and has raised specific issues needing clarification, and

WHEREAS Christian unity and ecumenism shall be concerns of the Church of Jesus Christ until the Last Day,

THEREFORE BE IT RESOLVED,

That the Little Rock Annual Conference supporting the work thus far of the Consultation on Church Union, petition the General Conference to accept the recommendations of the Council of Bishops and prepare to act on the COCU proposals in 1996.

Approved by the Little Rock Conference, June 1991

A RESOLUTION ON GENERAL CONFERENCE APPORTIONMENTS

WHEREAS the cost and complexity of the administration of the United Methodist Church at large is a great concern to United Methodist persons everywhere; and

WHEREAS the same concerns exist on the Annual Conference and local church level as well; and

WHEREAS there is a continuing problem with local congregations and Annual Conferences achieving their goals in terms of the apportionments assigned by the General Conference;

BE IT THEREFORE RESOLVED,

that there be no increase in the General Conference apportionments during the next quadrennium.

RATHER

as all levels of the church seek to achieve 100% payment of the apportionments already assigned, the results will create a greater sense of success, not only in terms of the increased funds raised for the work of Jesus Christ in the General Church, but also a better stewardship of United Methodist time, talent and money.

Approved by the Little Rock Conference, June 1991.

A RESOLUTION ON HOMOSEXUALITY

WHEREAS in the 1984 and 1988 General Conferences, delegates voted overwhelmingly to retain paragraph 71F of the Book of Discipline, including the affirmation that "although we do not condone the practice of homosexuality and consider this practice incompatible with Christian teaching, we affirm that God's grace is available to all."

THEREFORE, BE IT RESOLVED

that the Little Rock Annual Conference petition the General Conference to retain this current language of paragraph 71F, and also recommend that no task force or study group on this issue be impaneled or funded for the next quadrennium.

Approved by the Little Rock Conference, June 1991

AREA COMMUNICATIONS

The Area Committee on Communications consists of the joint Committees on Communications of the two Annual Conferences. The Arkansas Area Communications program covers three main areas;

1. Arkansas United Methodist Newspaper
2. Arkansas Area Resource Library
3. Arkansas Area Production Center

ARKANSAS UNITED METHODIST:

Happy birthday, *Arkansas United Methodist!*

1991 marks the 110th year the *Arkansas United Methodist* has served as the official newspaper of the Arkansas Area United Methodist Church. The first issue of the *Arkansas United Methodist* was published in 1881, when Arkansas was still a rugged, largely unsettled territory filled with hearty pioneers and a handful of Methodist circuit riders. Who would have guessed that this religious publication would have endured for more than a century? But endured it has, and the proud tradition continues.

Today, the *Arkansas United Methodist* is recognized as one of the leading denominational newspapers in the nation. The tabloid-size newspaper is published twice a month, for a total of 24 issues a year. It goes out to nearly 11,000 United Methodist households in the state and nation.

The *Arkansas United Methodist* contains the most up-to-date news and features on Arkansas congregations, church leaders and church activities and events, as well as national and international religious news. It is an outlet for information about the many programs and ministries of the church, as well as a forum for expressing opinions and viewpoints.

The publication is locally produced from offices located in the United Methodist Center, Little Rock. For more information call 374-4831. Jane Dennis has served as editor since 1988.

ARKANSAS AREA RESOURCE LIBRARY:

The Area Resource Library maintains a collection of videotapes, audio tapes, films, filmstrips, slides and other audio/visual materials and equipment. The library loans these resources to United Methodists in Arkansas at no charge. There is a wide variety of topics to choose from; children, youth, missions, church history, Christmas, Easter, confirmation, family issues, special programs of the church (local, state, and national), and many more. Catalogs and updates, describing the library's latest additions, are available upon request. Selected resources are featured each month in the Arkansas United Methodist newspaper column.

This year the Resource Library began using a computer for scheduling, inventory, and updates. This addition has greatly increased the library's efficiency.

The Area Resource Library is an essential communications tool for United Methodist Churches across the state.

Library hours are 8:30a.m.-2:30p.m. Monday through Friday. For more information call the Resource Librarian, Gloria Caldwell, at 370-4011.

ARKANSAS AREA PRODUCTION CENTER:

The Area Production Center, an in-house facility, produces quality printed materials needed to accomplish adopted Council on Ministries programs of the Arkansas Area. The Production Center has proved to be an integral and economical production tool to United Methodist programs.

The Production Center produces materials for other agencies and local churches of the Annual Conference, as time allows.

Located in the United Methodist Church Center in Little Rock, the Production Center employs a full-time supervisor, and a permanent part-time production assistant. The Production Center is available for typesetting and layout, printing, bindery work, and distribution. Contact Laura Organ, supervisor, at 370-4006 for more details.

WORK AREA ON CHRISTIAN UNITY AND INTERRELIGIOUS CONCERNS

At the 1990 session of the Annual Conference 25-30 copies of **Churches in Covenant Communion: The Church of Christ Uniting (CIUC)** were distributed. Additional copies have been made available by mail since that time (although a few names were lost through computer operator error.)

We have produced an audio-visual resource (slides on VHS) featuring five clergy speaking to the different components of the covenanting proposal from the Consultation on Church Union. This resource will be running in the CUIC display at Annual Conference. It is also available from the Conference Resource Center or from Don Armstrong, CUIC Chair.

Our gratitude to each who consented to speak on tape and who provided together a diverse perspective on the proposal before us:

Rev. Joseph Tucker, Episcopal Priest, retired, Pine Bluff
 Claiming Our Unity in Faith
 Commitment to Seek Unity with Wholeness
 Formation of Covenanting Councils

Rev. John Good, Rector, Grace Episcopal Church, Pine Bluff
 Mutual Recognition of Members in One Baptism

Rev. Donn Walters, Arkansas Presbytery Office, Little Rock
 Mutual Recognition of Each Other as Churches
 Formation of Covenanting Councils

Rev. Arnold Nelson, Pastor, Pulaski Heights Christian Church
 Mutual Recognition and Reconciliation of Ordained Ministry

Rev. Rock Jones, Associate Pastor, Lakeside United Methodist Church, Pine Bluff
 Engaging Together in Christ's Mission

We also propose a petition to General Conference in Support of the Covenanting Process as recommended and approved by the 17th Plenary Session of the Consultation on Church Union. (Please see section on **Resolutions and Petitions**).

Chair of Christian Unity and Interreligious Concerns

BOARD OF DIACONAL MINISTRY

PURPOSE

The purpose of the Conference Board of Diaconal Ministry is to study the needs and resources of the Conference, relative to professional careers and to interpret Diaconal Ministry throughout the conference, to seek to enlist persons of all races and ethnic origins; to guide persons interested in these careers through the process of training, certification, and consecration. The Board shall also assist in the personal/professional growth of certified and consecrated professionals in the church.

GOALS

The goals of the Board in the 1988-92 quadrennium have been to administer records and maintain standards, interpret Diaconal Ministry and the certification process, to expand Arkansas' settings for lay professional ministry, and to improve support systems for persons in forms of diaconal ministry.

RECORDS AND STANDARDS

The Board now requires documentation of ten hours of instruction of continuing education required of consecrated and certified persons and is developing guidelines for appropriate continuing education.

A one-time psychological examination is required of all candidates for diaconal ministry.

INTERPRETATION

Our annual meeting with the bishop and cabinet is helpful in our understanding and complementing one another.

The Board has studied and responded to the draft of the Commission on the study of ministry.

RECRUITMENT

We have distributed a video that has been used in Wesley Centers, have placed an advertisement in the Arkansas United Methodist and have secured a grant from the Ethnic Concerns committee of the Division of Diaconal Ministry. Under this grant, Josephine Bell will work at New Haven UMC, accountable to a lay advisory committee and to the Board of Diaconal Ministry. If the subsequent plan of the grant is funded, we will work out ways to network to resource other ethnic churches and lay workers.

SUPPORT SYSTEMS

We mailed to Staff\Pastor parish Committees guidelines on hiring, evaluation, termination, personnel policies and job descriptions for lay professional staff. Part of the Board attended jurisdictional training that included conflict resolution methods (among staff and conference levels.) We sponsored "Resolving Destructive Conflict" April 17. We are working with the Pastor's School Board to design an event that will be a true Conference on Leadership in Ministry.

SCHOLARSHIP FUND

The Board of Diaconal Ministry maintains a scholarship fund for persons in certification and candidacy studies and for continuing education for diaconal ministers. Applicants may receive up to \$300 a year, granted on the basis of need and availability of funds.

Applications for aid shall be sent to the Vice Chair of the Board, Evy Lamb, 705 S. Grand Avenue, Stuttgart, AR 72160.

BOARD OF EDUCATION

The goal-oriented items in the Board of Education program plan adopted at the 1989 Annual Conference continue to be the major concerns working toward more effective Christian education in our local churches.

A couple of major achievements during the 1990-91 program year are worthy of particular emphasis:

1. While the quantity of campers and participants in the increasing variety of outdoor ministries is so outstanding, perhaps the quality of camps and camp experiences more markedly reflect the superior leadership of the Coordinating Committee on Camping. A more complete report on this ministry is included separately.
2. According to most reports, the current Conference Priority, "Reach Out," is being received enthusiastically by representatives of most local churches in a series of workshops being conducted by trained leaders in each District on a sub-district or charge-cluster basis.

In most instances the report is that the district leadership has caught the vision of bringing into the Fellowship a major portion of the great horde of unchurched neighbors in every congregational neighborhood across the conference.

New resource materials are continuing to be made available for those who have sowed their good seed and now can use an inspirational nurture for better cultivation and ultimate harvest.

3. While one of the tenets of the vision statement is that "effective Christian education for all people is perhaps the most important activity, opportunity and challenge in our society," this year is witnessing and experiencing the unveiling of a portion of the findings of a 3 1/2 year research study which up-front states unequivocally that "Christian education is the most powerful single influence congregations have on maturity of faith." (underlining added for emphasis.)

As the door continues to open wider on the wealth of valid information and materials from such research we are able to identify the factors needed for effectiveness in Christian education, and which may not currently be operating in large numbers of congregations.

The challenge now is to heed the call for strengthening Christian education with assurance that many of the problems plaguing the church may be arrested and we can achieve a dramatic increase in the percent of members involved and in attracting additional members by offering them a more appealing program to satisfy an awakening thirst to learn more about the Bible and the teachings of Jesus as a guide for daily living.

Mort S. Cox, Chairman

TASK FORCE ON FAMILY LIFE MINISTRY

The Conference Family Life Ministry coordinators' task force has accepted its responsibility to serve as an advocate for family life by identifying needs and concerns of families, collecting and disseminating information on programs for families, encouraging exploration of biblical, theological and experiential understandings of family life and other responsibilities as provided in The Book of Discipline. The task force consists of the following district coordinators:

Sue Crutchfield, Arkadelphia
 Albert Marlar, Camden
 Delia Hendrix, Hope
 Cathy Drilling, Little Rock
 Rev. Charles Thompson, Monticello
 Rev. David Deere, Pine Bluff

In recent research, it has been found that fewer than 27% of the households in the United States are nuclear families, which is idealized to be the norm for family composition. For this reason and numerous other reasons, families today are in crisis. Hence, the Family Life Ministry coordinators have begun to brainstorm to provide programs and projects that will serve to strengthen family life in our conference and districts that will make a difference in alleviating some of the current existing problems.

In April 1991, one of the coordinators will attend "Families 2000" in Chicago, Illinois to receive updated information that will strengthen our own knowledge base for carrying out the goals that we shall set

for 1992. It is the consensus of the group that as people of God, we can begin to help to bring about some positive change through our work in this age-level in the not-too-distant future.

We take this opportunity to express our appreciation to the members of the task force and to Marty Cash Burless, who resourced us in the initial stages of planning to carry out this assignment.

Zenobia P. Waters, Chair

TASK FORCE ON OLDER ADULT MINISTRY

A resolution adopted by the 1988 General Conference of The United Methodist Church follows:

A Summary - "Life in the later years has caused older persons to ask two questions: How can my life be maintained? What gives meaning and purpose to my life in these years? Both questions have religious implications.

Concern for older persons in the church is theologically grounded in the doctrine of Creation, in the meaning of God's work in Christ, in the response to grace that leads us into service, in the continuing value of older persons in the larger mission, and in the nature of the church as an agent of redemption and defender of justice for all.

Older adults in the United States deserve respect, dignity, and equal opportunity. The United Methodist Church is called to be an advocate for the elderly, for their sense of personal identity and dignity, for utilization of experience, wisdom, and skills, for health maintenance, adequate income, educational opportunities, and vocational and avocational experiences in cooperation with the public and private sectors of society.

The graying of America implies also the graying of The United Methodist Church. The church, however, is called to be concerned, not only for its own, but also for all older people in our society.

As the aging process is part of God's plan for creation, with the good news of Christ's redemption giving hope and purpose to life, United Methodist people are called upon to help translate this message through words and deeds in the church and in society."

With the above statement the local church has been called to be involved in ministries "By, with, and for" older adults. This ministry has two purposes: 1) to meet the needs of older adults, and 2) to recognize the contribution of older adults to the ministry and mission of the church.

To make these ministries possible at the local level, the older adult coordinator or the health and welfare ministries representative is asked to lead the local church in developing services to meet the needs of older adults.

An older adult council may also be organized to develop these ministries. In addition, the Council on Ministries of the local church, which plans and coordinates programs, is to include at least two older adults. The Discipline also states that special attention shall be given to including persons over the age of 65 when electing local church leaders.

With these General Conference mandates your Conference Older Adult Task Force is developing an Older Adult Task Force for each of the six districts. When these persons are in place they will then meet and determine how they can assist local churches in developing their programs for Older Adults. In the fall all members of the district task force will come together in a one-day training event to become consultants for this purpose.

The Older Adult Newsletter will continue to be included in the conference mailings. Share it your local church leaders with older adults.

General Board of Global Ministries has produced "A Ministry to Match the Age" Older Adults Challenge. Copies may be ordered from The Service Center, 7820 Reading Rd., Caller No. 1800, Cincinnati, Ohio 45222-1800. Price \$3.50, Stock #4467.

CAMPING COORDINATING COMMITTEE

The camping ministry of the Little Rock Annual Conference is alive and well! In 1990 we had one of the best seasons in over 12 years, with an increase in the number of campers to over 1200. This year we are continuing the momentum by offering an expanded camping program. We have twenty camps scheduled to be held at Camp Tanako, and will also have our first "off-site" camp in years, a canoeing camp on the Spring River. Our thanks goes to all who are volunteering their time to serve as deans and counselors for the camps in 1991. Without them the camping program would not exist. Outdoor camping offers a unique setting for ministry to take place, and we will strive to make it an increasingly important ministry for our Conference.

LITTLE ROCK CONFERENCE CHILDREN'S COUNCIL

Faith development remains the primary objective of the Little Rock Conference Children's Council.

The priority of "Sunday School '91", with the well-designed kits for each church in our conference will make this an exciting year in children's programs.

The Second Annual Confirmation Retreat for Children at Camp Tanako with Bishop and Mrs. Wilke directing the leadership team and camp on April 19th & 20th. Camp Tanako remains a favorite for children. Other camps this year were: Camp 101 for Grades 1-3, Children's Choir Camp I & II for Grades 4-6, Middle Elementary Camps for Grades 3-4, and Older Elementary Camps for Grades 5-6.

A Conference Workshop on April 20th at First United Methodist Church in Malvern, was led by Dr. Dorothy Jean Furnish using her book "Experience the Bible with Children."

A Sunday School Workshop at El Dorado First United Methodist Church was led by Rev. Dick Murray in the Camden District on April 20th.

The Little Rock District Children's Fair was on April 20th at Highland Valley United Methodist Church.

The Monticello District Children's Fair was at the McGehee United Methodist Church in March.

Our District Children's Coordinators are receiving good support from their District Superintendents and their District COM, Pastors and, most of all, lay persons. These coordinators are: Arkadelphia District - Donna Flenniken; Camden District - Jan Henderson; Hope District - Jeff & DeDe Risinger; Little Rock District - Cecilia Kelly; Monticello District - Betty DeLess; Pine Bluff District - Faith Lindsey. Little Rock Conference Children's Coordinator - Sue Crutchfield.

The Children's Page in the Arkansas United Methodist continues to be a favorite. Each district is encouraged to be an editor during the year.

Scheduled Children's Council Meetings will be four times during the year - one meeting during Annual Conference in June, one meeting in August, one meeting in October, one meeting in March.

Communication, planning good programs for and with children, follow through on those program plans, and evaluation of the programs and leadership team; continue to be the process we recommend for success in Children's Ministry.

Little Rock Conference Children's Coordinator

TASK FORCE ON SINGLES MINISTRY

Our Singles Ministry is extended to persons of all ages who are single, widowed, divorced, never-married, or married and spouse-absent. These persons share unique needs and life situations toward which the church can direct its support, love, and Christian responsibility.

A cooperative approach to Single Adult Ministries with other churches, denominations, community organizations, and groups are encouraged as valid outreach ministry of the local United Methodist Church.

1. Each district has named a singles coordinator.
2. Each singles coordinator asked to form a committee for his/her district.
3. Training: If there is a local church ready to organize a singles program, a request is made for technical assistance. Since our program has been organized for two years there have been several requests and programs developed.
4. This year will be the second year for a Singles Seminar sponsored by the Little Rock Conference Singles Task Force. The North Arkansas Conference is working with us for a state wide effort.
5. For the second year we will have a Singles Adult Weekend at Camp Tanako.

Task Force members are Rev. George Rook, Arkadelphia District; Rev. Pam Estes, Camden District; Rev. David Crooks, Hope District; Barbara Tolman, Little Rock District; Juanita Moseley, Monticello District; Robin Bolls, Pine Bluff District; At-Large Members - Rev. Bob Hollis and Claudia Van Deusen; Conference Singles Coordinator - Pat Reed.

We are making progress toward a Singles Ministry of the local United Methodist Church.

BOARD OF GLOBAL MINISTRIES The Good News Community

"The spirit of the Lord is upon me; he has appointed me to preach Good News to the poor." If the good news preached by Jesus Christ in Luke 4:18 is not a message of deliverance and salvation, then the Christian community is in deep trouble. Jesus Christ came to create a new community. This community was empowered by the Holy Spirit to bring in kingdom of God. As members of the Good News community, we must speak the truth about the great issues of our day; drugs, crime, racism, contaminated food/water, toxic/solid waste, loss of family farms, broken homes, women in crisis, the working poor, domestic violence, AIDS, teenage pregnancy, teen suicide, etc.

Therefore, on behalf of your Conference Board of Global Ministries, we want to share the following news:

1. A thank you is due to all churches that took part in the One Great Hour of Sharing offering. The offering taken for One Great Hour of Sharing is a major source of support for the work of UMCOR. In 1990 we gave \$21,581.00.
2. A thank you is due for your continued support to General Advance Special Projects. In 1990 our conference gave \$88,071.50.
3. A thank you is due for your continued support of Ethnic Local Church Ministries.
4. A Statewide Conference on Substance Abuse, "The Rebirth of a Race" was sponsored in July, 1990 by Hoover United Methodist Church and the Black Community Developers. This was a very successful event.
5. A request has been made by Bill Waddell, our Conference VIM Coordinator, urging the conference, districts and local churches to support our Jurisdictional VIM projects. If you feel called to be a short term volunteer in mission, please contact Bill Waddell.

6. A request has been made asking that more clergy persons put the Arkansas Area School of Christian Mission on their calendars. The dates are August 6-9, weekday, and August 9-11, weekend, at Hendrix College in Conway.
7. A number of churches were given help to strengthen their mission/ministries this year through regular/special church extension funding. The following churches received funding through regular church extension:
 Wiley Chapel-H; St. Andrew-A; New Salem-H; Silver Hill-C; Washington-H; Mt. Olivet-M; Wesley Chapel-LR; Mt. Carmel-M; Mt. Pleasant, LR.
 The following churches received funding through special church extension:
 Mt. Moriah-C; Hunter-LR; Theressa Hoover-LR; UM Senior Services of AR; Quapaw Quarter-LR.
8. A loan of \$200,000 at 8% interest has been granted to the Little Rock District to purchase land for a new church site in Chenal Valley, west of Little Rock. The loan was made from the Pioneer Endowment Fund for a period of 15 years.
9. Remember the Bishops' appeal for Liberia and the Philippines. Both countries are in desperate need of emergency help. Liberia has been torn apart by a civil war, and the Philippines by a devastating earthquake.
10. We encourage your increased support for all the Fair Share and Advance Special Projects.
11. The Little Rock Conference Board of Global Ministries recommends that the Florence Crittenton be approved as a Conference Advance Project.
12. The Little Rock Conference Board of Global Ministries recommends to the Annual Conference that a standing committee be formed to have oversight of the "Pioneer Development Fund." This committee will be responsible for all loans and repayment plans made to churches through the Conference Pioneer Development Fund Policies. We suggest that this committee be made up of representatives from: C F & A, Dean of the Cabinet, Conference Treasurer, the Chairperson of Global Ministries and Parish and Community Development.

Finally remember that as members of the Good News Community, we have a message of deliverance and salvation to share with the world.

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY (BHECM)

1. Recommend an apportionment for 1992 to Hendrix College of \$178,500, which continues the apportionment approved for 1991.
2. Recommend an apportionment for 1992 to the five Wesley Foundations of \$195,400 compared to \$178,616 that was approved for 1991. There was no increase in 1990 and 1991. The division would be as follows:
UAPB from \$17,000 to \$25,000
UAM, HSU, UALR, SAU from \$39,804 to \$42,000
UAM, HSU parsonages will stay the same at \$2400

The approved budgets are:

UAPB	\$31,866
UAM	\$57,000
HSU	\$47,750

SAU	\$42,000
UALR	\$52,184

3. The Task Force on building and maintenance needs of the Wesley Foundations has been organized. We request that the Task Force continue for another year due to the variation and problems with facilities. The building at UAM is on university land, UALR has no parsonage, and UAPB has no building. It appears that about \$50,000 is needed to bring the Foundations to a maintainable level.
4. The Task Force on funding and support of Philander Smith has met with personnel at the College. The BHECM has approved a recommendation of the Task Force to support and assist the Development Campaign with a goal of three million dollars with a total of \$100,000 to be raised in the Little Rock and North Arkansas Conferences. Additional meetings with the Task Force and Philander Smith personnel are planned.
5. Recommend that \$41,000 be apportioned to the churches for the support of Philander Smith College for 1992.
6. Recommend that the full apportionment as requested for the Black College Fund (United Methodist related colleges) be apportioned to the churches for 1992.

9. Recommend that the Conference support a petition to the 1992 General Conference that would change the name of the Wesley Foundations to United Methodist Student Centers (Wesley Foundation).

BOARD OF PENSIONS

Since 1982 the Board of Pensions has been able to raise the rate for past service from \$118.00 to \$275.00 (1991). At the same time, the period of years projected to pay the unfunded liability has decreased from 40 to 19 years. This has been possible by the rate of apportionment received from the local churches and the good investment yields at the General Board of Pensions.

Report No. 1

1. We recommend that the Little Rock Conference participate in the Ministerial Pension (MPP) and the Comprehensive Protection Plan (CPP) of the General Board of Pensions during 1992 on the following basis:
 - a. Contribution base shall be limited to each minister's plan compensation not to exceed the denominational average compensation.
 - b. Contribution rate shall be MPP, 12% of each minister's contribution base, and CPP, 4.4% of each minister's contribution base.
 - c. Annuity rate for pre-January 1, 1982 service shall be raised from \$275 to \$286 Per service year.
 - d. Surviving spouse percentage of the formula benefit rate shall be 70%.
 - e. A 18 year amortization period shall be used to pay the unfunded past service liability.
 - f. Monthly contributions to MPP/CPP shall be made through the apportionment system.

- g. CPP benefits shall be supplemented with Death Benefit Plan-Plus (DBP-Plus) to 300% DAC.
 - h. Active participants will contribute to the Death Benefit Program Plus with the church paying 100% of premium.
 - i. Every Conference member earning less than 60% of DAC from his/her primary salary paying unit can be included in CPP at the rate of 4.4% of his/her contribution base.
 - j. Probationers at seminary may participate in CPP at 4.4%.
 - k. Those on leave of absence may participate in CPP at the rate of 4.4%. The participant will pay the full 4.4%.
2. We recommend that in keeping with Par. 1606, Section 12e of the 1988 Discipline that the Sunday following Easter be observed as Retired Minister's Day. Each Pastor is urged to acquaint his or her congregation with the pension program of the Conference as part of the observation, and if possible to use a retired minister in the Worship Service.
 3. We recommend in keeping with Par. 1606, Section 4h of the 1988 Discipline line, the approval of the Annual Conference that Special appointments shall be listed in the Conference Journal as follows: (1) with Annuity claim, (a) upon the Annual Conference, or (b) upon a General Board, an Institution, or an Agency of the United Methodist Church; (2) without Annuity claim upon this Annual Conference.
 4. We recommend the following pertaining to the health insurance program of the Conference:
 - a. Board of Pensions pay 100% of the premium for our eligible retirees, surviving spouses, and ministers on disability for the Hospital and Medical Expense Program.
 - b. Conference Claimants: If a retired minister and/or spouse desires to have the premium for their Conference Hospitalization and Medical Insurance Program paid by the Board of Pensions, the minister must have been enrolled in the program prior to his/her 65th birthday. Likewise, if the spouse is to have the premium for the Program paid by the Conference, he/she must have been enrolled in the program for a minimum of one year prior to his/her 65th birthday or one year prior to the minister's retirement. If a minister's spouse is under the age of 65 at the time of that minister's retirement, the Board of Pensions will pay for that spouse an amount equal to the premium for a spouse over 65, plus 3% of the premium per each year of service by the said spouse in the Arkansas area, up to a total of 80% of the spouse's premium. (The words 'spouse' always refers to the same person.)
 - c. Spouses of Deceased and Retired Ministers: In the case of a deceased minister whose spouse is under the age of 65, the Board of Pensions will pay the dependent's insurance premium for five (5) years following the death of the minister. In the event of extenuating circumstances, an extension of payments may be requested by the dependent. Payment automatically ends with the remarriage of the dependent. Each case will be reviewed annually.
 5. We recommend that an annual amount equal to 100% of the pension and disability payment of each minister of the Little Rock Conference be designated as housing allowance.
 6. We recommend that in keeping with Par. 737, Section 4 of the 1988 Discipline that there shall be organized from the membership of the Board of Pensions of the Little Rock Conference a committee to compare the records of the amount paid by each pastoral charge for support of pastors: and for pension benefit purposes computing the proportional distribution thereof and keeping a permanent record of defaults of the ministers in the Conference who have failed to observe the provision in Par. 737, Section 4 pertaining to proportional payment, and shall render annually to each minister and charge in default a statement of amounts in default for the current year and preceding years. In event of default by any pastoral charge the amount in default for the current year only may be printed in the Conference Journal.

7. We request the Secretary of the Annual Conference to print in the Minister's Service Record in the Journal, one column stating "Years of Pensions Claim on the Little Rock Conference, "and another stating "Total Service Years in the Ministry."
8. A list of annuitants and pensions payments for the year 1990 is available in the Conference Treasurer's Office from Mary Stanfield.

**Resolution Relating to Rental/Housing Allowances For
Retired or Disabled Ministers of This Conference**

Whereas, the religious denomination known as the United Methodist Church has functions through Ministers of the Gospel who are duly ordained or licensed; and

Whereas, the practice of the United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers, and

Whereas, pensions paid to retired ordained or licensed ministers licensed ministers in consideration of previous, active service, and disability benefits are considered payments in lieu of compensation for active service; and

Whereas, the Internal Revenue Service has recognized that the Little Annual Conference is the appropriate organization to designate a housing/allowance for retired ordained or licensed ministers who are members of the Conference; and

Whereas, the disabled minister has the same legal relationship to the Annual Conference as does the retired minister and, thus this Annual Conference is also the appropriate organization to designate a housing/allowance for a disabled ordained or licensed minister who is a member of this conference;

Now Therefore Be It Resolved:

1. An amount equal to 100% of the pensions payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister, during the year 1991 be and is hereby designated as a rental/allowance respectively for each retired or disabled ordained or licensed minister of the United Methodist Church who is or was a member of the Little Rock Annual Conference at the time of his/her retirement or disability;
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency, or institution of the United Methodist Church or any former denomination that is now a part of the United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of the United Methodist Church for such retired minister's Pension or disabled minister's benefits.

Note:

The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rule 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107 (2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities."

Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore the full amount disability benefit payments will be taxable income to the recipient beginning in 1984.

CAMP ALDERSGATE

There are so many who look to Camp Aldersgate for help and hope! Each year the numbers are increasing - people reaching out for help...and Camp Aldersgate makes a difference in their lives!

Programs are what make that difference at Camp Aldersgate: varied, year-round, vital programs serving people with needs. That old image of Camp Aldersgate, as a nice place that "closed up shop" when summer was over, is gone! In its place is **FULL TIME MINISTRY!**

There are the seniors who come out each week for fellowship, food, fun, and learning. There's Respite Care on 48 weekends each year when 15 to 18 children with disabilities enjoy camp while their parents get a break from constant caregiving demands. The Westside Health Clinic, a cooperative ministry with Catholic Social Services, opens each Wednesday offering medical care to anyone in need with no questions asked, no insurance necessary.

Soon to begin is the 21st year of MedCamps...summer camps for children with physical and medical disabilities. As a cooperative effort with MedCamps, Inc., and various health agencies, the camps will serve nearly 400 children this year. And volunteers, mostly youth and more than 300 strong, who also receive, by giving in excess of 30,000 service hours each year.

Then there's "Family Friends," Camp Aldersgate's newest program which has trained more than 140 persons from 48 counties in Arkansas to be in-home caregivers for persons with chronic disabilities. And finally, the innovative "Family Support" project which empowers families, and assists in finding services needed to prevent their severely disabled children from being institutionalized. This program, in its third successful year, currently works with 48 families in five Arkansas counties.

The difference Camp Aldersgate makes is also because of the property. Those choice 115 wooded acres in West Little Rock, are leased rent-free to Camp Aldersgate as a Mission of the Church. The Women's Division ownership carries with it the responsibility of upkeep while Camp Aldersgate must maintain and environmentally protect the property.

But the **PROGRAMS**, the **PROPERTY**, and the **PEOPLE** could not function without your prayers...and your support! Again this year, Camp Aldersgate's Board of Directors requests funding of fifty thousand dollars from each of Arkansas' two conferences. **FULL TIME MINISTRY** takes this kind of commitment.

YOU ARE THE ONE WHO MAKES A DIFFERENCE!

Saville Henry, Interim Executive Director

CAMP TANAKO

Camp Tanako was organized in 1948 and all original buildings were built between 1949 and 1952. In 1983 the Tanako Board started the development of a Master Plan to update all facilities and programs. The study was finished in 1986.

The Tanako Board received Conference approval in 1988 to raise money on our own for Phase I, the construction of new cabin complexes. We raised over \$350,000 in cash and pledges to underwrite the first four complexes. These were first used during the 1989 camping season.

During the 1989 session of Annual Conference, the Tanako Board of Trustees was granted a two year apportionment of \$165,000 beginning in 1990. Two more cabin complexes were built and a new waste treatment plant was installed last year. Conference was made aware of our future plans for Phase II, which include the Tanako Life Center, a swimming pool and paved parking lots. we will be back in 1992 with a proposal for Phase II.

During the 1990 Conference camping season 1,155 campers attended Tanako, an increase of 302 campers over 1989. This figure does not include weekend and other camps used by local churches, districts, U.M.M., etc.

The hard work of the Tanako Board, the Conference Camping Coordinating Committee, the Bishop and numerous others in the last eight years has paid great dividends. We are on our way to becoming a first rate camp.

Unfortunately, we are faced with three problems that must be corrected immediately:

1. The swimming pool, built in 1959, has had it. With repairs and a new pump, it may last through the upcoming camping season. It also may not.
2. The dining hall/Milner Hall building must have a new roof or face major repairs in the next couple of years.
3. The Chapel must also have a new roof.

The image of Camp Tanako has improved the last two years and we must continue. Camp Tanako means so much to our Conference and the lives it has touched.

Alan White, President of the Board

REPORT OF THE CONFERENCE BOARD OF TRUSTEES

Attorney William S. Arnold, being a member of the Conference Board of Trustees, has freely given of his own resources and many hours of his own time to examine titles, articles of incorporation, and other documents relating to the work of the Board. He has done this to be sure all documents relating to the following recommended transactions are in order.

Therefore, from the standpoint of legality, we are confident as we make the following recommendations.

The Conference Board of Trustees recommends:

That Arkadelphia District Trustees be authorized to sell the Fouch property and place the proceeds in the Arkadelphia District Board of Missions.

That when the Louann United Methodist Church in the Camden District has been officially declared abandoned, an appraisal be obtained; then, when the property is sold that it be conveyed by a quit claim deed, and the proceeds be placed in the Camden District Board of Missions Fund.

That the Bethel Methodist Church property in the Camden District be deeded to the Bethel Methodist Church Cemetery Association.

That, as the Sardis Methodist Church in the Camden District is on the National Historical Register, it be deeded to the Camden District Board of Missions for the purpose of preservation as a Methodist Historical Site.

That when the Holly Grove United Methodist Cemetery Association in the Hope District is properly incorporated it be deeded the Holly Grove Methodist Church property.

That the Water Creek Church of Gurensey, Arkansas in the Hope District be leased to Mrs. Evelyn Dickerson of the Full Gospel Church of Guernsey, Arkansas, the lease details to be worked out with the Board of Trustees.

That, as the Babel Chapel United Methodist Church in the Hope District is located on a dirt road and is in very poor condition it be sold to the last remaining member of the church, Alvin Gencham, for \$100.

That Washington United Methodist Church in the Hope District may be deeded to the Pioneer Washington Restoration Foundation, Inc.. This recommendation is contingent upon a successful negotiation of differences between the Washington United Methodist Church resolution of May 5, 1991 and the letter of acceptance from Pioneer Washington Restoration Foundation, Inc.. John Hays has agreed to be the negotiator.

That the Monticello District be authorized to move the Mt. Home Church building to Gould where it would replace the building now being used by Bailey Chapel United Methodist Church.

That Stoney Point Church property in Monticello District be deeded to Stoney Point Cemetery Association.

That Zion Church property in Pine Bluff District be deeded to Zion Cemetery Association.

That following abandonment of Glendale United Methodist Church, Pine Bluff District Board of Trustees be authorized to obtain an appraisal of the property, and then offer it to the highest bidder, contingent upon the highest bid being in reasonable agreement with the appraisal.

That we relinquish any claim we may have upon the Mary Sims Wilson Testamentary Trust, allowing a distribution of the trust fund directly to Arkansas Methodist Children's Home.

That the words "United Methodist" be used as a part of the name of any cemetery association receiving property from the Little Rock Conference. Also, that any cemetery association desiring an exception to this rule must petition the Conference Board of Trustees for a possible exception.

Lloyd Posey, Secretary

CONFERENCE COUNCIL ON YOUTH MINISTRY

The Little Rock Conference Council on Youth Ministry (CCYM) has continued to progress in many areas. Our Youth Service Fund (YSF) efforts have resulted in the earnings of over \$10,000 to be distributed to missions. This great accomplishment will help not only our jurisdiction, but the conference, to place high in the national records.

Ethnic minority members continue to serve within the conference offices. We now have two youth serving on the National level, Brad Crain and Elizabeth Lilly. Vincent Harris follows in the footsteps of Lu Harding as our conference YSF coordinator. Through hard work, and determination the Youth continue to spread their influence.

Our theme for the year, "Open the Door, It May Be the Lord," has encouraged youth to open their lives to the joy of the Lord. This theme has been emphasized through our Fall-Fling Rally, Leadership Weekend, and our Conference Camp. Several youth attended a nation-wide Christians Vocations weekend seminar in St. Louis in October of 1990. Our Youth Music Program experienced a successful first year and will continue this coming year. Conference Camp at Tanako was a new experience; everyone enjoyed the warm morning showers and the cool summer afternoons in the new cabins. With continued effort and great leadership within our committees we can continue to grow and develop the youth ministry of the Little Rock Annual Conference to higher levels.

COMMISSION ON ARCHIVES AND HISTORY

The Little Rock Conference Commission on Archives and History has continued to organize the materials in the Methodist Archives at Hendrix College. The accomplishments for 1990-91 have been:

1. Ongoing funding, jointly with the North Arkansas Conference, of student help at Hendrix to index the Arkansas United Methodist newspaper from its earliest years. A senior student is computerizing the index under the supervision of Jerry Blackburn at the computer center there. She will train another student before she graduates.

2. Aiding Jane Dennis (Editor, Arkansas United Methodist) in the rebinding of several of the oldest volumes of the newspaper. A sum of two hundred dollars was given for this purpose in 1990.
3. Participated in two church history writing workshops sponsored by the North Arkansas Conference: one in Jonesboro, one in Searcy. Also met for a one-day session with the History Committee of Asbury Church. Mrs. Riddle also met with St. James Library Committee.
4. Participated in the dedication of Old Washington UMC as a Methodist Historic Site. This is the first Methodist Historic Site in Arkansas. Beverly Watkins, a member of the Commission, and her husband, Sam Watkins, did the research for the dedication, held October 20, 1990.
5. An exhibit featuring church histories and the activities of the Archives and History Commission was displayed at the Annual Conference. This year, the exhibit will be on the Bishops of the United Methodist Church, with much historical information about the Council of Bishops of the past.
6. Augmented the ongoing clergy file with the service records of hundreds of Arkansas Area clergy, acquired by Vernon Paysinger of the North Arkansas Commission, from the Board of Discipleship.
7. The cataloging of information on the churches of Arkansas Methodism has continued, with much additional information and many photographs.
8. The Commission has also responded to many requests from Arkansas churches for copies of documents and photographs to aid their historical collections and heritage celebrations.

Probationary members appointed to attend school and not serving a charge in the Annual Conference are also eligible to be enrolled provided they assume responsibility for full payment of the premium.

- B. **Local Church Full-time Lay Employees and Full-time Diaconal Ministers.**
 1. To enroll the eligible lay employees of a particular church, the following number of employees must elect to participate:

Enrollment Required	Total # of Eligible	Enrollment Required	Total # of Eligible Empl.
1	out of 1	5 out of	7
1	out of 2	6 out of	8
2	out of 3	6 out of	9
3	out of 4	7 out of	10
4	out of 5	8 out of	11
4	out of 6	9 out of	12

(75 % of any number above 12)

2. Any local church or institution not qualifying for or electing to enroll its full-time employees under the above rules on the initial enrollment date (July 1, 1972), may enroll eligible employees under the same rules on any subsequent anniversary of that date.
3. Ministers transferring into the Conference may enroll in HMEP within 90 days of transfer without having to fill out a "Statement of Physical Condition" form. A new lay employee of a participating church or organization may enroll within 90 days of employment without having to submit a "Statement of Physical Condition" form.
4. Enrollment applications are available from the Insurance Committee Office and Records Coordinator, Mary Stanfield, at the Office of Finance and Management, P.O. Box 2941, Little Rock, Arkansas, 72203.

PAYMENT OF PREMIUMS

Each local church or charge will provide 100% of the premium cost for either individual or family coverage, whichever is applicable, for those under appointment.

The Conference Board or Agency responsible for its own budget will provide 100% of the premium cost for either individual or family coverage, whichever is applicable, for ministers under special appointment who are approved for Pension credit from the Conference.

IMPORTANT INFORMATION CONCERNING MEDICARE ENROLLMENT

Any minister who will reach his/her 65th birthday when he/she is still serving in a full time capacity and not drawing Social Security, should apply three months before his/her 65th birthday at the local Social Security office for Medicare. Any minister who has passed his/her 65th birthday and has not applied for Medicare, should contact the Social Security office immediately. This applies to those who are eligible and wish to participate in Medicare.

Should a minister's spouse reach age 65 before the minister, he/she should apply for Medicare at the local Social Security office.

It is each person's responsibility to secure his or her own Medicare coverage. For most persons age 65 or over, HMEP coverage complements Medicare.

Because of the Tax Equity and Fiscal Responsibility Act, a minister or lay employee who is age 65, but under age 70 and is still serving in an active status, is required to pay the HMEP premium of a person under age 65. For a person in this situation, Travelers is the primary payor and Medicare is the secondary payor.

THE DEATH BENEFIT PROGRAM

The Death Benefit Program is in three parts. Part I is included in the Ministerial Pension Plan/ Comprehensive Protection Plan (MPP/CPP). Part II is an elective additional coverage called DBP-PLUS. Part III is a carry over from the past, available to clergy not covered by CPP.

CLAIMS PROCEDURE

1. Hospitalization and Medical Expense Program:

NOTE: To file a claim, send a First Notice of Claim Form, (one per person per year), to Travelers Claim Division, P. O. Box 3036, Naperville, Illinois 60566-7036. The toll free number is 1-800-792-7729. Follow the instructions on the First Notice Claim Form.

- A. First Notice of Claim Forms are available from the Office and Records Coordinator or Travelers Insurance Company.
- B. Prescriptions must have the doctor's diagnosis for the first prescription only, but not for refills.
- C. Full and complete itemized details of all tests and medical expenses are required and should be included in the claim.
- D. Claims for the previous calendar year must be submitted to Travelers by April 1 of the following year.

2. Death Benefit Program:

- A. The death of a participant, (minister or lay employee), should be reported to the appropriate District Superintendent and/or the Office and Records Coordinator.

INSURANCE COMMITTEE POLICIES

- 1. Premium notices are sent out every quarter at least two weeks before the due date.
- 2. When the premium is 30 days past due, a second notice will be sent to the participant.
- 3. When a premium is 60 days past due, a past due notice will be sent to the District Superintendent as well as to the participant and the participant's charge.
- 4. If an enrolled person fails to pay premiums for two consecutive quarters, the secretary shall notify the insured by registered mail that he/she will be terminated within fifteen (15) days of the letter's date unless full payment is received in that fifteen day period. Any exceptions to this policy must be approved by the Insurance Committee. A copy of this letter shall be sent to the appropriate District Superintendent as notification that termination is being considered. Should there be a hardship, the District Superintendent should convey such information to the Insurance Committee. The District Superintendent shall be advised of any considered change in the insured's status.
- 5. When coverage is terminated, reinstatement requires proof of insurability and approval of the Little Rock Conference Insurance Committee.

6. Continuation of health insurance after termination of employment is available for 9 months provided the conditions outlined in the HMEP Policy Booklet are met. The premiums must be paid by their due date or the insurance will not be continued.

RECOMMENDED CHANGES

The Little Rock Conference Insurance Committee offers the following changes as an attempt to better our coverage and hold premium costs down:

1. That a Patient Advocate be added to the plan as a way of providing guidance that will help participants get the most out of the benefit plan and as a cost containment strategy.
2. That out-of-pocket expenses be limited to \$1,000 per person each calendar year or \$2,000 per family.
3. That the deductible be \$200 rather than \$200 on hospital related expenses and \$200 on all other expenses.
4. That the maximum benefit be \$1,000,000 lifetime per individual subject to restoration of \$1,000 per year.
5. That the coverage for mental and nervous disorders be limited to \$50,000 lifetime per individual, subject to restoration of \$1,000 per year. (Certified Pastoral Counselors will be added under the category of mental health professionals.)

Patient Advocate **Your Guide to the Medical Care System**

Containing today's rising health care costs is important to all of us, but Patient Advocate is much more than an ordinary cost containment strategy. It's a program that gives you increased involvement in exploring treatment alternatives and determining how your health care needs will be met while providing you with guidance that will help you to get the most out of your benefit plan.

Medical advances in recent years have meant that many services traditionally provided in hospitals can be provided in less costly but equally beneficial settings. Even when hospital confinement is necessary, the length of stay can often be shortened substantially by taking advantage of a variety of community based services that facilitate an earlier discharge.

Patient Advocate has been added to your benefit plan to help you to use all available treatment alternatives effectively, so you can avoid the inconvenience of a hospital stay entirely or spend more time recovering comfortably in a less restrictive setting or even in your own home.

How Patient Advocate Helps You Get Appropriate Care

The primary function of Patient Advocate is Preadmission and Concurrent Review of hospital care. Under this program, all days of inpatient care are reviewed before they are provided.

To initiate the review process, you must contact Patient Advocate at 1-800-231-9636, Monday through Friday, 7:00 a.m. to 7:00 p.m., Pacific Time. Throughout the review initiated by your call, a registered nurse - your "Patient Advocate" will discuss available treatment alternatives and community resources with you and your physician and will make sure that hospitalization is the best option for you.

When admission to a hospital is necessary, your Patient Advocate will also help to determine an appropriate length of stay and will work throughout your confinement to see that your continuing care needs are met in the most effective way possible.

In many instances, review of the need for hospitalization and exploration of available alternatives will indicate that admission to the hospital can be avoided and that quality treatment can better be provided in a less stressful environment.

In either case, Patient Advocate will help you deal effectively with what can be a confusing health care system. Your participation in the review process will help to make you an informed user of medical services so that you and your family can consistently receive the highest quality and most appropriate care when faced hospitalization.

Because your cooperation is so essential to the success of the program, if you don't participate in the review process when a physician recommends hospitalization for you or a covered family member, reduced benefit payments may apply. Participating in the process isn't difficult - by simply calling Patient Advocate when hospitalization is proposed you will help to protect your family's health and ensuring that you receive the maximum benefit payment possible under your group health plan.

How Patient Advocate Helps You Make Choices

Because Patient Advocate enables you to play an integral role in determining how your health care needs will be met, we think it's vital that answers to your health care questions and concerns be readily available. You can call Patient Advocate whenever you want to learn more about health care alternatives or resources available in your community. The counseling function will give you the information you need when you need it, so you can get the best use out of the health care system and your benefits.

Patient Advocate and Second Surgical Opinion

Patient Advocate works for you and your family in still another way, by helping you to avoid unnecessary surgery. Whenever surgery is proposed by your physician, even if the surgery will not require hospitalization, call Patient Advocate to find out if you should get a second opinion.

In some cases, failure to obtain a required second opinion could result in reduced benefit payment. Your Patient Advocate will be able to tell you if this applies to you.

Physicians range from aggressive to conservative in the practice of recommending surgery. Obtaining a second opinion when surgery is proposed will give you added confidence that surgery is the best treatment for your condition.

Using established review criteria and professional medical judgement, Patient Advocates can identify situations in which you should seek a second opinion and can then direct you to a number of second opinion consultants who are members of The Travelers Consultant Panel.

The Advocates can also recognize instances when the need for surgery is clear and a second opinion is not needed.

Calling Patient Advocate whenever any type of surgery is proposed is an easy way you can help protect your family against the risks associated with unnecessary surgery. Remember, the decision as to whether or not to have surgery is always yours to make.

Patient Advocate - make it work for you!

A Rap Interpretation of the CCOM Budget

*Ahhh, Here's a little story I'd like to tell
 About one great conference you know so well
 It started way back in history
 And it paved the way for you and me*

*Gathering each year for rapping and pleas
 Clergy, speakers and laity
 The time has come to bust a rhyme
 Look out homies, it's Cool J Ice time*

*I've come with a budget, which you will see
 provides the funds for our ministry
 It took a long time to plan this right
 So listen up, and listen tight*

*First on the list is my staff and me
 Expenses, Insurance and contingency*

*We do our best to produce for you
With a minimum of revenue*

*We need the money to make a stand
I look the sound of \$213 grand
Increases are small as you can see
So I hope you won't cop a needless plea*

Yo, come on homie, let it ride

*The District Council on Ministries is next on the list
For a look at their work here's a gist
Doing it locally is in their bag
The results they achieve ain't no drag*

*\$13 thou for six districts not much
I hope you'll pass this with a grateful touch*

*Priority Planning is nothing new
It's called Program Emphasis for '92
Sixteen thousand is requested as you can see
To do a multitude of ministry for you and me*

*Boards, Commissions and Committee's abound
The work they do is always sound
Coordinators, Work-Areas and Task Forces too
There's only so much that we can do*

*Included in this list is education
It helps us in learning of our creation
Support Global Ministries it opens the door
For response to a world from shore to shore*

*Providing for these services is not too steep
One hundred thousand, it can't be beat*

*Youth Music Ministry is something new
There's no limit to what they will do
A couple of thou will make it happen
Cool it homies, I'm bout done rappen*

*The summary leads us to the end
Holding the line has been our trend
Insurance and new programs we can't reject
Come on people give us a little respect*

*Three three seven comma three three eight
That's the bottom line, now ain't that great
It's not much for a year of ministry
It beats tuition to study dentistry*

*Growth means new ministries, that's the game
If progress is made you can't stay the same
Look at the list it should make you proud*

Singles Ministries and the rest of the crowd

*Fair Share Ministries is no small thing
They're non-apportioned but hope they bring
Look over the list and you will agree
Our ministry stretches from sea to sea*

*Well, these budget items I bring to you
for your consideration and approval too
I've made by point as best as I can
Bust a move, give me a hand*

*If we all work together, we can do it with ease,
I'm out of here (pause) PEACE!*

VI. APPORTIONMENTS AND ASKINGS:

- A. **World Service and Conference Benevolences:** We recommend that the General Conference apportionments of \$456,820 for World Service be accepted and that an amount of \$922,238 be apportioned for Conference Benevolences for 1992 for a total apportionment of \$1,379,058. Further, we recommend that the monies received for World Service and Conference

Benevolences be distributed on a basis of 33.13% for World Service and 66.87% for Conference Benevolences.

- B. **Ministerial Support:** We recommend that the Ministerial Support apportionment of \$2,019,796 be accepted in full by the Annual Conference and that it be apportioned to the local churches.
- C. **Other Apportioned Funds:** We recommend that the Annual Conference accept in full the askings listed below and they be apportioned to the local churches.

General and Jurisdictional and Area Benevolences	\$133,143
Administration	212,756
TOTAL	\$345,899

VII. Apportionment Formula

We recommend that the formula used by the Conference be a two year average of the most recent years' statistics: 1/3 based on Church Membership and 2/3 based on Church Financial Data. Financial data includes the following items:

1. Current program expense
2. Current operating expense
3. Pastors salary
4. Associate salary
5. Utilities and allowances
6. Travel Allowances
7. Diaconal Ministry compensation
8. Other staff compensation
9. Apportionment assigned

The 1992 decimal is calculated using the average of years 1989 and 1990. All data is taken from the statistical tables in the Conference Journals.

VIII. Salary and Expenses of District Superintendents' total compensation package for 1992 will be \$60,750. This figure shall include salary, utilities and appurtenances, and travel expense.

We recommend a vouchered expense pool for the District Superintendents in the amount of \$21,000.00 for meetings (Cabinet, CCOM, and out of state) with the stipulation that no district, board, or agency make any payment for the purpose indicated above.

We recommend that \$45,802 be used to pay the six District Superintendents Health Insurance premiums for 1992.

IX. Advance Specials

We recommend General Advance Specials to local churches for firsthand relationships with mission projects and involvement in mission.

We recommend Florence Crittenton Home as a Conference Advance Special.

X. Special Days

We recommend these Special Days with offerings:

- * Human Relations Day - During Epiphany on the Sunday before the observance of Martin Luther King's birthday.
- * One Great Hour of Sharing - Fourth Sunday in Lent
- * United Methodist Student Day - Sunday after Thanksgiving.
- * World Communion Sunday - First Sunday in October
- * Peace with Justice - Second Sunday after Pentecost
- * United Methodist Children's Home - Second and Third Sundays in December
- * Native American Awareness Sunday - April 14
- * Christian Education Sunday - September 13
- * Golden Cross Sunday - First Sunday in May

XI. "Fair Share" Goals:

- A. **Aldersgate Camp** - We recommend \$50,000 be requested from the churches in *"Fair Share goals for core costs"* at Aldersgate, and that *"programmatic costs"* be continued as a Conference Advance Special.
- B. **Christian Civic Foundation** - We recommend \$12,500 be requested from the local churches for *"Fair Share"* goals for the Christian Civic Foundation in 1992.
- C. **Perkins/St. Paul** - We recommend \$63,060 be requested from the local churches for 1992. The *"Fair Share"* goals for the Perkins/St. Paul campaign may be paid only after the Ministerial Education Fund apportionment is paid in full.
- D. **U.A.M.S. Hospital Chaplains Fund** - We recommend \$6,000 be requested from the local churches in *"Fair Share"* goals for the Pastoral Care Program.
- E. **Oklahoma Indian Missionary Conference** - We recommend that \$7,500 be requested from the local churches in *"Fair Share"* goals for the Oklahoma Indian Missionary Conference in 1992.
- F. **Rio Grande Conference** - We recommend that \$6,500 be requested from the local churches in *"Fair Share"* goals for the Rio Grande Conference in 1992.
- G. **Tanako Emergency Fund** - We recommend that \$98,700 be requested from the local churches in *"Fair Share"* goals for the Tanako Emergency Fund in 1992.

LITTLE ROCK CONFERENCE COUNCIL ON FINANCE AND ADMINISTRATION REPORT OTHER RECOMMENDATIONS

- I. **Pastor's Utilities and Appurtenances:** If no utility allowance is made, we recommend that the local churches designate a part of the compensation as parsonage utilities and appurtenances to exempt those costs from incomes taxes.
- II. **The travel allowance** remain at \$.20 per mile plus \$.02 per mile for each additional person, to encourage car pooling.
- III. **Retired ministers** be paid \$35 per diem for days they attend Annual Conference.
- IV. **Pastors' moving expense** be paid at the rate of \$400 plus \$.75 per mile. The mileage is to be paid from parsonage to parsonage, with one exception. When transferring from another conference, the rate will apply from parsonage to the Little Rock Conference boundary. The policies for application for Pastors' Moving Expenses Funds are listed in the 1982 JOURNAL, page 127, section 1211(F).
- V. **All unrestricted benevolence funds** be placed in a central operating balance
- VI. **"Interest Income"** from investments (estimated 1992 income: \$20,000), with the exception of the income earned from Church Development Funds, be deposited in the Conference Administration Fund
- VII. **Balances remaining in the Conference Benevolence Fund and the Conference Administration Fund** at year end be transferred to the Contingency Fund.
- VIII. **Any Conference employee** who has, or who desires a tax sheltered annuity, may direct the Director of Finance and Management to pay his annuity from his regular income following proper guidelines.
- IX. **Housing allowances** (for persons receiving such funds) be set at the estimated actual expense as reported to the conference or local church. This information should be reported at the beginning of each calendar year. This will result in reallocation in funds paid to such persons and will not increase the total amount paid.
- X. **Each board, commission, committee or agency** not be allowed to change a line item in its approved budget which would exceed 10% of the amount without approval of the Council on Finance and Administration.
- XI. **All agencies receiving conference funds** shall submit their latest independent audits to the Conference Council on Finance and Administration.
- XII. **Wesley Foundations** may solicit funds within their supporting districts after approval is given by the District Council on Ministries.
- XIII. **Local church administrative boards** consider paying all conference life and health insurance (DBP & HMEP) premiums directly (above salary) in order to provide tax savings for pastors and other

church employees. If necessary or desirable, the salary may be reduced by the same amount. This policy must be consistently applied to all employees.

- XIV. Participation by the conference in Area programs must not exceed 50% of the cost of that program, with the exceptions approved by the Council on Finance and Administration.
- XV. The management and investment of all the monies off/from all those boards and agencies which receive monies from the Conference or line item apportionments must be handled by the area treasurer's office.
- XVI. Any capital lease or purchase over \$1500 must be approved by the Council on Finance and Administration prior to lease or purchase, even if that budget has been previously approved.
- XVII. Permission be granted to the area treasurer to borrow funds (on a short-term basis) from the Arkansas Area account if Little Rock Conference funds are not sufficient to meet current needs. Both Council on Finance and Administration presidents must approve the loan before it is transacted. Interest on such loan will be paid at the current money market rate.
- XVIII. The Conference provide fidelity bonding insurance for all local churches in compliance with Paragraph 714.1.
- XIX. A uniform percentage of 5 % will be added to all 1992 apportionments.
- XX. The following be adopted, as a guide for the investment and care of all Conference Funds:
The Area Treasurer is charged with the responsibility, for managing all Conference funds in a manner that will provide :
 - A. The maximum income from the investment of all funds, while simultaneously insuring
 - B. Adequate liquidity to meet the day-to-day operational needs of the Treasurer's Office and
 - C. The safety and soundness of all funds. To accomplish this, all funds should be
 - (1) deposited in Arkansas institutions in a fully insured status on a short-term basis, generally ninety days, but up to six months with the approval of the Investment Committee or CFA, or
 - (2) invested in direct U.S. Government obligations for terms up to six months, or
 - (3) invested with the General Board of Pension of the United Methodist Church.

Longer term investments may be made from time to time, but these are generally discouraged, because of the uncertainty of the need for funds and the volatility of interest rates. The Area Treasurer is encouraged to consult with a majority of the Investment Committee or the CFA, when he is uncertain about an investment. This policy is intended to be flexible in its application, in order to meet rapidly changing economic conditions. While income is desirable, the primary emphasis should continue to be the maintenance of adequate funds and the avoidance of speculative investments.

This policy may be amended from time to time to meet changing conditions and to enhance the income of the Conference.

- XXI. That the South Central Jurisdiction VOLUNTEERS IN MISSION be given authority to solicit "volunteer" contributions from individuals, districts, and the Annual Conference for the purpose of funding the administrative work of this program. That these contributions be kept as a line item in reporting to the Jurisdiction Council on Finance and Administration and that such be a part of the audit report of the jurisdictional budget.

- XXII. All contributions to this fund must go directly to the Little Rock Conference Treasurer's Office. The Conference gives the Conference Council on Finance and Administration the authority to fund extraordinary needs relating to the life and ministry of the Annual Conference. These needs shall be funded from unrestricted funds and contingency funds. This authority shall not be used, nor is it intended, to replace or circumvent normal funding procedures of the Little Rock Annual Conference. Actions on such requests shall be reported to the next regular session the Annual Conference. (This recommendation is in reference to paragraph 709.6 of the 1988 BOOK OF DISCIPLINE.
- XXIII. The Conference CFA recommends that Joe Eason be elected to the Office of Conference Treasurer for the 1989-1992 quadrennium.
- XXIV. We express our appreciation to Joe Eason and his staff, Barbara Skiles, Cheryl Beck, Alvin Burks, and Mary Lois Stanfield, for the excellent service they perform for the Conference.

Respectfully submitted, John Robert Graves, President

THE EPISCOPAL ADDRESS
Little Rock Annual Conference
Monday, June 10, 1991

Members of the Conference and Friends:

Much has happened since we assembled last. Our nation has been through a war; our state has been through an election and a session of the Assembly; our General Church has been challenged by an Episcopal Initiative; and the Little Rock Conference has written a dramatic record of faithful service to our Lord.

On the social scene, our impact has been felt in several areas: A diversity of views about the war itself did not deter us from spiritual and emotional support for military personnel and their families and friends. Pastors and churches reached out in love and prayer not only to their own members but also to lonely and hurting people in the communities.

Also, in traditional Methodist fashion, relief supplies, food, medicine, blankets -- immediately were dispatched by UMCOR and Church World Service to war refugees, Arabs, Jews, Kurds -- wherever there was need. Because of One Great Hour of Sharing and other UMCOR offerings, we gave over three million dollars in relief in 1990 -- with aid going even at this minute to Bangladesh as well as the Near East.

In Arkansas, we gave maximum effort to support public education. This year the governor and the Assembly gave great attention to improving schools, aiding teachers, strengthening the total educational structures. We United Methodists pay a price for not starting private or parochial schools as do some other denominations, but we stand squarely behind the philosophy that every child, regardless of race or religion, regardless of rich or poor, regardless of town or country, deserves the best possible educational opportunities. Whether we look at pre school opportunities, teacher salaries, special education, or vocational training -- this was a year of victory for Arkansas Public Schools.

We avoided the state lottery, mainly because the proposal of two years ago was fraught with fraud -- so much so that even supporters hesitated to perpetrate this gambling scheme on us at this time. But they, like dandelions and other noxious weeds, will return.

The environment is beginning to catch our attention, rightly so and long overdue. Arkansas, **The Natural State**, must not permit our streams and lakes to be polluted, our forests to be ravaged, our air to be contaminated, our land to fill up with toxic or animal waste.

These issues are economic, of course. Some people who argue that their jobs depend on dumping manure or spraying chemicals or draining industrial residue or cutting timber. But often they are short-sighted even from an economic point of view.

I'm a plainsman, a child of the prairies. I breathed the dust of the Thirty's when Western Kansas blew away. Over aggressive farming practices when thin-soiled pasture was plowed for wheat had a few money making years, then generations struggling to build terraces, wind breaks, set aside programs, trying to recover.

If we do not selectively harvest our hardwoods and carefully replant them, we will be, not a Natural State, but a plot of half-grown pine trees.

Manure is wonderful, properly placed in right amounts. Too much, too concentrated, can bring disease and damage. Sprayed chemicals that kill bugs can also kill people. Scientific agriculture must be kind to people as well as cruel to insects. Industrial waste must not be allowed to pollute our streams and lakes.

What a time for us to reclaim our creation theology. "The Earth is the Lord's and the fullness thereof" is our Biblical mandate. The Garden of Eden was given to Adam and Eve to till and care for. We

own nothing, but we are stewards of air and water, soil and substance, for our children, our grandchildren, and for God. Economically, in the long run, if we follow God's laws, God will providentially take care of us.

Now for the Church: We are under the exciting and demanding challenge of the Bishops to focus on the health of the local congregation. The Episcopal Initiative, **Vital Congregations/Faithful Disciples**, was launched in November in Fort Worth and is now being studied in every District or Sub District in Arkansas. Manuals and study books are designed for you to use in your classes and groups. Teachers and leaders have been trained all over the Conference.

On-the-ball churches already are building a **Vision 2000**, planning to strengthen their Sunday School, their Kid's Klubs, their youth ministries, their stewardship programs, their missional outreach and community service. These are not mere words. We have been pleading for a focus on the local church for years. Now we have it.

Sunday School '91 defines a dynamic component of **Vital Congregations/Faithful Disciples**. It's simple; it's applicable; it's important. Our goal is to conduct a six-weeks attendance campaign this fall, from September 8 through October 13 and increase attendance over the same period in 1990 by 9.1%. **9.1 in 91** is our motto. We can do it if every church will try. Some will start new classes. Some will invite the unchurched. Some will call on children and youth. Some will fix up their nurseries. Hopefully everyone will call on the inactive.

To strengthen the Sunday School, one strategy is to develop Disciple Bible Study groups to train and inspire lay leadership. (I'd like to stop and ask every person whose church is enrolled, or who has taught or taken Disciple or who is trained and ready, just to stand up for a second.)

Now these pastors and these churches are on the cutting edge. They will have a cadre of people ready to help them launch **Sunday School '91**. Look to them for help and encouragement.

In addition to Disciple, the Area, the Conference, Districts, and others will be providing workshops, lab schools, promotion materials - everything you need to make this fall a launching pad for renewed Sunday School. We will be cooperating with the North Arkansas Conference. Radio spots, highway billboards, newspaper publicity will help us.

A word about Money. On one hand we must keep our apportionments reasonable lest we squeeze the life blood out of the local church, especially in economically stressed areas. On the other hand, some churches need a heavy dose of education to see the world-wide scope of our ministry. Some churches are so provincial, so limited, they fail to see a thousand missionaries, hundreds of institutions, support for retired pastors and a hundred ministries of which they are a part. I hope, for example, you lay members will go home and tell your people what we are trying to do in teen crisis ministries, drug ministries, and a developing youth program.

But the key thing about money is whether we are obedient to God's command and promise. Bring *the full tithes into the storehouse . . . and thereby put me to the test, says the Lord, . . . if I will not open the windows of heaven and pour down for you an overflowing blessing.*

Pastors, lead out with your tithe.

Pastors, testify to the power of the tithe and preach on it.

Lay people, put your tithers on your Finance Committee.

And then give everybody a chance to give. I am amazed how few churches call on everyone, including constituents, inviting them to participate.

I have just learned that only 25 percent of our churches took up the **One Great Hour of Sharing** offering.

I hope every church will help with the Philander Smith Campaign.

It has been a dynamite year for the Little Rock Conference. Our efforts these past seven years to stop membership decline have finally shown results. Shortly after check-outs, I started receiving statistics: first, a net loss of six, then a net loss of only one, then a net gain of one, finally landing on the net loss of only three persons. That's a long way from the two to three thousand hemorrhage we used to have. Congratulations to all of you.

You can imagine how pleased I was when Carolyn Marshall, secretary of the General Conference, called me to say the Little Rock Conference would receive four instead of three lay and four instead of three clergy delegates to General Conference. Then, she said we made it by 34 members. Whew!

There are stronger theological motivations for evangelism than that, but it was a nice reward for your labors.

The Little Rock and Arkadelphia districts led the way.

Our average worship was up in the Conference, but Average Sunday School Attendance was down. Hopefully 1991 will be a great year for the Sunday School. **Sunday School '91** should really help. The **Five Star Plan** both this year and next will focus heavily on the Sunday School.

Finances were terrific -- the best year in a long time. Apportionments were paid at 94% of Conference Askings, way above the national average of 90 to 91 percent. The dollar amount was an all time high of over \$3,355,000. An additional quarter of a million dollars was given to Second Mile benevolent giving. I have just learned that this conference just received a youth award: one of the top 20 conferences in Youth Service Fund giving.

Our institutions are in excellent condition. Hendrix College continues to be a leader in the nation. Philander Smith is on a roll with a balanced budget and a current \$3 million Capital Funds Campaign with which you are helping as individuals and as individual churches. Enrollment is over 700 students. Camp Tanako comes before you at this conference grateful for your support, housing the strongest summer camping program in years, continually improving facilities and preparing to receive a million dollar gift in the year 2000.

Camp Aldersgate has a splendid new director, Mrs. Sarah Spencer. Florence Crittenton Home for unwed mothers is an Advance Special and a recipient of food from scores of United Methodist Women's groups. The Children's Home stands at the brink of an exciting, decentralized ministry to youth, with a new home at Batesville and a projected homes in West Memphis and Pulaski County. You can be mighty proud of your institutions.

Now I want to say a word about our small churches. Bishops in other Areas stand aghast when I tell them about our many small churches. One in seven United Methodist churches in Arkansas has less than 25 members.

We are doing everything we can to keep our small churches alive and vibrant:

We subsidize salaries with over \$95,000 of Conference funds. We apportion pension payments to benefit the smaller churches. We yoke, build circuits, develop cooperative or cluster ministries. We should be doing more cooperation. Why don't twelve or fifteen of your churches in a county go together for a summer youth program or a mission work camp or a United Methodist Men's Fellowship, or a visiting missionary?

But let me show you how we help most, and this is a great credit to the District Superintendents. We serve many churches with skilled, dedicated people who have other means of financial support.

Listen to these figures:

25 retired pastors serve 31 churches;

36 part-time local pastors serve 68 churches;

5 student local pastors serve 12 churches;

4 pastors from other denominations serve 6 churches;

5 lay speakers serve 11 churches (that doesn't count the hundreds of individual worship services or

Disciple groups led by lay speakers.)

All told, 128 of our churches -- over 36 % -- are served by dedicated, mostly part-time, people, both men and women. The Superintendents are continually at work filling these important pulpits. We never close or merge a church until the people, usually when only a handful remains, request such a decision.

One way your bishop and the cabinet have been trying to help all the churches is by lengthening tenure. Lay people have pleaded for longer pastorates; families of ministers generally appreciate it.

In 1986, our average tenure for full-time pastors was 2.9 years. I am happy to say that this year we will only have 47 full-time moves (compared to a traditional 65 - 80 moves). These resident pastors have 3.7 years of service behind them in their current charge. It is a wonderful thing when pastors learn how to follow themselves instead of somebody else. And it is a wonderful period of spiritual growth when a church can work together with its pastor for several years.

We are thankful for the women in ministry -- nearly 40 in Arkansas now. We generally have good acceptance. This year was a little more painful than usual. In the State, we had one church block an advancement and two churches in each conference refuse -- out of hand -- the appointment of a woman pastor. This prejudice of course must quickly come to an end. For the positive side is the scores of congregations who brag on the woman who is their minister and who experience the spiritual power she brings. We do not have a woman superintendent or bishop, but we do have women in ministry who are accepting larger responsibilities every year.

Sometimes people will say to me, "We have Church of Christ or Baptist people in our community who will not accept a woman minister." Remind them that we are a part of the Holiness movement -- we, along with the Salvation Army, the Assembly of God, the Pentecostal Holiness, the Pentecostal Methodists, the Free Methodists, the Wesleyan Methodists, the Quakers, have always had women in ministry. That's because the Holy Spirit calls people into the apostolic ministry. The prophet Joel was quoted by St. Peter on the Day of Pentecost:

"I will pour out my spirit upon all flesh, and your sons and your daughters shall prophesy. Yea, and on my menservants and on my maidservants, . . . I will pour out my Spirit and they shall prophesy." (Acts 2:17-18)

For Julia and for me, this has been a wonderful year. Our renewal time was spent in writing and designing Disciple II. During the winter, I was able to visit each of our twelve area districts, listening and sharing with lay persons and ministers about our common experiences. (It was so helpful for me -- and so well received that the Episcopal Committee has asked me to do it again next January and February.)

We have completed our appointments -- and thanks to your prayers and Divine Providence, we have a dedicated preacher for almost every church in the conference.

Two weeks ago Julia and I presented our daughter Susan in marriage to a young United Methodist preacher from North Carolina. So many of you sent good wishes. I was able, even on crutches, to hop up and help Dr. Leighton Farrell perform the service.

In July, we will help represent the Church at the World Methodist Conference in Singapore — along with about 30 persons from Arkansas.

We cannot thank you enough for your encouragement and support. Jesus is the Lord, Lord of the Church and of human history. Together we will praise him, serve him, and offer him graciously in the Wesleyan Spirit to others. May God richly bless you and all the churches under our care.

EPISCOPAL COMMITTEE

The Conference Committee on Episcopacy continues to be available to the bishop for counsel and to recommend ways for him to be in closer contact with clergy and laity.

At the May 12, 1990, combined meeting of the Little Rock and North Arkansas Conference Committees on Episcopacy, the motion was made to encourage the bishop to consider district meetings to discuss "consultation in appointment making" in January and February 1991 inviting lay leaders, pastor/parish relations committee chairs, and pastors to participate.

This motion was made after discussion and evaluation of the clergy district meetings held in 1990. The committee felt these should continue. Discussion about the consultation in appointment making and the need for a better understanding of how the appointment process evolved among laity led the committee to ask for laity to be included in the next round of meetings.

These meetings took place with an expanded agenda by the bishop in January and February. Informal feedback from these meetings have been very positive. The Committee feels that this opportunity to keep the bishop advised concerning conditions within the area as they affect relationships between the bishop and the people of the conference agencies and to interpret to the people of the area and to conference agencies the nature and function of the episcopal office has helped fulfill our disciplinary requirements.

There will be a joint meeting of the Little Rock and North Arkansas Committees on May 4, 1991. The committee welcomes suggestions and concerns from all of you to help us as we seek to be faithful to responsibilities of this committee.

TASK FORCE ON ETHNIC LOCAL CHURCH CONCERNS

Having earlier completed both the Comprehensive Plan, which enumerates our pre-defined goals and serves as our guide for accomplishing them, and the design of the cluster workshop, the means by which the Plan was to be initiated, the task force has devoted much of this conference year to planning and conducting two cluster workshops. These workshops, entitled "Partners in Ministry," were held on December 15, 1990, at St. Paul United Methodist Church, Maumelle, for the Arkadelphia, Little Rock, and Pine Bluff districts and on February 2, 1991, at Ebenezer United Methodist Church, Nashville, for the Hope and Camden districts. (Plans call for initiating a training event in the Monticello District later.) Focusing upon stewardship education, community development, evangelism/revitalization, and leadership development, the workshops, via a most capable and committed leadership team, provided participants extensive information with great potential for enriching the ministries of our ethnic local churches and at the same time rendering them an integral part of growth and evangelism in the United Methodist Church. Response to the workshops was both positive and enthusiastic, with more than one hundred participants in attendance. Numerous participants expressed a desire for additional workshops of a similar nature.

Further implementation of the Comprehensive Plan took the form of financial support to ethnic local churches and projects as follows:

A. Leadership Development

1. Provided scholarship support for two youth to attend college.
2. Provided support for the United Methodist Fellowship-sponsored African-American Youth Development Conference.
3. Sponsored a grant writing session in conjunction with one of the cluster workshops.
4. Provided support for five ethnic youth to attend the BMCR meeting in Houston.

B. Outreach and Mission

Provided support to the tutorial program at St. James, Pine Bluff.

C. Facilities

Provided support to projects at four ethnic local churches.

The task force continues to seek ways to serve Little Rock Conference ethnic local churches and remains optimistic that with God's help and through its efforts, the ministries of these churches will be greatly enhanced.

HENDRIX COLLEGE

It is with great pleasure that I report to you that Hendrix College continues to fulfill the mission given to it by the church more than 100 years ago. The support of the United Methodist Church and the tradition of being a United Methodist-related institution have enabled Hendrix to provide distinguished undergraduate academic programs which are dedicated to the cultivation of whole persons. It is in concert with the support of the United Methodist Church that Hendrix continues to be a source for the transmission of knowledge, the refinement of intellect, the development of character, and the encouragement of a concern for values. In these ways Hendrix strives to equip its graduates for service to God's creation.

The Hendrix report to the Conference last year provided an overview of activities to which the college is committed in order to further strengthen its relationship with the church. This year a review committee of the University Senate of the United Methodist Church visited Hendrix.

Following its visit on campus from October 10-12, 1990, the committee reported that:

Hendrix College is a first-rate, well-administered, United Methodist, liberal arts college, with highly competent faculty, staff, and students. Indeed, Hendrix may well be the pre-eminent liberal arts institution within its general region, and the committee is pleased to report its observations of strength and evolving progress relative to the University senate criteria derived from the Discipline of the United Methodist Church.

The committee recognized the commitment of both conferences of the United Methodist Church in Arkansas to Hendrix and observed that the financial support of the Little Rock Conference has been "more than symbolic." It indicated the dedication on the part of the Conference to higher education and to Hendrix in particular. The committee went on to state that "in view of Hendrix College's sterling reputation, the two Conferences are getting a tremendous amount for their dollar!" The visitors commented that "the office of admission at Duke Divinity School has complimented Hendrix for its success in directing people to ministry." According to them, Hendrix remains "one of their primary sources of students." With respect to institutional integrity, the review committee found "the college to have a well-defined mission statement appropriate for an institution related to the United Methodist Church." In conclusion, the committee found that it is obvious that

Hendrix College is an excellent liberal arts college with a reputation that is growing steadily among those who appraise and rate colleges today. The United Methodist Church can be proud of how this fine institution both reflects and promotes high moral values.

The review committee unanimously recommended that Hendrix be continued in the listing of United Methodist related institutions.

Hendrix is proud of its recent accreditation by the University Senate, and we look forward to our relationship with the church as we continue to fulfill our mission through the next century.

We would also report to you on several areas of the college in which we believe you would be interested.

Preaching Workshop: There was a pastor's preaching workshop at Hendrix on May 20-21, 1991. This workshop was led by Dr. Eugene Lowry from St. Paul School of Theology in Kansas City.

Hendrix Fellowship Teams: This year the college has continued its program known as fellowship teams. Upon invitation from local congregations, groups of four to six Hendrix students and a staff advisor go into local United Methodist Churches to preach, sing, teach, witness, serve as liturgists, lead discussion groups, and talk about Hendrix. Through the fellowship teams Hendrix attempts to maintain close contact with the local church. These teams are an expression of our appreciation to the United Methodist Church. We hope the program is as meaningful to the local congregations as it is to our students. This year fellowship teams visited eight different churches.

Recognition of Church Leaders: We continued our program this year to recognize selected church leaders who have distinguished themselves in the field of Christian education and social awareness. These awards were established in memory of Mary and Ira Brumley (education) and Ethel K. Millar (social awareness). This year's recipients of the Mary and Ira Brumley Awards were The Reverend Jerry Canada and Pat Halwes. The Reverend William Robinson, Jr. and Mrs. Freddie Nixon were this year's recipients of the Ethel K. Millar Awards.

Religious Studies: The religion courses at Hendrix are designed to lead students to discover the vital role of religion in life. as reported to you last year, the college has a strong three-member department of religion. In addition, Dr. Dana Thomason, assistant counselor and chaplain and director of church relations, taught two courses in Biblical Studies this year for the religion department.

Marshall T. Steel Center: This year, under the auspices of the Steel Center for the Study of Religion and Philosophy, Hendrix provided 14 programs designed to enrich the lives of the students, the local community, and United Methodist laity and clergy. Among those participating in Steel Center events this year were Dr. Steve Harper from Asbury Theological Seminary who spoke on "The Wesleyan Message in the 21st Century," and Dr. Michael Cartwright from Alleghany College who spoke on "What Needs to Happen in United Methodism?"

Enrollment: Hendrix began the 1990-91 school year with 1,006 students. Methodists made up 31 percent of the enrollment and 5.8 percent of the students were minority. Approximately one-half of this year's freshmen class were in the top 10 percent of their high school graduating class. The average grade point average for incoming freshmen was 3.41, with an average ACT of 25.7, and an average SAT of 1100.

Financial Assistance: Seventy percent of all students received some form of financial aid. Dependents of United Methodist ministers and ministerial students receive a one-half tuition scholarship from the college. Hendrix is committed to recruitment of minority students and has several funds designated to assist them.

Hendrix Highlights: The U. S. News and World Report issue on "America's Best Colleges" published the week of October 15, 1990, listed Hendrix in the National Liberal Arts college category. The editors wrote that "by any standards these colleges are the major leagues of higher education." Hendrix is the only institution in Arkansas to be listed in the National Liberal Arts category. The fall issue of Money Guide magazine ranked Hendrix 22nd among the top 200 private and public colleges that "deliver the best education for the buck." Hendrix was second in the nation of best buys among the United Methodist-related colleges which were included in the survey.

INDEPENDENT AUDITOR'S REPORT

We have audited the statement of assets, liabilities and fund balances - cash basis of The Little Rock Conference of The United Methodist Church as of December 31, 1990 and 1989, and the related statement of changes in fund balances - cash basis for the year ended December 31, 1990. These financial statements are the responsibility of the Conference's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 1, the Conference's policy is to prepare its financial statements on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than generally accepted accounting principles. Consequently, certain receipts and the related assets were recognized when received rather than when earned, and certain disbursements were recognized when paid rather than when the obligation was incurred. Accordingly, the accompanying financial statements are not intended to be presented in conformity with generally accepted accounting principles.

In addition, the Conference has not capitalized its fixed assets and recorded the related depreciation as required by the Financial Accounting Standards Board effective for years beginning on or after January 1, 1990. The effect of noncompliance with this requirement has not been determined.

In our opinion, except for the effects of not recording fixed assets and the related depreciation as discussed in the preceding paragraph, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and fund balances of The Little Rock Conference of The United Methodist Church as of December 31, 1990 and 1989, and changes in fund balances for the year ended December 31, 1990, on the basis of accounting described in Note 1.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 1990 AND 1989

1. Summary of Significant Accounting Policies

Basis of accounting - The financial statements of The Little Rock Conference of The United Methodist Church have been prepared on the cash basis. The records are held open for approximately two weeks after year-end in order to include the remittances from the churches in the conference for the last few weeks of the year. This policy is consistent with prior years.

2. Income Taxes

The conference meets the requirements of Section 501(c)3 of the Internal Revenue Code and is therefore exempt from federal income taxes.

3. Cash Investments

All cash investments are recorded at cost plus interest income as received in the account. These balances approximate current market value of the particular investments. Due to the current nature of some of these investments, market quotations are not available.

Interest on the savings accounts is received quarterly. Interest on Dean Witter Intercapital Liquid Asset Fund and Fidelity Cash Reserves are received monthly. Interest on all other cash investments is not recognized until maturity.

Interest earned on investments during 1990 and 1989 was \$86,764 and \$110,927, respectively.

The aggregate market value of short term cash investments was \$206,669 at December 31, 1990 and \$444,769 at December 31, 1989. Net unrealized losses amounted to \$8,200 in 1990 and \$5,183 in 1989 which are considered immaterial and temporary in nature and will be reflected when realized.

4. Pension Plans

Substantially all conference employees are covered under one of the two defined contribution pension plans.

- a. Ministerial employees - All ministerial employees, including the Bishop, are covered under a defined contribution pension plan whereby the participant contributes 3% and the church or conference contributes 10% to 12% of the participants' annual contribution base (compensation) based on the conference average compensation as computed by the General Board of Pensions.
- b. Lay personnel - All lay employees are covered under a defined contribution pension plan whereby the participant contributes 3% and the conference contributes 6% of the participants' annual contribution base (compensation).

Both of the aforementioned plans provide benefits upon retirement based on converting accumulated contributions for that participant to an annuity or an actuarially equivalent basis.

Both plans are multi-employer plans by which all contributed assets of participating employers are commingled and are not segregated by employer. This commingling of assets prevents a matching of individual employer's plan assets to plan liabilities.

Total pension cost for the years ended December 31, 1990 and 1989 were \$653,723 and \$588,954, respectively.

5. Contingencies

At December 31, 1989, the Little Rock Conference is contingently liable for mortgage obligations of \$298,115 in connection with the construction of new cabins at Camp Tanako.

KOREAN MISSION IN SOUTH CENTRAL JURISDICTION

The ministry of South Central Jurisdiction Korean Mission has been implemented as below:

1. **NEW CHURCH DEVELOPMENT:** The comprehensive plan has been planned to develop new Korean churches and mission congregations in cooperation with the Conferences and the Districts. During the 1990-91 I implemented the Kansas City Central Korean United Methodist Church under the ministry of Asbury United Methodist Church in Kansas City, Kansas and the Korean Ministry of First United Methodist Church in Arlington, Texas. Then now we have 34 Korean churches and mission congregations in the jurisdiction. I also plan to implement three more churches and mission congregations in 1991-92.

2. **GROWTH OF EXISTING CHURCHES:** One of the primary purpose of Korean mission work is the CONSULTATION, COORDINATION, and FACILITATION enabling the ministries for growing Korean churches among the growing Korean communities in the jurisdiction in cooperation with the Conferences and the Districts to support the Korean congregations to adjust to the United Methodists. During the 1990-91 four mission congregations had been officially chartered as Clovis Korean United Methodist Church, Wichita Korean United Methodist Church, Dong-San United Methodist Church and Copperas Cove Korean United Methodist Church.
3. **RECRUITMENT AND TRAINING OF MINISTERIAL RESOURCES:** We continuously need to recruit ministerial resources for seminary education, and to train the Korean language pastors to increase their ministerial abilities and skills for effective ministries. I plan to pen a special intensive course of "United Methodist Polity" in Korean for new Korean church pastors in cooperation with the Division of Ordained Ministry, Perkins School of Theology and the Jurisdiction Council on Ministry. I also plan to have a training session of laity leadership.

I greatly appreciate for your prayer and help enabling the Korean mission works in the South Central Jurisdiction.

Bon Woong Koo, Korean Mission Director, SCJ

MOUNT SEQUOYAH CONFERENCE AND RETREAT CENTER

Our 1991 theme is "Mount Sequoyah - The Place!" This place (Mount Sequoyah Conference & Retreat Center) became a reality in the Southern Methodist Church in 1922 when Fayetteville, Arkansas was accepted as the site of the new "Western Methodist Assembly" grounds. The city of Fayetteville offered church representatives in the top of East Mountain together with land totaling 400 acres, and a pledge of \$35,000 in cash to assure the establishing of our Assembly in their city. It was Mrs. A. C. Millar, wife of the first administrator, that suggested the name of "Mount Sequoyah."

Since 1922 United Methodists and other Christians have come to this place for conferences, retreats, training events, camps, spiritual journeys, and outreach ministries of all kinds. This place is where the Cross of Christ has been lifted up over the city of Fayetteville and thousands are drawn to this site. The mountain top experiences at this place have enriched the entire world and the church.

Dr. Earl Carter served as Interim Administrator the first part of 1990. The staff was re-structured in late 1989, and Carrol Rainwater serves as Chief Operating Officer. During the transition, the quality and quantity of events and persons sharing the Mount Sequoyah Spirit has continued at a high level. The coming of the new Administrator (Rev. Robert E. Young) June 1, 1990 was facilitated in an excellent way because of the wonderful previous administration of both Earl and Carrol. This enabled us to relate to the whole Jurisdiction; also, to visit and share the Sequoyah Spirit with nine annual conferences. Plans are to visit the remaining annual conferences in 1991. Besides hosting events on the mountain and communicating with the Jurisdiction, we have preached in churches in Arkansas, Oklahoma, and Texas telling the Sequoyah Story.

At the Fall meeting of the Board of Trustees two significant steps were taken. First, an adoption of a Family Ministry policy statement affirming the excellent usage by Adult and Older Adult groups. They also saw the need for the whole family ministry, especially for children and youth. They authorized the administration to work with family, children, and youth groups and to allocate available facilities and resources in a prudent and effective manner. Secondly, in order to fulfill this policy, they authorized the selection and hiring of an independent professional organization to help us. Resources Systems, Inc. (RSI) of Dallas, Texas, has been secured to do a study and make recommendations for needs to fulfill Mount Sequoyah's ability to meet the challenges that are ahead. They will help us define the building needs, program needs and the possible capital funds needs. Some of you will be asked for inputs to this study. This will be planning for the future of Mount Sequoyah. Probable improvements include: A new sports complex, swimming pool, outside play areas, tennis courts, basketball courts, etc.; additional new self-contained first class housing facility; and any needed residence housing. The very successful Bishop's Club will be continued and phased into our planning.

Some of the more memorable occurrences or events during 1990 were:

- The loss of our dear friend Bishop Paul Galloway, August 4, 1990. There was a mutual love between him and the staff of Mount Sequoyah.
- Galloway Cafeteria building was re-done with a new sloped roof in Spring of 1990.
- Bishop's Week continues to be an outstanding event, with record attendances.
- The seven Retiree events are always outstanding. The Mountain Staff enjoy them and they seem to be enriched with the Mountain Top Experience.

-VIM Work Camp event is always of great interest. We get a lot of things done, and it is such a pleasant experience.

-The capacity of Mount Sequoyah was tested with about 386 people attending a new "Adults Over 50" event. It rained the first two days of the event and our Galloway Cafeteria became "Camp Galloway" for those 2 days. We also had a record of coffee consumption (over 1200 gallons). We and they had an enjoyable experience.

-The Marriage Encounter World Reunion was held here in 1990 with about 300 attenders.

The 1991 Events will be exciting with full attendance at Bishop's Week, Retiree Events, and VIM Work Camp, and Volunteers in Missions helpers, and every person of the 17 Annual Conference is invited to share our mission and ministry. When you are called upon to assure our future, please respond affirmatively. Come to the Mountain as often as you can. Serving as Trustees from Little Rock Conference are Bishop Richard B. Wilke, Member of Executive Committee and also Buildings and Grounds Committee member; W. E. (Ned) Hastings, Member of Budget and Finance Committee; and Ed Matthews, Member of Executive Committee and Chairman of the Development and Endowment Committee. Your Ambassador to Mount Sequoyah is Rev. Robert Scott of Crossett, AR.

Mount Sequoyah has a great future. Every person in the seventeen annual conferences in our great South Central Jurisdiction is invited to make "our place" their place. The same Sequoyah Spirit of the 1920's is still alive and we invite you to come to this place!

Robert E. Young, Administrator and Chief Executive Officer

PHILANDER SMITH COLLEGE

Student head count enrollment for the 1990 Fall Semester increased 23% over the 1989 Fall Semester. Head count enrollments for Fall, 1989 was 622 students and for Fall, 1990 the enrollment was 762 students. This is one of the highest enrollments in the college's history.

The college operated in the "black" last year, notwithstanding the fact that there was a dire need for additional funds. A new mini vax computer will be installed this Spring to improve fiscal operations and other administrative functions. A \$3 million dollar Capital Campaign is in process and the Arkansas Area of the United Methodist Church is committed to raising \$100,000 for the Campaign. This year, the college endowment funds have been increased significantly.

New major programs have been installed in Music and in Business and Economics. Two modular buildings have been constructed to house the Music Program and the Special Services Program. Our faculty and staff remain committed to quality education. The college is developing a new Strategic Plan which focuses on goals and objectives up to year 2000. The collegiate choir is magnificent, and is highly recruited to do performances on the local, state and national level. This year, the choir celebrates 100 years of distinguished service in the college's 113 years of existence.

THE SOUTH CENTRAL JURISDICTION

"The Mission of the South Central Jurisdiction is to: (1) select leadership for the church and administer the affairs of the Jurisdiction as directed by the Book of Discipline; (2) coordinate the networking of strategic persons and groups from the various annual conferences at the expense of the conferences; (3) respond to program needs and implement and evaluate programming which can be done more efficiently and effectively on a jurisdictional level; (4) respond to mandates of the General Conference; and (5) provide supervision and accountability of the jurisdictional institutions and the policies of the jurisdiction" (From the Mission Statement). The program unit of the jurisdiction is its council on ministries. During the past year (1990) there were twenty-six leadership training and inspirational events approved and implemented with a total of 3,725 participants, an increase of almost 400 over the previous year.

Included in these activities were the following:

Conference on Hispanic Ministries
 Consultation on Cross Racial Ministries
 "Beyond Survival" (Black Clergy)
 Summer Children's Camp (Rio Grande Conference)
 Victoria Lab School (Victoria District & Rio Grande Conf)
 Jurisdictional Work Camp
 Celebrating Marriage
 Six (6) Retiree Retreats
 Bishop's Week
 Lab/Seminar at Mount Sequoyah
 Spiritual Life Rally (youth)
 SuperServe (Volunteers in Mission)
 Camp Leaders Workshop
 Town & Country Ministries Consultation
 Conversational Spanish (Mount Sequoyah & Lydia Patterson)
 Senior Ministers Seminar
 Archives & History Workshops (St. Paul's & Perkins)
 Journey into Wholeness

The Jurisdiction also administered the scholarship program for ethnic minority seminarians, the Lillian Thompson scholarship fund for seminarians, and is a major participant and supporter of the Protestant Radio Hour.

We express our appreciation for your support of the Jurisdictional Administration Fund, the Advance Specials of the Jurisdiction, Volunteers in Mission office, and the coordinator of Korean Missions. Dr. J. Walter Lofton and Mrs. Marilyn Loyd have represented the Little Rock Conference on the Jurisdictional Council on Ministries and Dr. John B. Hays has served on the Jurisdictional Council on Finance and Administration. Several other persons from across the eight-state area have served on the standing committees and task forces of the Jurisdiction. Without their prayers and service not as much would have been accomplished. The College of Bishops has served in many ways in its support of the Jurisdiction. Most of all we are grateful for the dedication and commitment of our people in the local churches whose loyalty and gifts are a source of inspiration and hope.

Earl B. Carter, Executive Director, South Central Jurisdiction

UNITED METHODIST SENIOR SERVICES OF ARKANSAS, INC.

The church's commitment to serving seniors through a ministry such as this is a strong one. UMSSA can really reach out to touch individuals and groups from the smaller rural church to the large urban church. Whether the need is in assessing a problem, accessing existing local services, curriculum and program development, housing or health care needs, the UMSSA will be available to work with the local church or district. This relationship is designed to be supportive - not to take over the responsibilities of the local church. Through a joint effort UMSSA and the local pastorate will enhance the lives of all concerned - the caregivers, the seniors, the volunteers, and the staff. It's a great dream and we're making it come true.

United Methodist Senior Services of Arkansas is very eager to help in any way possible in developing a ministry for the elderly, appropriate to your church or community. In order for us to be helpful in the development of new retirement facilities, we are making, as a part of our report, the criteria. We strongly encourage each community or church interested in the development of a new retirement facility to be familiar with these guidelines.

GUIDELINES FOR THE DEVELOPMENT OF NEW RETIREMENT FACILITIES**A. Development Steps**

The following steps outline the logical sequence in the development of a new retirement facility. However, circumstances may dictate that these be modified as appropriate and necessary.

1. Local community group invites UMSSA to explore the development of a retirement facility in its community.
2. UMSSA meets with representatives of the local community and discusses the concept of a retirement facility, its programs and services, defining the responsibilities of all parties, and outlines the steps in the development of a retirement facility.
3. Local community organizes a project committee of enthusiastic community leaders and arranges for the start-up fund to underwrite the cost of demographic and feasibility studies.
4. UMSSA arranges for the required demographic and feasibility studies.
5. The local community designates potential sites for the project with the advice and guidance of UMSSA.
6. If studies indicate the project may be feasible, UMSSA writes a development program for the facility and commissions an architect to prepare preliminary drawings and cost estimates.
7. UMSSA prepares operational budget proforma and makes a final preliminary comprehensive economic viability assessment.
8. UMSSA makes a "qualified go" or a "no go" decision.
9. If the decision is a "qualified go" UMSSA authorizes the architects to do sufficient design work and to arrange for sufficient design work and to arrange for sufficient engineering work to enable a cost estimate to be made within 10% plus or minus range.
10. A capital funds campaign is organized and conducted to raise the required necessary funds.
11. UMSSA implements a promotion and marketing program to interpret the proposed facility to the public and to secure commitments from potential residents.
12. UMSSA decides if the project is "no go" or makes a "full commitment" to proceed with the project development.
13. UMSSA employs an administrator to continue promotion and marketing of the project and to provide on-site oversight of construction.
14. When 50% of the residential units are committed and 75% of the fund raising goal has been reached construction of the project begins.

B. Responsibilities of Local Communities

1. Organize a nucleus of enthusiastic community leaders who are "shakers and movers" and who are committed to such a project, including representation from all local Methodist congregations.
2. Provide a start-up fund of \$10,000 to help underwrite the cost of demographic and feasibility studies.
3. If feasibility study is positive, in cooperation with UMSSA, establish a local non-profit corporation to own the proposed facility, which shall be a subsidiary of UMSSA. Provide local leadership for board membership in accordance with UMSSA guidelines.
4. Locate and secure an option on a site that is acceptable to UMSSA.
5. SOUTHERN METHODIST UNIVERSITY

I am pleased to comply with the 1988 Resolution from the Jurisdictional Conference requesting an Annual Report to each Annual Conference in the South Central Jurisdiction.

The academic priorities, which the Board of Trustees approved in December of 1989, have now begun to be implemented. We will begin requiring all entering students in Fall 1991 to have a major and a minor, which will broaden the cross-disciplinary base of our commitment to a central liberal arts undergraduate education. We will continue to refine our curriculum with an eye to the global and multi-cultural nature of our world and the need for strong ethical and technological expertise. To that end we have clearly identified fund raising priorities for science and technology needs at SMU. Additionally, we have appointed Father Charles Curran, a Catholic theologian and ethicist, to fill the Scurlock Chair in Human Values, a University-wide appointment. We have opened the new Hamon Arts Library this Fall and have broken ground for a new Greer Garson Theater, both of which continue our strong commitment to the arts.

Southern Methodist University continues to make progress on achieving a balanced budget by 1992-93, through a series of expenditure reductions and a variety of fund raising initiatives. Our strong need is in the area of unrestricted endowment, and particularly student financial aid. We were pleased to receive a five million dollar gift from Roy Huffington of Houston for the unrestricted endowment, but much more is needed.

It is with a great sense of satisfaction that I report to you that the new United Methodist Campus Minister, Reverend Greg Ligon, has been making outstanding inroads into developing a new United Methodist at SMU. The Jurisdictional commitment to this ministry is vital to our commitment to United Methodist SMU students. We are hopeful that you will continue to encourage United Methodist prospective students to consider SMU.

We are pleased to have Forrest Gregg as the new Athletic Director and I am confident that under his leadership our program of achieving the appropriate student-athlete model at SMU will continue.

We continue to appreciate your interest and support for SMU. With your prayers and gifts, we shall continue to move forward in making SMU an outstanding United Methodist institution of higher learning.

SUNDAY SCHOOL '91 Area Steering Committee Report to the Little Rock Annual Conference

Committee members: Thomas E. Weir, Chairperson; Buddy Arnold, Vice Chairperson; Karen Fry, Secretary; Dr. J. W. Lofton, C.E. McAdoo, Mort Cox, Donna Goodner, Tom Williams, Allan Bruner, Aaron Barling, Jim Meadors, Suzie Singleton, Melanie Scoggins.

Sunday School '91 is the result of a strong belief that the North Arkansas and Little Rock Annual Conference can and should do ministry together and that the Sunday School and Christian Education is a most crucial area of ministry needing our urgent attention.

Components of the Area Emphasis include the 5-Star Plan of Excellence which is totally devoted to the Sunday School and a resource kit filled with information and opportunities for fulfilling the 5-Star requirements.

A media kit has been provided the DCOM's with suggestions for doing a media promotion - "Invite a Friend to Sunday School." Billboard posters, yard signs, balloons, radio and TV spots, and stickers are available to districts and local churches to promote "Invite a Friend to Sunday School."

September 8 - October 13 are the dates for our Sunday School "Invite a Friend" attendance campaign. An attendance goal of +9.1% increase for each congregation over the same 6 weeks period in 1990 has been adopted. The attendance campaign kit is an excellent resource for each local church and provides a clear and concise plan for the campaign.

In a day when 83% of all American youth drop out of church by age 16 and only 4,000,000 of the approximately 15,000,000 high schoolers receive any religious instruction, the urgency of our task becomes crystal clear. As the Sunday School goes, so goes the church. "Invite a Friend to Sunday School."

Thomas E. Weir, Chairperson

SAINT PAUL SCHOOL OF THEOLOGY Kansas City, Missouri

The 1990-91 school year began with one of the largest entering classes in our history. Both the number and quality of our students are encouraging for us and, more importantly, for the future of the church.

Warren C. Carter joined the faculty of Saint Paul this year as Instructor in New Testament. A native of New Zealand, Mr. Carter is a Ph.D. candidate at Princeton University.

We at Saint Paul are clear that the futures of local churches and seminaries are one. Local churches can only be strong if the seminaries preparing their future leadership are strong. Likewise, we in the seminaries cannot do our work well without staying in close and ongoing communication with those in the churches who brought us into being, who have supported us through the years, and for whom we are preparing a new generation of leaders.

Listening to churches is a way of life at Saint Paul. The most recent example of this listening is an extensive survey conducted with United Methodist laity and clergy in six Annual Conferences. Surveyed were 1,000 Pastor-Parish chairpersons, every fifth pastor, and the Conference ministerial leadership.

Important learnings were gained as persons responded to a number of questions. When asked what things they most associate with effective leadership in the church from ordained and diaconal ministers, those surveyed responded that the most important were preaching and leadership skills. People were also asked what

areas of study seminaries should be addressing in a special way today. Again there was consensus as evangelism was named the top need by all groups.

When asked to reflect on how well Saint Paul prepares persons for various dimensions of ministry, the respondents gave highest marks to preaching, ministry with the elderly, and church and society. On an open-ended question regarding strengths, faculty were most often named. More emphasis on evangelism and renewal of physical facilities were most often mentioned as suggested areas of improvement for Saint Paul.

Especially encouraging for us at Saint Paul was the respondents' attitude about recommending Saint Paul to a prospective seminary student. The response of Conference leaders was forty-six percent for "strongly recommend," forty-three percent for "recommend," and eleven percent for "offering Saint Paul as an option." No Conference leaders indicated that they either would not recommend Saint Paul, or that they would strongly discourage someone from attending Saint Paul. We appreciate this strong vote of confidence. Faculty, staff, and trustees have already begun studying the survey results. As plans are made for the future, the survey findings will provide insight and guidance in many areas of the seminary's life.

TEEN CRISIS TASK FORCE

The United Methodist Church should be a key player in a full scale effort to work with teenagers on these crucial issues of drug usage, pregnancy, and suicide among Arkansas youth. The Church is already a powerful force in local communities. The organization of the Church into conferences and districts provides an excellent network for cooperation and documentation of information. The Church teaches vital spiritual messages that should provide a stable base that will support teenagers during the turbulent times of their lives.

While a local school is a powerful influence in the lives of young people, the Church can play a unique role. A religious community brings adults, young people, and children together in the common bond of spirituality. In an age when the traditional family with a father and mother living in the same house is a minority situation, the church can provide an extended family atmosphere as a support to young people.

The purpose of the Arkansas Area Teen Crisis Task Force is to begin to provide a practical means of addressing three specific areas of teen crisis: 1) suicide, 2) substance abuse, and 3) pregnancy. The first goal of the task force has been consciousness raising for Area United Methodist Churches to the current epidemic of teen pregnancies, teen suicides, and teens involved in substance abuse and how it affects the local community. The second goal is to educate/inform the local church on ways to address the three crises. The third goal is prevention and peer counseling. The path the task force has chosen in accomplishing these goals focuses on workshops, training manuals and communication in each district of the state. As a part of consciousness-raising, educating and informing local churches about the three crises targeted, workshops are being scheduled in each district with speakers, informational handbooks (training manuals) and discussion times focusing on ways to address and handle the current crisis as it happens. The follow-up workshops, again in each district, will focus primarily on ways to prevent teen pregnancy, suicide and substance abuse in a local community. A format is being set for peer counselor training with the goal to continue this process among youth for several years. The last part of the goals is to set up a resource area for local churches to have access to materials for prevention, education, and training work in the local community.

Because of the critical work involved with the issues of Teen Crises, the Task Force recommends employing an Area Teen Crisis Coordinator. The United Methodist Church's Arkansas Area Teen Crisis Coordinator would coordinate the overall Church response to the teen crises. The coordinator would itinerate the state, developing and implementing training programs for the local church to prevent and reduce teen drug abuse, pregnancy, and suicide attempts. The coordinator would be accountable to the United Methodist Church through the Area Teen Crisis Committee.

UNITED METHODIST CHILDREN'S HOME, INC.

This has been a year of transition for the United Methodist Children's Home. Because of this, there has been some confusion and many questions in the minds of our constituency. Change is always disturbing. Most of us are creatures of habit who enjoy the familiar because that demands less from us, but we all know that if we go for long without change we find ourselves in a state of obsolescence.

The Board of Trustees in session May 15, 1990 voted to cease taking referrals on the main campus in Little Rock. This decision was made because we did not have the financial resources to operate the main campus and establish the adopted Teaching Family Group Home Program at the same time. After this action normal attrition left us with one open cottage on the campus by late January.

By late October (1990) we used the United Methodist Foundation grant from the Winfred D. Polk Charitable Trust allowing us to purchase a lovely home on the edge of Batesville. This will be the beginning site for our new Teaching Family Model. This house has been named the Winfred D. Polk Home. We spent the next two months in dialogue with the Methodist Home for Children in Raleigh, N.C., and on January 23, 1991 signed an Affiliation and Consultation Agreement with them, making them our sponsoring agency to assist us in developing and certifying as a Teaching Family Agency. We are well into the training of personnel and are hopeful that the Winfred D. Polk Home in Batesville will be fully functional in the new program by the time the 1991 annual conferences convene.

Beyond this point our plans are to locate, secure and initiate a Teaching Family Group Home in Pulaski County. As this is accomplished we will then be ready to launch other sights in the state as well as to begin developing the new program in the Magale cottages in Magnolia and the Johnson Manor in Searcy. It is the conviction of our Board of Trustees that this will be a program of child care of which Arkansas United Methodists will be proud.

Somewhere in all of this a decision will need to be made concerning the use or disposition of the campus property. The initial plans are to locate and maintain a central administrative headquarters in Little Rock regardless of what the eventual disposition of the campus might be. The Board is open to doing whatever would be the best interest of the church's mission to the needs of children and youth.

You would want to know that our young lady in Southern Technical College completed her course in secretarial training. The two young ladies in Hendrix and the University of Arkansas at Fayetteville are now completing their sophomore years./ The young lady in ASU (Beebe) is still in school (although she is no longer in our care), and the young lady in Beauty College completed her course and did secure employment. We feel this is a tribute to these persons and to our program and it makes us very happy.

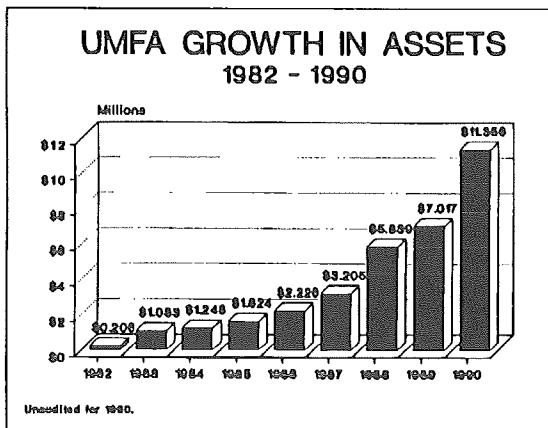

A word of profound gratitude is expressed to the United Methodist Community of Arkansas. Beyond the confusion of change, our support from the churches was only 4.9% less than the previous year's giving for which we give thanks. I feel that the special effort by the Board to get updated information through fresh brochures and a video tape that explained the new direction was the key to the success of our offering.

Our world is experiencing change at such a rapid pace that we adults are hard pressed to maintain our balance. Such change is even more confusing to children and youth who have no background against which to gauge their adjustment. These facts of change have been the factors that have insisted that our Trustees develop new approaches to ministry to out-of-home child care. We sincerely ask for your prayers and your vote of confidence as we move boldly into the 21st century.

UNITED METHODIST FOUNDATION OF ARKANSAS

Growth Continues for UMFA

Your Foundation experienced its "best year ever" in 1990. Assets now exceed \$11 million. This phenomenal growth is due to a dedicated Board of Directors and staff, and the love and devotion expressed by many, many donors. Most of these funds are now, or will be, permanent endowment funds - which means that only the annual income is spent - and thus the donor's love for some part of The United Methodist Church is expressed in perpetuity.

Types of Funds

The accompanying chart, "TYPES OF FUNDS MANAGED BY UMFA," describes the various types of funds under UMFA management:

Permanent Endowment - Only the income is spent each year; The principal remains invested.

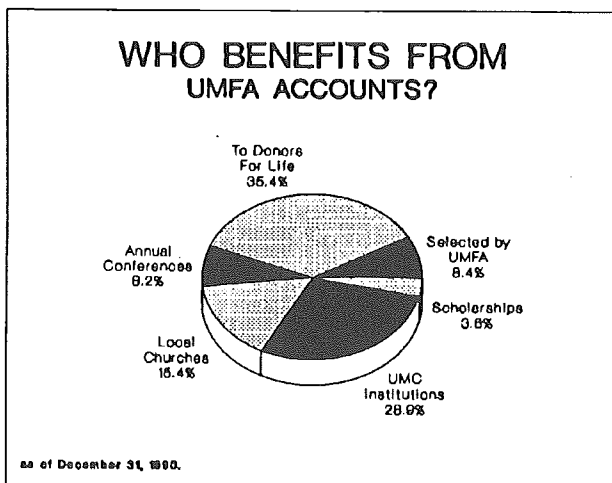

Agency Accounts - These are accounts we manage for institutions and local churches. UMFA's goal is to improve their investment performance and reduce their administrative expenses.

Revocable Trusts - Accounts that have not been given

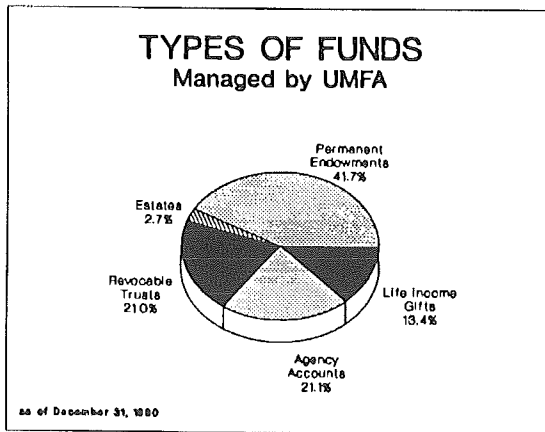

irrevocably. The funds are managed by UMFA in behalf of individuals, and at their deaths, a significant portion of the trusts will be given to the Church.

Life Income Gifts - Funds have been given irrevocably, but the donor has retained the income for his or her lifetime. At death, the income begins to benefit the Church.

Estates - Funds held by the Foundation while it serves as executor of an estate.

Who Benefits?

The accompanying chart, "WHO BENEFITS FROM UMFA ACCOUNTS?", describes the kinds of institutions and ministries served by UMFA accounts. Almost always this decision is made by the donor at the time the gift is made:

To Donors For Life - Made under a variety of trust arrangements. At the donor's death, funds will then benefit some part of the Church.

UMC Institutions - Includes all of the Arkansas Area and Conference institutions: colleges, children's home, camps.

Local Churches - An important part of UMFA's work is to encourage

local churches to establish planned gift programs.

Selected by UMFA - These are funds that were not narrowly directed by the donor. Through funds such as these, UMFA was able to make a grant to the United Methodist Children's Home last year for the purchase of a new community-based group home.

Annual Conferences - The funds provide annual support for many conference programs, including ministerial pensions and world hunger.

Scholarships - United Methodists have a long tradition of supporting students. Recipients of these scholarships are selected by a college or university, or by a local church committee, depending on the terms of the gift.

Summary

The Foundation's ministry is made possible by many dedicated leaders from across the state, and by the Little Rock Annual Conference. We do not charge our donor's for our services; others make the Foundation possible through their generous gifts. In 1990, your conference \$20,000 for the operation of the Foundation. We hope you agree the return is well worth the investment!

It's exciting to celebrate the Foundation's success and to imagine what the future holds. If we can ever serve you or your local church, please call us.

Jim Argue, Jr., Executive Director

UNITED METHODIST WOMEN

Since Annual Conference last year United Methodist Women have been busy in numerous ways. In August, 172 of them, including a few children and grandchildren, plus six husbands, attended the Arkansas Area School of Christian Mission in Conway. This made 178 from our conference of the 442 total.

At our Annual Meeting at Texarkana in October, our Jurisdiction President, Inelle Bagwell, spoke on this issues which had been discussed at Assembly--the needs of children and environmental issues. Many have worked toward making persons more aware of environmental concerns and several have been instrumental in the establishment of recycling projects in their churches and/or communities. Most of our units are actively

engaged in projects that support children in their localities. Many of the 268 at Annual Meeting sent letters to President Bush urging him to sign the United Nations Convention on the Rights of the Child. They also unanimously adopted a resolution against the Lottery Amendment which was removed from the ballot the next week. Five newly elected women became a part of the Conference team. They have accepted their responsibilities with great enthusiasm.

According to evaluation reports we have 7460 members-just 16 fewer than last year. The demographics portion of the report showed 169 to be under 30 years of age, 838 age 31-40, 808 age 41-50, 2137 age 61-70 and 2137 over 70 years. (At one District meeting age varied from 9 to 95.) We also registered 5 Asian, 108 black, 3 Hispanic, and 4282 white. Of these 1599 are employed full-time, 494 part-time, 36 students, 1893 full time homemakers, 2632 retired, and 4 seeking employment. It includes 2262 single and 3634 married. (I realize that these categories do not total the number of members, but some reports were incomplete.) There were 5 new subgroups organized within existing units, 3 new units organized and 1 reorganized.

United Methodist Women Sunday is becoming more meaningful in many congregations. We are now working to develop resources for local units to use. At the Executive Committee meeting in February the committee unanimously adopted the following motion: The Little Rock Conference name the fourth Sunday in January annually as United Methodist Women Sunday to be celebrated in every congregation.

WORK AREA ON CHURCH AND SOCIETY

Significant areas of concern by the Work Area on Church and Society include the following:

AIDS Ministry: We continued financial support to and participation in the program of the Regional AIDS Interfaith Network (RAIN). Significant leadership has been provided by Reverend Norwood Jones, Reverend James Major, and Dr. Tyler Thompson, as well as numerous others. We have active "care teams" for persons with aids or members of their families at St. James United Methodist Church (LR), First United Methodist Church (LR) and the Little Rock United Methodist Fellowship. RAIN personnel have provided numerous educational/training sessions for our local churches and are available upon invitation by a church.

We have several members working with the AIDS Interfaith Advisory Committee that is chaired by Dr. Tyler Thompson. We have continued the support of the Arkansas AIDS Foundation.

Substance Abuse Program: We promoted the observance of Substance Abuse Awareness Month in October 1990 and of a special Sunday on October 21st which coincided with "Red Ribbon Week." Also churches were asked to have a prayer vigil for the National Drug Initiative headed by Bishop Felton May.

Teen Crisis Task Force: This will be the subject of a separate report. The Work Area provided funding for expenses of the Little Rock Conference members of the Task Force.

Legislation: The Work Area continues to monitor issues on education, environment, economics and social problems that need study and evaluation. We encouraged members to vote and were actively involved in the efforts to prevent the lottery bill from being on the ballot.

Peace With Justice: We recommend participation of local churches in this special day and offering. Part of the money allocated to our conference this year was used in the effort to defeat the lottery and some was used to help underwrite the Youth Seminar held at the United Nations Center in New York last November. The seminar centered on the Charter for Racial Justice.

Prioritizing Task Group: This group composed of district Church and Society representatives met to identify concerns that should be addressed by conference and district representatives of Church and Society. They felt responsible to make the local church membership aware of social issues that concern the church. They felt that there is a need to be active regarding interpretation of the Social Creed and the Social Principles. We need to interpret legislation - local/state/national - to local churches. As one means of raising awareness, the Work Area requests the Annual Conference to approve a Social Principles Awareness Sunday to be held on February 16, 1992, and to provide a copy of the Social Principles and Social Creed to each local church with suggestions for using them.

It is anticipated that a training session for the district representatives of Church and Society, utilizing someone from the General Board to lead it, be scheduled for fall of 1991. District training will then be conducted in 1992 for local church leaders.

WORK AREA ON STEWARDSHIP

Under the direction of the CCOM, a Conference Task Force on Stewardship was established on October 17, 1989 to examine the issue of stewardship and explore possible programs in stewardship for the Little Rock Conference. The Task Force is composed of the Conference Chairperson of Stewardship, District Representatives of Stewardship, one District Superintendent, the General Board of Discipleship Representative, the Conference Chairperson of Religion and Race, the President of United Methodist Women, the President of United Methodist Men, and the Conference Lay Leader.

The Conference Task Force on Stewardship met on February 1, 1990 to explore possibilities for developing a comprehensive program of Christian stewardship to inform, motivate and inspire the local churches of the Little Rock Conference to a new level of faithfulness to God in all areas of practical living. The issue of stewardship is multifaceted and incorporates many areas of Christian living: the employment of human abilities, time management, discovering and using our spiritual gifts, engaging the laity in ministry, the stewardship of our physical health, the use of our financial resources and assets, and the care of the natural order.

The essence of stewardship is that we are gifted people. We have been gifted with abilities and talents and every good thing in creation. But we are not the owners of these gifts from God. Instead, we are appointed as overseers and managers of what God has given to us and we are responsible to God for how we use all things. Therefore, stewardship encompasses issues of faithfulness and loyalty and continual growth in Christ.

The following preliminary outline is a synthesis of the work of the Stewardship Task Force:

A Proposal for a Three-Year Conference Program in Stewardship

Year One-- (1991)

Target: the Season of Lent

- (1) In cooperation with the Work Area on Worship, the development of a booklet containing worship materials and resources for sermon preparation for 5 services during Lent 1991:
Focus of Service One: God's people as stewards in the world (the care of the earth and its people).
Focus of Service Two: God's people as stewards of the Gospel.
Focus of Service Three: God's people are gifted (empowered to minister).
Focus of Service Four: God's people as spiritual managers (of time and money).
Focus of Service Five: God's people have a need to give (response to and imitation of God).
 (This material was prepared and distributed to the pastors of the Little Rock Conference in November of 1990.)
- (2) The creation of a video tape of lay people from across the Little Rock Conference telling their stories of growing in faithfulness to God in various areas of practical living. This video would be available to every charge to be used in worship services, church school classes, and study groups. The purpose of the video would be to give personal witness to the deep sense of joy that comes to those who are moving forward in their response to God's grace and the mission of God's kingdom in the world.
 (The Work Area on Stewardship hopes to complete this project by June of 1991.)

Year Two-- (1992)

Target: the Season of Lent

- (1) Develop a study workbook to be used in five sessions of church school classes or short-term classes in the local church covering issues of practical Christian living, spiritual gifts, lay ministry, the mission of the church, and education concerning apportionments as mission giving.
- (2) Get the story of the United Methodist Church in mission out to the local church: through printed material, personal witnesses sent to local churches, etc. Market the story.

Year Three-- (1993)

Target: to be determined by each district

- (1) **Celebration:** District or subdistrict worship services to celebrate the response of God's people to more faithful discipleship. It would be left up to the DCOM of each district to develop their own event.
- (2) **Evaluation:** Evaluate the success and impact of the three-year focus. Issues of evaluation might include: the scope of influence (how many local churches used the materials), the format of the materials, the appeal and interest of the materials, and the effectiveness of long-term programs.

LITTLE ROCK CONFERENCE YOUTH MUSIC MINISTRY

The purpose of the Little Rock Conference Youth Music program is to provide a special opportunity for youth who are interested in ministering through various types and forms of musical experiences. The program will strive to minister to the musical and spiritual needs of the youth and the lives they touch.

This ministry for our Conference youth began on March 8, 1990 with a "Lock-in" at Highland Valley United Methodist Church. We had an exciting evening featuring the christian rock band "Watermark." The first annual Youth Music Tour took place between July 5-10 and included 37 youth and 6 adults. We met at Camp Tanako for two days of preparation and then presented 5 services of worship through music to

churches in Arkansas and Tennessee. 1990 ended with the youth sharing their music with other conference youth at the Little Rock Conference Youth Fall Fling.

1991 has begun for our ministry with a "Lock-in" held on March 9 at Pulaski Heights United Methodist Church. Seventy (70) of our conference youth took part in an evening of fun, food, fellowship and rehearsal. The youth are planning to be the choir for Annual Conference on Sunday evening, June 9. They feel very privileged and excited at this great opportunity to share their ministry with the Annual Conference. Plans are now being finalized for their 2nd tour on July 12-19. The youth will begin at Camp Tanako again and then leave on a tour singing in 4 churches within the conference as well as 3 in Louisiana and Texas.

We appreciate your interest and support in this area of ministry to and through our conference youth.
