GENERAL PROCESS:

Amendments, motions: Forms are available at the Conference Secretaries Desk to record any motion, amendment, or substitute motion or resolution. These forms must be used to record said information either before the action is proposed or immediately following the proposal being made or acted upon, for inclusion in the Journal.

Resolutions: We have 2 types of Resolutions: Sponsored and Unsponsored. Sponsored resolutions are those coming through one of our regular boards or agencies and may be printed in the Pre-Conference Journal. Unsponsored resolutions are all others. All resolutions not printed in the Pre-Conference Journal must be distributed in writing to the delegates and lay on the table 24 hours before being debated and acted on at a cost borne by the author of the resolution. A time for receiving Resolutions is scheduled in your Agenda.

All 1994 Pre-conference Reports are on the computer here at our Conference. It is the responsibility of each committee, group, or task force, to provide the Secretarial staff with corrections, and amendments, or changes to all reports in the Pre-Conference Journal at the time of your report. Further, please supply the Conference Secretary with any report that you make that has not been included in the Pre-Conference Journal, prior to making that report.

If you need an old Journal, or wish to order a **"Hard Bound Copy"** of a Journal for your Collection, please see one of my Staff in the Conference Secretary Office.

All persons transferring into the Little Rock Conference from another Conference, who have not completed their Permanent Personal Record, please get a record form from the Conference Secretary's Office and complete before leaving conference.

Also, if you did not send in to the Conference Secretary the **white memo** asking for your new appointment, home address, church address, and preferred mailing address with appropriate phone numbers, please pick up the yellow form down front and fill it out for me ASAP.

An **Electronic Bulletin Board** will be used for the first time this year. Through it we can post your emergency messages to individuals, or other announcements that need to be made. Please indicate to the Secretarial Staff if you need your message stated from the Pulpit, or placed on our Electronic Bulletin Board. See Charles Thompson or Jim Lenderman for help.

We are also making an **Area Picture Book Directory** of all Clergy in cooperation with the North Arkansas Conference. I would encourage you to take the time to get your picture taken while at Annual Conference during some break period, and will be giving you gentle reminders of this during our Conference this week.

The Offerings received during the services of worship will be used toward the expenses incurred by the Annual Conference in hosting the Conference.

FACILITATING VOLUNTEER ANNUAL CONTRIBUTIONS TO THE LRC MINISTERIAL EMERGENCY FUND

Be it proposed that each year the pre-registration packet mailed from the Council on Ministries office to clergy members of the Conference contain a reminder of the opportunity for clergy to consider making a voluntary contribution to the Conference's *"Ministerial Emergency Fund"* as they return their Conference registration fee. Upon receipt of the contribution by the Conference Council, those monies would be forwarded to the Annual Treasurer for deposit with the Akransas United Methodist Foundation.

NOTE: The Fund already is in existence, with the Arkansas United Methodist Foundation as a keeper of the monies. There are guidelines by the Conference Board of Ministries about qualifying for assistance. There already is the suggestion of a voluntary annual gift by clergy members of the Conference, and many are doing this.

This proposal is intended to provide a reminder and an easy way of mailing the gift as ministers pre-register of each Annual Conference session.

AMENDMENT TO THE MOTION:

Sam Teague moved that the Board of Ordained Ministry and the Board of Diaconal Ministry study the possibility of including diaconal ministers in the LRC Ministerial Emergency Fund and the policy statement be revised accordingly.

C. COMMENDATIONS

HOMELESS HOUSING TASK FORCE COMMENDATION

Whereas, "homelessness is a scourge upon the nation's conscience, " (1992 Book of Resolutions, pg. 286), and

Whereas, "the homeless are most assuredly the people of God-the people of God who call the church to both repentance and action. They are the hungry we are asked to feed, the strangers we are to welcome, the naked whom we are to clothe. They are the sick and imprisoned we are commanded to visit" (Matthew 25:31-36, as paraphrased in 1992 Book of Resolutions, pg. 287), and

Whereas "the homeless are our neighbors, living in closer proximity to our church buildings than many of our members," (1992 Book of Resolutions, pg. 287), and

Whereas, nearly 50 percent of the homeless are families with children, and nearly 25 percent are veterans, and

Whereas, about 35 percent of the homeless are employed full or part time, albeit in low-paying jobs, and

Whereas, less than one-third of the homeless receive any public assistance, and

Whereas, within the Arkadelphia District there are an estimated 2800 homeless individuals, and

Whereas, the Arkadelphia District Council on Ministries developed a taskforce to explore the extent of homelessness in the District and to explore ways to meet the needs of the homeless, and

Whereas, the Arkadelphia District Council on Ministries, the United Methodist Homeless Housing Mission, Inc., and Community Counseling Services, Inc. have answered the call to care for "the least of these" our brothers and sisters, have worked together for over 18 months to formulate and submit a Shelter Plus Care grant proposal to the U.S. Department of Housing and Urban Development to provide funding and wrap-around services to assist homeless individuals and families to find housing, counseling, and support systems that can prevent a return to homelessness, and have developed a broad base of volunteer support systems to meet the needs that money can not, and

Whereas, the churches of the Arkadelphia District have given tremendous support in the form of over 15,000 volunteer hours,

Therefore be it resolved that the Little Rock Annual Conference does recognize and commend the efforts of the Arkadelphia District Council on Ministries, the Homeless Housing Task Force and its successor, the United Methodist Homeless Housing Mission, Inc., the churches of the Arkadelphia District, and Community Counseling Services, Inc.

Be it further resolved that the Little Rock Annual Conference extends its appreciation to those individuals who have made the dream of a United Methodist Housing Mission a reality - the Rev. Michael R. Clayton, the Rev. David Wilson, the Rev. Tom Adkinson, Clifton Coleman, Lanny Gorman, Betty Harrison, the Rev. Michael Mattox, Dr. Dolphus Whitten, Dr. Don Martin, the Rev. Richard Preston, the Rev. Kevin K. J. Durand, OSL, Elaine Berry, Leontyne Crutchfield, Hosea Etta Wilson, Terri Saar, Janie Smith, Greg Gorman, Julie Owens, the members of the Arkadelphia District Council on Ministries, and the members of the churches of the Arkadelphia District.

HORACE C. CABE COMMENDATION

Several years ago Camp Tanako came before this body to share with you a dream and a plan for the future of the camping ministry in this conference. From this beginning a master plan was written and the work

began to make this plan become a reality. Some of the first efforts in our early stages of development included a presentation to Mr. Horace C. Cabe in Texarkana to share the plans for Tanako and seek his support. As our work with Mr. Cabe was continuing in 1991 he passed away. Through his generosity and love he had laid the plans for a foundation that would continue his philanthropic ideals. These ideals were expressed in an article written by his great nephew, Clay Cabe. To quote from that article, Clay said, "One of Horace Cabe's most evident characteristics was his genuine love of children. I can still picture his expression when he was with children. His smile broadened and his face lit up with genuine happiness. How appropriate that his gift will bring out the same expression in children for many years to come." This new foundation was aware of Mr. Cabe's work and relationship with Camp Tanako. Last year Bishop Wilke, representing the Camp Tanako Board of Trustees, presented a proposal and application to the Horace C. Cabe Foundation seeking support for Camp Tanako and its ministry. Today, I am happy to report that Camp Tanako has been notified, through Bishop 'Wilke, that the Horace C. Cabe farm, located in Bowie County, Texas will be given to Camp Tanako by the foundation. The transfer of property will be handled through the United Methodist Foundation. We praise God for this gift and all our blessing.

Therefore, as Secretary of the Tanako Board I present the following resolution of appreciation.

WIIEREAS, Camp Tanako, serving as the camp facility for the Little Rock Conference of the United Methodist Church, has been working with the Horace C. Cabe Foundation; and

WIIEREAS, our conference has been notified of a gift of real property as a result of our having worked with Mr. Horace C. Cabe, the Cabe family, the Horace C. Cabe Foundation, and Bishop Richard B. Wilke; and

WIIEREAS, the Horace C. Cabe Foundation as made a gift of the Horace C. Cabe farm in Bowie County, Texas for the benefit of Camp Tanako;

TIIEREFORE BE IT RESOLVED that the Little Rock Conference of the United Methodist Church accepts this gift to Camp Tanako to be used to enhance the ministry to children, youth, adults, and families at Camp Tanako; and

ALSO TIIEREFORE BE IT RESOLVED, that the Little Rock Conference and the Board of Trustees of Camp Tanako this 7th day of June 1994 gratefully acknowledge their appreciation and gratitude to the Horace C. Cabe Foundation and the members of the Cabe family for their generous and meaningful contribution to Camp Tanako.

D. RESOLUTIONS

ABORTION RESOLUTION

Content: A resolution pertaining to the official United Methodist position on abortion as stated in the 1992 Discipline.

Whereas God is the Creator of Life and it is our desire to love and honor God above all else.

Whereas human life is both biological and spiritual, ad we reject our society attempts to measure and value human life based on merely biological criteria.

Whereas it is God's desire to personally and for all eternity relate to and share love with each of the biological/spiritual beings we call human.

Whereas from the moment of conception the unborn baby may represent a unique biological/spiritual human being whom God has created and also desires to redeem and share eternity with.

Whereas we are called to love each of our fellow human beings as much as we love ourselves, even when they might be considered our worst enemies.

Therefore we of the Little Rock Annual Conference affirm our belief in the sanctity of all human life, including those who are unborn. We therefore petition the General Conference of 1996 to reconsider the official United Methodist stand pertaining to abortion, and make the following changes in Paragraph 71, section H, of the Discipline.

Present reading within the Discipline with areas to be changed underlined:

"Our belief in the sanctity of unborn life makes us reluctant to approve abortion. But we are equally bound to respect the sacredness of the life and well-being of the mother, for whom devastating damage may result from an unacceptable pregnancy. In continuity with past Christian teaching, we recognize tragic conflicts of life with life that may justify abortion, and in such cases support the legal option of abortion under proper medical procedures. We cannot affirm abortion as an acceptable means of birth control, and we unconditionally reject it as a means of gender selection. We call all Christians to a searching and prayerful inquiry into the sorts of conditions that may warrant abortion. We call for the Church to provide nurturing ministries to those persons who terminate a pregnancy. We encourage the Church to provide nurturing ministries to those who give birth."

Proposed new reading within Paragraph 71, section H, with proposed changes underlined:

"Our belief in the sanctity of unborn life makes us reluctant to approve abortion. But we are equally bound to respect the sacredness of the life of the mother, for whom death may result from an untimely pregnancy. In continuity with past Christian teaching, we recognize tragic conflicts of life with life that may make preferable the option of abortion, and in such cases support the legal option of abortion under proper medical procedures. We unconditionally reject abortion as an acceptable means of birth control. We call all Christians to a searching and prayerful inquiry into the sorts of conditions that may warrant abortion. We call for the Church to provide nurturing ministries to those persons who terminate a pregnancy. We call for the Church to provide nurturing ministries to those who give birth and to those children whose birth parents are unable to parent.

2. To allow delegates to remain attentive to the business at hand.
3. To present the reports as presented in the Pre-Conference Journal, on schedule.

How:

1. Consider restructuring our daytime activities to business items only.
2. Shortening our working day 1/2 hour to allow time for the evening meals, more consistently.

Jim Boyd, Lay Delegate
Mt. Olivet Church (Rowell Charge)

RESOLUTION ON DOCTRINAL STANDARDS

"Christians are to contend for the faith which was once for all delivered to the saints" [Jude 1:3]. We affirm this faith which was and is revealed in Jesus Christ and taught in Scripture.

Earlier this year, seven members of the 1992 delegates to the General and Jurisdictional Conferences spoke regarding issues which were highlighted at a November 1993 conference in Minneapolis. Though it was not a United Methodist Conference, it was attended by United Methodists and United Methodists gave leadership.

We who spoke earlier about the conference did not attend the meeting; however, we read reports about the conference. Some of us listened to taped verbatim reports and read verbatim reports from the conference. We were shocked and saddened by the absence and denial of Christian teachings and practices [i.e. denial of need for doctrine of incarnation and doctrine of atonement, Sophia worship, aberrant sexual behavior].

We are not only saddened by the conference's happenings, we are also deeply saddened by what those happenings have caused in relationships and how they have affected and will affect the church's mission.

It is recognized that not all agree theologically. We affirm the theological diversity within the body of Christ and within United Methodism insofar as it is in keeping with Holy Scripture which is the "unique an authoritative standard for the church's faith and life."

In keeping with Holy Scripture and with the Discipline of the United MethodistChurch, we affirm the inclusivity of the whole body of Christ. Further, recognizing our own short-sighted sinfulness, we rejoice that there is room in God's kingdom for all who, in the words of John Wesley, "repent of their sins and seek to flee the wrath to come."

Humbly confessing the brokenness of our own human institutions, we recognize that the power of God is continually at work among faithful women and men, calling us to the repentance, reconciliation, and healing of the broken body of Christ.

BE IT RESOLVED:

That the members of The Little Rock Annual Conference and members of local churches join us in in daily Bible study and prayer for each other and for the leaders of The United Methodist Church.

That the members of The Little Rock Annual Conference and members of local churches continue our support of the various mission efforts of our Conference and of The United Methodist Church.

That members of The Little Rock Annual Conference and members of local churches study Parts II, III and IV of the 1992 **Book of Discipline** [Doctrinal Standards and Our Theological Task, Social Principles, The Ministry of All Christians], in addition to, and in dialogue with our regular study of Holy Scripture.

That the theological agenda of The Little Rock Annual Conference grow out of the creative tension between who we are as defined by the Discipline, and who we are called to be as envisioned in Scripture.

That the Little Rock Annual Conference and The United Methodist Church, at every level, evidence integrity in our theological diversity both in word and in deed, as set forth in the teachings of Holy Scripture and reflected in **The Book of Discipline** of the United Methodist Church

David Wilson

ESSENTIAL BELIEF RESOLUTION

We begin with the words of John Wesley. "As to all opinions which do not strike at the root of Christianity, we think and let think." "In essentials, unity; in non-essentials, liberty; and in all things charity."

Can anyone truly say what is at the root of Christianity or what is an essential in the United Methodist Church today? There are many views and agendas in our church today. This is something as Methodists we have taken pride in having fostered. Our theological diversity is a distinctive mark of the United Methodist Church as is the Wesleyan Quadrilateral.

A quote from the Book of Discipline is "At the beginning of the twentieth century, however, the waning force of doctrinal discipline and the decreasing influence of the Wesleyan theological heritage among the American Methodist, along with minor but significant changes in the wording of the Book of Discipline regarding doctrinal standards, led to a steady dilution of the force of the Articles of Religion as the Church's constitutional standards of doctrine."

This quotation points out the reason for this resolution. A need exists for the Little Rock Annual Conference to define what is our "root" or essential" belief. Such a definition would provide a set of parameters from which to have theological discussion.

With these thoughts in minds e offer the following resolution.

Whereas: We need to reaffirm the theological beliefs which make us uniquely Methodist.

Whereas: We need parameters from which to engage in theological discussion.

Therefore: Be it resolved that the Little Rock Conference reaffirms the Articles of Religion and Confession of Faith as expressing the essential root of our theology.

RESPONSIBLE LEADERSHIP RESOLUTION

THEOLOGICAL DISCUSSION RESOLUTION

Recently a meeting was held at Fordyce United Methodist Church. Called by our delegation to the last General Conference, Methodists from across the conference were invited to discuss current events. Many who attended this meeting commented on the need to have a structure system for theological discussion. In response to those comments the following resolution is offered.

Whereas: The lay and clergy of the Little Rock Conference have expressed a desire for theological discussion as issues arise.

Whereas: No organized system exists within the Little Rock Conference to facilitate theological discussions.

Therefore: Be it resolved that in the event any four (4) charges, stations or combinations thereof in any district request, in writing, a discussion of a theological issue, the district superintendent of said district shall arrange said meeting within 30 days. This meeting shall be open to both lay and clergy of the district. In the event the district superintendent can not moderate an elder from the district, appointed by the district superintendent, may serve as moderator.

Be it further resolved that, if after district meetings any two districts request, before March 1 preceding Annual Conference and in writing, time for theological discussion of an issue at Annual Conference, the Conference shall arrange for that discussion. This discussion shall be led by the Bishop or the Bishops appointee and shall be accorded the form and time as the Bishop deems necessary.

Be it further resolved that this resolution in no way limits the Bishop or others from arranging for theological discussion as deemed necessary.

VII. REPORTS

A. STATE OF THE CHURCH ADDRESSES

EPISCOPAL ADDRESS

I step before this great conference to discuss the State of the Church. After a decade of comments, you may hear me stepping on my own toes, but I ought not, for our world is changing so fast, our Church changing so much, that much that was true yesterday is not true today. "New occasions teach new duties, time makes ancient good uncouth. We must onward still and upward who would keep abreast of truth."

I want to talk about three things:

I. Our inter-relatedness as United Methodists. Call it "connectionalism"; call it "The Methodist way" - What are the forces that hold us together? What are the forces that would tear us apart?

II. Theology. What is happening in Christian thought, especially in the United Methodist interpretations of the Scriptures and of the gospel itself.

III. What is happening in Arkansas United Methodism? What is the good news, the bad news, where are the cutting edges? What are the challenges before us?

I. So -- what about the United Methodist connection? Is it in danger of collapse? Are we becoming congregational? Is the apportionment system shot? Will the appointment system work?

That we have been close knit, connectionally for over 200 years, there can be no doubt. Mr. Wesley made sure we were "methodical", under his authority, and subject to our general rules. Yet great changes have occurred.

* He wanted no bishops (though he was more powerful than one). The American Methodists insisted on them.

* The early conferences were all preachers. Soon, the laity demanded a voice. The Protestant Methodists split, only to reunite after a century when laity were involved in decision making up and down the line.

Today the laity are flexing their spiritual muscles -- and their power muscles as well. Consider and praise God:

* It used to be that every institution, college, hospital, camp, was headed by a preacher as administrator. Almost all now are laity with special skills and training. Are we less connectional? Not at all -- in many cases we are more so, for most of these laity are heartbeat United Methodists. Plus our trustees -- and our structures -- are interwoven into the life of our church.

The apportionments support our great institutions and, in spite of complaints occasionally, we have great ministries in Arkansas and around the world. A perfect example is the new African Methodist University -- the first private, church-related University in Central Africa -- and it is pure and simple the result of a connection that involves Europe, Africa, North American and Asia.

In Arkansas, you can be so proud of your institutions -- Philander Smith, sustained by the Black College Fund, solvent budget, new buildings, nearly 1000 students -- 10 pre-ministerial students. I heard their choir sing at the Presidential Inauguration, and I stood proud. Hendrix -- close knit to the Church, beginning a special training program for Christian Education, Youth ministries and Church musicians. President Die relates magnificently to church constituencies. The openness to the free market of ideas plus the rationally recognized academic excellence makes Hendrix one of America's great church colleges. And we have a strong Wesley Foundation in every four-year state University in Arkansas .

Your support for the Ministerial Education Fund, year in and year out, sustains 13 seminaries like Perkins, St. Paul, Duke and Emory, United and Garrett. If some professor says something dumb -- like "God is dead" -- in the 50's, or "God's name is Sophia" in the 90's -- the press covers it around the world. But week in and week out, faithful teachers of Bible and Church History and Preaching and Pastoral Care and Christian Ethics and theology help us train as fine a set of Christian pastors as any denomination in the world.

Now it's true that our apportionments are strong, not because of our institutions -- or even our General Boards, but because of our care and concern for our pastors and our retired pastors -- pensions and health insurance for those who have served faithfully, moving at the Bishop's discretion, usually without home or furniture -- has caused our connections to want to pay this bill. The explosion of health insurance costs is the engine driving this problem. Like the rest of the country, we will be thinking through the issue -- but while forty million Americans have no health insurance -- a national disgrace, our connection undergirds everyone of us. In a day of leukemia, and open heart surgery, colon cancer and Lou Gerigh diseases - Thank God for our corporate support for our pastors and their families.

Not counting health insurance -- our total apportionments run about $1.00 a week per member. Seen in that light, we're not exactly killing ourselves. Still, in the Aggregate, each of you know your church carries some financial pressure "to pay out". You will be pleased that the Little Rock Conference usually is in the top one-third of the nation in paid apportionments -- with 90% of our churches paying all "in full".

The Connection must do two things financially.

a) We must tighten our belts at every point. You must study our General Boards to see if they are too large, doing yesterday's tasks, or poorly located. Allow me the privilege of suggesting that the General Council on Ministries, established in 1968 as a compromise for merger with the E.U.B.s, is no longer needed as a coordinating agency. In Arkansas, our Conference staffs are at bare bones. The only thing that would help us is one day merging conferences so we could afford a Christian educator and a worker with youth.

b) The second thing we must do financially is support much of our work with those who have a special love and concern. There is plenty of money out there, and people will give if they can feel it with their hands and hearts. So for example, a Wesley Foundation must develop a "Friends of Wesley" to be a flying buttress, to strengthen what the Conference is doing. The Children's Home, Tanako, Aldersgate must have auxiliaries, two or three hundred friends or patrons who believe in that work immensely. The Conference must not cut back -- the work must continue and grow -- but we can not lean totally on the conference budget.

The joy is that we sustain our small churches with equitable salary subsidies, retired ministers, part-time local pastors. We never close a church, no matter how small, without the expressed wish of the congregation. Probably some tiny churches should merge, for the Kingdom's

sake, but the bishop does not push them. Large churches maintain this collegiate connection by providing mentor supervision, sending lay speakers and part-time pastors, and paying appointments for D.S.s, Conference staff to help. We also start new congregations in this same way.

Take pride in the fact that your districts are tight, you have great Arkansas economies -- one newspaper, one treasurer, one resource library, one Foundation, one office complex (in a local church, yet) and a tight-run ship.

Financially, the business side needs constant fine tuning -- but the structure is strong. Frankly, folks, it's time to start bragging, start educating, and remind your people and tell the world that we are a great connectional Church.

What about appointment making? Arkansas is blessed with a "middle of the road" policy that fulfills the letter and the spirit of the Discipline. Further north, some bishops are allowing more lay involvement; further south, some bishops are still a bit autocratic. We are using consultation with laity and pastors quite heavily, yet still using the Bishop and the Cabinet as the final word.

Some pressures are: many pastors and their spouses are tying many strings on their appointments. Spouses have jobs which involve professional job security as well as salaries. Educational needs or health needs are factors. We try to be as human as possible, often leaning heavily on the compassion of a congregation to sustain a sick person or a person in school. For the itinerancy to work, we still need our preachers to kneel before the cross with their families and agree to serve in the warfare against Satan and all his forces in the place where most needed. Our system is working because most of our pastors are like soldiers in the military, willing to serve where they are needed.

Lay people are consulting more and more intensely. That's good. They love the church and want it to prosper. Sometimes the requests are too secular: Some committees want a handsome young man with a lovely family who has lots of experience and will bring in the youth. We must watch carefully to avoid ageism: Some of our strongest churches, with the most dynamic Christian Education or Youth programs, have older pastors. We must, however, be honest; if a person is ill, or weakened by age or infirmity, we must clearly explain that to the congregation -- and of course, pastors unable to serve effectively are sustained by our connection with disability and retirement funds.

Sexism is waning. We have 40 women who are pastors in Arkansas United Methodism, and they strengthen the connection. We sometimes have a church who, out of pocket, resists a woman pastor appointment. We almost never have a church request a change because they have a woman pastor.

Racism plagues us at every point, in our connection and in our society. Frankly, if I were a lay person, I would go to a predominantly black church half the time to have a part of my soul fed. At the same time, we need an open church, an open itinerancy. While we have made some strides -- an increase of minority participation in all our institutions, black and Hispanic - and Korean bishops, District Superintendents, Council Directors, etc., across the Church, pastors able to move from one church to another is in its infancy. We desperately need you folks to being talking, praying, interfacing, loving and requesting a pastoral appointment that will cross racial lines.

What about the guaranteed appointment. Frankly, it doesn't exist now. Ministers, and they are far and few between, who are immoral, ineffective, are being weeded out. The process is slow. We must protect everyone's human rights, but we cannot permit ministers to serve who are an embarrassment to the Church. Under the present Discipline, the Bishop has powers to initiate taking a preacher out of the pulpit; the clergy have powers to exit a preacher by withdrawing credentials. We

are tightening incoming procedures; we are increasing supervision and instruction; we are exiting a few. I think we're dong a good job with personnel. When I read the appointments, there will not be a single minister appointed who I am ashamed to call my brother or sister in the United Methodist ministry.

Are we short of ministers? This year, yes. We are using some lay persons and some ministers from other denominations. Give them your prayers and your supervision. Help them learn our ethos, participate in fellowship. And pray for women and men to hear the call to preach. The great wave of ministers called to preach in the 50's is reaching retirement. We need a fresh wave of leadership.

II. What about theology? The recent ecumenical conference of women in Minneapolis, the Re-Imagining Conference -- though not a United Methodist gathering -- caused quite a stir. I hope you realize the press does not sell newspapers, the TV does not sell advertising, by reporting good news on the conversions in a Disciple Bible Study group, or the experience of the Holy Spirit in an Emmaus Walk -- or even the establishment of a new university in Africa. But let some junior professor say she doesn't like the blood on Calvary's cross or say that the word "wisdom" in Proverbs 1-9, is the Greek word Sophia, which gives us a feminine name for God, and lets us pray to the great goddess Sophia -- and emotions go crazy.

The bishops dutifully announced that we still believe in Jesus Christ as our Savior, in the doctrines of faith as included in the Discipline for 200 years and in the Scriptures as containing all things necessary for Salvation.

The good news is, this is a great time for everyone to do theology. George Gallop says only one-third of mainline Protestants read a Bible more than once a month. What an opportunity to get your people in stronger Sunday School classes, Disciple groups, Wesley Class meetings, covenant groups. Pastors, what a time in history to strengthen your doctrinal preaching. Frankly, it's been a long time since I've heard a good sermon on the powerful mystery of the Cross, on the saving work of Christ in his atonement, on God who is neither male nor female, yet of whom we are made in God's image. I could use a good sermon on how to receive the Holy Spirit, who the Holy Spirit is, and what are the fruits and what are the gifts of the Holy Spirit.

I could use a good sermon on the Wesleyan understanding of the authority of Scripture -- avoiding on one hand the inerrancy folks who leave their minds on the shelf when they open their Bibles -- and on the other, those who think the Bible is a novel written by Louis Lamour. We owe the Church our Wesley reverance for Scripture, interpreted through reason, tradition and experience.

The bishops are asking themselves and each pastor to reclaim the apostolic ministry of <u>teaching</u>. We must reclaim II Timothy 2:2 to teach godly people sound doctrine, so that they can teach still others. Perhaps the greatest task before us is to devise a plan of Christian training that will implicate and educate the whole church and be open to outsiders as well.

Sometimes I get a letter defending Jesus but the person is so angry they could kill -- and that gives me pause. We have room in the fellowship for thoughtful discussion. We have room in the fellowship for love and difference of opinion.

III. What issues face us?

a) What about homosexuality? First, our <u>Discipline</u> is Flear and our present position. It guides our policies and procedures. We do not have avowed practicing homosexuals in our ministry.

The discussion of root causes that make a girl lesbian or a boy gay will continue. Good books are being written -- an official study of homosexuality as authorized by General Conference is now available to use in your local churches. It is balanced, thoughtful, non judgmental. Use it.

Don't limit the love of God. Don't exclude from the blood of Christ people struggling with their sexuality. We have gay and lesbian members in most of our churches. We have more who are mishandling their heterosexuality.

I love an old hymn by Fannie Crosby. "There is room at the foot of the Cross". I believe that there is room for me. I believe there is room for you. I believe that many of us will go limping into the Kingdom of God, saved only and solely by the blood of the Cross and the grace of our beloved Savior.

Which leads me to my conclusion and to the great task before us. Our priority in the Little Rock Conference is evangelism -- not cheap evangelism, not superficial or statistical evangelism -- but real, soul saving, life changing, disciple-making evangelism.

Starting with children. Do you have an after-school children's ministry? Most of you should. A vigorous Vacation Bible School? A children's choir? A tutoring program for kids in the neighborhood? A pre-school, powerful Sunday School, where you are calling on every child within a twenty minute drive to join your classes.

What about youth? I'm weary with middle class adults drinking coffee and talking about all the youth going to hell on a bobsled.

We are asking each district to carefully organize a District lay leader, a District United Methodist Men president, a district scouting coordinator, a District Youth coordinator, and a district lay speaker coordinator, and a District president of United Methodist Women to launch the heaviest emphasis on Youth Ministries we have had since the 1950's.

Camp Tanako stands ready to expand.

Conference Staff gears up to assist you.

Professional scouters are ready to come to your church.

Ozark Missions, Volunteers in Missions and work camps are including scores of youth.

Ethnic minority kids want to get involved.

White and black churches in Little Rock are reaching out to kids in the streets.

The new Confirmation materials are top flight, A No. 1 Plus, especially for Junior Highs.

Youth music can vitalize worship. Youth singing groups are terrific.

What a year to try to reach youth for Christ and the Church -- when they are searching for life and so often finding death.

And adults. We know very clearly what will work and what will not.

We know they want the full gospel, not a weak-kneed watered down version.

We know that mass evangelism, emotional "are you saved" evangelism is not worth much. Even the fundamentalist churches are avoiding hit and run, honk if you love Jesus approaches.

Today's American wants a friend who will invite him or her into the intimacy of a class or group or at least into a trusting relationship, and there explore the meaning of life. The American wants to bite the nickel and see if it's real. What an opportunity to say with Nathaniel, "Come and see." The new seeker, the new convert wants to help -- not just listen to the preacher -- and put his or her hand on the gospel plow and get to work for Jesus.

Last year we had a dismal record -- by churches taking off hundreds from their rolls -- several hundred churches without a single conversion.

I pray that this great body will storm out of annual conference looking for a place to witness, searching for a friend who is hungry for grace, trying to find a kid who will one day sing, "I have decided to follow Jesus."

We have a great church, a great connection. We have a great open, loving grace-filled theology, and we have a huge task - to let God use us to reach out to a dying world with a Savior who came to give us life, abundant and eternal.

Richard B. Wilke
Bishop, Arkansas Area

LAITY ADDRESS

The 1992 Discipline states that "There shall be a time at Annual Conference for a Laity Address/Report." I shall not give you a report because every report given at this Annual Conference involves the laity as well as the clergy. It would be repetitious for me to repeat those reports. As you read and listen to them, you will be reminded of what we are doing together as we respond to mission, to needs, to church concerns, to support our institutions, to the programs of our church, and how we respond through our giving. So, Bishop Wilke and Friends at Annual Conference --- Rather than a report, allow me these few minutes to make observations about our church, its health, its challenges, and its hopes.

I have a young friend who attends All Saints Episcopal School in Vicksburg, MS. On a Sunday night in May, Louise Fletcher was the commencement speaker at All Saints. Louise Fletcher is a former student at this school. Now many of you are asking or thinking, "Who is Louise Fletcher?" If I tell you she was the nurse in the movie "One Flew Over the Cuckoo's Nest," many of you will know who she is. Miss Fletcher grew up a P.K. in Alabama. In the summers, the family would travel from Alabama to Texas to visit aunts, uncles and cousins--always going through Vicksburg. Her minister father would remark that was where he wanted Louise to go to college. Because there were a number of children in her family, her education would only be possible with assistance; and so she did receive help from the Bishop and from the church. She recalled that in order to receive her money or scholarship, she would pay a visit to the Bishop. As she was leaving, the Bishop would always give her a big hug and tell her two things: "Louise, remember WHO YOU ARE and WHO YOU REPRESENT. She always thought these words were said just for her, but after the Bishop's death as she visited his grave, on his marker was written -- Remember WHO YOU ARE and WHO YOU REPRESENT.

Think with me about WHO WE ARE and WHO WE REPRESENT as laity and ordained clergy in the United Methodist Church at the end of the 20th Century and the beginning of the 21st.

I love and believe strongly in the United Methodist Church -- we share this feeling. I also believe strongly in the connectional system.

In spite of the fact that one of our senators at a civic luncheon remarked that as a member of the United Methodist Church, he is a member of an endangered species, we are still a denomination almost 9 million strong reaching around the globe. There is such hope. There are healthy signs in the church -- one of the healthiest is the emergence, the revitalization of the laity. As the laity goes, led by our clergy, so goes the church. Laypersons are ready to move and willing to take risks. John Ed Mathison in his book, Every Member in Ministry states, *"The liberation of the laity can bring genuine renewal in the church. The possibilities of ministry are unlimited."* (pg. 31) The time has come for laity and ordained clergy to join hands and covenant to become full partners for God and our Church. Pastors should expect, if not insist, that all their members accept this level of commitment to be full partners for God. Laity must accept this challenge. This means deciding whether we want to grow. It means pastors will train laity instead of doing it themselves. And it means doing it yourself, laity, instead of leaving it to the pastor. It's called team ministry. It means plans are carried out by both lay and clergy. Pastors are training laity who in turn train other laity. - i.e. , Disciple Bible Study. Pastors are finding this training of the laity one of the most rewarding aspects of their ministry. James Holsinger, in his book Awaken the Giant says, *"The task of making disciples and remaking old ones is too important to leave in the hands of just the clergy--or just the laity."* In March of this year, district workshops were held to encourage this new concept of team ministry.

It was at these workshops that we decided on ways to be in ministry together. We also discussed and discovered what the laity are not. It's important that we are clear--we are not ordained clergy, we are not co-pastors, add we are not elected to "run the church." Too often church leaders believe they are elected to *"run-the-church"* but remember Jesus models leadership as service-serving leadership.

Whether we are lawyers, farmers, secretaries, nurses, housewives, carpenters, bankers, lay or clergy, we recognize the sacred worth of all members. In our faith journey, we have learned that all of God's people are called to be in ministry and to proclaim the Good News--each of us at a different time and different place, but all are called. All of us are given grace according to the measure of Christ's gift. The gifts he gave were that some would be apostles, some prophets, some evangelists, some pastors, and teachers (Ephesians 4:7 and 11.) And to put it in layman's language, remember the famous story that ends, *"God don't make no junk."*

A challenge is here for all of us. We cannot deny that the church--as is society--is in turbulent times. Crisis situations arise every day: alcoholism, drug abuse, poverty, divorce, illiteracy, sexual harassment, corporate ethics, medical ethics, abortion, domestic violence, racism, lawsuits in our churches, neighborhood crime, sexual morality, and on and on. WHO ARE WE and WHO DO WE REPRESENT? We are people of God called to ministry--lay and clergy alike according to God's purpose for the church and the world. We are responding to these crisis situations through United Methodist Women, United Methodist Men, United Methodist Youth, lay speaker and lay caring programs, through Teen Crisis ministry, Scouting programs, mission programs such as Volunteers in Mission, Camping ministries, through racism workshops, and Laity/Clergy Team Ministry workshops. We are responding, but it is never enough. The hurting world and the needs are way out in front of our response. We can not stand by and let someone else do it nor can we retire from the church.

Persons who might think of retiring are joining Volunteer in Mission groups and beginning to live all over again. Mission teams have sprung up everywhere including in our conference. This is such a healthy sign. If nine million members function separately, we do not have a United Methodist Church. We have nine million people doing "their thing" or what they think best. And no matter how good or well intended it is, it is not as effective or productive as it would be if we all work together. Here's an example, it always sounds so good to decide on our own to send Bibles to foreign lands, and yet, if that country is watching their children die because they need medicine or vaccines or water, wouldn't we rather meet that need. This is the way it is in Haiti and countries like Haiti. I can tell you first hand about Haiti because if the airline can get into Haiti, my husband will leave in two weeks for his 13th trip to this desperate country. We cannot solve the political problems; but we can help the

hunger and pain. The last report to our home told of parents making mudcakes with a little sugar and salt for their children to eat so they wouldn't be hungry. UMCOR reports that some of their feeding programs have cut meals from five per week to three meals a week so more children can be fed. When I last asked, Tide was $33.50 a box, eggs $4.35 a dozen, spam $6.20; the people of Haiti cannot on their income, buy food. Many of our combined dollars go to the United Methodist Committee on Relief and they do a marvelous job of spending our money in Haiti. They respond so quickly to disaster or emergency situations as does the UMW. Through our connectional system, our combined dollars can do so much more.

I remember the first time I realized that our Methodist Church is like a big business. It made me a little sick to think of our church like this. I came home very tired from a General Agency board meeting and shared with Marvin my feelings that I had just attended a board meeting like any big business would have. He didn't help my feelings much when he said, *"Well, the United Methodist Church is much like a giant corporation."*

I spent a lot of time thinking about that and then realized that's exactly what we are. We are in the business of saving souls for Christ. According to the Discipline as Methodists from the first, the only infallible proof a true church of Christ is its ability to seek and save the lost, to spread scriptural holiness and to transform all people and nations through the Gospel of Christ. Who are we? And who do we represent?

We are all shareholders in this great church. We bought in to this giant corporation when we stood at the altar and made a covenant that promised our prayers, our presence, our gifts and our service....Who is our CEO? Our Chairman of the Board? I love the idea of belonging to an organization where God is Chief Executive Officer--where twelve disciples were our first board members---what a start we had with Jesus and his twelve. We listen to Paul speak to the church at Ephesus and say *"Well, it's no different today than it was 2000 years ago."* But I know of no other business still in existence today that was begun some 2000 years ago. The church is still in business and we are still responding. It is when we do not respond that we will be a dying denomination. Apathy can destroy us. An unshared faith will surely die. There are 8,811,522 laity in the United Methodist Church; 39,951 ordained clergy. Can you imagine 8,851,473 becoming evangelists proclaiming the Good News--persons knowing WHO WE ARE and WHO WE REPRESENT. What hope for the church.

To keep hope alive we must all pull together and we must stay connected. We are not perfect. We will experience differences, so we must talk together and listen to one another. We must find solutions to conflicts, abandon painful labels that separate and polarize us, and love with the love of Jesus Christ.

One word must be said about leadership and no one does it better than Bishop Wilke in **And Are We Yet Alive** when he states, *"Those of us in places of leadership in the Methodist Church must assume a great deal of responsibility for the decline of our denomination. Bishops, members of general boards, key laypersons, district superintendents, and pastors have focused on many matters, but not on the health and well-being of the local church."* He addresses the health of the church in the chapter, *"Who is minding the Store?"* and concludes that leadership is the key. Leadership at all levels of the church can refocus the church's attention and can change the emphasis to center on that which is vital. As laity, we look to the leadership.

We must pray for one another and the church. Our doctrine and theology calls us to One Lord, One Faith, One Baptism and One God. We must be fearlessly faithful to a Christ-centered theology. It's called teamwork, clergy, laity and God. It's knowing WHO WE ARE and WHO WE REPRESENT.

Sometimes we make all this so difficult. We need to keep it simple. I have a friend at the General Council on Finance and Administration named Ed Ezaki. Ed is an ordained minister from Kingsberg, California. Ed was not always a pastor. Before going to seminary, Ed was a CPA. In a devotional at GCFA, he told of his first experience at Princeton Seminary. Ed found himself in a classroom of about 70 students with the professor saying, *"I have two questions for you this morning.*

First, tell me your name and then tell me why you are here." Ed said he breathed a sigh of relief because he certainly knew his name was Ed Ezaki and he was there because he loved Jesus.

Ed was the seventh in the group to respond. The first six responded to the question *"Why are we here?"* with all the lofty theological phrases they already knew. It seemed then to Ed that just saying *"I'm here because I love Jesus"* was just not enough and so when it came his turn, he responded with all the lofty theological phrases he knew. To which everyone nodded their heads in agreement. Ed relates that he had only been in the ministry a short time before he realized that his first response *"I'm here because I love Jesus"* was enough. He should have said it then and he has continued to say it through his ministry. It is enough. And that's why we are all here, because we love Jesus, lay and clergy alike. We don't need organization or general boards and agencies or committees to say, *"I love Jesus."* We need commitment and love.

REMEMBER WHO YOU ARE AND WHO YOU REPRESENT!

Because this is the first laity address in the Little Rock Conference, I want each of you to be a part of it. Please stand as we join together in singing hymn number 558, *"I Am The Church."*

B. CONFERENCE COUNCIL ON MINISTRIES REPORTS

VITAL CONGREGATION - FAITHFUL DISCIPLES

Report of the Quadrennial Priority Task Force

1993- Celebrating our Faith through Worship & Music
1994- Sharing our Faith through Evangelism
1995- Living our Faith through Stewardship
1996- Giving our Faith through Mission

SHARING OUR FAITH through EVANGELISM

The 1994 Conference Priority is Sharing our Faith through Evangelism. This is the second year of a four year priority designed to strengthen the ministries of the local church.

The 1994 Priority was developed with the following ASSUMPTIONS:

* The ministry of Evangelism is a primary calling of every faithful disciple and every vital congregation.
* The ministry of Evangelism begins in hearts of individual believers warmed by the fires of the Holy Spirit and saved by the grace of Jesus Christ. Prayer is essential.
* The ministry of Evangelism is primarily the work of the local church.
* This work is most faithfully accomplished when there is an intentional plan of evangelism that includes goals which are specific and measurable.
* The role of the district, and of the conference, in the ministry of Evangelism, is to provide resources that challenge and empower individuals and local churches to fulfill the Great Commission as faithful disciples in vital congregations.

With these assumptions, the **1994 PRIORITY GOAL** is:

To challenge each local church to develop and articulate its own intentional plan of evangelism, and provide the resources necessary to make this happen.

The COMPONENTS of the Priority include:

A CALL TO PRAYER

Prayer Cards were distributed in all churches in January. Thousands of people across our conference are praying daily for the evangelistic renewal of our churches. More Prayer Cards are available in the conference office.

LOCAL CHURCH CONSULTATION

Forty one persons have been trained as consultants for local churches that want to be more evangelistic. Consultants will lead local church Dream Teams in six hour
planning sessions which will produce intentional plans of evangelism, including a timeline for implementation, and a tool for measuring the effectiveness of the plan. Planning Sessions will be preceded by completion of a Local Church Assessment. Consultations may be scheduled through your district superintendent.

FRIENDSHIP SUNDAY

Sunday, September 18, 1994, is Friendship Sunday in the Little Rock Conference. A manual with step by step instructions for making preparations for Friendship Sunday, including samples for correspondence to persons who will be invited to your church on this day, is available in the conference office. Churches will report to Bishop Wilke the results of Friendship Sunday.

DISTRICT TRAINING

Each district has received a grant to train churches in the skills of evangelism. Each district will design training specific to its own needs.

CHARGE CONFERENCE REPORT

Bishop Wilke will ask each church to report its intentional plan of evangelism at the 1994 Charge Conference.

LIVING OUR FAITH THROUGH STEWARDSHIP

In 1995 local churches will have the opportunity to implement the plan of Evangelism they developed as a part of the 1994 priority. Therefore the 1995 Conference Priority on Stewardship will focus on pastors and finance committees to strengthen the ministries of stewardship within the local church.

Stewardship encompasses almost every aspect of our response to the loving grace of God. Stewardship means taking care of and managing the gifts God has entrusted to us. As good stewards we use our time, talents, gifts,a nd services to spread the love of Christ to the world.

If a local church has a strong conviction to financial stewardship, then the other vital areas of stewardship will naturally occur. We believe the key to building strong financial stewardship ministries involves a team including the pastor and the finance committee. Therefore, the 1995 Stewardship Priority Committee has chosen to focus on enabling the pastor and finance committee to enliven financial stewardship ministries of the local church. The elements of the priority are:

1. Encourage pastors to teach and preach stewardship principles.
2. Enable finance committees to encourage faithful discipleship through personal management, and personal giving through the church.

Priority Task Force

AREA COMMUNICATIONS

The Area Committee on Communications consists of the joint Committees on Communications of the two Annual Conferences. The Arkansas Area Communications program covers three main areas;

1. Arkansas United Methodist Newspaper
2. Arkansas Area Media Center
3. Arkansas Area Production Center

ARKANSAS AREA MEDIA CENTER:

Check It Out! The Area Media Center maintains a collection of videotapes, audio tapes, films, filmstrips, slides and other audio/visual materials and equipment. These resources are available to all United Methodists in Arkansas. There is a wide variety of topics to choose from; children, youth, missions, church history, Christmas, Easter, confirmation, family issues, special programs of the church (local, state, and national), and many more.

A Media Center Catalog is which describes the library's collection in detail. This catalog was distributed to each church and is available upon request. The latest additions and selected resources are featured each month in the Arkansas United Methodist newspaper column. The work of Area Media Center is an essential communications tool for United Methodist Churches across the state.

The Media Center is located at the United Methodist Center, 715 Center Street in Little Rock. Office hours are 8:30a.m.-2:30p.m. Monday through Friday. For more information call the Media Center Librarian, Gloria Caldwell, at 324-8011.

ARKANSAS AREA PRODUCTION CENTER:

The Area Production Center, an in-house facility, produces quality printed materials needed to accomplish adopted Council on Ministries programs of the Arkansas Area. The Production Center has proved to be an integral and economical production tool to United Methodist programs.

The Production Center produces materials for other agencies and local churches of the Annual Conference, as time allows.

Located in the United Methodist Church Center in Little Rock, the Production Center employs a full-time supervisor, and a permanent part-time production assistant. The Production Center is available for typesetting and layout, printing, bindery work, and distribution. Contact Laura Organ, supervisor, at 324-8006 for more details.

ARKANSAS UNITED METHODIST

United Methodists in Arkansas are a very fortunate bunch! They are able to stay "connected," informed and challenged as Christians in mission and in ministry through the pages of their very own locally produced denominational newspaper, the *Arkansas United Methodist.* Only a handful of United Methodist Conferences or Areas can say that. One only has to imagine all the information, ideas, celebrations and news that would be missed if the *Arkansas United Methodist* weren't there to deliver it right to your home and church. The two-person staff of the newspaper - Jane Dennis, editor, and Melissa Sanders, administrative assistant - is proud to bring this important news link and communication tool to you twice monthly. We consider it a ministry of the church in every sense of the word.

The 1994 promotion campaign for the Arkansas United Methodist was a solid success, thanks to the participation of local churches and the support of clergy and laity across Arkansas. We added 300 NEW subscribers and recorded the renewal of several thousand others. Current circulation figures exceed 11,500 the highest number we've seen in more than 7 years.

Also in 1994, we instituted a new reduced subscription rate for retired clergy, surviving spouses and seminarians in the Little Rock and North Arkansas Conferences. We're making every attempt to insure that every local pastor receives the newspaper, as well as all active missionaries from Arkansas. Among other developments are our new Business and Professional Directory of services and businesses that serve many local churches. Cost- saving measures including a new bar-coding system to be used for first-class bulk mailings, and adding Zip+4 to all addresses on our mailing list.

But as our church leaders, there's more you need to know. The costs of continuing to produce an Area newspaper have climbed steadily, and our financial picture isn't as rosy as it may have seemed in recent years. Here's why:

- Postage costs have risen dramatically. From 1989 to 1993, our third-class postage mail costs have increased an astounding 88% from $20,200 to more than $38,000 annually. We will also be greatly impacted by another rate increase later this year -- an increase not anticipated when the 1994 budget was approved.
- Printing fees have gone up steadily from $21,000 in 1989 to nearly $28,000 in 1993. Together, postage and printing costs constitute a whopping 58% of our total annual budget! And all the while we have worked to keep office costs and other expenses at their lowest levels. We continue to strive to increase income from additional advertising and individual paid subscriptions.
- Yet, conference apportionment support has not changed from its 1988 level. (And it should be noted that in 1988 the amount of support given the *Arkansas United Methodist* was actually reduced by $5,000 in each conference, for a total budget reduction of $10,000 .) For the past six years, the newspaper has been operating at approximately the same income level as in 1988, while costs for producing the newspaper in 1994 and 1995 are exceedingly higher than they were in 1988.
- Efforts each year to offset these rising costs and to make up for the lack of increase in apportionment and other income have whittled our reserves to a dangerously low level. So low, in fact, that the *Arkansas United Methodist* after six years of running "in the black" may well end up running "in the red" for 1994, not to mention 1995.

All this is a prelude to the Committee on Communication's request for an increase in apportionment support for the *Arkansas United Methodist* for 1995. Please thoughtfully and prayerfully consider this request, remaining mindful of the significant ministry and role the *Arkansas United Methodist* fulfills in the church. May it continue as a medium for sharing and celebrating news of our people and our local churches, providing insight and information about the direction of the denomination and the religious community at large, inspiring

thought and reflection, and rejoicing in the many wonderful, innovative ways the kingdom of Jesus Christ is being furthered all across Arkansas.

BOARD OF CHURCH AND SOCIETY

Abuse Awareness Workshops have been conducted in three of our districts. While the attendance was not large the participation, the presentations and the results were very good. Additional Abuse impact will be accomplished through articles in the Arkansas United Methodist.

RAIN has continued to receive our support and we were a co-sponsor of their Third Annual AIDS and Spiritually Conference in April.

Another area of Church and Society concern is the ministry to Hispanics in Arkansas. As part of the Conference priority on Evangelism, we will study the needs in this area and respond where appropriate.

It has been our concern in the past that pre-marital blood testing is not required in spite of the AIDS epidemic. Therefore, we are looking into the legal requirements to see what action may be taken in this area. Some action may be proposed at Annual Conference in this area.

Chairperson

BOARD OF GLOBAL MINISTRIES

In the future VIMs Projects will be listed in the *Arkansas United Methodist.* Two conference teams of six will go to Juarez, Mexico in April to build a house. Another team will be in Haiti in April. In the fall of 1994 a conference team plans to go to Guatemala.

The Conference In -Gathering is scheduled for November 1994.

The board affirmed Hoover UMC in Little Rock as a Shalom Zone. On the 1995 budget request the board approved the addition by way of separate line a budget for Disaster Response. These monies will be used for district workshops and for expenses.

The board encourages every congregation to:

(1) Use the Advance Special Brochure
(2) Consider becoming a Covenant Relationship Congregation
(3) Support VIMs and UMCOR and

(4) Reach Out in Community. Many and varied mission programs are available to the churches.

Looking ahead to the 1996 Conference Emphasis on Missions a design sub-committee will begin work in the fall. The previously scheduled Arkansas Global Gathering will be included in this program.

BOARD OF EDUCATION

Our Board continues to hold as a primary assumption that "the primary mission of a local church is to make disciples for Christ." Christian education has a major role in the formation of Christian disciples. Christian education happens in many forms in a local church; e.g., Sunday school, Bible studies, UMW study groups, Vacation Bible School, choirs, retreats, and worship experiences. Christian education also happens at the District and Conference levels in a variety of forms.

Our Board continues to wrestle with, to define, and to keep before us in our work our primary task, within the may and various places Christian education happens in our Conference. We believe our primary task as the Conference Board of Education is to train and to motivate leaders for Christian education in local churches. Such training and motivation certainly happens at District and Conference training events. We also are carrying out our primary task as we provide occasions for training and motivation, which can best be achieved by working together. Our Conference camping program is perhaps the best example of this.

The camping program in addition to the various age-level ministries as well as singles ministry and home (family life) ministries are all under the umbrella of the work of our Board. Also under the umbrella District Christian education chairpersons carry out Christian education training. (Full reports of the camping ministry and the age-levels, single, and home ministries can be found separately among these reports).

Our plans for the remainder of 1994 and for 1995 include the following:

-We will provide brief, printed resource materials for use by Sunday schools in local churches as they seek to strengthen their Sunday school program.

-We will provide a format for workshops to assist churches in recruiting, training, and nurturing volunteers in Christian education in local churches.

-We will continue to encourage and enable participation in LAB school (which is one of the finest quality training events in our area .)

-We will continue a variety of training workshops at the Conference and District level for Christian education and age-level, singles, and home ministries.

-We will seek to improve training about human sexuality and provide greater awareness of the full range of resources and information available for use by local churches to teach children, youth, and adults about their God-given sexuality.

-In conjunction with the Board of Higher Education, we hope to provide training and enhance opportunities for summer youth workers and churches interested in such a staff position.
-Through our Adult Ministries coordinator we will explore and develop appropriate training resources and opportunities relating to Christian marriage and parenting.
-We will continue to share the important connection between Christian education and our Conference priority on evangelism in 1994 and the Conference priority on stewardship in 1995.

Finally, we remind each local church that Christian education Sunday is September 11, 1994 and September 10, 1995. This is a great day to emphasize and celebrate Christian education and to recognize the people in your congregation, which make Christian education happen.

We recommend that a Christian Education Day offering be received in our Conference on September 11, 1994 and September 10, 1995. All proceeds from this offering will be used for Lab school scholarships and to assist in funding Christian education leadership training in our Conference.

SINGLES TASK FORCE

The Singles Ministry is extended to persons of all ages who are single, widowed, divorced, never-married, or married and spouse-absent. These persons share unique needs and life situations toward which the church can direct its support,love and Christian responsibility. A cooperative approach to Single Adult Ministries with other churches, denominations, community organizations, and groups are encouraged as valid outreach ministry of the local United Methodist Church.

On behalf of our Little Rock Conference Task Force on Singles' Ministries, we want to share the following news.

The Task Force Singles' Ministry Statement of Purpose:

To provide a ministry of:

-education
-fellowship
-recreation
-service
-worship
-support

which promotes the spiritual and emotional growth of single adults.

The Little Rock Conference Singles Task Force and North Arkansas Singles continue to work together on special projects such as:

(1) Single Adult Seminar to be April 29-May 1. This will be a special state-wide weekend with Terry Hershey, nationally known author and speaker. The Oasis Renewal Center is working as a sponsor with both Little Rock and North Arkansas Conferences.

(2) Single Adult Retreat at Camp Tanako for a weekend of sharing and renewal.

(3) A committee composed of representatives from both conferences are in the process of planning a single parent retreat with their child or children. The conference Children's Coordinators from both conferences are working on this project as a joint effort with Singles to be planned for 1995.

The National Event for Leaders of Single Adult Ministries meets July 27-31, 1994 in Nashville, Tennessee. Intensive classes are being planned in three areas: Spiritually and Singleness, Sexuality/Intimacy Issues, and Equipping Singles for Ministry.

The Singles Newsletter (HUGS) is published semi-annually and continues to be included in the conference mailings.

There is a vision for ministry with single adults. We see real people with all their attending joys, pains, gifts and struggles being reached and welcomed by congregations.

Pat Reed
Conference Singles Coordinator

OLDER ADULT COUNCIL

This is my first report for the Older Adult Council, having received the mantle from Mattie Mae Rice who so ably developed this important work during the last quadrennium. It is my desire to carry this work forward to encourage, equip and inform Older Adults in the local United Methodist churches of the Little Rock Conference. To that end our District Coordinators met in February to make long and short range plans.

Networking,we believe is our most urgent need-- -to have a good mailing list of all interested friends of Older Adults with whom to keep in contact. Therefore, we will try to identify at least 5 key people in each church in the conference, with one of these NOT being an Older Adult. To accomplish this we sent a personal letter, with a survey enclosed, to the Older Adult contact in every church requesting a list of these contacts. Also the survey will ask for resources and current activities available in the recipient's local church and community for Older Adults as well as those unavailable and deemed to be needed.

The survey will also seek to determine interest in a major event for Older Adults similar to the Day in May previously held. If such interest is shown, we will plan a Retreat for the Spring or Fall of 1995, emphasizing spiritual growth and evangelism "by, with and for" Older Adults.

Consideration of publishing a "jump -start" Manual for Older Adult Ministries in the local church, to be provided for the key contact in each church, will depend on the need for such a resource expressed in answers to the survey.

The Newsletter will continue to be published 3 times a year, furnishing Older Adults with reports from other districts of activities, resources available, upcoming meetings and conferences. recommended reading, meditations, etc..

It is my desire and prayer to continue the vital work of this ministry by, with and for Older Adults- -that it be a real encouragement and enablement for this talented and experienced group of, the United Methodist Church- and that it not be "just another program."

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

1. We recommend an apportionment of $190,550 for Hendrix College in 1995 compared to $185,000 in 1994. This is an increase of 3%.

2. We recommend an apportionment of $245,700 for the five Wesley Foundations in 1995 compared to $236,250 in 1994. This is an increase of 4%.

3. We have reviewed the Wesley Foundation Student Center expense budgets for 1995. They are:

Henderson State University, Arkadelphia:	$52,571
Southern Arkansas University, Magnolia:	$50,000
University of Arkansas at Little Rock:	$55,723
University of Arkansas at Monticello:	$62,853
University of Arkansas at Pine Bluff:	$42,150

4. We recommend an apportionment of $48,550 for Philander Smith College in 1995 compared to $43,000 in 1994. This is the same dollar amount of increase as recommended for Hendrix College.

5. We recommend that the full apportionment as requested by the Black College Fund (United Methodist Related Colleges) be apportioned to our churches for 1995.

6. We recommend that the full apportionment as requested by the Ministerial Education Fund be apportioned to our churches for 1995.

7. We encourage support of the United Methodist Student Day offering. Ten percent of the total received is returned to us for use as a United Methodist Merit Scholarship. The standard for this scholarship is $500.00. Since we did not receive enough in 1992 and 1993 to offer that scholarship we have placed those funds in escrow until enough is accumulated to offer at lease one $500.00 Merit Scholarship from United Methodist Student Day funding.

8. This Board helps award one $1000 scholarship to a first-year student attending a United Methodist-related college or seminary. Funding comes through the United Methodist Foundation Conference Scholarship Program. This scholarship is awarded during the spring months through the Conference BHECM.

9. The Francis Asbury Award for fostering United Methodist ministries in Higher Education is awarded annually. Nomination forms are distributed throughout the conference. A committee within the Board was assigned to review the nominations and to select the recipient of the award each year. This award is usually presented prior to the Annual Conference Session.

10. We are continuing to explore possibilities of utilizing our network of persons and facilities to strengthen our local congregations through a program designed to train and certify Summer Youth Workers. Another excellent program we help sponsor is the fall College Weekend at Camp Tanako. We are committing 1995 program funding to College Weekend and to developing the Summer Youth Worker program.

11. The ministry to students in our institutions of higher education continues to be both an important resource for students in a time of transition and a source of future leadership for the United Methodist Church. We encourage the support of all program and funding items associated with the growth of this important outreach ministry.

CAMPING COORDINATING COMMITTEE

The camping ministry of the Little Rock Annual Conference has had another great year, with 1,183 campers participating in events planned or coordinated through the Camping Coordinating Committee in 1993. These campers were led and guided by 166 volunteer staff who gave their time to serve as deans and counselors for the camps.

In addition to the regular camping season, almost 1300 people used Camp Tanako in other retreat setting throughout the year, indicating the level of broad support Camp Tanako and the camping ministry enjoy in our conference.

We on the Camping Coordinating Committee take very seriously our task of providing special opportunities for the message of Christ to be presented to people of all ages. To do so, we have selected themes and curriculum that we believe will be of particular interest to our children and youth. Middle Elementary Camps will have the theme "Discipleship", and will look at what it means to be a disciple of Jesus. Older Elementary Camps will take a look at how faith touches all of life through the theme "Join the Great Parade." Junior High and Senior High Camps will both have the theme "Wise As Serpents, Gentle As Doves," an exploration of ways to deal with and resolve conflict as Christians.

In 1994 we will sponsor three new camps. Adventure Camp will offer opportunities for camping, hiking, spelunking, rappelling, rock climbing, and confidence building, all within a camping environment. Bike Camp will tour the area around Lake Ouachita, covering between 200- 250 miles in the process. Finally, a new Family Camp will be offered in October, and will specifically be designed for families with children in K-6th grades.

A look at the 1994 summer schedule will show the variety of camps being offered.

Finally, a personal note. In the five years that I have served as Conference Camping Coordinator, I have been deeply moved by the many signs of selfless giving I have seen. From the churches who encourage camping ministry and offer financial assistance, to the volunteers who give days and **weeks** of their time, to committee members who work year round to provide leadership, I say - on behalf of all campers -thank you! The camping program flourishes because of you.

Of course, the camping program exists because of God. Over the years I have seen many lives touched and changed through this ministry, from young children spending their first nights ever away from home in the beauty of God's creation, to youth committing their lives to Christ, to adults finding rest and peace from hectic lifestyles. The camping ministry is simply the ministry of the church set in a unique environment.

I look forward to what the next five years will bring.

Little Rock Conference Camping Coordinator

COMMISSION ON RELIGION AND RACE

For those of us engaged in the work of Religion and Race we realize this is a ministry of reconciliation and that it is an expression of the christian gospel. This ministry of reconciliation accepts as its responsibility to help the church experience racial inclusiveness.

For this past year the Conference Commission on Religion and Race focused most of its attention on the district workshops on racism- "Confronting Racism -The continuing Dialogue." These workshops were mandated by the 1993 Annual Conference. But the sincerity, enthusiasm, commitment and willingness to address this age old problem expressed at these events cannot be mandated. I wish everyone in this conference could have experienced one of these events and come away with the hope I felt at the end of most of them.

The Conference Council on Ministries, in cooperation with CCORR agreed on a panel format. In each workshop the panelists addressed four main issues: (I)Racism in the English Language, (2) The Effects of Racism on Today's Youth, (3)Hate Groups-a Theology of Reconciliation and (4) Models of Opportunity for Inclusiveness in the Local Church. Most panelist served on alternating basis. Michael Mattox, Bill Robinson, Byron Thomas, Freddie Nixon, Charles Murray and John Miles, Jr served as panelist and they were excellent! Many of them made numerous sacrifices in order to do these workshops. Bill Robinson and Byron Thomas committed to do them all and for this I am especially grateful. Bishop Wilke was present at each event to lend his support, participate in discussions and provide statements and suggestions on what can be done to make the churches and all aspects of the Little Rock Conference more inclusive. I am so very grateful to Bishop Wilke, the District Superintendents, the panelists, CCOM and everyone in attendance at each of these events for making them an experience worth having. Up -front leadership from the top down was encouraging and gave the events significance.

The workshops were held in Pine Bluff, Arkadelphia, Hope and Monticello Districts. The Little Rock District workshop is scheduled for April 10, 1994 at Hoover UMC.

Unfortunately, due to a mix up, the one for the Camden District did not take place. The attendance at each event was good -mostly ministers. This was due to the fact that they were planned in conjunction with the Bishop's visit. Each District Superintendent was an excellent host with good food for us to enjoy.

In the coming year I hope each conference committee, commission, agency/board will develop plans on how they will make existing programs in their work area more racially inclusive if they have not already done so. A survey can be used to collect this information as tangible evidence of our commitment to eliminating racism or the appearance of it. On a grass roots level, I want to encourage each church to name a Religion and Race Chairperson. Someone who can help them focus on how the existing programs in the church can be made inclusive. This aspect can better by addressed on a district level.

I felt the Racism Workshops last year were successful, but I also felt they only scratched the surface. Even though there is much work to be done, the ones this year went deeper and really addressed what can be done on an on -going basis. I only hope the ministers in attendance at these events will began to make some of the suggestions a reality in their churches.

COMMITTEE ON ETHNIC LOCAL CHURCH CONCERNS

The Annual Conference of June 1993 mandated that the committee on Ethnic Local Church Concerns be reconstituted in accordance to the discipline (726.5). The Conference Council on Ministries at its October 21, 1993 meeting approved all nominees submitted from the various boards and agencies. The committee is now composed of seventeen members, including its chairperson and the Director of the Council on Ministries.

The committee had its first official meeting November 18, 1993 at the conference headquarters at 10:00 a.m. The agenda included: 1) invocation 2) introductions 3) charge 4) election of officers 5) review and reflections and 6) committee assignments for implementation of program.

After a general scrutiny of the program, it was the decision of the full committee to review and update the comprehensive plan. It will contain evangelism and urban ministry components. In the meantime, the sub committee on review and update of the comprehensive plan is planning for a short form needs assessment to be circulated in the near future. Rev. William Robinson is giving leadership to this important task. Moreover, the sub-committee on policy is revising the project application form to involve new funding categories, and additional information from pastors requesting scholarship support for students.

The committee continues to fund projects under all funding categories. (Leadership Development, Outreach, Extension/Facilities and College scholarships.) Financial support (grants) were approved for:

-Two individuals to attend college and one to attend Seminary
-Resurrection United Methodist Church for sanctuary beautification
-New Haven United Methodist Church for outreach program
-Clergy Leadership development
-One student to attend nursing school

Now that this committee relates to all conference agencies, It is my hope that this body can function more effectively in the implementation of the conference's comprehensive plan.

WORK AREA ON WORSHIP

The Work Area on Worship seeks to build on the enthusiasm of the 1993 Conference Priority, Celebrating our Faith through Worship and Music. In addition to coordinating worship at annual conference, the work area proposes three important programs for next year:

(1) SEASONS OF WORSHIP

Seasons of Worship is a video tele-conference offered by Cokesbury Satellite Television Network. Four two hour programs each year offer resources for planning worship and preaching for the seasons of Advent/Christmas/ Epiphany, Lent, Easter, and Pentecost. The conference will enroll as an umbrella agency, making it possible for each district to waive the standard fee of $250 per satellite site. Participation is open to pastors, diaconal ministers, ministers of music, and all other persons who share responsibility for planning worship.

(2) COPYRIGHT LICENSE

Enforcement of copyright rules is growing, leaving our conference liable when our agencies print words to hymns and choruses for worship services at conference related events.

The Work Area on Worship, with approval of the Conference Council on Ministries, has purchased a copyright license that gives our conference permission to copy over 100,000 hymns and choruses (including all of those by major publishers of traditional and contemporary Christian music today). This permission extends to all agencies of our conference, and the six districts. The service will be useful to such groups as Annual Conference Worship, United Methodist Women, CCYM, Conference on Leadership
in Ministry, District Rallies, etc. Local churches may enroll for use in their own congregations at very modest fee.

For more information on how to use this service in your conference agency, or how to enroll your church, contact the Work Area on Worship or the Conference Office.

(3) WORSHIP FAIR

The Work Areas on Worship of the North Arkansas and Little Rock
Annual Conferences are co- sponsors with the Arkansas chapter of the Fellowship of Worship, Music, & Other Arts sponsors an annual Worship Fair. Last year, over 200 persons attended, the largest attendance in the history of the event. Dr. William McElvaney was the keynote speaker.

Special workshops addressed worship and music in the small church, alternative (blue jean) worship services, and choral readings for directors of children's, youth, and adult choirs. The 1994 Worship Fair is scheduled for Saturday, August 27, in Little Rock.

BOARD OF LAITY

"There shall be in very Annual Conference a Conference Board of Laity which shall provide for the ministry of the laity." (Para. 730.1, 1992 Book of Discipline.) The Conference Board of Laity provides a support process for the primary task of the congregation and the Annual Conference.

Effective leaders make things happen. The emergence of energetic, enthusiastic, and knowledgeable laity is creating an air of excitement in our church. Team leadership with pastor and lay leader is becoming the model for local congregations. The key to success is team commitment to leading, caring, and witnessing by word and deed in the name of Jesus Christ.

In an effort to strengthen the leadership and give local churches the best possible leadership, pastor/lay leader workshops were held in each district in March. Pastors and lay leaders came together to dialogue and to be intentional in team building in order to model working together for God's love in the church, the community, and the world.

Nomination Interest Sheets were sent to every lay leader to encourage lay leadership at the conference level and to develop a talent bank for placing laity in key positions as vacancies occur on Conference boards, committees, etc.

Lay Speaker training courses were successful in the districts. Lay speaking ministry involves laity committed to leading, caring, and communicating. This ministry helps persons develop gifts and find places to use those gifts.

The Conference Board of Laity is dedicated to helping the laity of the Little Rock Conference in using their best skills, gifts, and talents following God's direction. We do not have a quick fix but a desire to slowly and carefully take a look at where we have been, where we are, and where we are going in our faith development process.

The following goals were adopted by the Board to strengthen the Lay Ministry of our Conference:

A. To revitalize the lay ministry of the United Methodist Church in the Little Rock Conference, by:
   1. District lay leaders to work in cluster groups with local lay leaders.
   2. Encourage participation in Laity Sunday in every local church.

B. To improve the effectiveness of the lay members of the Annual Conference, through:
   1. Training
   2. Involvement
   3. Nominations

Laity of the Little Rock Conference want to be deeply involved in the ministry of service and caring. They continue to respond to God's call.

Marilynn Loyd
Conference Lay Leader

BOARD OF DIACONAL MINISTRY

PURPOSE

The purpose of the Conference Board of Diaconal Ministry is to resource the needs of the Conference relative to professional careers and to interpret Diaconal Ministry, to seek and enlist persons of all races and ethnic origins, to guide interested persons through the process of training, certification, and consecration. The Board shall also assist in the personal and professional growth of certified and consecrated professionals in the church.

GOALS

The goals of the Board in the 1992-96 quadrennium are to administer records and maintain standards, interpret Diaconal Ministry and the certification process, and to improve support systems for church professionals.

RECORDS AND STANDARDS

The Board reviews annually the professional activities and continuing education of each certified and consecrated person under our jurisdiction. A psychological evaluation and medical examination are required of all candidates for diaconal ministry.

INTERPRETATION AND RECRUITMENT

Inquirers were invited to our annual retreat January 27-28. This year we awarded certification as Director of Christian Education to Vincent Harris and Associate in Music to Josephine Bell. Candidacy was granted to Doris Parker and Vicki Ragan. Stacey Ewing was approved for consecration.

We are assisting in the renewal of a fourth year grant from the Board of Higher Education and Ministry. The grant, which is designed to strengthen ethnic ministries, funds a project by Josephine Bell at New Haven UMC.

SUPPORT SYSTEMS

We co-hosted a CPR, Church Professional Retreat, with the North Arkansas Board of Diaconal Ministry and the AR Area CEF at the Oasis Renewal Center in January. With fellowship and renewal, we looked at how The Generational Theory influences faith development. Donna Gaither, General Board of Discipleship, was our resource person. Last Spring at our luncheon with the cabinet, we focused on visions of shared ministry.

SCHOLARSHIP FUND

Scholarships for persons in certification and candidacy studies and for continuing education for diaconal ministers are available through the Vice Chair of the Board. Applicants may receive up to $300 a year, granted on the basis of need and availability of funds.

BOARD OF PENSIONS

Since 1982 the Board of Pensions has been able to raise the rate for past service from $118.00 to $308.00 (1994). At the same time, the period of years projected to pay the unfunded liability has decreased from 40 to 15 years. This has been possible by the rate of apportionment received from the local churches and the good investment yields at the General Board of Pensions.

Report No. 1

1. We recommend that the Little Rock Conference participate in the Ministerial Pension (MPP) and the Comprehensive Protection Plan (CPP) of the General Board of Pensions during 1995 on the following basis:
   a. Contribution base shall be limited to each minister's plan compensation not to exceed the denominational average compensation.
   b. Contribution rate shall be MPP, 12% of each minister's contribution base, and CPP, 4.4% of each minister's contribution base.
   c. Annuity rate for pre-January 1, 1982 service shall be raised from $308 to $326 Per service year.
   d. Surviving spouse percentage of the formula benefit rate shall be 70%.
   e. A 15 year amortization period shall be used to pay the unfunded past service liability.
   f. Monthly contributions to MPP/CPP shall be made through the apportionment system.
   g. CPP benefits shall be supplemented with Death Benefit Plan-Plus (DBP-Plus) to 300% DAC up to age 45 (then a declining balance).
   h. Active participants will contribute to the Death Benefit Program Plus with the church paying 100% of premium.
   i. Every Conference member earning less than 60% of DAC from his/her primary salary paying unit may be included in CPP at the rate of 4.4% of his/her contribution base.
   j. Probationers at seminary may participate in CPP at 4.4% - participant will pay.
   k. Those on leave of absence may participate in CPP at the rate of 4.4%. The participant will pay the full 4.4%.

2. We recommend that in keeping with Par. 1606, Section 12.e) of the 1992 Discipline that the Sunday following Easter be observed as Retired Minister's Day. Each Pastor is urged to acquaint his or her congregation with the pension program of the Conference as part of the observation, and if possible to use a retired minister in the Worship Service.

3. We recommend in keeping with Par. 1606, Section 4.h) of the 1992 Discipline line, the approval of the Annual Conference that Special appointments shall be listed in the Conference Journal as follows: (1) with pension responsibilities, (a) upon the Annual Conference, or (b) upon a General Board, an Institution, or an Agency of the United Methodist Church; (2) without pension responsibilities claim upon this Annual Conference.

4. We recommend the following pertaining to the health insurance program of the Conference:
   a. Board of Pensions pay 100% of the premium for our eligible retirees, surviving spouses, and ministers on disability for the Hospital and Medical Expense Program.
   b. Conference Claimants: If a retired minister and/or spouse desires to have the premium for their Conference Hospitalization and Medical Insurance Program paid by the Board of Pensions, the minister must have been enrolled in the

program prior to his/her 65th birthday. Likewise, if the spouse is to have the premium for the Program paid by the Conference, he/she must have been enrolled in the program for a minimum of one year prior to his/her 65th birthday or one year prior to the minister's retirement. If a minister's spouse is under the age of 65 at the time of that minister's retirement, the Board of Pensions will pay for that spouse an amount equal to the premium for a spouse over 65, plus 3% of the premium per each year of service by the said spouse in the Arkansas area, up to a total of 80% of the spouse's premium. (The words 'spouse' always refers to the same person.)

c. Spouses of Deceased Ministers: In the case of a deceased minister whose spouse is under the age of 65, the Board of Pensions will pay the dependent's insurance premium for five (5) years following the death of the minister. In the event of extenuating circumstances, an extension of payments may be requested by the dependent. Payment automatically ends with the remarriage of the dependent. Each case will be reviewed annually.

5. We recommend that an annual amount equal to 100% of the pension and disability payment of each minister of the Little Rock Conference be designated as housing allowance.

6. We recommend that in keeping with Par. 737, Section 4 of the 1992 Discipline that there shall be organized from the membership of the Board of Pensions of the Little Rock Conference a committee to compare the records of the amount paid by each pastoral charge for support of pastors: and for pension benefit purposes computing the proportional distribution thereof and keeping a permanent record of defaults of the ministers in the Conference who have failed to observe the provision in Par. 737, Section 4 pertaining to proportional payment, and shall render annually to each minister and charge in default a statement of amounts in default for the current year and preceding years. In event of default by any pastoral charge the amount in default for the current year only may be printed in the Conference Journal.

7. We request the Secretary of the Annual Conference to print in the Minister's Service Record in the Journal, one column stating "Years of Pensions Claim on the Little Rock Conference, "and another stating "Total Service Years in the Ministry."

8. A list of annuitants and pensions payments for the year 1993 is available in the Conference Treasurer's Office from Mary Stanfield.

NOTE: FOR RESOLUTION OF HOUSING FOR RETIRED MINISTERS, SEE RESOLUTION SECTION OF JOURNAL

The 1995 decimal is calculated using the average of years 1992 and 1993. All data is taken from the statistical tables in the Conference Journals.

IX. **Salary and Expenses of District Superintendents'** total compensation package for 1995 will be $64,400. This figure shall include salary, utilities and appurtenances, and travel expense.

We recommend a vouchered expense pool for the District Superintendents in the amount of $21,000.00 for meetings (Cabinet, CCOM, and out of state) with the stipulation that no district, board, or agency make any payment for the purpose indicated above.

We recommend that $57,062 be used to pay the six District Superintendents Health Insurance premiums for 1995.

B. Rio Grande Conference - We recommend that $6,500 be requested from the local churches in ***"Fair Share"*** goals for the Rio Grande Conference in 1995.

LITTLE ROCK CONFERENCE COUNCIL ON FINANCE AND ADMINISTRATION REPORT OTHER RECOMMENDATIONS

I. Pastor's Utilities and Appurtenances: If no utility allowance is made, we recommend that the local churches designate a part of the compensation as parsonage utilities and appurtenances to exempt those costs from incomes taxes.

II. The travel allowance remain at $.20 per mile plus $.02 per mile for each additional person, to encourage car pooling.

III. Retired ministers be paid $35 per diem for days they attend Annual Conference.

IV. Pastors' moving expense be paid at the rate of $400 plus $.75 per mile. The mileage is to be paid from parsonage to parsonage, with one exception. When transferring from another conference, the rate will apply from parsonage to the Little Rock Conference boundary. The policies for application for Pastors' Moving Expenses Funds are listed in the 1982 JOURNAL, page 127, section 1211(F).

V. All unrestricted benevolence funds be placed in a central operating balance.

VI. Balances remaining in the Conference Benevolence Fund and the Conference Administration Fund at year end be transferred to the Reserve Fund.

VII. Any Conference employee who has, or who desires a tax sheltered annuity, may direct the Director of Finance and Management to pay his annuity from his regular income following proper guidelines.

VIII. Housing allowances (for persons receiving such funds) be set at the estimated actual expense as reported to the conference or local church. This information should be reported at the beginning of each calendar year. This will result in reallocation in funds paid to such persons and will not increase the total amount paid.

IX. Each board, commission, committee or agency not be allowed to change a line item in its approved budget which would exceed 10% of the amount without approval of the Council on Finance and Administration.

X. All agencies receiving conference funds shall submit their latest independent audits to the Conference Council on Finance and Administration.

XI. Wesley Foundations may solicit funds within their supporting districts after approval is given by the District Council on Ministries.

XII. Local church administrative boards consider paying all conference life and health insurance (DBP & HMEP) premiums directly (above salary) in order to provide tax savings for pastors and other church employees. If necessary or desirable, the salary may be reduced by the same amount. This policy must be consistently applied to all employees.

XIII. Participation by the conference in Area programs must not exceed 50% of the cost of that program, with the exceptions approved by the Council on Finance and Administration.

XIV. The management and investment of all the monies of/from all those boards and agencies which receive monies from the Conference or line item apportionments must be handled by the area treasurer's office.

XV. Any capital lease or purchase over $1500 must be approved by the Council on Finance and Administration prior to lease or purchase, even if that budget has been previously approved.

XVI. Permission be granted to the area treasurer to borrow funds (on a short-term basis) from the Arkansas Area account if Little Rock Conference funds are not sufficient to meet current needs. Both Council on Finance and Administration presidents must approve the loan before it is transacted. Interest on such loan will be paid at the current money market rate.

XVII. The Conference provide fidelity bonding insurance in compliance with Paragraph 715.1 of the 1992 Book of Discipline.

XVIII. The following be adopted, as a guide for the investment and care of all Conference Funds: The Area Treasurer is charged with the responsibility, for managing all Conference funds in a manner that will provide :

A. The maximum income from the investment of all funds, while simultaneously insuring
B. Adequate liquidity to meet the day-to-day operational needs of the Treasurer's Office and
C. The safety and soundness of all funds. To accomplish this, all funds should be
   (1) deposited in Arkansas institutions in a fully insured status on a short-term basis, generally ninety days, but up to six months with the approval of the Investment Committee or CFA, or
   (2) invested in direct U.S. Government obligations for terms up to six months, or
   (3) invested with the General Board of Pension of the United Methodist Church.

Longer term investments may be made from time to time, but these are generally discouraged, because of the uncertainty of the need for funds and the volatility of interest rates. The Area Treasurer is encouraged to consult with a majority of the Investment Committee or the CFA, when he is uncertain about an investment. This policy is intended to be flexible in its application, in order to meet rapidly changing economic conditions. While income is desirable, the primary emphasis should continue to be the maintenance of adequate funds and the avoidance of speculative investments.

This policy may be amended from time to time to meet changing conditions and to enhance the income of the Conference.

XIX. That the South Central Jurisdiction VOLUNTEERS IN MISSION be given authority to solicit "volunteer" contributions from individuals, districts, and the Annual Conference for the purpose of funding the administrative work of this program. That these contributions be kept as a line item in reporting to the Jurisdiction Council on Finance and Administration and that such be a part of the audit report of the jurisdictional budget.

All contributions to this fund must go directly to the Little Rock Conference Treasurer's Office.

XX. The Conference gives the Conference Council on Finance and Administration the authority to fund extraordinary needs relating to the life and ministry of the Annual Conference. These needs shall be funded from unrestricted funds and reserve funds. This authority shall not be used, nor is it intended, to replace or circumvent normal funding procedures of the Little Rock Annual Conference. Actions on such requests shall be reported to the next regular session the Annual Conference. (This recommendation is in reference to paragraph 709.6 of the 1992 Book of Discipline.

XXI. The Conference CFA recommends that Joe Eason be elected to the Office of Conference Treasurer for the 1993-1996 quadrennium.

XXII. We express our appreciation to Joe Eason and his staff, Barbara Skiles, Cheryl Beck,Kristina Moser, and Mary Lois Stanfield, for the excellent service they perform for the Conference.

COMMISSION ON ARCHIVES AND HISTORY

The energies and resources of the Commission in the past year have been focused on moving the Arkansas Area archives to the Winfred Polk Archives Room in the new Hendrix Library which opened in January. The Archives houses the materials of both the Little Rock Conference and the North Arkansas Conference, and is staffed by volunteers under the coordination of Mrs. Mauzel Beal, North Arkansas archivist. It is open Thursdays 10:00 a.m. to 2:00 p. m, and the first Saturday of each month 1:00 p. m. to 4:00 p. m. and other times by appointment.

A second major project of the Commission is History 2000-- a plan to publish an updated history of Arkansas Methodism. The focus of the history will be the years between the Uniting Conference in 1968 and the year 2000. An Advisory Board appointed to effect the will of the Joint Commission on Archives and History, Arkansas Area, is overseeing the project. A third, ongoing project is indexing of the Arkansas Methodist. The indexing is completed for the years 1884 through 1932.

In addition to these special projects the routine, but important work of the Commission continues. Our archivists respond to requests from Arkansas churches for copies of documents and photographs to aid in their historical collections and heritage celebrations, and to requests from individuals inquiring about ancestors who were in the Arkansas Methodist ministry.

COMMITTEE ON EPISCOPACY

The Committee on Episcopacy met twice during the conference year. Both times the committee met jointly with the Committee on Episcopacy from the North Arkansas Conference. During each meeting, appreciation was expressed to Bishop Wilke for his leadership. After serving the Arkansas Area for nine years, the United Methodists of Arkansas are grateful for the witness and work of Bishop and Mrs. Wilke.

It was noted during the first meeting that the two conferences over which the Arkansas bishop presides have different structures. The two conferences share in common ministries, programs, and staff, but the differing structures make it difficult for the bishop and others to implement the programs efficiently. It was also noted that it is almost impossible to define lines of accountability for some of the area staff. After lengthy discussion, it was proposed that a task force be appointed to study whether merger of the two conferences would be wise at this time. The overriding question for the two committees was and remains: What can be done to make our ministry more effective?

The Merger Task Force, composed of members from both committees, met numerous times. It was discovered that merger has been a subject of interest for sixty-two years, with votes being taken several times to decide whether the conferences would merge.

The Merger Task Force, through the *Arkansas United Methodist* newspaper, invited anyone desiring to share thoughts on merger to do so in writing to any committee member. The committee studied the theological and practical issues of merging. Conferences which have merged were contacted and asked if merger was more economical than having two conferences. The pension and health insurance differences with our two conferences were studied. The enlargement of the personnel pool for appointment-making was studied. Leadership, leadership development, and representation on Jurisdictional and General agencies were studied, as were "feelings" associated with the two conferences.

After doing a lengthy study, the Merger Task Force came to the conclusion that now is not the time to propose merger. However, because it is known that certain obstacles make the bishop's leadership cumbersome, and because work between the two conferences is difficult at times, the Merger Task Force recommends that an Area Long-Range Planning Committee be established to study ways to make ministry more effective and efficient. A copy of the resolution is found in the Annual Conference packet.

It is known that, due to retirement, Bishop and Mrs. Wilke will leave the Arkansas Area in 1996. A task force has been appointed to recommend how the Area will profile characteristics our next bishop will need to do her/his ministry effectively. This task force will report to the committees at our next meeting. Their recommendation will be communicated to both conferences.

COMMITTEE ON INSURANCE

Poor loss experience on our HMEP group medical plan continues to trouble our Committee. Each year at Annual Conference, we report to the attendees and make our recommendations. Often these recommendations have to be qualified. Our policy year is a calendar year. Therefore, at Annual Conference we are in the middle of a policy year and cannot predict accurately just what our medical renewal rates will be for the following January 1st anniversary date.

At Annual Conference last year, we knew that the loss experience on our Retirees was over 100% and that our Board of Pensions was soon to be saddled with a significant increase in Retiree

health insurance. Some modest benefit adjustments were approved at the 1993 Annual Conference that took effect on January 1st of this year. Hopefully, we can have a better year in 1994. Retiree loss experience was consistently poor the entire year and a rate increase of over 20% was necessary to maintain the program.

We were fortunate last year to escape a rate increase on our HMEP plan. We were not so fortunate this year, and even after considerable negotiations with the Travelers we had to accept an increase of 18% on the active ministers, staff and their dependents. It was very frustrating for our Committee to accept such a large increase, but we could not argue with the loss experience situation of our group.

We had hoped to merge our HMEP plan with the North Arkansas Conference, and in fact this action was approved at both Annual Conferences last year. However, in November when both Conferences received final rates based upon Conference loss experience, we were unable to bring our plans together. At this time, there is enough disparity in rates and loss experience that it would not be in the best interests of the North Arkansas Conference to complete the merger. This disparity has been reversed in the past, so we are not giving up hope on this move. We feel that a combined plan would offer certain economies of scale.

One other program that has created a lot of attention and work for our Committee is the DBP+ Plan, a voluntary plan of group term insurance for active and retired persons. The plan is being phased out in favor of a more "modern" benefit schedule, but the complexities of this change have caused us to proceed carefully so that we can provide the best plan of benefits possible.

Our Committee was saddened to receive a letter of resignation from George Frazier of Hope, who has served this Committee for many years. Although George's term was scheduled to expire at this Annual Conference, we regret that his busy schedule forced him to leave a few months early. Thanks for all of your fine service, George!

Certainly the tone of this report can be interpreted as being gloomy or negative. Maintaining a viable Benefits Program is always a challenge. However, we have a very positive attitude on our Committee because we know that we help manage a very comprehensive and important Benefits Program for our participants. These programs are essential for the well being of our ministers, lay employees and their families. And, they all appreciate the sacrifice that each local church must make in order to provide these benefits.

PAYMENT OF PREMIUMS

Each local church or charge will provide 100% of the premium cost for either individual or family coverage, whichever is applicable, for those under appointment.

The Conference Board or Agency responsible for its own budget will provide 100% of the premium cost for either individual or family coverage, whichever is applicable, for ministers under special appointment who are approved for Pension credit from the Conference.

IMPORTANT INFORMATION CONCERNING MEDICARE ENROLLMENT

Any minister who will reach his/her 65th birthday when he/she is still serving in a full time capacity and not drawing Social Security, should apply three months before his/her 65th birthday at the local Social Security office for Medicare. Any minister who has passed his/her 65th birthday and has not applied for Medicare, should contact the Social Security office immediately. This applies to those who are eligible and wish to participate in Medicare.

Should a minister's spouse reach age 65 before the minister, he/she should apply for Medicare at the local Social Security office.

It is each person's responsibility to secure his or her own Medicare coverage. For most persons age 65 or over, HMEP coverage complements Medicare.

Because of the Tax Equity and Fiscal Responsibility Act, a minister or lay employee who is age 65, but under age 70 and is still serving in an active status, is required to pay the HMEP premium of a person under age 65. For a person in this situation, Travelers is the primary payor and Medicare is the secondary payor.

THE DEATH BENEFIT PROGRAM

The Death Benefit Program is in three parts. Part I is included in the Ministerial Pension Plan/ Comprehensive Protection Plan (MPP/CPP). Part II is an elective additional coverage called DBP-PLUS. Part III is a carry over from the past, available to clergy not covered by CPP.

CLAIMS PROCEDURE

1. **Hospitalization and Medical Expense Program:**
   NOTE: To file a claim, send a First Notice of Claim Form, (one per person per year), to Travelers Claim Division, P. O. Box 3036, Naperville, Illinois 60566-7036. The toll free number is 1-800-792-7729. Follow the instructions on the First Notice Claim Form.

INSURANCE COMMITTEE POLICIES

1. Premium notices are sent out every quarter at least two weeks before the due date.
2. When the premium is 30 days past due, a second notice will be sent to the participant.
3. When a premium is 60 days past due, a past due notice will be sent to the District Superintendent as well as to the participant and the participant's charge.
4. If an enrolled person fails to pay premiums for two consecutive quarters, the secretary shall notify the insured by registered mail that he/she will be terminated within fifteen (15) days of the letter's date unless full payment is received in that fifteen day period. Any exceptions to this policy must be approved by the Insurance Committee. A copy of this letter shall be sent to the appropriate District Superintendent as notification that termination is being considered. Should there be a hardship, the District Superintendent should convey such information to the Insurance Committee. The District Superintendent shall be advised of any considered change in the insured's status.
5. When coverage is terminated, reinstatement requires proof of insurability and approval of the Little Rock Conference Insurance Committee.
6. Continuation of health insurance after termination of employment is available for 9 months provided the conditions outlined in the HMEP Policy Booklet are met. The premiums must be paid by their due date or the insurance will not be continued.

INSURANCE COMMITTEE ANNUAL CONFERENCE REPORT

1. HMEP - No benefit revision s proposed this year.

Actives - First quarter loss experience was marginal (93.3%). Two claims were for over $100,000. Barring any other catastrophe claims this year, we hope this 93% ratio will drop to the 80% range by year-end.

Retirees - The first quarter loss ratio was 74%. This is encouraging in light of the 20% rate increase effective January 1.

Prescription Drugs - There has been a good response to our new mail order drug program. Significant savings have been reported to us. This is available to Actives and Retirees alike.

2. Disability Coverage - We voted to adopt some supplemental disability plans and pay 100% for this out of our contingency fund. For clergy, the plan pays 10% of DAC after 6 months of illness (zero elimination period for accidents.) The effective date is 6-1-94. This will supplement the 40% of DAC plan that is incorporated into the CPP plan. The 10% supplement plan that we adopted pays the GREATER of 10% of DAC or actual compensation, while the basic CPP only pays 40% of the DAC as a flat benefit.

We also voted to cover the 4 active employees in the office (lay), for a full 50% of DAC (since they are not under CPP and do not have any disability coverage.) This plan is the same as the CPP, except that it pays 50% of DAC rather than 40%.

3. DBP+ Program - Effective 1-1-95 this program will be totally revamped. Under new guidelines for the BPP plan, we inacted the following measures:

A. Active Clergy - the new benefit will be a level (not decreasing annually) $50,000 benefit until retirement. At retirement, this benefit reduces to $10,000. There are no benefit amounts for spouse or children.

B. Retired Clergy - Current retirees will continue under the present schedule (20% of D.A.C.) The 1994 benefit is $6,587. There will be no spouse benefit. Future retirees will have a level $10,000.

C. This plan is paid 100% by the participants. The rates will be arranged in 5-year brackets for Active participants, and retirees will pay the same cost per $1,000.

CONGREGATIONAL DEVELOPMENT COMMITTEE

In January of this year, the Commission on Equitable Compensation recommended that the bishop and cabinet name a Congregational Development Committee to devise a plan for securing funds for new church development and that this report be ready to be presented to the 1994 session of the Little Rock Annual Conference. The bishop named one lay person from each district, one clergy person from each district, the six district superintendents, the Chair of the Commission on Equitable Compensation and the Conference Lay Leader to serve on this committee. As a result of many hours work, the committee requests the adoption by the Annual Conference of the following recommendations:

RECOMMENDATION NUMBER I

The Congregational Development Committee requests the Annual Conference to make this a standing committee of the Annual Conference with the addition of two others persons: a representative from the Conference Board of Global Ministries and the Director of the Conference Council on Ministries.

RECOMMENDATION NUMBER II

We further recommend that the Congregational Development Committee assume responsibility for initiating and conducting a Church Builder's Share Program to augment funds available for church grants through the existing "Breaking New Ground Fund" established in 1985.

United Methodists in the Little Rock Annual Conference are invited to purchase **GROWTH SHARES** as a means of supporting the development of new congregations, as well as relocated and revitalized churches within our conference.

1. In the month of February of each year, beginning in 1995, a campaign will be conducted throughout the six districts, offering the opportunity for laity and clergy to purchase Growth Shares. The cost of one share is $90. A person may purchase multiple shares.
2. The Director of the Conference Council on Ministries will be responsible for supervising the record keeping.
3. The minimum goal will be 2,500 shares.
4. A report of the results of the campaign and the names of the congregations aided will be sent to the shareholders of the program each year. A complete report, including expense, will be given each year at Annual Conference.
5. The expenses incurred by the committee for the Church Builder's Share Program will be covered by a portion of the funds generated from the program and not apportioned through the Conference budget.

DISPLACED CLERGY SPOUSE TASK FORCE

Revised Conference Report

The 1993 session of the Little Rock Annual Conference established a task force to "develop a plan of support for displaced clergy spouses." Our research supported our feeling that spouses of clergy, once they are divorced, are left with very little support-- emotional, spiritual, vocational, or financial. Often they feel left out of the very church family to which they have given their prayers, presences, gifts, and service, simply because most of our support mechanisms are geared toward clergy.

Therefore, we propose five avenues of support for the displaced clergy spouses and children of the Little Rock Annual Conference. "Displaced spouse" refers to the spouse of clergy or diaconal ministers; this program of support will be extended to spouses and families of both clergy and diaconal ministers.

1. An effort to raise the awareness of this issue by requesting that Pastor-Parish Relations Committees in local churches be made aware of our support program through their training workshops, and that the general membership of the churches be made aware, through the *Arkansas United Methodist* newspaper and the conference mail-out that such support exists.

2. A resource packet of information regarding legal rights of divorcing spouses, eligibility for pension and insurance benefits, financial planning, and other issues relevant to the displaced clergy or diaconal minister spouse These packets would be given to anyone going through a divorce.

3. A list, included in the packet, of persons and organizations who would be willing to provide financial, legal, psychological and other professional help free or at reduced cost.

4. A confidential list of ex-spouses of clergy or diaconal ministers who, having been through a divorce, would be willing to serve as friends, mentors, and resource persons for clergy or diaconal ministers spouses currently going through this crisis.

5. An emergency financial aid fund would be available for displaced clergy or diaconal minister spouses who are in dire need of funds to meet basic living expenses.

In order to administer this ongoing work of compassion, we propose the addition of a Displaced Clergy Spouse Support Coordinator to the Coordinating Committee on Professional Ministries. This person, selected annually by the Partners in Ministry, would be responsible for the dissemmation of information regarding the support program, the distribution of the resource packets to divorcing spouses, and be the contact person for displaced spouses seeking financial help or a mentoring friend. The only additional duty for the Coordinating Committee on Professional Ministries would be to grant emergency funds when needed.

If the Annual Conference approves the work of this Task Force, we will continue long enough to put the resource packets together and to get the Displaced Clergy Spouse Coordinator oriented to the responsibility, then we will dissolve. We thank the Annual Conference for the opportunity to develop a program that will provide a ministry of compassion and support in the name of Christ.

INDEPENDENT AUDITOR'S REPORT

For
THE LITTLE ROCK CONFERENCE OF THE UNITED METHODIST CHURCH

We have audited the statement of assets, liabilities and fund balances - cash basis of The Little Rock Conference of The United Methodist Church as of December 31, 1993 and 1992, and the related statement of changes in fund balances - cash basis for the year ended December 31, 1993. These financial statements are the responsibility of the Conference's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 1, the Conference's policy is to prepare its financial statements on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than generally accepted accounting principles. Consequently, certain receipts and the related assets were recognized when received rather than when earned, and certain disbursements were recognized when paid rather than when the obligation was incurred. Accordingly, the accompanying financial statements are not intended to be presented in conformity with generally accepted accounting principles.

In addition, the Conference has not capitalized its fixed assets and recorded the related depreciation as required by generally accepted accounting principles. The effect of noncompliance with this requirement has not been determined.

In our opinion, except for the effects of not recording fixed assets and the related depreciation as discussed in the preceding paragraph, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and fund balances of The Little Rock Conference of The United Methodist Church as of December 31, 1993 and 1992, and changes in fund balances for the year ended December 31, 1993, on the basis of accounting described in Note 1.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 1993 AND 1992

1. Summary of Significant Accounting Policies

Basis of accounting - The financial statements of The Little Rock Conference of The United Methodist Church have been prepared on the cash basis. The records are held open for approximately two weeks after year-end in order to include the remittances from the churches in the conference for the last few weeks of the year. This policy is consistent with prior years.

In June 1993, the Financial Accounting Standards Board issued Statement of Financial Accounting Standards No. 177 ("Financial Statements of Not-For-Profit Organizations"). This statement requires that all not-for-profit organizations provide a statement of financial position, a statement of activities, and a statement of cash flows. This statement also requires classification of an organization's net assets and its revenues, expenses, gains and losses based on the existence of absence of donor-imposed restrictions. This statement is effective for fiscal years beginning after December 15, 1994. The Conference has not determined how it will adopt this pronouncement for these financial statements.

2. Income Taxes

The conference meets the requirements of Section 501(c)3 of the Internal Revenue Code and is therefore exempt from federal income taxes.

3. Cash Investments

All cash investments are recorded at cost plus interest income as received in the account. These balances approximate current market value of the particular investments. Due to the current nature of some of these investments, market quotations are not available.

Interest on the savings accounts is received quarterly. Interest on Fidelity Cash Reserves is received monthly. Interest on all other cash investments is not recognized until maturity. Interest earned on investments during 1993 and 1992 was $9,496 and $26,580, respectively.

The aggregate market value of short term cash investments was $100,000 at December 31, 1993 and and 1992. There were no unrealized losses on investments.

4. Pension Plans

Substantially all conference employees are covered under one of the two defined contribution pension plans.

a. Ministerial employees - All ministerial employees, including the Bishop, are covered under a defined contribution pension plan whereby the participant contributes 3% and the church or conference contributes 10% to 12% of the participants' annual contribution base (compensation) based on the conference average compensation as computed by the General Board of Pensions.

b. Lay personnel - All lay employees are covered under a defined contribution pension plan whereby the participant contributes 3% and the conference contributes 6% of the participants' annual contribution base (compensation).

Both of the aforementioned plans provide benefits upon retirement based on converting accumulated contributions for that participant to an annuity or an actuarily equivalent basis. Both plans are multi-employer plans by which all contributed assets of participating employers are commingled and are not segregated by employer. This commingling of assets prevents a matching of individual employer's plan assets to plan liabilities.

Total pension cost for the years ended December 31, 1993 and 1992 were $723,546 and $697,246 respectively.

5. Contingencies

a. At December 31, 1993, the Little Rock Conference is contingently liable for mortgage obligations of $95,000 in connection with notes payable at Camp Tanako.

b. The Conference receives remittances from churches located within the State of Arkansas and is dependent on these contributions for its operations.

c. The Conference maintains, at various financial institutions, cash and cash equivalents which may exceed the federally insured months at times during the year.

COORDINATING COMMITTEE ON PROFESSIONAL MINISTRIES

At the 1993 session of the Little Rock Annual Conference, the members voted in favor of a "Resolution on Racism Workshops and Ministerial Compensation." The second article of the two item resolution read: "The Coordinating Committee on Professional Ministries, working with the cabinet, report to the Little Rock Annual Conference an equitable plan of ministry compensation for all pastors at the 1994 session of Annual Conference." The Cabinet and the Coordinating Committee on Professional Ministries have cooperated during the year in an attempt to bring you this report. During the fall of 1993, the committee and cabinet met to identify an equal number of committee members and cabinet members who would incorporate a task force to accomplish the responsibility assigned by the Annual Conference.

At the outset of our meetings, we identified the areas in which there is equity in pastoral compensation: pensions and insurance. Also, our bishop pledged that any pastoral charge not providing insurance and housing as required by the 1992 Book of Discipline and as outlined by our own Little Rock Conference rules would receive his intervention and involvement to correct any deficiency. Therefore, we can say that in the areas of pensions, insurance, and housing there is equity.

The remaining area of compensation is within the realm of direct financial income. The combined efforts of members of the Cabinet and the Coordinating Committee on Professional Ministries considered all of the following as intermediate steps toward achieving equity in direct pastoral salary.

1. Strengthen the Ethnic Minority Local Church through evangelism and Christian education programs. The salaries of pastors of ethnic ministry congregations will rise as the membership numerically increases and as the discipleship and stewardship of the congregation grows.

2. Increase inclusive participation in mission projects, in scripture study (especially the DISCIPLE Bible study,) and increase the utilization of ethnic minority leadership in district, conference, and general church programs. While additional cross cultural interaction will not solve every issue, it will allow individuals to receive each other with grace and respect.

3. Cooperate with Philander Smith College to place students majoring in Christian education in cross-racial internships. Certainly, such cooperation is a "win-win" situation. Congregations will get the benefit of human resources preparing for Christian service, and students will receive valuable field experience.

4. Encourage the continuation of the racism workshops in all districts of the conference. With intensive relationships and with growing friendships, people of all races enlarge the possibilities for accepting a Christian witness from a person whose skin is a color different from their own whether it be red, yellow, brown, black, or white.

5. Exchange pulpits between an ethnic minority congregation and a primarily Euro-centric congregation. Again, the advantages are that people, regardless of their ethnic heritage, will experience the unity of Christ.

6. Include in the 1995 Consultative Process, a question on both the Pastor (Staff) Parish Relations Committee's form and the Pastor's form which would inform the Bishop and the Cabinet of the willingness of a congregation or a pastor to be considered for a cross-racial appointment. When a local church or a pastor answers affirmatively their willingness to be considered in a cross-racial appointment, the District Superintendent should follow-up with a thorough interview with either the PPR Committee or the Pastor (whichever is the case.) The Bishop and Cabinet will initiate sensitivity sessions with local churches open to cross racial appointments.

However, the task force identified these only as intermediate points in the process of achieving equity in pastoral salaries.

There are two solutions leading United Methodist Christianity toward a settlement of the issue of equity in terms of pastoral salaries. One is a standardization of salaries; the second is to practice what the Book of Discipline preaches--appointment based on gifts and graces for ministry and not appointment based on gender, or race, or cultural origin. The former is presently unconstitutional in the United Methodist Church; the latter is current church law. Hence, the only solution is to follow the discipline of the church where a church's needs and a pastor's hopes, are divinely matched for the ministry of Jesus Christ.

In the mid-1950's, the MIA was founded. MIA stands for Montgomery Improvement Association, an organization rising from the bus boycott when Rosa Parks was just too tired to move to the back of the bus. The Montgomery Improvement Association expanded the boycott's crippling financial grip to the segregated lunch counters of places like Rich's and Lowe's Department Stores.

To mediate the termination of the boycott, store owners agreed to remove the "Whites only" signs hanging over entrances to the lunch counters, but Alabama state law forbid the removal of the signs. In a compromise with the leadership of the civil rights movement and with the exclusionist state authorities, the store owners did not take down the signs; they simply painted over them. Today, we the people of the Untied Methodist church, have the privilege of removing the signs of discrimination rather than just painting over them. Today, we, the people who are successors of Christian faith invigorated by John Wesley, a prophet who called slavery "the most heinous institution," have the opportunity of saying the appointive Christian ministries of the Little Rock Conference shall be determined by Christ-like ethics rather than secular, cultural standards. Today, we, the people who serve a Lord who, as the Apostle Peter proclaimed, "shows no partially," will have the courage to say the appointive process of the people called United Methodists shall be established on one's "gifts and graces" and nothing else. While some will call this "open itineracy" and others will call it "inclusive appointment-making," it is Wesleyan Christianity in its most basic form. It is rooted in the question "Does he, does she, have the gifts and graces for ministry?" This is the only solution by which to accomplish salary equity for all pastors of the conference--appointments based not on whether one is male or female, nor on whether one is black or white, but appointments based solely upon one's gifts and graces for ministry.

Respectfully submitted,
Charles Murry, Chairperson

TASK FORCE ON SOUTHWEST CONFERENCE PROPERTY

The Task Force researched Southwest Conference Journals, secured information from district superintendents and consulted with members (laity and clergy) of the former Southwest Conference.

Bill Waddell was invaluable as he secured deeds and identified the status of the seven properties the Task Force determined research as to their current status was required.

Bill Waddell suggested that the Little Rock Conference Board of Trustees may want to obtain title policies on each of the properties we have found. There is usually a minimum cost of $150 for a policy.

We recommend that the work of the Task Force be continued due to a need to coordinate the findings of the Task Force with the Conference Board of Trustees and to follow-up with planning for the disposition of the properties.

UNITED METHODIST WOMEN

We urge all ministers to attend the local, district and conference meetings. We thank you for giving over the morning worship service on or about January 23 each year.. This continues to grow and is a highlight for United Methodist Women

The theme of this conference is so fitting for my report "Sharing our Faith." Our sincere thanks to all ministers for the support you continue to give the women in the local church. In conducting the service of United Methodist Women Sunday. This service by the women for the congregation, continues to grow is a blessing for the congregations.

Annual meeting last fall, at First United Methodist Church in El Dorado, was beyond all of our expectations! I guess you can say we "Turned Prayer Into Deed." members of United Methodist Women, have many gifts, which they freely "bring." During 1993, the women used their financial gifts for ministries with women, children and youth worldwide. One of our conference extra mile giving activity was the "Quilts for Babies with AIDS." The women dedicated themselves to making and bringing 1,482 quilts. They made these quilts, but they also became aware of one of the major health problems in our world, AIDS. What a glorious sight to see all those quilts on the kneeling rail of the El Dorado church. 453 women attended the one day meeting. The most in attendance in many years. We have challenge for this year.

Another project is the protection of our environment. We have been encouraging our women, to stop using styrofoam cups, and purchase a beautiful United Methodist Women mug, they can take with them, wherever they go. This will save our environment! They will be available today at our luncheon.

(Enter women with t-shirts and scarfs)

May 1, this year, 84 women returned from the assembly, which was held in Cincinnati, Ohio. 12,000 women (the most ever) attended from across the United States and around the world. Women who came in the tradition of their mothers and foremothers committed to mission in the name of Jesus Christ. The theme was "Count Me In" and you can see by the women in the front wearing their t-shirts, we were there! Two parts of the weekend I would like to share with you:

1. Drumming. Throughout our time together we heard rhythms from Korea, Native American and West African traditions, that reminded us our common faith heritage, as a people, led from the wilderness, by Mariam's tambourine. The drumming was especially exciting because it represented a growing understanding, that we are all richer, when each culture brings it own expressions of the gospel, to our corporate faith journey.
2. The assembly marked an exciting first - a live teleconference of the Saturday night's plenary session. 7,000 were watching by television, along with the 12,000 present, in the Civic Center in Cincinnati. Joining with our sisters across the country, and perhaps beyond, was indeed a stirring of the soul! I wish we had time today to share with you the 29 minute video of the Assembly I just received this week.

Throughout our time together, there was the ever-present, ever pressing need, to reach out to the women, youth and children of our world. From speakers to displays, to personal conversations, it was a time to learn how we reach out, through our gifts and our time, to learn what more each United Methodist Woman can do, to celebrate the lives changed, because of women caring.

The scarfs, each person is holding, represented our mothers and foremothers and were used throughout the worship services. 65 workshops were provided on Friday and Saturday noon with lunch. One of mine had 670 in attendance and the other one had 680 persons.

(Leave and get tennis shoes)

First Lady Hillary Rodham Clinton spoke by video tape to the assembly from the White House. She urged the participants to support health care reform as an act of faith. She acknowledged the long tradition, of United Methodist in general, but women in particular, of advocating on behalf of others, and urged us to support health care reforms, that would guarantee coverage for all Americans. She closed by saying "With faith as our guide, you and I have tried to heed the call of John Wesley, and other great Methodists, who preceded us, to act on behalf of others. So, please, write letters and send them to your congressmen, and keep up the many, many good things you do everyday, grounded in our faith."

Here in our Conference program, we have had two training events this year--one in Christian Social Relations Involvement and one on the Charter for Racial Justice. The charter is of utmost importance and we hope this year we will have more than the 27 local units qualifying for the Charter Club. Both training events were sponsored by the Women's Division leaders.

(Enter with tennis shoes.)

Our project this year, instead of quilts, is the collecting of tennis shoes for children, from babies to age 12 years of age. We are asking each of the 164 units in the conference to purchase and

to decorate at least one pair or more, and bring to the annual meeting on October 1. One church, Village here in Hot Springs, has already delivered to me 83 pairs and they promise many more. These shoes will be sorted by sizes, and equally divided, and then given back, to each district, to distribute to low income children in their communities.

(Leave with tennis shoes and get invitation.)

Our membership goal is to have a 7% increase in 1994. We have two circles already formed with junior and senior high school girls. They have gotten excited and involved, in helping their United Methodist Women members with decorating tennis shoes, for children. We have two units who have formed young adult women circles, and they are First UMC, Arkadelphia and First UMC, Benton. They are busy learning about the missions program and the total program of United Methodist Women. To give you an idea of some of the things Women's Division sponsors is a conference being held in Ecuador, at which time yarn of different colors, representing the different women n Jesus' genealogy, will be braided, and, hung on a cross, during the opening worship. The women will reflect on how their lives were related to women of the Bible. They will pray together as Methodist Women in dialogue, committed to the theme of the Conference. During the closing worship service, the yarn will be unbraided. The skeins of brightly colored wool, will be placed in the hands of the women, whose livelihood comes from weaving. Whenever that brightly colored yarn is used, the weaver will remember her commitment to her sisters across the world. Those who do not weave, will remember that same commitment, whenever they see brightly colored yarn in other places. The United Methodist Women are joined together in ministry with women, youth and children around the world. Their shared experiences are bright colors, in the ongoing weaving of prayers into deeds to bring about God's reign.

We continue to be in mission through the project of Ministries to Incarcerated Women And Their Children -- by volunteers transporting children of incarcerated mothers to visit with their mothers. This is our second year with this project and we also seek more volunteers, funds to help the expenses transporting long distances. A ten minute video is available about the MIWATCH program. We need more persons to be transporters - we already have a minister that is helping. We need children's books, and personal items such as toothpaste and toothbrush, shampoo, soap, etc. These items may be given to any of the district presidents.

Our next conference goal is to increase our giving. The "Mile of Pennies" by each district is for our "Second Mile Giving." There is a challenge existing among the six districts to see who makes the "Mile of Pennies" in 1994.

(re-enter with shoe invitations.)

I stated earlier about our Annual Meeting this year at Lakeside United Methodist Church in Pine Bluff, on Saturday, October 1. The theme for it and all this year is "Stepping into Mission." Our tennis shoes is one step and our Annual Meeting with the Reverend Minerva Cartaana, a Spanish American pastor, Albuquerque, New Mexico, is another step. She will challenge us to raise more funds for missions which includes Aldersgate Camp. The St. James United Methodist Church of Little Rock has a 'Mission Madness' program each fall. This year, in one night, they raised $16,200 for Camp Aldersgate.

We seek the presence of our pastors in all of our meetings, and to learn just where the money goes that we send to missions. You are a member of the United Methodist Women and some of you are very faithful in your attendance but we seek all of you to attend.

You are being given a tennis shoe which will remind you of our theme and our tennis shoe project. Today at noon we ill have our first United Methodist Women Luncheon at Annual Conference. We have sold out of tickets for our luncheon, we never dreamed we would have so many interested. We are sorry and we will have a larger space next year. It is next door at the Hill Wheatley Restaurant. Our speaker is Mrs. Julia Wilke and our theme is missions.

One last note - each year the United Methodist Women of each district provides home-baked cookies for the receptions held during Annual Conference. We are always in mission!!

I close with our purpose of the United Methodist Women. The organized unit of United Methodist Women shall be a community of women whose purpose is to know God; and to experience

freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church.

Thank you.

CAMP ALDERSGATE, INC.

The theme of 1993 was "Camp Aldersgate.. .Making News! " The year began with the surprise gift from the Chinese Financial Development Education Foundation of Beijing, China and continued with news of the formation of Aldersgate Ambassadors, the adult volunteer auxiliary for the camp; with the first "Kids- 1993" Golf Tournament which raised $32,000 for the camp; and with the continuing development of the camp's financial base by the board of directors.

The programs of the camp were highlighted by the following news:

The 23rd year of the **Med Camps** program was marked with a total of 337 campers from 60 counties and 127 cities in Arkansas, along with 4 campers from out of state. Coming together for weeklong camping experiences were children with various medical conditions such as spina bifida, cerebral palsy, hemophilia, oral hearing impairments, cancer, arthritis, muscular dystrophy, diabetes, kidney disorders, amputations, and asthma. The receipt of accreditation by the American Camping Association made Camp Aldersgate one of only 500 accredited camps nationwide who offer this variety of camping experiences for children with disabilities.

The year-round **Respite Care** weekend camping program provided a break for 12 to 15 families each weekend, while giving their children with disabilities a camping experience. The program, supported in large part by volunteers and youth counselors, provided approximately 20,000 hours of respite care to more than 60 families from a five-county area. In addition, a summer Saturday day camp for children with Down's Syndrome was added.

Redesigned as the **Camp Aldersgate Mission Experience** (C.A.M.E.) **Program,** the former work group program brought in youth groups from Louisiana, Texas, Wisconsin and Arkansas to complete work projects both at camp and for senior citizens in the community. C.A.M.E. participants numbered 214, an increase of 75 over the previous summer.

Seniors Day Out, the oldest program at camp, continued to bring in between 40 -60 seniors each Thursday from September to May for Bible study, educational programs, a nutritious lunch, and recreation.

Year-round facilities were provided to the **Woodlawn Therapeutic Children's Center,** an agency of Centers for Youth and Families, and to the **Westside Medical Clinic,** a program of the Catholic Social Services. During September through May, camp facilities were also rented to more than 40 organizations, serving 1,777 persons in retreats, meetings, and seminars.

Volunteers again made news with significant contributions. Many churches provided volunteers who took on extensive projects. The Emmanuel Class from Asbury UMC in Little Rock adopted the Counselor's Lounge on a permanent basis. The Serendipity Class from the same church cleaned and painted the interior of the Hudson Library. The L. E. A. D. E. R. S. from Highland Valley UMC of Little Rock refurnished the Arts and Crafts Cabin. The Wilson Class of Asbury UMC repeated its annual care of the Infirmary and its grounds.

United Methodist Women from all over the state provided much help to the camp which they own. The UMW of St. James UMC in Little Rock once again held their successful Mission Madness

silent auction which raised $14,000 for Aldersgate. The Malvern First UMC United Methodist Women contributed new planted areas for the camp. Other United Methodist Women groups provided program support to Seniors Day Out and throughout the special events of the camp.

Camp Aldersgate even attracted volunteers on a national basis. In the fall of 1993, the camp hosted the group called the NOMADS, four couples from four states who arrived in their recreational vehicles and spent three weeks at Aldersgate in extensive cleaning, office work and building renovations.

In one of the strongest youth volunteer programs in the region, approximately 130 youth provided more than 29,000 hours of service through the Respite and Med Camps programs.

Camp Aldersgate was chosen as a service site for two positions through the Delta Service Corps to assist the camp in its program outreach. The camp also began a partnership with the Little Rock Public Schools by serving as a site for the McClellan High School's Community Based Instruction Program.

Donations were received from churches, organizations, and individuals. From large donations, such as new playground equipment, golf carts, boats, dryers, and air conditioners, to small donations such as toiletries, washcloths and pennies from children in Vacation Bible Schools, every contribution was much appreciated by the campers of Aldersgate.

The dedicated volunteer board of directors continued to work to provide quality programs at a quality site. In 1993, over $60,000 was spent in much- needed repairs and building improvements on the 120- acre site.

Much news was made by Camp Aldersgate in 1993, but perhaps the most significant was the provision of the camp's services to new families who were previously unaware of what the camp offered. To quote one such family, "I just wanted to send a special thank you for having my child last weekend. In know he enjoyed himself (as we enjoyed our day). Someone at camp said, "Your son is a really neat kid. " That really made ME feel good. Camp Aldersgate and its
counselors are obviously very special and I'm very thankful our family has discovered it."

Camp Aldersgate is, in turn, thankful for the great support of the United Methodist Churches of Arkansas who enable such news to be made.

CAMP TANAKO

This past year saw the numbers of campers participating in the camping ministry at Tanako reach new records for attendance. Some sessions even had to turn away campers for the lack of bed space. Campers this year are anticipating the coming summer season and have already begun to register for all camps.

Our camping facility continues to grow every year. This summer campers of all ages will enjoy a new boat dock/fishing pier that was constructed by several UMM groups from across the conference. This added dimension to the recreational aspect of Tanako has long been needed to better utilize the lakefront. The renovation of the nature trails gave better access to the environment that surrounds the camp.

There will be a new Camp Tanako cookbook produced this year to help with ongoing fund raising efforts. Additional fund raisers will be forthcoming to help with the day to day operational expenses of the camp. Work continues on the development and planning for the Tanako Life Center. Next year Camp Tanako will celebrate its 50th anniversary of outdoor ministry in the Little Rock

Conference. As we prepare for that celebration we urge everyone to continue to support this ministry to help carry it through another successful 50 years of camping in our conference.

HENDRIX COLLEGE PRESIDENT'S REPORT
1993 - 1994

Hendrix College is grateful to the Little Rock Conference of the United Methodist Church for its sustaining interest and supportiveness. The relationship which the college enjoys with the church is essential in our efforts to provide a top-quality, value-laden education. The church's financial support carries a special importance this year because it and all other contributions to the college's Annual Fund have now been designated exclusively for student scholarships and financial aid.

The past year has been marked by several exciting developments. The new Bailey Library, which opened in January, doubles the amount of space for our library holdings and also incorporates a computer lab, instructional technology and audio-visual facilities, a 24-hour study space, group study rooms, and faculty carrels. We are especially proud of the distinctive space provided for the United Methodist archives made possible by the Winfred Folk Trust through the United Methodist Foundation ofArkansas. In addition to the archives room, which is supervised by members of the Arkansas Area Joint Commission on Archives and History, there is a well-appointed, large reading room which is shared with the college's own historical collection.

This fall the college inaugurated a course called Western Intellectual Traditions, which will be required of all first-year students. This course focuses on four pinnacle periods in the history of the west: Classical Greece, the High Middle Ages and the influence of Christendom on society, Europe in the 17th Century, and Europe at the close of the 19th Century. Students are reading from original texts and are taught by a dozen faculty members from all disciplines of the campus.

The college's Religious Education Program is set to be inaugurated in the fall of 1994. This program is designed to prepare students and other interested individuals for service to the church in religious education, church music, and/or youth ministry. The program consists of two tracks: the Hendrix student track and the non-Hendrix student track. Interested individuals will be able to explore their vocational interests and further their education through this series of workshops and supervised work experiences. Successful completion of the program will result in recognition by the Council offices of the two Annual Conferences.

Numerous opportunities for religious growth and development continue to be available at Hendrix. A weekly communion service is held on Wednesdays; three Covenant Discipleship groups meet; several Bible studies meet weekly at various places around the campus; two theological discussion groups meet regularly; Fellowship Teams lead worship services in United Methodist Churches around the state; students, faculty, and staff are involved in various service projects such as Habitat for Humanity, mission trips to Haiti and to Africa, and work teams. In fact, all of the orientation trips required for freshmen now include volunteer service components.

The Steel Center for Religion and Philosophy, established to enhance the academic growth of Hendrix students, also provides several lectures each year that appeal to many clergy. The 1993-94 Steel-Hendrix Lecture was delivered by Dr. David Petersen from the Iliff School of theology who spoke on *"Reading, Hearing, and Seeing the Book of Job. "* Allan Bruner received the Mary and Ira Brumley Award for Religious Education, and Trudy James received the Ethel K. Millar Award for Religion and Social Awareness. This year's Willson Lecture was given by Dr. William Abraham from Perkins School ofTheology. His topic was *"Whatever Happened to Evangelism in the United Methodist*

Church?". The Steel Center also provides a clergy workshop, a preaching workshop, and a philosophy of religion workshop each year for the continuing education of clergy and interested laity.

In January the college received the announcement of Reverend Jon Guthrie's retirement as college chaplain and counselor with great affection and appreciation for his years of service. Jon will retire on July 31 of this year. During his 24 years of ministry and leadership to the college, Hendrix has been deeply and uniquely touched and shaped. The college is a more caring and concerned community because of Jon' s pastoral presence.

Hendrix's strength and its commitment to its United Methodist heritage is reflected in the most recent report of the University Senate of the United Methodist Church. In its statement, the church's accrediting body reported that *"the overall impression of the Committee is that Hendrix College is a first-rate, well-administered United Methodist liberal arts college, with highly competent faculty, staff, and students. Indeed, Hendrix may well be the preeminent liberal arts institution within its general region. ...the United Methodist Church can be proud of how this fine institution both reflects and promotes its high moral values."* The college is proud of its ties with the United Methodist Church. We are proud of the 13 United Methodist clergy and 17 United Methodist laypersons who provide vital leadership to the college as members of our Board of Trustees, as well as the large number of our alumni who provide leadership and service to the church, as clergy and laity, and throughout society.

Again, thank you for your support.

LYDIA PATTERSON INSTITUTE

Eighty years of ministry entered the pages of history in the life of Lydia Patterson Institute in 1993. Throughout 80 years Lydia Patterson, an institution of the South Central Jurisdiction, has been responsible for touching thousands of lives which have come to form a significant part of our society, our country, and the entire church. Its mission of educating youth and forming strong advocates of the Christian faith continues to be a vibrant force in the El Paso-Juarez community and as far out where boundaries and borders become non-existent in the love of God.

In a spirit of thankfulness, first to God and then to our fellow Methodists, I am privileged to bring you this report after my first complete year of serving as President of Lydia Patterson Institute. On behalf of our faculty, staff and student body, I wish to express appreciation for your apportionments paid in 1993 and gratefully report to you a 10% increase over 1992.

During the 1992-1993 school year, Lydia Patterson Institute lived the joy of it's "80th"-Anniversary, the pain and the loss of a President, the changes in administration, and the continuing demand for its services and opportunities for growing ministry. In the midst of emotional and financial demands, and under the care of God's loving hand and commitment of our United Methodist friends of the South Central Jurisdiction, we managed to widen our outreach ministry, develop new educational programs, kick-off a $6 million campaign for Endowment and close the fiscal year in the black. The summer Spanish Language Program for adults was successfully carried out one more time, and, of the 51 graduating seniors at the end of the 1992-93 school year, 47 are now enrolled in a college or university.

During the 1993 94 school year, we have enrolled 305 students in both the High School and the **English-As-A-Second-Language** Program. Our students continue to come from financially deprived homes with a dream for a better life in Christ and in a bi-lingual, bi-cultural society.

After- school classes and summer-school classes have been added to our program. English classes for adults during the evening is another new program begun in the 1993- 94 school year with a total of 157 adult students.

The religious life on campus is vibrant and growing under theleadership of our Chaplain, Rev. Edgar Avitia. The students continue to participate in weekly chapel services, spiritual retreats,

and outreach programs. Our students serve as tutors in the neighboring elementary schools and, for the first time, our own students will be doing ministry outside the school through work groups traveling to other parts of the Jurisdiction.

The three-year, $6 million Endowment Campaign is well on its way. Allseventeen conferences of the South Central Jurisdiction have, in some way, accepted responsibility to help us raise $2 million within the local churches of the Jurisdiction. The additional $4 million goal is being raised outside the boundaries of the church through other constituencies. A partnership is being formed between Lydia Patterson and the conference foundations so that funds raised in a conference be invested in their own foundation.

The proceeds from this Endowment Fund will be used to fund three major needs. Most importantly, and at the top of our priorities, is our concern for teachers salaries. The success of the endowment campaign will enable us to bring teachers salaries in line with State minimums, and it will provide for enhancement of our programs and care of our physical plant.

Lydia Patterson Institute has come to take a very important place on the border in its ministry with Hispanics. Although its financial demands and limitations continue to infringe on its operation and its growth, its potential is without limits. In today's age of open borders and free trade between two countries, Lydia Patterson Institute sits between the two, impacting both sides and touching and preparing lives to deal with these demands.

I thank you for being a part of this moment in history and for sharing our vision of turning Lydia Patterson Institute into one of the finest institutions of the United Methodist Church in the 21st century. Lydia Patterson has known no boundaries. Its doors remain open, and we invite you to join hands with us and to lead this institution and the youth depending on us to a better life as God intended 80 years ago.

MOUNT SEQUOYAH

Mount Sequoyah,, United Methodism's Conference and Retreat Center for the South Central Jurisdiction, serves all 17 of the Annual Conferences and other interfaith, community, regional, professional, fraternal, educational, and non-profit groups. Our mission is to enable persons to experience training in leadership development, Christian discipleship, inspiration and worship, to the end that they may better serve God in the church and in the world.

The past year recorded more than 26,000 people day/nights on the mountain. It was the largest attendance year in activities here since we began in 1922. We talked about our future last year and the 1994 theme is "Sequoyah--The Hope!" After more than seven decades of service, the Cross, the Mountain, and the Spirit still give us great hope for unlimited service through Christ to the church and the world.

We moved from primarily a "hosting center" into the 'programming center' mode with the addition of Ms. Judy Stafford to our staff. This was, in part, made possible by a grant that also enabled us to build our recreational facilities. Programs with a Jurisdictional-wide interest were Summer Vespers, Easter Sunrise Service, Golf & Family Leisure Event, South Central Jurisdictional Work-Camp, Bishops' Week, six Retiree events, Outreach Weekends, Sizzle in your Stewardship, Journey to Excellence, Jurisdictional Singles, SCJYMO, and many others.

Our building and upgrading program continues. We have completed the swimming pool, tennis course, children's play area, volleyball and basketball areas. Architects and Engineers and developing plans for remodeling of the Wesley Hall building to include a youth hostel on the fourth floor and an elevator accessible to all floors. The long awaited Mount Sequoyah House for Administration will be completed by this annual conference.

Our story has been told to all of the annual conferences through our trustees, ambassadors, regular newsletters and our video. Also, many of the major foundations have been invited to join us in "Team Sequoyah--Meeting the Challenge of the Future." We are grateful to all of the annual conferences and area United Methodist Foundations that have given so generously.

Trustees from the Little Rock Annual Conference are Bishop Richard B. Wilke, Dr. Larry Powell, and Dr. Ed Matthews.

Ambassadors are Rev. and Mrs. Mike Mattox.

Each of you in this annual conference is invited to join "Team Sequoyah" so that we might meet the challenge of the future. We feel that Mount Sequoyah has served faithfully for seventy one years and to use the term that one of the Fall Retiree Retreats use, "The Best Is Yet To Be!" Come join us in this hope that we will be faithful to Christ and the Church for decades to come.

PERKINS SCHOOL OF THEOLOGY
SOUTHERN METHODIST UNIVERSITY

I would be remiss if I did not take notice in my last year of service as Dean of Perkins School of Theology, of the encouragement and support which I and others at Perkins have received from you through the years. Many of you have provided financial support, encouraged students to attend, welcomed them as interns into your congregations, utilized our resources for continuing education, and experienced the leadership of members of our faculty in programs like the Disciple Bible Study. We are pleased and anxious to be of service, and we are grateful to you for your interest.

This year we have conducted searches for two persons in the field of theology, and for one in Christian Education. All of these individuals are expected to be in place at the beginning of the 1994-1995 academic year next September. It is our expectation that a new dean will be named by that time, too. Dean James F. Jones, Jr. of Dedman College has chaired the Search Committee. Professors Clifton Black and Danna Nolan Fewell were awarded tenure and promoted to the rank of associate professors last May.

The year has seen a number of new books by faculty authors. Included among them are Danna Nolan Fewell's Narrative in the Hebrew Bible and Gender, Power, and Promise: The Subject of the Bible's First Story both of which she co-authored with David Gunn. Jouette Bassler was associate editor for New Testament of The Harper Collins Study Bible, Ruben L. F. Habito published Healing Breath, John Holbert joined S. T. Kimbrough and Carlton R. Young in Psalms for Praise and Worship, W.J.A. Power published Once Upon a Time: A Humorous Retelling of the Genesis Stories, and a second edition of Charles's Wood's The Formation of Christian Understanding: Theological Hermeneutics was published. In addition, numerous articles by Perkins faculty appeared in a variety of journals and church publications.

We enrolled a total of 391 students last September, 247 of whom were M.Div students. 206 (83.1%) of our M.Div students are Untied Methodists, 97 (39.1%) are women, 24 are African Americans and 13 are Hispanics. 31.4% of our M.Div students are not Caucasians. The Perkins community is a diverse and lively environment for learning.

The second group of lay persons to be honored with the Woodrow Seals Award included Elizabeth Johannaber of Dallas and Earl R. and Martha Lee Wyles Wilson of Jackson, Mississippi. Dr. Robert C. Harder (1954), secretary of the Department of Health and Environment for the State of Kansas, was named Distinguished Alumnus.

We are grateful to all of you for your continuing interest and support as Perkins seeks to carry out its mission on behalf of the Church.

Dean

PHILANDERSMITH

In 1993, the college continued its outstanding progress and growth. The academic divisions continued to improve their status by reporting to the North Central Association and receiving a clear record as to their status until the next visit in 1997.

Construction on the $2.7 million Multi-Purpose Complex to house the Health and Physical Education, Business, and Economics Departments is about 75% completed. The brick column wrought iron fence around the 22 acre campus is finished.

Enrollment was maintained at over 900 students; the faculty was strengthened with the addition of persons with the doctor's degree; faculty and staff salaries were increased, and the residents halls were air-conditioned. The Student Christian Association, directed by the college minister, continued to promote viable religious activities on-campus and at Wesley Chapel United Methodist Church which is adjacent to the campus.

The financial condition of the college is sound and external auditors underscore the fact that it has operated in the **"black"** for the last several years.

The President has been recently elected to be the President of the Council of President's, which is the organization of the eleven college President's of the Historical Black Colleges and Universities associated with The United Methodist Church.

We are grateful to you for your support in helping us to carry out our mission in the tradition of The United Methodist Church.

SAINT PAUL SCHOOL OF THEOLOGY
Kansas City, Missouri

In the last five years applications for admission to Saint Paul have increased by 84%! This dramatic increase has permitted increased enrollment and an increase in quality to take place simultaneously. The current enrollment reflects more students from the immediate region and more from beyond the region. Thirty states and five countries are represented in our three degree programs this year.

Saint Paul's clear commitment to the local church was revealed in a recent survey of the faculty. The seventeen faculty members have had a total of 161 years of local church ministry. Most of that time served was as pastor of a local church. As important as these years of local church experience are, there exists an even larger and more pervasive commitment of our entire faculty to ensure vigorous integration of their disciplines with the actual practice of ministry.

Our faculty are also productive scholars. Faculty books published in 1993 include: The God We Worship by Sondra Matthaei, Hard Living People and Mainstream Christians by Tex Sample, A Troubling in My Soul edited by Emilie M. Townes, Womanist Justice, Womanist Hope by Emilie M. Townes, and Church Leadership by Lovett H. Weems, Jr.

Dr. Henry H. (Hal) Knight III has joined the faculty in the E. Stanley Jones Chair of Evangelism made possible by The Foundation for Evangelism. Funds for a permanent endowment for the position are currently being raised by Missouri United Methodists. We look forward to what Dr. Knight will contribute to our already strong and diverse faculty. The first task for John Wesley was always evangelism. It is in this spirit that we emphasize evangelism at Saint Paul and are seeking ways to strengthen our work in evangelism.

Saint Paul and the General Council on Ministries joined together to survey what laity most seek in their pastors. The values most admired by laity in their pastors turned out to be caring, followed by cooperative and honest. The skills most sought are preaching, management/administration, and pastoral care.

Last November, eighty young persons from nine Annual Conferences participated in "Knowing God's Call" held on the Saint Paul campus. This event was designed for persons to explore their call to ordained, consecrated, or lay ministry; it was a regional follow up to the national Lilly Enlistment Project. This was a cooperative effort sponsored 'by the Boards of Ordained and Diaconal Ministry in the six Annual Conferences of Iowa, Kansas, Missouri, and Nebraska.

Saint Paul received a $500,000 Challenge Grant from the Kresge Foundation. The grant goes toward renovation of the library building including an elevator to make the entire building accessible and a climate control system to preserve the book collection. Also included is the construction of an enclosed passageway which will link the library and the primary classroom building.

Saint Paul School of Theology is preparing a new generation of leaders for the church in the Wesleyan tradition. There is no more worthy endeavor to which any of us could give our energies and resources. We thank you for being partners with us in this mission.

REPORT OF THE SOUTH CENTRAL JURISDICTION

Volunteers In Mission continued to grow in the Jurisdiction. The three largest projects were: Hurricane Andrew response in south Louisiana (four thousand persons) Midwest flood response (projected to be ten thousand persons), and Operacion Hogar -a project to build forty homes in Juarez, Mexico for the working poor (six hundred registered). Operacion Hogar is jointly sponsored by the South Central Jurisdiction, The United Methodist Committee on Relief (UMCOR) and the North Central Conference of the Methodist Church of Mexico. The Executive Director led a group to Cuba to explore new VIM projects. SCJ VIM News' circulation was expanded to more than 7500 copies when the recent edition was mailed to every pastor in the Jurisdiction. The Jurisdiction provided seed money and encouragement for a regional VIM rally in Clovis New Mexico. The Jurisdiction office maintains an up -to- date List of mission projects in the US and a list of contact persons for VIM work in foreign countries. This information is available upon request.

Korean Ministries continued in the Jurisdiction under the leadership of Dr. Won Kie Kim and the Executive Director. Dr. Kim led Jurisdictional gatherings for pastors newly arrived from Korea and for college students of Korean descent. Dr. Kim also provided consultative services upon request for Bishops and District Superintendents in their work with Korean churches.

The Jurisdictional Youth Team sponsored SpiLiRa (Spiritual Life Rally) at Fayetteville AR. More than 600 youth attended. Many persons made commitments to Christ and/or commitments to full time church -related service. The Jurisdictional Lab School at Mount Sequoyah became Journey to Excellence, with an expanded format that included both laboratory classes and numerous short courses on subjects of interest.

Twenty networks exist in the Jurisdiction to assemble persons across Annual Conference lines for training, support and inspiration. Two new networks began in the last year: A network for District Superintendents began with the first DS Day on the Monday prior to Bishops Week at Mount Sequoyah. A New Church Pastors Network began with its first meeting at Albuquerque NM in October.

SOUTHERN METHODIST UNIVERSITY

I am pleased to comply with the 1988 Resolution from the Jurisdictional Conference requesting an Annual Report to each Annual Conference in the South Central Jurisdiction.

I am also pleased to report on several new initiatives for 1993 -94 that have strengthened our educational mission. Among them:

• One of the newest leaders in our academic community brings to us a unique understanding of the diversity of human culture. After a nationwide search, I appointed Anya Peterson Royce as SMU's newest provost, vice president for academic affairs, and professor of anthropology and dance. Provost Royce was formerly vice chancellor for academic affairs and dean of the faculties at Indiana University in Bloomington. An anthropologist who is an expert on the cultures of Mexico, she is fluent in eight languages.

• Reflecting the diversity of our global society, SMU's first- year class in 1993 -94 is the most diverse in our history -- minority students represent 22.3 percent of the first- year enrollment. Total minority enrollment has increased from 830 students or 9.4 percent in 1987 to an all -time high of 1,403 this fall, 15.7 percent of SMU's student body. In spite of the decreased numbers of college-age students, SMU also has been able to maintain the academic quality of the first- year class.

•Dedman College of Humanities and Sciences has added two new international programs of language study: in Xalapa, Mexico, and Bouiouris, France. In addition, the College has initiated more intensive first-year courses in languages ranging from French to Japanese.

•The School of Engineering and Applied Science introduced two new Master of Science Programs in 1992 -93. The Manufacturing Systems Management Program aims to help professionals to integrate the entire product commercialization progress-- from concept to production-- with national and global issues driving the marketplace. The Software Engineering Program is designed to offer a balance of management and technical expertise necessary to succeed in this rapidly evolving field.

•Recognizing the growing role of technology in music composition and production, SEAS and Meadows School of the Arts have instituted a joint Bachelor's Program in computer science and music.

• The School of Law initiated a new curriculum with a greater emphasis on public law and statutory material and an innovative, required course on "Lawyering" to help students develop skills essential in the practice of law.

•The DeGolyer Library has established the Center for Notable Women in the Southwest and has acquired the Horton Foote Archive, a J. Frank Dobie Collection, and the Stanley Marcus Archive.

We continue to operate with a balanced budget, but we continue to be more enrollment driven than we would like to be. We need your support in sending your outstanding United Methodist scholars to SMU.

We are very appreciative of the support from the Jurisdiction of the SMU United Campus Ministry Program, under the able leadership of Reverend Greg Ligon. Through your support and Reverend Ligon's direction, the ministry continues to grow.

By late Spring, we hope to have appointed a new Dean for Perkins School of Theology. We have been blessed to have had the leadership of Dean James Kirby for the past 13 years.

We are deeply appreciative of your interest, prayers, gifts, and leadership -- all of which strengthens our vision for SMU.

TEEN CRISIS MINISTRIES

Teen Crisis Ministries, an Arkansas Area Office of the United Methodist Church, offers educational and referral support to clergy, youth and families who are experiencing needs or crisis related to teen suicide, substance abuse, or sexual decision making.

During 1992-93, Teen Crisis Intervention Workshops were held in all twelve districts of the state, reaching over two thousand people. Participants learned how to recognize and intervene in crisis situations. These workshops helped to inform and raise consciousness to the epidemic of teen related crisis.

With this as a foundation, Teen Crisis Ministries moved forward in 1993-94 with programming aimed at prevention of crisis. Not satisfied with merely bemoaning the "condition of today's youth," this ministry works to address the causes of crisis. It is believed that crisis prevention includes concentration on the building of assets and healthy conditions in addition to the eliminating of deficits or unhealthy influences. For example, an Auburn University study shows that a 1% increase in church attendance by youth would result in a 1.4% decrease in teen suicide rates. The point being that the traditional values tend to disarm deficits that can lead to depression, hopelessness, isolation and perhaps suicide.

Prevention programming to promote youth values clarification and decision making skills is available through Teen Crisis Ministries. A fast paced, discussion starter video series, "Power Surge: Hot Topics for Teens," includes fifteen different topics of concern to youth. It is suitable for use by local churches in Sunday Schools, United Methodist Youth Fellowships, retreats,, lock-ins, camps, or wherever youth are gathered. The program package includes the video, leader's guides, scripture cards,

discussion questions, prayers, and meditations and references from The Social Principles that relate to the topic. Two thousand, one hundred and eighty-four youths have viewed the tapes to date.

In the continued attitude toward prevention, plans are being formed for a statewide event, "Celebrating Youth '95." The purpose is: "To provide the opportunity for large numbers of youth to experience in word, music, and the arts the hope of United Methodist Christians." It is hoped that a cooperative effort from the youth and adult leadership of both the Little Rock and North Arkansas Conferences can shape an event for youth that will highlight Christianrole models and celebrate a life of faith.

A unique plan of inter-conference youth group exchanges will increase involvement in the planning and attendance of the event. Youth groups from the North Arkansas Conference will be paired with a "sister" youth group in the Little Rock Conference. During the time prior to the "Celebrating Youth," the groups will spend time in each other's church and in cooperative activities as a way to know and grow together. Activities will emphasize the theme of hope and Christian life styles.

In 1995, this ministry plans to maintain the "Power Surge" program, continue as an educational and referral source for teen suicide, substance abuse, and sexual decision making, and co-sponsor "Celebrating Youth" with the Conference Councils on Youth Ministries. The Arkansas Area Teen Crisis Ministry requests the continued financial support of both the Little Rock and North Arkansas Councils on Ministries. Since 1992, the funding has been at the rate of $13,000.00 per Conference, for a total budget of $26,000.00. Grants from Youth Service Funds, The National Youth Ministry Organization, and The General Board of Global Ministries have allowed the ministry to offer a broader scope of programming than would have been possible with the $26,000.00 area budget alone.

Teen Crisis Ministries respectfully requests $15,500.00 per conference for 1995. This amount will maintain the ministry at its current level as the Coordinator continues to seek grants to supplement programming.

An additional one time request of $10,000.00 per conference is being asked to fund the "Celebrating Youth '95." This money will be used to secure a facility, speakers, entertainers, and in the promotion of this statewide focus on youth.

As decisions are made regarding ministry to teens in crisis, it is important to listen to the messages teens are sending through their situations Through their dilemma of substance abuse, suicide, risky sex, violence and gang involvement, are they saying "I want to escape. I have no hope. I need love. Does anyone care?"

The United Methodist Church and Teen Crisis Ministries has something more than words and programs to offer to teens who are looking for an anchor. The Church can offer love and caring and a place to belong. But the greatest gift to be given is the hope of eternal life through Jesus Christ.

THE UNITED METHODIST CHILDREN'S HOME, INC.
From an Orphanage to Community based Treatment Homes

Trying to tell the story of The United Methodist Children's Home in Arkansas within the limits of a report to the Annual Conference is like trying to describe any one of the young people in our care within the limits of a single sentence; it can't be done. We can make generalizations, but an accurate picture requires a closer look.

Contrary to what many still think, we are no longer an "orphanage," although we trace our roots back 95 years to our beginning as a Home for children seeking shelter and refuge. Then, most of our residents were orphans in the literal sense.

Today, the children we serve are not orphans. They are emotionally troubled youth, suffering a variety of problems from the confusion and turmoil caused by today's social environment.

Today we meet many needs, which include physically and sexually abused, neglected, mistreated, delinquent-prone or behaviorally disruptive children and teens. These are youth who are having difficulty living with their families and in their communities. In time, with therapy and intervention, even the most rebellious, unhappy youth come to thrive in an environment which is highly structured, supportive, and spiritual.

To begin to meet the needs of such youth and their families a network of Teaching-Family Treatment Homes has been established across Arkansas in Batesville, Searcy, Little Rock, and Magnolia.

It is a very dramatic and often traumatic experience for children to be separated from their family for whatever reason. From the youth's first day in the program until the last, *family reunification* is our primary goal.

Staffed by a professionally trained married couple called Teaching-Parents and an alternate Teaching-Parent, each child's treatment program is tailored to meet his or her individual need. There are generally six youth, ages 10-17, served in each home.

Social, academic, maintenance, and self-help skills are actively taught in a family-style, supportive environment. Underlying all aspects of our program is the teaching of strong central values, morals and ethics.

Although the work of the Teaching-Parents is difficult and sometimes progress is slow, the youth's successful return to his or her natural or foster home and successful adjustment in the community are our greatest reward.

The successful transition to the Teaching-Family Treatment Home model of child care has enabled us to meet the needs of today's children and families. Our hope is to enlarge the network of Teaching-Family Treatment Homes to areas not presently served. United Methodist Children's Home has the ability to provide these additional services. All that is needed are the dependable annual funds to underwrite the costs. We have been sustained for the last eight decades by the commitment of so many people in Arkansas. We know that as our needs are known the people called Methodists will indeed rise to the occasion and support our efforts of helping youth and families who are troubled.

The world of children and families will continue to be in transition here at UMCH. The one thing that will never change is the *love, respect,* and *esteem* that we hold for children and families. We pray that God will grant us the ability to grow in even greater love for these young people and their families by helping us all to learn more effective ways to heal them by committing ourselves more enthusiastically to their care.

- nine students have taken steps toward exploring a call to ministry

- students and staff hosted over 2200 United Methodist Youth from across the South Central Jurisdiction for the third annual, "Go for the Goal, UMYF Day at SMU"

- numerous students have and will participate in mission trips to Appalachia (Spring Break '94) and Malaysia (Summer '94).

UNITED METHODIST FOUNDATION OF ARKANSAS

Growth Continues For UMFA

Your Foundation enjoyed another great year in 1993 with assets climbing above $17 million. This growth is possible because United Methodists are doing exciting things:

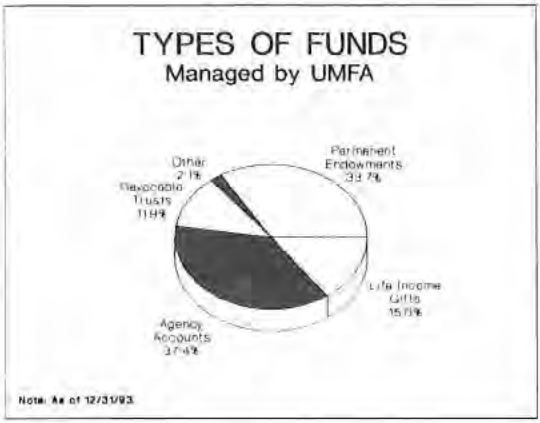

* Creating a permanent endowment fund (whereby only the annual income is used) to provide perpetual support for some part of the Church. Foundation endowment funds can benefit a United Methodist local church, institution, or special program.

* Making life income gifts. The donor can improve personal income, can avoid capital gains taxes, receives a charitable income tax deduction, and provide for a future gift to some part of United Methodism. Including a bequest to the Church in a Last Will and Testament.

The accompanying chart, **"TYPES OF FUNDS MANAGED BY UMFA"**, describes the various types of funds under UMFA management:

Permanent Endowments- The income is distributed to some part of the Church each year, the principal remains invested.

Agency Accounts- These are accounts we manage for institutions and local churches. UMFA improves their investment performance and reduce their administrative expenses.

Revocable Trusts- Accounts that have not been given irrevocably. The funds are managed by UMFA in behalf of individuals, and at their deaths, a significant portion of the trusts will be given to the Church.

Life Income Gifts- Funds have been given irrevocably, but the donor has retained the income for his or her lifetime. At death, the income begins to benefit the Church.

Who Benefits?

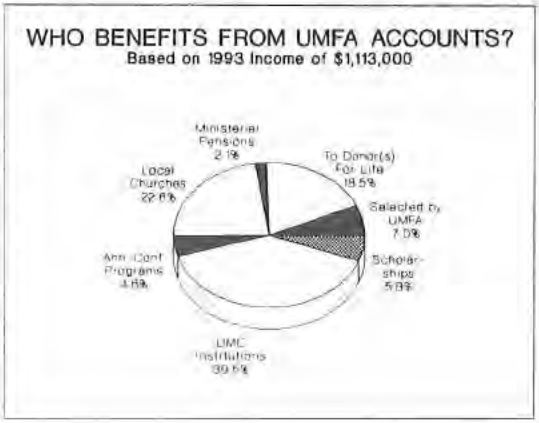

The accompanying chart, **"WHO BENEFITS FROM UMFA ACCOUNTS?"**, describes the kinds of institutions and ministries served by UMFA accounts. Almost always this decision is made by the donor at the time the gift is made:

To Donors For Life- Made under a variety of trust arrangements. At the donor's death, funds will then benefit some part of the Church.

UMC Institutions -Includes all of the Arkansas Area and Conference institutions: colleges, children's home, camps.

Local Churches- An important part of UMFA's work is to encourage local churches to establish planned gift programs.

Selected by UMFA - These are funds that were not narrowly directed by the donor. These funds allow UMFA to make special grants to UMC projects. Annual Conferences- These funds provide annual support for many conference programs, such as ministerial education and church extension.

Scholarships- United Methodists have a long tradition of supporting students. Recipients of these scholarships are selected by a college or university, or by a local church committee, depending on the terms of the gift.

The Foundation's ministry is made possible by many dedicated leaders from across the state, and by your Annual Conference. In 1993, your conference contributed $20,000 for the operation of the Foundation... we produced $1,113,000 in investment income. We hope you agree the return is well worth the investment!

It's exciting to celebrate the Foundation's success and to imagine what the future holds. If we can ever serve you or your local church, please call us.

Rev. Winfred Shelton Kilgore

Rev. Winfred Shelton Kilgore, son of Winfred and Claudia Kilgore, was born July 29, 1931 in Pine Bluff, Arkansas. He died July 23, 1993 at his home in Hot Springs, Arkansas. At the time of his death, he was on disability leave from the Little Rock Annual Conference.

Shelton grew up in Arkansas and graduated from Little Rock Central High in 1949. In 1952, he married Frances Pritchett. As a young man, Shelton worked in newspaper advertising, industrial relations, and insurance. He also served for 13 years in the Arkansas Army National Guard and the U.S. Army. He was assigned to the Field Medical Care Unit of the 34 Infantry in Germany for three years, 1958-1960.

After discharge from the Army, Shelton and Frances Kilgore made their home in Little Rock and were actively involved in the Hunter Memorial Church. It was there that Shelton answered a call to ministry. He then completed his BA from Hendrix College; and the CSS at Perkins School of Theology, SMU, in Dallas. He was admitted on trial in the LRC in 1972 and as an Elder in Full Connection in 1974.

Shelton Kilgore served appointments in the Little Rock and North Arkansas Annual Conferences: Bethel in Little Rock; Thornton Circuit; Primrose in Little Rock; Rison; Portland/Wilmot; First Church in Nashville; First Church in Gurdon; Griffin Memorial in Paragould; and St. Andrew/Hollywood in Arkadelphia.

Shelton Kilgore was a faithful preacher of the Gospel and a caring pastor. To know Shelton was to know of his contagious smile and keen sense of humor, his kindly nature; his concern for others; and his love for Christ and the Church.

Shelton Kilgore was buried at the National Cemetery in Little Rock on July 26, 1993 with graveside services led by Rev. J. Cliff Christopher. A Memorial Service was held at the Piney Grove Church in Hot Springs, also on July 26, 1993. The Memorial Service was conducted by Rev. Michael R. Clayton and Rev. Lawrence A. Ferguson.

Rev. Earl C. Mathis

The Reverend Earl C. Mathis, 94 of Arkadelphia died Tuesday, February 1, 1994 at Baptist Medical Center, Arkadelphia. He was born October 7, 1899 in Overton, Texas, the son of the late William Clinton and Betty Jane Dickerson Mathis. He was a ministerial member of the Little Rock Conference of the United Methodist Church and he was affiliated with the St. Andrew Church of Arkadelphia.

Before entering pastoral ministry, Rev. Mathis was a Sunday School teacher and superintendent at the Trinity Church of the Okolona Circuit for 30 years. He was a lay minister in the United Methodist Church and was chairman of the Davidson Methodist Camp Meeting for two years. In 1970, he was ordained a deacon by the Little Rock Conference and was appointed pastor of the Pleasant Grove Church at El Dorado, Arkansas where he served for four years. He was assigned to pastor the Harmony Grove Church in 1974 and served there for two years. He retired in 1976 at the age of 76.

Survivors include his wife of 73 years, Willie Vesta Herrin Mathis; three sons, Winston Mathis, Travis Mathis, and Randall Mathis, all of Arkadelphia; three daughters, June Wrinkle of the Trinity community near Okolona; Diane Blanton of Sherman, Texas; and Gayle Owen of Dallas, Texas; one brother, Alton Mathis of Henderson, Texas; two sisters, Marie Campbell of Anona, Texas; and Loraine Boles of Tyler, Texas; 19 grandchildren and 23 great grandchildren. He was preceded in death by two daughters, Dorothy Mathis Murphy and Betty Joyce Mathis.

The funeral service for Rev. Mathis was conducted by Rev. Tom Moreland, pastor of the St. Andrew Church, at Murray-Ruggles Funeral Home, Arkadelphia at 2 p.m., March 3, 1994 with interment at Rest Haven Memorial Gardens near Arkadelphia.

His children said that Earl Mathis was a friend to everyone. He challenged, encouraged, and was always supportive of his children and family. To his grandchildren and great grandchildren he was papaw. By the time each would reach the age of one or two years, he would say, "I believe that's the smartest child for that age I ever saw."

Rev. Mathis always looked for the best in people and taught that if you can't say something good about someone, you shouldn't say anything at all. He had a fun loving nature as well, loved sports, and he managed a sandlot baseball team in the late 1930's. Young people enjoyed being around him. He kidded them, laughed with them, challenged and inspired them to become the best they could be.

According to the Rev. David Hankins, Rev. Mathis' call to pastoral ministry came while he was pastor at Trinity Church. The call came during an altar call Rev. Hankins spontaneously issued following an Administrative Council meeting. Earl Mathis came forward, bore witness to that call, and everyone prayed for him at that time. He accepted God's call at 70 years of age and subsequently attended Perkins School of Theology at Southern Methodist University in Dallas, Texas for the course of study school.

Rev. Rufus Ford Sorrells

Rufus Ford Sorrells, 86, of Fordyce, a retired clergy member of the Little Rock Conference, died July 22 at Dallas County Hospital.

Memorials may be made to First UMC, Fordyce or a charity of choice.

Rev. Thomas Jackson Nation

Thomas Jackson Nation, 73, a retired United Methodist Pastor died February 5, 1994 at Lamar, Arkansas and was buried at Lamar Cemetery.

He was the middle child, born to Elmer and Allie Burns Nation in Lamar, Arkansas on November 28, 1920. He is survived by his wife of 50 years, Gladys; one son, Delvin Nation of Fayetteville; two daughters, Dixie Douthit of Cleveland, TN and Lewellyn Preston of Dallas, TX; two sisters, Aliene Nation of the Methodist Village in Fort Smith and Maxie Ruth Hunt of Sapulpa, OK; six grandchildren and one great grandchild.

In his teen years, he went to the Methodist Youth Fellowship at Lamar. Jim Mason remembers those days. Tom would be part of the Lamar High graduation class of 1938. Before the war, he participated in the Youth Corps, a government work program. One night young Tom went to a revival that was taking place at Lamar Methodist Church. He sat on the back seat with his friends. Gladys sat right in front of him. Tom whispered to one of his cousins during the service, *"if she looks as good from the front as she does from behind, I'm going after her!"* She did, and he did. A party was arranged for them to meet, and things took off from there. Their love would be tested by distance. In 1942, the War took him to Brigeport, Conn., where he worked in defense. He kept making trips back and forth to see her. Finally, Tom and Gladys were married on Jan. 18, 1944.

Tom worked another year or two in Connecticut. Dixie, their first child was born in Bridgeport. Then they moved back to Lamar, where Lewellyn was born. Tom felt the call to preach at this time. In 1947 he received a license to preach and began serving as needed in the area. Their son Delvin was born in 1949, and Tom entered Hendrix College. While at Hendrix he served the Prairie View Circuit and the Naylor Circuit. In 1953 he graduated from Hendrix and went to Perkins Seminary in Dallas. During those years he served Southmayd, Decatur Circuit, and Quinlan. Tom received what would become his Masters of Divinity Degree in 1957.

In his 43 years of ministry, Tom served the following churches: Atkins and Cave City Ct. in the North AR Conference; Sardis, Good Faith, Pullman Heights, Mt. Ida, Almyra, St. Paul, Capitol View, Bearden, Grady, Foreman, Lockesburg, Tillar, and Eudora Circuits in the Little Rock Conference; and Hartman and Altus/Grenade's Chapel Cts. in the North AR Conf. while retired.

Besides serving over 22 charges, Tom found time to do other things. He read, finding Wesley's sermon's inspiring. Tom was a gardener, an amateur artist, and a Razorback fan. He made ceramics as well as played the guitar and piano. Tom even went to school and learned how to tune pianos. For the last few years of his life, he tuned all of the pianos in his church free of charge. Although Tom struggled with cancer the last few years of his life, Rev. Dennis Spence notes that Tom was always a cheerful person who talked about the family he loved, the church he served, the wife he adored, and his latest project.

At two major army installations, Lottie May served as Religious Education Director, supervising Sunday schools with enrollment of over a thousand students. While stationed in Germany, Lottie May traveled extensively in southern Germany speaking to Protestant Women of the Chapel groups on various military installations.

Upon returning to the states in 1971, she worked for a Methodist College in Pennsylvania (Lebanon Valley College) as assistant to the Public Relations Director during the five years that her husband served as Post Chaplain in Indiantown Gap Military Reservation.

She did considerable writing for publication during this period, publishing several articles in "Link" (a magazine for military families), Home Life, a Southern Baptist magazine for families, Catholic Digest, and Sunday Digest.

She is the mother of a daughter, Deborah Sue Sibert of Vienna, VA; and a son, David W. Brown, of San Diego, CA. She has 5 grandchildren. Outside her family, her primary love has been music. She has sung in adult choirs since she was 14 years old. Even though she never had any formal voice training, she has blessed countless numbers with her beautiful soprano voice over the years.

A devoted Christian, she love her Lord, her Church, her family and her country, with unfathomable devotion. When her husband retired from the Army, they returned to Arkansas, where she continued her ministry of music whenever needed. Upon joining Piney Grove UMC, she faithfully took her place in the choir each Sunday and continued to bless us with her melodious voice until her illness forced her to give that up in late months of 1990.

We have all be richly blessed because her life has touched ours.

Charmel Crandall Grogan

A VIRTUOUS WOMAN

A good wife who can find?

She is far more precious than jewels. Horace Grogan found his Charmel and wed her in December 18, 1938. The heart of Horace trusted in her and he had no lack of gain. She girded her loins with strength and made her arms strong. Horace was known in the gates, when he sat among the elders of the land.

Beloved Charmel was born in 1918 to John and Pearl Crandall of Mabelvale, Arkansas. She bore Horace two sons, Michael and Gary; and a daughter, Charmee Grogan Andrews, all currently of Arkadelphia.

On the day American Forces captured the town of Charmel, France, in World War I, Captain John Crandall cabled his wife Pearl and told her to name their newborn daughter, "Charmel".

Charmel Crandall, 75 years old, departed from this life on October 1, 1993 and the nightwind moaned deep in the shoruds of sorrow. Horace Grogan told his Charmel, "Many women have done excellently, but you surpass them all!"

Ocie McNeal

Ocie McNeal, 90, of Hopkinsville, Ky., died January 20 at Jennie Stuart Medical Denter, Hopkinsville.

She was born in Paris, AR, was a homemaker and a member of First United Methodist Church, Paragould. Her husband, the late T.T. McNeal, was a clergy member of the North Arkansas Conference whose pastoral service included First UMC, Paragould.

Survivors include three daughters, Georgia Best of Temple, Texas, Katherine Weymer of Flat Rock, N.C., and Edilda Flanigan of Hopkinsville; two sisters, Lucille Smith and Amy Baxter, both of Paris; 10 grandchildren and 17 great-grandchildren.

Inez Marie Cline Peters

Inez Marie Cline Peters was born at Harmony, AR, June 18, 1911. She was the forth child of six children that were born to John Edward Cline and Della Lavoda Campbell Cline. In her early childhood, the family moved to Spring Hill Community, west of Clarksville. Here, she and the young man whom she would later marry, grew up together through school.

On August 9, 1930 she was united in marriage to a local Methodist Minister, Orr Davis Peters, whose name she soon changed to "O.D." In this union were born two children, Margaret Elizabeth and George Edward.

She loved people and loved the Church. She made many pastoral calls with her minister husband. She loved young people and she taught Sunday School

class for young people. Some of her happiest times were attending sub-district youth meetings with our youth while serving in the North Arkansas Conference.

On May 16, 1963, Inez was awarded "A Special Membership in the Woman's Society of Christian Service" in the North Arkansas Conference. Inez thought highly of her uncle Artie Cline, and outstanding member in the North Arkansas Conference.

She served faithfully and lovingly as a Methodist Minister's wife in all of her husband's appointments: Clarksville Circuit, Farmington, Pea Ridge, Hackett, Alma, Greenwood, Spring Hill, TX, Charleston, Augusta, Dardanelle, Piggott, Capitol View, Little Rock and Pulaski Heights United Methodist Church.

She departed this life on August 31, 1993, her wedding anniversary month, having lived for Christ and her husband 63 years!

X THE "PIONEER FUND"

The Board of Global Ministries and its Committee on Parish and Community Development has administered the Fund for New Church Development under the guidelines of the 1985 journal. This fund has been referred to as the "Breaking New Ground" and the "Pioneer Fund" in the past. Since there is only one fund it will be referred to as the "Pioneer Fund." There are two ways we will use this fund. (1) We will make loans from the principal of this fund. (2) We will make grants from the interest this fund generates.

XI. PURPOSE OF THE PIONEER FUND

This fund will be utilized to make grants and loans only for the development of new congregations that have been designated and approved as being in areas with growth potential and/or for the redevelopment of existing congregations that have been approved as strategic growth congregations in growth potential areas.

A. GRANTS

1. Grants may be made from the interest generated by the Pioneer Fund. Any local Church/District, Trustees/District Board of Missions may apply for a grant with the consent of the District Superintendent. Every application for a grant to establish a new congregation or to redevelop an existing congregation must be made on forms supplied by the Church Extension Secretary.

2. Prior to any new or existing congregation being authorized a grant from this fund, approval must be received from the following:
   a. District Superintendent
   b. The Little Rock Conference Cabinet
   c. District Committee on Building & Location
   d. LRC Parish & Community Development Committee, BOGM
   e. LRC Board of Global Ministries

3. The Parish and Community Development Committee will set the date for the grant to be released and will notify the District Superintendent and the local congregation.

4. No church or newly developed congregation may receive more than one grant from the Pioneer Fund. If there is overwhelming evidence that an additional grant is needed to insure success of a congregation and there are no other remedies available to said church or new congregation, an additional grant may be approved after the request and reasons are presented at and approved by the Little Rock Annual Conference at its annual session.

B. LOANS

1. ELIGIBILITY AND LOAN LIMITS

Loans may be made from the principal of the Pioneer Fund. Any church or district may apply for a loan through the Church Extension Secretary of the Little Rock Conference Board of Global Ministries. The maximum amount of any loan will be two hundred thousand dollars ($200.000). No church or district may apply for more than one loan at a time. All outstanding loans must be repaid in full before any additional applications for the church or district will be accepted.

2. INTEREST RATES
The interest on these loans will normally be lower than interest a church or district could secure on a loan in the local market. The maximum amount of interest that may be charged on any loan will be the Little Rock prime rate at the time the loan is issued. The interest will be established by the Parish and Community Development Committee after consultation with the Conference Treasurer or the United Methodist Foundation of Arkansas.

3. REPAYMENT SCHEDULE
The repayment of the loan will be arranged between the Parish and Community Development Committee and the church or district and will include both the principal and interest. Early repayment of the loan is recommended and urged. Only in the most severe cases will loans be extended. In these instances readjustment of the principal and interest is mandatory.

4. A loan may never be converted to a grant.

5. APPROVAL AND NOTIFICATION
All applications for loans must have the approval of the District Superintendent and be submitted on forms supplied by the Little Rock Conference Church Extension Secretary. When a loan is approved, the Church Extension Secretary will notify the applicant when the funds will be available.

6. GUARANTEES
There must be Performance Bonds and insurance coverage to insure the completion of the project to which the loan is given. This requirement is for projects of $10,000.00 or more.

EQUITABLE COMPENSATION POLICY

I. PREAMBLE

1. The primary responsibility for payment of pastoral base compensation remains with individual pastoral charges (DP 722.4)

2. A local church exists to serve, not to be served. All churches should be motivated to a larger sense of ministry. Churches whose pastors receive salary subsidy should be open to linkage with other churches, in order to provide full -time ministerial conference members with a minimum workload goal of around 200 members, or at least three (3) churches, which the Commission believes to be those necessary to support a full- time minister. Smaller churches should be encouraged to accept couplings with each other to reduce the need for salary supplement over a reasonable time period.

3. Equitable/appropriate salary levels can best be met when appointments are open to all ministerial members without regard to sex or race.

4. Growth in stewardship should be achieved by all below-minimum remuneration churches. Evidence of stewardship education and growth should be provided, when salary subsidy is sought.

II. EQUITABLE SALARY

1. The Equitable Compensation Fund shall be used to provide each pastor who receives less than the minimum base compensation (MBC) with an additional amount sufficient to make the base compensation approved by the pastoral charge plus the supplemental aid or income from other sources equal to the MBC approved by the conference. (DP 722.8)
2. The minimum base compensation for a pastor approved by the Annual Conference for 1995 shall be:
   A. Full- time Full Member -$22,000
   B. Full -time Associate Member or Probationary Member -$21,000
   C. Full -time Local Pastor -$20,000
3. All requests for Equitable Salary Grants (ESG) shall be received and acted upon each year before Mission Salary requests are considered. Equitable Salary needs shall have prior claim on available funds.
4. Equitable Salary grants shall have prior claim over Mission Salary grants in the event of insufficient funds.
5. In the event of insufficient funds to pay all Equitable Salary grants in a year, each ESG shall share proportionately from the available funds.
6. Churches/charges with associate pastor(s) shall not be eligible to receive Equitable Salary grants.
7. In a church/charge with pastoral salary below the minimum base compensation set herein, all salary increases, up to the MBC, will not result in a reduction in the Equitable Salary grant to the church/charge. All salary increases over the MBC will result in 1/2 the amount of the salary increase being deducted from the Equitable Salary grant to the church/charge.
8. A church/charge shall make application for Equitable Salary grant to the Commission through the District Superintendent no later than January 10.
9. A church/charge receiving an Equitable Salary grant shall accept in full its annual conference apportionments for the coming year, and shall be expected to pay its conference apportionments in full.
10. The District Superintendent shall work with each church/charge receiving Equitable Salary grant to develop a sound financial policy and goals, including a yearly budget and every- member financial campaign. The Commission may request written proof and reports on such efforts before considering or granting any request for Equitable Salary funds.
11. The Commission shall report the amount of Equitable Salary Grant paid during the fiscal year to each church, charge and pastor prior to Charge Conference, and the District Superintendent shall also report the same information at the Charge Conference for the church..
12. The Commission shall recommend to Annual Conference the amount for Equitable Salary grants. The Commission shall also then recommend the maximum amount of such grant a church/charge may receive (DP722.8).
13. In exceptional cases approved by the Cabinet, any of requirements 6. -12. above may be waived by vote of the Commission.
14. Pastoral assignment shall be full- time (DP 441 & 441.1) except that the Commission shall consider applications whose pastoral supply is appointed in accordance with DP 441.2 & 437.2. Based on current MBC, less -than- full- time appointments of ordained ministers shall be paid as:

MEMBERS:	FULL ($22,000)	ASSOCIATE/PROBATIONARY ($21,000)
1/4 Time	$ 5,500	5,250
1/2 Time	11,000	10,500
3/4 Time	16,500	15,750

15. This policy of fund distribution shall be effective in June of 1994, if approved by the Annual Conference.

III. MISSION SALARY

1. Mission Salary grants are not specifically defined in the Book of Discipline, but shall be any pastoral salary supplement grant that is not for the purpose of complying with the minimum base compensation requirement (II. above). Examples of Mission Salary grants might be: (1) "new church" or "missional" development situations, (2) cooperative parish ministries, (3) inner city ministries, (4) rural ministries, (5) cross- racial appointments, or (6) other specialized ministries.
2. The Commission may designate a portion of the Equitable Compensation Fund (ECF) for Mission Salary Grants, provided the total of the annual Mission Salary grants (MSG) added to the total of Equitable Salary Grants (ESG) for the same year shall leave a balance in the Equitable Compensation Fund (ECF) of not less than the total of ESG + MSG for the year, it being the policy that a "reserve" equal to the current year's funding needs shall be maintained.
3. Mission Salary Grants (MSG) may be (1) in addition to Equitable Salary Grants (ESG), or (2) independent of ESG.
4. The District Superintendent shall work with each church/charge seeking a MSG to develop a sound fiscal policy, which shall include a yearly budget and financial campaign. The Commission may request a written report from the District Superintendent and church before making such a grant.
5. Requests for MSG shall be made in the same manner and time as ESG requests.
6. In exceptional cases, on recommendation from the District Superintendent, the Commission may waive No. 4 of this section.
7. All MSG shall be reported to the church/charge and to the Annual Conference.

IV. ADJUSTMENTS

1. Adjustments to ESG and MSG may be made by the Executive Committee of the Commission (Chair, Vice-Chair, and Secretary) at the beginning of the fiscal year, or when appointments are made, or when such adjustments are necessitated by change of pastor or realignment of church or charge, or when a new salary arrangement is voted by a Charge Conference, upon written request from the District Superintendent to the Commission Chair and the Arkansas Area Treasurer.

V. ANNUAL BUDGET REQUEST

1. The Commission's budget request for conference year 1995 is $99,380.60

PARSONAGE GUIDELINES
The Little Rock Annual Conference of the United Methodist Church
Adopted 1993

The Book of Discipline is clear concerning the Annual Conference's role in setting guidelines for parsonages and the use of parsonages. (For reference in the 1992 Book of Discipline, refer to paragraphs 257.3f, 270.2f(4), 907.4, 2503.2-.4, 2508, 2518, 2523, 2528.1 & .4, 2544, and 2545.) It is suggested that each Pastor-Parish Relations Committee (PPRC) review annually these guidelines to insure adequate housing for all clergy and their families.

It is important for local churches across the conference to follow these guidelines to the best of their ability to reduce the differences in quality, size, and equipment from parsonage to parsonage. Furthermore, these guidelines should be considered when a congregation is in the process of building, buying, or remodeling a parsonage.

Guidelines

1. **Bedrooms.** There should be at least three bedrooms of standard size with ample closet space in each. It is recommended that one room on the main floor of any two story parsonage be adaptable for use as a bedroom.
2. **Bathrooms.** A parsonage should have at least two bathrooms. One could be with a shower only, and the one on the main floor should be a combination tub and shower.
3. **Kitchen.** The minimum kitchen should include: adequate cabinet and counter space, sink, stove, refrigerator with frozen food storage, garbage disposal (if sewer lines and septic tanks do not make this impossible,) dishwasher, good lighting, and adequate electrical outlets. A breakfast area is desirable. Other appliances shall include a washing machine and clothes dryer. An adequate supply of hot water shall be provided.
4. **Living/Dining Areas.** An adequate living area for family life and entertaining guests must be provided. Depending upon the needs of the setting, this could be a combination of the following rooms/areas: living room, family room, dining room, or great room.
5. **Study.** It is preferable for the pastor's office to be in the church buildings. However, the parsonage may be equipped with space for a study. Every parsonage should have adequate bookshelves.
6. **Closets.** Adequate closet and storage space should be provided throughout the house.
7. **Garage.** A two car garage or carport with storage for tools and yard equipment should be provided.
8. **Energy Efficiency.** It is recommended that conservation of energy be considered when purchasing appliances, when re- modeling, and when purchasing a new parsonage.
9. **Heating/Cooling.** A central heating/cooling system with the capacity to properly heat/cool the entire habitable part of the house and the proper thermostatic controls should be provided. The pastor shall be responsible for changing furnace filters to insure the safe and efficient operation of the system. The church shall provide all other maintenance of the heating and cooling system.
10. **Window Coverings.** Appropriate and tasteful curtains, drapes, shades, or other window coverings shall be provided for all rooms of the parsonage. Safe storage of unused window coverings shall be provided by the pastor.
11. **Utilities.** The cost of all utilities shall be the responsibility of the pastor residing in the parsonage. At least two phone outlets shall be provided.
12. **Insurance.** The church is responsible for payment of insurance for the property. It should include home-owner type coverage, and the insurance shall cover at least 80% of the replacement cost of the parsonage, related structures, and church-owned furnishings. It is recommended that the pastor obtain additional coverage to insure personal belongings and furnishings.

13. **Parsonage Furnishings and Equipment.** The Little Rock Annual Conference defines *"adequate housing"* as a house comparable to the average homes of the congregation in condition and size, including furnishings and other equipment. However, it is suggested that one bedroom be left unfurnished in al parsonages. As applicable, the local church shall furnish a breadfast table, formal living room furniture, formal dining room furniture, den/family room furniture, bedroom furnitrure (except as noted above), sufficient lighting, and floor covering. It is expected that the minister shall provide nonessential items such as a t.v., microwave oven, pictures, and accessories. It is permissible, and even encouraged, for the pastor to provide personal furnishings, as this is their home. The Pastor shall work with the Parsonage Committee to provide for safe storae of unused local church parsonage furniture.

Parsonage Maintenance

14. **Local Church Responsibilities.** The local church's Board of Trustees shall properly maintain an adequate and comfortable home in good condition for the pastor and his/her family. At the convenience of the pastor's family, the chairperson of the Trustees and the chairperson of the Pastor-Parish Relations Committee shall inspect the home annually to determine maintenance needs, to up-grade the parsonage to comply with these guidelines, and to establish any improvements to meet the needs of the pastor and his/her family. Also, the church shall provide for termite and pest control.

    Each year the local church budget should include money for the maintenance, redecoration, and landscaping of the parsonage. A record of all appliance instruction books, warranties, cutoff valves, meters, water and sewer lines, and other similar materials shall be filed with the church's records. An inventory of all church owned furnishings shall be maintained. The local church shall inform the pastor of who has keys to the parsonage.

15. **Pastor's Responsibilities**. The pastor and her/his family should care for the parsonage as a good steward of the property. Families shall exercise care so that the parsonage is not abused; this includes professional pest control for parasites from pets. The pastor is responsible for any damage caused by pets, personal guests, and family members. The pastor is responsible for cleaning the parsonage when moving out, including costs for cleaning residual tobacco smoke.

16. **Parsonage Grounds**. The yard and lawn around the house shall be well drained. The yard shall be tended by the pastor and her/his family. If the lawn is unusually large or requires a great amount of time to maintain, the church should assist the pastor. Landscaping and exterior care of the parsonage is the church's responsibility.

17. **Mutual Responsibility Covenant**. It is recommended that the Trustees and/or the Pastor Parish Relations Committee create a written covenant with the pastor spelling out the responsibilities of each. The covenant can be reviewed and updated yearly. The covenant should include provisions for restoration of personalized decorating. Redecorating should be done regularly with full consultation with the pastor.

18. **Barrier Free Concerns**. It is recommended that all parsonages built or remodeled in the future consider the needs of physically challenged persons.

19. **Safety**. All safety related factors should be considered. The church shall supply each parsonage with at least two operable fire extinguisher. Smoke detectors shall be installed on each floor of the house, including the basement.

Administration of the Guidelines

20. **Time.** These guidelines become effective immediately upon adoption by the conference.

21. **Sub-standard Parsonages.** All churches are urged to move toward full compliance with these guidelines. District Superintendents shall keep a record of parsonages that are not meeting these guidelines.

22. **Parsonage Committee.** A local church may appoint a Parsonage Committee to lead the congregation in implementing these guidelines, and for the on-going maintenance of the parsonage. Membership of a Parsonage Committee shall include the chairs of Trustees and PPRC as ex-officio members with vote, and a minimum of three at-large members elected by the Charge Conference and divided into three year terms in classes. The at-large members may not succeed themselves. The pastor and her/his spouse shall complete the committee's membership.
23. **Pastoral Changes.** When there is a pastoral change, the house shall be reviewed by the chairpersons of Trustees and PPRC with the pastor to make a list of needed repairs. The local church shall make provisions to complete all repairs before the succeeding pastor moves into the house. When moving day arrives, a final "walk through" conducted by the pastor with the chairpersons of Trustees and PPRC shall occur for a final assessment. Before a move, the departing pastor shall invite the incoming pastor to see the parsonage. Any redecorating should include the incoming pastor's consultation.
24. **Housing Allowances.** In certain and limited situations, a housing allowance is permissible. A decision to exercise this option shall be made with approval of the Pastor Parish Relations Committee, the Board of Trustees, and the Pastor. The District Superintendent shall be informed of the church's consideration of this option before any action is taken.
25. **Publicity of Guidelines**. The conference shall make copies of the guidelines available to all churches and pastors upon adoption, and the Conference Journal shall publish the guidelines once each quadrennium.
26. **Charge Conference**. The District Superintendent shall ask questions concerning the parsonage and its compliance with the guidelines annually at the Charge Conference.

RENTAL/HOUSING ALLOWANCES POLICY FOR RETIRED OR DISABLED MINISTERS OF THIS CONFERENCE

Whereas, the religious denomination known as the United Methodist Church has functions through Ministers of the Gospel who are duly ordained or licensed; and

Whereas, the practice of the United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers, and

Whereas, pensions paid to retired ordained or licensed ministers licensed ministers in consideration of previous, active service, and disability benefits are considered payments in lieu of compensation for active service; and

Whereas, the Internal Revenue Service has recognized that the Little Annual Conference is the appropriate organization to designate a housing/allowance for retired ordained or licensed ministers who are members of the Conference; and

Whereas, the disabled minister has the same legal relationship to the Annual Conference as does the retired minister and, thus this Annual Conference is also the appropriate organization to designate a housing/allowance for a disabled ordained or licensed minister who is a member of this conference;

Now Therefore Be It Resolved:

1. An amount equal to 100% of the pensions payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister, during the year 1995 be and is hereby designated as a rental/allowance respectively for each retired or disabled ordained or licensed minister of the United Methodist Church who is or was a member of the Little Rock Annual Conference at the time of his/her retirement or disability;

2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency, or institution of the United Methodist Church or any former denomination that is now a part of the United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of the United Methodist Church for such retired minister's Pension or disabled minister's benefits.

Note:

The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rule 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107 (2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities."

Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore the full amount disability benefit payments will be taxable income to the recipient beginning in 1984.

SEXUAL HARASSMENT POLICY

Because the church's mission relates to the call in Christ to be a church for all persons, a safe place where each can receive and give ministry with the gifts God freely bestows; because the will of the General Conference as recorded in the *Discipline* and the Resolutions is to be a church of justice and mercy; and because we trust that God'sgrace is at work;

THEREFORE, this policy of the Little Rock/North Arkansas Annual Conference addresses the conduct of the clergy and church professionals (consecrated and certified) in order:

1) to provide for the safety of parishioners and clergy/church professionals,
2) to protect the unique relationships which clergy/church professionals have with peers and parishioners in all settings,
3) to ensure the health, authenticity, and integrity of the church.

This policy is submitted to the Annual Conference in faithfulness to the call to Equality in Christ (Galatians 3 :28) and to the mandate of the General Conference as recorded in the Social Principles and the 1992 General Conference resolution, "Sexual Harassment in the United Methodist Church."

Sexual harassment is an unwanted behavior with a sexual connotation. It is any sexually related behavior that is unwelcome, offensive, depersonalizing, or which fails to respect the rights and feelings of others. It may be verbal or physical conduct of a sexual nature. Such behaviors create an intimidating, hostile, and offensive environment.

This policy is based upon an understanding that protects all persons and which acknowledges the clergy/church professionals' inherent position of power and total responsibility-- moral, ethical, and professional-- for maintaining conduct worthy of the sacred trust and power placed in them.

This policy is intended to provide an additional informal process for the resolution of grievances within the North Arkansas/Little Rock Annual Conference. It is not intended to supplant or substitute for the formal grievance process and its attendant fair process protections in *The Book of*

Discipline. It is intended to assist persons to reach resolution or reconciliation prior to moving into the formality of the Disciplinary grievances. Failure to utilize or follow any of the procedures herein is not a chargeable offense, nor can it be used as grounds for an appeal of a formal grievance, complain, review, investigation, or trial process.

Local churches are encouraged to utilize this policy in the formulation of policies for all their employees.

PROCEDURES

A. If you experience what you consider to be inappropriate behavior, keep a written record of your experiences including dates, times, places, and witnesses. Keep any written material you may have received from the person.

You may wish to confront the person with the inappropriate behavior and demand that it cease.

If you choose not to confront the person alone, you may ask someone to accompany you to confront the person and seek reconciliation.

If you choose not to confront the person, or if the behavior continues, report the incident to the chair of the person's appropriate evaluating committee (e. g ., a pastor or church staff member would be reported to the chair of the staff/parish relations committee; a district superintendent to the chair of the committee on superintendency; a bishop to the chair of the committee on episcopacy).

If the conflict is not resolved to your satisfaction, the committee chair shall convene the entire committee to meet with the accused, the person bringing the accusations, and each supporting person.

If the situation is not resolved satisfactorily following these efforts, then follow the Discipline's procedures for grievances, complaints, and charges.

B. If you are confronted by someone who has experienced or observed inappropriate behavior on your part, listen to the accusation and agree to change the behavior or otherwise resolve the situation and reconcile the relationship.

If you are unable to resolve the situation with your accuser, contact the chair of your appropriate evaluating committee. Ask to meet with your accuser and the committee chair to resolve the conflict. The accused and the person bringing the accusation each has the right to bring a supportive person to this meeting.

If the conflict remains unresolved, the committee chair shall convene the entire committee to meet with the accused, the person bringing the accusations, and each supporting person.

C. If you receive a report of inappropriate behavior, listen seriously and objectively. Help the person follow the steps outlined above.

If you are a clergy/church professional in a paid supervisory position in the local church or a conference agency, and an employee is being harassed, you should immediately take corrective or preventative action.

According to Arkansas law, any person receiving a report from a child under age 18, indicating sexual abuse of that child, is required to report the abuse to the proper authorities.

IMPLEMENTATION

Following initial training for all clergy/church professionals in March 1994, they should receive training periodically, provided or approved by the Board of Ordained Ministry or Board of Diaconal Ministry. Training will be provided by the Board of Ordained Ministry/Board of Diaconal Ministry on a regular basis for persons being appointed for the first time in the Annual Conference.

Local churches are urged to participate in educational opportunities on sexual ethics and conduct. Agencies and affiliated institutions are strongly encouraged to provide educational opportunities on sexual ethics and conduct.

MINISTERIAL ASSISTANCE FUND POLICY

I. **Purpose:** The Ministerial Assistance Fund of the Little Rock Annual Conference is a collegial act of the pastors of the conference to provide financial aid for those who need emergency assistance.

II. **Resources:** The Ministerial Assistance Fund will be funded primarily by voluntary contributions from the pastors. (A recommendation guideline is one-fourth of one percent of a pastor's annual base salary.) Memorial and other gifts will be gratefully received.

III. **Management:**

A. The Ministerial Assistance Fund will be managed by the United Methodist Foundation of Arkansas. As custodian, the Foundation will be responsible for all deposits, investsments, and dispersements. This service is provided bythe Foundation without fee to the Annual Conference or the Ministerial Assistance Fund.

B. The Foundation shall present an annual report of all fund activity to the Board of Ordained Minstry.

C. The Foundation, through an annual mailing, will provide each pastor the opportunity to contribute to the fund. Each contribution will be acknowledged to the donor.

D. The Council on Ministries shall provide through the pre-registration mailing for Annual Conference a reminder of the opportunity for clergy to consider making a volunteer contribution to the Conference's "Ministerial Assistance Fund" as they return their Conference registration fee. Upon receipt of the contribution by the Conference Council, those monies would be forwarded to the Area Treasurer for deposit with the Arkansas United Methodist Foundation. *(This paragraph approved at the 1994 Conference Session)*

E. Gifts are to be sent to the United Methodist Foundation of Arkansas, 5905 Forest Place, #210, Little Rock, Arkansas 72207.

IV. **Supervision and Grants**

A. The Board of Ordained Ministry shall supervise the Ministerial Assistance Fund and provide an annual report to the Executive Session of the pastors at the Annual Conference Session.

B. The Board of Ordained Ministry, acting through its Executive Committee, has direct responsibility for receiving requests and approving grants.

1. Conference Members, Local Pastors, Diaconal Ministers, Seminary Students, Retired Pastors, and family members are eligible to receive assistance.

a. Requests may be made through a member of the Board of Ordained Ministry or a District Superintendent and shall be in writing.

b. All requests shall be forwarded to the Chairperson of the Board of Ordained Ministry for appropriate action.

2. The Chairperson of the Board of Ordained Ministry has discretionary authority to make one-time grants not to exceed $200.00.

3. The maximum annual grant per individual or family is $500.00

TIME TO RETIRE

It's been years since I was a student preacher
When they taught me to preach and lead in prayer;
But the ravage of time has taken over
And the moment has come to retire.
There've been conference up to my eyeballs,
There've been meetings and meetings to spare;
I can now thumb my nose at those meetings.
Since my moment has come to retire.

Chorus:
When I think of the times we've had together
I'll hum a tune and offer a prayer.
I'll think God that it's been such a pleasure,
But I'm glad that it's time to retire.

I won't have to go to church every Sunday;
I won't have to worry 'bout the choir.
I won't have to raise another budget:
That's the bonus for when you retire.
There've been seasons of tears and of laughter
There've been times that I wanted to quit.
There've been times when I've started all over;
There've been times that I didn't give a ...!

There is one who has walked close beside me;
She's the one that I took for my bride.
Now that time has arrived for retiring,
She is still standing tal by my side.
When I think of the road I have travelled,
Friends I've met and the places I've been,
If I had my whole life to live over,
I would do it all over again!

When I think of the times we've had together,
I'll hum a tune and offer a prayer;
I'll thank God that it's been such a pleasure;
Yes, I'm glad that I've lived to retire!

WHAT MAKES A CONGREGATION VITAL?

Dr. Kirbyjon Caldwell

Based on my experience at Windsor Village United Methodist Church, there are nine (9) factors which help to make a congregation vital and nine (9) factors which enable faithful discipleship to be formed. These eighteen (18) factors emanate from the following doctrinal understanding:

(a) Theologically, we affirm a strong Christology;
(b) Emotionally, we affirm that everybody is somebody in Christ Jesus;
(c) Spiritually, we affirm that each member is a minister;
(d) Socially, we come to worship and depart to serve;
(e) Culturally, we affirm our African American heritage as a people of God; and
(f) Politically, we affirm God's liberating presence in the lives of those who are oppressed.

Accordingly, the nine (9) factors which have helped to make Windsor village a vital congregation are:

I. A Magnetic Worship Experience

The celebrative, explosive worship experience at Windsor Village, which exudes a spirit of victory, acceptance and warmth, features the message and the music ministry.

The message: (1) provides hope; (2) mends broken spirits by building God-confidence and self-confidence; (3) teaches what it means to be a Christian; and (4) presents a clear, understandable and memorable picture of who God is and what we can become.

The music ministry affirms God's presence and power in the life of the community by singing anthems, hymns, spirituals and gospels - and singing them well.

"The Kingdom-Building, Satan-Busting" worship experience is winsome, exciting and convicting.

II. Relevant, Multiple Ministries

The members at Windsor Village are urged to be "Kingdom Builders" as we seek to be "doers of the word and not hearers only." Recognizing that the Lord is concerned about the total person-spiritually, socially, emotionally, educationally, financially and culturally - ministries are designed accordingly. Windsor Village has a "sense of presence" in the community which demonstrates a willingness to manifest the "Light of the World" as we meet the needs of the community.

III. A Healthy Self-Esteem

The Kingdom Builders of Windsor Village are, generally speaking, happy to be members and are definitely not ashamed of their church. The accomplishments which the Lord has orchestrated thru Windsor Village have enable the members to develop a positive perspective of the church. Accordingly, they readily invite others to come to the "Village experience."

IV. An Evangelistic Attitude

Kingdom Builders share what God has done for them thru Windsor Village. They share the Good News! As witnessing occurs, others come and are accepted into the fellowship. Windsor Village wants to grow.

V. Effective Leadership
Clergy, laity, staff, church leaders are urged to pursue excellence as the vision (we believe) God has for Windsor Village is implemented. It is understood that the staff is primarily responsible for equipping the saints for ministry. Ministry is shared by many, not hoarded by a few. The leadership seeks to create an ambience within which ministry can happen. Effective leadership is absolutely crucial to the vitality of a local church.

VI. Professionalism
Members should never have to make excuses for their Church. Excellence breeds vitality. "If you are going to do something, then do it well. If you're not going to do it well, then leave it alone." Professionalism is sought in researching, designing, developing, promoting, delivering and evaluating all programming.

VII. Willingness To Take Risks
Windsor Village has distinguished itself as a risk-taker. pushing ahead in untested directions and venturing into new areas generate excitement and an aura of boldness. New ministries emerge from a willingness to take risks. In order for risk-taking to be effective, the pastor must exercise superb relational skills. When the risks do not pay off, the pastor must assume responsibility for the risks. When the risks do pay off, the pastor must be willing to allow the laity or staff to accept the credit.

VIII. A Clear Sense of Mission
Kingdom Builders understand that committees, task forces, work areas, budgets and meetings are means to an end and not the end. The end, final product or goal is the mission and ministry of Jesus Christ. The end dictates the means; the mans do not dictate the end.

IX. Spirit of Belonging
In spite of Windsor Village's significant numerical growth, members still share a sense of belonging. In a society which imbues a spirit of alienation, computerization and polarization, people yearn to belong, be attached.

WHAT CAUSES FAITHFUL DISCIPLESHIP?

The nine (9) factors which have enable faithful discipleship to begin to form at Windsor Village are:

I. An Intensive Educational Ministry
"Being" a disciple is sine que non for faithfully "doing" the works of a disciple. The educational ministry focuses on how to become and remain a disciple of Jesus Christ. The (Sunday) Church School; Saturday Prayer and Praise; Monday nite Bethel Bible Series (Discipleship is on the way); The Wednesday Nite Special (which includes three (3) different Bible study classes for adults and one (1) for youth); the monthly Levites' study hour (a Bible study especially for the music ministry); and the bi-monthly Friday morning men's study hour are all designed to enable Kingdom Builders to "be Christ's disciples.

II. An Extensive Evangelism Ministry
Faithful discipleship can not be formed without people. Fish must be caught before they can be cleaned.
The multifaceted evangelism ministry is responsible for:
(a) Parking lot ministry;
(b) Greeters' ministry;

(c) Cassette Tape ministry;
(d) Hospital ministry;
(e) Hospitality ministry;
(f) transitional ministry; and
(g) visitors' calling ministry;

These ministries share God's smiles, warmth and compassion. The Evangelism Ministry specializes in meeting needs. Once the worshiper indicates a desire to become a member, the evangelism ministry:

(a) invites him/her to New Membership Class via telephone and letter;
(b) calls him/her sixty (6) days after New Membership Class;
(c) reminds him/her of the New Membership Class fellowship held within forty-five (45) days of confirmation; and
(d) provides assistance in helping the new member to become involved in a ministry/Bible Study.

These assimilation feature are exceedingly important to the life of the Church. New membership classes and dinners provide both information and opportunity for socializing which, in turn, help to develop "bonds."

III. Seventy-Six Ministries

As Kingdom Builders do the Lord's work, they grown in service and power. The multiple ministries provide "something for everyone" both in terms of being a blessing (giving time and talent) and being blessed (receiving time and talent.) The seventy-six (76) ministries serve as catalysts; thereby, enabling cell groups to form as members celebrate The Word of God in deed. Windsor Village "specializes" in creative programming.

IV. A Visible Men's Ministry

"Women can keep a church from dying but you need men and women in order for it to grow." Windsor Village is very intentional in delivering hope, help, mission and ministry to the men. For both historical and futuristic reasons, it is absolutely necessary for the church to address the predicament and plight of the African American male.

Windsor Village offers a monthly men's breakfast, monthly men's fellowship/study, regular spiritual retreats and a calendar full of opportunities for "connecting" and serving in Christ's Church, "for brothers only."

V. Missions and Outreach Ministry

Inasmuch as one-third of all African Americans live at or below poverty level, it is important for the Kingdom Builders "to see" what their church is doing to help the hopeless, homeless and hungry.

An extensive canned goods ministry, resale clothing shop, financial assistance with rent, mortgage payments and utility bills, financial counseling and cocaine anonymous ministries are examples of how Kingdom Builders seek to "act out" their faithfulness as disciples who have been blessed to be a blessing.

(Note: In order for some would be Christians to see who and where Jesus is and subsequently become a disciple, it is necessary for the Church to show them the way to Jesus by ministering to the "least of those among us." For some, faithful discipleship is not formed without evidence of the Church's faithfulness in the life of the community, i.e., works of faith. Faith without works is dead.)

VI. Exciting Children/Youth Ministries

Faithful discipleship could not have begun to be formed at Windsor Village without adequately addressing the needs of our children and youth.

Two (2) children's choirs; a youth choir; M.Y.F.; scouting program; standardized test taking program; quarterly dances; tutorial program; Wisdom Watch (a two week summer enrichment program); Vacation Bible School; bi-annual Confirmation Classes; and monthly trips to cultural and social events through-out the city are examples of how Windsor Village has sought to create relationships among both the children/youth and their parents.

VII. A Mission-Minded Council on Ministries

Windsor Village is blessed to have a Council which consistently focuses on how ministry can be designed to happen, not why it may not happen. Its flexibility and "Village Vision" allow the individual lay church leaders, including both the work area chairpersons and the seventy-six ministry coordinators, to be open to the explosive power of the Holy Spirit as new ways to create discipleship within the body are sought.

VIII. Tithing Time Talent and Money

1990 was the year of stewardship at Windsor Village. Members were encouraged to tithe their time, talent and money. Even some so-called "BUPPIES" are responding positively and faithfully to the challenge "act out" their faithful discipleship by tithing.

IX. A Praying Church Family

The Windsor Village Church family seeks to be a praying congregation. The Prayer Ministry is available for intercessory after each service on Sundays; how to pray is addressed in the monthly New Membership Classes; periodic workshops are sponsored by the Prayer Ministry; and the Church Family corporately lifts up

A for Apartheid and persons with AIDS;
C for those addicted to crack/cocaine;
T for the completion of the temple (sanctuary), teenagers and tithing; and
S for spiritual development.

Additionally, altar call is held every Sunday during the three Sunday services, persons who have financial concerns to the altar during the 12:00 noon service offering period; and worshipers pray individually at the altar prior to each Sunday service.

Ample opportunities are extended to members to pray both individually and/or corporately. Likewise, members are given opportunities to learn how to grow in their prayer life.
