B. RESOLUTIONS

RESOLUTION OPPOSING GAMBLING

Little Rock Conference and North Arkansas Conference
The United Methodist Church

Whereas, the United Methodist Church has a long history of opposing gambling and its parasitic impact on us. The Boards of Church and Society of the Little Rock and North Arkansas Annual Conferences of the United Methodist Church, through its joint Arkansas Area United Methodist Against Gambling, call upon this denomination to follow this stand by continuing to oppose the passage of any amendments or legislation that promotes or allows the further degradation of our state's moral and ethical standards by way of legalizing additional forms of gambling in Arkansas.

Whereas, this opposition to the proposed Arkansas Constitution amendments is based on the long standing principles of our Church against gambling. It is also grounded in our reliance upon a consistent thread of Biblical principles. This opposition is also based upon our Church's knowledge of and response to the systemic evil and deception that is inherent in the gambling industry and the residual societal damage that communities inevitably experience with the presence of gambling in any form.

Be it therefore resolved that we call upon all United Methodists to oppose any and all present and future proposed constitutional amendments and legislation which would promote gambling in its various forms, and to examine the portions of our lifestyles and values that make us susceptible to the false promises of such vices.

Rubye Lee Jackson
Chairperson
Board of Church & Society
Little Rock Conference

G. Randall Nix
Chairperson
Board of Church & Society
North Arkansas Conference

RESOLUTION TO REAFFIRM THE CENTRALITY OF CHRIST

WHEREAS, Peter, filled with the Holy Ghost said in Acts 4:12, *"Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved."*

WHEREAS, Jesus said in John 14:6, *"I am the way, the truth, and the life; no man cometh unto the Father, but by me."*

WHEREAS, the Articles of Religion, The Confession of Faith and Wesley's Standard Sermons & Explanatory Notes Upon the New Testament remain the unchangeable United Methodist doctrinal standards and all candidates for ordained ministry must agree to believe, preach, and maintain these doctrines (Discipline, Para. 3, 16, 425)

THEREFORE, BE IT RESOLVED, that we reaffirm our faith in:

- God the Father, Son and Holy Ghost - the triune God (AR, Article I; Confession of Faith, Article 1)
- Jesus Christ as the unique Son of God, fully human and fully God (AR, Article II; CF, Article II)
- Salvation by God's grace through faith in Jesus Christ as Savior and Lord (AR, Article II, VIII, IX; CF, Article II, VIII, IX)
- The sacrificial death of Christ as the sole required redemption and satisfaction for sin (AR, Article II, XX; CF, Article II, VIII)

RESOLUTION TO RETAIN THE DISCIPLINARY LANGUAGE REGARDING HOMOSEXUALITY

WHEREAS during the 1996 General Conference, fifteen United Methodist bishops made a statement that while they would continue their responsibility to the order and discipline of the church, their personal convictions differed from the language of the 1992 *Book of Discipline* concerning homosexual persons (paragraphs 71.f, 402.2, 906.12, and footnote on p. 205) and

WHEREAS the perspective of those bishops on the matter of homosexuality is in opposition to that of the majority of United Methodist Christians,

WHEREAS *The Book of Discipline* of The United Methodist Church states in paragraph 610.1:
No person, no paper, no organization, has the authority to speak officially for The United Methodist Church, this right having been reserved exclusively to the General Conference under the Constitution.

THEREFORE, BE IT RESOLVED that the Little Rock Annual Conference concurs with the action taken by the 1996 General Conference to retain the Disciplinary language regarding homosexuality;

BE IT FURTHER RESOLVED that the Little Rock Annual Conference renew our commitment as a covenant community to be in prayerful concern for one another and to seek God's guidance as we continue to deal with the challenges and opportunities of our diversity.

RESOLUTION TO AFFIRM OUR DOCTRINAL STANDARDS

WHEREAS, *"United Methodists share a common heritage with Christians of every age and nation. This heritage is grounded in the apostolic witness to Jesus Christ as Savior and Lord, which is the source and measure of all valid Christian teaching."* (1992 Book of Discipline, Para. 65)

WHEREAS, *"The theological task does not start anew in each age or each person. Christianity does not leap from New Testament times to the present as though nothing were to be learned from that great cloud of witnesses in between. For centuries Christians have sought to interpret the truth of the gospel for their time."* (1992 Book of Discipline, Para. 68)

WHEREAS, *"Faced with diverse interpretations of the apostolic message, leaders of the early church sought to specify the core of Christian belief to ensure the soundness of Christian teaching."* (1992 Book of Discipline, Para. 65)

WHEREAS, The United Methodist Church also has sought to specify the core of Christian belief in order to ensure soundness of its teaching. This has been set forth in its Doctrinal Standards. *"The Constitution of the United Methodist Church, in its Restrictive Rules , protects both the Articles of Religion and the Confession of Faith as doctrinal standards that shall not be revoked, altered, or changed."* (1992 Book of Discipline, Para. 66)

WHEREAS, *"The United Methodist Church stands continually in need of doctrinal reinvigoration for the sake of authentic renewal, fruitful evangelism, and ecumenical dialogue. In this light, the recovery and updating of our distinctive heritage--catholic, evangelical, and reformed--is essential."* (1992 Book of Discipline, Para. 66)

WHEREAS, Today we are witnessing within our society and church a crisis of belief due to the promotion of ideologies that are not rooted in Scripture and thus "strike at the root of Christianity." (*John Wesley*)

WHEREAS, *"The task for defining the scope of our Wesleyan tradition in the context of the contemporary world includes much more than formally reaffirming or redefining standards of doctrine, although these tasks may also be involved.* ***The heart of our task is to reclaim and renew the distinctive doctrinal heritage, which rightly belongs to our common heritage as Christians, for the life and mission of the whole Church today."*** (1992 Book of Discipline)

WHEREAS, *"This task calls for the repossession of our traditions as well as the promotion of theological inquiry both within the denomination and in our ecumenical efforts. All are invited to share in this endeavor to stimulate an active interest in doctrinal understanding in order to claim our legacy and to shape that legacy for the Church we aspire to be."* (1992 Book of Discipline, Para. 68)

THEREFORE, BE IT RESOLVED, that the Little Rock Conference of the United Methodist Church calls all of its Laity and Clergy, within their congregations, boards, divisions, agencies, seminaries, and conferences, to do all within their power to study, examine, teach and affirm, both individually and corporately, our Doctrinal Standards (*being The Articles of Religion of the United Methodist Church, The Confession of Faith, The Standard Sermons of Wesley, and The Explanatory Notes Upon the New Testament--along with The General Rules--1992 Book of Discipline, paras. 67*) using the entire upcoming Quadrennial so as to

enter the Twenty-first Century with a clear and Scripturally sound view of how to fulfill the purpose of the Church (*1992 Book of Discipline, Preamble of the Constitution & Para. 201).*

Members of the Annual Conference participate in debate regarding resolutions.

RESOLUTION TO EMORY UNIVERSITY

WHEREAS, the Scriptures condemn the practice of homosexuality.

VII. REPORTS

A. STATE OF THE CHURCH ADDRESSES
EPISCOPAL ADDRESS

I. PERSONAL

Today's "State of the Church" will be a bit different, for I would like to reflect briefly on the past twelve years. I want to try to give an account of Julia's and my stewardship, and I want to express as profoundly as I can, our deepest appreciation to you - to all the pastors and all the laity who make the United Methodist Church in Arkansas such a powerful force for good. Let me say a hearty "Thank You" to all of you and to all of the people you represent, for your constant encouragement to us, your faithfulness to the Gospel, and your steadfast service to Christ and to the Church. We have been privileged to be part of a great team.

These last twelve years represent a huge slice of our lives. From a personal point of view, we have made some of the deepest friendships in our lives, we have been involved in the life of the church at the grass roots and at the highest administrative levels, and we have had a simply marvelous time doing it. We have been blessed with good health. I doubt if I have missed over a dozen days because of sickness or injury. We were able to enrich our lives spiritually through service, prayer and travel. We cared for Julia's mother first in Texarkana and then in Little Rock until her death. Though living at a distance from our children and grandchildren, we were able to maintain a warm and wonderful relationship with them all. Our home in Arkansas has been pleasant; our travel to the churches, like a celebration every Sunday; our relationships, a deep and wonderful joy. We will look back on this chapter of our lives with absolute satisfaction and pleasure.

II. THE CHURCHES OF ARKANSAS

A. Twelve years ago, Arkansas Methodism, like most of the United Methodist Church in the United States was in significant decline in membership. I threw my energies into the fray, stirring up the dust in the Council of Bishops, heading the Church Membership Committee of the Council of Bishops, writing And Are We Yet Alive? and Signs and Wonders and challenging Arkansas to do the things that would reverse the serious decline. In Arkansas, we made slow but steady progress by starting new congregations, encouraging new ministries for children and youth, stressing growth in the Sunday School, relocating a few churches, using the Five Star Plan, Vision 2000 and other efforts to motivate and inspire congregations. Now, even though, our rural areas are losing population and even though we have not yet learned how to go to the cities with adequate resources, we have slowed down the decline and some years show slight growth or stabilized worship attendance. We see improvement at the youth or children's level. We have started or relocated about 20 new congregations and that has made a tremendous difference. We still have reluctance particularly among the pastors to start new work and it is one of the most spiritually debilitating realities in our Church. But, I wish you could have been with me when I worshipped in Texarkana at Springhill congregation with 346 in worship. Go to Winfield Church in west Little Rock or Christ of the Hills in Hot Springs Village to see what evangelism and new church growth really can mean. We are projecting a new church at Diamondhead on Lake Catherine this June, have purchased land in Chenal Valley,

Many of us are regaining a Wesleyan spirit of outreach and are learning again what it means to lead people to Christ and into the fellowship of the Church. Many of our churches are exploring after school children's ministries, stronger youth programs, worship services at different times and under different styles. It is a time of great change. Some of our churches are feeling the winds of the Spirit and are exploring together, especially through a Joel or visioning committee, ways in which the laity and the pastors can reach the unchurched.

The way for a denomination to grow is to start new congregations. The way for a congregation to grow is to begin new classes and new ministries.

B. Upon arrival in Arkansas the laity pleaded with me to have longer pastorates. They said that the system of moving pastors quickly, giving them promotions and raises, but tearing up congregations after two or three years, was weakening the Church rather than strengthening it. People today are so troubled in their own personal lives; they need stability. Many people are mobile; many pastors need to stay put. So, we have worked diligently at this task. It has been hard for preachers to understand because often a pastor is moved to a much larger situation bypassing a good number of pastors enabling them to stay where they are. But it has been good for the Church. And, frankly, it has given more stability to the pastor's family life. We have a wonderful cross-section of ages in Arkansas so that we will not "hit the wall" with a crisis caused by a host of pastors retiring. The change will be gradual and appropriate. The pastoral demographics look pretty good. Thank God for lay persons in mid years who are being called into ministry - some as tent makers like St Paul and some as full time local pastors.

We have now women in leadership capacities and women in ministry in all levels of the church. Hardly a single parish reacts negatively when a woman is being appointed there, almost never once they know her personally. This has been a revolution that has occurred without much of a problem over the past decade.

In the years ahead as you will continue to work carefully in consultation with pastors and their families - often with jobs that are needed by spouses or education of children and in consultation with the local church, it is very important that the bishops and superintendents - in fact the whole church - avoid the extremes of a lay committee demanding a particularly person or on the other hand a pastor who loses sight of his or her commitment to the Gospel and places inordinate demands upon the appointive process.

III. LET ME TALK ABOUT INSTITUTIONS

Many people do not seem to realize how much of a bishop's time is spent working with the institutions of the Church.. I estimate that 30% to 40% of my energies are devoted to institutional life and I am thrilled at what has happened over the past several years:

1. Hendrix College is not only one of America's great liberal arts colleges, but is now more closely related to the Church. The selection of Dr. Ann Die who is now President of the Private Colleges of America organization and the appointment of Rock Jones as chaplain with Wayne Clark as his assistant and the selection of Ellis Arnold as Vice-President of Development has caused good will in every single aspect of the Church's life. With the tremendous financial support that has been received and will be received, Hendrix College has a brilliant future. A wonderful working relationship exists between church and college.

2. Philander Smith College with the selection of Dr. Myer Titus who is President of the Independent Black Colleges of America has taken Philander to its greatest moment of achievement. With nearly a thousand students, magnificent new buildings, a strong Board of Trustees, a growing endowment, a heightened visibility, Philander Smith is ready to serve the 21st Century.

3. The Wesley Foundations have made great strides. The buildings have been renovated in most of the universities. We have solid Wesley Foundations at each of the four year universities of Arkansas with highly qualified directors. Hundreds of students are involved. Many of our future ministers are coming out of the Wesley Foundations.

4. Under Jim Argue's leadership the Foundation is guardian and steward of over $24 million to serve the Church in countless ways. The greatest service in recent months has been the willingness of the Foundation to give loans to local churches. This has amounted to savings in the hundreds of thousands of dollars to local congregations. Almost every cause of the Church is being undergirded by the Foundation.

5. The Children's Home has gone through a tremendous change, decentralizing into seven diversified homes ranging from Magnolia to Springdale. It is accredited to do the finest therapy work for young people in the state of Arkansas. It stands on the brink of enabling foster care, teaching parenting workshops and being a referral center for many troubled teenagers.

6. Aldersgate went through a financial crisis and thanks to the loyalty of the state and to new energized leadership it is able to do its ministry on an even keel financially. Aldersgate has a unique ministry to the sick, the injured, the physically handicapped, the elderly - there is nothing like it.

7. SMU went through a total crisis of break down of integrity with the death penalty in football. Under the College of Bishops, SMU totally reorganized its constitution and by-laws, rebuilt its Board of Directors and regained its stature as one of America's great universities.

8. Perkins School of Theology has opened a campus in Houston, and has developed a more flexible schedule permitting student pastorates in Arkansas. It is more in touch with the Church than it has been in a long time.

9. Mt Sequoyah is unusually important to Arkansas whereas 20 years ago, the bishops were afraid we might lose it, now, it is used 11 months of the year and most of the time at full capacity. It not only serves the Jurisdiction but serves the western part of Arkansas and the North Arkansas Conference as well.

10. We visited Camp Tanako last week. We saw again the six splendid lodges that replaced post World War II buildings, and inspected the marvelous multi-purpose Horace Cabe Center that will be available for use this summer. The number of young people participating in Camp Tanako has doubled over the past few years.

11. The Florence Crittenton Home is very important. Started by Methodists at the turn of the century, we have brought it under the umbrella of the ministries of the church without formally taking it out of its independent, not-for-profit status. More and more United Methodist people, particularly the United Methodist Women, are helping strengthen Florence Crittenton.

IV. SPIRITUAL ISSUES

The spiritual power now is shifting away from the structures of the Church and into the independent grass roots movements. There is even some anger in the churches that we as leaders are not fully appreciative of this fact. Our councils and our boards are not seen as making a difference. Movements are. For example, we now have over six thousand people in the Emmaus community and it is a growing movement. Volunteers in Mission is simply exploding and we are wisely giving it support from an organizational level, but it is basically lay-driven. Disciple Bible Study is quasi-official with its spirit coming out of the Scriptures and its organization coming out of the Publishing House. But it is not driven by the boards and agencies or even by the councils of our Church. Such movements as "Promise Keepers" and ashrams and other spiritual life movements operate almost independently of our structures. That means that much of our work in councils and agencies is to help people network, and to provide some coordination and information. Our Conference helps in getting people linked into these vital movements. One of my greatest disappointments has been to see the failure of local churches to mother or sponsor new or fledgling congregations. They would be spawning new congregations and helping to pay for them. As it is, we are still having to work at the Annual Conference and District level to achieve funds and that is becoming more difficult. Even support for institutions (colleges, homes, hospitals), of which I am so proud, is being brought into question.

V. UNITY

As you know, I have worked with both Conferences doing as much collaboratively as possible. The most dramatic achievement was the two insurance committees developing a health insurance plan for Arkansas Methodism that is saving the Church hundreds of thousands of dollars. I am so proud of the level of cooperation: one newspaper; one foundation; one resource library; one Leadership school; one School of Church's mission; one office center with the Cokesbury store; one treasurer; one school for part-time local pastors; one teen crisis center; one VIM task force.

The need for one conference is now more critical than ever. With longer tenure by pastors, we have a smaller personnel pool to draw from - we desperately need the whole state to make good appointments. I am now meeting most of the time with the Combined Cabinet for the whole state. It is difficult to launch any statewide program because of structure, but the spirit of cooperation is high.

Fortunately, the study committee in working independently of the bishop's office, and will provide thoughtful study materials to the two conferences in the months ahead. Unity is urgently needed for your new bishop to provide maximum effectiveness. I think it will come in time.

VI. PERSONAL NOTES

Julia and I have had a strange and wonderful ministry thrust upon us that has been somewhat peripheral to our bishop's job. We have used all of our study leave and most of our vacation time to study and write. Disciple Bible Study, which started out to be a modest project to train local church lay leadership, has mushroomed into a world-wide Biblical/Spiritual renewal movement. We are ecstatic that Disciple III is now being completed and will be available this commemorating the 10th Anniversary of Disciple. Can you imagine how ecstatic we are to know that four hundred thousand students have participated in one of the Disciple studies.

In retirement we will live in Winfield, Kansas part of the time and in Lake Junaluska part of the time so we can be with our children and grandchildren and so that we can be involved in several forms of ministry.

We are looking forward to writing a fourth Disciple, the final one, that will focus on the wisdom literature in the Old Testament and on the Gospel of John and the Revelation in the New Testament. We will also continue to help with international development of Disciple, especially in Russia, Africa and the Pacific rim. What a challenge that will be for us.

We will also be working with Southwestern College, a liberal arts United Methodist college in Winfield, Kansas to develop a Discipleship Center giving scholarships to twelve students a year to be in a covenant group and working in churches. We will liaison with churches within a hundred miles to give resourcing ministries in music, Christian education, youth ministry and Bible study to them.

So, life moves on. We are grateful to be healthy and happy. I will be 66 on June 18, 1996 and with our oldest son Steve, his wife Beth and four grandchildren in Winfield, with our second son Paul with his wife Janelle and their two children in the ministry in Salina, Kansas, with Susan, our oldest daughter, and her husband, Reverend Rob Fuquay, serving at Long's Chapel at Lake Junaluska and their two babies and with Sarah director of Wesley Rankin Community Center in Dallas we feel that God has blessed us with more than we can comprehend and we are anticipating life with family and with ministry as full as we have energy to receive it.

The good news is that we will have to wander back and forth through Arkansas eating catfish and fried okra and visiting you from time to time and that will be a great joy.

Bishop Richard B. Wilke

LAITY ADDRESS

The good news is that the political games and agenda are over for four more years. Since the first General Conference in Baltimore in 1792, United Methodists have been sending representatives to make decisions that change the book that guides the ministry and process of our church. Even though in present times, many have come to see General Conference as a political arena, I want to suggest this 204 year old heritage of meeting together every four years is a way in which delegates and persons with differences of theology, opinion, style, and preference come together for the good of the church, the body of Christ.

As a Wesleyan family, we are white-English speaking churches, African American churches, Hispanic churches, Korean churches and many other cultural communities, yet we are one in Christ and one as a United Methodist Church. We shared our gifts and talents and strengths, our needs and weaknesses, we won some votes and we lost some votes. Sometimes we were happy, sometimes discouraged and most of the time exhausted. Yet under the familiar cross and flame symbol, under the theme, "In Essentials Unity, In Non-Essentials Liberty, In All Things Charity," and at the communion table together, we celebrated in love even when we strongly disagreed with one another.

Rather than talk of the things that divide us, I want to share that in the midst of this political arena, were signs of hope everywhere, signs that made me proud to say I am a United Methodist, a child of God, and even signs that assured me that our money has been well-spent. We have invested in making disciples and in saving souls for Jesus Christ. Signs popped up in the most unexpected places at the most unexpected times. It is my hope that I can convey to both clergy and laity that the church is still alive-and in many places as never before. Look with me for a few moments as we look beyond the debates, beyond the legislative work, beyond the votes, beyond our differences to the ties that bind us.

This General Conference was different. Always we were bound in prayer. Following morning worship services, the bishops asked that each day begin with five minutes of one-on-one conversation and prayer with the person seated beside you. We beseeched God to combine all our hopes into one. (And I thank David Wilson for his prayers as we were paired in prayer for nine days. He prayed me "up" on the days that I was "down," and even prayer me through a few tears. Thank you, David, there really is strength in prayer.)

The Bishops committed themselves to a 24 hour prayer vigil from the opening worship service on Tuesday, April 15, through the closing business session on Friday, April 26.

And we are grateful and thankful for your prayers, the prayers of the people back home. Many of you told us that you were praying for the General Conference and for us, and we appreciate and love you for that undergirding.

Our emotions surfaced as we paused in prayer to remember those lives touched by the Oklahoma City bombing on April 19, 1995. You must know that for many, the struggle continues as they go through healing, recovery, and rebuilding. We prayed for "things new and lasting, things better than before."

We were reminded that it is the 10th anniversary of the tragic Chernobyl nuclear power accident in the Ukraine. Russian observers attending General Conference told us of people still dying from the results of radiation especially in the countries of Ukraine, Belarus, and Russia. Again we prayed.

Delegates were moved by a personal word from North Alabama clergy delegate, Kelly Clem, and her husband the Rev. Dale Clem. They thanked the worldwide church for its immediate and direct assistance when the Goshen United Methodist Church was hit by a tornado during Palm Sunday services last year. Twenty persons lost their lives, including the Clems' four year old daughter. At the very time the Clems spoke, we were concerned and praying for the Ft. Smith and Van Buren communities. We were told that the Goshen community would send a team to North Arkansas; as Ft. Smith had been in Goshen just a year ago. Let me say a further word about Ft. Smith/Van Buren. The delegates at General Conference were distressed as we heard of the devastation in Arkansas. Denver

seemed so far away. But updates came quickly as the Bishop was kept informed, as Jane Dennis brought news through her press service, and Gladwin was involved at all times through the conference Disaster Relief Committee and through UMCOR, the organization under the General Board of Global Ministries, where 100% of every dollar goes to the cause for which it is given. Our apportionments fund the administrative cost of UMCOR. They were at the site of the tornado within hours.

Never before have I been so aware of our connectedness to one another through our mission and ministry, and through our prayers. Whether we prayed for families in Goshen, Ft. Smith, Oklahoma City, or Russia, nothing divided us as we bowed in prayer. We prayed without ceasing because in prayer there is a tie that binds.

Just as we worshiped and prayed as one church, we sang as one voice. As delegates arrived for worship on one Thursday morning, we were touched as we watched an listened to the Deaf and Sign choir of Christ United Methodist Church in Baltimore. With flowing and expressive motions, the choir signed the familiar words of "Standing in the Need of Prayer" and "The Lord's Prayer." In the silence of those songs, we were again touched and moved. We were equally moved by the Africa University choir, the McCurdy School choir, the choirs from Latvia, Estonia, and Indonesia. We sang together in many languages, but as one church, one voice, bound by our music. No issues divided us as we praised the Lord in song, because in song there is the tie that binds our hearts in Christian love.

It was exciting for me to learn that United Methodists joined with Habitat for Humanity to build a house in Denver while the General Conference was in session. More than 325 people, 155 of them United Methodists, came from nine states and eleven countries, to raise a 1200 square foot, three bedroom house in just two weeks. Workers from as far away as Kenya, India, and six countries in South America worked with our U.S. Teams. There is no greater sign that God is alive in our world and in our church than through our Volunteers in Mission. In the last four years, over one hundred three thousand people have participated in VIM events in 46 countries supported by over thirty-eight million eight hundred thousand dollars.

As we talk about the VIM program, I want to mention briefly my husband's work in Haiti. In March, he made his 15th trip to Haiti. Those of you who have kept up with the dental work done in Haiti will remember that the first few years were spent pulling teeth under a tree in a remote countryside. It is with joy that I report a modern dental clinic and dental lab have been completed in Pinion; as well as a hospital and, now Marvin's time is spent working with graduate Haitian dentists from the dental school in Port-a-Prince. Volunteers in Mission are helping the people help themselves--a vision and a dream come true. The tie that binds VIM's in their mission work is strong.

Africa University is another dream come true. Twenty-nine persons have graduated a bare six years since its beginning. The 1996 enrollment is 300 and there are five facilities in place. Africa University is truly the church alive.

The United Methodist Church is in places where we had scarcely ever been four years ago. The Russian Initiative has started new congregations as well as fostered medical, economic, educational, and industrial growth for the Russian people. I know that you join me in giving thanks for a tie that binds us to our Russian family.

This General Conference welcomed the largest delegation of Central Conference delegates than ever before. Some 130 delegates from countries outside the U.S. spoke nine different languages through some 48 interpreters. I believe these Christians are now disciples and strong witnesses for Christ because of our missionaries to their countries, missionaries like Helen Wilson. You see and hear first hand results of our response to "Go Ye Into All the World." They are Christians speaking with enthusiasm about what the Bible says, at every opportunity giving thanks, and they are eager to tell United Methodists about Methodism and Christianity in their countries. It is in an exchange of broken English or perhaps a touch that you feel or experience Christian love. I had such an experience with a person from Zaire during the conference and I know that it is Christian love that binds us together.

And so, now I am home-feeling a little like a favorite poster of a newly hatched chick, his funny chicken feet placed amidst broken pieces of the shell. The caption reads, "Now What Do I Do?" Now what do we do?

As I have moved across the conference in the past year, I have heard laity and clergy alike be quick to criticize and to point out the church's shortcomings--and we do have shortcomings. Most of the criticism has to do with the institutional system and how we spend our money. That occupies a lot of our time and conversation when we are together.

We must stop measuring the church by its budget, its attendance and its membership. It is so much more than that. Stan Menkin says, "The church is part of God's plan for saving the world"...I really agree and like that; and it is exciting to think about being a part of that plan. Church is not limited to a building or the organization called church. God calls his fellowship of believers to be in service in the world every day. Simple deeds of love, simple words of hope, simple words to proclaim the good news are ways God calls us to church and to service. That is an important ministry and it is far reaching. Please keep reporting for duty.

Everyday exciting, new things are happening in the world and in the name of Christ Jesus whether it is in your neighborhood, or Colorado, or Zaire. Real church work happens outside the building, the institutional church, outside the General Conference. It's happening in the world as I speak.

The 1996 General Conference has spoken for us and now we live with those decisions until the year 2000 in Cleveland, Ohio when once again delegates go through a democratic process that binds us together as a church. I feel good about the decisions of this General Conference and the hope of the church. As we face a new quadrennium and a new century, the people of the Little Rock Conference can make a difference and I offer suggestions. We need to look at our possibilities not our problems. We must focus on opportunities and not obstacles. I ask you whether you are laity, clergy, Bishop, man or woman to do all you can to strengthen the ties that bind. I do not want you to be discouraged about the church. Spread the good news that Christ is alive and among us--and often in the most unexpected places. The people of God all through Biblical history have lived in the valleys and on the mountain tops. Help bring the people of God to the mountain top--especially in the Little Rock Conference.

I am asking you to read all the scriptures on unity and peacemaking. Be a part of bridge-building and a part of helping restore trust among us. Believers will not all come to the same conclusions on matters or issues, but we must agree to disagree in love. Let us be intentional about having dialogue with folks different among ourselves. Through honest exchange with those who think differently, we can grow. The Holy Spirit does not separate people.

I am asking you today to write a letter to an agency of our church, perhaps one that has not pleased you, and thank them specifically for what they have made happen in your behalf. For instance, write the Board of Higher Education and thank them for Africa University. Write the General Board of Global Ministries thanking them for the Russian Initiative. Thank the General Council on Finance and Administration for their efforts to hold the line on apportionments. Write them as an administrative board or as individuals. If you do not know what they have done or have not heard me today, will you call me? My hope would be that the Little Rock Conference would initiate bridge-building between the general agencies and the local churches.

Volunteer to become a volunteer-a volunteer in mission that is. You will never ever be the same. Whether you build a house in Denver, replace a church roof in Johnsville, drill a well or pull teeth in Haiti, or bake cookies for the workers, you will never ever be the same. Ask a Volunteer in Mission. They are all over our conferences – lots in the Camden district. Look all around you, find someone in need, help somebody today. At the end of the day, with the VIM team kneel together in prayer, worship together, break bread together as one. You will never be as before.

And, then, if you do all these things and find yourself still discouraged with the church or insist on staying discouraged, will you remember that Martin Luther, when he became discouraged said, Remember Your Baptism:....If you have not studied the newly adopted Baptism Statement, please take time to do so, and then I suggest that you reaffirm your baptism and church vows as a church at an appropriate time. Think about your promise of prayers, presence, gifts, and service. Remember that God has not broken covenant, and I am only asking that you reexamine and strengthen yours. I

want to assure you again that the results of your prayers, presence, gifts, and service are visible and bear fruit all around the world.

Set your personal goal to be a better partner with God. Let the church's goal continue to be to equip people to live in this world as God's partners. God gave us a mission and equipped us to fulfill that mission. The signs of hope are everywhere--in the most unexpected places--even in the midst of the political arena.

Please help keep hope alive. The ties that bind are strong. Nothing is impossible if we use those ties that bind us. We are bound together by our name, the United Methodist Church, our heritage, our blend of personal and social piety, our symbol, our sacrament of communion, by our mission, our evangelism, our outreach, our structure, our love, our songs, our prayers, but most of all we are bound together by the Holy Spirit.

B. CONFERENCE COUNCIL ON MINISTRIES REPORTS

SERVANT MINISTRY IN THE CHAOS

Little Rock Annual Conference Priority

Early Methodism had a **vision** and a **strategy** for the future. "To reform the continent and spread scriptural holiness." Those first pioneering Methodists went out where the people were going. Today 61% of the membership in The United Methodist Church is above the age of 55. Our congregations have lost an average of three members per church, per year, for the past 37 years! In a time when we need to be doing ministry in the chaos, we have lost God's vision for our church.

The good news, though, is that **renewed vision** often comes in the darkest times. If adopted as the Little Rock Annual Conference priority, "**Servant Ministry in the Chaos,**" will provide a **vision** and a **strategy** for an exciting new future. This will be done by developing both lay and clergy leadership to meet the hungers of our changing society.

The framework of this four year priority is based on the Biblical account of Jesus feeding the five thousand from John, chapter 6.

Taking the Bread

Focus: Understanding the world we live in today.

Results: Ministry appropriate to a new cultural context. (Example: Methodism has always been focused primarily on rural areas. Today 3/4 of the people live in cities.)

Possible Components: District level leadership conferences/retreats with outstanding leaders like **Lovett Weems** or **Barna** who can help us interpret the world we live in today and develop strategies for the future (the future is here!). Local churches might send teams of pastors and new leaders to these retreats to vision and strategize for their own congregations. Thus, this priority would encourage congregations to do indigenous ministries.

Blessing the Bread

Focus: Remembering our roots

Result: Spiritual leadership, authentic leadership, leaders with inward authority

Possible Components: This component might also be developed through the above mentioned retreats. Remember! The early church grew through the strong commitment and leadership of the laity! By examining Biblical models of leadership and developing the spiritual lives of our clergy and lay ministers, we will be blessed even as we seek to share God's blessings with others.

Breaking the Bread

Focus: Building skills for dynamic ministry

Result: Ability to lead change and guide renewal

Possible Components: Provide an arena to empower United Methodists to move forward in faith and service, arenas such as VIM opportunities, Russia Initiative, ministries to various growing ethnic groups, AIDS ministries, prison ministries, in other words, returning to our United Methodist passion for reaching out to those who are in need (the largest housing growth in the last decade has been in (1) prisons and (2) mobile home parks.)

Giving and Gathering Up

Focus: Celebrating the abundance (as we give, we also receive)

Result: A renewed spirit within The United Methodist Church

Components: Celebrating God's gifts by using measurable goals: new congregations, revitalized congregations, VIM tams, development of UM congregations in Russia, RAIN care teams, etc. CELEBRATE AT ANNUAL CONFERENCE AND IN OUR LOCAL CHURCHES!

AREA COMMUNICATIONS

The Area Committee on Communications consists of the joint Committees on Communications of the two Annual Conferences. The Arkansas Area Communications program covers three main areas;

1. Arkansas United Methodist Newspaper
2. Arkansas Area Media Center
3. Arkansas Area Production Center

Arkansas Area Media Center:

The Area Media Center maintains a collection of videotapes, audio tapes, films, filmstrips, slides and other audio/visual materials and equipment. These resources are available to all United Methodists in Arkansas. There is a wide variety of topics to choose from; children, youth, missions, church history, Christmas, Easter, confirmation, family issues, special programs of the church (local, state, and national), and many more.

Your local church is encouraged to use these resources for adult Sunday school classes, children's Sunday school classes, UMW circles, youth programs, Administrative Board meetings, Confirmation classes, and any other opportunities you may find. A Media Center catalog is available upon request. Newly acquired resources are highlighted monthly in the *Arkansas United Methodist.*

The rental fee for each resource title is $2 if picked up at the office, and $3 if they have to be mailed. The Media Center is located at the United Methodist Center, 715 Center Street in Little Rock. The office hours are 8:30 a.m.-12:00 noon Monday through Friday. You may leave a request for resources on voice mail 24 hours a day. For more information call the Media Center Librarian, Gloria Caldwell, at (501) 324-8011.

Arkansas Area Production Center:

The Area Production Center, an in-house facility, produces quality printed materials needed to accomplish adopted Council on Ministries programs of the Arkansas Area. The Production Center has proved to be an integral and economical production tool to United Methodist programs.

The Center is entering a new phase of production capabilities. We are acquiring a new system for duplicating materials which will greatly improve the quality and productivity of the production center. Because of the increased productivity, we can better serve the needs of your local church. If your church has a special printing need, please call the Area Production Center to check our rates and availability.

We recently compared the rates of the Area Production Center to other popular printing businesses. We found our cost to the conference and local churches to be 30-60% below what is charged by all other discount and full service printers.

Located in the United Methodist Church Center in Little Rock, the Production Center is available for typesetting and layout, printing, bindery work, and distribution. Contact the Area Production Center Supervisor, Laura Organ, at (501) 324-8006 for more details.

Arkansas United Methodist

In 1996, the *Arkansas United Methodist* continues to serve the church through its ministry of communication and information, just as it has for well over a century. This familiar and friendly publication goes out to 11,500 homes and churches twice a month, providing a glimpse into what The United Methodist Church and its people are all about - in Arkansas and beyond our state's borders.

The *Arkansas United Methodist* relates information about local churches, districts and conferences; about people in the know, places in the news and happenings you don't want to miss; about success stories, celebrations and goals for the future; about where we're going, where we are now, and where we've been. In short, the pages of the *Arkansas United Methodist* are a great place to learn and share and "get connected"to others across our great connectional church. It represents a ministry of information with no other equal in United Methodism across the conference.

How does all this happen? First of all, through their apportionment support, local churches invest in this ministry and make it possible to produce the *Arkansas United Methodist's* 3.3 million pages of newsprint each year. This support is the backbone of the *Arkansas United Methodist's* ability to reach out across the conference and connect people with vital news, views and information that can subsequently help them strengthen their faith as individuals, build stronger local ministry, mission and outreach as a church, and take the word of Jesus Christ to others in the community. And in return for this financial support, the *Arkansas United Methodist* gives each local church its proportionate share of 5,000 "free" or allocated copies that are distributed in the Little Rock Conference. [Likewise, 5,000 copies are also allocated to be distributed to local churches in the North Arkansas Conference.]

The newspaper's financial base is supplemented by advertising sales (representing approximately 11 percent of total revenue) and paid subscriptions (17 percent of total revenue).

In recent years, however, the cost of producing the *Arkansas United Methodist* has continued to rise steadily. The ever increasing cost for postage and printing has been dramatic. These two expenditures alone represent nearly 50 percent of the newspaper's yearly budget. The *Arkansas United Methodist's* two-person staff - Jane Dennis, editor, and Melissa Sanders, administrative assistant - continues to strive to operate the newspaper as efficiently as possible, examining everything from the cost of printer paper and typewriter ribbons to various ways of sorting and mailing the publication in order to get the lowest possible mail rate. Every effort is being made to produce a quality publication at the lowest possible cost to individuals and the church.

The *Arkansas United Methodist* is a time-honored tradition in The United Methodist Church in Arkansas. But not only that, it is an important link in how United Methodists "connect" to one another and to others as they attempt to spread the Good News and minister to a world that needs and yearns for a caring community of faith. In short, the *Arkansas United Methodist* is a worthy investment for United Methodists in Arkansas.

BOARD OF CHURCH & SOCIETY

Jesus was an advocate, and so was John Wesley. Advocacy means acting on your values, speaking out for yourself and others. Advocacy is a responsible way to support policies that are just and compassionate and to oppose policies that are not.

The Board of Church & Society is in the business of advocacy. As United Methodists, how privileged we are to follow Jesus and to draw upon the life of our founder, John Wesley, who had a very clear vision of "social holiness" and was committed to acts of justice.

The Board of Church & Society will continue to take an active role in public policy and educational issues. We will continue to publish an update distributed three times a year which details issues and programs for which Church & Society is responsible. The update will be distributed to all district and local Church & Society representatives.

Because of the continuing battle to stop the expansion of legalized gambling in Arkansas, the Board of Church & Society has chosen to suspend all planned programs and focus exclusively on anti-gambling efforts at this time.

United Methodists Against Gambling, an Area Task Force, is developing an extensive program directed toward defeating proposals to expand legalized gambling in Arkansas. There were two major thrusts to the program.

(a) To defeat the proposals on the ballot this year.

(b) To reduce the impact of gambling in Arkansas.

A decision was made to concentrate our efforts through our own connectional system, but where appropriate to cooperate with the ecumenical Christian Civic Action Committee in its lobbying and publicity efforts.

Six proposed constitutional amendments to expand gamblinghave received ballot title approval. Supporters of the proposed amendments are circulating petitions in an attempt to get their plans on the November ballot. The United Methodists Against Gambling task force is encouraging people **not** to sign the petitions.

The Board of Church & Society maintains relationships with the **Regional AIDS Interfaith Network (RAIN), Arkansas Interfaith Council**, and the **Arkansas Religious Labor Coalition on Workplace Fairness and Rights**.

Board of Church & Society

BOARD OF GLOBAL MINISTRIES

For the past two years the Board of Global Ministries has worked diligently with the Quadrennial Task Force to bring the United Methodists of Arkansas a Global Gathering. March 8 and 9 of this year "Arkansas Goes Global" brought the mission story of the church through workshops, music, a global village and worship. Approximately 800 United Methodists attended the two-day event. The presentation was a successful learning and sharing experience. The church should grow in mission as those in attendance went out planting new seeds in local churches. The Board of Global Ministries is grateful for the many who assumed responsibilities in "Arkansas Goes Global."

The churches in the conference continue to move forward in Covenant Relationships. We now have over fifty (50) churches in this mission program.

The Volunteers in Mission (VIM) program continues to expand. Each district now has a coordinator and the Arkansas United Methodist lists current opportunities to be in mission.

The board continues to be available for programs on the mission of the church. As we are called to go forth and serve, the Board of Global Ministries encourages each congregation to support VIM, UMCOR, the Ingathering, and the Advance Specials; to become a Covenant Relationship church and to seek ways to be in mission in your community.

BOARD OF EDUCATION

The Conference Board of Education claims as its tasks and goals the enhancement of Christian education in the churches of the Little Rock Conference. More and more we are describing our work in the total picture of discipleship. Christian education is an important part of the process of leading persons to a commitment to follow Christ as disciples as well as growing in their discipleship, and in witness to reach out to others.

As a Board we seek to claim those places where Christian education is happening. In local churches across our Conference, Christian education is happening in Sunday school, children's choirs, after school programs, and UMW circles, just to name a few. Many churches are involved in quality systematic Bible studies like Disciple. We seek to provide resources and training and new ideas to leaders in these significant educational ministries.

Under the umbrella of the Board of Education are a number of coordinators and sub-committees. Several of these coordinators for children, youth, young adults, adults, older adults and singles have separate reports, which contain more specific reports of their important work. We also have three sub-committees which plan specific events and training. The Coordinating Committee on Camping has a separate report which outlines the camping programs including a number of new camps and retreats. Our task force on human sexuality provides training for children and youth and their parents about human sexuality. This group also trains and certifies leaders in this area. This program offers a way for children, youth and their parents to learn about the role of human sexuality in Christian living through a value-centered approach, which is consistent with the beliefs of the United Methodist Church.

Last spring we held a one-day training event for summer youth directors. We plan for this to become an annual event planned in conjunction with the Conference Council on Youth Ministry.

We are extremely excited about two new things. Cokesbury has now put in place a plan to have a Cokesbury Action team member in each district who can come to a local church or group of churches to share the full line of outstanding resources from Cokesbury. John Shafer is our Conference coordinator of this service. We are grateful for Cokesbury for providing this outstanding resource for local churches.

As the Horace Cabe Center at Camp Tanako is completed, our Board recognizes we have a tremendous new place where outstanding camps, events and retreats can happen. We believe this will be place where some outstanding experiences can happen in the lives of children, youth, and adults.

Finally we remind you that Christian Education Sunday is September 8, 1996. This is a great time to celebrate Christian education and to recognize leader sin your congregation regularly involved in Christian education.

We recommend that a Christian Education Day offering be received in our Conference on September 8, 1996 and September 14, 1997. All proceeds from this offering will be used to assist in funding Christian education training in our conference.

Our greatest challenges as a Board will be to continue helping discover effective areas for meaningful Christian education to happen in our changing world. The challenges are many, but the message of Christ is eternal and true. We seek to be open to the Spirit as we are led to discover new dreams and visions of our future.

CELEBRATING YOUTH '95

Celebrating Youth '95 was a tremendous success!!!

YES! There were over 1,300 youth and adults in attendance!

YES! A number of youth made professions of faith at the event!

YES! Several youth groups reported youth choosing to follow Christ in ways that had not been witnessed before!

YES! Teen Crisis Ministry's's visibility was increased. Numbers of youth counselors reported that they were not aware of all the various programs offered through the United Methodist Church and Teen Crisis Ministry.

YES! Numerous youth groups have inquired when the next Celebrating Youth event will occur!

YES! Youth across Arkansas were revived to serve God in their communities, churches, schools, and homes!

YES! The speakers, the musicians, the Bishop, and the emcees, were inspirational!

YES! October 28, 1995 was a day for Rejoicing! It is a day and an event to remember: Methodist Youth knew and felt they were affirmed and loved by their Church.

YES! Celebrating Youth was a joint effort of the United Methodist Women, United Methodist Men, United Methodist Youth, Little Rock Annual Conference, North Arkansas Conference, and the Arkansas Area Teen Crisis Ministry. It was well planned and many people gave countless hours to insure its success. I stand confident though, that it was not the extra ordinary efforts that made the event Celebrating Youth '95 the tremendous success it was. I KNOW in a way that I have never known or experienced before that the success and the way the event flowed smoothly was due to one ingredient and ONE ONLY: PRAYER.

There were four of us who committed to pray for the event every day beginning last February. Oh, yes, we had prayed for the event at meetings and some of us had it on our prayer list for a year before that, but, we realized last year that we were being called to pray for the event, the youth, the speakers, the musicians, the Bishop, the emcees, and all who would be affected by the event. It was prayer and God's blessing that made Celebrating Youth unforgettable for me and those who volunteered that day.

I want to encourage all committees and all those entrusted with the work of our Church to pray and pray diligently. We, as God's People, must take seriously Jesus' admonition to PRAY. We need committed prayer warriors for all of our events and all of our camps. We must place God's work in God's hands. We must pray for God's will to be done and to use the events we plan as the vessels for His will.

Sandy Smith, Co-Chair,
Arkansas Area Teen Crisis Task Force

OLDER ADULT COUNCIL

In response to our survey completed in 1995 the Older Adult Council continues its role as a "Clearinghouse" for information and resources related to older adult ministries.

Excellent new brochures for Older Adult Ministries, featuring our attractive new logo, "God's Gift of Long Life," are available free from the Conference office or from me. These contain resource information as well as valuable ideas for ministry.

The new manual by Richard Gentzler, Jr. "Designing a Ministry By, With, and For Older Adults" is a very useful resource and may be purchased at the Cokesbury Bookstore, Little Rock, or ordered from Discipleship Resources (800) 685-4370.

The Older Adult Council plans to have a column in the Arkansas United Methodist from time to time with news of our activities and articles sharing resources and suggestions for older adult groups in the local church, highlighting local groups that are enjoying successful ministries.

Carolyn Elias
Coordinator, Older Adult Ministries

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

Higher Education and Campus Ministry continues to be a focal point for the Little Rock Annual Conference. We recognize that campus ministry may serve as a conduit for the identification of future leadership within the United Methodist Church. It is also a valuable resource to students as they are making a major transition in life. Our campus ministry provides a familiar and safe environment for those wishing to maintain their church connections within the college setting. With changing values on campuses and political and personal attitudes of today's college students, it is imperative that Higher Education and Campus Ministry is strategically positioned to impact spiritual development. The committee encourages the support of all programs and funding items associated with the growth and development of this important outreach ministry.

BHECM recommends an apportionment of $200,083.00 for Hendrix College in 1997. This amount represents a 5% increase over the 1996 funding.

BHECM recommends an apportionment of $255,528.00 for the five Wesley Foundations in 1997. This amount represents a 4% increase over the 1996 funding. The amount is divided equally between the following Wesley Foundations:

Henderson State University, Arkadelphia
Southern Arkansas University, Magnolia
University of Arkansas at Little Rock
University of Arkansas at Monticello
University of Arkansas at Pine Bluff.

BHECM recommends an apportionment of $61,000.00 for Philander Smith College in 1997. This amount represents a 25% increase over the amount allocated in 1996.

BHECM recommends that the full apportionment requested by the Black College Fund (United Methodist Related Colleges) be apportioned to our churches for 1997.

BHECM recommends that the full apportionment requested by the Ministerial Education Fund be apportioned to our churches for 1997.

BHECM encourages support of the United Methodist Student Day offering. Ten percent of the total received is returned to us for use as a United Methodist Merit Scholarship. The standard for this scholarship is $500.00. Since we did not receive enough since 1992 to offer that scholarship, we have placed those funds in escrow until enough is accumulated to offer at least one $500.00 Merit Scholarship from United Methodist Student Day funding.

BHECM assists in awarding one $1,000.00 scholarship to a student attending a United Methodist-related college or seminary. Funding comes through the United Methodist Foundation Conference Scholarship Program. This scholarship is awarded during the spring months through the Conference BHECM. The recipient of this award is Michelle Smith, a pre-med major at Dillard University.

BHECM is continuing to explore possibilities of utilizing our network of persons and facilities to strengthen our local congregations through a program designed to train and certify Summer Youth Workers. We are committing 1997 program funding to Student Development Through Leadership Training events. A training workshop on program evaluation will be conducted for Board

members on October 5, 1996. Jim Noseworthy, from the Division of Higher Education, General Board of Higher Education and Ministry, will serve as the consultant.

COMMISSION ON RELIGION AND RACE

As I prepare to step down as chairperson of this commission I shall take this time to reflect on my tenure in this position. I can think of few things in my many years of church work that proved more rewarding than the work I have been involved with on the Commission on Religion and Race. I have made many friends, met and came into contact with people whom I feel I would never have gotten to know otherwise. I feel most people were receptive to my ideas and suggestions. I always, with few exceptions, received help when I requested it. Bishop Wilke and the Cabinet were most helpful in assisting me in efforts to collect data when it was requested. They were also instrumental in helping to make the workshops on racism successful. I want to say "you were wonderful and I thank you."

This conference year, the work of CCORR has consisted mostly of monitoring. I have tried to keep up with events in the six district of the Little Rock Conference through the newsletters. I am pleased to report that there continues to be efforts in most of the six districts to have interracial events. Even though I had nothing to do with it, the cover for last year's conference Journal with the diversity of people made my heart sing. One of my greatest wishes is that we continue in this ministry of reconciliation until we have a truly inclusive church. I would suggest that one way to accomplish this goals is to make the Conference Inclusive Plan a reality.

In the future, I hope the district CORR's will have regular monthly meetings and help the Conference CORR become more effective and give it greater focus on the work to be done.

COMMITTEE ON ETHNIC LOCAL CHURCH CONCERNS

As each of you know the ELCC Committee's comprehensive plan included in its five year goals, the development of two new churches in areas of high ethnic concentration in Southeast Arkansas. To this end, the ELCC Committee has initiated an inclusive task force to investigate, strategize and make recommendations appropriate to their findings. This task force will interface with the Conference Committee on Church Development, which has the overriding responsibility and authority to make conference financial recommendations for new church development. In the meantime, the task force will consider a youth ministry in chosen districts as a preliminary approach to a church ministry. Seed money will be provided for the youth ministries once they are in place.

The district superintendents (Camden, Monticello) have received our interest and each has developed task forces to aid in demographic studies. Each has been awarded funds to support his effort. In addition, they have offered other constructive ideas and potential resources.

The board of education at the request of the ELCC Committee, has awarded five book scholarships to deserving students. One church was awarded funds for preventive maintenance and another for program administration.

I take great pride in making this report. This committee is a very resourceful, cooperative and dedicated group of men and women. The leadership provided by the Council Director is outstanding.

James R. Bell, Chairperson

ETHNIC LOCAL CHURCH SITE TASK FORCE

The Ethnic Local Church Site Task Force has met twice since its formation. The purpose of this committee is to establish foundations for the development of two ethnic churches in southern Arkansas. Two officers were elected: C. E. McAdoo- vice chairperson and F. Gladwin Connell, secretary.

Bob Orr summed up the focus of our work in these words. "The picture we want to paint is ministry. The frame that holds the picture is the United Methodist Church." The Camden and Monticello Districts, under the supervision of the district superintendents were to form task forces to survey their districts and look for persons with talent, gifts and commitment to the development of new churches. It was agreed that leadership cultivated in local areas would be beneficial for this project.

The ELC gave Camden and Monticello Districts $1,000 from the Comprehensive Plan fund to be used in work to be done to develop plans and projects to help in the foundational development of these new churches.

At our second meeting, Fred Arnold reported that he had his task force in place and was scheduled to meet the following week. Mt. Moriah UMC is interested in sponsoring the new church. One of its members is preparing to enter the ministry and maybe the local talent that will prove to be useful in this endeavor.

In the Monticello District, Bob Orr reported that his task force has already met, but has no ethnic representation. He reported that the Dermott Ministerial Alliance recently organized an interracial alliance and they have a youth ministry developing that is growing. Maybe for now, there is more value in ministry than in establishing a church. However, we will continue to think in terms of establishing an ethnic church in this area in the future. There is a possibility it will be for the Spanish speaking population.

It was decided that it was too early to set a time line but that we will study the two resources presented on "New Church Development and Site Selection" and "A Missional Strategy for Black New Church Development." A third meeting is scheduled for March 26, 1996 at First UMC, McGehee.

Arkadelphia	Sam Hocutt
Camden	George Corbett

Approximately every four days, the United Methodist Committee on Relief responds to a disaster. We are to assist people displaced by disaster by setting up an immediate ministry to ease the pain of those suffering physically, emotionally and spiritually. The UMC is represented in almost every county/parish in the United States. Therefore, we are there before, during, and after the disaster.

We have a unique ministry. The witness of Christian love and concern of the Church can reassure victims of the love and grace of God at the very time when love is both questioned and needed more than ever.

What is a Disaster?

"A disaster is an occurrence such as a hurricane, tornado, storm, flood water, wind driven water, tidal wave, earthquake, volcanic eruption, drought, blizzard, pestilence, famine, fire, explosion, building collapse, transportation accident (including hazardous materials) or other situations that causes human suffering or creates human need that the victim cannot alleviate without assistance." The American Red Cross definition broadens our understanding of disaster.

This past year, disasters of many types have occurred all over the world. And the United States has suffered one of the worst years ever recorded for disaster.

On April 19, 1995, a day never to be forgotten, the most horrendous act of terrorism ever committed on American soil occurred with the bombing of the Federal Building in Oklahoma City, Oklahoma. There were 169 people killed, many of whom were children. Life will never be the same for those involved. We watched television with disbelief and were unable to grasp the horror of this dastardly act of terrorism.

Numerous Caribbean islands were hit hard by four hurricanes; some of the islands suffered 80 to 95 percent destruction. The Bishops' appeal for "Victims of Hurricanes - Caribbean '95" and Hurricane Opal in October '95 were followed by the Bishops' appeal for "Winter Storms '96." With the blizzards, thaws, floods, and rain, ten conferences suffered the ravages of winter int he eastern U.S. More winter storms and flooding hit the west coast.

UMCOR held a training session at Sager Brown Center in Baldwin, Louisiana on October 4 through 8. The Conference coordinators for Disaster Response for all the conferences were invited; about seventy attended. UMCOR's staff and the Catastrophic Response Team provided leadership for this intensive training that included eight workshops, plenary sessions, computer labs and the dedication of the new UMCOR 49,000 sq. ft. warehouse. This meeting was a first for international

and U.S. disaster response coordinators where they could meet together for training and network building.

In Arkansas, the Disaster Response Committee traveled to Memphis, Tennessee to learn the location and characteristics of seismic zones and how earthquakes are tracked. We plan to train and educate our state concerning these seismic zones because with the New Madrid fault running through our state, we must be prepared for an earthquake. We are very fortunate to have UMCOR's earthquake specialist, Wayne Jarvis, living in Arkansas. Wayne will lead our committee in earthquake training.

Funding is critical! The work of UMCOR becomes possible only as you make direct and personal gifts. Your gifts help activate a network throughout the world to aid those who suffer from the aftermath of disaster. When you are generous through "One Great Hour of Sharing" offerings, you are building up the financial resources of UMCOR. Please remember in your prayers those that suffer int he face of disaster and those who bring them aid.

Matthew 25:40 "I tell you the truth, whatever you did for the least of these brothers of mine you did for me."

Chairperson

VOLUNTEERS IN MISSION

This has been a year packed with excitement as we forge ahead with the building of infrastructure and networking to make Volunteers in Mission a productive part of the mission field within this body of God's Church.

Our first challenge was to bring the many fragmented parts of mission work into one view, with our purpose to find prayerfully, a focus within this whole scope, for Arkansas United Methodists to be a functional part of this ministry of serving others.

We have embarked on a journey that will not allow us to turn back to our old ways, and will make a definite impact on this Church body as more and more people experience the exhilaration and excitement that comes with exercising a Christian lifestyle.

This ministry has taken baby steps this year, only to find that giant accomplishments have been produced through the hard work and dedication of volunteers, young and old alike.

Many Arkansans attended the mission field and offered numerous hours of work to the Glory of God. These persons were offered as counselors, teachers, cooks, nurses, doctors, plumbers, electricians, painters, carpenters, roofers and just common laborers to perform a task, never to realize the full impact of their work after leaving that particular project, only knowing that their purpose was to deliver a blessing from God and help in making God's Grace real to all who will experience it.

Our first Team Leader Training Event was held at Dardanelle UMC on April 19 & 20, where we introduced our team leader training manual to 23 persons. The event was led by Larry Acton, Director of the Oklahoma VIM office. Other training events will be scheduled for those interested in learning ways to implement mission teams into action. We hope these training manuals will become a well used and resourceful tool in planning and implementing mission teams and projects. Our thanks are extended to the district superintendents that allowed mission grants for persons to attend this event from their respective districts.

We have a need for work teams at several projects: (1) Samaritan Center, Lewisville, Arkansas; (2) St. James UMC, Lonoke, Arkansas; (3) Oakley Chapel UMC, Rogers, Arkansas; (4) UALR Wesley Foundation, Little Rock, Arkansas.

Work is ongoing to find a way to financially support VIM without burdening our churches. Our first official donation was received this week from the UMW at First UMC, Malvern in the amount of $100.00. A special thanks to the UMW at Malvern First Church for this donation. If we

survive the swell of interests, and if we are to be successful, we must buy into this valuable and worthwhile project.

Many big thanks are due Bill Gregory and Bill Waddell for their leadership as Co-Chairs of the Area VIM Task Force Committee and to the other committee members that have a yearning in their heart to see VIM grown into a great instrument of God's Service to those bearing burdens.

There are no adequate words to express my thanks to those who are making this ministry successful by giving the best of your time, talents and gifts, especially your witness. By your work uniting with God's great purpose for each of our lives, you are transforming this VIM dream and vision into a spiritual relationship with our brothers and sisters in Christ, that will bear fruits beyond our efforts.

James Conn
Area Coordinator

John Holbert, professor at Perkins School of Theology, leads the Bible study prior to business sessions each morning.

The following revised and adopted goals reflect the Board's concern for participation of all age-levels in the work of the church:

   1. Recruiting effective lay leadership
      a. Representation of appropriate age-levels in the church

BOARD OF DIACONAL MINISTRY

PURPOSE

The purpose of the Conference Board of Diaconal Ministry is to resource the needs of the Conference relative to professional careers and to interpret Diaconal Ministry, to seek and enlist persons of all races and ethnic origins, to guide interested persons through the process of training, certification, and

consecration. The Board shall also assist in the personal and professional growth of certified and consecrated professionals in the church.

GOALS

The goals of the Board in the 1992-1996 quadrennium are to administer records and maintain standards, interpret Diaconal Ministry and the certification process, and to improve support systems for church professionals.

RECORDS AND STANDARDS

The Board reviews annually the professional activities and continuing education of each certified and consecrated person under our jurisdiction. A psychological evaluation and medical examination are required of all candidates for diaconal ministry.

INTERPRETATION AND RECRUITMENT

Inquirers were invited to our annual meeting on January 11. This year, those in process and interested candidates met with us for lunch and the sharing of new information concerning decisions and proposals coming to General Conference.

We are assisting in the renewal of a sixth year grant from the Board of Higher Education and Ministry. The grant, which is designed to strengthen ethnic ministries, funds a project by Josephine Bell at New Haven UMC.

SUPPORT SYSTEMS

At our annual meeting on January 11, the Board sponsored a meal prepared and hosted at Grace United Methodist Church in Little Rock. Afterwards, board member Linda Driver Ray reported on the Diaconal Ministry Convocation "Through Exploration to Celebration" held in Atlanta, Georgia on October 26-28, 1995. Information concerning the Bishops proposal to General Conference and its effect and change on present Diaconal Ministers and those in process was discussed. Approximately 25 were in attendance.

SCHOLARSHIP FUND

Scholarships for persons in certification and candidacy studies and for continuing education for diaconal ministers are available through the Vice Chair of the Board. Applicants may receive up to $300 a year, granted on the basis of need and availability of funds.

1. We recommend that the Little Rock Conference participate in the Ministerial Pension (MPP) and the Comprehensive Protection Plan (CPP) of the General Board of Pensions during 1997 on the following basis:
   a. Contribution base shall be limited to each minister's plan compensation not to exceed the denominational average compensation.
   b. Contribution rate shall be MPP, 12% of each minister's contribution base, and CPP, 4.4% of each minister's contribution base.

   j. Those on leave of absence may participate in CPP at the rate of 4.4%. The participant will pay the full 4.4%.

2. We recommend that in keeping with Par. 1606, Section 12.c) of the 1992 Discipline that the Sunday following Easter be observed as Retired Minister's Day. Each Pastor is urged to acquaint his or her congregation with the pension program of the Conference as part of the observation, and if possible to use a retired minister in the Worship Service.

Each case will be reviewed annually.

VIII. Apportionment Formula

LRC CFA OTHER RECOMMENDATIONS

I. Pastor's Utilities and Appurtenances: If no utility allowance is made, we recommend that the local churches designate a part of the compensation as parsonage utilities and appurtenances.

II. The travel allowance remain at $.20 per mile plus $.02 per mile for each additional person, to encourage car pooling.

III. Retired and disabled ministers be paid $40 per diem for days they attend Annual Conference.

IV. Pastors' moving expense be paid at the rate of $400 plus $.75 per mile. The mileage is to be paid from parsonage to parsonage, with one exception. When transferring from another conference, the rate will apply from parsonage to the Little Rock Conference boundary. The policies for application for Pastors' Moving Expenses Funds are listed in the 1982 JOURNAL, page 127, section 1211(F).

V. All unrestricted benevolence funds be placed in a central operating balance.

VI. Balances remaining in the Conference Benevolence Fund and the Conference Administration Fund at year end be transferred to the Reserve Fund.

VII. Any Conference employee who has, or who desires a tax sheltered annuity, may direct the Director of Finance and Management to pay his annuity from his regular income following proper guidelines.

VIII. Housing allowances (for persons receiving such funds) be set at the estimated actual expense as reported to the conference or local church. This information should be reported at the beginning of each calendar year. This will result in reallocation in funds paid to such persons and will not increase the total amount paid.

IX. Each board, commission, committee or agency not be allowed to change a line item in its approved budget which would exceed 10% of the amount without approval of the Council on Finance and Administration.

X. All agencies receiving conference funds shall submit their latest independent audits to the Conference Council on Finance and Administration.

XI. Wesley Foundations may solicit funds within their supporting districts after approval is given by the District Council on Ministries.

XII. Local church administrative boards consider paying all conference life and health insurance (DBP & HMEP) premiums directly (above salary) in order to provide tax savings for pastors and other church employees. If necessary or desirable, the salary may be reduced by the same amount. This policy must be consistently applied to all employees.

XIII. Participation by the conference in Area programs must not exceed 50% of the cost of that program, with the exceptions approved by the Council on Finance and Administration.

XIV. The management and investment of all the monies of/from all those boards and agencies which receive monies from the Conference or line item apportionments must be handled by the area treasurer's office.

XV. Any capital lease or purchase over $1500 must be approved by the Council on Finance and Administration prior to lease or purchase, even if that budget has been previously approved.

XVI. Permission be granted to the area treasurer to borrow funds (on a short-term basis) from the Arkansas Area account if Little Rock Conference funds are not sufficient to meet current needs. Both Council on Finance and Administration presidents must approve the loan before it is transacted. Interest on such loan will be paid at the current money market rate.

XVII. The Conference provide fidelity bonding insurance in compliance with Paragraph 715.1 of the 1992 Book of Discipline.

XVIII. The following be adopted, as a guide for the investment and care of all Conference Funds: The Area Treasurer is charged with the responsibility, for managing all Conference funds in a manner that will provide :

A. The maximum income from the investment of all funds, while simultaneously insuring
B. Adequate liquidity to meet the day-to-day operational needs of the Treasurer's Office and
C. The safety and soundness of all funds. To accomplish this, all funds should be
   (1) deposited in Arkansas institutions in a fully insured status on a short-term basis, generally ninety days, but up to six months with the approval of the Investment Committee or CFA, or
   (2) invested in direct U.S. Government obligations for terms up to six months, or
   (3) invested with the General Board of Pension of the United Methodist Church.

Longer term investments may be made from time to time, but these are generally discouraged, because of the uncertainty of the need for funds and the volatility of interest rates. The Area Treasurer is encouraged to consult with a majority of the Investment Committee or the CFA, when he is uncertain about an investment. This policy is intended to be flexible in its application, in order to meet rapidly changing economic conditions. While income is desirable, the primary emphasis should continue to be the maintenance of adequate funds and the avoidance of speculative investments.

This policy may be amended from time to time to meet changing conditions and to enhance the income of the Conference.

XIX. That the South Central Jurisdiction VOLUNTEERS IN MISSION be given authority to solicit "volunteer" contributions from individuals, districts, and the Annual Conference for the purpose of funding the administrative work of this program. That these contributions be kept as a line item in reporting to the Jurisdiction Council on Finance and Administration and that such be a part of the audit report of the jurisdictional budget.

All contributions to this fund must go directly to the Little Rock Conference Treasurer's Office.

XX. The Conference gives the Conference Council on Finance and Administration the authority to fund extraordinary needs relating to the life and ministry of the Annual Conference. These needs shall be funded from unrestricted funds and reserve funds. This authority shall not be used, nor is it intended, to replace or circumvent normal funding procedures of the Little Rock Annual Conference. Actions on such requests shall be reported to the next regular session the Annual Conference. (This recommendation is in reference to paragraph 709.6 of the 1992 Book of Discipline.

XXI. The Conference CFA recommends that Joe Eason be elected to the Office of Conference Treasurer for the 1997-2000 quadrennium.

XXII. We express our appreciation to Joe Eason and his staff, Todd Burris, Cheryl Beck,and Mary Lois Stanfield, for the excellent service they perform for the Conference.

Each congregation has a story to tell about its church that should be part of History 2000!

In the new history of Arkansas Methodism, History 2000, space is now planned for local church information. This means every active, abandoned or non-existent place where there was once a Methodist congregation, will be included if you will get the information to us! If you have done this before (or sent a history), do this form again!

SEND THE INFO TO VERNON PAYSINGER, 415 Fayrene, Batesville, 72501, ch. of research, History 2000.

1. Name of your church when it was organized.
2. A short statement about its organization.
3. When was the property deed first made? Trustees? Grantor? See trustees report or Clerk's office at County Seat, giving book, and page number and date. Also trustees and grantor(s).
4. Who were at least three families in the first organization?
5. Please locate church by county, Post Office and district.
6. Has name of church been changed since its beginning?
7. Has church location been changed? If so, indicate date and places.
8. Has there been a merger with another church? If so, name the other church(s) and date.
9. List two most important events in the history of the church.

Please use the back side if more room is needed, numbering 1-9.

IMPORTANT: This local church information is essential to complete History 2000. We want your church included.

COMMITTEE ON EPISCOPACY

A journey that began in September 1984 will come to conclusion in August of this year. Following Richard B. Wilke's election to the episcopacy in 1984, he was assigned to the Arkansas Area. He and his wife, Julia, have made an indelible mark in United Methodism in this Area and throughout the Church. Bishop Wilke has been our chief spiritual leader; they have been our friends; they have given leadership to our churches and institutions; and together, they wrote the DISCIPLE Bible Study. Their work with DISCIPLE has impacted United Methodism at large, and is now being used by other church groups.

Throughout their time as our chief pastoral family, they have heard countless folks express appreciation for what they have been and done in Arkansas. A time, when appreciation will be expressed formally, will be announced during the Annual Conference session. All laity and pastors will be invited to this event.

The Committee on Episcopacy expresses appreciation to the Wilkes for the way in which they have worked with the committee through the years. Their spirit has made our task easier.

During the 1995 Annual Conference, time was taken for members to fill in a survey form. The form was intended to identify thoughts and desires related to the bishop who will be assigned to our Area this year. The North Arkansas Conference used the same survey as we used. Douglas W. Johnson of the General Board of Global Ministries Research Office tabulated the findings. The findings will be helpful to the Jurisdictional Conference delegates when conferring with the committee who makes episcopal assignments. A capsule report of the findings, from information gathered from both conferences reads:

> The general feeling from this survey is that the primary roles of a bishop should be to work within the Annual Conference, to teach and lead, to be evangelistic, to be supportive and available to pastors and pastoral families. The respondents were not very excited about a bishop initiating program ideas for local churches, traveling around the Connection, taking a three months leave each quadrennium, and serving on general boards and agencies, the

Conference Council on Ministries, and the executive committee of the United Methodist Women.

The respondents envision a stay-at-home bishop whose primary concern is activity within the Area.

[Note: Differences of thought and desires, among varied age groups, length of time in the Conference, Ordination, and Sex were not great.]

Jurisdictional Conference will be July 15-18 in Kansas City. There, we will have a breakfast for our new bishop. All Arkansans are invited. Also, in the fall, we will have a welcoming event in Arkansas for the newly assigned bishop. Information about this event will be publicized in *The Arkansas United Methodist* newspaper and through the district superintendents.

The Committee on Episcopacy asks that you pray for the Wilkes as they depart and adjust to their new setting. We ask that you pray for those who will be involved in electing and assigning bishops. And we ask that you begin praying for our new bishop when he or she is assigned to the Arkansas Area.

David B. Wilson
Chair

COMMITTEE ON EPISCOPAL RESIDENCE

There has been much talk by members of the Area Committee on Episcopacy concerning our episcopal residence.

Twelve years ago when the Wilkes came to Arkansas, the Area did not have an episcopal residence or furniture. The Wilkes had to live in an apartment until a home could be purchased. Pressed for time, members of the Committee on Episcopacy and Board of Trustees sought a home. Upon finding the home at 28 St. Andrews, a special session of the Conference was called and the recommendation was made to purchase the home. The North Arkansas Conference also met in special session. Both conferences voted to purchase the residence at 28 St. Andrews for $140,000. (The Wilkes have provided the furnishings.)

Though the present residence has many pluses, functionally it lacks what is needed for an episcopal residence. All bedrooms are upstairs; there is no study; the living area is downstairs; parking is inadequate; the arrangement is lacking when hosting meetings and other functions related to episcopal responsibilities.

After investigating this issue for approximately two years, in consultation with the Conference Board of Trustees, the Committee on Episcopacy recommends that the present episcopal residence be sold and a new residence and furniture be purchased.

The market analysis of the home at 28 St. Andrews is $179,900.

Following is financial information pertinent to the above recommendation:

- oPayoff on the home at 28 St. Andrews as of 3/12/96 ..... $58,064.38
- oCurrent balance in the Episcopal Residence Account
  - >Residence Fund $72,613.33
  - >Furniture Reserve 60,000.00
- oAmount paid monthly on the Episcopal Residence $1,987.95
- oAmount received annually from GCFA for the Episcopal Residence $20,000.00
- oAmount received from the two Conferences annual designated for the Episcopal Residence:
  - >Little Rock Conference (approximately) $5,000.00
  - >North Arkansas Conference (approximately) $5,000.00

MOTION

The Area Committee on Episcopal Residence moves that...

The Conference Board of Trustees be authorized to sell the property at 28 St. Andrews;

The Area Committee on Episcopal Residence, working with the Boards of Trustees of the two conferences, be authorized to seek, select and purchase a suitable episcopal residence.

CONGREGATIONAL DEVELOPMENT COMMITTEE

A new Congregational Development Committee was named last year at Annual Conference. The Committee has met throughout the year and the Campaign was well organized, patterned after the successful North Arkansas Conference 'Catch the Vision' program. It was presented to the churches of the conference in February for a response. The Committee was disappointed in the response (a little more than $26,000 to date) but is committed to continuing to strive to raise funds for new church development. However, it was the unanimous feeling of the Committee at our last meeting to put our efforts on hold until we can consult with our new episcopal leadership in early fall.

INDEPENDENT AUDITOR'S REPORT

For
The Little Rock conference of the United Methodist Church
1996

We have audited the statement of assets, liabilities and fund balances - cash basis of the Little Rock Conference of The United Methodist Church as of December 31, 1995 and 1994, and the related statement of changes in fund balances - cash basis for the year ended December 31, 1995. These financial statements are the responsibility of the Conference's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 1, the Conference's policy is to prepare its financial statements on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than generally accepted accounting principles. Consequently, certain receipts and the related assets were recognized when received rather than when earned, and certain disbursements were recognized when paid rather than when the obligation was incurred. Accordingly, the accompanying financial statements are not intended to be presented in conformity with generally accepted accounting principles.

In our opinion, the financial statements referred to above presently fairly, in all material respects, the assets, liabilities and fund balances - cash basis of the Little Rock Conference of the United Methodist Church as of December 31, 1995 and 1994, and the changes in fund balances - cash basis for the year ended December 31, 1995, on the basis of accounting described in Note 1.

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

Basis of accounting - The financial statements of The Little Rock Conference of The United Methodist Church have been prepared on the cash basis. In connection with the utilization of the cash basis of accounting, the Conference has not capitalized its fixed assets and recorded the related depreciation.

The records are held open after year-end in order to include the remittances from the churches in the Conference for the last few weeks of the year. This policy is consistent with prior years.

2. Income Taxes

The Conference meets the requirements of Section 501(c)(3) of the Internal Revenue Code and is therefore exempt from federal income taxes.

3. Cash Investments

All cash investments are recorded at cost plus interest income as received in the account. These balances approximate current market value of the particular investments. Due to the current nature of some of these investments, market quotations are not available.

Interest on the savings accounts is received quarterly. Interest on Fidelity Cash Reserves is received monthly. Interest on all other cash investment is not recognized until maturity. Interest earned on investments during 1995 and 1994 was $15,379 and $9,229, respectively.

The aggregate market value of short term cash investments was $100,000 at December 31, 1995 and 1994. There were no unrealized losses on investments.

4. Pension Plans

Substantially all conference employees are covered under one of two defined contribution pension plans.

a. Ministerial employees - All ministerial employees, including the Bishop, are covered under a defined contribution pension plan whereby the participant contributes 3% and the church or conference contributes 10% to 12% of the participants' annual contribution base (compensation) based on the conference average compensation as computed by the General Board of Pensions.

b. Lay personnel - All lay employees are covered under a defined contribution pension plan whereby the participant contributes 3% and the conference contributes 6% of the participants' annual contribution base (compensation).

Both of the aforementioned plans provide benefits upon retirement based on converting accumulated contributions for that participant to an annuity or an actuarially equivalent basis. Both plans are multi-employer plans by which all contributed assets of participating employers are commingled and are not segregated by employer. This commingling of assets prevents a matching of individual employer's plan assets to plan liabilities.

Total pension cost for the years ended December 31, 1995 and 1994 were $803,070 and $724,661, respectively.

5. Contingencies

a. The Conference receives remittances from churches located within the State of Arkansas and is dependent on these contributions for its operations.

b. The Conference maintains, at various financial institutions, cash and cash equivalents which may exceed the federally insured months at times during the year.

ARKANSAS AREA LONG RANGE PLANNING COMMITTEE

By action of both the Little Rock Conference and the North Arkansas Conference, an Arkansas Area Long Range Planning Committee was elected at the annual conferences in 1994. The committee was established following a recommendation by a Merger Study Task Force which suggested further study of possible merger to the two conferences by a group which would have as its primary responsibility, a study of ways to strengthen the church's ministry and mission into the 21st century. The committee met for the first time in November, 1994, and elected Rev. Guy Whitney, Bentonville, and Kearney Dietz, a Little Rock layman, as co-chairs.

The committee met in February and October, 1995 and in January, February, and March, 1996 to consider statistical information gathered regarding church membership trends in Arkansas and to take inventory of the ways the church conferences are already united in activities and services to the overall church in the state.

At its February, 1996 meeting, Dr. Alan K. Waltz of the General Board of Discipleship met with the committee to help analyze church structure in the state and to offer counsel regarding the continued study of the possible uniting of the two conferences in Arkansas.

As a result of the meting with Dr. Waltz, the committee decided to come to a more definite idea of its task and to test that definition with both conferences at the 1996 meetings. The definition will include the recommendation for adoption of a unified mission or vision for the church in the state.

The committee will continue its work up until conference time and will present its understanding of its task at that time.

COORDINATING COMMITTEE ON PROFESSIONAL MINISTRIES

VACATION GUIDELINES FOR APPOINTED PERSONNEL

We recommend that all appointed personnel be granted a minimum of two weeks vacation annually and that additional vacation time should be granted to appointed personnel with due consideration being given to accumulated years of service. Time for continuing education which is required by THE DISCIPLINE and time for district and conference leadership responsibilities such as attending annual conference and working in the camping program should not be counted as vacation time.

PARSONAGE ASSESSMENT

Since THE DISCIPLINE requires an annual review of the condition of the parsonage by the pastor, PPRC, and trustees, we recommend that during the annual appointment consultation, the pastor, a representative of the PPRC, and a representative of the trustees do an assessment of the parsonage (on a form to be included by the cabinet with the consultation form) which will note any deficiencies in the parsonage and whether these are due to normal wear and tear or excesses/neglect by the parsonage family. The form will be signed by the persons doing the assessment with one copy being referred to the district superintendent and the other being referred to the trustees for their action. When a change of pastors occurs, the outgoing pastor and the PPRC/trustee representatives shall walk through the parsonage after it has been vacated (and before the new pastor moves in) noting deficiencies in the parsonage and whether these are due to normal wear and tear or excesses/neglect by the parsonage family. Maintenance needs will be noted on the form and referred to the local church trustees for action. Excesses or neglect which are the responsibilities of the parsonage family will be noted on the form and forwarded to the district superintendent(s) for negotiation.

**Note: These recommendations are made in response to a request by the LRC Cabinet.

Coordinating Committee on Professional Ministries

UNITED METHODIST WOMEN

As this quadrennium draws to a close, the United Methodist Women of the Little Rock Conference feel they have been faithful to the Purpose of our organization.

A community of women whose PURPOSE is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church.

The Executive Committee set plans that have challenged this conference as we endeavor to fulfill our purpose as outlined by the Women's Division.

The past 3 ½ years we have worked diligently to be in mission in the world and in our own communities by making quilts for babies with AIDS; 3,000 pairs of decorated tennis shoes; and collecting soap, shampoo, deodorant, hair brushes combs, toothpaste and toothbrushes over 10,000 items were given last year. This year we have continued collecting these items for the incarcerated women at Wright, Ark. We are very pleased the women will have a new prison in 1997 located at Wrightsville. We continue to recruit drivers to transport children to visit with their mothers in prison and funds for the promotion of this work.

There has not been a district meeting this quadrennium that was not attended by at least one or more conference officers. This has been a team endeavor that has paid off. I want to commend the

District Presidents and their officers for the dedication. They have truly been an inspiration tot he conference as well as to local units.

The undesignated pledge sent to Women's Division to be used toward the projects and programs of United Methodist Women and the Board of Global Ministries has been increase considerably in 1994 and 1995. Our annual gifts to Camp Aldersgate has increased and we increased our giving from $2,000 per year to $4,000 to the Arkansas Area School of Christian Mission and given to the youth of this conference over $1,000 per year for leadership training of youth. We've spent over $1,500 for supporting children, women and youth to attend the Arkansas Area School of Christian Mission.

The implementation of the Charter for Racial Justice in this quadrennium was very high on our list of goals. 55 local units to date have met qualifications to be members of the Charter Club. In 1996 the Charter for Racial Justice Committee has trained two teams and each team will share a program at a District Meeting. We hope this will enhance the program even more.

As early as 1869, United Methodist Women have been concerned about hunger, poverty, education and medical care organized to meet the needs of people in these areas. Focusing primarily on the needs of women, children and youth. As we have worked to share the gospel with others, we have also developed person skills and leadership abilities, not neglecting their spiritual enrichment.

Today we are 1.2 million women strong from 29,000 units in the United States and Puerto Rico - the largest organized group of women in the world.

At a time where the roles of women were extremely rigid, our predecessors founded schools; built hospitals; sent and supported missionaries; marched for women's suffrage; opposed war; worked to abolish child labor; reduce illiteracy and reform prisons. Over 127 years later these concerns are what United Methodist Women still stand for.

We have had some wonderful training opportunities in the quadrennium - finance, Charter for Racial Justice; and Christian Social Concerns. We took 88 women to the Assembly in Cincinnati; 45 women attended May 2-5, 1996, the South Central Jurisdiction Quadrennial Women's meeting in Omaha where Audrey Powell was elected to the Core Planning Committee the next Quadrennium. Ann Ashcraft has served the past four years on the Jurisdiction Nominating Committee of the Core Planning Committee.

We have attended West Gulf Regional School of Christian Mission the past four years in Balwin, KS, Southwestern near Austin, TX, and will be attending for the second time this quadrennium the school to be held at McMurry University, Abilene, Texas. We have had Claudia Herren to serve as Business Manager and Billie Washington as Assistant Dean of this school the past four years.

The Arkansas Area School of Christian Mission is another one of our responsibilities and it is held each year on the campus of Hendrix College. Claudia Herren has served as Business Manager and Dean; Ann Ashcraft is serving this year as the Assistant Dean; and Mattie Mae Rice has served as Business Manager. We have classes for ages 4 to 6 year olds, youth and adults. This year we have an arrangement with First United Methodist Church in Conway for care of children from 6 months up to 4 years of age. We also arranged to have two golf carts for transporting disabled persons on campus.

It has been a privilege to serve six years on the Conference Council on Ministries, the Aldersgate Board, and as a representative to the Interfaith Conference.

It has been a rare privilege to serve six years on the conference Executive Committee of the United Methodist Women.

Our work has been faithful to the heritage of our predecessors, I have been overwhelmed with the dedication, determination, time, commitment and zeal expended by women dedicated to mission in the United Methodist Church.

This will be one of my busiest years of the quadrennium. Serving as a representative last November to the National Mission Institute; as a delegate to General and Jurisdictional Conference; a voting delegate to the Women's Jurisdiction Quadrennium Conference in Omaha; and in August I will be a delegate to the World Methodist Conference in Rio de Janeiro adding to that many meetings and much study to represent you well.

Ninety five percent of the local units reported in 1995, showing a total membership of 5,701. The conference contributed $132,151.60 Pledge to Missions and a total amount sent to Women's Division of $155,499.04 which represents an increase in giving for the quadrennium.

I've sought to be faithful to the Purpose of United Methodist Women and to keep our focus on who we are and what our mission is. It has been heartwarming to work with the women of the conference as we sought to find our mission today, seeking God's guidance in all that we do.

D. OTHER UNITED METHODIST MINISTRIES
CAMP ALDERSGATE

The past year at Camp Aldersgate was one that can best be described by the word building. The camp experienced one of the busiest years in recent history in capital improvements to the 120-acre campground located in the heart of the State's largest city.

In addition to the improvements of the facilities, building was also happening in the development of the organization by the board of directors, in the camp's development of financial resources, in its visibility, and in each of the camp's programs.

In its strategic planning process, the board of directors updated the camp's mission statement to read:

> "Camp Aldersgate, a non-profit organization related to the General Board of Global Ministries of the United Methodist Church, is committed to social justice, racial harmony, and providing life enrichment opportunities in a natural setting."

Each of the camp's programs reflects this mission and enhancements were made to each program.

PROGRAMS

The **Summer Medical Camps** program celebrated its 25th year and honored its 5,000th camper. The camp hosted one of the largest sessions ever held with 353 campers from 138 Arkansas towns and 60 counties, along with campers from five other states. Summer staff members represented five states and one was from New Zealand. A grant from the Arkansas Arts Council provided an artist-in-residence, S. D. Youngwolf, who led the campers in exploring Arkansas' Native American culture through camp activities.

The **Weekend Respite Care** program, the State's first and only respite program located in a camp setting, continued to provide weekend respite care for children with severe disabilities. The program assisted 70 families from 16 Arkansas counties.

Two weekends of **Family Camps** were held for families who have children with HIV/AIDS. Funding for these camps was provided by the Women's Division Hope and Wholeness for Children and Youth grant program.

The **Seniors Day Out** program hosted 30-50 participants weekly from September through May. In collaboration with the Services and Opportunities for Seniors, the Southwestern Bell Telephone Pioneers, United Methodist Women and local pastors, the seniors from Roland, Pankey, Ferndale, and downtown Little Rock enjoyed continuing education, socialization, nutritious meals, and entertainment.

The **Youth Initiative** Project continued to grow and added a summer program in addition to the after school program for the youth ages 14 to 17. As the camp continued to inter-related its own programs, the youth participated in a summer fishing derby with campers attending the Muscular Dystrophy week of the summer medical camps.

The **Camp Aldersgate Mission Experience** program saw an extremely successful year with the 104 participants from United Methodist Churches in Fort Smith, Newport, Stuttgart, and Cabot, Arkansas; Kansas City, Missouri; and Shawnee Mission, Kansas. In only four weeks, participants completed projects at 19 houses and at St. Mark's Chapel United Methodist Church.

Year-round facilities were provided for the housing of the **Westside Medical Clinic** of the Catholic Social Services of the Diocese of Little Rock, and for the **Woodlawn Therapeutic Children's Center** of Centers for Youth and Families.

STAFF

During the past year the camp added a director of programs and a full-time director of volunteers. The staff continued its professional and community involvement with participation and offices held in the American Camping Association, Mid-South Chapter; the National Society of

Fundraising Executives, Arkansas Chapter; the Arkansas Volunteer Coordinators Association; the Pulaski County Aquatics Council; the National Respite Coalition; the Regional AIDS Interfaith Network; and the United Methodist Women.

Volunteers continued to be the lifeline of Camp Aldersgate's program. Over 230 youth volunteered 35,680 hours of service to the camp, while adults contributed over 20,000 hours.

RESOURCE DEVELOPMENT

The camp's board of directors continued the work toward diversifying and stabilizing the camp's financial resources. The United Methodist Churches of Arkansas provided strong support, especially the United Methodist Women of St. James UMC in Little Rock, who raised $12,500 for the camp at their Mission Madness silent auction. During the past year, Camp Aldersgate was recognized throughout the nation. The South Central Jurisdiction of the UMW held a Mission Event at the camp with over 40 women participating in various work projects. The camp was chosen to take part int he International United Methodist Children's Fund for Christian Mission during 1995-96. It also was selected as a featured agency in the national display held at the 1995 General Board of Global Ministries Quadrennial Conference in Seattle in November.

1995 was a year of building for Camp Aldersgate. Not only with the expansions and enhancements of the physical site and programs, but in the work to establish a stable foundation of mission and resources by which to provide continued services tot he thousands of people who benefit from the camp's programs. Once again, the United Methodist Church of Arkansas has been a significant part of that work.

Camp Aldersgate

CAMP TANAKO

We have had a very good year at the camp. I would like to thank the Tanako Board for all their hard work.

At the directions of CFA and the wishes of the Tanako Board, effective January 1, 1996, Tanako has separated their financial responsibilities in the matter of day-to-day bookkeeping from the conference. All monies are now handled through the camp. We have engaged the services of an accountant for monthly statements and reports and also employed a part-time secretary for the entire year. These additional people should help the camp move forward towards our desire to be a year-round facility.

Our cookbooks are selling well. If your church has not had any available and want them, please contact Terry Everitt, myself or any board member.

The second phase of a long-range plan for the camp has been completed with the building of the Horace C. Cabe Tanako Life Center. The first camp has used the facility and we held a board meeting there May 18. We will soon be announcing plans for a dedication. If any individual or church would like to be a part of furnishing the new Life Center, contact Terry Everitt. The cost of a room will be $2,500.

The best part of my report is to, on behalf of the Camp Tanako Board, present a check to Joe Eason for $45,848.50 which is the amount we owe the conference to pay off an obligation for past operation expenses at the camp.

Camp Tanako Board of Trustees

HENDRIX COLLEGE

Hendrix College is proud of its longstanding relationship with the United Methodist Churches of Arkansas. That relationship is reflected in the education students receive at Hendrix and in the ways in which the College conducts its daily business. Students at Hendrix receive an education that values both intellectual challenge and moral and spiritual development and is nationally recognized for its outstanding academic quality.

This year has been an important year in the development of opportunities for spiritual growth at Hendrix. Last June, the Reverend Rock Jones was appointed as the new Chaplain of the College. Rock was charged with developing new programs of religious life that would afford students of a variety of religious backgrounds the opportunity to mature in their spiritual faith. Rock began his work by forming a Religious Life Council, a group of students who work with the Chaplain to provide general oversight to Religious Life at Hendrix.

The first decision of the Religious Life Council was to institute Wednesday evening Campus Worship services in Greene Chapel. The services are held each Wednesday at 9:00 p.m. Student organizations and residence halls alternate responsibility for planning the services and selecting the Biblical passage from which Rock preaches. Attendance has been between eighty and one hundred each week, with over 150 different students providing leadership in one or more services this year.

Numerous Bible studies meet in the residence halls each week. Rock Jones leads a Chaplain's Bible study in the Private Dining Room at supper each Wednesday. Several Covenant Discipleship groups, modeled after the early Methodist class meetings, meet under the leadership of Dr. David Sutherland, Associate Professor of Mathematics. Roman Catholic Mass is celebrated in Greene Chapel on Sundays at 6:00 p.m. A student organized prayer and praise service is held in Greene Chapel each Sunday at 9:00 p.m. Religious Life retreats are scheduled once or twice each term. A chapter of Fellowship of Christian Athletes has organized this year and meets regularly.

In addition to its ministries to students at Hendrix, the Religious Life Council has developed opportunities for Hendrix students to minister to people beyond the Hendrix community. Fellowship Teams of students are available to lead worship in United Methodist Churches throughout the state. The Hendrix RAIN Care Team has led fifteen UMYF programs in local churches in central Arkansas. Student groups participated in the Appalachian Service Project in Kentucky, a Habitat for Humanity Collegiate Challenge in Mississippi, and volunteer service over Spring Break. Another group will travel to the Christian Mission of Pignon in Haiti for two weeks this summer.

Religious Life at Hendrix is enhanced by the large number of Hendrix students with experience as leaders in local, district, and conference United Methodist Youth ministries. In recognition of this fact, and in an effort to attract students who demonstrate potential to provide spiritual leadership at Hendrix, Hendrix has instituted the UMYF Leadership Scholars program. Each year fifteen entering freshman are named UMYF Scholars and are awarded scholarships of $2,800 to participate in a program designed to nurture spiritual leaders and provide leadership in the various Religious Life ministries at Hendrix.

Religious Life at Hendrix is strengthened by a growing number of international students who are coming to the College through United Methodist connections. With the assistance of Bishop Wilke and the Bishops of Singapore and Korea, the College has instituted programs to bring students from these countries to Hendrix. This year Hendrix has enrolled United Methodist students from Singapore and Indonesia. Hendrix is also working with United Methodist missionaries in Kenya and Japan to enroll United Methodist students from those countries next year.

Hendrix is committed to maintaining and developing new facilities to support our growing programs in Religious Life. In November, Mrs. Bernice Jones of Springdale announced the gift to Hendrix of the H.G. "Jack" Frost Campus Center. The gift, from the Harvey and Bernice Jones Trust, is named for Jack Frost, a long time business associate of Mr. and Mrs. Jones, Hendrix trustee, and lifetime United Methodist. At Mrs. Jones' request, the Jack Frost Campus Center will include a

Religious Life Center, with offices for the Chaplain's staff, meeting rooms for religious life organizations, and a prayer room that will be open anytime the Campus Center is open.

Also last fall, Hendrix received a anonymous gift of $335,000 to fund a new organ and renovation of Greene Chapel. The 31 rand organ will triple the capacity of the existing organ which has long been in need of replacement. Chapel renovations will include new tile under the pews, new carpet, refinishing the pews, new communion rails, refinishing all wood work, and new chancel furniture. New banners have been ordered for the Chapel, and needlepoint communion kneelers are being designed. Persons interested in assisting with the needlepoint project are asked to call the Office of the Chaplain, (501) 450-1263. Both Greene Chapel and the small prayer room near the Chapel are used many times each day by students and faculty who desire a quiet place for prayer and meditation.

The Hendrix College Program of Religious Education, Church Music, and Youth Ministry continues to grow under the direction of the Reverend Lamar Davis. The first group of persons to enroll in the program completed the two-year course this spring. The program sponsors four workshops each year and offers internships to persons who enroll. Workshops are available both to persons enrolled in the programs and to individuals interested in a particular workshop. Next year's workshops will include a day with Dr. David Lowes Watson, the author of books that have initiated the Covenant Discipleship movement in United Methodist Churches across the country.

The development of the Hendrix College Program of Religious Education, Church Music, and Youth Ministry is indicative of the commitment of Hendrix to its relationship with the United Methodist Churches in Arkansas. In an effort to continue to strengthen that relationship, the College has inaugurated Connections, a semi-annual newsletter linking Hendrix and United Methodists in Arkansas. Representatives of the College are available to visit United Methodist congregations to share the story of Hendrix and its association with these churches. The Office of Admission this year instituted a special United Methodist Clergy visitation day. Clergy from across the state brought high school juniors and seniors to visit Hendrix. While the students attended classes, the clergy shared an open forum with the Chaplain and leaders from the Religious Life Council. In February, Hendrix sponsored the first annual UMYF Day. Over 350 United Methodist Youth from across Arkansas visited campus for a morning youth rally, lunch, and afternoon basketball games. Hendrix will continue to look for ways to offer ministries to the Church and enhance communications between the Church and College.

Hendrix College continues to receive national recognition for the outstanding quality of a Hendrix education. This year Hendrix was ranked by Money Magazine as the twentieth best buy in higher education among all colleges and universities in the United States. Among small, liberal arts colleges, Hendrix ranked fourth. Hendrix was the highest ranked college related to the United Methodist Church. Hendrix continues to be the only school in Arkansas listed by U.S. News &World Report in its list of nationally recognized liberal arts colleges.

Hendrix has achieved national distinction because of the longstanding vision of the United Methodist clergy and lay persons of Arkansas. These leaders have dreamed for more than a century of a college that offers an academic education of the highest quality in the context of an environment that values theological reflection, moral development, and spiritual growth.

Hendrix is grateful for the historic support and the continued visionary leadership it receives from United Methodists in Arkansas. Thirteen ordained clergy are Trustees of the College. Hendrix receives apportionment dollars from United Methodist Churches in Arkansas. These funds are used exclusively to provide scholarship support for students with financial need. Many churches in Arkansas have endowed scholarships at Hendrix that provide financial aid. Countless individual lay persons have supported the College through gifts, unsolicited financial support of students enrolled at Hendrix, and encouraging high school students in their communities to enroll at Hendrix.

Hendrix cherishes its relationship with the United Methodist Church. We are grateful for your support and hope to see you on campus soon.

Ann H. Die, President

LYDIA PATTERSON INSTITUTE

It is with respect and appreciation that I submit this report of your institution, Lydia Patterson Institute (LPI). In that highly democratic spirit that exists within this connectional system that unites all of us, I wish to ask that you join me in telling the LPI story throughout your conference. It is my wish that every United Methodist in this jurisdiction know of this ministry at work and the many blessings that are revolutionizing the community of El Paso-Juarez. When in our society, we are faced with problems of drugs, gangs, teen-pregnancy, school drop-outs, poverty, etc., LPI continues to provide hope through academic preparation and Christian leadership.

The Southern Association of Colleges and Schools and the University Senate of the United Methodist Church have both reaffirmed accredited status with no deficiencies in our program.

It is with this affirmation that I bring to you a report of substance and vision for LPI. I with to thank every member of this conference for the apportionments paid during the past year. Without these funds, none of our accomplishments would have been possible. I also wish to ask for your continued support in order that we may be able to reach even greater goals.

The South Central Jurisdiction and Lydia Patterson Institute are making history. For the first time in 83 years, Lydia Patterson Institute is establishing an endowment fund to secure its ministry in the next century. Since 1913, and through the support of the United Methodist Church, Lydia Patterson Institute has established a solid foundation of ministry to Hispanic communities on the U.S.-Mexico border. However, without an endowment, this ministry has faced endless threatening financial circumstances since its birth.

At the beginning of this quadrennium, we began the development of a campaign for endowment under the leadership of Bishop John Wesley Hardt (retired). The goals were set at raising $2 million within all the local churches of the South Central Jurisdiction and $4 million from other sources outside the boundaries of the church.

I am happy to inform you that as of December 31, 1995, a total of $1,185,186 had been raised with additional commitments of $650,000 to be paid out over a period of time. The funds raised in the churches have been invested in their conference foundation. The revenues derived from this endowment have been designated fro three purposes; teachers salaries, enhancement of programs and library, and building upkeep and maintenance.

The South Central Jurisdiction has taken responsibility and has raised one-fourth of the $2 million goal. I wish to acknowledge the commitment of Bishop Ray Owen in his two annual conferences. By December 31, 1995, Rio Grande had raised 124% and Southwest Texas had raised 100% of their assigned goals. I feel confident that we will reach our final destination. Led by the had of God, we will continue to overcome obstacles as we welcome the 21st century. Perhaps Jurisdictional Conference 2092 will judge that the decisions taken in 1992 for LPI were with vision, talent and justice.

As a result of this beginning endowment, I proudly inform you that the first pay increase for teachers has been made effective September 1, 1995. New computers were purchased, old typewriters were replaced with word processors, the library was upgraded with a new computer and on-line resources, a new boiler was installed, visual aids equipment was placed in every classroom, new books have been provided, and a 15-passenger van has been purchased.

We have added English classes for adults during the evening, provided the site for GED classes and Vista Volunteers. We have added summer and after school high-school classes and collaborated with local agencies for youth programs.

New programs of outreach and community service with our students have been developed. Students serve as tutors in the neighboring elementary schools, and they volunteer time in neighborhood community agencies. They form work teams to help in the local UM Churches and at the UM Retreat Center in Sacramento, NM. For the first time, students are traveling to other parts of the jurisdiction to participate in work camps.

During this past summer, students traveled throughout the jurisdiction to share their language and culture or to help in areas of Hispanic ministry. Other students traveled to different conferences to teach Spanish to younger kids and others simply traveled to talk about their school and the difference that it has made in their lives.

The economic conditions in our neighboring country, Mexico, has definitely affected the El Paso-Juarez area. The constant devaluation of the Mexican peso is a continuing threat to our students. Our enrollment has remained constant, but it becomes harder by the day for parents to meet tuitions. It is at times like these when the mission of Lydia Patterson Institute is best understood. The educational needs and spiritual hopes of our students are greater than ever, and it is our responsibility to see that they do not become victims of the circumstances. In spite of these unfortunate conditions, ninety percent of the students that graduate from LPI continue to enroll in a college or university. Again, we thank God for the beauty of this connectional church and the help of our UM colleges and universities that continue our ministry by providing scholarships for our students. We now have students attending Texas Wesleyan University, McMurry University, Nebraska Wesleyan University, Central Methodist College, and Southern Methodist University. Very soon, we hope to see LPI students enrolled in every one of our UM institutions of the South Central Jurisdiction.

As the only institution of the UMC that ministers to predominantly Hispanics, we have a vision of even greater service to our students as well as the church in general. In recognition of all its strengths in the areas of Hispanic ministry and its service to the church and community at large, the Board of Trustees and this administration have begun the work of a strategic plan that will lead us into the year 2000 as one of the finest institutions of the UMC.

As we move forward with our ministry and we continue to work on our endowment goal and plan for the future, I ask for your prayers. I wish to thank all the Bishops of the South Central Jurisdiction for their leadership and wisdom and for helping us come this far. Mrs. Lydia Patterson had a dream, and you, as members of the United Methodist Church, have added life to this dream by touching thousands of lives. Our goals are within sight, and God has gathered us back together again to celebrate success and His blessings that do not cease.

MOUNT SEQUOYAH

Mount Sequoyah is moving into the 21st Century with new vision. Building upon a rich history of more than seventy years the trustees, staff and supporters are developing an exemplary Christian conference center. The mission for Mount Sequoyah in the new century is to provide excellent opportunities for learning, living and leisure in order to develop skilled church and community leaders.

This is the knowledge age. Those who will give shape and direction to church and culture will be ones who are able to blend the enormous body of contemporary knowledge with traditional values and understanding. Mount Sequoyah has been a gathering and learning place for United Methodist for many years. Resident programs of spiritual and intellectual growth have been a significant experience for thousands who have found new faith, vision and direction at Mount Sequoyah. For many, their lives have been changed. The new vision is to continue these experiences in relevant, contemporary ways.

In 1992, commissioners from the surrounding Annual Conferences of the Methodist Episcopal Church drafted and approved a charter to establish "The Chautauqua of the Ozarks." They had been given land by the City of Fayetteville and it was their dream to establish a place for learning and spiritual development in the tradition already well developed in the eastern regions of the country. The founder's vision was of a place like Lake Junaluska in North Carolina which would be more easily

accessible to persons west of the Mississippi. Building on the Native American history of the area, East Mountain was renamed Mount Sequoyah after the Cherokee scholar and teacher Sequoyah.

Early programs on Mount Sequoyah included speaking and training events, a College Activities Week, a School of Missions, Evangelism Training and courses in Social Service and Temperance.

What began as a campground for primarily summer gatherings was developed into a 30 acre campus with permanent all weather facilities. As the programs developed, buildings were constructed, many by volunteers, to meet the needs of the persons who came many miles to participate in the activities. A hospitality staff supported programs led by church leaders.

As times have changed, so has Mount Sequoyah. New needs have called for new programs and facilities. Today Mount Sequoyah serves a broad cross section of resident programs with groups of 30 to 300. Training and leadership development for The United Methodist Church continues to be a primary function of the institution. And, in recent years there has been considerable expansion to provide service to educational groups from other churches, schools and community organizations. That which began as a summer campground now has resident accommodations for some 400 persons including a modern cafeteria, auditorium, activity center, meeting rooms and classrooms. Most recently new recreational facilities including a large swimming pool and tennis courts have been added.

In this decade the Board of Trustees has taken bold steps. The board's work included a comprehensive study to develop and implement a strategic plan for program and facility development. The first step in this new direction was in 1993 with the employment of a Director of Program Services to provide coordination and development of new programs. In 1995, the Trustees' retained and empowered a new President, a nationally know professional educator with experience in both resident education and conference facility operation. This new president has been given a mandate to develop a staff and facility that can produce relevant new programs while continuing traditional services.

Mount Sequoyah's new president, Dr. Charles Wallace, brings considerable knowledge and experience to this work. A native of West Texas, he is a graduate of Texas Wesleyan and holds advanced degrees from San Francisco Theological Seminary. Before coming to Mount Sequoyah he served for 25 years as President and CEO of United Camps, Conferences and Retreats, a cooperative of six denominations with headquarters in San Rafael, CA. In addition to his work in California, Dr. Wallace has served as President of the International Association of Conference Center Administrators and developed that organization's continuing education and certification program. He is a member of the teaching faculty of IACCA and the American Camping Association and is well know as a leader, teacher and speaker in the filed of resident education.

The new century will call for focused specialization. Continuing education will be essential for persons who want to keep pace with our fast changing world. The quadrennial goal of Mount Sequoyah is to become The Learning Place, an outstanding Christian Conference Center of the South Central Jurisdiction of The United Methodist Church.

PERKINS SCHOOL OF THEOLOGY
SOUTHERN METHODIST UNIVERSITY
DALLAS, TEXAS

For Perkins School of Theology, this has been a year of outreach to the churches and exploration of new possibilities for leadership in ministry. In the Fall Semester, we began a program of theological studies for the Houston-Galveston area. Fifty students enrolled in basic studies toward the M.Div., M.T.S., or M.R.E. degrees in what has become known as "Perkins South." The enthusiastic support of United Methodist leadership in the region and the commitment of Moody Memorial First United Methodist Church in Galveston and St. Luke's United Methodist Church in Houston made this new venture possible.

With the addition of the "Perkins South" students, total enrollment at Perkins School of Theology reached 428. Students preparing for pastoral ministry through the M.Div. program continue to be the largest part of our enrollment (62%). Doctor of Ministry students make up 12% of the student body, and Ph.D. students account for 6%. By denomination, our students are 74% United Methodist. Female students were 38% of the student body in the Fall of 1995.

Perkins continued its efforts to make quality theological education affordable, with new grants for students with high promise for leadership in ministry. Here, too, partnership with the churches is important. Our United Methodist students depend heavily on support from their Annual conference Boards of Ordained Ministry, and Perkins is grateful for the efforts of congregations across the South Central jurisdiction to meet their apportionments for the Ministerial Education Fund. In many cases, Perkins alumni/ae provide additional scholarship support through funds held by their Annual Conference Foundations.

The Intern Program at Perkins has provided opportunities for students to experience the life and work of parish ministry for nearly 25 years. Lay teaching committees in local congregations join with Perkins intern faculty and trained clinical supervisors to help students reflect on the meaning and purpose of their experiences in ministry. As we extend the Intern Program to a new group of students in the Houston-Galveston area, we are reminded again that Perkins is more than a school on a campus in Dallas. It is a network of teaching and learning that extends across the South Central Jurisdiction and reaches to places in Europe, Central America, and Asia where Perkins students learn the work of ministry by participating in it.

Fifty years ago, the vision of Joe and Lois Perkins, Bishop Paul Martin, Dean Eugene Hawk and J.S. Bridwell gave Methodism a school of theology that was able not merely to meet the future but to lead the church into it. Today, we celebrate that legacy with a remembrance of their vision, and with our own commitment to provide a program that will respond to the needs of the church and meet the challenges of ministry in the next fifty years.

SOUTH CENTRAL JURISDICTION

Twelve conferences from our Jurisdiction sent teams this year to our Jurisdictional VIM project, Operacion Hogar in Juarez and Chihuahua, Mexico. These were part of more than six hundred persons serving Operacion Hogar this year. More than one hundred homes have been completed for the working poor in Juarez. We mail our VIM newsletter semi- annually to all pastors in the Jurisdiction, and to 900 interested laity.

The Jurisdiction continued its service to its twenty-nine Korean congregations, coordinated by Dr. Won Kie Kim. Cutbacks at military bases in the Jurisdiction have caused membership losses in several Korean congregations, but the churches continue forward with courage and determination. Under Dr.. Kim' s leadership the Jurisdiction annually sponsors gatherings of Korean United Methodists for leadership training, youth and student rallies and new pastor orientation.

The Executive Director provided field services in several of the annual conferences this year, including teaching in a conference ministers' school and in a district ministers' enrichment day. The Director provided consultative services for vitalization in several local churches, and for conflict resolution in one church. Eleven annual conferences have received field services from the jurisdictional office during this quadrennium.

The Jurisdictional office and the Jurisdictional College of Bishops is co-sponsoring with the Board of Higher Education and Ministry an event to lift up the call to ministry to persons ages sixteen to twenty-five. This event, Explo96, will be at the DFW Airport Hyatt Regency on November 1 to November 3, 1996. We will sponsor events in three locations in 1997 to lift up the call to ministry to persons twenty-five and older.

Jurisdictional Conference is July 14-18 at the downtown Mariott in Kansas City, Missouri. The Conference in 2000 will be in Albuquerque on July 14 -17.

SOUTHERN METHODIST UNIVERSITY

It is my pleasure as the tenth president of Southern Methodist University to provide this institutional report to the Conference. Since my arrival as president in June 1995, I have enjoyed tremendous support from our United Methodist constituents, including the annual conferences and area churches I have visited. I am grateful for the guidance that has brought SMU to this point in its evolution and for the support which will make further progress possible.

The Board of Trustees authorized an Inauguration Ceremony on September 9 to bring together the larger community to celebrate the University and to reaffirm our heritage and faith in the

future. More than 4,000 constituents from throughout the nation attended the event. In my Inaugural address, I outlined some of the key areas that deserve attention as we refine our offerings and services for a new century and millennium. SMU must: 1) continue to infuse the perspectives of globalism into the curriculum, including an ongoing commitment to increase the diversity of our University community; 2) provide excellent programs in all areas of communications, from composition to journalism to telecommunications. 3) strengthen programs that will prepare students for leadership roles in the health care professions: and 4) Continue to emphasize the study of ethics by increasing opportunities for ethical considerations throughout the curriculum.

The University is currently preparing an academic strategic plan that reflects these priorities and others identified by the various schools and departments. The plan will form the basis of a major gifts campaign for which we are in the planning stages.

I am also pleased to report that the campus United Methodist Ministry is flourishing under the direction of Rev. Greg Ligon. For example, the Thursday night Bible study group has grown from five students to more than 100. We are indeed grateful to the Annual Conferences of the Jurisdiction for continuing support of this program.

The Perkins School of Theology has been strengthened in several ways, among them:

•A $ 10 million endowment gift, the largest in its history, from the
J.S.Bridwell Foundation establishing the J.S. Bridwell Foundation Endowed Library Fund.
•A $ I million gift to the Theology School $500,000 from trustee Caren Prothro and her husband Vir in honor of his parents, former trustees Charles and Elizabeth Prothro; and $500,000 from the Joe and Lois Perkins Foundation.

•The appointment of Dean Robin W. Lovin, former dean of the Theological School at Drew University.

The beginning of a South Texas seminary program in partnership with United Methodis Church leaders in the Houston area, offering classes in Houston and Galveston taught by Perkin faculty.

SMU's fall 1995 enrollment was the highest in 11 years. with the largest first-yea undergraduate class in six years. Minority enrollment is at an all-time high of 18.8 percent for the tota student body.

We continue to need and to appreciate your interest, prayers. leadership and gifts as w reaffirm SMU's founding vision through our achievements of today and tomorrow.

SAINT PAUL SCHOOL OF THEOLOGY
Kansas City, Missouri

Both the church and our society cry out for the kind of leadership that can renew an revitalize. Saint Paul School of Theology is preparing leadership in the Wesleyan tradition to mee the great challenges of churches and communities in our day.

The 1995-96 school year has been productive and gratifying as dedicated faculty hav worked with gifted and committed students to prepare for ministry.

Beginning this year, a new specialization in evangelism is available for Saint Paul student This specialization was developed by our faculty over the past year to strengthen the seminary'

commitment to the renewal of the church's witness through vital evangelism. Those of us in the Wesleyan tradition remember the first task for John Wesley was always evangelism. It is in this spirit that we emphasize evangelism at Saint Paul and are seeking ways to strengthen our program in this most important work of the church.

The specialization seeks to build on the work of our new faculty Chair in Evangelism made possible by a cooperative effort of The Foundation for Evangelism and Missouri United Methodists. Dr. Henry H. (Hal) Knight III, who occupies the evangelism chair, will give experienced leadership to this specialization. In commenting on this enhancement of the seminary's evangelism program, Dr. Knight said, "Our society presents us with both great challenges and a tremendous opportunity to share the Good News of Jesus Christ. This specialization will enable Saint Paul to identify and train a new generation of leaders for evangelism in the 21st century."

Saint Paul is now debt free! The high inflation years of the 1970s were difficult for seminaries with small endowments. The budget deficits of those years continued until the mid-1980s for Saint Paul, requiring significant borrowing. In 1985 Saint Paul stopped all such borrowing and began a plan to repay all accumulated indebtedness over ten years. The end of the 1994-95 academic year marked ten consecutive balanced budgets and the last payment on this debt.

Progress continues on the major multi-year campus renewal plan. Denver Avenue has been closed, and a new entrance off Truman Road with a drive and parking are leading to the chapel is nearing completion. The Bishop Eugene and Wilma Frank Bell Tower now stands at the new entrance, and the Property Services Building (the new maintenance facility) is completed. The view of the campus from Truman Road is being transformed! Renovation of classrooms and offices, as well as accessibility projects, continues.

Of course, all of these efforts have significance only as they help us prepare committed and capable leaders for the church. Let us all hope, pray and work for renewal and revitalization in all of our churches. Thank you for all you do to make our ministry on behalf of the church possible.

TEEN CRISIS MINISTRIES

Since the original Teen Crisis Task Force was formed in 1990, this group has been in ministry to youth, their families and clergy during crisis. The major issues of teen suicide, addictions (drugs, alcohol, gambling, sex), and pregnancy continue to be emphasized. Other youth issues, such as runaways, grief, violence, etc., are addressed as needed.

The year of 1995 became a time to evaluate the ministry. A self-assessment was conducted in May by a volunteer from the National Board of Global Ministries. In August, the Task Force continued the assessment with the exercise, "Documenting Youth Trends." Educational and ministry needs were distilled from observation of social, spiritual and health trends affecting teens. The reoccurring themes that emerged were that teens needed the Church to assist with values, respect, parenting and youth participation in the life of the Church.

Teen Crisis has proven to be a unique and viable ministry to youth, parents, pastors, and youth counselors. The desire of the Task Force is to build on past successes in the ministry and move with the youth trends, matching ministry to the realities in teens lives.

The ministry continues to be available to field calls for education or referral on all issues facing youth today. In 1993, the top five topics most frequently addressed were: suicide, sexual abuse, communication, grief, and referrals to the United Methodist Children's Home. In 1994, the top five were: drugs, suicide, parenting, sex, and gangs. In 1995, the top five were: suicide, drugs, runaways, pregnancy, and homelessness.

Opportunities to provide educational programs to local churches are numerous. The Power Surge Video and Discussion Sessions related to youth issues has been seen by over 5,000 youth.

Celebrating Youth '95, coordinated by the Teen Crisis Task Force, gave over 1,300 youth a day of worship, fellowship, and Christian role-modeling. Underlying the positive, uplifting theme of Celebration Youth was the belief that strengthening the connection of youth to their faith and their church was a type of crisis prevention.

Arkansas United Methodists can be proud to support this unique ministry. This ministry is not the typical youth ministry, *planning* programs and experiences for youth. Rather, it is ministry *during crisis* to youth, their families and clergy.

The Arkansas Area Teen Crisis Task Force desires this ministry to expand with a full time, salaried coordinator. The Councils on Ministry of each conference was approached with a request to increase the ministry's budget from $15,500 per conference to $23,200. The request included designation as an Arkansas Area Office versus the current status as a Task Force. Suggestions were made for an adult advisory committee and a separate youth advisory committee, each with representation from each district, gender, and ethnic origin.

The Councils' decisions were to decline the increase and instead, "recommend that an area study committee be established to examine all CCOM and Area administrative and program staff to determine how to best staff the conference and area ministries." This proposal evolved from a previous recommendation that "a study group be formed to consider the possibilities of a full time Area Youth Ministry, which would include the concerns of the teen crisis work."

The Teen Crisis Task Force does not oppose such a study. It is regretful that the budget increase was denied and some goals will not be realized. The Task Force does oppose the study replacing ministry.

UNITED METHODIST CHILDREN'S HOME

Do you remember the anticipation of receiving your report cards? I remember having to explain some grades when report cards were brought home. There was the joy of good grades and the embarrassment of bad grades (and the consequences that followed).

In this report to you we present our report card from last year. You will read our report telling you how we have done in the past year. There are statistics about the number of youth we cared for this past year and financial figures that tell you about our stewardship of funds entrusted to our care for them.

I am pleased to report that United Methodist Children's Home is now a **Certified Teaching Family Site.** What does that mean? It means that UMCH is recognized nationally by the Teaching Family Association as an one of many Teaching-Family Sites in the United States that provides the highest quality of child care in America today! It means that we respect the dignity, individuality, and worth of each person and value the preservation and protection of fundamental human rights for youth. We are committed to providing professional services characterized by competence, compassion, and integrity. We are the **first** child care program in the State of Arkansas, providing quality care for youth, to be certified by the Teaching-Family Association.

Statistics on number of youth served cannot capture the entire story. They do not tell about lives changed and families restored. Many of our success will not be revealed until much later in life. As we look at the numbers, we visualize youth who have names and faces. We remember the good times and the difficulties as we continue to minister to them and their families.

Just as statistics cannot capture the stories of the children served, neither can they capture the spirit of those who give in support of care for youth. The money in our budget comes from several sources. Endowment funds and Estate Gifts are the result of many persons giving because of their love for children and youth. Contributions represent the tithes and offerings of many people. I receive many letters from our supporters and many of them tell of the sacrificial gifts of persons on fixed incomes. Special projects in local United Methodist churches and groups contribute time, energy and money to our support.

You will also notice that part of our income is from state and federal governments. These dollars are for services rendered to youth who are in the custody of the state or for other programs for needy youth. I want us to move to the place where we are dependent more on private contributions for our work and not upon state or federal dollars. With all of the emphasis on welfare reform, I am becoming more convinced that we will need more contributions from private citizens and supporters in the year that is before us. There will be fewer government dollars available.

Your prayers, interest, and support have enabled us to care for youth and to write the record in the numbers below.

Youth Served	**1994**	**1995**
Residential Care in 7 Teaching-Family Group Homes	60	71

Rockefeller Grant

I am pleased to announce that we have received a Rockefeller Foundation Grant of $2,000. This is a special grant to provide training for two of our Consultants to attend the *Common Sense Parenting* Workshop at Boys Town. Later on in the Summer and Fall we will be sponsoring Workshops in various locations around the State for parents to attend. This is an exciting program as it is based on the curriculum skills as taught by Teaching-Parents in our program.

Along with unconditional love and respect for children, parents need a logical, workable approach to discipline. *Common Sense Parenting* provides both plus a lot more. Parents will learn how to build close relationships, how to reduce problem behavior by teaching children appropriate ways of behaving, how to give clear messages, stay calm and teach children self-control and develop consistent expectations and consequences for their children.

We are excited about this addition to our Programing.

Board adopts new Articles of Incorporation and By Laws

The Board voted unanimously at its May Board meeting to restructure the Board of Directors so as to come into compliance with the new State and Federal Laws for non-profit organizations.

As you know, we receive State as well as private/church contributions for the care of our children. We are finding no problems or restrictions with this and our homes are now considered to be the very best in child care by the Division of Children, Family Services. The Board felt it could not afford to jeopardize this status if we wanted to continue to serve troubled children. The only substantive change is in the number of Board members. The reduction guidelines simply make it more effective for our Board to have greater involvement in our work.

As is true in other like institutions, the nominating committee will submit names annuall and any United Methodist minister or lay person would be welcome by the nominating committee That procedure is held to now. We are always looking for persons who have a special interest in th Home. This new structure calls for **at least three fourths** of the body to be members of Unite Methdist Churches and/or Clergy.

In Closing

Natalie Sleeth's great hymn used by many in the church today, "Hymn of Promise" speak of the many youth who come to United Methodist Children's Home each year. We can know something of their backgrounds as we gather information about their history and family situations We do not know of their potential but we teach, through positive reinforcement and other ways seeking to develop that potential. Many skilled and dedicated persons on our staff influence the live of these youth. Our care is designed to develop the hidden talents and abilities of the youth in our car and teach them the skills and values necessary to be successful adults. We are also blessed when w see most of them flourish and bloom when given the proper care and nurture. You are also a part o the nurturing process as you support us with your gifts, prayers and concern.

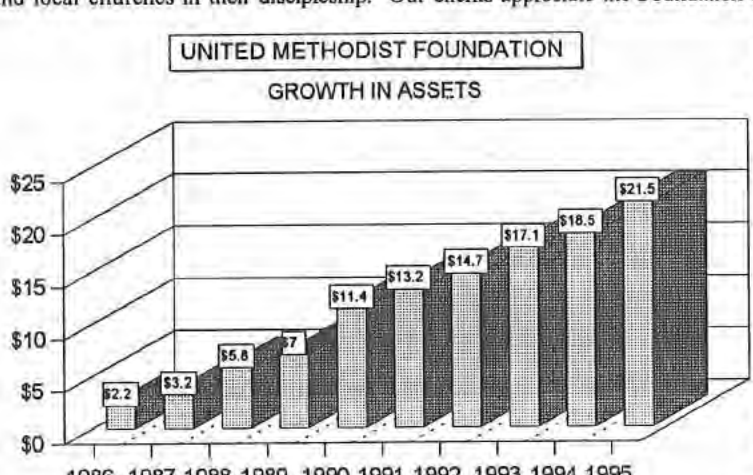

Finally, I want to share with you a statement I ran across the other day and have now on m desk. It reads, "*What each child gives us — one more chance to do it right.*" The truth becomes reality as Natalie Sleeth wrote, "Unrevealed until its season, something God alone can see."

Reverend Alfred DeBlack

Alfred DeBlack began his earthly journey November 9, 1914, in the Fairview community, Lonoke County, the son of James Edward DeBlack and Lela Justice DeBlack. His journey ended December 16, 1995, in Carlisle. Roberta, his wife of sixty-two years, and a son, Dr. Tom DeBlack, remain.

Alf received his primary and secondary education at the Fairview and Union schools in Lonoke County. He received a college degree from Hendrix College and fulfilled ordained ministry requirements through the Course of Study School at Perkins School of Theology, SMU.

Alf's full-time service record as a United Methodist pastor began in 1941 when he was appointed to the Carlisle Circuit. In 1943 he and Roberta moved to Mabelvale. It was there that Tom was born. From Mabelvale, they moved to Camden Fairview in 1951. Two years later, they moved to Mena. From 1954-1957 Alf was pastor of the Pullman Heights church in Hot Springs. The next seven years he served First Church, Prescott. In 1964 the DeBlacks moved to Nashville and Alf served Nashville First. It was there that Tom graduated high school and journeyed to SMU. Alf and Roberta moved to Little Rock in 1970 to serve the St. Luke congregation. They remained there until 1975 when they moved to Carlisle. Alf served Carlisle First until 1980 when he retired from full-time ministry. Following full-time ministry, he served as part-time associate of the Asbury Church in Little Rock until health limited his activities.

The DeBlack family left an indelible mark wherever they lived and served. Alf is remembered as a pastor who was faithful in his preaching and visiting. The laity loved him and his clergy friends had deep respect for him. All who knew him remember him as one who witnessed that the Christian life is one of joy. He loved and enjoyed life and caused those around him to love and enjoy the journey.

Following his retirement in 1981, he served part-time as Associate Pastor of First, Little Rock for 15 years, closing his ministry in the same church where he began 58 years before.

Rev. Hozendorf served with distinction in many leadership positions in the Little Rock Annual Conference. He was Conference Director of Youth from 1941-1949. He would later serve as chair of the Conference Board of Mission, the Conference Town and Country Commission and the Conference Council on Finance and Administration. Reverend Charles H. Roe

Charlie was born on February 14, 1905 in Claiborne Parish, Louisiana. He married Azzie Lee "Sally" Manning on January 25, 1925, and resided in Minden, Louisiana until his death on September 22, 1995. This union produced 15 children (seven boys and eight girls), and over 100 grand, great-grand, and great-great grandchildren.

They all called him "Papa". He was enriched truly by the support of his wonderful spouse and family.

"Papa" began preaching at a very early age. Sally, his wife, recounted on many occasions that he would go to some bushy knoll and stand and preach to the trees. It was a very humble beginning. The courage it took at such an early age (around 19) to accept the call of ministry and pastoring was tremendous. He became known for his roaring and rousing sermons. People traveled for miles just to hear him preach the gospel.

He studied incessantly and wrote sermons all the time. He shared the Scripture with those who would hear. He had a dedication to the study and dissemination of the word of God through the sermon. The sermon was his medium.

"Papa" held his course and kept the faith in the ministry for over 55 years, serving as pastor for over 36 years at Chidester, New Edinburg, and other locations in Arkansas. He pastored at Pilgrim Rest UMC in Minden, Louisiana for over 25 years.

He maintained membership in the Methodist Conference where he attended each year until his retirement.

Though his formal ministry ended at retirement, he continued to read, study, write and comfort others with the good news that Jesus lives and that through Him all who believe shall not perish but have everlasting life.

Reverend James R. Sewell

James Ralph Sewell, 90, of Monroe, Louisiana, a retired United Methodist minister, died December 17, 1995, in a Monroe hospital after a lengthy illness. He was born March 14, 1905, in Shuler, Arkansas, the son of Noah Frank and Trudy Sessoms Sewell.

He began preaching in 1930 and joined the Little Rock Annual Conference in 1933. His pastorates included Buena Vista Circuit, Hermitage Circuit, Wilmar Circuit, Austin Circuit, Forest Park-Little Rock, Douglassville, Montrose, Wilmot, Parkdale, Stephens, 28th Street-Little Rock and Mountain View-Little Rock. He was also director of the Wesley Foundation campus ministry at the University of Arkansas at Little Rock. He continued his ministry after retiring in 1971, serving the Fountain Hill Charge.

He was a 32nd degree Mason and a veteran of the U.S. Army, serving as a chaplain in World War II. He was a member of the 40-and-8 division of the American Legion.

Survivors include his wife, Ruby Lee Sewell of Monroe, La.; two sons, James H. Sewell of Lawrenceburg, Tenn., and Ralph L. Sewell of Monroe, La.; two sisters, Essie Emerson Landers of El Dorado and Elizabeth Clark of Camden; one brother, Vale Sessoms of Camden; seven grandchildren and nine great-grandchildren. Services were December 19 at Dumas Memorial UMC with interment at Fredonia Cemetery.

Reverend Joe Simmons

Joe Simmons has always had a heart for the Church. As a youth he would go to the church early in order to greet people as they came to church.

He spent more than twenty years in the Navy and was for some time in business for himself.

He and his wife began attending Dumas Memorial United Methodist Church in El Dorado, where he sang in the choir and also began as a lay speaker. He also became active in Gideon work.

He received the call to ministry and his pastor, Rev. O.D. Turner, helped him begin the candidacy process.

In November of 1994 he was appointed to the Calion/Rhodes Chapel Charge in the Camden District. He served approximately one year before his death.

He is survived by his wife Jeanette, his mother, two daughters and one grandson. Joe served the Church and his Lord with commitment and great vigor.

Reverend James B. Swain, Sr.

On November 15, 1995, funeral services were conducted in Wakefield United Methodist Church, Nashville, Arkansas, for Brother James B. Swain, Sr. Brother Swain served the Lord faithfully for many years with love and thankfulness for His grace. He truly obeyed the admonition to "Go ye into all the world and preach the gospel to every creature..."

Brother Swain received his BSE degree at Monticello A&M in Monticello, Arkansas. Post graduate and study courses were done at Perkins School of Theology at Dallas, Texas. He served as a pastor in the Methodist Church for 43 years, all of it in the Little Rock Conference. He served the following churches: Rowell Circuit, Lincoln County Circuit, Lacy Circuit, Mt. Tabor, Rondo Circuit, Bingen Circuit, Parkers Chapel, Parkers Chapel-Bethel, Emmet Circuit, Horatio-Winthrop, and Tigert-Morning Star. He believed in the worth of the small church and believed his calling was to minister to the ones who might not have a pastor otherwise. He was always on the go visiting his members and anyone else who was in need. No road was too bad, nor was any distance too far for him to provide the services of a pastor.

After Brother Swain retired in 1989, he began a new ministry. He performed the life of Christ through Peter and Paul. He did these portrayals until just a few months before death came.

He is survived by his wife, Dorothy Swain; a son, James B. Swain, Jr.; and two daughters, Claudine Oswalt and Princess Ward.

Brother Swain was a pastor whom all could trust. He loved God and was faithful to His word, the Bible. He loved to read the Bible and could quote whole chapters by memory. In his last days when he was too ill to do his portrayals, he listened to the Bible on tape and read along with it over and over again. All who knew him were blessed by his compassion and concern. He will be deeply missed by all. He truly lived his faith.

X THE "PIONEER FUND"

The Board of Global Ministries and its Committee on Parish and Community Development has administered the Fund for New Church Development under the guidelines of the 1985 journal. This fund has been referred to as the "Breaking New Ground" and the "Pioneer Fund" in the past. Since there is only one fund it will be referred to as the "Pioneer Fund." There are two ways we will use this fund. (1) We will make loans from the principal of this fund. (2) We will make grants from the interest this fund generates.

XI. PURPOSE OF THE PIONEER FUND

This fund will be utilized to make grants and loans only for the development of new congregations that have been designated and approved as being in areas with growth potential and/or for the redevelopment of existing congregations that have been approved as strategic growth congregations in growth potential areas.

A. GRANTS

1. Grants may be made from the interest generated by the Pioneer Fund. Any local Church/District, Trustees/District Board of Missions may apply for a grant with the consent of the District Superintendent. Every application for a grant to establish a new congregation or to redevelop an existing congregation must be made on forms supplied by the Church Extension Secretary.

2. Prior to any new or existing congregation being authorized a grant from this fund, approval must be received from the following:
   a. District Superintendent
   b. The Little Rock Conference Cabinet
   c. District Committee on Building & Location
   d. LRC Parish & Community Development Committee, BOGM
   e. LRC Board of Global Ministries

3. The Parish and Community Development Committee will set the date for the grant to be released and will notify the District Superintendent and the local congregation.

4. No church or newly developed congregation may receive more than one grant from the Pioneer Fund. If there is overwhelming evidence that an additional grant is needed to insure success of a congregation and there are no other remedies available to said church or new congregation, an additional grant may be approved after the request and reasons are presented at and approved by the Little Rock Annual Conference at its annual session.

B. LOANS

1. ELIGIBILITY AND LOAN LIMITS
Loans may be made from the principal of the Pioneer Fund. Any church or district may apply for a loan through the Church Extension Secretary of the Little Rock Conference Board of Global Ministries. The maximum amount of any loan will be two hundred thousand dollars ($200.000). No church or district may apply for more than one loan at a time. All outstanding loans must be repaid in full before any additional applications for the church or district will be accepted.

2. INTEREST RATES
The interest on these loans will normally be lower than interest a church or district could secure on a loan in the local market. The maximum amount of interest that may be charged on any loan will be the Little Rock prime rate at the time the loan is issued. The interest will be established by the Parish and Community Development Committee after consultation with the Conference Treasurer or the United Methodist Foundation of Arkansas.

3. REPAYMENT SCHEDULE
The repayment of the loan will be arranged between the Parish and Community Development Committee and the church or district and will include both the principal and interest. Early repayment of the loan is recommended and urged. Only in the most severe cases will loans be extended. In these instances readjustment of the principal and interest is mandatory.

4. A loan may never be converted to a grant.

5. APPROVAL AND NOTIFICATION
All applications for loans must have the approval of the District Superintendent and be submitted on forms supplied by the Little Rock Conference Church Extension Secretary. When a loan is approved, the Church Extension Secretary will notify the applicant when the funds will be available.

6. GUARANTEES
There must be Performance Bonds and insurance coverage to insure the completion of the project to which the loan is given. This requirement is for projects of $10,000.00 or more.

EQUITABLE COMPENSATION POLICY

I. PREAMBLE

1. The primary responsibility for payment of pastoral base compensation remains with individual pastoral charges (DP 722.4)
2. A local church exists to serve, not to be served. All churches should be motivated to a larger sense of ministry. Churches whose pastors receive salary subsidy should be open to linkage with other churches, in order to provide full -time ministerial conference members with a minimum workload goal of around 200 members, or at least three (3) churches, which the Commission believes to be those necessary to support a full- time minister. Smaller churches should be encouraged to accept couplings with each other to reduce the need for salary supplement over a reasonable time period.
3. Equitable/appropriate salary levels can best be met when appointments are open to all ministerial members without regard to sex or race.
4. Growth in stewardship should be achieved by all below-minimum remuneration churches. Evidence of stewardship education and growth should be provided, when salary subsidy is sought.

II. EQUITABLE SALARY

1. The Equitable Compensation Fund shall be used to provide each pastor who receives less than the minimum base compensation (MBC) with an additional amount sufficient to make the base compensation approved by the pastoral charge plus the supplemental aid or income from other sources equal to the MBC approved by the conference. (DP 722.8)
2. The minimum base compensation for a pastor approved by the Annual Conference for 1995 shall be:
   A. Full- time Full Member -$22,000
   B. Full -time Associate Member or Probationary Member -$21,000
   C. Full -time Local Pastor -$20,000
3. All requests for Equitable Salary Grants (ESG) shall be received and acted upon each year before Mission Salary requests are considered. Equitable Salary needs shall have prior claim on available funds.
4. Equitable Salary grants shall have prior claim over Mission Salary grants in the event of insufficient funds.
5. In the event of insufficient funds to pay all Equitable Salary grants in a year, each ESG shall share proportionately from the available funds.
6. Churches/charges with associate pastor(s) shall not be eligible to receive Equitable Salary grants.
7. In a church/charge with pastoral salary below the minimum base compensation set herein, all salary increases, up to the MBC, will not result in a reduction in the Equitable Salary grant to the church/charge. All salary increases over the MBC will result in 1/2 the amount of the salary increase being deducted from the Equitable Salary grant to the church/charge.
8. A church/charge shall make application for Equitable Salary grant to the Commission through the District Superintendent no later than January 10.
9. A church/charge receiving an Equitable Salary grant shall accept in full its annual conference apportionments for the coming year, and shall be expected to pay its conference apportionments in full.
10. The District Superintendent shall work with each church/charge receiving Equitable Salary grant to develop a sound financial policy and goals, including a

yearly budget and every- member financial campaign. The Commission may request written proof and reports on such efforts before considering or granting any request for Equitable Salary funds.

11. The Commission shall report the amount of Equitable Salary Grant paid during the fiscal year to each church, charge and pastor prior to Charge Conference, and the District Superintendent shall also report the same information at the Charge Conference for the church..

12. The Commission shall recommend to Annual Conference the amount for Equitable Salary grants. The Commission shall also then recommend the maximum amount of such grant a church/charge may receive (DP722.8).

13. In exceptional cases approved by the Cabinet, any of requirements 6. -12. above may be waived by vote of the Commission.

14. Pastoral assignment shall be full- time (DP 441 & 441.1) except that the Commission shall consider applications whose pastoral supply is appointed in accordance with DP 441.2 & 437.2. Based on current MBC, less -than- full- time appointments of ordained ministers shall be paid as:

15. This policy of fund distribution shall be effective in June of 1994, if approved by the Annual Conference.

III. MISSION SALARY

1. Mission Salary grants are not specifically defined in the Book of Discipline, but shall be any pastoral salary supplement grant that is not for the purpose of complying with the minimum base compensation requirement (II. above). Examples of Mission Salary grants might be: (1) "new church" or "missional" development situations, (2) cooperative parish ministries, (3) inner city ministries, (4) rural ministries, (5) cross- racial appointments, or (6) other specialized ministries.

2. The Commission may designate a portion of the Equitable Compensation Fund (ECF) for Mission Salary Grants, provided the total of the annual Mission Salary grants (MSG) added to the total of Equitable Salary Grants (ESG) for the same year shall leave a balance in the Equitable Compensation Fund (ECF) of not less than the total of ESG + MSG for the year, it being the policy that a "reserve" equal to the current year's funding needs shall be maintained.

3. Mission Salary Grants (MSG) may be (1) in addition to Equitable Salary Grants (ESG), or (2) independent of ESG.

4. The District Superintendent shall work with each church/charge seeking a MSG to develop a sound fiscal policy, which shall include a yearly budget and financial campaign. The Commission may request a written report from the District Superintendent and church before making such a grant.

5. Requests for MSG shall be made in the same manner and time as ESG requests.

6. In exceptional cases, on recommendation from the District Superintendent, the Commission may waive No. 4 of this section.

7. All MSG shall be reported to the church/charge and to the Annual Conference.

IV. ADJUSTMENTS

1. Adjustments to ESG and MSG may be made by the Executive Committee of the Commission (Chair, Vice-Chair, and Secretary) at the beginning of the fiscal year,

or when appointments are made, or when such adjustments are necessitated by change of pastor or realignment of church or charge, or when a new salary arrangement is voted by a Charge Conference, upon written request from the District Superintendent to the Commission Chair and the Arkansas Area Treasurer.

PARSONAGE GUIDELINES
The Little Rock Annual Conference of the United Methodist Church
Adopted 1993

The Book of Discipline is clear concerning the Annual Conference's role in setting guidelines for parsonages and the use of parsonages. (For reference in the 1992 Book of Discipline, refer to paragraphs 257.3f, 270.2f(4), 907.4, 2503.2-.4, 2508, 2518, 2523, 2528.1 & .4, 2544, and 2545.) It is suggested that each Pastor-Parish Relations Committee (PPRC) review annually these guidelines to insure adequate housing for all clergy and their families.

It is important for local churches across the conference to follow these guidelines to the best of their ability to reduce the differences in quality, size, and equipment from parsonage to parsonage. Furthermore, these guidelines should be considered when a congregation is in the process of building, buying, or remodeling a parsonage.

Guidelines

1. **Bedrooms.** There should be at least three bedrooms of standard size with ample closet space in each. It is recommended that one room on the main floor of any two story parsonage be adaptable for use as a bedroom.
2. **Bathrooms.** A parsonage should have at least two bathrooms. One could be with a shower only, and the one on the main floor should be a combination tub and shower.
3. **Kitchen.** The minimum kitchen should include: adequate cabinet and counter space, sink, stove, refrigerator with frozen food storage, garbage disposal (if sewer lines and septic tanks do not make this impossible,) dishwasher, good lighting, and adequate electrical outlets. A breakfast area is desirable. Other appliances shall include a washing machine and clothes dryer. An adequate supply of hot water shall be provided.
4. **Living/Dining Areas.** An adequate living area for family life and entertaining guests must be provided. Depending upon the needs of the setting, this could be a combination of the following rooms/areas: living room, family room, dining room, or great room.
5. **Study.** It is preferable for the pastor's office to be in the church buildings. However, the parsonage may be equipped with space for a study. Every parsonage should have adequate bookshelves.
6. **Closets.** Adequate closet and storage space should be provided throughout the house.
7. **Garage.** A two car garage or carport with storage for tools and yard equipment should be provided.
8. **Energy Efficiency.** It is recommended that conservation of energy be considered when purchasing appliances, when re- modeling, and when purchasing a new parsonage.
9. **Heating/Cooling.** A central heating/cooling system with the capacity to properly heat/cool the entire habitable part of the house and the proper thermostatic controls should be provided. The pastor shall be responsible for changing furnace filters to insure the safe and efficient operation of the system. The church shall provide all other maintenance of the heating and cooling system.
10. **Window Coverings.** Appropriate and tasteful curtains, drapes, shades, or other window coverings shall be provided for all rooms of the parsonage. Safe storage of unused window coverings shall be provided by the pastor.
11. **Utilities.** The cost of all utilities shall be the responsibility of the pastor residing in the parsonage. At least two phone outlets shall be provided.
12. **Insurance.** The church is responsible for payment of insurance for the property. It should include home-owner type coverage, and the insurance shall cover at least 80% of the replacement cost of the parsonage, related structures, and church-owned furnishings. It is recommended that the pastor obtain additional coverage to insure personal belongings and furnishings.

13. **Parsonage Furnishings and Equipment.** The Little Rock Annual Conference defines *"adequate housing"* as a house comparable to the average homes of the congregation in condition and size, including furnishings and other equipment. However, it is suggested that one bedroom be left unfurnished in al parsonages. As applicable, the local church shall furnish a breadfast table, formal living room furniture, formal dining room furniture, den/family room furniture, bedroom furnitrure (except as noted above), sufficient lighting, and floor covering. It is expected that the minister shall provide nonessential items such as a t.v., microwave oven, pictures, and accessories. It is permissible, and even encouraged, for the pastor to provide personal furnishings, as this is their home. The Pastor shall work with the Parsonage Committee to provide for safe storage of unused local church parsonage furniture.

Parsonage Maintenance

14. **Local Church Responsibilities.** The local church's Board of Trustees shall properly maintain an adequate and comfortable home in good condition for the pastor and his/her family. At the convenience of the pastor's family, the chairperson of the Trustees and the chairperson of the Pastor-Parish Relations Committee shall inspect the home annually to determine maintenance needs, to up-grade the parsonage to comply with these guidelines, and to establish any improvements to meet the needs of the pastor and his/her family. Also, the church shall provide for termite and pest control.

    Each year the local church budget should include money for the maintenance, redecoration, and landscaping of the parsonage. A record of all appliance instruction books, warranties, cutoff valves, meters, water and sewer lines, and other similar materials shall be filed with the church's records. An inventory of all church owned furnishings shall be maintained. The local church shall inform the pastor of who has keys to the parsonage.
15. **Pastor's Responsibilities.** The pastor and her/his family should care for the parsonage as a good steward of the property. Families shall exercise care so that the parsonage is not abused; this includes professional pest control for parasites from pets. The pastor is responsible for any damage caused by pets, personal guests, and family members. The pastor is responsible for cleaning the parsonage when moving out, including costs for cleaning residual tobacco smoke.
16. **Parsonage Grounds.** The yard and lawn around the house shall be well drained. The yard shall be tended by the pastor and her/his family. If the lawn is unusually large or requires a great amount of time to maintain, the church should assist the pastor. Landscaping and exterior care of the parsonage is the church's responsibility.
17. **Mutual Responsibility Covenant.** It is recommended that the Trustees and/or the Pastor Parish Relations Committee create a written covenant with the pastor spelling out the responsibilities of each. The covenant can be reviewed and updated yearly. The covenant should include provisions for restoration of personalized decorating. Redecorating should be done regularly with full consultation with the pastor.
18. **Barrier Free Concerns.** It is recommended that all parsonages built or remodeled in the future consider the needs of physically challenged persons.
19. **Safety.** All safety related factors should be considered. The church shall supply each parsonage with at least two operable fire extinguisher. Smoke detectors shall be installed on each floor of the house, including the basement.

Administration of the Guidelines

20. **Time.** These guidelines become effective immediately upon adoption by the conference.
21. **Sub-standard Parsonages.** All churches are urged to move toward full compliance with these guidelines. District Superintendents shall keep a record of parsonages that are not meeting these guidelines.

22. **Parsonage Committee.** A local church may appoint a Parsonage Committee to lead the congregation in implementing these guidelines, and for the on-going maintenance of the parsonage. Membership of a Parsonage Committee shall include the chairs of Trustees and PPRC as ex-officio members with vote, and a minimum of three at-large members elected by the Charge Conference and divided into three year terms in classes. The at-large members may not succeed themselves. The pastor and her/his spouse shall complete the committee's membership.
23. **Pastoral Changes.** When there is a pastoral change, the house shall be reviewed by the chairpersons of Trustees and PPRC with the pastor to make a list of needed repairs. The local church shall make provisions to complete all repairs before the succeeding pastor moves into the house. When moving day arrives, a final "walk through" conducted by the pastor with the chairpersons of Trustees and PPRC shall occur for a final assessment. (A form signed by the persons doing the assessment will be provided by the district superintendent; one copy will be referred to the district superintendent and the other will be given to the parsonage committee/trustees for action.**per 1996 conference action.*) Before a move, the departing pastor shall invite the incoming pastor to see the parsonage. Any redecorating should include the incoming pastor's consultation.
24. **Housing Allowances.** In certain and limited situations, a housing allowance is permissible. A decision to exercise this option shall be made with approval of the Pastor Parish Relations Committee, the Board of Trustees, and the Pastor. The District Superintendent shall be informed of the church's consideration of this option before any action is taken.
25. **Publicity of Guidelines**. The conference shall make copies of the guidelines available to all churches and pastors upon adoption, and the Conference Journal shall publish the guidelines once each quadrennium.
26. **Charge Conference**. The District Superintendent shall ask questions concerning the parsonage and its compliance with the guidelines annually at the Charge Conference.

RENTAL/ HOUSING ALLOWANCES POLICY FOR RETIRED MINISTERS

WHEREAS, the religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired and disabled ordained or license minister of The United Methodist Church are considered as deferred compensation and are paid to said retired and disabled ordained or licensed ministers in consideration of previous, active service, and

WHEREAS, the Internal Revenue Service has recognized that the Little Rock Annual Conference is the appropriate organization to designate a housing/rental allowance for retired and disable ordained or licensed ministers who are members of this Conference.

NOW THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received during the year of 1997 be and is hereby designated as a rental/housing allowance for each retired and disabled ordained or licensed minister of the United Methodist Church who is or was a member of the Little Rock Conference at the time of his or her retirement;
2. This rental/housing allowance shall apply to each retired and disabled ordained or licensed minister who has been granted the retired relation or placed on disability leave by the Little Rock Conference and whose name and relationship to the conference is recorded in the Journal of the Little Rock Conference and in other appropriate records maintained by the conference.
3. The pension payment to which this rental/housing allowance applies shall be the pension payment resulting from all service of such retired and disabled ordained or licensed minister from all employment by any local church, Annual Conference or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension funds of The United Methodist Church for such retired minister's pension.

NOTE:

The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul 71-290 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a "rental allowance" is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities."

SEXUAL HARASSMENT POLICY

Because the church's mission relates to the call in Christ to be a church for all persons, a safe place where each can receive and give ministry with the gifts God freely bestows; because the will of the General Conference as recorded in the *Discipline* and the Resolutions is to be a church of justice and mercy; and because we trust that God'sgrace is at work;

THEREFORE, this policy of the Little Rock/North Arkansas Annual Conference addresses the conduct of the clergy and church professionals (consecrated and certified) in order:

1) to provide for the safety of parishioners and clergy/church professionals,
2) to protect the unique relationships which clergy/church professionals have with peers and parishioners in all settings,
3) to ensure the health, authenticity, and integrity of the church.

This policy is submitted to the Annual Conference in faithfulness to the call to Equality in Christ (Galatians 3 :28) and to the mandate of the General Conference as recorded in the Social Principles and the 1992 General Conference resolution, "Sexual Harassment in the United Methodist Church."

Sexual harassment is an unwanted behavior with a sexual connotation. It is any sexually related behavior that is unwelcome, offensive, depersonalizing, or which fails to respect the rights and feelings of others. It may be verbal or physical conduct of a sexual nature. Such behaviors create an intimidating, hostile, and offensive environment.

This policy is based upon an understanding that protects all persons and which acknowledges the clergy/church professionals' inherent position of power and total responsibility-- moral, ethical, and professional-- for maintaining conduct worthy of the sacred trust and power placed in them.

This policy is intended to provide an additional informal process for the resolution of grievances within the North Arkansas/Little Rock Annual Conference. It is not intended to supplant or substitute for the formal grievance process and its attendant fair process protections in *The Book of Discipline.* It is intended to assist persons to reach resolution or reconciliation prior to moving into the formality of the Disciplinary grievances. Failure to utilize or follow any of the procedures herein is not a chargeable offense, nor can it be used as grounds for an appeal of a formal grievance, complain, review, investigation, or trial process.

Local churches are encouraged to utilize this policy in the formulation of policies for all their employees.

PROCEDURES

A. **If you experience what you consider to be inappropriate behavior,** keep a written record of your experiences including dates, times, places, and witnesses. Keep any written material you may have received from the person.

You may wish to confront the person with the inappropriate behavior and demand that it cease.

If you choose not to confront the person alone, you may ask someone to accompany you to confront the person and seek reconciliation.

If you choose not to confront the person, or if the behavior continues, report the incident to the chair of the person's appropriate evaluating committee (e. g ., a pastor or church staff member would be reported to the chair of the staff/parish relations committee; a district superintendent to the chair of the committee on superintendency; a bishop to the chair of the committee on episcopacy).

If the conflict is not resolved to your satisfaction, the committee chair shall convene the entire committee to meet with the accused, the person bringing the accusations, and each supporting person.

If the situation is not resolved satisfactorily following these efforts, then follow the Discipline's procedures for grievances, complaints, and charges.

B. If you are confronted by someone who has experienced or observed inappropriate behavior on your part, listen to the accusation and agree to change the behavior or otherwise resolve the situation and reconcile the relationship.

If you are unable to resolve the situation with your accuser, contact the chair of your appropriate evaluating committee. Ask to meet with your accuser and the committee chair to resolve the conflict. The accused and the person bringing the accusation each has the right to bring a supportive person to this meeting.

If the conflict remains unresolved, the committee chair shall convene the entire committee to meet with the accused, the person bringing the accusations, and each supporting person.

C. If you receive a report of inappropriate behavior, listen seriously and objectively. Help the person follow the steps outlined above.

If you are a clergy/church professional in a paid supervisory position in the local church or a conference agency, and an employee is being harassed, you should immediately take corrective or preventative action.

According to Arkansas law, any person receiving a report from a child under age 18, indicating sexual abuse of that child, is required to report the abuse to the proper authorities.

IMPLEMENTATION

Following initial training for all clergy/church professionals in March 1994, they should receive training periodically, provided or approved by the Board of Ordained Ministry or Board of Diaconal Ministry. Training will be provided by the Board of Ordained Ministry/Board of Diaconal Ministry on a regular basis for persons being appointed for the first time in the Annual Conference.

Local churches are urged to participate in educational opportunities on sexual ethics and conduct. Agencies and affiliated institutions are strongly encouraged to provide educational opportunities on sexual ethics and conduct.

VACATION GUIDELINES FOR APPOINTED PERSONNEL

We recommend that all appointed personnel be granted a minimum of two weeks vacation annually and that additional vacation time should be granted to appointed personnel with due consideration being given to accumulated years of service. Time for continuing education which is required by THE DISCIPLINE and time for district and conference leadership responsibilities such as attending annual conference and working in the camping program should not be counted as vacation time.
