NEW CENTURY SERVICE PROGRAM FOR 1930-1931 FOR ANNUAL CONFERENCE CONSIDERATION

Dear Brethren:

The meeting of the General and Annual Conference officials held in Baltimore last May considered and approved the following program in behalf of New Century Service and I was authorized to submit it to our Conferences at their annual meetings this Fall. It is not a complicated plan but one which if followed through should be productive and satisfactory. I am therefore asking you to give this paper your earnest consideration and approval.

1. The Conference is requested to authorize a visitation of all the churches within its district, under Conference direction and, soon after adjournment, for the presentation of the question of the annual and general Conference benevolences; to discuss with the officials of the churches particularly the occasion and need of these budgets and to secure a definite decision on the part of the churches of their cooperation.

2. In order to make this visitation the Conference is further asked to raise up a Committee or Commission, with the President as chairman, to direct the activities necessary. This may be the New Century Service Commission, the Budget Committee or a special Visitation Committee as the Conference may prefer. This Visitation is to be made by the ministers and laymen of the Conference selected by the directing committee.

3. The New Century Service office in Baltimore will be prepared to put into the hands of the committee further definite plans for Conference organizations for this Visitation as well as plans for the local churches. These of course may be supplemented or amended by the local groups.

4. The Secretary of the Conference is requested to notify my office as early as possible the action of your Conference and to send me the names, with addresses, of the members of the Conference Committee.

5. I enclose herewith a form for the arrangement of the Conference Minutes which also was approved at the Officials' Conference. It is part of an effort to secure a uniform arrangement for all our Conference Minutes. There is now a great di-

MINUTES ARK. ANNUAL CONFERENCE M. P. CHURCH

versity. Your Conference is asked to adopt this general outline which is sufficiently flexible to accommodate itself to all annual Conference requirements.

I trust your session may be blessed of the Lord and that your coming year may bring great fruitage to the Kingdom.

Fraternally yours,

James H. Straughn,

Secretary-Treasurer for
Promotion Work.

New Century Service Office

516 N. Charles St. Baltimore, Md.

This program was adopted by the Conference.

REPORT OF BOARD OF YOUNG PEOPLES' WORK

As Chairman of your Board of Young Peoples' Work, I wish to make the following report:

After complying with the request of our Executive Secretary Dr. Little with reference to re-organization of the Young Peoples' Work under the name of Council of Christian Education, we immediately outlined the work for the past year, and have endeavored to carry out the plans of the Council the best we could under the circumstances and with what means we had at our disposal to do it with.

Our first school of methods was at Rector last February where we offered a course in one of the Standard units, "The Old Testament." There were twenty-seven who enrolled for the work and took the credit.

Our next school was at Village, Arkansas, where we offered two units in the Young Peoples' Department and one Standard unit. We had forty-three enrolled in the school there all of whom secured credit. About twenty of who were in the Standard unit class.

Our regular summer conference which we planned to hold at Pettit Jean Mountain, was held at Magnolia instead, because the attendance or promise of enrollment was not sufficient to justify us carrying it to Pettit Jean. We had only 26 to enroll for this school on account of a quarantine which had been laid upon one adjoining community because of an outbreak of infantile paralysis. Three units were offered in this school in the Young Peoples' Department, and one Standard unit. In all we

MINUTES ARK. ANNUAL CONFERENCE M. P. CHURCH

have held three schools with 125 enrolled pupils all of who, I believe, received credits.

This effort this year has well justified the sacrifice and expenditure, besides revealing the fact that if we are ever to have a trained leadership among our people we must take the training school to the community. We trust that some means can be provided whereby we may be enabled to hold a number of such school all over the conference another year.

The financial statement of the Board will be given in the report of the Treasurer.

Very truly,

J. A. Wade, Chairman.

REPORT OF CHURCH EXTENSION BOARD

As Chairman of your Church Extension Board I wish to make the following report for the past year:

We have not held a regular meeting since our last Annual Conference, on account of there being no business which would justify the expense in calling the members of the Board together.

We have written a number of letters of inquiry with reference to alleged holdings of the Board, which were reported to have come into our possession through the discontinuance of churches at different places.

We sold the old dilapidated church we had at Umpire, Arkansas, for \$15.00, retaining the church lot.

We sold the white oak timber on the forty acres of land which we have near Mt. Vernon church in Columbia County, for \$50.00.

We made an estimate of the pine timber on this land at the time we estimated the oak timber, also took into cognizance the value of the land. We have some valuable timber on this land, and it is a forty that would be suitable for cultivation when the timber is removed.

The Financial statement of the Board will be given with the Treasurer's report.

Yours very truly,

J. A. Wade, Chr.

REPORT A

To the Members of the Fifty-first Session of the Arkansas Annual Conference of the Methodist Protestant Church assembled in Macedonia Church, October 31st.

MINUTES ARK. ANNUAL CONFERENCE M. P. CHURCH

Dear Brethren in Christ:

In the name of Him who said, "All power is given unto me in heaven and in earth. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: and, lo, I am with you alway, even unto the end of the world," I greet you. At His command you have gone into the various fields of labor. Now we meet again in annual session to give an account, in a small way, of our stewardship, and to formulate plans for another year. In all our deliberations may we be conscious of His presence, "For where two or three are gathered together in my name," said Jesus, "there am I in the midst of them." Whoever may be absent, Jesus will be present.

CALLED TO THEIR REWARD

Our ministerial ranks have been invaded by the enemy, death. Rev. A. V. Savage has gone to his reward; we shall miss him, but our loss is only his gain. Our hearts go out in sympathy to Mrs. Savage and children.

Dr. Davis, editor of the Methodist Protestant Recorder, departed this life to be with Jesus. He belonged to us all, and the church has suffered a great loss in his going. However, we must bow to Him who "doeth all things well."

OFFICIAL ACTS

September 1st, I released the Rev. N. B. Blackman from Rector Station at his request.

October 22, I gave the Rev. L. M. Lawhon a transfer to the Texas Conference at his request.

RECOMMENDATIONS

1. That each pastor organize a missionary society in each church on his charge, if possible. This will not only mean an increase in New Century Service, but it means that the church will grow along all lines. I do not know of a more progressive move than to organize the women of our conference.

2. That the Church Paper Campaign be continued until it reaches every Methodist Protestant home. How can we be intelligent Methodist Protestants without reading our church paper?

3. That our own literature be used in all of our Sunday Schools. It compares favorably with any literature, and is the best for Methodist Protestants.

MINUTES ARK. ANNUAL CONFERENCE M. P. CHURCH

4. That we cooperate in every way possible with Dr. Straughn, Promotional Secretary, in bringing the General Conference Program to our people. And especially do I urge your cooperation in the "Visitation Campaign," scheduled to take place immediately after the close of this session, and which is to be made in the interest of New Century Service. A committee has been appointed to work out details.

SUMMARY

During the year I have preached 135 times, assisted in Young People's Training Schools, held many quarterly conferences, and most all of the fourth quarterly conferences, called four group meetings of pastors, mailed out 361 letters, and traveled about fifteen thousand miles.

I may have come short of your expectations, but I have tried to the best of my ability to carry out your program, "Taking the oversight thereof, not by constraint, but willingly; not for filthy lucre, but of a ready mind; neither as being lord over God's heritage, but being an ensample to the flock." "And when the chief Shepherd shall appear," I hope, with the rest of you, to "receive a crown of glory that fadeth not away."

"Now the God of peace, that brought again from the dead our Lord Jesus, that great Shepherd of the sheep, through the blood of the everlasting covenant, make you perfect in every good work to do his will, working in you that which is well pleasing in his sight, through Jesus Christ; to whom be glory for ever and ever. Amen."

W. R. Clower, President.

COMMITTEE ON NEW CENTURY SERVICE

Dear Brethren:

Your Committee on New Century Service is of the opinion that our Conference can and will do more for the general benevolences of our church than we have been doing. Our report this Conference will show a gain over that of last year for which we are very thankful. We realize that the needs of the Kingdom are great, but further that our only practical means of co-operation is through the general agencies of our own denomination. We append herewith the New Century Service plans for this year. requesting us to appoint an annual conference committee on visitation of churches whereby the benevolences may be stimulated.

We approve of this plan and that we instruct our commission to follow it as far as they can. We also request that the plan of visitation be published in our minutes.

As one means of increasing our offering, we recommend that each and every church in the conference observe each one of our special days and raise an offering of at least five dollars. This is in the reach of all our churches and if done will greatly help the cause.

We further recommend that all our pastors cooperate in the organization of Women's' Auxilliaries in all our churches.

REPORT OF COMMITTEE ON MISSIONS

1. Be it resolved that the Arkansas Conference of the Methodist Protestant Church accept the plans of our Board of Missions and merge our societies.

2. Resolved further that we as the herald of the cross accept our share of responsibility of carrying on these plans.

3. That our pastors be required to give more of their time to mission work. We feel that by so doing, it will inform our people as much as preaching.

That our pastors inform the people that each and every rally day service we hold in our churches is cooperating with our Boards for the purpose of saving lost souls, and also working in harmony with our General Conference.
