## REPORT A

### PRESIDENT'S REPORT

sas Annual Conference of the Methodist Protestant Church as-

To the members of the Fifty-Second Session of the Arkansas Annual Conference of the Methodist Protestant Church assembled in Village Church, October 30, 1931.

Dear Brethren in Christ:

"Grace be to you and peace from God the Father, and from our Lord Jesus Christ, who gave himself for our sins, that he might deliver us from this present evil world, according to the will of God and our Father: To whom be glory for ever and ever. Amen."

God in his gracious providence and mercy has been good to us. Our ministerial ranks have not been invaded by the enemy, death; we are all here, for which we are thankful. Many of you have been handicapped on account of the depression and could not do what is in your hearts to do. However, some report fine revivals with many souls saved. I shall mention a few: Rev. J. W. Simmons reports more than one hundred conversions and additions to his charge; Rev. Jack Glass reports more than one hundred conversions and a large number added to his churches. Rev. I. A. Love, Rev. J. W. York, Rev. E. L. Hogue,

## MINUTES ARK. ANNUAL CONFERENCE M. P. CHURCH

Rev. Bennie Pierce, and others that I do not call to memory just now report good meetings. This is proof that God has not deserted his people, "But in every nation he that feareth Him, and worketh righteousness, is accepted with Him."

### Official Acts.

November 4, I assigned Rev. W. O. Tisdale to Bethel Church, Village Circuit. The following were assigned to Emerson Circuit; Rev. T. W. Nunn to Emerson Church; Rev. G. C. Chambers to Ware's Chapel; and Rev. S. N. Adams to Mt. Zion. November 9, 1930, I transferred Rev. N. B. Blackman to the Iowa-Missouri Conference; and on October 21, 1931, I received Rev. A. E. Clower's transfer from the Iowa-Missouri Conference, which has been handed to the committee on Itinerancy and Orders.

### RECOMMENDATIONS

1. Realizing as I do the great work the women of our church are doing where they are organized, I urge that our pastors put forth every effort possible to organize a missionary society in each church.

2. That our church paper if possible be placed in every home. How can we be intelligent Methodist Protestants without reading our own church paper?

3. Since the Methodist Protestant Church of tomorrow is determined by what we do with our young people of to-day, I urge that every pastor cooperate with Rev. Lawrence Little, D. D. and Rev. F. L. Gibbs in arranging training schools in the Arkansas Conference for another year. Lay plans and work to that end.

### SUMMARY

During the year I have preached from one to five times each week, held several group meetings, mailed out more than three hundred pieces of mail, held most of the fourth quarterly conferences, and traveled about fifteen thousand miles. I have answered every call, many times not receiving expenses. I may have come short of your expectations. I have tried, however, to the best of my ability to carry out your program. Whatever we have been able to accomplish has been due to the goodness of God and the splendid co-operation of you brethren.

May the Holy Spirit be present to clear our minds and

## MINUTES ARK. ANNUAL CONFERENCE M. P. CHURCH

warm our hearts in all our deliberations; may our communion and fellowship together be sweet. As the Psalmist David has said: "Behold, how good and how pleasant it is for brethren to dwell together in unity! It is like the precious ointment upon the head that ran down upon the beard, even Aaron's beard that went down to the skirts of his garments; as the dew of Hermon, and as the dew that descended upon the mountains of Zion, for there the Lord commanded the blessing, even life for evermore."

May the grace of our Lord Jesus Christ be with you all.

Respectfully submitted,

W. R. CLOWER, President

### REPORT E

#### COMMITTEE ON EDUCATION

We, your committee on Education beg leave to submit the following report :

1. It has been our observation, it stands as a living fact of history, that no institution of learning ever existed for any length of time or ever will exist without the moral and financial support of a loyal constituency.

2. Again no periodical can continue to be published and make its weekly or monthly visitations as a medium of education without the support of those who should be loyal to the cause for which it stands.

3. Furthermore neither can a church or denomination long exist and do business for the Lord unless she demands an efficient leadership to carry on.

Therefore in view of the above facts, we urge every loyal Methodist Protestant in the Arkansas Annual Conference to pledge their support to the institutions of our beloved Zion.

Respectfully submitted.

J. E. BUTLER, Chairman.

### REPORT OF BOARD OF YOUNG PEOPLE'S WORK

We, Your Board of Young People's Work, wish to submit the following report:

The members of the Executive Committee being so badly scattered this year, we were not able to work out plans for a summer conference. Our Conference is so badly scattered also, it becomes necessary for us to arrange a conference for each end of the District. The place has been the great object with us, and in view of that fact we trust that something might be arranged definitely for a permanent place to hold these conference from year to year.

The Board has been informed that Rev. Jack Glass has a proposition by which a location might be secured in the north end of the conference and we wish the same might be done for the south end. We believe that this is the only way to maintain a permanent organization.

Your Dean has been in the Texas Conference this year, and while there he assisted in working out two training schools, and put on a "Vacation Bible School" at his own church, and two six-night Bible units, and One Standard Unit. We are convinced that this is the way to get this work over to our churches. Plans are now under way by which a Standard school might be held in the North end and one in the South end of the conference this winter.

Taking into consideration what was reported by the Com-

mittee on Itinerancy and Orders, we would recommend that the conference go on record as endorsing a Bible school held in connection with this work for the benefit of the undergraduate in our conference.

Very sincerely,

J. A. WADE, Dean,  
I. A. LOVE, Acting Pres.

#### **COMMITTEE ON CHURCH EXTENSION**

We, your committee on church extension wish to make the following report:

After carefully considering the report of the Board of church extension we recommend that the report of said Board be adopted as a whole. And that its members be given proper authority by this conference to transact business of the Board.

Rev. W. W. Fincher,  
Rev. E. L. Hogue,  
Mr. John Wells,  
Mr. J. H. Hearne.

#### **REPORT OF THE CHURCH EXTENSION BOARD**

To the Fifty-Second Session of the Arkansas Annual Conference now in session: We, your Church Extension Board wish to submit the following report:

Only two matters have come before your Board this year. One with reference to the sale of the one-acre church lot known as New Vernon, four miles N. W. of Magnolia, and one with reference to certain timbers cut off of a four-acre tract of land above Dierks, Ark.

With reference to the first: We sold the one acre tract to Mr. Brag Dodson for \$15.00, and turned the money over to the Treasurer, of the Annual Conference.

With reference to the second: We recommend that the Board be authorized by this Annual Conference to make settlement with The Deriks Lumber and Coal Company for the 10,361 feet of timber cut at \$4.00 per thousand, more or less at its discretion.

In connection with the timber proposition we have received an inquiry with reference to the sale of the four-acre

tract upon which the timber was located. We recommend that the Board be given authority to dispose of this at its will.

We further recommend that the Board of Church Extension be backed by the Annual Conference in an effort to establish Mission Stations in towns and villages that bid fair for church centers for our denomination.

In view of the fact that the proportion of the Annual budget is small for this work, we recommend that the Finance Committee take this into consideration in making its report.

J. A. WADE, Chr.  
J. M. STEPHENSON,  
W. R. CLOWER,  
J. H. HEARNE,  
J. U. WELLS.

### **REPORT H**

#### **COMMITTEE ON MISSIONS**

2. That should our apportionment be raised, that the increase be accepted and distributed on the same basis.
3. That the Arkansas Branch of the Woman's Missionary Society cooperate with the Church Extension Board in the projects for State Missions.
4. That an equal amount for Church Extension Work be recommended to the District Branch for its acceptance.
