MINUTES ARKANSAS ANNUAL CONFERENCE M. P. CHURCH

REPORT NO. 1

President's Report

To the members of the Fifty-third Session of the Arkansas Annual Conference of the Methodist Protestant Church assembled in Pleasant Grove Church, November 4-7, 1932.

Dear Brethren in Christ:

In the name of the great Shepherd of our souls, "Whose we are and whom we serve," I greet you. In making this, my fifth annual report, I do so with an ever increasing appreciation of the goodness of God and of His divine providence at all times.

We have been passing through testing times. The depression, unemployment, short crops, low prices, etc., have brought about an economic condition that is indeed testing, but in, and through it all God still whispers, "I am the way, follow me."

At Home With the Lord

Death has not invaded the ranks of our active pastors this year. God has been good to us for which we are profoundly thankful, but one of the retired ministers of our conference has slipped away to be with the Lord.

Rev. H. C. Palmer heard the voice of God saying, "Thou hast been faithful over a few things, I will make thee ruler over many things. Enter thou into the joys of the Lord."

Official Acts

January 1, 1932, I assigned Rev. G. B. Pixley to Hickory Valley; May 8, 1932, I assigned Rev. A. N. Stonecipher to Mt. Vernon circuit; June 19, 1932, I assigned Rev. C. A. Calhoun to Magnolia, and August 1, 1932, I assigned Rev. Noah Wilson to Malden circuit, Rev. I. A. Love having resigned, and was given a letter of standing.

Recommendations

1. That each rural church adopt the cotton-patch plan to raise its budget. We have a few churches using this plan now, and they have paid their bills each year. In fact, they do not seem to realize that the depression is on.

2. That the Methodist Protestant-Recorder be placed in every home, if possible. We cannot be intelligent Methodist Protestants without reading our own church paper.

3. That our own Sunday School literature be used. It is second to none, and is the best for Methodist Protestants.

MINUTES ARKANSAS ANNUAL CONFERENCE M. P. CHURCH

Conclusion

We come to the close of another year. We have done our best to carry out your program, and whatever we have been able to accomplish has been due to the goodness of God and the splendid co-operation of you brethren. The grace of our Lord Jesus Christ be with you all.

Respectfully submitted,

W. R. CLOWER, President.

Report of Committee on Young Peoples Work.

We, your committee on Young Peoples Work, wish to submit the following report:

We recommend:

1. That each Sunday School and Christian Endeavor Society do its utmost to send at least one member to one of our summer Leadership Training Schools.

2. That where possible the teachers in our Sunday Schools be requested to take at least one Standard Leadership Training unit each year.

3. That where impossible to attend Leadership Training School that the teachers in the Sunday School be requested to take one of the units by correspondence which are offered by the Department of Christian Education.

4. That those desiring information relative to any of these items address Rev. Ralph Clayton, Magnolia, Arkansas, or F. L. Gibbs, Westminster, Md.

Respectfully submitted,

RALPH CLAYTON, Chairman

Supplement to Report of Committee on Young Peoples Work.

To the Members of the Committee:

In making up your report for the Annual Conference please urge the cooperation of all leaders of your conference in the following worthy projects being promoted by the Department of Religious Education, Westminster, Maryland.

We recommend that every pastor cooperate in:

1. Summer Conference Leadership Training Program, to be held in Haynesville, Louisiana, August 7th to 13th, 1933.

2. Leadership Training through the national office, Seminary Building, Westminster, Md., via correspondence.

3. Organization of local classes and schools in local churches and centers of Methodist Protestant population. Let "Every Church Training Every Leader" be our motto and goal.

4. Make use of Circulating Library. We have about 2,000 volumes of the latest and best books in the field of church work. Write for catalogue.

MINUTES ARKANSAS ANNUAL CONFERENCE M. P. CHURCH

REPORT NO. 6

Report of Church Extension Board

We, your Church Extension Board, wish to submit the following report:

In pursuant to the last Annual Conference's orders we made settlement with the Diericks Lumber Co., through the President of the Conference, for the timber they cut off of the Board's property, at \$4.00 per thousand.

Sometime the latter part of June we received an application from the President of the Annual Conference for a loan of \$125.00 to help defray the expenses of the delegates to the General Conference. We immediately called a meeting of the Board and granted the loan.

Some time about the first of July we received the resignation of J. W. Simmons as acting treasurer of the board, and called a meeting of the board and elected Mr. J. U. Wells, a member of the board, as secretary.

In view of the urgent needs of our Annual Conference for funds to carry on the work of the Conference we recommended the following:

1. That the account specified above \$125.00 be canceled.

Respectfully submitted,

J. A. WADE, Chairman

MINUTES ARKANSAS ANNUAL CONFERENCE M. P. CHURCH

We, your Committee of Church Extension, have accepted the report of the Church Extension Board, excluding the last paragraph which should be referred to the Committee on Finance.

4. That a special day be observed in December, and one in October to be known as "Home Service Day," on which offerings shall be taken for the Annual Conference claims.

5. That a collection be taken in each revival meeting, and the amount raised be sent to the Conference Treasurer for the Superannuate fund to be governed by the Conference, and the Committee on Superannuates.

6. That an apportionment of \$1.00 be made to each Sunday School and C. E. Society on circuits, and \$1.50 on stations, and the amount collected be forwarded to Mrs. Estelle Whitley, Treasurer for Young Peoples Work.

7. That each local church be asked to plant a cotton patch, and apply the proceeds therefrom toward paying its General and Annual Conference claims on equal basis.

REPORT NO. 8 Committee on Education

We, your Committee on Education, wish to submit our report.
After careful consideration of the report made by the Committee

MINUTES ARKANSAS ANNUAL CONFERENCE M. P. CHURCH

on Education at the last Annual Conference we embody it in this report as follows:

1. It has been our observation, it stands as a living fact of history, that no institution of learning ever existed for any length of time or ever will exist without the moral and financial support of a loyal constituency.

2. Again no periodical can continue to be published and make its weekly or monthly visitations as a medium of education without the support of those who should be loyal to the cause for which it stands.

3. Furthermore neither can a church or a denomination long exist and do business for the Lord unless she demands an efficient leadership to carry on.

Therefore in view of the above facts, we urge every loyal Methodist Protestant in the Arkansas Annual Conference to pledge their support to the institutions of our beloved Zion.
