REPORT NO. 1

President's Report

To the members of the Fifty-Fourth Session of the Arkansas Annual Conference of the Methodist Protestant Church assembled in New Prospect Church, November 3, 1933:

In the name of Him who said, "All power is given unto me in heaven and earth." "Go ye therefore and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost . . . and lo, I am with you alway, even unto the end of the world," I greet You:

At His command you have gone into His vineyard. Now we meet again in an annual session of the Conference to give an account of our stewardship for the past year, and to formulate plans for another year. And as we enter into this conference may we be willing for the Spirit of our Lord to lead, guide and direct our every act.

At Home With the Lord

Our Ministerial ranks have been invaded by the enemy, death. Rev. J. L. Nabors has gone to his reward. We shall miss him, but our loss is his gain. Our hearts go out in sympathy to his loved ones and friends.

Official Acts

November 7, 1932, I supplied Camden Circuit with Rev. E. L. Hogue, Silver Hill and Liberty; Rev. G. C. Chambers, Red Hill. March 15, 1933, I released Rev. J. B. Starnes from Hot Springs Circuit. May 1, 1933, I appointed Rev. M. H. Gathright as pastor of

MINUTES ARKANSAS ANNUAL CONFERENCE M. P. CHURCH

Blanchard Springs and Black Grove Churches. May 7, I released Rev. Clyde A. Calhoun from Magnolia church and appointed Rev. Ralph Clayton as full-time pastor to the same. May 7, I granted Rev. J. E. Butler D. D. a letter of standing. May 15, I appointed sister E. Mooty assistant pastor to Rev. Jewel Linam on Prescott circuit. August 1, I appointed Rev. Washington Cook as pastor of Summerfield and Mineral Springs churches. August 15, I appointed Rev. J. M. Stephenson as assistant pastor to Rev. Lasater, Drew Circuit. Oct. 15th, I received Rev. C. A. Calhoun's letter of transfer from the Mississippi Conference.

Recommendations

1. That our church paper be placed in the home of as many church members as possible.
2. That our own literature be used in all of our Sunday Schools. It is as good as any, and is better for Methodist Protestants.
3. That each circuit and station obtain one of our new Registers to replace the old one, and that each pastor keep a complete record of members received, marriages, funerals, baptisms and etc.
4. That the church purchase some Disciplines and present one to each new member.
5. That the old time altar service be reestablished in our churches, and that repentance and consecration be stressed in our preaching. We have too many church members that have no Christian experience.
6. That there be a page in our minutes for an honor roll, and all churches paying the pastors, president's salary and as much as 50% of the conference claims be placed on this honor roll.

Summary

During the year, I have preached one hundred and fifty times, held many of the quarterly conferences, helped in four revivals with good success, mailed out about two hundred pieces of mail, traveled about fifteen thousand miles.

I may have come short of your expectations, but I have tried to the best of my ability to carry out your program. I have done my best to help both the charges and the pastors. Not for money or for honor but that I might please Him who died for me.

Now may we present our bodies a living sacrifice, wholly, acceptable unto God, which is our reasonable service.

"The grace of our Lord Jesus Christ be with you all."

Respectfully submitted.

J. W. Simmons.

3. That more stress be placed upon standardizing the requirements for candidates applying for admission into our Conference.

MINUTES ARKANSAS ANNUAL CONFERENCE M. P. CHURCH

Such standards to be raised by the following methods:

a. That at least one member of the Committee on Itineracy and Orders have the degree of B. D. or its equivalent.

b. That said Committee will not recommend any candidate for ordination except he has a High School Education, or its equivalent.

c. That said committee be required to give a thorough mental test to all candidates before accepting and recommending them to the Annual Conference.

d. That said Committee will in no wise pass and recommend any candidate for ordination without he makes a passing grade in all the subjects required by our Discipline on page 62 par. 36, or their equivalent: Provided, however, that any candidate who has graduated from an accredited Theological Seminary, will be eligible for ordination without pursuing the course of study.

5. That our Ministers and laymen attend our Methodist Protestant Institutions of Learning, and that they patronize same by securing both students and funds for them.

6. That a Minister's Institute be established and held at some convenient time during this year—such time to be determined by a curricula committee of three ministers which will be elected by this Annual Conference, said committee will also arrange to offer such courses that may be helpful to our ministers in devising constructive programs for their respective churches and to select competent teachers to offer same.

7. That each Minister give his hearty support to this Institute, and the Leadership Training school to be held within the district of our Conference.

Report of Committee on Church Extension

We, the Committee on Church Extension, beg to submit the following report:

1. We move that the Conference accept the report of Church Extension Board.

2. We recommend that the Conference make special efforts to establish churches where needed, and be on the lookout for such places. We especially recommend that churches be established at Hot Springs, El Dorado, Reader, Camden, and such other places as have Methodist Protestants with no church organization.

3. Being aware of the fact that the Arkansas Conference is greatly handicapped by its ultra rural character, we recommend that an especial effort be made to establish and maintain Churches in the urban centers of the state, these to form a nucleus for the rural churches.

4. We recommend that the pastors of the various churches avail themselves of every opportunity to appear before audiences and congregations not their own whenever it is possible in order to eliminate the man who lives within five miles of a Methodist Protestant Church and does not know that the denomination exists.

SUPPLEMENT TO REPORT NO. 11

Report of the Church Extension Board

We, your Church Extension Board, wish to submit the following report for the year, 1932-33.

We have held two meetings, but at neither did we have a majority of members of the Board present, however letters of proxies enabled us to transact the business of the Board.

Early in the spring we had a bid from a lumber company to purchase the pine timber on the 40 acres of land which the Board has in Columbia county for \$200.00. We immediately got in touch with the members of the Board and secured authority to close the deal.

We had no more than secured the authority to act until we had a letter from Brother York making applications for the timber to assist in erecting, or rebuilding the Mt. Vernon church on Oak Grove Circuit.

We then immediately took the matter up again with the members of the Board, asking whether to donate the timber to the Mt. Vernon Church or sell for \$200.00. The majority of the members thought it best not to make an appropriation, but to sell the timber for the \$200.00 and let the Conference act in the matter of making the appropriation. So we sold the timber for the \$200.00.

Late in the summer we received a letter from our President asking us to make investigation of the property at Junction City, in which letter he also reported that the old church building had been condemned by the city of Junction City, and that the city had given away to have it torn down. Having already made investigation and reporting to the Conference two years ago the status of this property, and not being given authority to spend more in clearing it up, we have made no further investigation. We do not have a deed to that property, although one was once made, but was never recorded, and is now lost. We perhaps could secure the property by taking it to law and establishing our rights to it. We have not felt that we should do this unless the conference so authorizes.

Our Sec. Treas. will make a financial report of the Board.

We are almost powerless to do anything for the Church because we have practically no funds to do with. If we are to be of any service to the Arkansas Conference, there must be some provision made to bring something into the treasury of the Board.

One project a year with all efforts directed toward it might be of sufficient encouragement to induce those with funds to invest in

MINUTES ARKANSAS ANNUAL CONFERENCE M. P. CHURCH

the Board. There are a number of inviting fields, but we can do nothing toward entering them without funds.

Respectfully submitted,

J. A. WADE, Chairman of the Board.

REPORT NO. 12

Report of the Committee on Resolutions and Fraternal Relations

We, your Committee on Resolutions and Fraternal Relations, wish to make the following Report:

1. With reference to recommendations handed down to us by the S. W. Group Conference we recommend:

a. That Paragraphs 1, 2, 5 and 7 be adopted as read, as they do not alter in any way the requirements of our Discipline.

b. That Paragraphs Nos. 4, 6, 8 and 9 be stricken out.

c. That Paragraph No. 3 be amended to read:

"That the Committee on Itinerancy and Orders be very guarded in receiving applicants for admission into our ranks, and only after the willingness of such applicants have been expressed to be placed on the waiting list, or that such can be profitably and efficiently used by this Annual Conference."

2. With reference to the resolution adopted by the Louisiana Conference and handed to us for our approval or disapproval, we recommend the following:

a. That a commission be elected by the Conference composed of twelve men, to meet with a like Commission from the Louisiana Conference to study the matter and work out details and report to our next Annual Conference, and that action be deferred until then.

b. That this commission be the same men who have been elected to the S. W. Group Conference, and that the time and place of meeting be the same as that of said Group meeting, at 10:00 a. m. on the first day of the said meeting.

3. That we hereby express our appreciation to Reverends, Betz, Blackman, Steinmetz, and Greene of the Iowa-Missouri Conference for their visit with us during this annual session, and for the splendid fellowship and inspiration they brought us from their conference.

To Dr. Frank W. Stephenson and Rev. Lee Hearn for their visits and inspiring messages.

Amendments to Report No. 14

Amendment No. 1

We recommend that Number 9 be amended to read as follows:

That the President's salary be fixed at 12% of the President's and pastor's salary budgeted on circuits, and 11% of the President's and pastor's salary budgeted on half stations, and that the stations be assessed separately as follows:

RECOMMENDATIONS

Recommendations passed by the Southwest Group Conference of the Methodist Protestant Church in session at Magnolia, Arkansas, May 19, 1933.

We, your Committee on Findings, wish to submit the following recommendations:

1.—That local quarterly conference examining committees be required to give comprehensive examination, as prescribed by our discipline, to every applicant for license to preach. Under no conditions should a candidate be recommended to the Annual Conference until he has actually proved himself worthy and capable.

2.—That each conference faculty of instruction, regardless of recommendations, satisfy itself with the spiritual and moral qualifications of the applicant and adhere, at least to the literary, Biblical and Theological requirements of the discipline.

3.—That each conference faculty be very guarded in recommending those of other denominations for acceptance and more especially

MINUTES ARKANSAS ANNUAL CONFERENCE M. P. CHURCH

when it would leave one of our own men without work.

4.—That the conference seek to reduce the charges to one or two churches and require the pastor to give full time service to the work. If this work is such that it can not be built to care for a pastor, abandon it and spend our efforts where opportunity exists.

5.—That in some way a closer check be kept upon the efficiency of each itinerant.

6.—That hereafter no candidate for ordination be received who does not have at least a junior college education or its equivalent.

7.—That every pastor endeavor to some time during the year carry on some special educational work with the various departments of his church.

8.—We recommend that a committee be appointed by this Group Conference to work out plans either for a Ministerial Institute or a gathering similar to this for another year. Time and place to be decided by consultation with the presidents of the Annual Conferences.

9.—That our heartiest appreciation is expressed by this Conference for the kindness and hospitality of the people here.
