STATE OF THE CHURCH

The Methodist Episcopal Church has been and is a mighty factor, in the religious and intellectual life of our great country.

Its growth has been rapid and immense, its blessed gospel has been preached to every nation on the globe. Though it has forced its way into Europe, Asia, Africa and the Isle of the seas; yet there are many souls out of the ark. Since it has been a great factor in the conversion of souls for Christ our blessed Redeemer, we shall never be satisfied until every sinner upon this globe shall cry "behold the Lamb of God who died to take away the sins of the world."

We are proud of our dear schools that are dotted all over our country and especially our Philander Smith College at our doors. Which has done so much for the education of our girls and boys, so let us press forward, the victory will soon be ours. We have been asked to raise twenty millions of dollars and the conversion of two millions of souls. Now let each preacher and every member of the M. E. Church begin now and ask God to send to us a revival, pray and work for it, and have faith and belief; and we will have more souls, and money than we have asked for. His blessed words are seek and you shall find, knock and the door of mercy shall be open unto you. Now let us work, watch and pray, our battle will end some day, and we the crown shall wear.

We are thankful to God for the great men of our church who bring us good news and establish the gospel of peace.

May they live long and do much good for the Master.

Now brethren, let every member of the Little Rock Conference, rally and bring in their apportionment of money and help in the conversion of these two millions of souls.

Yours for Christ,

J. H. Greer,
B. J. Griffin,
W. Brooks.
