The Bishop then addressed the preachers of the Conference. Read the appointments and the Conference stood adjourned sine die.

CONFERENCE ANNIVERSARIES

The Conference Anniversaries of the Freedman Aid Society, Foreign Missionary Society, Home Mission and Church Extension Board, Temperance Society, Prohibition and Public Morals, Conference Claimants Board, Board of Education and the Centenary Movement were appropriately observed. J. C. Sherrill, Eugene Lewis Nixon, J. Wesley Mell, I. Garand Penn, J. C. man, C. C. Rarick, Dr. Greenlee and J. M. Cox, spoke with great zest and enthusiasm concerning the interests that they represented. The auditorium on each occasion was filled to overflowing, standing room was at a premium, hundreds of people, white and black, had to be turned away. The hearers were greatly inspired and fully determined to do more for the several causes represented than ever. The speakers were greatly encouraged from the fact, that the collections for each cause was far in advance of last year and was a record breaker for the Conference.

REPORT OF COMMITTEE ON FOREIGN MISSIONS

What the Church needs throughout this country is a broader vision as to the needs of fallen humanity in foreign lands. The peoples who live across the seas are to be looked upon as our brethren. Their needs should be much our concern. The Apostle Paul said, "He that hath this world's goods and seeth his brother hath need, and shutteth up his bowels of compassion against him, how dwelleth the love of God in him."

When we look out upon the foreign fields and hear the cry of teeming millions, saying "come over and help us," we are forced to believe like the poet of old:

"Shall we not send to them Bibles to read; Preachers and teachers and all that they need?" Pitying them is not sufficient, we must answer their cries with our money and our missionaries. The Methodist Episcopal Church has a greater responsibility than ever before, because we believe that we know the will of the Master. "Go into all the world and preach the gospel to every creature." If therefore we would answer the call, let us stand by the Foreign Mission Board.

Since our own good Dr. J. C. Sherrill, Field Secretary, is giving his life for this cause, let us do what we can and valiantly stand by him and the great interest he represents.

In this great Centenary drive of the Methodist Episcopal Church, with faith in God back up with our prayer, membership and money the Church should raise every dollar of the eighty millions, and more, too.

Therefore, Be it Resolved, That we, the Little Rock Annual Conference of the Methodist Episcopal Church, pledge ourselves to raise every dollar allotted to the Conference.

REPORT OF COMMITTEE ON EPWORTH LEAGUE

Whereas, The Epworth League represents the young life and activities of the Church and is a department where the young people may be made useful in furthering the movements as put forth by the Church for the advancement of Christ's Kingdom, lifting up fallen humanity and making the world a fit place for Christian democracy.

Therefore, Resolved, That the Leaguers of the Little Rock Annual Conference of the Methodist Episcopal Church are hereby earnestly requested to use every endeavor to put in force intercessory movements, tithing and Christian stewardship, and, further the raising of the full allotment to this Conference for the next five years.

E. M. ALEXANDER
R. B. FAGAN.

Resolved, That the Conference elect a Conference Auditor, who shall be authorized to nominate as many assistants as he may require, and that the Auditor and his assistants shall be the Auditing Committee required in the Discipline.

H. P. COULTER.

REPORT OF THE COMMITTEE ON EDUCATION

The Educational Jubilee Campaign, conducted under the joint auspices of the Educational Association and the Board of Education last summer, secured pledges to the support of the educational institutions of Methodism aggregating \$27,000,000.

We call attention also to the Student Loan Fund, derived from Children's Day collections, which has aided from the beginning more than 25,000 Methodist young people. In 1917 alone over 2,000 students were aided. During the school year

1917-18 this Conference contributed only \$119.00 to this fund, while five students within the bounds of the Conference were aided to the amount of \$167. Our own Philander Smith College is an institution of inestimable worth to the membership and constituency of this Conference. This institution is in need of large funds to render it capable of serving our people in a manner commensurate with its opportunities.

In view of these facts, we, the members of the Little Rock Annual Conference, are firmly pledged to raise our full allotment in the great Centenary drive in order that the Board of Education, the Freedman's Aid Society and all our local educational interests may amply be taken care of.

Furthermore, we promise to keep our people intelligent as to the work of the Board of Education, especially the Student Loan Fund, to the end that the noble purposes and plans of the Board may be carried out in its ever increasing ability to aid and bless our young people.

We pledge anew our loyalty to Philander Smith College, its revered and esteemed president, Dr. J. M. Cox, and all those associated with its maintenance and management. Allying our young people into its benefits.

REPORT OF THE COMMITTEE ON STATE OF CHURCH

The Church is the household of God and must be perpetuated. So we the committee pray and urge our people to be loyal in the future as they have in the past. To stand by the grand old Church of our choice, upon whose area the sun never sets.

She has opened her doors to all nations and peoples, even unto the isles of the seas. The Centenary movement is on and eighty millions of dollars must be raised in five years. Our apportion is \$15,200 per year. The sentiment of the Church upon the question of unification is growing toward the Christ's ideal.

Therefore, Be it Resolved, That the pastors and members of the Methodist Episcopal Church render a life service of personal work in extending the Kingdom of God in our land.

J. H. GREER, Chairman.

RESOLUTIONS

Whereas, the good people of all the churches and the pastor, Rev. S. McDonald, of the City of Batesville, have opened their doors and cared for this Conference so nicely. Resolved, That a rising vote of thanks is hereby extended. That the secretaries, statisticians and treasurers have performed their duties so faithfully, we extend them a vote of thanks.

Whereas, Bishop M. S. Hughes, who has presided over this session, has been a source of inspiration. Resolved, That we extend him a rising vote of thanks.

Resolved further, That we extend to all the general officers and field team of the Centenary movement a vote of thanks and we pledge them our support.

Resolved, That we extend to the pastor, Dr. W. T. Thompson, of the Methodist Episcopal Church, South, and the white people who have stood by our pastor, Rev. S. McDonald, in caring for the Conference a rising vote of thanks.

That a vote of thanks are hereby extended to the city press and also to the press in general for courtesies extended. Resolved, That a rising vote of thanks is hereby extended to railroads for their many courtesies.

Whereas, The World War summoned the Church to unusual devotion and activity in preparation for the days of reconstruction following the coming of peace, in order to make the world safe for democracy that democracy can be safe for the world and,

Whereas, The General Conference directed that the celebration of the Centenary of the founding of our missionary work; and,

Whereas, The Centenary is thus providentially timed to coincide with the great World Wide War; and,

Whereas, Under the order of the General Conference, a World Program has been adopted which provides for placing our work at home and abroad upon a basis of higher efficiency in order that the Methodist Episcopal Church may do its full share in bringing in the Kingdom of Jesus Christ, therefore be it resolved,

First, That this Annual Conference strongly endorses the Centenary movement and pledges its full co-operation.

Second, That a Conference Centenary Council be and hereby is created, this Council to consist of the District Superintendents and one pastor and one or more laymen from each district.

Third, That the District Superintendent be requested to take immediate steps to organize the District, Sub-District and Local Church Councils, in accordance with the action of the District Superintendents at the Columbus meeting.

Fourth, That the Centenary Allotments, as handed down to the Districts, be at once heartily accepted by the Districts and if possible, that they be over-subscribed.

Fifth, That all necessary arrangements be made by District Superintendents, pastors and the laity of the Church for the intensive period of ten days with which the campaign is to culminate, and that a day be designated by the National Campaign Committee and set aside in all our churches, this day to be known as World Program Sunday. We, therefore, recommend that on this day our pastors and people everywhere give themselves to prayer and to earnest consideration of the facts involved in building the World Program of American Methodism.

Sixth, We especially commend the plans being made by the Joint Centenary Committee for deepening the spiritual life of the church and for enrolling its members in Christian Stewardship, and we join in the prayer that this great Centenary Movement may result in an evangelistic awakening throughout the world.
