RESOLUTIONS

RESOLUTION NO. 1

Whereas, the salary being paid for the support of the Ministry by the majority of the charges in the Little Rock Conference is not sufficient to take care of the pastors and their families and leave them something to lay by for the rainy day, when they shall become inactive.

Whereas, the amount of money now being paid to the retired Ministers of the Little Rock Conference yearly by the Board of Conference Claimants, is now inadequate to give to them and their loved ones the real comforts and necessities of life, therefore be it,

Resolved, That the Little Rock Conference now in session go on record favoring a plan of launching a five year campaign for \$10,000 as a minimum amount to be raised and invested in the permanent Conference Claimants Fund, to be used within the Little Rock Conference for the relief of the retired and total disable Ministers and their families.

Said money to be raised by popular subscription as individual gifts and not by and through the churches.

RESOLUTION NO. 7

We, your committee on Temperance, of the Little Rock Annual Conference, in session at Helena, Arkansas, submit the following report, that whereas, the Liquor Traffic has long been intrenched in the social, political and religious life of the nation and whereas, the 18th amendment to the Constitution of the United States, made it a crime to have intoxicating liquors, in ones possession, anywhere in the United States, or its dominion. And whereas the fathers of Methodism declare that intoxicants cannot be legalized without sin.

And whereas, no amendment to the federal Constitution has ever received such prompt approval at the hands of the people. Therefore be it resolved, that the Little Rock Conference renew its pledge, to join hands with the Religious and Political Organizations of the whole world, that we will not cease our diligence until the Law is enforced, in our own land and that King Barleycorn shall be driven from the face of the earth.

Respectfully submitted, your Committee.

REPORT TO BOOK COMMITTEE

"The Conference Stewards shall forward to the Board of Conference Claimants a certified copy of their Report, made on blanks furnished by the Board of Conference Claimants, in which shall be shown the annuities and allowances made to each Conference Claimant, together with additional data for the guidance of the Board of Conference Claimants in making its Dividend for Connectional Relief and in preparing its Annual Report."

"The division of the produce of the Book Concern shall be made equitably to the Annual Conferences upon the basis of the ratio of the total annuity claims of the entire Church, as shown in the reports made by the Conference Stewards to the Board of Conference Claimants, such reports to be carefully checked by the Corresponding Secretary and properly certified to the Book Committee which shall have charge of the distribution."

*N. B. Accuracy in computing the "years," rate of annuity, and total annuity claims has an important bearing on the amount of the Book Concern Dividend payable to an Annual Conference. The years of all relinquished claims should be included in figuring the total Annuity Claims (see Items 4 and 5 above).
