Recommendations

1. We recommend all Conference funds be remitted through Superintendents' office by checks, bank checks, or postal money orders made payable to the Conference Treasurer.

2. We recommend that the Conference Treasurer issue vouchers in triplicate, forwarding the original to the pastor of the church or church remitting funds, a voucher to the District Superintendent, retaining the carbon of the voucher in his office.

3. We recommend that the office of conference Treasurer be allowed the sum of Nine Hundred Dollars (\$900.00) annually for salary and the operating expenses of the office.

4. We recommend that any money for cultivation or any other special matters, be made only by an application to the Commission on World Service and Finance, for its consideration and recommendation to the Annual Conference for its approval, thereby complying with paragraph 808 of the Discipline.

5. We recommend that the Commission on World Service and Finance meet prior to the setting of the Annual Conference each year, and further, that if in the judgment of the Chairman of the Commission it is necessary, the Executive Committee composed of the Chairman, Secretary and one other member of the commission shall meet to direct the financial affairs of the Southwest Conference. The Commission shall be responsible for the auditing of all financial departments of the Annual Conference.

6. That the salary and expense of the Executive Secretary of the Board of Education be paid monthly.

Your committee desires to call attention to the failure of the Southwest Conference to meet its obligations to the General Church, and in fact, to all departments of the church. The 1953-54 budget called for a total of \$22,805.00 while only \$14,794.34 was remitted to the Conference Treasurer, a deficit of nearly \$8,075.66. Certainly the departments of the church cannot, and are not functioning to the best interest of the church in general. We appeal to every member of every church and charge, to Pastors and District Superintendents to exert every possible effort to correct this situation.

7. We recommend that the Bond of the Conference Treasurer be fixed in the sum of Ten Thousand Dollars \$(10,000.00).

Respectfully submitted,

REPORT OF THE DISTRICT SUPERINTENDENTS

Bishop M. W. Clair Jr., Fellow Ministers, Lay members and Friends. God has blessed us with the privilege of meeting in this the 27th session of the southwest Annual Conference. For this we are grateful. In this composite report of District Superintendents, we are endeavoring to evaluate the work of the past year, lift up the needs and responsibilities and offer recommendations which we feel will help in our approach to the many problems now facing us.

We may, with calmness and yet deep concern look out upon a confused world, a sick world, a world in which we measure our strength by the number and efforts of the H and A bombs. International skies are dark. Cold wars are fought almost daily by the three countries of our time. Hot wars are being fought in minor countries, while another world war is almost inevitable.

Why has moral deterioration set in among us that brings corruption, loose behavior, dulled principles, subverted morals, and sharp practices? "The answer is not far to seek. The crumbling of our ethical standards go back to our rejection of the authority of God, our refusal of the disciplines of a righteous society, and our unbanned faith in a secularist philosophy of life.

What has the Church to offer?

In such an hour the Church must lead. The summons must be clear, courageous, convincing. The Church must again call man to his knees. In the silence of repentance, man must hear the Christ speak again "Follow Me, I am the Way, the Truth and the Light."

Achievements of Interest: This has been our first twelve months spring Conference, also the first three district arrangement, with equalized salaries for the superintendents. We've faced the usual misunderstandings and confusion that follow any readjustment. However, we believe this step that was made in the last annual conference has (along with other elements) a tendency to create more christian fellowship throughout the entire conference. We did not expect perfection and total satisfaction in one year; but when the plan is intelligently and calmly considered, we are confident it will be ideal. Under the leadership of the executive and area secretaries, Rural and urban workers, the sessions of the district conference served as workshop and seminar experiences in many phases of the total program for both the ministers and laymen. We (the Dist. Superintendents), have taken advantage of additional experience provided through such meetings as the Superintendents Conference in Chicago Nov. 22-24; Layman's Meeting at Purdue July 7-12 and the Seminar at Gammon.

Episcopal Visitation

With each year comes new adventures in the scope of the church program. This demands more time and energy of our leaders; and yet, Bishop Clair has found time to visit local churches and better acquaint himself with their problems, and at the same time give inspiration and encouragement to the pastor and congregation. We are indeed grateful for this very fine spirit as an example of christian brotherhood.

OUR CONFERENCE:

According to the statistical report in the 1954 official journal: We have 52 pastoral charges; with a membership of 4580. Church

School enrollment 5437 with an average attendance of 3900. Church buildings, parsonages and other assets are listed at \$1,322,633. The chronological roll lists 31 effective elders. 12 accepted supplies on trial, 6 retired, 13 removed by death. The Womans Society of Christian Service 89 organizations, with a total membership of 875. Total amt. sent to the conference treasurer 2, 787.36. During the year was paid to World Service. This is an off last year. \$ has been paid for building and improvements.

In Matters of Special Interest:

The call for Korea \$200, Church of England \$49.16, Advance Specials \$108, Methodist Youth Fund 12, Reserved Pension Fund \$269. Total raised for all purposes \$ Each item mentioned is important. Each is a part of the total budget. We are challenged on every hand. The conference program of ADVANCE is designed to build resources with which we can extend our boundaries as well as rehabilitate when and where ever there is a necessity. It is also designed that we may share in the missionary challenge at home and abroad. The quota for the quadrennium is \$.Only one year is left to bring this up to par.

The program of Christian Education and Higher learning parents glorious opportunities in the form of scholarships. Here again as a conference we must face the humiliating facts found in the statistical reports of the General Board of Education. The proposed minimum goal for this conference is only \$674, which is less than .25 per number.

RECOMMENDATIONS

1. We recommend that the second Sunday in November will be observed in each local church as "Veterans Day", to raise the Reserved Pension Fund and that the fund raised on that day be reported to the conference treasurer as soon as possible.
2. We further recommend, that, all resolutions and recommendations be referred to the cabinet for study.

True we have evidences of advancement, in the building and remodeling of churches and parsonages, Reducing and clearing of old debts, and in some places increasing the membership and improving the program in general. But friends, let us not become satisfied, where we now stand. Be ever ready to "Attend Great Things for Go dand expect Things From God. Ever grateful to Hi mfor whatever is done for the Advancement of His Kingdom, not as the work of man's hand but of God's guidance and grace, which enabled us to accomplish all things in His Name.

REPORT OF THE CONFERENCE BOARD OF EVANGELISM OF THE SOUTHWEST ANNUAL CONFERENCE June 9, 1955

The Conference Board of Evangelism, through its Chairman and Conference Secretary, presents to you a summary of efforts to promote the work of Evangelism through out the Conference, in keeping with the program recommended by our General and Jurisdictional Boards of Evangelism. The Boards have been active in promoting the

work of Evangelism on a district and sub-district, and local church level. Two planning meetings were held, with Dr. W. D. Lester of the General Board of Evangelism, in charge,, and two briefing meetings, two workshops all on the district and sub-district level. At the District Conference reports and emphasis pertaining to the work of Evangelism were given and the results were encouraging. Too much credit cannot be given to the local support given by our own District Superintendents, Pastors, Local Commissions on Membership and Evangelism, and to the laity of our church, in the way they have worked to protome this great work which actually has the priority of all our church emphasis, our activities as a board havxe been greatly limited this year mostly because of a hortage of funds with which to carry out certain phases of our work, yet we are grateful for the opportunities that we have had in serving in any capacity, however limited.

One of the highlights of the past year's achievements was the successful Conference wide United Evangelistic Mission, directed by our own Dr. W. D. Lester of the General Board of Evangelism. The first mission was held on the Oklahoma District, November 13-19. The Little Rock and North Little Rock District, November 19-26. The results were fair.

Number of churches participating	28
Number of host pastors	28
Number of guest pastors	29
Number of prospects	235
Number of visits made	175
Number of interviews	316
Number of Professions on faith and other denominations	104

We recommend that the South West Conference will conduct a united evangelistic mission according to the plans worked out by the general board of evangelism of the Methodist Church.

We further recommend that strengeous efforts will be put forth to reach every member of every charge in the conference.

We urge full support and cooperation of the District Superintendent and pastor in this great spiritual endeavor.

There will be a U.E.M. planning conference at Philandar Smith College August 2nd, at 10:00 O'clock A.M.

REPORT OF THE BOARD OF EDUCATION SOUTHWEST CONFERENCE

By The Executive Secretary

Bishop Clair, Members of the Southwest Conference, and friends: I am happy to make my second annual report to this conference. I want to express my appreciation to Bishop M. W. Clair, Jr., Reverend M. D. Pembroke, District Superintendents, Pastors, Conference and District Staff members for the support and guidance in carrying forward the program of Christian Education within the conference. The increased interest on the part of all throughout the year in projecting the program has been encouraging. But as we view the fact that nearly four (4) mililon babies were born in 1953 which represents one of the problems which is taxing the resources and ingenuity of the church we have only scratched the surface. One of the Church School periodicals stated, "If this is to be a Christian Nation, these children must be instructed and nurtured in the Christian Faith."

Church statistics reveal that church school enrollment is at its highest peak in the history of the Nation, too the proportion of church members to total population is the highest on record (59.4). In 1953 there were 8.1 per cent more pupils enrolled in church schools than in 1952. Other Christian Education activities showed corresponding gains. Among these were the number of Vacation Church Schools, 6.8 per cent; Camps and Conferences, 35.4 per cent and enrollment, 60.7 per cent. At the same time we read the report of the Public Press and it announced that the Nation's crime rate had reached a new all time high.

Certainly we realize that the church today face an educational task unsurpassed at any other time in history. The call is clear and demanding that we as followers of Christ commit our lives and resources to the end that the evangelization of the World will be realized. Every Christian has a responsibility for helping to reach the unreached, nurture the unnurtured. This will involve him in the educational program of the church. Therefore, we urge that Pastors and Churches strive to provide leadership opportunities for workers on the local church level.

Childrens Work—The Director of Children's work, Mrs. Edith Strong, has been untiring in her efforts to promote the children's work in the conference. She was the representative of our Conference in Area School last summer, having attended several Jurisdictional Schools in the past. Her report reveals that there were nineteen (19) Daily Vacation Church Schools conducted in the Conference last summer with a total enrollment of 689 and 88 workers of which 415 were Methodist children. There were several Conferences, Districts, Sub-districts and local church training schools, classes and meetings held during this Conference year. With the assistance of one of the District Workers, Mrs. E. T. Hickman, Coaching Conference has been conducted and Daily Vacation schools scheduled for the summer.

Youth Work—The Conference Director of Youth Work, Miss Virginia McLish, with the assistance of the District Staffs, have done an excellent job in directing the youth activities this year. Her report shows that we had two Conference Camps at Aldersgate with an attendance of _____ and one District Camp at Turners' Fall on the Oklahoma District. There was one Conference Roundup for Adult workers with youth, several District and Sub-district meetings.

The Adult worker, Mrs. Lula M. Tillman, has done a good job at planning the adult program for the conference. We have not achieved much in this area due to the fact that our funds were not sufficient to help in promoting the work. However, the Conference and District Staffs have done what they could to keep the program going in the Conference by presenting it at Conference and District meetings.

RECOMMENDATIONS

1. We recommend that a full-time Executive Secretary be maintained in our Conference;
2. That the following budget be adopted for the cultivation of Christian Education in our Conference:

Salary for Executive Secretary	\$2,800.00
Rent for Executive Secretary	600.00
Office Maintenance	450.00
Travel	450.00
Promotion and Cultivation	450.00
Total	\$4,650.00

3. We recommend the observance of all special days on the Christian Calendar. We emphasize that Church School Rally Day and Methodist Student Day be observed in each church.

4. We recommend that in each charge and church there be organized a Committee on Christian Vocations concentrating on guidance and recruitment for full-time Christian service;

5. We recommend that the Conference Board of Education continue to cooperate with the Conference Board of Evangelism in an effort to establish Methodist Student Centers at Langston University and A. M. & N. College at Pine Bluff, Arkansas, by providing necessary funds for cultivation;

6. That no officers or teachers in a local church be installed until they have been briefed or an orientation plan for officers' training be held for them. The practice of this will solve many of our problems in setting up an effective program of Christian Education in our local churches;

7. That each church plan to send a key worker to the Area Leadership School July 19-26, 1955, at Philander Smith College.

MINISTERS RESERVE PENSION FUND REPORT

We, the Committee recommend to amend Section 1'B' of the resolution of the Pension Reserve Fund as recorded in the Journal of 1954, page 29, to read:

That each pastor and fulltime supply pastor, pay annually 2% of his cash salary as his contribution on behalf of each and every qualified "pensions entrant" member of the partial Reserve Pension Fund. Voted and carried.

It was further recommended that the month of October be set aside as the month of cultivation and promotion for the Reserve Pension Fund drive in November.

REPORT OF CONFERENCE COMMITTEE ON WORLD PEACE

In view of the fact that the world is turning to the idea of peace as never before and, that even the most war like nations are advancing plans for conferences looking toward the establishment of a peaceful World Order; it places an added responsibility on the Church to emphasize the application of Christian principles as the most practical guide in achieving this goal.

We are proud of the fact that The Methodist Church maintains an agency in the city of Washington for the study of international problems. Therefore in keeping with the purpose of this Board (Par. 1546 of the Methodist Discipline):

We recommend:

1. That prayer cells be organized and maintained in each local church to promote peace.
2. That literature from the Board receive earnest consideration and adequate implementation.

Respectfully submitted,
H. M. Magill

REPORT OF THE CONFERENCE BOARD OF TEMPERANCE

We the committee of the Conference Board of Temperance of the Methodist Church resolve that training retreats may be held in each local Charge, District, and Annual Conference for directing the human mind from the habitual practice of Alcoholic Drinking.

And may we all receive Christian religion that will bring us to total abstinence.

Respectfully submitted,
W. H. D. Bright

REPORT OF THE BOARD OF MISSIONS AND CHURCH EXTENSION

The Board has approved of numerous grants, and loans for the repair, building and indebtedness on churches of the conference.

The Board has also approved \$2770.00 maintenance asking for the conference.

We, as members, have been alerted to the amount of indebtedness, loans, past due principle, interest, etc. which have accrued where churches have failed to keep up obligations. The Board is unable to cope with this situation in any manner, due to lack of funds with which to work. However, we feel this is a conference matter, and the conference should assume the responsibility of looking after same.

The President has been unable to call a meeting of the Board during the conference year because of lack of funds.

Respectfully submitted,
Rev. W. H. Hanna, President

CONFERENCE LAY LEADER

Bishop, Pastors, Charge Lay Leaders, and Members of the Southwest Conference:

I hope this conference year has been one among the many of which you can feel proud. The responsibilities that Laymen share with Ministers in studying the structure of the church organizations, problems and functions in its present social order, offer rich and varied opportunities for active participation in the development of a christian program of service adequate to the needs of Laymen in the modern church of today. No other church conference offers more than the Methodist Church.

In the process of comprehending the scope of Christian religion in the lives of men, we as laymen, become more articulate by pointing out the strength and weaknesses, the potentialities and the need of the program of the church in contemporary society of today. Active leadership is both desirable and necessary.

One's belief in God and the Christian experience is expressed, not only in words, symbols, rituals, and building of churches, but also (and perhaps more effectively) in changed behavior, broader vision and better concept concerning the purposes of life. It is the layman's responsibility to deepen this Christian ideal in the minds of the peoples of the world of today.

As your Conference Lay Head, I have tried to carry out these ideals. As laymen and members, we have worked together a one big family in our conference. We have had some up-hill pulls, but have continued to climb until we reached the top. We feel we yet have greater heights to reach, in the spirit of Christ; but in working for one another's interest, we will make the grade.

It has been a pleasure for me to have had the opportunity of working with you as Conference Lay Leader these few years. I have tried to work for the best interest of the church and all concerned. If I have made any mistakes (and I feel certain I have), it was of the hand and not the heart. You have made it possible for me to have a wide knowledge of the program and working of the Methodist Church; hence I feel that it would show less than a Christian Spirit for me not to give back to you that which you have made possible for me to gain.

You know of my work; you know of my attitude toward ministers and laymen. Your problems, your struggles, your achievements, have always been my concern. I have always been willing to come and do whatever possible to help lighten your burdens and keep you in the path of success.

I have continued to push forward the work of lay activities this conference year as much as possible; fully realizing that we were facing a huge task; but, as laborers' in the Master's vineyard' with a Christian work in mind, we could make the grade. The ministers as administrators of their churches, with their laymen, have labored hard to make this conference year a great one.

I have sent out letters to all ministers and Charge Lay Leaders, encouraging and suggesting the needs of our conference and ways of meeting these needs.

District 3

Under the leadership of Mr. McGill, Mr. Porter, and Mr. Williams has been moving along as well as could be expected, considering the conditions under which they had to work. Every move they made was done at their own expense; and one is not always able to do their best under these conditions, because where they are willing, they are not always able to do.

Little Rock District

I attended the Little Rock District, under the leadership of Rev. Kelly, as District Superintendent. He had a fine conference with a large following.

North Little Rock District

The North Little Rock District, under the leadership of Rev. Sanders, is moving along smoothly. It showed thought and planning had been given; and the following was representative . . .

I had the pleasure of attending the National Conference of Methodist Men at Purdue University on July 9, 10, 11, 1954. There were eight delegates from the Southeast Conference who attended this meeting, seven laymen and one District Superintendent.

On August 19, 1954, I met with the Commission on Expense and Agenda of the Central Jurisdiction at the Indiana Y.M.C.A. at Chicago, Ill. The date set for the Jurisdiction Conference was June 8, 1956 at Dillard University, New Orleans, La. This, of course, is subject to change.

I have made a number of visits to churches over the conference; most of which has been done at our own expense, because we have been unable to get very little from the Church Treasury for Cultivation money. The Lay program is a part of the program of the Metho-

dist church. The general Board of Lay Activities hands down the program to the conference lay leader to carry out; but without budget to work with, we are handicapped to carry on.

I'm sorry to say that I am unable to make a financial report, because I have been unable to get a report from the Conference Treasurer. We have only received \$45.00 for the entire Conference Year for Lay Activities. The World Service Commission on Finance expected \$500.00; hence you can see what we have faced all the year. It is my sincere wish that such will never happen to the work of Lay Activities in our Conference like this again.

As Laymen, let us not lose courage; forget the past; push forward and continue to work for the Lay Program of the Church.

COURTESY REPORTS

Bishop Clair, District Superintendents, officers and members of the Twenty-eighth Annual Session of the Southwest Conference, and Friends:

We, the members of the Southwest Annual Conference, wish to express our gratitude for the splendid reception extended us by the Wesley Chapel Methodist Church, Little Rock, Arkansas. It has, indeed, been a most comforting experience to have had worship, fellowship and conference business in this beautiful edifice, with its adequate equipment and conveniences.

To Rev. and Mrs. Tipton, members of the church, and all who have taken a part in the gracious conference hospitality, we throw bouquets. For your lovely homes in this "City of Roses", which you so generously opened for our comfort and convenience; for the beautiful and inspiring organ music furnished by Mrs. J. S. Ivy; for the well prepared meals so generously served, we are deeply grateful.

We have been extremely fortunate in having the outstanding guidance and leadership of our Bishop, M. W. Clair, Jr. Under his able administration our conference has been able to recognize its strengths and weaknesses. He has been able to analyze the latter and prescribe remedies with wisdom, precision and effectiveness. The process has been painful at times and his patience has been sorely tried, but his devotion to the task of promoting the total program of the church in the area in general, and our conference in particular has been inspiring to the point where we feel that we are well on the way to achieving the desired standards of Methodism which are becoming more demanding in the growth of our great church.

We appreciate the fact that our conference has seen fit to recognize the trends in the thinking on the problems of integration; and we are ready to assume the responsibility of considering church problems objectively as they relate to these trends. Our church has always been in the forefront in advocating the brotherhood of man and adherence to Christian principles in all human relationships. We feel assured that it will not lag in the practice of the principles which it has so long and so ardently advanced.

Our firmly grounded faith in the Methodist Church and its program as an agency for the advancement of the spirit of Christ and the kingdom of God on earth has been greatly enhanced by the profitable addresses delivered by our guests: Mr. Mike Willis; Dr. M. L. Harris, Dr. Charles F. Golden; Dr. J. H. Touchstone; Dr. A. R. Howard; Dr. W. D. Lester; Dr. Willis Tate; Dr. Prince Taylor; Dr. T. B. Echols, Dr. John Graham; Rev. Hermes Zimmerman. Special recognition must be given to Mrs. Sarah Clardy, and Dr. M. D. Pembroke who have worked diligently for the success of our conference program.

We leave, thankful for these many hours of deliberation, fellowship and inspiration which have brought to us a renewed awareness of our Christian heritage and responsibility. We realize we may have erred in places, but it is our prayer that those constructive good things which we have done may bring forth much fruit for the strengthening of our Church and to the glory of God.

H. M. Magill

REPORT OF COMMITTEE ON INVESTIGATION

In the case of Bro. William Harry Bass, whose case is uncertain and yet pending, We, the Committee On Investigation, hereby recommend, that his character be passed by the Conference, and his case be left in the hands of the Committee On Investigation, and, under question paragraph 931 to 936. Discipline, he be left without appointment until his case is clarified.

(Signed) C. C. Hall, Chairman

SECTION VII.—HISTORICAL

The Little Rock Conference and a portion of the Lincoln Conference were merged in 1928 to form the present Southwest Conference. The Southwest Conference desired that its annual notation should date from the time of the organization of the Little Rock Conference in 1879, instead of following the date fixed by the merger of the Little Rock and a portion of the Lincoln Conferences.

At the merger of the Little Rock and Lincoln Conferences the

Southwest Annual Conference became a part of the Covington Area with the late Bishop M. W. Clair as Resident Bishop. Bishop R. E. Jones succeeded Bishop Clair in 1936 and the Southwest Conference became a part of the Columbia Area. In 1944, Bishop E. W. Kelly was placed in charge of the work and the Conference became a part of the St. Louis Area.
