Messrs. A. T. Shallenberger & Co. Rochester, Pa. Gents—I have used your Pills, and believe they are the very best remedy for chills and fever ever used in this country. I have induced many of my friends to try them, and they all pronounce them a positive and permanent cure for chills and fever. Very respectfully, T. J. PACKER.

THE NASHVILLE COLLEGE FOR YOUNG LADIES, Nashville, Tenn, has scored a success such as the records of our Methodist schools can not equal. From zero in 1880, it has risen to a patronage of 250 pupils, with 102 boarders, in the catalogue of 1886. No stronger proof can be given of substantial merit than the bare statement of this surprising record. Dr. Price is ready to give information to all who may desire to learn more of this successful college.

NOTICE

I am instructed to say to all parties intending to visit the session of the White river conference at Jonesboro Ark., Dec 15, that we cannot entertain them. Board can be had at the hotel at from 75 cents to \$1 per day, and all parties coming simply as visitors will have to go to the hotel, and pay their own fare. S L COCHRAN.

EDITORS ARKANSAS METHODIST:—Mr J E Lockwood, G P & T A of the Kansas City, Springfield and Memphis R.R. has kindly consented to authorize the station agent at Jonesboro to sell tickets at one-third rates to preachers and delegates attending the session of the White River Conference at Jonesboro, that pay full fare coming to conference, and instructs preachers and delegates to secure receipts from agents where they purchase tickets, showing that they paid full fare for the same. Superior to Anything.

A prominent business man of Wilmington, Del., in speaking of a cure of cancer on himself, writes to the Morning News of that city:

I can say further that my case is not an isolated one. A lady, a customer of mine, was suffering from a cancerous affection of the nose. She had spent a good deal of time and money running to Philadelphia to consult the best physicians there, but could get but little or no relief. About a year ago I told her of my case, and induced her to try the S. S. S. remedy. She did so, and in a few weeks was much better. She had several operations performed, and was disposed to hold on to her old treatment as well as the new, but finally she threw all aside but the S. S. S., and in two months from that time was thoroughly cured.

Another lady suffering from an abscess on her arm had been doctoring for a long time in this city, Chester and Philadelphia, but could not get any relief, apparently. She had fallen away to a mere shadow of her former self, and could scarcely eat or sleep. She commenced to take the S. S. S. medicine, upon the advice of friends and myself, but was so reduced in flesh that she had a little stomach trouble at first. She persisted, however, and after the third bottle she declared it had done her more good than anything else she had ever tried. I now understand that she is entirely well and is loud in her praise of S. S. S.

I have several other cases in mind, but am not at liberty to speak of them. I believe the Swift Specific Co.'s blood medicine known as S. S. S. is superior to anything of the kind known in the market, and can cheerfully recommend it to any one suffering from diseases of the blood or skin. Treatise on Blood and Skin Disease mailed free. The Swift Specific Co., Drawer 3, Atlanta, Ga.

CATARRH SAMPLE TREATMENT FREE. So great is our faith in our cure you, dear sufferer, we will mail enough to convince you. R. S. LEONARD & Co., Newark, N. J.

EDITORS METHODIST:—As many persons are writing me to provide homes during conference for "friends" who have no official connection with the conference, our committee, who are charged with this business, request me to say that they will not furnish board for any person who is not officially connected with the conference. There would be no end to such business.

This is not meant to exclude the wives and families of the members of the conference. They will be provided for. H. R. WITHERS, For the Committee.

Piso's Remedy for Catarrh is agreeable to use. It is not a liquid or a snuff. 50 cents.

BARING CROSS BRIDGE.

This bridge crosses the Arkansas river at Little Rock, near the Union Depot, where parties can take shipping for any part of the country. The wagon and foot way being entirely separate from and above the railroad track, delay and danger to stock, teams, vehicles, and pedestrians from passing trains are absolutely avoided. Parties crossing the river over this bridge, save time and money and avoid danger. INQUIRE FOR THE BARING CROSS (UPPER) BRIDGE.

OBITUARIES.

BRIGGS—Carrie, daughter of Mr. and Mrs. W. H. Briggs. Born — died Oct. 15th, 1886.

The Lord giveth and the Lord taketh away; blessed be the name of the Lord.

Whereas, It has pleased our Heavenly Father to take from our midst, our sweet little Sabbath school scholar, Carrie Briggs.

Resolved, 1st. That we, the officers and members of the Methodist Sabbath school at the Center Point, do deeply mourn the loss of our much beloved Sabbath school scholar, little Carrie, and while our hearts are made heavy with grief because of her death, yet we bow submissively to the will of the Father, realizing that our companion has but been transplanted to brighter fields above.

Resolved, 2d, That the parents of our much beloved little Carrie, have our deepest sympathy, and we commend them to Him who can heal all wounds, and may they find comfort in the assurance that in the "Sweet by and by" they will again meet their dear daughter, never again to be separated.

Resolved, 3d, That a copy of these resolutions be presented to the parents, one to be spread on the minutes of the Sabbath school, and a copy furnished the Center Point Tocsin, ARKANSAS METHODIST and Arkansas Evangel, with a request to publish.

Mrs. Lou Dobson, Mrs. Sallie Baldwin, Com. W. S. Grant.

WOOD—Little Mary Emma Wood, youngest child of Geo. F. and Bettie Wood, near Jacksonville, Ark., died Aug. 21, 1886.

H. M. GRANAKE.

MALOWEY—Rogers P. Malowry, son of J. W. and Martha A. Malowry, was born near Forrest City, St. Francis county, Ark. He professed religion at Forrest City, in 1883, and soon after joined the M. E. Church, South. On the morning of Sept. 5th, 1886, he was accidentally shot and died instantly.

[Richmond Christian Advocate please copy.] M. B. UMSTED.

ROLLOW, (nee Britton,) was born in Russellville, Jefferson county, Tenn. June 7th, 1828. She professed religion when quite young, and joined the M. E. Church, South. She was happily married to P. J. Rollow, Oct. 9, 1847. She moved to Arkansas in 1857,

and died of consumption, at her home in Dover, Nov. 11, 1886. For many years sister Rollow was greatly, but she bore her protracted sufferings patiently, submissively and cheerfully. Among the treasured recollections of my life is my long and intimate acquaintance with this noble christian woman. She was not very demonstrative. Her piety was constant and uniform. In every respect she lived above reproach. Indeed, there have lived few persons whose daily lives comported more perfectly with their profession. She was a devout wife and a loving mother, teaching her children to fear God and keep his commandments. God in mercy, permitted Sister Rollow to see all her children converted and members of the church; two of whom preceded her to the glory-land, and five are following her as she followed Christ. Many preachers of the Arkansas Conference will feel sad when they read these lines, for she was truly the itinerant's friend, and they found a warm reception at her beautiful christian home. A very affectionate scene was witnessed by her many friends just before her remains were taken from the room to be buried. Brother Rollow requested all the children to kneel, and while bowing, made a solemn vow to meet the companion and mother in heaven. May God's providence as a shield be over them. His grace sustain them and his spirit guide them is the prayer of their pastor. H. C. JOLLY.

DUFFER.—Mildred Willis Duffer was born in Marion county, Mo., Nov. 9th, 1838, and died in Jacksonport, Ark., June 8, 1886. Sister Duffer came to this county in 1868, and soon after joined the M. E. Church, South, of which she remained a member until her death. I was at her bedside in her last sickness, and though she was confident that death was coming soon, and yet the "thought of the last bitter hour cast no blight over her spirit," but, on the other hand, "sustained and soothed by that unflinching trust," which Christians only can feel, she freely talked of death as a deliverance from the cares and troubles of life on earth, and the beginning of happiness in the brighter world above. Her confidence strengthened and helped my faith. The only anxiety she felt was as to the welfare of her husband and children, three of whom were quite young; an infirmity of the flesh and not the spirit. How inspiring is such a trust! May God save her husband and motherless children. W. A. PECK.

SMITH.—With sadness I announce the death of J. R. Smith. He was born in Haywood county, Tenn., in 1854; moved to Gibson county with his parents when 4 years old, and in 1872 moved with them to Jackson county, Ark., where he died on October 28th, 1886. He professed religion when 12 or 13 years old, and joined the M. E. Church, South, and lived a faithful member until his death. He farmed most of his life, but at the time of his death he was clerking in Graham's dry goods store. He was the oldest brother of Rev. M. M. Smith, P. E. of the Newport District, and was one of the finest young men of the county. A more genial, clever, entertaining, prepossessing and unassuming young man I never saw. He was a special friend and associate of this writer, and I esteemed none higher. We feel thankful to God that he has gone to rest. We will not have him to sing the sweet songs of Zion on earth any more, but we want to join him in this delightful praise when this life is over.

Mother, brothers, sisters dear, And all thy friends around, Must in their hearts this sorrow feel, While thou art sleeping in the ground.

But thy mother doth miss thee most, In the silent duties of the day, No Roan is near, her joys to share, For Roan is far away.

Although our stay on earth is brief, These few lines will give relief, Whenever we are bowed with grief, Or trouble cometh on.

Remember there is One above, Who guards us with a Father's love, If we will cause our hearts to move And say, "Thy will be done."

Roan, fare the well ('tis hard to say), But we'll meet thee on a happier day.

And when the storm of life is past, We hope thy hand again to clasp, L. M. CONDITT, Tuckerman, Ark., Nov. 16, 1886.

HEPATOZONE. DR. TOBIN'S GREAT LIVER MEDICINE. Cures Diseases of the Liver in all its Various Forms, such as Dyspepsia, Headache, Neuralgia, Water Braak, Constipation, or Any Irregularity of the Bowels.

This is a combination of saline and vegetable materials, and contains no mercury or any drastic vegetable cathartic, such as mandrake and aloes, and is far superior in its action, as it never debilitates or produces any unpleasant effects. It will remove all diseases incidental to a disordered state of the liver, and is therefore recommended in all complaints. It will act thoroughly on the liver in from two to four hours time, and does not produce nausea or griping pains in the bowels.

Dr. W. H. Tobin having suffered for years with liver disease, and after trying every known remedy without success, has succeeded in preparing this remedy—and by its use alone, restoring his health—now offers it to the public for the cure of all liver troubles, and sells it under a guarantee that after taking three or four doses of the medicine and satisfaction is not given, you can have your money refunded by returning the bottle and wrapper.

Institution for the Blind, Austin, May 10, 1883. Dr. Tobin's Your Hepatozone as a gentle purgative has no equal. It moves the bowels without making the patient feel sick, weak or languid. It is often the case that we feel a little bilious, have some headache or perhaps, are feeling unwell generally, and only need an easy purgative to relieve us; your Hepatozone is the medicine for that condition. I relieved a case of dysentery with it in a very short time. We use it largely in this Institution. FRANK RAINY, Supt. Institution.

From the Rev. Dr. Shappard, Superintendent of Dumb Asylum: AUSTIN, TEX., Mar. 26, '94. I have been using Tobin's Hepatozone for about eighteen months, and have found it to be a valuable medicine, so much so that as soon as the last dose I out of one bottle, forthwith I procure another. W. SHAPPARD.

NOTICE.

To the P. E. and members of the fourth quarterly conference of the Goshen circuit, Fayetteville district, Arkansas conference, M. E. Church, South. I submit the following report of my labors for the present year, up to date. I am the only walking, traveling, local preacher in the district. I have preached 144 sermons, and there have been 68 professions and 71 accessions to the church at my own appointments. I have great reason to praise God for the blessings He has conferred upon me during the present year. MOSES DUTTON.

I wish to say that the author of the above is a venerable brother, 70 years of age, who was converted 47 years ago, and has been preaching 44 years. Having fought many a hard battle for the cause of the Master, and endured many privations, with numberless conflicts on the one hand, and shared many triumphant victories on the other, his delightful life-work has ripened into a grand experience, furnishing him, in his declining years, many pleasant recollections of the past, wisdom for the present, and the brightest expectations for the future. D. C. R. Goshen, Ark., Dec. 1, 1886.

A REPORT.

EDS. METHODIST.—At the fourth quarterly conference of the first charge, upon the general casting up of accounts for the closing year, it appeared that the following amounts had been contributed for the support of the gospel by our people: Ministry, \$2,025.00; Rent of parsonage, 400.00; Repairs and betterments, 260.00; Current expenses, 375.00; Local missions, 35.00; Total, \$3,095.00.

This is exclusive of the amounts for the widows and orphans, Church Extension, domestic and foreign missions, aggregating \$442. The amount raised by the Sunday school for its own use is about \$200, besides considerable amounts raised by the Young Ladies' Auxiliary Society, the Ladies' Aid Society towards the Chapel Fund, the Ladies' Parsonage Society and the Woman's Missionary Society. This will amount to several hundred dollars, and you may say in round numbers that our membership has contributed the sum of \$4,000 for all purposes. Fraternally, C. S. C. Little Rock, Dec. 6, 1886.
