It is enough to stir the soul of the most indifferent, to move to sympathy and helpfulness the most penurious. It is hard to understand how men of means, whom God has smiled upon in prosperity, in all things, who believe in Christian education, who know what Henderson-Brown College has done for Arkansas, for the church and the ministry, and for almost all other activities in the state, who realize what the institution means now, and what she will be in the future to this section of our country; when they see our present dire distress and understand the determination of the people of Arkadelphia, and the loyalty of the student body and faculty, indeed, every individual concerned from the kitchen to the highest officer in the school, can refrain from deep compassion and from opening their purses of gold and restore unto this worthy people and student life, and unto the state and the church, a greater school than the old, now in ashes.

Every way one may look at Henderson-Brown and the spirit of the people, one is touched with admiration. The canvass that is being made reveals to the public the sacrifice which Arkadelphia citizens are willing to make.

It shows that many give from three to five times more than the committee had expected—only just a bare few refused to help—all have the utmost faith in the rebuilding of the institution greater than before.

It is, now, a plant of five buildings instead of one, a modern up-to-date institution and equipment. Nothing else would be acceptable unto this brave courageous people and unto this noble, loyal, student body. The atmosphere on the hill is verily filled with the spirit, "Never give up," and the greater the obstacles that seem to appear "The harder let us hit the line, fellows." The contribution of the student, faculty, and helpers, was something unheard of.

At the suggestion of the president, that it would be a helpful and encouraging thing for each student to become responsible for \$5.00 or more, payable on or before September 1, 1914, at a mass meeting today, the various quarters were called, by turn, and when the representative of each collection reported the total amount subscribed, the secretary announced, \$1,006, with the contribution of about twenty more town students not yet received. So the contribution will amount to \$1,100, or thereabout.

We are sure we never saw just such unanimity of purpose, such a great bunch of folks and all filled with just such enthusiasm. If I had money they would get it all, I do not have money, I have only life and love, and they have that on the altar for a Greater Henderson-Brown. Each representative was given a hearty applause but when Malichi, the head cook, came forward to report the contribution of the kitchen and, in a most swave manner, and, in a few well chosen words announced their collection, \$25.00, the applause was long and loud. (Mal. and his force have been here for years and are held in great esteem.)

Men of Arkansas, a contribution to Henderson-Brown College just now, in her calamity, and in her determination, would be most worthily bestowed and would be an investment in manhood and womanhood that would yield mighty dividends to the church, and to the state!

Men of means, whom God has graciously blessed with the faculty of business acumen and the talent and power of accumulating wealth, open thou your bowels of compassion unto this noble heritage of so great a people and young life, and enthrone your-

self here in a monument that will outlast time. Shafts of marble will weather away, monuments of brass will in time crumble, towers and pyramids by and by fall by the way side, but if you write upon immortal minds a just fear of God and love to their fellow men, through the establishment of a Christian institution, or direct help extended to a worthy boy or girl, you build for yourself a monument that will brighten to all eternity.

Life is measured by what we give out, not by what we take in. Our reward in this life is measured by our philanthropy and not by our gathering into barns. Our glory in the life to come is heightened by our investment of ourselves into service unto our fellow-men, and not by what we may store away on earth.

We beseech you, therefore, heed our call. A \$100,000 should be given us at once.

The institution will be re-built and it is imperative to go at it at once. Do something for us and do it quickly. Now is the time. Tomorrow is late. Join us for a noble service to the young men and young women of Arkansas.

Geo. H. Crowell, President.

Bro. J. D. Kelley, sending in two renewals, says  
he received eight members Sunday and raised \$50  
for church improvements on Vilonia charge.

The Lawton District Conference will be held at  
Snyder, April 28-30, instead of April 13-15, as ap-  
peared in last week's issue of the Western Metho-  
dist.

Rev. J. C. Sampley of Fouke, Ark., writes that he  
has raised over \$300 above the pastor's and presid-  
ing elder's salary since Conference. They will soon  
have a new parsonage.

A letter from Bro. R. V. Williams of DeQueen  
tells us of the death of his father, E. Y. Williams.  
We deeply sympathize with his loved ones left  
behind and commend them to the Heavenly Fa-  
ther's care.

Rev. R. L. Sell, D. D., pastor of Scott Street M. E.  
Church, Little Rock, is giving a series of six lec-  
tures in the state for the benefit of Henderson-  
Brown College. Don't fail to hear him. You will  
help a good cause and get more than the worth of  
your money.

Bros. O. H. Keadle, H. H. Watson, W. F. Walker,  
Forney Hutchinson, W. W. Nelson, Jas. Thomas, M.  
E. Hays added cheer to our office this week. All  
made good reports of their work. Bro. Watson will  
have Bishop Hendrix to dedicate his new church  
at Augusta, April 19.

Bro. W. J. Moore writes on the 9th: "We are in  
the midst of a great meeting at Wynnewood. Great  
congregations, fine interest, 43 professions yester-  
day, expect greater things this week. The whole  
town is stirred. Dr. McIntosh and Prof. Anderson  
are leading in the fight. Rejoice with and pray  
for us."

We must ask the brethren to preserve the copies  
of this week's issue in order to keep the quarterly  
conference announcements. We cannot publish them  
every week. We are planning to enlarge the paper,  
but even then we will be crowded for space in  
which to publish the many splendid articles that  
are sent in.

Rev. G. W. Lewis, Ardmore, Okla., has a few  
open dates that he can give to the brethren who  
want his help in protracted meetings. He has  
been with Bro. Kemp at Orr, and good reports  
have come from his meeting, so far. Bro. Kemp  
is well liked by his people. Write Bro. Lewis,  
Ardmore, Okla., 124 D St., N. W.

Mr. T. Henry Downing, of Harrison, Ark., son of  
Rev. W. A. Downing, who was a member of the  
White River Conference and died in 1911, was a  
called at our office Monday. He is in the race for  
Secretary of State, subject to the action of the  
Democratic party. He is a member of the church  
at Harrison and is out-spoken in favor of civic  
righteousness.

Rev. Jerry Jeter and wife are with Rev. R. E.  
Stevenson in a meeting at Wilburton, Okla. The  
meeting began Sunday, March 1st, and on the fol-  
lowing Sunday the largest crowd ever assembled  
in the church was present. There were many con-  
versions on Sunday, 21 on Monday, making in all  
after running nine days, 62 conversions and recla-  
mations. Bro. Stevenson is a Vanderbilt graduate  
and is in great favor with his people. The evange-  
list and his wife go from here to Grove, Okla., to  
assist Rev. Marshall Dupree, in a meeting.

We acknowledge a very pleasant call last Friday  
from our old friend, Rev. J. K. Farris, whom the  
editor has known for many years—in fact, we grew  
up together. Bro. Farris reports an increase of  
more than twelve hundred dollars in the assess-  
ments on preachers' salaries in his district as com-  
pared with last year. He had been engaged for  
the few days prior to his visit in collecting money  
for the Hendrix College endowment fund and  
brought with him something more than the sum he  
had been asked to collect. We are always glad to  
have him call.

## ARKANSAS NEWS AND NOTES.

By Rev. D. J. Weems.

Alexander and Bryant.

Rev. W. J. Rogers has charge of this work. He  
has served long and well, is ever cheerful and is  
highly appreciated. Last year he had a fine meet-  
ing at Salem camp ground, doing nearly all the  
preaching himself. He has a large circuit, Alexan-  
der and Bryant, two small railroad towns, being  
only part of the work. Sister Rogers has looked  
well to the home. The children are all grown.  
Prof. R. W. Ray has had charge of the school of  
Alexander for several years. He is much appre-  
ciated as a teacher. We did well for the Western  
Methodist. We have a neat church and parsonage  
here.

Mablevale.

Rev. H. H. McGuyre has a delightful charge in  
Mablevale and Primrose. This work was never so  
well equipped. They have a real nice church at  
each place, an intelligent congregation, and have  
build comfortable parsonage at Mablevale. It is  
a credit to the town, and to those who helped to  
build it. Bro. McGuyre is well equipped for effi-  
cient work and is having fine success. Having a  
liberal education, deep consecration, and full of  
energy, success is inevitable. The parsonage is  
blessed with a good wife, three precious children  
and grandpapa McGuyer. With the aid of the pas-  
tor, we did a nice business for the Western Metho-  
dist.

Hot Springs.

Mixing pleasure and business a few days were  
spent in Hot Springs, taking in the great Methodist  
Sunday School Conference, which the secretary,  
Rev. J. M. Workman and Rev. P. C. Fletcher will  
report. It was indeed an inspiring meeting and  
will bring forth fruit to the promotion of the Sun-  
day school. Hot Springs is a great resort for the  
afflicted and the pleasure seeker. They have about  
100,000 visitors every year. The effects of the fire  
are visible. While a great many have rebuilt, it  
will take several years to recover fully from this  
awful fire. With Rev. W. T. Martin and his daugh-  
ter, Miss Gene, we stoned at the Southern Hotel, a  
neat and comfortable place, kept by a good Metho-  
dist, Sister Linch, at reasonable rates. Our strong-  
est church, Central, was the only church we lost.  
The parsonage also burned. There was no debt on  
the property, so the \$35,000 insurance will greatly  
help in rebuilding. We have four other churches in  
the city, and all are going well. Rev. S. C. Dean,  
at Third Avenue; Rev. J. B. Evans, at Malvern;  
Bro. Spruce, Tigert, and Rev. H. B. Trimble, Cen-  
tral Avenue. Rev. S. B. Mann has the Hot Springs  
circuit, and Rev. Fred Murry a circuit a little fur-  
ther out. I was delighted to hear good reports of  
these brethren. Bro. Trimble has a big job to re-  
build. But he is fully adequate to the task. His  
people spoke of him in highest terms, both as a  
preacher and a gentleman. It was a pleasure to

meet Rev. S. W. Rainey and wife. They were quite  
cheerful. I went beyond my expectations, renewing  
old subscribers and secured eight new ones. An-  
other visit was promised later to make special can-  
vass for new subscribers. We must have 20,000  
subscribers for the Western Methodist and we will  
get them. Mark the prediction. We must have  
the co-operation of the pastors to succeed. The  
church paper in every Methodist home will help to  
solve every church problem.

Lonoke.

A beautiful town on the prairie, about 25 miles  
east from Little Rock, is Lonoke. The Rock Is-  
land road gives fine service. We had the pleasure  
with the pastor, Rev. W. W. Nelson, to visit the  
high school and hold chapel with them. Prof. An-  
drews is superintendent and Prof. Kunce principal.  
This town has excellent school and churches and a  
fine general business. It is located in the great rice  
belt. Bro. Nelson and wife greatly miss Harry,  
their bright son, who left them for heaven last  
December. We know it is well with him, and he will  
not be a cripple up there. Walter, their other son,  
is very smart and promises to be a great comfort  
to the fond parents. The home is also brightened  
by a nice young lady, niece of Bro. Nelson. The  
church and Sunday school are moving up. Bro.  
Nelson is a fine preacher and an untiring worker.  
His people are perfectly delighted with him. With  
his aid we had fine success, moving up the old and  
securing eight new subscribers. He will get others.

## WEST OKLAHOMA NEWS NOTES.

By Rev. R. S. Satterfield.

Rev. W. M. McIntosh was at Davis with Bro.  
R. A. Crosby for two weeks. More than seventy-  
five conversions.

Our congregation at Lindsey, J. T. McBride, pas-  
tor, are worshipping in their splendid new church.  
Lincoln McConnel is to conduct a union meeting  
in Oklahoma City, beginning the last Sunday in  
March. He has just closed a meeting in El Reno in  
which there were more than a thousand conver-  
sions. Our pastor, Bro. R. O. Callahan, reports  
fifty-four additions to date and says he will get as  
many more.

Last Sunday was Church Going Day at McAlester.  
According to reports there were five thousand  
extra worshippers in the various churches.

In a personal letter Bro. B. C. Clarke, our splendid  
laymen at Purcell, says: "Everything in a church  
way moves well."

Lockett Adair is now conducting a union meet-  
ing in Guthrie. They are expecting great results.

Our work in Pauls Valley moves forward. We re-  
ceived nine members Sunday by certificate, repre-  
senting five different families. We have had an  
average increase in Sunday school attendance so  
far this year of 18 as compared with the same  
period last year and the offerings have averaged  
\$2.11 more than for the same period last year.

The Western Methodist has greatly improved  
under the new management. The type is better,  
the arrangement is much improved and the book  
reviews are good. Tell your field men that the  
average reader does not care much about the color  
of the eyes of the preachers' children, and that  
they take it for granted that all preachers have nice  
families. Neither do the readers care whether it  
was raining when the field man visited Pokeville,  
whether the train was late, whether country roads  
were rough on Pineville circuit, whether the sup-  
per in the hospitable home of Brother A. was excep-  
tionally good, or whether these things were all dif-  
ferent. Yes, and we will hail the day with joy  
when a church paper can be run without the patent  
medicine advertisements.

## A NEW PAPER.

A new paper may soon be put before the people,  
as the Board of Directors of the Development Pub-  
lishing Company held a meeting on March 3, at  
which it was voted to call a meeting of the stock-  
holders of the company to be held in this city,  
April 6, 1914, at 11 o'clock a. m., with a view to the  
early publication of a weekly Reform State News-  
paper.

## OKLAHOMA NOTES.

By L. C. Craig.

## Wetumka.

I stopped between trains at Henrietta, and had a pleasant time with Rev. A. M. Belcher, the pastor. Arrangements were made for a future date. Bro. Belcher is preaching to crowded houses every service. I spent Saturday night at Weleetka, but because of smallpox quarantine, we could not have services Sunday, so I came on to Wetumka where I was announced to preach at night. Bro. Dawson, our pastor at Weleetka, is in fine favor with his people. Rev. S. F. Chambers, the pastor, preached an excellent sermon at 11 a. m. at Wetumka. I met Rev. W. J. Vick, of Coalgate, here. He had come to assist in the funeral services of Bro. Jarrett. Owing to the blizzard at night, our congregation was small but we had a good service. Bro. Chambers and his wife are getting a good start in this pleasant charge. It was good to see at least six men connected with the banks in Wetumka in active church work. Today (Monday) was so cold that we could not do much for the paper. After consultation with the pastor and Bro. H. H. Holman, chairman of the board, we took the names off 22 families not getting the paper, and sent them in for one month, with the understanding that I am to return within that time and we are to see them all. No doubt their new parsonage will be under process of construction before my return. I had a very pleasant meeting with Bro. Johnson Tiger and his wife at Wetumka. Bro. Tiger is district interpreter for the Creek district. He has promised to write some for the Indian work. I hope to be able to attend the district conference at Honey Creek in July. My fellowship with Bro. and Sister Chambers was delightful. Bro. Chambers heartily endorsed the Methodist and insisted on all his people taking it and reading it.

## Holdenville.

From Wetumka I came to Holdenville. Although the weather was cold Tuesday, the pastor, Rev. Thurston Campbell, "put me next" to the business men of his church and we secured five new subscribers and renewed several who were already taking the Methodist. Holdenville, county site of Hughes county, is a very thrifty, attractive town of about thirty-five hundred inhabitants. It is solidly built, and has promise of a fine future. I was glad to meet the P. E., Rev. N. H. Linebaugh. His home is here. He is a very capable presiding elder, and has everything moving in fine order in his district. His preachers and people speak of him in the highest terms. I am under many obligations to him for kindnesses and valuable assistance. Rev. E. T. Campbell, the efficient pastor, is making good. He is a recent transfer from Texas. He is in fine favor with his people. His wife is a true help meet, having been trained in a Methodist parsonage. It is a real pleasure to work with an enthusiastic, hustling man like Bro. Campbell.

## Wewoka.

Rev. J. A. Parks, the pastor, met me at the train Tuesday afternoon, and we were able to meet most of our subscribers at once. Bro. Parks is a thorough, aggressive, business pastor. He "plans his work and works his plans." He was preparing the way for the coming of Rev. Abe Mulkey, who began a revival at Wewoka Friday night. Wewoka is the county site of Seminole county, and the old capital of the Seminole nation. Bro. Parks is preaching to splendid congregations and, as is usual with him, he is building up the church in all its departments. I expect to hear of a great revival. Bro. Cassidy was holding a meeting at Seminole, and we heard good reports from there.

## Hickory.

Thursday night was spent at the home of Rev. E. D. Farrish, the pastor of Hickory charge. I enjoyed my fellowship with Bro. and Sister Farrish very much. I had known them for more than twenty years. It was my privilege to preach to him at Sulphur Rock many years ago. Bro. Farrish is an excellent man, in favor with his people. He will succeed at this charge. We met some splendid

people. Bro. and Sister H. C. Bowen made us much at home with them. If possible I am to return and preach for Bro. Farris and represent the paper to his people that live out from the town.

## IN THE FIELD.

By Rev. Frank Barrett.  
Benton.

Sunday, February 22, this editor worshipped with the good people of Benton, preaching at the morning service and meeting with the officials of the church at 3 o'clock in the afternoon. A down pour of rain prevented the evening service. The pastor, the Board of Stewards, Sunday school officials and officers of the Women's Missionary Society, after conferring together about the plan to put the Western Methodist into every home, arranged to raise the funds and ordered the paper sent into the 121 homes in their church that were not getting the paper. The pastor, Bro. S. K. Burnett, is wide awake and pushing every interest of the church. He is a strong believer in the value of church literature in the home, and has a well selected library in his own home and is making good use of it.

## Mineral Springs.

We spent the day Tuesday with Bro. Mullins, the pastor, at Mineral Springs. This is Bro. Mullins' first year there and already he has done what would be ordinarily considered a good year's work. The church under his leadership has built and practically paid for one of the best parsonages in the conference, and is already planning for the erection of a new brick church. We have never known a pastor more popular and loved by his people than is Mullins. We had the pleasure of calling on a number of the readers of the paper there, renewing their subscriptions and adding some new names to the list. From every visible token this will be the greatest year in the history of that church.

## Magazine.

Thursday of last week we visited Magazine in the interest of the paper, where we met two of our old time friends, Bros. Peyton Castling and R. D. Jones, both of whom are staunch laymen in the church there. Bro. Castling took the pastor's place, who lives in another town, and showed us many kindnesses in helping us to meet a number of the members of that church, and giving us the pleasure of a splendid dinner in his home. He thinks there are about 20 Methodist families there not getting the paper and ordered the number supplied at his own expense.

## Booneville.

We spent the night at Booneville, where we had a short visit with the pastor, and some of his laymen. An effort will be made there to put the paper into every home.

## Belleville.

At Belleville we did some work for the paper and enjoyed a short visit with the pastor, and some of his laymen, among them Bro. I. N. Martin, who recently gave \$1,000 to Bishop Lambuth to build a church in an important mission field.

## Danville.

At Danville we found the pastor, Bro. Forrest, full of enthusiasm and already planning to put the paper into every home. His church will soon appear in our honor roll.

## THE PAPER IN EVERY HOME.

We are very much gratified to report that the campaign now on in Arkansas and Oklahoma to put the paper into every Methodist home is meeting with great success. Nineteen churches are now on the honor roll and we confidently expect the list to grow from week to week. We have tried the plan in some of our largest as well as some of our smallest churches and find that it can be done in any church where the effort is made. Keep your eye on the churches and pastors whose names appear in our honor roll and watch how fast a church can grow when all of its members are in

touch with, and informed about the great work of their church.

Let every pastor report at the Sunday morning service the number of families in his church who are not getting the paper, then let a fund be provided by public collection, or private donation, or out of the incidental funds and let the paper be ordered and sent into those homes. The paper will be furnished for the price of one dollar where it goes to every home. When the people know they will do. No individual or church could make an investment that would bring larger returns to the church than to invest in the circulation of its literature.

## LITTLE ROCK AND ARGENTA PREACHERS' MEETING.

March 10. Present: Workman, Hundley, Mann, Richardson, Butt, Buhler, Hutchinson, Evans, Twitty, Rogers, Walker, Eaglebarger, Fitzhugh, Duckworth.

Bro. Hutchinson conducted the devotional service, which was suggestive of helpful revision in our method of preaching.

Hunter Memorial—Large attendance at both services Sunday; five additions; special service in behalf of boys at night.

Asbury—476 in Sunday school; Arkadelphia 32 in the lead in contest with Asbury, but the latter sees victory ahead. Services well attended. League growing. Finances in good shape.

First Church, Argenta—Sunday school largest in history of church, every department of church moving with life and activity.

Bro. Fitzhugh of Oak Hill circuit was present and reported his work very encouraging. Large attendance Sunday; two Sunday schools organized; people growing in grace and spirituality. We are glad to have these visitors from the circuits.

Bro. Butt was at Keo Sunday. The people are much in love with Bro. Butt's preaching at Keo.

Twenty-eighth Street—135 in Sunday school; one addition to church; large service at night; everything in good condition.

First Church—League growing, excellent service Sunday night with 40 present in League. Large attendance at church Sunday morning.

Duckworth at Scotts and Keo—67 present at Keo in Sunday school and 66 at Scotts. Everything moving on with enthusiasm.

Winfield—Largest congregation in this pastorate at morning service, not including special days. Epworth League doing well. Special sermon to Hight school pupils at night.

Capitol View—Six preachers present at night, Hays, Eaglebarger, Harwell, McCollum, Hutchinson and pastor. People were turned away from both League and church for lack of room; four joined the church. Sunday school was large. Judge Isgrig addressed the Capitol View Boosters' class of young men at Sunday school hour.

Bro. Eaglebarger, ex-editor of Western Methodist, was present and spoke of his increasing love for the ministry and the ministers. He teaches a Bible class at Winfield. He assisted in the administration of the sacrament at Scott street Methodist Sunday. He still is a valuable asset to Capitol View.

Hutchinson—Spent Sunday at Mt. Carmel on Bauxite circuit, received three into church. Preached at Capitol View at night to large crowd.

Pulaski Heights—Four additions; large attendance at all services Sunday. Judge Moose addressed the Bible class at Sunday school.

## EAST SIDE DISTRICT MISSIONARY INSTITUTE, GUYMON DISTRICT.

By F. M. Miller.

I am so enthused over the results of the East Side District Missionary Institute of the Guyman district that I can't let this opportunity pass by without having it published in the columns of our church and conference organ. It convened at 7:30 p. m., Tuesday, February 17, 1914, with our beloved presiding elder, W. J. Stewart, in the chair, and after a short preliminary service conducted by the writer in which Miss Fay Thomas rendered a very appropriate and helpful reading; also special music by the choir, Bro. Stewart addressed the con-

gregation in his effective way, and introduced the speaker for the evening (Rev. N. A. Phillips), who preached a great sermon on the subject "The Church and the Young People." I hear nothing but gratitude, and praise, when Phillips' name is called, and I would not be much surprised at the next session of West Oklahoma Conference if Bishop Mounzon doesn't receive an application from Tangier for him, as pastor. Communication was received from Rev. J. W. Bruce of Arnett stating that on account of the smallpox he was unable to attend the institute. Rev. E. H. Shirley of Lakemp rendered a valuable address on "Who shall sing in Sunday school, and what shall they sing?" He is wide awake, and is moving things where he goes; many people are waiting, and expecting, in the future to see him honored as one of Methodism's great preachers. Rev. P. C. Steele of Tyrone gave an exhortation "To use our own literature," which was very much appreciated, and I have also been informed that some of the young ladies of Tangier say Bro. Steele is "awful cute." The faculty of the Tangier public school with the entire student body came to hear the address of Rev. J. D. Z. Munsey, of Grand Valley, on "Children's Day." Bro. Munsey is well known in the West Oklahoma Conference, after having spent most of his life in the frontier work there organizing, and assisting in the erection of many of the church edifices in the Guymon district. He organized the church at Tangier, and served as its pastor for several years, and the fact that his hair was snowy white from the passing of many winters, as well as from the facing of many snow storms to meet his appointments in the past, he stood in the presence of that crowded house full of zeal, and as ambitious as any young man. He said that he yet felt as young as any pastor in the Guymon district, but that he knew it would not be long until death would claim him. At this time Dr. Armstrong rose in the congregation and said, "Brother Munsey should not talk of death. Worldly men say, Let us eat, drink and be merry, for tomorrow we die, but the Christian says eat, drink, and be merry, for we shall never die. He will live forever in the hearts of this people. A pebble thrown upon the smooth surface of an ocean makes a ripple which moves with increasing force and volume till it reaches the farther shore. So the ripple of human life will spread, and be much greater when the gates of the unseen world are opened for the Pilgrim's entrance. Some of us will meet Bro. Munsey in the better land. If I meet him there I'll say, I see that you are living yet. No doubt, as he looks upon the vernal fields, and rivers of pleasure, he will reply, Yes, I am living yet and I feel younger than ever." To know Bro. Munsey is to love him. Rev. H. B. Wilson recently from the Holston Hills in Tennessee, was in our midst and handled his topic well; also preached a very helpful sermon to the children while he was here. We consider it a treat to have the atmosphere of a Christian hearer like Bro. Wilson thrown around us, as he has come to us from the most religious conference in Methodism. Their misfortune is our gain. Rev. O. H. Corbin of Mutual was on hand, but on account of the interest in the subjects of the first day, the time was used before his topic was reached, and on account of rushing business at home he returned home before discussing his topic. Rev. E. E. Grimes of Taloga gave many new thoughts as to how the pastor could help to make the Sunday school go. The beauty of the thoughts was the fact that he was telling it from actual experience, and that he was really making it go at Taloga. Grimes is a young and efficient pastor. We were also addressed by Sisters Stewart of Guymon, Wilson of Hooker, Johnson of Woodward, and Hayes of Tangier, on the missionary subject, which was very pointed and helpful to all who heard it. Then came Rev. T. S. Johnson of Woodward. He began by making everybody laugh, then he made them all think "Why Guyman district should make good." Only one time in the history of Johnson's life, as far as the writer has knowledge, was he more compressed, before exploding. The exception referred to was at the last session of the West Oklahoma Conference, when he soared above that body for fifteen or twenty minutes, before lighting in its presence with a gift for his presiding

elder. In short, Johnson made us laugh, think and cry. Sister Gray of Woodward led the devotional service the afternoon the woman's work was discussed. Bro. E. O. McCance of Mutual, one of our highly honored laymen, was present and gave to the congregation some truly great thoughts. I am sure we will all profit in the future by putting into practice the fundamental truths which were delivered during that institute. Many more things could be said, but I close with this. Tangier has received a wonderful blessing from the institute, and we feel it would be a greater blessing to entertain the district conference, so we are looking forward to the ensuing district conference at Woodward, and when the question of where shall the next district conference be held, shall be asked.

#### SUNDAY SCHOOL NOTES. By. Rev. W. J. Moore, Chairman.

##### A Suggestive Program.

The two Oklahoma Conferences, on recommendation of the Sunday School Boards, adopted a resolution that one or more Sunday school conferences shall be held in each presiding elder's district, early in the year. We give below a suggestive program, covering a four-session institute, as follows:

##### Opening Session—Evening.

Devotional—by the Presiding Elder.

Address—"The Sunday School—A Rich Harvest Field."

"Why I go to Sunday School."

"A Standard Sunday School. What Is It?"

##### Morning Session.

Discussion of:

"An Organized Sunday School."

"The Place of the Pastor in the Sunday School."

"The Place of the Pastor Outside the Sunday School."

"The Superintendent and His Work."

"Some Problems that Confront the Rural Sunday School."

"Grading the Sunday School—Why? How? When?"

"Class Grading and Class Reports."

"The New Graded Literature—Can it be Used in any School?"

"Wesley Bible Class—Its Purpose, Its Activities."

"The Workers' Council—How to Make it Profitable."

Round Table.

##### Afternoon Session.

Discussion of:

"Is the Cradle Roll Worth While?"

"Value of the Home Department, and What the Pastor Can Do to Promote It."

"How Shall We Make the Most of Missions in the Sunday School?"

"A Birthday Jar in Every School, and How to Make the Service Interesting."

"A Children's Day Service in Every School—How to Make it So."

"Elementary Methods."

"Useful Sunday School Books and How to Get them."

##### Evening Session.

Discussion of:

"The Need of Trained Workers and How to Get Them."

"The Co-Operation of the Parents, and How Secured."

"How to Teach and Hold the Boys."

"A Testimony—What I Have Gotten out of This Meeting, and What Shall I Try to Use in My Sunday School?"

Suggestions.—Let some live person preside at each session. Do not allow the program to drag for one minute. Put life and snap into it all the way through. Intersperse inspiring songs. But two speakers on each topic. Limit the time. Boil down. Use the laymen much.

#### The Conference of Sunday School Chairmen and Field Secretaries.

The Fifth Annual Session of the Conference of Sunday School Chairmen and Field Secretaries, which met in Hot Springs on Feb. 18-20, was the

most interesting and important and profitable conference of its kind yet held.

Dr. Chappel had wrought out a splendid program; and when we say that such people as Bishop Atkins, Jno. R. Pepper, Hightower, Way, Workman, Dodson, Stanton, Miss Kilpatrick, and others, had places on that program, you may know that there was not a dull moment during the entire session.

The Committee on Sunday School Legislation appointed two years ago submitted a carefully prepared report outlining proposed General Conference legislation. Among the more important provisions of the report are (1) a large and representative General Sunday School Board; (2) an adequate corps of Field Secretaries; and (3) a fund sufficient for the support of this greater work.

The citizenship of Hot Springs brought the visitors under a debt of obligation that we shall not be able to discharge in many a day. Their welcome was symbolized by some of the water they gave us to drink—very warm.

#### Bishop Atkins a Seer.

"I truly believe that you will make more progress in the Sunday school work in the next five years than has been made in the last eighteen years." The good Bishop is a man who sees, and sees things in the big when there is anything to see. Why did he make such a prophecy? Because he sees the growing interest in this the greatest work of the church. Again he says that we are just now coming into the first epoch of trained workers in the Kingdom of God.

Again, we are coming more definitely to base our revivals on the Word of God. "There is no other sort of revival except on the basis of the Word of God," says he. God's plan is for us to begin at the bottom of the world and build up human life. Away with that delusion that you can save a man in any complete sense. The Book says, "First the blade, the ear, after that the full corn in the ear." On that basis, and no other, shall we have a genuine, permanent revival, and make that progress which the Bishop sees in the next five years.

#### A Good Indication.

One of the most hopeful indications for the increased efficiency of our Sunday schools and an enlarged interest in same is the fact that our leading educational institutions are putting in courses of Bible study and Sunday School Pedagogy. Some of them cannot establish a full Chair, but they are going as far as they can with the means at hand. The Chair in Vanderbilt is now about provided for; and the Southern Methodist University has taken up the proposition to endow a similar Chair in the next five years. The proposition is that the Sunday schools of the patronizing conferences shall raise the amount \$50,000. The Oklahoman Conferences have promised co-operation; and as soon as we get out from under the financial depression that has been over us, we shall give the proposition all the encouragement possible. It is a good indication that the course is receiving such conspicuous consideration.

Wynnewood, Okla.

Forrest City Church, with Rev. F. W. Gee, pastor, and Grady, with Rev. H. E. Van Camp, pastor, are added to our church honor roll this week. We hope to soon be adding churches by the dozens each week, instead of by twos and threes.

## ENDORSE EVERY MEMBER PLAN.

Editor Western Methodist: Appreciating the fact that the church paper is indispensable to the Christian home, I am therefore, heartily in sympathy with the every member campaign, which has for its object, putting the paper into the home of every Methodist. Your offer of \$1.00 for the paper bespeaks your own interest and generous desire to help.

Fraternally yours,

Forrest City, Ark.

J. K. Farris.

## A WORD FROM A FORMER EDITOR.

I wish to congratulate you upon the success of your campaign to put the Western Methodist into every family in each local church. I note that you are making the rate of \$1.00 per year where every family in a particular congregation takes the paper. The paper cannot under any ordinary conditions be published for \$1.00. It would certainly bankrupt you if you were to attempt it. But it can be published for \$1.00 per subscriber if these subscribers all pay and all pay without any expense whatever to your office. This, is, as I understand, your plan; you are asking that each church shall, in effect, become a subscribing club, collect its money and send it in to you. This will save to you all expenses of an agent or of any other method of collecting; it will save an immense amount of bookkeeping; it will also greatly increase your subscription list, and so cut down the average cost of each paper sent out.

You have so far succeeded admirably with your canvass. The Western Methodist has something more than a thousand more subscribers than the paper has ever had, is reaching one thousand new families, say five thousand new people every week. And you have just begun. That paper ought to have in Arkansas and Oklahoma 30,000 subscribers. What a power for good that would be! I am praying that the blessings of the Head of the Church may be upon your efforts.

Jas. A. Anderson.

## FROM FORT SMITH ELDER.

I have observed with much interest that you are pushing a campaign to place the Western Methodist in all of our Methodist homes. Every church home needs a church paper. Every Methodist home needs a Methodist paper. Every Methodist home in Arkansas and Oklahoma needs and should have the Western Methodist. Intelligent interest is largely created by reading. The church paper brings news pertaining to the church and to the entire religious world which cannot do otherwise than create interest in the church and personal

religion. My observation is that those who take the church paper constitute nearly the whole of the membership who are deeply interested and progressive. I wish for you great success in this campaign.

J. M. Hughey, P. E.

March 7, 1914.

## FROM BRO. MCKAY.

I believe all inspiration to be good but inspiration based on intelligence is the best. Our people need to know what Methodism is doing in Arkansas. If they work intelligently they must know where we are, and where we propose to go. Our church organ can and will give us this information. All of our people need the paper. Most of them are able to take it, where they are not the church should help them. I trust you may succeed in placing it in every home. I shall help you.

Sincerely,

R. W. McKay.

Monticello, Ark., March 9, 1914.

## FROM J. A. SAGE.

The movement to place the Western Methodist in every Methodist home in our territory has my most hearty approval and earnest support. The success which has already been achieved shows that the plan can be carried out when our pastors and a few generous and broad minded laymen become aroused to its importance. I seriously doubt if the same amount of money as that which may be required to place the paper in every home could be invested in any other way which would bring such large returns in enriching and broadening the spiritual life of the church.

J. A. Sage.

Pine Bluff, Ark., March 9, 1914.

## LINDSAY, OKLAHOMA.

We are now in one of the greatest meetings ever held in our town, I think. Bro. York and Bro. Bridges and wife are with us. Just started last Sunday, but the people are being overcome by the Spirit of God, and conversions already.

## HOT SPRINGS METHODISM.

In my ramblings I have only spent one night at home within four weeks. But that one night put me in 'phone touch with some of our pastors and others. From them I gleaned the following facts:

Bro. Trimble, pastor of Central Avenue Church, is making good and is now in full swing and commanding the situation to the delight of his large congregation. They have sold the lot on which the church was burned and will rebuild one block south on Central avenue, where the Central Hotel was burned.

Mannville of Oaklawn, Dean of Third Street, Robertson of Park Avenue, Evans of Malvern Avenue and Spruce of Tigert Memorial, are all doing well. Their Sunday schools, Leagues and congregations all good and improving. Everything lovely with our Methodism in the City of Vapors.

## A GREAT MEETING.

The Conference of Chairmen of Sunday School Boards and Field Secretaries of the Methodist Episcopal Church, South, met in the Third Street Church, Hot Springs, February 18-20, and was one of the very best, if not the best, sessions of the several held. Dr. E. B. Chappell, the splendid editor of our Sunday school literature, presided, and at the first session made his annual address, which was full of information, illumination and optimism. Welcome addresses were delivered by Mayor J. W. McClendon, Hon. Hamp Williams, and Rev. H. B. Trimble. Voices from the field were heard from a number of the delegates, all of which contained a note of encouragement. The meeting was well attended, members of the body being present from Texas, Oklahoma, Florida, Tennessee, Mississippi, Kentucky, Arizona, Missouri, New Mexico, North Carolina, South Carolina, Virginia, Louisiana, Maryland, Alabama and Arkansas. Rev. J. M. Workman, the secretary of the Little Rock Conference Sunday School Board, was elected secretary of the conference. He also appeared on the program. One of the special features of the conference was the

address of Bishop James Atkins on "What Lack We Yet?" He gave a most helpful account of the achievements of the past and told of the still greater things to be accomplished in the near future. There was not a discouraging word. His is always the hopeful outlook. He believes God is on His throne and that this world is rapidly learning to do His will. Splendid addresses were made by such expert Sunday school workers as Mr. John R. Pepper, Miss Elizabeth Kilpatrick, Rev. W. J. Moore, Dr. Hightower, Dr. C. D. Bulla, Rev. J. A. Lyons, Mr. E. E. French, Rev. J. M. Outler, Rev. L. F. Beaty, and Prof. C. E. Dudley. All of the discussions were excellent and revealed not a few places for improvement in this great department of our great church. Last year Southern Methodism had a net gain in Sunday school scholars of nearly 99,000. The next General Conference will be asked to enact some much needed laws by which to better protect and advance the Sunday school department of our church. On Wednesday the Sunday School Board of the Little Rock Conference held an important meeting at the Hotel Pullman and laid plans for more aggressive and progressive work within its bounds. Those present were: J. M. Workman, J. R. Sanders, J. H. Cummins, A. Terrentine, P. S. Herron, J. W. Holland, J. A. Henderson, and P. C. Fletcher. No pastor or superintendent will be excused this year who does not hold a Children's Day service and does not send in the full amount of the Children's Day collections. Bishop Atkins did not hesitate to say on the floor of the conference that any preacher who diverts the collections of that day to any other use should have his character arrested for "immorality." It was also brought out very clearly in the discussions that any superintendent who stands in the way of the observance of Children's Day should be elsewhere than at the head of one of our Sunday schools, for he is in open rebellion to the specific law of his church. Four of the presiding elders of Arkansas Methodism attended the sessions—Rev. J. A. Henderson of the Texarkana district, Rev. Forney Hutchinson of the Little Rock district, Rev. W. T. Martin of the Harrison district, and Rev. J. A. Sage of the Pine Bluff district. It was a source of regret that Dr. and Mrs. H. M. Hamill could not be present. Dr. J. M. Moore, Secretary of Missions, and Rev. D. J. Weems, of the Western Methodist, were helpful visitors.

P. C. Fletcher.

## "THE SWEET BY AND BY."

The following, under the above caption, is taken from the Bulletin, Capitol View Church, Little Rock, H. F. Buhler, pastor. We doubt if any one can excel him in labors much.

"The ladies have started to visiting. We knew they would. The pastor and the ladies are going to have a visiting contest just for this week. He is going to make more than all the ladies of the church combined and get up sermons, prayer meeting talks, mission study, teachers' study, solicit funds, carry aid to poor, get people to join church, look after the various classes to see that they grow, get new teachers, go to see the wife of drunken husband, get her not to sue for divorce, try to get the officers of classes, societies, League and church to wake up and do their duty, to rehook the traces of those who continually kick out of harness, collect the news, write The Magnet and get cussed out for omitting a name, ask some to do necessary things, go and show them, beg and persuade them, then go and do it himself, act as secretary of Ministerial Alliance, furnish the paper with the "dope," make talks at shop meetings, furnish W. C. T. U., U. D. C. and other clubs with names and addresses of all ministers in city, try to appease the wrath of some one who was slighted at last Sunday's service, gets some one back into the choir, hear a thousand bad things about everybody he knows and love them all, preach funerals at a moment's notice, and try to get married—well, he has a good easy time—and smiles."

Thomas A. Edison, the great inventor says, that the average man eats twice as much food as he needs. This is guilt and waste, one of causes of the high cost of living.

We are having a glorious meeting at Seminole, by far the best in the history of the town, about fifty conversions, among them some of the leading men. ## DO YOU GO TO CHURCH FOR SELFISH REASONS?

In the March Woman's Home Companion, Bruce Barton writes an article entitled "Why Fifty Women Go to Church." Last month he published an article entitled "Why Fifty Women Do Not Go to Church." He has been collecting information from hundreds of women and the information he has obtained is specific and highly entertaining. Following is an extract:

Another says "Purely aside from the spiritual value of church attendance, it is a matter of good policy for a woman who is in business, as I am, to identify herself with some strong church."

#### LINDSEY, OKLA.

Western Methodist: I have not made a report of my work this year, because we have been so busy getting into our new church. We were met at depot and driven to parsonage, where we found some of the elect ladies of the church awaiting us with a fine hot supper on the table and every thing in order, swept and garnished for the preacher's family of seven. Such receptions places a preacher under great obligations to a people. Everything has moved along pleasantly and we are pleased with the situation and optimistic of the outlook. Last Sunday, Feb. 15, we held our opening service in our new church. It is of brick and well arranged and largest auditorium in the city. Our people are justly proud of what they have been able to do through the leadership of Bro. Spain, the former pastor, and the official building committee, aided by the co-operation and interest of the loyal members and friends of the church. Our new church is adequate to meet the demands here for some time to come. Bro. Spain labored well and superintended the construction himself. Brothers Diggs, See, Alkire, Bolyard, Luton and M. A. Smith bravely stood behind the finances in a most substantial way. The Woman's Missionary Society has done much, paying for pews, etc. The Epworth League and Sunday school have done nobly and many individuals we will not take space to mention.

Our revival meeting, led by Rev. D. V. York, D. D., will begin Sunday, March 1st. We hope to sanctify the new building by a Holy Ghost revival. Pray for us. Everything seems bright and prosperous with us here.

#### SAPULPA, OKLA.

First Church, Sapulpa, is going forward. Largest congregations in the history of the church. One of the best Home departments of the Woman's Missionary Society in the state, as loyal and faithful men as it was ever my privilege to work with; a membership that knows how to appreciate a pastor and his wife—a few of the good things we have.

Dr. W. F. McMurry was with us on the 15th inst. We begun a campaign for funds to finish our building and relieve our financial strain as much as possible. A committee of laymen devoted last week to this work; they wrought great things, and we can now see daylight. God bless the noble laymen who give their time and means for the advancement of his church.

We need in this city more than any other one thing just now a great revival of religion—a revival that will sweep over the entire town and awaken these dead Methodists, whose membership is "back home," and arouse the hard hearted sinners who are also here in abundance. May the Lord bless his people with just such a revival in this town.

Our congregation is blessed with the "Little Hymn Book," recently purchased. Our Teachers Study Circle meets weekly at the close of the mid-week prayer meeting.

The Sunday School Conference held at our church by Dr. Chappell and the chairmen, was inspiring. Sunday night Rev. and Mrs. W. M. Manville placed their membership with the church, which was pleasing to the congregation. Manville and I were classmates.

March 22: A Prisoner of Hope: The Story of Yun Chi Ho.

(Prepared by E. H. Rawlings.)

Eph. vi. 18-20.

Program.

1. Song.
2. Prayer.
3. Song.

4. Statement by the leader: "The subject of our meeting this evening is 'A Prisoner of Hope' and is the life story of Baron Yun Chi Ho. In all the history of Christian missions, perhaps, there has been no finer product of the gospel rendered than the noble Korean whose life we are to study tonight, and the story is rendered all the more interesting by the fact that Mr. Yun is now serving a prison sentence in Seoul as the result of a trumpedup charge of conspiracy to assassinate the Governor-General of Korea."

5. Reading the lesson and in a short talk calling attention to the fact that, though ten thousand miles away, we can, nevertheless, really reach this prisoner of the Lord by way of the throne.

Talk No. 1.

Fleeing for His Life.

Sometime about 1881 a young Korean, perhaps fifteen years of age, came down to Kobe, Japan. He knew a little German and proposed to a Japanese acquaintance who knew English to exchange his knowledge of German for his friend's knowledge of English. He came back to Seoul and with his little taste of Western life joined with others of his young friends among the Korean nobility in asking of the emperor the establishment of a government postal system. The emperor consented, but so strong was the opposition of the court officials that when these young liberals came together to celebrate their victory in a great feast suddenly a band of hired assassins set upon them, killing several, wounding others, and scattering them in utter confusion. Among those that escaped was Yun Chi Ho. He found protection in the home of the American consul, Commodore Goote, and after a few hours made his escape from the country, fleeing with a letter of introduction to the Consul General at Shanghai.

Talk No. 2.

Coming to America.

Mr. Yun remained in Shanghai six years, studying in the Anglo-Chinese

GASES OR DYSPEPSIA**

"Pape's Diapepsin" makes Sick, Sour,  
Gassy Stomachs surely feel fine

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach-headache, you can get blessed relief in five minutes. Put an end to stomach trouble forever by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder. It's the quickest, surest stomach doctor in the world. It's wonderful.

college; and finally, under the influence and instruction of the great Methodist missionary Dr. Young J. Allen, he was converted to Christianity. In 1890 he came to America, continuing his studies in his preparation for the Christian ministry in Vanderbilt University and Emory College, Georgia.

Talk No. 3.

Courtship and Marriage.

In 1892 Mr. Yun returned to Shanghai, becoming a teacher in the institution in which he had been converted, the Anglo-Chinese college; and while attending the Quarterly Conference at Trinity church one night his eyes fell for the first time upon the beautiful face of the organist, a pupil in Clop-ton school and whose name was Mo-Sie-Tsung. It was a case of love at first sight. Many years before, Mrs. J. W. Lambuth, one of our earliest missionaries, returning from the home of a friend, was attracted by the cry of a baby that seemed to be coming from the grass by the wayside. Following the direction of the pitiful sound, she found a Chinese girl baby, nearly dying of smallpox, that some Chinese mother had abandoned during the night because she did not know what to do with a sick baby except to throw the poor little thing away to die. But Mrs. Lambuth, a Christian Mother, knew what to do. She took the child up in her arms, carried her to her home, and reared her as the foster sister of her own little Walter, now Bishop W. R. Lambuth. When she grew to womanhood, she married a Mr. Mo, of the English Mission, and of that union a little girl was born. Now she had grown to a young womanhood and was the organist whose beautiful

If you suffer from rheumatism let me send you a package of this remedy free. Don't send any money. I want to give it to you. I want you to see for yourself what it will do. The picture shows how rheumatism twists and distorts the bones. Maybe you are suffering the same way. Don't. You don't need to. I have the remedy that I believe will cure you and it's yours for the asking. Write me today. F. H. face and womanly bearing that had night in Trinity church so attracted this young Lochnivar, just out of the West. They were married, and in a few months she went with him to Seoul to shine as the peeress of Western women in the imperial court and to make for Yun Chi Ho the loveliest of Christian homes.

Talk No. 4.

From Court to Ginseng Shed.

Upon his return to Korea this young man, with his experience and culture began to ascend at once in the political world. He was made vice minister of education, special envoy to the coronation of the Czar of Russia, and finally governor of the province of Wonsan. Increasing in influence, he became the first citizen of Korea. It

was not easy, therefore, for him to accede to the request of his old friend, Bishop Candler, who, when holding the annual meeting of the Korean mission in the fall of 1906 asked him to give up political life and take charge of the Southern Methodist school to be established at Songdo. Mr. Yun's father, old General Yun, objected when (Continued on Next Page.)

**Increase your yields of cotton  
and fatten your soil.**

Here we show the cotton on the farm of Mr. D. P. Ellis, near Oakland, Ga. The photograph was taken about July 1st. The field was fertilized with 500 lbs. of 10-2-2 Virginia-Carolina Fertilizer, and afterwards given a second application of 100 pounds per acre of Virginia-Carolina Top Dresser 6-5-5. Mr. Ellis states that this is the prettiest field of cotton he has ever seen on his place and promises the largest yield.

Mr. J. B. Banks, of Columbus, Ga., writes: "I fertilized a 500 acre field of cotton this year with Virginia-Carolina fertilizers, using their high-grade guano for the first application, then applying Virginia-Carolina Top Dresser. I now expect to get 14 bales—three bales to an acre. This is the finest field of cotton that I have ever seen."

Such are the letters continually received from farmers who use

**V-C High-Grade  
Fertilizers**

Mr. T. W. Shackelford, Kellyville, Texas, writes: "I experimented with six different leading companies' fertilizers. From results obtained, I was thoroughly convinced that I had found the goods I wanted in Virginia-Carolina Fertilizers. I have been able to increase my yields of cotton and corn per acre 33 1/2 per cent. from the use of your goods, which beat any and all others. In addition, I have found your company and your goods thoroughly reliable and superior to all other fertilizers sold in this locality. I want no other fertilizer as long as it holds as good as it is. Other fertilizers have come and gone since I commenced to use Virginia-Carolina Fertilizers, but I get such splendid results every year from your fertilizers I do not expect to use any other kind."

Virginia-Carolina Fertilizers are made of the best sources of Phosphoric Acid, Nitrogen and Potash. They are combined in ideal proportions for every crop grown in the South.

Each of the elements of plant foods exist in different forms. Some act quickly and some slowly. These elements are mixed in proportions to furnish nourishment throughout the growing period. Virginia-Carolina Fertilizers are guarded by a corps of chemists. All of the materials used are inspected and analyzed. Farmers everywhere know that Virginia-Carolina Fertilizers can be depended upon and increase their yields.

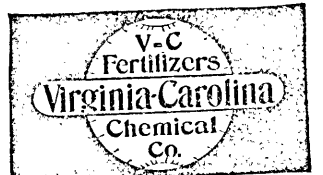

By the use of Virginia-Carolina Fertilizers, poor lands have been made fertile—worn out fields restored—prizes for heavy yields have been won—mortgages lifted and thousands of discouraged and discontented farmers made happy.

See that you secure Virginia-Carolina Fertilizers this year. Write for a copy of our 1914 Farmers' Year book, full of valuable information about the cultivation and fertilization of nearly every crop that grows. We will be glad to send a copy free to every reader of this paper. Write for a copy today.

consulted by the bishop, but finally said: "Since he went to America my son is a man different from other Koreans, and what you have made him I give back to you." Mr. Yun took charge of the school in the now famous "Ginseng Shed;" and when Prince Ito came in to Korea representing the Japanese government, knowing Mr. Yun's influence, he invited him to take office under the Japanese government. He promptly declined; and when the prince, urging him, sent to him a messenger bearing a beautiful jeweled watch and offering him any office in the gift of the government, Mr. Yun replied: "Tell the prince I can't be bought, and my business is making men out of Korean boys." One of the greatest of all our mission schools at present is this Anglo-Korean school, in Songdo.

FOR THE JUNIOR LEAGUERS.  
March 22.

Our Neighbor. Luke X, 25-37.  
"No, I can give you nothing for foreign missions. I do not believe in them." This was Farmer Smith's reply when his pastor asked him for aid for foreign missions.

"Well," asked the shrewd minister, "who is your neighbor?"

"Why the man who lives next to me, I guess."

"Yes," replied the preacher. "It is true in a sense. Mr. A lives on one side of you, Mr. B on one and Mr. C on the third. These men's land's touch yours. Now, they do not need your aid. How far into the earth do you own?"

Mr. Smith looked puzzled as he said, "To the center I suppose."

"And whose land touches yours there?"

It was a minute before the farmer could respond. "Come to think about it, they all come together there, and everybody is neighbor to every one else.

This lesson Jesus teaches us in the parable of the good Samaritan. No matter who the person nor what his trouble, Jesus never refused to help the needy. Now, He has left us the work to do. Let us remember we are all God's children, sisters and brothers, and "Help somebody today."

Girls! Try it! Hair gets soft, fluffy and beautiful—Get a 25 cent bottle of Danderine.

If you care for heavy hair that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast. dead earnest. Our work grows in interest each week. We are meeting loyal, Godly people every where. Have I met with difficulties and discouragements? Yes, but they have been overbalanced by the many pleasant things. We have organized two good Sunday schools, and two good spiritual prayer meetings, and are arranging to organize two more Sunday schools. We have received 17 members and are planning to organize a new class with 16 or 18. The preaching services are better attended each Sunday. We are praying for and undertaking some great things for God. The extreme drouth last year crippled us financially. Conference collections are not all provided for, but think we will pay

### A SONG OF PRAISE.

Marian W. Hubbard.

A song of gratitude we raise—  
 Our morning song, a song of praise—  
 For all the mercies of the night,  
 For all the blessings of the light.

We thank Thee, Lord, for watchful  
 care

That we with all Thy children share;  
 For grace to feel and see and know,  
 The love Thou dost on us bestow.

Praise for the shining of Thy face,  
 That gleams through all the realms of  
 grace,

That lights up all the lonely way.  
 And points to an eternal day.

### A PARTIAL FORECAST OF THE COUNCIL MEETING.

Miss Lochie Rankin, the first missionary sent to a foreign field by the Woman's Missionary Society of our church, and who went to China in 1878, will sail from Shanghai on the Chiyo Maru March 10 and reach Fort Worth in time for the Council meeting. A royal welcome will be extended to our pioneer missionary and to her traveling companions, Miss Bomar and Miss Tarrant.

There will be thirteen deaconesses consecrated on Monday evening, April 13. At the same hour the missionaries for the foreign field will be consecrated. Bishop Edwin Mouzon will perform the service.

#### Mrs. L. C. Barnes at Fort Worth.

One of the attractive services of the Council meeting will be the evening when Mrs. L. C. Barnes gives an address on the new America." Mrs. Barnes is the author of the study course book by that name and has had large experience in dealing with immigrants. She is the author of the textbook, "Early Stories and Songs for New Students of English," which is used by many of our deaconesses in teaching English to immigrants. She is also chairman of the Committee on Home Mission Interest among Immigrants of the Council of Women for Home Missions.

### EXHIBIT OF PUBLICITY DEPARTMENT.

For Woman's Missionary Council, Fort Worth, Texas, April 8-15.

The Publicity Superintendents of our five Conferences greatly desire the auxiliaries in our territory to do themselves justice in the Press exhibit for the Council meeting. Let us see that these faithful leaders are not disappointed in us. It is probable some auxiliaries failed to preserve local papers to which they sent contributions. These and any others may send items at once to home papers (not the Western Methodist this time), and forward these papers at once to their respective Publicity Superintendents, whose names and addresses appear at the top of this page. That all may clearly understand and to avoid repetition, we adopt explicit directions from the Supt. who "spoke first," and who expresses well what all Conf. Supts wish said to auxiliaries within their jurisdiction. Mrs. Satterfield writes:

"From a recent letter from Mrs. Luke Johnson, Supt. of the Publicity Bureau, we learn of her unique plan to stress the importance of the Publicity work. The most effective way, she says, is to demonstrate to the Council what it really means. At the coming Council meeting in Fort Worth she is preparing to make an 'Exhibit.' On a given space there will appear large placards with the name of each Conference on one. A sample of the work done in each Conference will appear under its own head. To this end she is asking of each Supt. of the Pub-

### COMB SAGE TEA IN LIFELESS, GRAY HAIR

Look Young! Common garden Sage  
 and Sulphur darkens so naturally  
 nobody can tell.

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Hair Remedy," you will get a large bottle of this old-time recipe, ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, itchy scalp and falling hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur, because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant.

licity Bureau in each Conference to send her as early as possible, the material for this exhibit. Now we are all dependent upon the responses that will come from the Publicity Supts. in the various auxiliaries. We see right here what may be accomplished by our wonderful 'connectional' system. How beautiful it will be if each auxiliary responds to the call of her Conference officer, and each Conference officer to her superior Council officer. Each one, no matter how small the

auxiliary, that fails to respond, will make a difference in the report at the Council. So please take notice, Publicity Supts. and send to us not later than March 25, the following:

"1. One copy of each secular paper to which you have contributed, the copy of course to have one of your contributions in it. If there is only one paper published in your town to which you contribute, of course it will be necessary to send me only one paper."

#### LITTLE ROCK CONFERENCE.

Mrs. C. A. Evans, Pub. Supt.

From the splendid report of our treasurer, Mrs. F. C. Floyd, for 1913, we give a few totals. Received in Foreign Dept., \$5,896.76; in Home Dept., \$5,493.84; reported in local work, \$13,192.68, making the grand total, \$24,583.28 for the Little Rock Conference W. M. Society.

From Mrs. C. F. Burgess we learn the Home Mission auxiliary of Fairview Church, Texarkana, is doing good work. Besides paying dues, through their efforts \$550 was raised to pay on church pews. They meet every Monday in business or social session and hope to grow in numbers this year.

Mrs. F. W. Youmans, Cor. Sec., writes her Lewisville auxiliary helped much in building their new \$10,000 church, which is a monument to the zeal and liberality of the good citizens of the town.

The Day of Prayer was observed in this church with an interdenominational meeting in which Presbyterians, Baptists and Methodists took part in the devotional and musical service.

Mrs. C. S. Swartzel has returned from Missouri to Texarkana much improved in health. She writes from First Church:

### IF BACK HURTS USE SALTS FOR KIDNEYS

Eat less meat if Kidneys feel like lead or Bladder bothers you—Meat forms uric acid.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulates them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

"Our auxiliary helped maintain a matron at the Union station during the year and one of our own auxiliary members rendered efficient service there. The Fourth Vice President sent in a splendid report. Amount expended, \$1,359.50; visits to sick and strangers, 858."

The auxiliary at Nashville pledges \$100 this year; \$40 for Home and \$60 for Foreign missions. Who else has done as well according to membership?

Two interesting missionary meetings are reported from Leola. The business session, well attended, was held at the home of Mrs. L. D. Lea. The Valentine Entertainment was with Mrs. J. H. Carver. Each member had resolved to bring an earned dollar, and ten dollars were exhibited. In both homes delightful refreshments were served and instrumental music was rendered.

#### WEST OKLAHOMA CONFERENCE

Mrs. R. S. Saterfield, Pub. Supt.

##### A New Auxiliary.

The St. James Missionary Society of Oklahoma City, was organized Feb. 11 with twenty members. It is a truly "missionary" society, all members belonging to both departments. All seemed interested and each one willing to do what she could. Mrs. R. E. L. Morgan joined the society and was elected Publicity Agent. Mrs. J. C. Carrol, R. F. D. 10, Oklahoma City, is president.

##### Headrick.

We have both departments in our society with twenty-eight active members. We are planning to make this our best year; the officers each one taking up their work with enthusiasm. During the illness of our pastor, Bro. G. R. Wright, the ladies gave an open session on one Sunday evening, giving a splendid program.—Grace Tilleson, Pub. Agent.

##### Purcell.

Plans have been selected and arrangements made to begin work at once on a new parsonage for the M. E. Church, South. It will be built south of the old parsonage. It is to be a cozy bungalow of two stories, containing six rooms and will cost around \$1,500.—Mrs. J. C. Goff.

#### MISSIONARY INSTITUTE IN GUYMON DISTRICT.

Mrs. Nagle, Dist. Sec., planned well an itinerary for Mrs. C. S. Walker, Cor. Sec. Foreign Dept. of West Okla. Conf., who with assistance from the pastors, held successful meetings in Guymon district.

On Monday a reception tendered Mrs. Walker at Tyrone parsonage, preceded a largely attended missionary meeting at the church. The following day a fine meeting was held at Hooker, and this auxiliary with a membership of five will now report twenty-one.

The attendance at Texhoma on Thursday was also large. Mrs. Walker's fine presentation of missions was followed by a Question Box and a talk by Mrs. Nagle. At this meeting Bro. Shirley of Lakemp pledged \$10 for his Young People towards Miss Abbot's

expenses.

On Friday Mrs. Walker went to Goodwell, where a morning meeting was held with good results. The itinerary closed that afternoon with interesting services at Guymon. The Sec. says: Only God can tell how much good was accomplished, but Guymon district is expected to send better reports this year.

## I Will Stake This Medicine Against Your Time

A Few Days Will Be Sufficient to Prove its  
Value in Your Disease

DR. T. FRANK LYNOTT

who will send medicine free of charge to those who need it.

few days to demonstrate to their own satisfaction if they are curable, especially when you consider no expense is involved, and I willingly give you my time and my medicine. All any fair-minded afflicted person wants to know is if a certain thing will relieve HIM or HER, and here is an opportunity to find out without cost, obligation of important loss of time. THESE FEW DAYS may be the turning point in your life.

All who are interested enough to write me for the free medicine will also receive a copy of my large illustrated medical book which describes these diseases thoroughly. It is the largest book of the kind ever written for free distribution, and a new edition is just being printed. I will also write you a letter of instructions and medical advice that should be of great help to you; but in order to do this I must know that you need my medicine. Write me the numbers of the symptoms that trouble you, and your age, and I will promptly carry out my promises. Show an inclination to get well and write me, and I will gladly send you a supply free.

#### THESE ARE THE SYMPTOMS:

1. Pain in the back.
2. Too frequent desire to urinate.
3. Nervousness, loss of flesh.
4. Pain or soreness in the bladder.
5. Weak, watery blood.
6. Gas or pain in the stomach.
7. General debility, weakness, dizziness.
8. Pain or soreness under right rib.
9. Sciatic rheumatism.
10. Constipation or liver trouble.
11. Palpitation or pain under the heart.
12. Pain in the hip joint.
13. Pain in the neck or head.
14. Pain or soreness in the kidneys.
15. Pain or swelling of the joints.
16. Pain or swelling of the muscles.
17. Pain and soreness in nerves.
18. Acute rheumatism.

A few minutes of your time for a few days and I will demonstrate to you, without expense to yourself, that I have a medicine that drives Uric Acid poison from the system and by so doing conquers kidney trouble, bladder trouble and rheumatism. I don't ask you to take my word for it, but simply want you to let me send you some of this medicine so that you can use it personally.

I am trying to convince sufferers from these diseases that I have something far better than the usual run of remedies, treatments and such things, and the only way I can demonstrate that fact is to go to the expense of compounding the medicine and sending it out free of charge. This I am glad to do for any sufferer who will take the time to write to me. Understand, I will not send you a valueless "sample, proof or test treatment," nor will I send you a package of medicine and say that you can use some of it and pay for the rest, but I will send you a supply free of charge and you will not be asked to pay for this gift nor will you be under any obligations.

All I want to know is that you have a disease for which my medicine is intended, as it is not a "cure-all," and I give herewith some of the leading symptoms of kidney, bladder and rheumatic troubles. If you notice one or more of these symptoms you need this medicine, and I will be glad to send you some of it if you will write me the numbers of the symptoms you have, give your age, and your name and address. My address is Dr. T. Frank Lynott, 5219 Deagan Building, Chicago, Ill. You promise me nothing; you pay me nothing for it. All I ask, so there shall be no mistake, is that you send me the numbers of your symptoms or a description in your own words and that you take the medicine according to the directions I send you. It is my way of getting publicity for my medicine so that it will become widely known.

You will agree when you have used it that it dissolves and drives out uric acid poison. It tones the kidneys so that they work in harmony with the bladder. It strengthens the bladder so that frequent desire to urinate and other urinary disorders are banished. It stops rheumatic aches and pains. It dissolves acid crystals so that back and muscles no longer ache and crooked joints yield to its action. It reconstructs the blood and nerves so that you soon feel healthier and stronger, sleep better and eat better and have energy throughout the day. It does all this and yet contains nothing injurious and is absolutely vouched for according to law.

Sufferers from these dreadful and dangerous diseases can surely afford to spend a few minutes each day for a

## Children's Page

(We shall be glad to have all the children contribute to this page. Let all letters for this page be addressed to Miss Hazel Barrett, care Western Methodist, Little Rock, Ark.)

### A BIBLE CONUNDRUM.

What famous Bible character, whose name is not known, is mentioned in both the Old and New Testament, who died a death that nobody else ever died, a part of whose funeral shroud is in every home and whose great sin made an American author famous?

Now children, search your Bible and see who can answer this first. It is to be the finest Bible conundrum ever written. The one who sends the first correct answer will receive a nice book as a prize. All answers must be in by the 1st of April.

Hazel Barrett.

### QUITMAN, ARK.

Dear Miss Hazel and Cousins:

Please open the door and let me in. I promise I won't stay long. The first thing I want to do Miss Hazel is to tell you I enjoyed reading your Christmas letter and your New Year's letter too. Cousins, didn't you do the same? Bro. Campbell is our pastor. He sure is a good preacher. I dearly love to hear him preach. He has such a sweet wife too. For a pet I have a canary bird. I call her Lucy. Willie Harvell, I guess your riddle to be a well. Irma Combs, I guess the answer to your riddle is that twelve pair of socks were hanging high and twelve men came riding by and one man was named "Each." "Each" took a pair so that left eleven pair hanging there. I will let you guess my age, the month and day I was born. The one guessing correctly or the one who comes nearest guessing correctly will receive a nice card with the picture of my Sunday school building upon it. My age is between 14 and 17. The month of my birth is between May and August. The day of my birth is between 12 and 15. As my letter is most too long now, I will close, wishing you a happy and successful year of 1914. Your new cousin,

Jan. 4, 1914.

Eva Turney.

### IF YOUR CHILD IS CROSS, FEVERISH, CONSTIPATED

Look Mother! If tongue is coated, cleanse little bowels with "California Syrup of Figs."

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups.

### ALPINE, ARK.

Dear Miss Hazel and Cousins:

Will you let me in your happy little band? Another Arkansas boy, but I am going to let you guess at my age and weight. I weigh between 90 and 110 pounds and my age is between 10 and 15 years. It has not been long since my birthday, Sunday. We don't take the paper, but there were some neighbors who moved away and left the paper so I get a paper every week almost. Now I am going to unriddle Mary Iva Harris' riddle. I guess it to be a "hole" because if you chip again it is larger. Oh, yes, I am going to make a riddle:

Guess a riddle now you must,  
Stone is fire, fire is dust;  
Black is red, and red is white;  
Come and view this wondrous sight.

Now cousins, this riddle is poetry. Surely you can guess what it is. Just think. I have several others, but will send one next time. Yes, I like to go to school. We have a fine little school. Mr. H. H. Moore is my teacher, with his wife, Mrs. Florence Moore, the assistant teacher. I like him fine. We have a fine Sunday school and preaching every Sunday if it is not too bad weather. Well, if I see this in print I will write again. So I will ring off and write more next time.

Your cousin,

Jan. 6, 1914.

Onis Elms.

### SEARCY, ARK.

This is my first letter to the children's page. I will be ten years old in three days. My birthday comes on the fourth of February. I think I am going to have a birthday party. I have it on my birthday because it comes on Tuesday and that you know is a school day. So I think I will wait until Saturday. Don't you think that will be best, boys and girls? I have been very sick and have missed school a week and two days, but I hope I won't miss any more. I am in the fourth grade and hope I can be promoted to the fifth grade at the end of the year. Will you accept another little girl into your happy band? I would like very much to join it. I have two brothers, but I am the oldest child. My oldest brother will be three years old the 13th day of May and my youngest brother will be a year old

Will you let another little Arkansas girl join your happy band of cousins? Papa takes the Western Methodist and I enjoy reading the children's page. Well I will describe myself. I have black hair, black eyes, dark complexion, and am 12 years of age. I go to school every day I can. We have two teachers. They have to teach in the church now but will soon be ready to go in the new school house. I guess I had better close as my letter is getting long and this is my first time. If this escapes the waste basket, I will write again.

Now is the Time to Get Rid of Those Ugly Spots.

Do you know how easy it is to remove those ugly spots so that no one will call you freckle-face?

Simply get an ounce of othine, double strength, from your druggist, and a few applications should show you how easy it is to rid yourself of freckles and get a beautiful complexion. ## FT. TOWSON.

Bro. L. Glaze and I closed a revival meeting at New Salem, Harmony circuit, February 16. On Saturday night before it looked as though we would fail, but we prayed in the altar that God would give us a good day Sunday. Our prayers were answered. I preached on the power of prayer. At the close of the sermon several came to the altar and three were converted and while we were giving them the welcome hand, a little six-year-old boy, son of Sister Cummins came up and said God had saved him. This was one

of the most satisfactory 11 o'clock services I have held. We received Monday night, a father, mother and two sons and their grand mothers. They came to us from the Presbyterian Church. We closed with the promise that I return in September and hold another meeting.

# A Genuine Rupture Cure Sent On Trial To Prove It Don't Wear a Truss Any Longer

After Thirty Years' Experience I Have Produced an Appliance for Men, Women and Children that Actually Cures Rupture.

If you have tried most everything else come to me. Where others fail is where I have my greatest success. Send attached coupon today and I will send you free my illustrated book on Rupture and its cure, showing my Appliance and giving you prices and names of many people who have tried it and were cured. It is instant relief when all others fail. Remember, I use no salves, no harness, no lies.

I send on trial to prove what I say is true. You are the judge and once having seen my illustrated book and read it you will be as enthusiastic as my hundreds of patients whose letters you can also read. Fill out free coupon below and mail today. It's well worth your time whether you try my Appliance or not.

## PENNSYLVANIA MAN THANKFUL.

Mr. C. E. Brooks,  
Marshall, Mich.

Dear Sir:—

Perhaps it will interest you to know that I have been ruptured six years and have always had trouble with it till I got your Appliance. It is very easy to wear, fits neat and snug, and is not in the way at any time, day or night. In fact, at times I did not know I had it on; it just adapted itself to the shape of the body and seemed to be apart of the body, as it clung to the spot, no matter what position I was in.

It would be a veritable God-send to the unfortunate who suffer from rupture if all could procure the Brooks Rupture Appliance and wear it. They would certainly never regret it.

My rupture is now all healed up and nothing ever did it but your Appliance. Whenever the opportunity presents itself I will say a good word for your Appliance, and also the honorable way in which you deal with ruptured people. It is a pleasure to recommend a good thing among your friends or strangers. I am,

Yours very sincerely,

OTHERS FAILED BUT  
THE APPLIANCE CURED

Mr. C. E. Brooks,  
Marshall, Mich.

Dear Sir:—

Your Appliance did all you claim for the little boy and more, for it cured him sound and well. We let him wear it for about a year in all, although it cured him 3 months after he had begun to wear it. We had tried several other remedies and got no relief, and I shall certainly recommend it to friends, for we surely owe it to you.

Yours respectfully,

WM. PATTERSON.  
No. 717 S. Main St., Akron, O.

## REMEMBER.

I send my Appliance on trial to prove what I say is true. You are to be the judge. Fill out free coupon below and mail today.

## TEN REASONS WHY.

You Should Send for Brooks Rupture Appliance.

1. It is absolutely the only Appliance of the kind on the market today, and in it are embodied the principles

that inventors have sought after for years.

2. The Appliance for retaining the rupture cannot be thrown out of position.

3. Being an air cushion of soft rubber it clings closely to the body, yet never blisters or causes irritation.

4. Unlike the ordinary so-called pads, used in other trusses, it is not cumbersome or ungainly.

5. It is small, soft and pliable, and positively cannot be detected through the clothing.

6. The soft pliable bands holding the Appliance do not give one the unpleasant sensation of wearing a harness.

7. There is nothing about it to get foul, and when it becomes soiled it can be washed without injuring it in the least.

8. There is no metal springs in the Appliance to torture one by cutting and bruising the flesh.

9. All of the material of which the Appliances are made is of the very best that money can buy, making it a durable and safe Appliance to wear.

10. My reputation for honesty and fair dealing is so thoroughly established by an experience of over thirty years in dealing with the public, and my prices are so reasonable, my terms so fair, that there certainly should be no hesitation in sending free coupon today.

## CHILD CURED IN FOUR MONTHS.

21 Jansen St., Dubuque, Iowa.  
Mr. C. E. Brooks, Marshall, Mich.

Dear Sir:—The baby's rupture is altogether cured, thanks to your Appliance, and we are so thankful to you. If we could only have known of it sooner, our little boy would not have had to suffer so much as he did. He wore your brace a little over four months. Yours very truly,

ANDREW EGGENBERGER.

## OBITUARIES

(We find it impossible to publish manuscripts in this department containing more than 200 words. We therefore ask our contributors to limit their obituaries to that amount of space. **GRISSOM**—Mrs. Maggie Grissom, wife of J. W. Grissom, was born in Rusk county, Texas, Sept. 23, 1879; married to J. W. Grissom Dec. 26, 1897; came to Oklahoma 1907; died near Snyder, Okla., Dec. 6, 1913.

Sister Grissom was converted and joined the M. E. Church, South, at Little River, Texas. Her whole life was one of self-sacrificing service, a true wife and companion, a very devoted mother, and a kind neighbor. Her religion was not emotional and spasmodic, but steady and constant, gentle, sweet-spirited and unselfish. She commended the admiration and won the love of all who knew her. In the home the light of her Christian life shone with splendor. The place of mother—that highest and noblest of earthly positions—she filled with success. She lingered several days near the brink, and ever and anon bright visions came to her from the eternal world. She spoke of her departed father and people dressed in bright robes, and the only cloud when the last hour came was, to leave her husband and seven children. Dear ones remember, that while the sunset was peaceful, the sunrise to her soul was a glorious dawn on the eternal shore.

Her pastor,

M. F. Sullivan.

**WILLIAMS**—Mrs. Harriet "Merrell" Williams of Clio, Ark., was born in Mississippi Dec. 13, 1840. When she was 14 years old she removed with her parents to Arkansas and remained until Feb. 6, 1914, when God called her to those mansions above. Sister Williams joined the M. E. Church, South, in her early girlhood days and continued faithful to her Lord. She was married Nov. 27, 1867, to Rev. C. A. Williams who was then on the Lehigh charge in the Pine Bluff district. To this union of 44 years there were eight children born, four boys and four girls, of which three boys and four girls are still living. Since the death of her husband, which took place some three years ago, she has made her home with her children; principally with her son Ben. She was on a visit to her daughter, Mrs. J. P. Richmond of Dumas when the summons came. Sister Williams was a faithful wife and a kind and loving mother. A loyal and true servant of God and His cause. We miss her, her chair is vacant, her voice is silent, her face is unseen. But, our loss and sorrow is her gain and joy. While on earth she visited her children and friends, now she is visiting husband and son and friends on the other side of time. She can not come to us any more; but we can go to her. Children, you weep for your mother, for this I do not condemn you, for your tears are honorable; but I would ask, that you weep not as those who have no hope.

Her pastor,

W. F. Rogers.

Rison, Ark.

**HAILEY**—Susie J. Hailey, wife of R. D. Hailey, was born in Vernon county, Mo., Nov. 4, 1858, and died in Rector, Arkansas, Feb. 9, 1914; being 55 years, three months and five days old. When a child she moved with her parents to Centralia, Ill. At the age of 18 she was converted to Christ and united with the M. E. Church. On the death of her parents she left Illinois and went to Tennessee to live with her brothers for whom she kept house. In 1879 she was married to R. D. Hailey and joined with him the M. E. Church, South. Five children were born to her and her husband, two of whom died, one at the age of ten years and the other at the age of two months, and were buried in Tennessee. The three children who survive the mother are: Mrs. Ollie Goad, Floyd, and Nannie. She is also survived by two brothers, L. Williams of Chico, Tex., and George W. Williams of Los Angeles, Cal., and by two sisters, Mrs. S. E. Avasmith of Western Arkansas, and Mrs. T. J. Deadman of Illinois. In the passing of Sister Hailey the church has lost a faithful member, the community a noble character, the children a loving mother, and the husband a devoted wife. She was a quiet, unpretentious woman who loved her home, her family, and the church. During the years of her suffering she was patient and hopeful, and when the end finally came she gave her loved ones every assurance of her readiness and willingness to meet God in peace. Though she has gone out from the home, her loved ones feel that she is not dead, for she died in Him who said of Himself, "I am the resurrection and the life. Whosoever liveth and believeth in me shall never die."

C. M. Reyes.

**SHORB**—Ritta Grace Shorb, daughter of Herbert and Ethyl Shorb, was born in old Beaver county, Oklahoma, March 18, 1909, and departed this life near Range, Texas county, Okla., Feb. 22, 1914. Ritta was the baby of the home, and loved very much by all who knew her. But she is gone home to God. All was done for her that skillful physicians, friends and loved ones could do. Diphtheria did its awful work in a short time. How our hearts bleed to know we will never more hear her sweet voice here exclaiming "pretty, pretty!" Oh, how she is missed in the home! But thank God, the influence of her immortal spirit in memory abides. She was a bright and promising girl; just a bud plucked from earth to bloom in the paradise of God. Weep not, dear parents, and grandparents, as those who have no hope. Christ said suffer little children to come unto me for of such is the kingdom of heaven. She was laid away in the Range cemetery, Feb. 24, 1914. She cannot again come to you, but you can go to her. God in his infinite goodness may have called her home to attract father, mother and grandparents, and all loved ones from earth to Him. J. H. Rogers, P. C.

**McCALL**—Charlie McCall was born near Jonesboro in the Pleasant Grove neighborhood March 7, 1892, and died February 25, 1914, in the same community.

The parents of the deceased young man, Mr. and Mrs. W. M. McCall, have one of the most consecrated homes in this section of the country, and natu-

ally Charlie had been taught the Christian religion all his life and as a result grew up a moral young man, though he did not make a formal profession of religion until year before last at Augusta, Ark. Until nearly two months ago Charlie had been in good health, at that time he had an attack of appendicitis which grew worse with complications until death brought a welcome release from suffering, Feb. 25, at 7:15 p. m.

Life and death are the two greatest mysteries and while we can't understand them we can trust our Heavenly Father who doth all things well. "Blessed are the dead that die in the Lord."

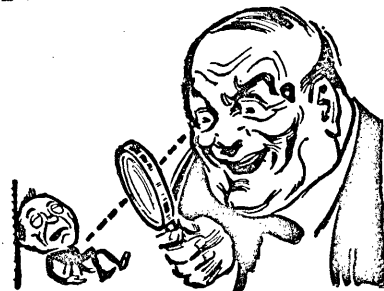

The interment was at Pleasant Grove cemetery, Feb. 26th, at 2:30 p. m., the funeral being conducted by Rev. J. T. Willcoxon.

J. T. Willcoxon, Pastor.

## Magnifying Misery Into Joy

Dyspeptics, Stomach Sufferers and Appetiteless People May Quickly Find Relief in Stuart's Dyspepsia Tablets.

When a stomach sufferer gets relief he is one of the happiest of human beings and he looks back at his old self with a distinct feeling of horror. Stuart's Dyspepsia Tablets quickly readjust the out-of-proportion stomach and digestive machinery and bring joy of life and love for food to the man or woman who will use them after each meal for a short time.

"Hully gee, I used to feel just like that fellow."

The action of Stuart's Dyspepsia Tablets is a purely natural one. When taken they enter the stomach just like food. They mix with the juices of the mouth. Then they enter into and correctly build up or dilute the juices of the stomach, go into the intestines and there when the nourishment from food is taken into the system so follows the ingredients of these wonderful tablets.

They correct the faults of the blood and thus at the next meal the body is better able to produce a stronger and more normal digestive juice.

A short use of these tablets will re-establish your digestion, stop gastritis, heartburn, indigestion, foul breath, catarrh of the stomach and do away with dangerous stomach ulcers and many other unbearable conditions.

Go to your druggist today and begin the Stuart's Dyspepsia Tablet habit. It is the habit of health and appetite. Learn how to yearn for food, not how to spurn it.

Obtain a box from any druggist—price 50 cents. Sold wherever you can find a drug store.

## DRYDEN, OKLA.

Dear Methodist: I am now in the extreme Southwest corner county of Oklahoma, in a meeting with Bro. J. B. McCance, one of the best, cleanest and truest of men that it has ever been my lot to be with. He and his faithful wife have been tried on the hardest works and have always been found at their post. Many have been saved to date, several last night, yet had two of the hardest blizzards of the year during the meeting. Of a congregation of 300 all lined up for civic righteousness the first night. If we have fair weather this week the country will be swept for our Lord.

Yours, pushing the battle,  
(Wagoner, Okla.) J. D. Edwards.

## UNION CHAPEL.

Dear Brethren: We are moving along nicely at present. We are thankful to the good Lord for the fine baby girl that arrived in the parsonage home February 5th. Both baby and mother are doing nicely. We cannot express our gratitude to the people of Union Chapel for their kindness during my wife's illness. They do not stand back and say "Who is my neighbor?" But they say he is my neighbor. And they believe in looking after them. I do not believe there is a country point in Oklahoma that shows any more appreciation of their pastor than does the people of Union Chapel. Our congregations are improving from time to time. Our congregation is increasing so rapidly at Johnson that the church will not seat the people. We preached there Sunday and Sunday night to very large

If you join the Club it will be because you really desire to purchase a machine, and as evidence of this good faith we ask that you deposit \$5 with us. This \$5, however, will be applied on the cost of any machine you may select, being merely a precaution on our part to prevent the Club from shipping machines to irresponsible parties. To remove every possible question of the value of the machine selected, it is sent you on thirty days' trial. If for any reason you do not want it at the end of thirty days, return the machine and your money will be refunded to you promptly, so that you will be put to no expense. crowds. Some had to stand outside the church. All the aisles were filled. We are planning to enlarge the church building at an early date. The people from all points seem to be well pleased with their pastor, and I am certainly well pleased with my charge. Our Sunday school at Johnson and at Union Chapel cannot be surpassed for country points. Our Epworth League at the chapel is do-

ing nicely at present. All we lack now is a good old time revival at each point. Brethren, pray that the Lord will give me the desire of my heart this year in the revival work on my charge. Love to all the brethren.
