## BRAZEN NULLIFICATION

IT should be apparent to even a "nit-wit" that any measure to legalize beer with the "kick" required to sell it, is to nullify the Constitution of the United States, because it was the clear intent of the Congress and the States, in adopting the 18th Amendment, to outlaw that beverage which constituted 90% of all the intoxicating liquor sold at the time of adoption and to put out of business the brewers, who were the worst law-breakers under the licensed traffic. Senators and Congressmen who vote for such a measure violate their oath of office and will become, by virtue of their prominence and influence, the most dangerous of all malefactors. Such an example of law-defiance in the seats of the mighty, will do more to provoke others to lawlessness than anything else that might happen at this time. The willingness to do this unseemly thing on the part of law-makers and to receive the benefit on the part of brewers, is merely an indication of the law-defying character of the whole traffic in intoxicants. It is earnestly to be desired that our Legislature may not be influenced by this spirit.

Law-making bodies should, above all others, show respect for law. Their contempt breeds contempt of the very laws they themselves enact. As ours is a government of and by law, it commits suicide when its creators destroy respect for their own creation. If Congressmen and Legislators, who have taken a solemn oath to support and defend the Constitution, have no respect for their oath, they should at least consider the consequences of their attempt to nullify the supreme law of the land, the very law under which they themselves acquire title to their offices. They have a right, under the Constitution, to undertake, by legitimate methods, to change that Constitution; but while it stands they are traitors when they seek to nullify it. Let them beware. There is a Day of Judgment even in this life for such contumacious conduct.

## REDUCTION OF DEBTS SCRIPTURAL

EVERY careful reader of the Old Testament knows that, through observance of the Year of Jubilee and other methods, provision was made in the Mosaic Law to relieve unfortunate debtors and reduce or cancel debts of long standing.

We do not believe in the repudiation of honestly incurred debts, either by individuals or by the state; but it is only common sense to recognize the fact that under present conditions many persons and organizations are so hopelessly involved that they simply cannot pay out, and to foreclose or forfeit means that the creditor, whether bank or state, must take over property which will be a burden, and at the same time will deprive the helpless debtors of the means of a livelihood and reduce them to dire and perpetual poverty.

Just as it often pays a merchant to forgive and forget certain debts when it is certain that the debtors cannot pay, so it would seem to be the part of wisdom now for governments and individual or corporate creditors to devise means whereby their helpless creditors may be partially relieved and given opportunity, with hope and courage, to recover their status and again become profitable producing and consuming members of society.

The idea is Scriptural, consequently it should be practical and wise. We recommend that our statesmen and financial leaders begin to dig into this idea and see if they cannot find a solution of our present distress.

It should be a partial solution of the church debt problem. Many a church can never pay its

building debt unwisely contracted in the period of prosperity and assumed under the leadership of men who did not consider eventualities. No bank or loan company wants a church, and usually it cannot be sold for enough to pay its heavy debt. A church organization is voluntary, and creditors should realize that by harsh measures they may dissipate the organization and utterly destroy its ability to pay and come back. Wisdom suggests conference and frank facing of conditions and then a fair compromise.

## OUR NEW GOVERNOR AND HIS POLICIES

IN his inaugural address Governor Futrell fully met the expectation of his friends that he would try to lead the state out of its wilderness of debt. He recommended many practical economies and reorganizations that should help to reduce expenses, and the Legislature seems to be starting to follow his suggestions, most of which are well worthy of consideration. While abolition of certain boards and bureaus and absorption of their duties are frequently desirable, it is possible to carry these efforts too far.

Except in cases where members of boards must render continuous service, it is well to have non-paid members who may be selected because of their special knowledge or deep and patriotic interest. It is possible on such boards to get the finest men in the state to serve, when, if they were salaried, such men would not think of serving. Governors Donaghey and McRae set a splendid precedent in appointing many of the biggest men in the state to such boards and got practical results. In many cases, instead of abolishing or consolidating, better results may be obtained by reducing salaries and other expenses.

Every department should be considered on its merits, and haste should be made slowly lest useful functions be lost. There are many new services that must now be rendered by the state, and the question is how to have such services inexpensively and at the same time efficiently performed.

Without attempting to specify instances, we simply utter this warning; but with full confidence in Governor Futrell's purpose to do all in his power to reduce taxes and protect the people from loss of needed services. We trust that he may have the whole-hearted support of Legislature, other officials, and all good citizens in his well meant plans, and, if criticism is necessary, that it be sympathetic and constructive.

## THE LEADERSHIP OF YOUTH

IT has been customary to criticize youth and blame them for many of the follies of our age. That is a mistake. Those now in middle life are responsible for our condition. If youth is not what it should be, we who have either led them or failed to lead are responsible. We resent the charge that the youth of today are worse than their elders when they were young. Of course, there always have been giddy and irresponsible young people. There probably always will be such youth. But we believe that there are today more clean, unstanding, right-minded young people than in any preceding generation. Consider the hundreds of thousands of members of Epworth Leagues, of Societies of Christian Endeavor, of

Baptist Young People's Unions, of Young Men's and Young Women's Christian Association, and others worthy organizations for boys and girls and youth. Fifty years ago there were few such organizations and few youth that had the training and spirit which are found in these associations. We feel sure that when the youth coming under these uplifting influences, take their places on the stage of life, they will undertake better things than have we who are leaving the stage.

It is with much satisfaction that we read of the ideals of certain youth as expressed by a member of the Yale Class of '33. In part he writes: "We are going into politics fifty-thousand strong, university-trained men, not every one a Lincoln, but all intelligent and sincere. . . . We have been so deluged with the critical spirit in education that we have almost lost its values. They are returning. We lost balance by being overtolerant, overskeptical, oversensitive to the local character of our customs and institutions. We are now engaged upon evening up the weight. . . . It is hard for us to speak in practical details as yet. Socialism is not the weapon. God forbid! Re-organization is not the means. There is nothing intrinsically wrong with our system. The lack is in training and spirit. It is these which we intend to supply."

That may sound boastful in the ears of a generation that is now conscious of many mistakes and near failure. But it is the spirit which will correct our mistakes and overcome our difficulties. Instead of criticizing and holding our youth back, let us give them right of way and encourage them to undertake the tasks which we have done so poorly. Make way for optimistic and constructive youth. "We about to die salute you," and bid you go on to higher and better achievements.

## THE DRY CONFERENCE

FOR two days last week friends of Prohibition, most of them active supporters of the Woman's Christian Temperance Union and the Anti-Saloon League, met in conference in this city. A well-planned program of speaking and round-table discussion was executed in spite of the fact that certain persons on the program were unfortunately unable to attend. The whole Prohibition situation was carefully considered and three papers, expressing conclusions and purposes, were adopted. They may be found on Pages 2 and 3, and should be carefully read and preserved for reference. Appeals were made to our Senators and Congressmen to oppose Repeal and the Beer Bill, and to our Legislature to maintain our present excellent state laws. Our people should, as we have often advised, communicate with members in Congress and Legislature and express their wishes in no uncertain terms.

It is admitted that conditions are critical, and there is danger of temporary recession; but it is also confidently believed that there will be recovery, and that the wets will, by their unfair tactics and extreme demands, bring about their own undoing. It seems probable that God may cause "the wrath of man to praise him," and that the proverb, "Whom the gods would destroy they first make mad," may be exemplified. We who know that our cause is just must keep our heads, and be willing to work harder and make more sacrifices to win. It is undoubtedly true that the leadership of our cause is to be found in the two nation-wide organizations that held this Conference, and all people who wish the dry cause to win should support them and follow their leadership. They gave us Prohibition and will hold it, if we are true to them and the cause they represent.

## Personal and Other Items

REV. C. H. GILLIAM, pastor of Roland Circuit, will assist Rev. S. L. Durham in a meeting at Alexander, beginning Jan. 29.

IT is announced that Cornell College, Mount Vernon, Iowa, is in receipt of an assured legacy of \$200,000 for endowment by friends who have helped the college heretofore.

LAST Sunday night, at First Methodist Church, this city, the young people sponsored the preaching service, and Rev. Kenneth L. Spore, pastor of the Scott Community Church, preached a helpful sermon.

DR. C. M. REVES, pastor of First Church, Little Rock, who, submitting to a major operation, has been in the Baptist Hospital for nearly three weeks, is now at home and hopes to fill his pulpit next Sunday.

REV. H. C. HANKINS, evangelist, reports that he had a good year in 1932, having held meetings in Colorado, Oklahoma, Missouri, and Arkansas. He is ready to help pastors this year, and can be reached at Springdale, Ark.

REV. J. E. WADDELL, pastor of Sheridan Circuit, called last Monday, while in the city with his father, Judge J. A. Waddell, who came for medical treatment. Bro. Waddell reports a fair start on his year's work in spite of hindrance from unfavorable weather.

REV. EDWARD FORREST writes: "Cabot paid in full last year, and we were received cordially by our people on our return. Congregations are fine at all our services. All departments are working well. Everything indicates a good year. No better folks ever lived than the Cabot people."

### APPEAL TO ARKANSAS SENATORS AND CONGRESSMEN

In view of the fact that a resolution to submit repeal of the 18th Amendment is pending in Congress and the further fact that some good members of Congress have indicated that, although they were dry and would come home and fight ratification, they would vote for the resolution to submit a repeal amendment, we, representatives of the prohibition activities of Arkansas, earnestly appeal to our Senators and Congressmen to vote against the submission of any kind of resolution for repeal, because we believe that the forces of corruption would immediately begin their work in several states and so overwhelm the Legislatures or Conventions that the will of the people would be thwarted. To prevent the nullifying of their own influence when ratification by the state may come up, we insist that our Senators and Congressmen must vote in Congress

against submission by Congress and use all their influence to prevent the submission of a repeal amendment resolution.

Adopted by the officials of the W. C. T. U. and Anti-Saloon League of Arkansas, Jan. 12, 1933.

### A MESSAGE TO OUR SENATORS AND CONGRESSMEN

We, the forces representing prohibition activities in Arkansas, have allied ourselves with the determination to do our utmost to prevent the repeal of the 18th Amendment or the modification of the Volstead Act. We shall exist as a state-wide organization with branch organizations in each Congressional District until we defeat the present program of the liquor interests to manufacture, sell and distribute intoxicating liquors to our people.

Do not let liquor advocates lead you to believe that those who voted the Democratic ticket voted for repeal or beer. This vote, certainly

ON account of the very unfavorable weather during the holiday season, the offerings for the Orphanage were small. As the Orphanage is largely dependent on these free-will offerings, pastors and Sunday School superintendents should give another opportunity for offerings on the first favorable occasion. This should be done in churches where attendance was small, and certainly should be done in all churches and Sunday Schools where no offering was taken.

TALKING about papers. I cannot see how a pastor, who has enough gumption to fool an examining committee, can ever get into his thinking that a good, live church paper isn't indispensable. Even if people do not read it all, and although they may miss a few numbers, they will get enough to make it worth while. Brethren, get the subscribers, read the paper yourselves, and then from the pulpit mention some fine article, and you will find the folks reading just to satisfy their curiosity and from this they will go into real interest.—Frank Onderdonk, in S. W. Advocate.

BISHOP Edwin H. Hughes and Dr. F. Scott McBride have issued the following statement: "At a conference of those charged with the promotion of the Conference of Church Leaders and of the Conference proposed by the Anti-Saloon League Convention, it was decided to hold only one Conference, to be held on March 7-8, said Conference to be composed of church leaders and of other advocates of the retention of the Eighteenth Amendment and the laws enacted in support thereof. This action is taken in order that there may be one united Conference in Washington on March 7-8."

SOME months ago Rev. D. H. Colquette, "the man with the Bible," having met Governor-elect Futrell, offered to present a Bible for use at the inaugural. The Bible, with Governor Futrell's name stamped on it, was sent to him, and a few days before the inauguration Bro. Colquette was invited to offer the invocation on that

from the South, was a call for a change, for bread and meat, and not for whiskey or beer.

Do not be misled. Arkansas is dry. We are not ready to barter the health and happiness of our children for intoxicating drinks. We will not exchange the blood of our children for gold, even to balance a national budget.

You must this day choose whom you will serve—the homes and children of America of the conscienceless liquor interests who would debauch and damn humanity to satisfy their insatiable greed for gold.

We, whom you represent, have a right to appeal to you and do appeal to you, now, actively to defend the 18th Amendment and the Volstead Act. You would misrepresent, humiliate, and bring sorrow to a vast majority of the law-abiding citizens of the State that honored you, to do otherwise.

Your actions are being watched with the deepest interest by a State

occasion. A picture of the inaugural group appeared in the local papers, in which Bro. Colquette is shown with his hand up. His explanation is that, in view of the many hold-ups, he had made up his mind some time ago to hold up his hand whenever ordered, and thus involuntarily obeyed the instruction when given to Governor Futrell. Bro. Colquette was chaplain of the House of Representatives during the session of 1899.

### THE ARKANSAS BAPTIST

Under the new editor, Rev. J. I. Cossey, the organ of the Arkansas Baptist State Convention, comes out in new dress and with a new name, "The Arkansas Baptist," but it is a continuation of The Baptist Advance. We congratulate the management on the new front page, which is quite attractive, and wish for the new editor all possible success. If he becomes as good a friend as the former editors, we shall have a true friend and collaborer. The Baptist pastors of Little Rock have launched a movement for 1,000 new subscriptions in the membership of their churches. May they succeed, and then get many thousands more throughout the state, as the circulation of denominational papers is one of the most important services pastors can now render their members.

### CIRCULATION REPORT

ON the circulation campaign subscriptions have been received from charges and pastors, as follows: Prescott Ct., F. L. Arnold, 1; Leachville, J. W. Moore, 1; De Witt, A. W. Waddill, 1; Cotter, Eli Craig, 4; Magnolia, O. E. Holmes, 1; Dardanelle, W. A. Lindsey, 5; Sheridan, W. L. Arnold, 1; Pea Ridge-Brightwater, Bates Sturdy, 5; Hulbert, J. G. Ditterline, 1; Roland Ct., C. H. Gilliam, 9; Center Point Ct., H. L. Simpson, 2; McGehee, R. B. Moore, 1; Malvern, Fred R. Harrison, 1; Arkadelphia, R. E. L. Bearden, 1; Cabot, Edward Forrest, 3; Princeton, K. S. L. Cooke, 10; Aubrey, J. J. Decker, 3; Winfield Mem., E. O. Heath, 1; 28th St., L. Rock, E. T. Miller, 4; Sheridan Ct., J. E. Waddell, 1; Dumas, M. K. Irvin, 3; Batesville, First Church, W. V. Womack, 41; Foreman, H. H. McGuyre, 1; Waldron Ct., J. H. Mathis, 4. This represents some fine work. As usual, First Church, Batesville, under the leadership of its fine pastor, Rev. W. V. Womack, meets expectation. During the coming week there should be many good reports.

that has been, and, God being our helper, shall continue to be predominantly dry.

Adopted by the officials of the W. C. T. U. and the Anti-Saloon League of Arkansas, Jan. 12, 1933, in Little Rock, Arkansas.

### A DECLARATION OF PRINCIPLES

We, representatives of prohibition activities in Arkansas, recognizing the pernicious psychological effect of wet planks in party platforms and the false interpretation of the recent election, realize the danger of submission of Repeal of the 18th Amendment and passage of a Beer Bill. With good reason we assert that this condition is not the deliberate judgment of the American people, but is the result of extensively financial and positively misleading propaganda deliberately designed to discredit the 18th Amendment and to bring back the liquor traffic in disguised form with the ultimate in-

tention of restoring it in its most attractive form.

While some good people have been misled into supporting repeal and beer, the real supporters of such action are a group of rich people who hope to be relieved from taxation by transferring the burden to the poor, who are the beer drinkers, and the alien and lawless elements, largely in urban centers, that have despised American institutions and persistently defied and violated all laws for the control of the liquor traffic.

As our people, in the last election, had no opportunity to vote on prohibition as a distinct issue, because the fundamental and pressing issue seemed to be economic, we emphatically deny that Congress, either this or the next, has a mandate to submit repeal of the 18th Amendment or to legalize beer. We appreciate the efforts of our Senators and Congressmen, all elected as avowed dries, to defeat repeal and beer legislation, and earnestly appeal to them to maintain their consistent opposition to repeal and modification.

As both parties promised that the saloon should not return, that the dry states should be protected against the interstate traffic, and that ratification should be by conventions, we argue that, if a repeal amendment is to be submitted by Congress, the mandate applies equally to these pledges, and we expect our Senators and Congressmen to demand fulfillment of these pledges. Any other course would constitute a betrayal of a sacred trust, and should be resented and rebuked.

Believing in the 18th Amendment as the expression of the deliberate purpose of the overwhelming majority of the American people to outlaw an age-long destructive and criminal traffic, and knowing that, in spite of all opposition and boastful traitorous defiance by certain elements, our prohibition laws are better enforced than most other laws, and arguing that laws should not be repealed on the demand of law-breakers, we appeal to Congress to make adequate provision for enforcement and to our President and all other administrative and judicial officers to be true to their official oath by exercising diligence in enforcing, and to our people as good citizens to observe the law and support public officials who do their duty.

As, in our state primary election, practically every avowedly wet candidate was overwhelmingly defeated and because, in the state platform, there was no endorsement of the wet plank in the national platform, we confidently and gladly assume that our Governor and Legislature will positively resist any and every effort to modify our present splendid

prohibition laws on the ground that the people have settled that question for Arkansas, and that, if repeal of the 18th Amendment should be submitted to Legislatures for ratification, our Legislature would refuse to ratify because under present conditions of transportation and publicity only national laws administered in part by national officers can adequately protect our State. It should be remembered that Southern States have led in the fight for national prohibition, and as there are no moral or local reasons for a change, we earnestly appeal to our Legislature jealously to maintain the position which our state has for many years held on this issue.

While we prefer ratification by the time-tried method of approval by Legislatures and recognize practical difficulties in the untried convention method, nevertheless, because platform pledges require submission to conventions, we contend that the people have given a mandate for the method if they have given it for submission. However, in view of the possibility of the use of the convention method, our Legislature should see fit to provide for submission to a convention, we suggest that provision be made in the plan to instruct, by statewide popular vote, the convention, since we believe that the people really should, in the last analysis, have the right to settle this fundamental moral issue in a direct and non-partisan way. We further suggest that, if a convention plan should be adopted, it should be so fair and adequate that it may be used later if other amendments should be submitted to conventions, because we do not ask for the 18th Amendment anything that we would not readily concede in the case of other amendments.

We urge our people in each and every county and community to organize for agitation and education favoring prohibition, and to encourage all public officials to recognize prohibition sentiment and enforce all laws and we promise active co-operation to those who need our help.

Our final declaration is that the traffic in beverage alcohol, of which an eminent scientist has said, "No other poison causes so many deaths or intensifies so many diseases as does alcohol," whether the traffic be legal or illegal, is fundamentally wrong and therefore ought not to be legalized. It must be legally destroyed to the end that human life may be protected from its ravages, politics purified from its polluting touch, and the state relieved of the responsibility for legalizing the most fruitful cause of suffering and crime. If there were no other reasons for sobriety and laws to promote sobriety, traffic and publicity conditions, as never in the old saloon days, absolutely justify and require them; consequently, as we have said in the past, "The Saloon must go," we now declare even more emphatically that the Saloon must not return, nor must its equivalent in any form, open or disguised, be permitted to tempt the weak and demoralize society.

We appeal to all good citizens for hearty co-operation, and invite their moral and financial support of the Woman's Christian Temperance Union and the Anti-Saloon League as the generally recognized agencies of those who accept our standards and seek to realize our ideal of a sober nation in a sober world.

### SILOAM SPRINGS AUXILIARY

The Society met Wednesday afternoon at the home of Mrs. J. L. Smiley with Mrs. S. H. Thompson and Miss Davida Thompson assisting hostesses. This being the first meeting of the new year the newly-elected officers took their respective places after being installed by the Rev. Mr. Cline.

The installation service was very impressive. Mrs. Carl Easterbrook, the new president, opened her administration with a short address, delivered with her usual composure, and inspired the members with confidence in her leadership. Mrs. Caldwell, chairman of the year-book committee, gave a very helpful resume of the new year-book. At the close of the business session a social hour followed at which time the hostesses served delicious plum pudding surmounted with a garnishing of pink and green icing.

The following is a list of the newly installed officers: President, Mrs. Easterbrook; vice-president, Mrs. Geiser; recording secretary, Mrs. Casey; corresponding secretary, Mrs. Campbell; treasurer, Mrs. W. P. Jones; Supt. social relations, Mrs. E. F. Smith; supplies, Mrs. Addie Thompson; children's work, Miss Davida Thompson; local work, Mrs. Miller; study, Mrs. Cline; publicity, Mrs. A. L. Smith.—Supt. Pub.

### NEWPORT AUXILIARY

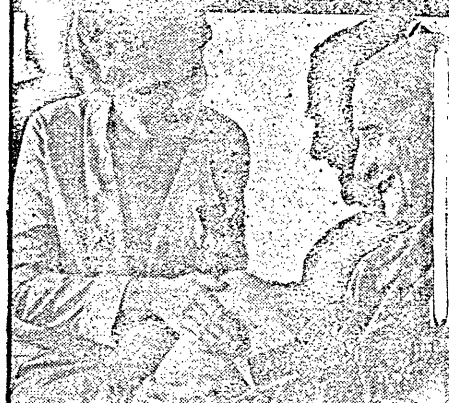

Following an annual custom, observed for the past several years, Miss Elizabeth Gullette was hostess to the members of the Woman's Missionary Society of the First Methodist church at their January meeting and a most pleasant gathering was enjoyed at her home on Laurel street.

In the absence of the president, Mrs. S. R. Phillips, the vice president, Mrs. Hugh U. Williamson, presided and read several scripture passages in answer to the worship service theme. "What Shall We Render Unto the Lord?" Another interesting feature in accordance with this theme was the presentation of a playlet by nine women of the society which was most realistic and appropriate in its portrayal of what has been accomplished by the women of the country in the Orient and in Latin America.

The secretary read the names of the officers who will serve during 1933, the officers having been elected at the December meeting and are as follows: Mrs. S. R. Phillips, president; Mrs. Hugh U. Williamson, vice president; Miss Mabel Stayton, recording secretary; Mrs. C. L. Campbell, corresponding secretary; and Mrs. George Coleman, treasurer.

### TILLAR AUXILIARY.

The Tillar Society held its first business meeting for the new year on January 2nd with the newly elected president, Mrs. T. A. Prewitt, presiding. Mrs. Prewitt gave an inspirational talk on the Bible lesson taken from 12th Chapter of Romans followed by a prayer. The secretary, Mrs. T. O. King, then read to the society four New Year resolutions, which our president had compiled for the society. These resolutions were unanimously adopted.

We then had an interesting talk on "Service to God Through New Year," by Mrs. Prewitt, followed by a poem entitled, "Will the Sheet Be Clean," read by Mrs. Pipkin.

The consecration service was very impressive. As the pledge cards

were passed to each member, Mrs. Neal Ballard softly sang "I gave my life for Thee" followed by prayer.

Bro. Thompson asked for the cooperation of the Society this year in placing the Methodist in every home and in stressing church attendance.

Mrs. Clayton made a special appeal, for the Epworth League and our young people.

Mrs. Prewitt, in behalf of the society, expressed appreciation for the work of the retiring president, Mrs. J. J. Harrell, and presented her with a gift.

The meeting closed with prayer by Mrs. Clayton.—Publicity Supt.

### MISSIONARY SUNDAY JAN. 22.

Next Sunday, January 22, is Missionary Day in the Sunday School. A letter has gone out from our office to every superintendent, or some one he has designated, carrying suggestions as to material for preparing a rich, interesting and helpful program for next Sunday morning at Sunday school.

Missions is the very heart of the Church. We must teach our people the Great Commission if we expect to grow and succeed. We call upon every person responsible for preparing and presenting this Missionary Program, to have the best one next Sunday morning it is possible for him to present.

This Missionary Program is supposed to be rendered at the opening of the school, the first fifteen or twenty minutes, taking the place of the regular program of worship.

Before closing this Missionary Program, please say to your people that a new chapter in the Acts of the Apostles is being written in the foreign fields, and that our country work here in Arkansas was never in better shape to go forward. Say, further, that the offering of the

Rev. Don C. Holman, pastor, after which a business session was held. The president named her committee and plans were launched for the year's work.

Officers for the year are as follows:

President, Mrs. Geo. F. Morgan; vice president, Mrs. Booth Davidson; corresponding secretary, Mrs. R. M. Ramey; recording secretary, Mrs. Jeff Cantrell; treasurer, Miss Lillie Coleman; superintendent Children's Work, Mrs. M. B. Watkins; superintendent Publicity Work, Mrs. Annie Yarnell; superintendent Christian Social Relation, Mrs. Burton Pryor; superintendent Supplies, Mrs. J. L. Williams; local superintendent, Mrs. John H. Johnston.

A get-together meeting was announced for January 18th at 1 p.m. when a covered dish luncheon will be served in the basement of the church. At 2:30 p.m. the World Outlook program will be held in the auditorium of the Church, with Mrs. M. B. Watkins as leader.—Mrs. Annie Yarnell, supt. Publicity.

fourth Sunday is to help this cause. Send it to the treasurer. If you want to know how this money is spent, ask your Presiding Elder, or write this office.

This year, let's train our people in the spirit of missionary service, and they will grow in grace and love.—S. T. Baugh, Ext. Sec.

### GREAT COUNTRY PREACHERS' MEETINGS.

We are planning, in Little Rock Conference, for some great Country Preachers' Meetings to be held in February and March. There are some vital matters we have been talking about for several years that we are now ready to start moving.

Places and dates will be announced later. In each meeting the Presiding Elder will be in charge, and we are going to try to make them the most helpful meetings of their kind ever held in this Conference. Let's pray that the Lord will lead us to know His will concerning these vital matters.—S. T. Baugh, Ext. Sec.

### PICTURE ENGAGEMENTS.

The following engagements have been arranged for showing the pictures, "The Romance of the Country Church."

### WALNUT RIDGE-HOXIE STANDARD CLASS.

A Standard Training Class was held at Walnut Ridge, January 1-3, and 8-10. The course, "Organizing for Christian Education in the Local Church," was offered. Thirty-six enrolled and twenty-seven completed the work for credit. Eight were from Hoxie and nineteen from Walnut Ridge. Both pastors and both superintendents and most of the church school leaders of both churches attended. Rev. Eugene Hall and Professor E. D. Waldron, pastor and superintendent at Hoxie, and Rev. H. O. Bolin and Professor A. W. Rainwater, pastor and superintendent at Walnut Ridge, through their earnest efforts and the co-operation of their leadership, made possible this class.—Ira A. Brumley, Exec. Sec.

## EIGHT WOMEN IN ONE FAMILY BENEFITED

### Another Remarkable Record for Lydia E. Pinkham's Vegetable Compound

MRS. ALBERT MUNNINGHOFF  
122 E. Ninth St., Newport, Kentucky

"Both my grandmother and my mother always took Lydia E. Pinkham's Vegetable Compound. My mother has six daughters and we all use it too. If I ever have a daughter I shall certainly give it to her. I never

felt better in my life."—Mrs. ALBERT MUNNINGHOFF.

Perhaps your mother or your grandmother depended upon Lydia E. Pinkham's Vegetable Compound, too. Thousands of women do. They give it to their daughters as they come to womanhood—they take it before and after childbirth—they rely upon it at middle age. It must be good when 98 out of 100 women say, "It helps me."

### "MY MOTHER TOOK THIS MEDICINE TOO"

"My mother took your medicine the greater part of her life, especially at the Change. She is now 63 and in good health. I took it for weakness when I was single. I also took it before childbirth and I have two lovely girls. I highly recommend the Vegetable Compound especially during pregnancy. It makes childbirth very easy."—Mrs. MARIE LUBECK, 1024 Boston Road, Bronx, New York.

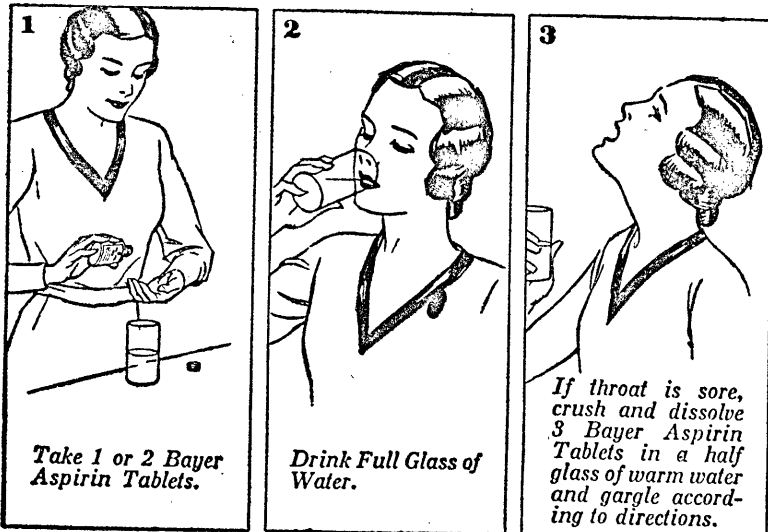

## Gray Hair

### Best Remedy is Made At Home

To half pint of water add one ounce bay rum, a small box of Barbo Compound and one-fourth ounce of glycerine. Any druggist can put this up or you can mix it at home at very little cost. Apply to the hair twice a week until the desired shade is obtained. It imparts color to streaked, faded or gray hair and makes it soft and glossy. Barbo will not color the scalp, is not sticky or greasy and does not rub off.

# HERE'S QUICKEST, SIMPLEST WAY TO STOP A COLD

FOLLOW DIRECTIONS PICTURED BELOW

## Almost Instant Relief In This Way

If you have a cold—don't take chances with "cold killers" and nostrums. A cold is too dangerous to take chances on.

The simple method pictured above is the way doctors throughout the world now treat colds.

It is recognized as the **QUICKEST**, safest, surest way. For it will check an ordinary cold almost as fast as you caught it.

That is because the real **BAYER** Aspirin embodies certain medical qualities that strike at the base of a cold almost **INSTANTLY**.

You can combat nearly any cold you get simply by taking **BAYER** Aspirin and drinking plenty of water every 2 to 4 hours the first day and 3 or 4 times daily thereafter. If throat is sore, gargle with 3 **BAYER** Aspirin Tablets crushed

and dissolved in a half glass of warm water, repeating every 2 or 3 hours as necessary. Sore throat eases this way in a few minutes, incredible as this may seem.

Ask your doctor about this. And when you buy, see that you get the real **BAYER** Aspirin Tablets. They dissolve almost instantly. And thus work almost instantly when you take them. And for a gargle, Genuine Bayer Aspirin Tablets dissolve with sufficient speed and completeness, leaving no irritating particles or grittiness. Get a box of 12 or bottle of 100 at any drug store.

**NO TABLETS ARE GENUINE BAYER ASPIRIN WITHOUT THIS CROSS**

Training Class on "Organizing for Christian Education," January 4-6 and 11-13. There was an average attendance of twenty-five with an enrollment for credit of eighteen. Twelve credits were issued in spite of the fact that a number had to drop out because of sickness. The co-operation of the various groups under the leadership of the pastor and the Board of Christian Education made this class a most helpful course.—Ira A. Brumley, Exec. Sec.

### REV. M. LEO RIPPY TO VISIT N. ARKANSAS CONFERENCE

Rev. M. Leo Rippy, Director of Adult Work of the General Board of Christian Education, will spend January 22-27 in group meetings in North Arkansas Conference. The meetings will be as follows: Jonesboro at 9 a.m., January 23; Hoxie at 1:00 p.m., January 23; Newport, 7:00 p.m., January 23; Batesville,

7:00 p.m., January 24; Searcy, 7:00 p.m., January 25; Marvell, 6:00 p.m., January 26; Marianna, 10:00 a.m., January 27; and Wynne, 6:00 p.m., January 27. He will spend Sunday, January 22, in Jonesboro District.—Ira A. Brumley, Exec. Sec.

### LOCAL CHURCH BOARDS OF CHRISTIAN EDUCATION MAKE GOOD.

There is no doubt about local Church Boards of Christian Education making good where they are being given a fair chance. This is the testimony of a large number of churches in the Little Rock Conference. Several superintendents and pastors have said within the last few weeks that this board is going to be the most important organization in this church. This has been especially emphasized in putting on the Kingdom Extension program. Churches that have a local Church

Board of Christian Education find this board to be the very organization they need to promote it. This board has so many vital matters to attend to that it should meet every month and the wide-awake pastor or superintendent can always find more for it to do than there will be time. It is earnestly suggested that all churches in our Conference organize and put these boards to work.—Clem Baker.

### WILSON STANDARD TRAINING SCHOOL

There will be a Standard Training School held at Wilson, January 22-27. The following courses will be offered: "The Life of Paul," by Rev. S. B. Wiggins, P.E. of Jonesboro District; "Personal Religion," by Rev. H. M. Lewis, pastor at Wilson; and, "Organizing for Christian Education," by the Executive Secretary.—Ira A. Brumley, Exec. Sec.

### CLASSES AT WHEATLEY AND GREENWOOD.

Rev. J. L. Rowland, pastor at Wheatley, conducted a Cokesbury Training Class in his own church, January 2-8, issuing seven credits on the course, "The Teacher and the Book."

A Standard Training Class is being conducted at Greenwood this week. The course on "Evangelism in the Sunday School," is being taught.—Ira A. Brumley, Exec. Sec.

## J. S. M. CANNON MAKES GOOD.

The Little Rock Conference has al-  
ways been fortunate in its lay-leader,  
but perhaps we have never been  
more fortunate than we are now, un-  
der the leadership of J. S. M. Can-  
non. In combining the work of Con-  
ference Lay-Leader and Conference  
Superintendent of Adult Work, un-  
der the Board of Christian Educa-  
tion, he is already putting into ef-  
fect suggestions made in the recently  
much quoted article by Bishop Mc-  
Murry. In fact Mr. Cannon was do-  
ing this before Bishop McMurry ever  
wrote about it.

Mr. Cannon is not only doing this  
himself, but is carrying it down to  
his Districts and already has con-  
solidated the work of District Lay-  
Leader and District Adult Superin-  
tendent under the leadership of one  
man in all but one or two of the  
Districts in the Conference. We have  
heard nothing but unstinted praise  
of Mr. Cannon's services in the re-  
cent series of Kingdom Extension  
Institutes. Again we say our Con-  
ference is exceedingly fortunate in  
having his services.—Clem Baker.

## LITTLE ROCK DISTRICT KING- DOM EXTENSION AND BROTHER- HOOD MEETING.

Possibly the largest crowd to at-  
tend any of the Kingdom Extension  
Institutes was present at Dr. Thom-  
as' Institute, held at First Church,  
Little Rock, last week.

The meeting began at 9:30, had  
lunch at the church at noon and  
concluded with a fine Laymen's meet-  
ing in the afternoon. There were  
100 seated around the lunch table  
and several could not stay for lunch.  
There was not a hitch in the entire  
day. Dr. Thomas was at his best.  
Brothers Baugh and Cannon inspir-  
ed the group with their messages on  
Kingdom Extension. Others speak-  
ing were: Dr. Millar, C. K. Wilker-  
son, C. E. Hayes, Clem Baker and  
others. The utmost goodwill prevail-  
ed throughout this District and all  
indications point to another great  
year.—Clem Baker.

## PINE BLUFF KINGDOM EX- TENSION INSTITUTE

Dr. Thomas' shoes are always hard  
to fill, but Dr. W. C. Watson is  
almost doing it in the Pine Bluff Dis-  
trict. All doubts about his leader-  
ship must have been dispelled in the  
minds of those who saw the great  
crowd that came from over the Dis-  
trict to his Brotherhood and King-  
dom Extension Institute, held at First  
Church, Pine Bluff, last week.

Dr. Watson is a veteran elder and  
knows how to keep a meeting mov-  
ing smoothly. This being the last  
of the seven Institutes, the speakers

on the program reached the climax in their great deliverances on Kingdom Extension. Not a single preacher was absent and most of the charges had splendid representations of laymen and laywomen.

Dr. Glenn served a wonderful lunch at the church. It was followed by a laymen's meeting, led by A. R. Cooper. The spirit prevailing throughout this District and the optimistic attitude of all our elders throughout the Conference, should hearten all lovers of the Kingdom. Dr. Watson will make good on the Pine Bluff District this year.—Clem Baker.

## Best Remedy for Cough Is Easily Mixed at Home

Saves \$2. So Easy! No Cooking!

You'll never know how quickly a stubborn cough can be conquered, until you try this famous recipe. It is used in more homes than any other cough remedy, because it gives more prompt, positive relief. It's no trouble at all to mix and costs but a trifle. Into a pint bottle, pour 2½ ounces of Pinex; then add granulated sugar syrup to make a full pint. Syrup is easily made with 2 cups of sugar and one cup of water, stirred a few moments until dissolved. No cooking needed. This saves two-thirds of the money usually spent for cough medicine, and gives you a purer, better remedy. It never spoils, and tastes fine.

Instantly you feel its penetrating effect. It loosens the germ-laden phlegm, clears the air passages, and soothes and heals the inflamed membranes. This three-fold action explains why it brings such quick relief in severe coughs.

Pinex is a highly concentrated compound of Norway Pine, famous for its healing effect on throat membranes. It is guaranteed to give prompt relief or money refunded.

## ARKADELPHIA DISTRICT KINGDOM EXTENSION INSTITUTE.

The Kingdom Extension Institute for Arkadelphia District convened in Malvern, at 10:00 a.m., January 6, with the Presiding Elder, Rev. J. A. Henderson, in the chair. He read a brief Scripture lesson followed by an inspiring and optimistic talk. Rev. Odem L. Walker, pastor at Benton, was elected secretary.

The roll call showed sixteen charges represented by 52 preachers and laymen.

The following were introduced: Revs. J. F. Taylor, H. B. Vaught, Leland Clegg, Clem Baker, S. T. Baugh, and James Thomas, and Messrs. J. P. Womack and C. E. Hayes.

The Chairman announced that only two items would be considered: The Kingdom Extension with Conference Claims and the Arkansas Methodist.

Dr. James Thomas spoke on the first of these matters with zeal and a spirit of optimism. Dr. J. D. Hammons spoke briefly on the work of the Missionary Council.

Bro. Henderson announced that, without objection, the Cultivation Period for Kingdom Extension would begin now and end with the offering Easter Sunday.

Rev. Clem Baker spoke briefly on The Christmas Offering for The Orphanage; plans for organizing for Christian Education in the District; the Reduced Budget of the Board of Christian Education, and Fourth Sunday Offerings for Missions, closing with a strong appeal for greater consecration.

Rev. S. T. Baugh spoke on Rural Work, The Cultivation Period, and closed with some announcements.

It was announced that lunch was served in the basement and the meeting was adjourned to meet again at 12:45 p.m.

Business was resumed with the Presiding Elder in the chair. The discussion of the Arkansas Methodist was opened by Bro. Henderson. The name of each pastoral charge was called and the pastor asked to accept a quota which the Presiding Elder announced would place the charge in the 100 per cent column. The quota was accepted by each pastor present, the presiding elder accepting respon-

sibility for those charges not represented by the pastor.

Miss Roxa Deal was presented and spoke enthusiastically and encouragingly on "Some Problems of Our Young People."

President Womack addressed the meeting dealing with some of the most vital problems of Evangelism and Education.

After a brief exhortation by Bro. Henderson, who also announced the District Brotherhood would meet at Malvern at 9:30 a.m. February 6, the meeting was adjourned.—Odem L. Walker, Sec.

## "CHRIST AND THE COMING KINGDOM."

(Edited by W. F. Quillian, Methodist Publishing House. Price 25 cents.)

This is a volume which all of our Methodist people should read during January and February. The price puts it within reach of all. The readers are not repelled by a mass of statistics, and only necessary figures are used to make clear the work of the Church. This volume is primarily informational and inspirational. The editor, Dr. W. F. Quillian, has succeeded in producing a book which will appeal to the interest of the reader and which all Methodists who love the Church and the Kingdom of God will want to read. The three-fold ministry of the Church is set forth, preaching the Gospel, teaching, and healing.

Coming fresh and forceful out of the mind and heart of Bishop Paul B. Kern, our great missionary Bishop, is the chapter on "Christ and the Ministry of Missions," which is worth the price of the volume many times over. Dr. R. N. Allen, Assistant Secretary of the Board of Church Extension, gives the brief resume of the history and work of this Board in the chapter, "Christ and the Ministry of Building." Dr. C. C. Jarrell, in "Christ and the Ministry of Healing," writes an informing record of the healing work of our Church through its hospitals as well as a brief account of medical progress as against disease. The remainder of the volume is written by the Editor, Dr. Quillian, with a vivid and comprehensive picture of "The World today," the educational work of the Church in "Christ and the Ministry of Teaching," and the closing chapter, "Christ and the Coming Kingdom," with the emphasis on prayer, faith, leadership, and stewardship.

We cannot too strongly commend this book. We strongly urge our pastors and leading laymen to have it placed in the hands of all our Church people. It will afford the impetus and inspiration which our Churches need to strengthen their spiritual morale.—Christian Advocate.

A state, or nation, or individual that would make a man drunk in order to collect taxes off of him is in the business of selling the virtue of men and women for money. The old barrooms used to make individuals drunk and rob them while in such a condition. Some people today want the state to take up the practice.—Christian Evangelist.

# How Doctors Treat Colds and Coughs

Medical writers agree that the important point in the treatment of a cold, or cough due to a cold, is to relieve the congestion in the nose and throat, thereby preventing serious complications which may follow a neglected cold. To stop this congestion calomel was the accepted and standard remedy until Calotabs, the improved calomel compound tablet was introduced.

Now that science has robbed calomel of its nausea and danger, making it pleasant to take and perfectly safe for general use, over forty million Calotabs are consumed in the U. S. yearly with only the most pleasant and satisfactory results. In millions

of homes Calotabs have proven their superiority in the prompt relief of colds and coughs due to colds.

One or two Calotabs at bed-time with a glass of sweet milk or water. No salts necessary. No nausea nor the slightest interference with your eating, work or pleasure. Next morning the congestion has subsided, your cold or cough is relieved, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you wish—no danger.

Get a family package of Calotabs, containing full directions, only thirty-five cents. Trial size, ten cents. At any drug store. (adv.)

small tonnage class, as well as in the field of heavier models, where International has been a recognized leader for many years.

The chassis of the Model D-1 has a wheelbase of 113 inches, and is powered by a six-cylinder engine of modern, high-compression design, which develops 70 horsepower at 3,400 r.p.m. Downdraft carburation and full-pressure lubrication to all main, connecting-rod, and camshaft bearings, are important engine features. The air cleaner is also regular equipment. The nine-inch clutch is of the single-plate type with built

in vibration damper. The transmission has three speeds forward and a reverse. Final drive is of the spiral-bevel gear type, with semi-floating axle shafts. Semi-elliptic front and rear springs are of chrome vanadium steel, and have self-adjusting shackles. Forty-spoke, 18-inch wheels, a left-front fender well, spare-wheel, and spare-wheel carrier are standard equipment.

In designing the D-1, engineers devoted special attention to appearance, an item which is being increasingly considered by business men in their choice of delivery

units. Styled in the most modern fashion, the D-1 is available in two attractive body types. One is a deluxe sedan-panel body with complete locking equipment, and the other is an all-steel pick-up body with a coupe-type cab. The panel body has a loading compartment 72 inches long, 46 3-4 inches wide, and 47 inches high. The loading space in the pick-up body is 66 inches long and 46 3-4 inches wide. Side panels are 11 inches high with six-inch flare boards and regular stake pockets.
