## "YOUR CHILD AND THE MOVIES"

UNDER the caption above, Dr. Fred Eastman, writes in *The Christian Century*:

"Does your child see drinking at home? If he doesn't, he must think your home quite unusual, for he sees it in most of the movies. In fact, 78 per cent of all pictures contain liquor situations. Drinking is shown as the accepted thing and drunkenness often is funny. . . . How about sex in pictures? One picture out of seven is built around sex as its dominant feature. In the 115 pictures which Dr. Dale selected at random, he found that 43 per cent seemed to be set largely in bedrooms; at least, the bedroom figures as the largest single heading under a classification of settings. In 22 pictures illicit love appears as the 'goals' of thirty-five leading characters. . . . What will your child see when he goes to the movies this week? He may see one of the good and great pictures, but the chances are that the principal picture will be saturated with crime and sex out of all proportion to normal living. It will contain at least one or two murders and various other forms of exciting violence. It will be set against a background of luxury. It will contain drinking, represented either as funny or the accepted thing in American society. It will be peopled by a cheap and tawdry population 'often vulgarly overdressed, often shady in character, sensual, unrestrained, lascivious, much given to crime and sex, with little desire or need apparently of supporting themselves on this difficult planet. . . . but poor, beglamored, unprepared adolescents may be moved to imitate them and to their heavy cost.' What effect will such a picture—and the 51 others he will see this year—have upon your child's imagination, his health, his emotions, his attitudes, his conduct?"

## THREE CHOICES

THOSE who seek a change in our liquor laws say that they do not want the return of the saloon. If they are honest, they have then only two alternatives, the 18th Amendment with enforcement, or sale under government control of liquor to be consumed at some place other than the place of sale. This would require some such arrangement as that in vogue in Ontario, Canada. There are only 311 legal liquor-selling establishments in the whole Province, which is only one for every 11,000 of the population. Liquor is sold only to those who have permits. In 1927 only 220,446 persons had permits; but in 1931 the permits had increased to 429,740, and as there are some 700,000 homes in Ontario that means a permit for more than half of the homes. It is estimated that this means an expenditure of about \$100 a year for every family for liquor. The latest statistics show a large increase in crime during the last four years, and a large bootleg traffic.

Dr. B. H. Spence, an authority on the Canadian system, says: "The number of people brought into direct contact with drinking customs and practices is larger today than ever before in the history of the Province. In the old days only those who wanted to drink patronized the barroom. Today, in homes that did not use liquor previously, it is put before guests who never did and would not drink in a saloon. People will drink in their own homes or the homes of others who would not patronize a public bar. Women and children constitute three-fourths of the home folk. They were not touched directly by the barroom. Home drinking, however, affects the entire family circle. The barroom or saloon was something outside the lives of future Canadians

\* \* \* \* \*

AND HE SAID UNTO THEM IN HIS DOCTRINE: BEWARE OF THE SCRIBES, WHICH LOVE TO GO IN LONG CLOTHING, AND LOVE SALUTATIONS IN THE MARKET PLACES, AND THE CHIEF SEATS IN THE SYNAGOGUES, AND THE UPPERMOST ROOMS AT FEASTS; WHICH DEVOUR WIDOWS' HOUSES, AND FOR A PRETENSE MAKE LONG PRAYERS; THESE RECEIVE GREATER DAMNATION. — MARK 12:38-40.

\* \* \* \* \*

—the children in the Canadian homes. They were not even admitted into its portals. Technically, it is still against the law to supply liquor to minors even in the home. But this is utterly impossible of enforcement and is generally disregarded. In the barrooms there is some chance to enforce such a regulation. In the home, none. This example of law defiance and disregard is wholly bad. Its effect is even worse than the law breaking of the rightly despised bootlegger."

Shall we have the old fashioned saloon, or the saloon in the home, or prohibition?

## A JEWISH CHALLENGE

DR. ALEXANDER LYONS, rabbi of the 8th Avenue Temple, Brooklyn, issued an Easter message which is a real challenge to Christians. A part of it follows: "I call upon the genuine Christians of the world to rally to the banner of the real Christ. In His august name the crucifix has become a cruelty, although the event it symbolizes was capped with compassion. It has been perverted into a parody in that it has prompted the crucifixion of myriads of his spiritual brothers. I challenge the Christian world to measure itself by the standard of its Christ. As long as any groups or individuals are judged by their creed or color or country, in place of their present character of divine possibility, Christianity is a sacrifice instead of a sanctity. To that end I as a brother of Christ in the spirit summon all noble-minded Christians everywhere to an Easter that shall signify Christ realized and not merely Christ risen." Let us in homily seek to meet his challenge.

## TRICKS OF THE TRADE

ACCORDING to *The Southwestern Advocate*, the following letter was written, under date of January 9, 1908, by the joint agent in El Paso, Texas, of the San Antonio Brewing Association and the Houston Ice and Brewing Company, to the San Antonio Brewing Association: "Politics are beginning to warm up here, and there is some talk of a local option party, but I think we have headed it off. The Liquor Dealers Association have been paying poll taxes about one week. We have \$1,200 on hand and expect to use it all. We have about arranged with the ruling political party to allow us to name a Senator and a Representative to the Legislature. We are trying to get Judge D. to run as Senator, and I believe he will go if paid for his time while away from his business. I feel quite sure it will take at least \$3,000 to pay him while away from his practice here, but he would be a valuable man in the Legislature at this time. I think we can get Judge B. who is also a good one, without paying him anything."

We wonder if the Beerites have forgotten the old "tricks of their trade?" We know that they have raised and spent much money to discredit the 18th Amendment, and if it is necessary to pay

for poll taxes to get enough votes to repeal it, we doubt whether they can resist the temptation. They are ear watching.

## JONESBORO AND PINE BLUFF DISTRICT CONFERENCES.

REVELING practically all of three nights about going to bed I was able to leave West Arkansas, spend a few hours in the office, and last week, look in on the Jonesboro District Conference at Blytheville and the Pine Bluff Conference at Rison.

The former, under the presidency of Rev. S. B. Wiggins, who behaved like an experienced P. E., had been in session more than a day and was nearing its close; hence I had to make my three-in-one speech in three sections, one just before the noon lunch, one at the lunch, and another after lunch, which was better than trying to say it all with the delicious repast demanding attention.

As may be seen in the secretary's report, the attendance was large, all the pastors being present, with some 124 laymen and visitors. The tabulated reports of pastors made a splendid showing. It is confidently believed that it will in many ways surpass that of last year. The rising price of cotton gave rise to optimism. The land in this District, taken as a whole, is probably the richest in the State, and in it are many fine towns. In spite of water, crops look well. Much depends on the endurance of the levees.

Charles Stuck, a sturdy young layman, who is as a churchman emulating his father, made a very impressive address against "Repeal." He is organizing that section of the State, and will put up a strong fight. Dr. Hedden, Supt. of the Memphis Methodist Hospital, effectively presented his enterprise, and was rewarded by an unusual pledge of support. The hospital is popular in Jonesboro District where almost every charge has received its care.

Rev. P. Q. Rorie and the Blytheville people entertained lavishly. Request was made for a two days' session next year. The long session this year was enjoyed. My stay was short, but promises of fuller support cheered and comforted me. In this garden spot Methodism is strong and growing stronger.

Through the good offices of Rev. M. W. Miller, pastor at Gillett, I was able to arrive at Rison Thursday night, and, although heavy rain hindered, a small congregation braved the weather and enjoyed a spiritual sermon by Rev. F. F. Harrell of Sherrill. There were some drippings through the roof of the sanctuary. Attendance at the opening was small because the flooded highways had detained some members. Finally practically all arrived and reported before the thrilling sermon at eleven by Dr. James Thomas. All the "Connectionals" spoke pointedly in the ten minutes allowed each. The Prohibition cause is receiving due consideration and the wets will have foemen worthy of their steel. A barbecue dinner, with everything to eat in addition to the barbecued course, was served on the ground to a hungry crowd that did the viands full justice.

Dr. W. C. Watson handled the business skillfully and much was transacted in the morning. The reports, brief and pointed, indicated that pastors and people were co-operating to make this a successful year. It is possible that it may exceed in results those of last year. Rison afforded ample hospitality and the congregations, except as hindered by the rain, were large and appreciative. Rev. M. E. Scott is an accommodating host and is in favor with his people. After noon I was able to return home with Bros. Thomas, Baugh and Cannon.—A. C. M.

## METHODIST CALENDAR

Ft. Smith D. Conf., at Alma, May 23.

Little Rock D. Conf., at Salem Camp Ground, May 31.

## Personal and Other Items

REV. J. L. CRISWELL, our pastor at Des Arc, Sunday, May 7, preached the closing sermon for the Des Arc High School.

THE need of the hour is for a church that lovingly pays to God at least the first fruits of all time, energy, and money.—Frederick A. Agar.

REV. S. B. WIGGINS, Presiding Elder of Jonesboro District, last Sunday night preached the commencement sermon of the State College at Jonesboro.

PRESIDING ELDER W. C. HOUSE announces that the Ft. Smith District Conference will be held at Alma, Tuesday, May 23, meeting at 9:00 a. m. and adjourning at 5:00 p. m.

REV. A. F. SKINNER, a beloved superannuate of North Arkansas Conference, who lives at Conway, has been in very feeble health for months and prospects for his recovery are not encouraging.

AS the question had been raised concerning the eligibility of an office-holder to become a delegate to the July 18 Convention, the Attorney General gives his opinion that office-holding does not bar one from being a delegate.

BISHOP MOUZON, asked for an opinion, has replied that under the law of our Church, no member has a right to sell the 3.2% beer, because it is regarded as intoxicating and the selling of intoxicants is forbidden.

HEADLINES on front page in first column, "Brewers Unable to Supply Demand—Price Goes Up. In next column, "Low Price and Reduced Demand Affects Seafood Industry." Sure. As one goes up the other goes down.—Ex.

MRS. HARRELL, wife of Rev. F. F. Harrell, our pastor at Sherrill, on May 9, submitted to a double operation at the Davis Hospital, Pine Bluff. Although her condition has been serious, she stood the operation well and seems to be on the way to recovery.

PASTORS who wish to attend the Adult Assembly at Conway, June 12, may arrange for rooms for light house-keeping if they wish to bring their families. To get such accommodations, they should notify Mrs. J. W. House, Hendrix College, Conway.

READ THE APPEAL of the Independence Co. League against Liquor for observing Sunday, June 4, as a day of prayer for God's guidance and help in resisting repeal of the 18th Amendment. Fine work is being done in that County by the friends of Prohibition.

THE EDITOR was not able to attend the Helena District Conference, but learns that the session was satisfactory. The Kingdom Extension offering was better than last year. Every church in the District made an offering, except one, but it put on the cultivation program and directed the offering to the Benevolences.

REV. J. E. SNELL, formerly of North Arkansas Conference, now at Quinton, Okla., writes that his wife is in a Fort Smith hospital where she had a serious operation from which she is recovering satisfactorily. They express appreciation of the many kindnesses shown by Arkansas friends. His work goes well. Eighteen were received on Easter.

AT THE RECENT MEETING of the College of Bishops the following dates were announced for the Conferences in the area of Bishop Dobbs: North Arkansas, Jonesboro, Nov. 2; Little Rock, Hot Springs, Nov. 9; Louisiana, Winnfield, Nov. 23. This year Bishop Dobbs will finish a successful quadrennium for these Conferences and he will be heartily received, because his courteous and considerate presidency is appreciated.

THE EDITOR spoke on "Repeal of the 18th Amendment" at Henderson Church last Sunday night, and also to the Junior Leaguers. Under the leadership of Rev. W. C. Hilliard this church is making real progress. About 60 members have been added since Conference, one joined last Sunday and others will soon come in. The attendance on the morning Mothers' Day services was fine. The songs by the male quartet at night were enjoyed.

REV. O. L. WALKER, who has just returned from Colorado, has been transferred from Benton to Walsenburg, Colo., and Rev. Archie Carraway, who has been pastor at Walsenburg, has been appointed to Benton. Bro. Walker has been one of our finest young preachers and his many friends will regret to lose him from Arkansas, but as he makes this change for health considerations, he goes with their best wishes and the hope that he may in the bracing mountain air become robust and continue his useful career. Bro. Carraway will receive a hearty welcome.

WITH elaborate ceremonies in which several large barrels of red wine were opened and consumed, the wharf on the Seine where most of the wine shipments are received was named Quai Franklin Roosevelt today. Wine merchants and dock workers joined in the ceremony, drinking from the barrels and waving French and American flags. Huge shipments of wine are being received daily at the Quai Franklin Roosevelt for storage pending repeal or modification of the Volstead Act in the United States.—Dispatch from Paris.

THE DRY FIGHT IN EUROPE AND ITS RELATION TO AMERICA, by Ernest Gordon, published by the Woman's National Committee for Law Enforcement, 1416 F St., Kellogg Building, Washington, D. C., price 50 cents for paper cover, \$1 for cloth, is just off the press and is of tremendous value to those who are in the present prohibition fight, as it gives information needed to show what may be expected if the 18th Amendment is repealed, and the unscrupulous methods which have been and are being used to promote the liquor traffic. Get it.

MRS. A. W. PLYLER was in Washington last Sunday and attended the evening service at the Mount Vernon Methodist church, where the pastor, Dr. Forney Hutchinson, preached a very superior gospel sermon and then led the big congregation in singing "Old Time Religion." It was

a very fine service. Brice Holt, a young attorney of Greensboro, while in Washington for the inauguration, visited Dr. Hutchinson's church on Sunday and brought back a report like that of Mrs. Plyler. With his old-fashioned gospel Dr. Hutchinson is doing a great work.—N. C. Christian Advocate.

THE ASSEMBLY on Mt. Sequoyah will have many very attractive programs this summer and the cost will be unusually low. Pastors should urge their members who expect to take a vacation away from home, to patronize the Assembly. Address Supt. S. M. Yancey, Fayetteville, for information. As there is to be no Pastors' School at Conway this year, let pastors arrange to attend the Assembly. Those who wish to save expense may go in their cars and camp on the grounds and do their own cooking. In this way expenses may be no more than at home, and a wonderful opportunity for inspiration and recreation may be enjoyed.

HENDRIX COLLEGE last Saturday had brief exercises in connection with breaking ground for the new woman's dormitory. A procession, led by the college band, formed at the dormitory site, on the northeast corner of the campus. The Invocation was by Dr. C. M. Reves. President Reynolds introduced Mr. H. A. Dawson, who spoke in behalf of the General Education Board from which the \$78,000 donation had come, making possible the building. Former Governor G. W. Donaghey, representing the Hendrix Board, accepted the gift, and Mrs. J. H. Reynolds, representing the women alumnae moved the first earth for the foundation. This ceremony was followed by a May Day pageant. The weather was fine and the occasion was auspicious because it marked progress and the continued interest of the General Board in Hendrix College, one of three helped recently in the South.

WHO SHOULD TAKE A COURSE  
IN THE ASSEMBLY?

Every adult in our church, who is interested in further training for more effective work in the church should take one of the courses. All officers of the Adult Division, Adult Classes, Teachers of Adult classes, Missionary Society members, Church School teachers and officers, and parents, will be particularly interested. This assembly, for our congregation is our training school for the late spring season.

Mr. B. A. Short, enrollment superintendent for our church, will begin enrollment for the assembly immediately and all officers, teachers and parents—all adults, should begin selecting courses now and notify Mr. Short.

**CHURCH FINANCES:** The stewards are working on the weekly envelope system, and invite you to pay your account in full for the first six months of the conference year. The improvement in our finances during the Easter season and Mother's Day services is encouraging. ### LITTLE ROCK CHILDREN'S DI- VISION WORKERS

At the May meeting of the workers of the Children's Division, at Winfield Church, May 9 at 7:30, fourteen churches were represented with attendance of 80. This was a gain over the first meeting, where seven churches were represented with 58 workers. There were three representatives from Hot Springs.

One point of work which Mrs. Woodward outlined at the first meeting was a study of books for both children and workers with children. At the meeting Tuesday night, the first part was spent in examining books on display. There was a table for each department and one for the workers. At these tables were leaders who explained the values to be found in the books.

In the Assembly period Dr. Thomas spoke words of encouragement. Miss Lillian Peaslee led a helpful devotional. The group was then prepared to enter into the spirit of the talk by Miss Skinner from Central Office.

Miss Skinner proved to be an inspiration. Those present have said that they felt inspired and encouraged to do better work. Our jobs, no matter how small, were revealed to us as opportunity for service, requiring the best we have.

One felt a power behind her words which can come only from a life wholly attune with the Master. When she said that a teacher should be a guiding hand, walking with the children, taking them step by step as they are ready to go, one felt that she had had that experience.

She spoke of the trends toward group consciousness among the workers, where, with a "common denomi-

## Lydia E. Pinkham's Tablets Relieve and Prevent Monthly Pains

**A Scientifically Prepared, Clinically Tested Uterine Sedative. No Dizziness. No Ill Effects.**

Most women still suffer more or less every month from periodic disturbances... cramping pains, sometimes so severe that they are forced to stay in bed... sick headache, nausea, backache, blue spells... general discomfort which interferes with their activities.

Perhaps they think there is no help for such conditions but *they are wrong.*

Take Lydia E. Pinkham's Tablets three or four days beforehand and notice the difference. They do

far more than simply dull the pain temporarily. They help to correct the cause of the pain, and so prevent its return. If you take these tablets regularly, and if yours is not a surgical case, you may expect to obtain permanent relief. Clinical tests prove it.

These tablets are chocolate coated and pleasant to take. They will not cause dizziness or any unpleasant effects.

Ask for the new size... a convenient tin box which sells for 50¢. The larger size is packed in glass bottles. Sold by druggists everywhere. Don't delay. Give these remarkable tablets a chance to help you as they have helped others.

## Do You Cough?

**D**ON'T be that worst pest of all—the chronic sufferer from colds who passes germs on to family and friends. Build resistance with Dr. Pierce's Golden Medical Discovery. Read what Mrs. Emma Brown of 1202 W. 29th St., Kansas City, Mo., says: "I was in a run-down condition, due to a severe cold in my chest. I coughed quite frequently and felt weak, run-down and nervous. But Dr. Pierce's Golden Medical Discovery soon built me right up, drove away that aggravating cold and cough and I felt stronger in every way."

After hearing her each felt that he had already "reached upon the higher shelf" of which she spoke and that we had communed with God, through the agency of one of his followers.

The next meeting will be the third week in June, at Hunter Memorial, at 7:30.—Olive Smith. Sec.

#### IN TEXARKANA DISTRICT

Sunday, May 7, was to the writer a high point in many ways. I left home at 5:25 a. m. and met Rev. Harold D. Sadler, Presiding Elder, at Arkadelphia. We drove to Belleville Church, Lockesburg Ct., where he preached a helpful sermon and held Quarterly Conference.

Rev. E. B. Adcock is pastor. He and many fine officials and others were present. After Quarterly Conference the ladies spread a wonderful dinner on the ground.

After dinner, Brother Sadler and I drove to Lewisville, where we put on the picture service at night. Rev. C. E. Whitten is pastor at Lewisville. We had a nice visit at the parsonage.

Brother Sadler and I spent the night in the home of Mr. McKnight, where we enjoyed the visit.

Monday morning Brother Sadler left on the early train to Texarkana. Then I drove through Hope; stopped at Emmet a few minutes with Rev. A. C. Rogers and found that they are improving the parsonage and Church and their beautiful grounds and are going to make it the beauty spot of Emmet.

Our people are hopeful, cheerful, trying to live religiously, holding to the eternal verities, standing by their Church and its program of World Evangelism, and most of our Christian people are happy. It is a delight to serve the fine pastors and people of the Little Rock Conference. May the Lord richly bless all.—S. T. Baugh.

#### A COUNTRY W. M. SOCIETY

Mrs. Emmet Harrison, president of the W. M. Society at Belleville Church, Lockesburg Circuit, reported to Quarterly Conference that they had bought a piano for the church and paid for it this winter. This is excellent. The Society at Belleville was organized last year by Mrs. W. L. Phillips, district secretary.

We should have a Society organized and working in every country church.—S. T. Baugh.

#### ABANDONED CHURCH RE-OPENED

Old Bethel Church, north of Crossett, abandoned for many years, has been picked up and reopened for worship by Rev. J. E. Cooper, our pastor at Crossett. This is good news. Brother Cooper reports large crowds and fine interest.—S. T. Baugh.

#### STANDARD TRAINING SCHOOL AT HAMBURG.

A school for the southern end of Monticello District will be held at Hamburg, May 29-June 2. Three courses will be offered: "Organizing for Christian Education in the Local Church," "Children's Workers" and "Worship in the Young People's Division," for young people and adult workers with young people.

This is the first Standard School ever held at Hamburg. We congratulate Brother Simpson and Brother Cooper, who are co-operating, and expect this to be a good school in every respect.—Clem Baker.

#### MONTICELLO AND PINE BLUFF DISTRICT CONFERENCES.

It was my privilege to attend the Monticello District conference at Warren, and the Pine Bluff District Conference at Rison. Presiding Elders Hamilton and Watson put me under additional obligations for the fine opportunity to represent Christian Education. These elders know how to run District Conferences.

Both places furnished excellent entertainment, but the people at Rison, in furnishing a barbecue, supplying the nurses for the children and a garage man to repair all tires of delegates, went a little further than any District Conference I have ever visited.

A special feature of Pine Bluff Conference was a young people's service on the closing night, in which Mary Turner, Rev. H. D. Sadler, Dr. C. M. Reves, and the writer shared in the program.—Clem Baker.

#### MALVERN TRAINING SCHOOL THIS WEEK.

I enjoyed the opening session of Malvern Training School Sunday. It was followed by a reception given the faculty and board of managers at the home of Rev. and Mrs. Fred R. Harrison.—Clem Baker.

#### SCHOOLS URGED TO SEND IN SUNDAY SCHOOL DAY OFFERING

We were heartened while attending District Conferences by promises of pastors and superintendents that Sunday School Day offerings would be taken in all churches. A number of pastors reported offerings had been taken. For all this we are profoundly thankful.

We urge that all offerings be sent in at once. Our needs are such that offerings sent now will be more appreciated than anything our pastors and superintendents have ever done for us.—Clem Baker.

#### YOUNG PEOPLE'S SUMMER ASSEMBLY

Indications are that our young people are more interested than ever in the Assembly to be held at Conway in June. Our program is complete and everything will be in readiness.

May we not again urge that our pastors help the young people select their delegates, and, when necessary, help them arrange for finances. The total expense, including the banquet, registration and room and board for the Assembly, will be only \$6.00. Delegates are urged to send \$1 at once to their District Secretaries, as a registration fee. The \$5 remaining can be paid at Conway.—Clem Baker.

#### DR. SMART SECURED FOR BIBLE CONFERENCE

Dr. W. A. Smart, of Emory University, greatly loved by Little Rock Conference people, has been secured as speaker for a Bible Conference to be held for Little Rock Conference, at First Church, Little Rock, September 21-24.

Rev. M. Leo Rippey, director of Adult Work for our General Board of Christian Education, has been secured for a Conference on adult work for the same period. These two make a great team and our people look forward to this treat awaiting them.—Clem Baker.

## Church News

### OBSERVE SUNDAY, JUNE 4

The Citizens League Against Liquor of Independence County, on May 5, after prayer and earnest consideration of the most effective means to repel the Repeal of the 18th Amendment, appointed the undersigned committee to write to our ministers in Arkansas very earnestly requesting:

1. That Sunday, June 4, be observed in all churches and places of worship as a day of prayer that God may guide and use his people to the end that all may be informed, aroused and enlisted so that an overwhelming majority of votes be cast on July 18 against Repeal of the 18th Amendment.

2. That God's people throughout the land fearlessly and zealously lead the movement and endeavor to unite all forces in effectively supporting the 18th Amendment.

3. That all ministers receiving this communication be requested to write promptly indicating that you will support the movement in every way possible. Also, any suggestions that you care to make will be highly appreciated. We need your help.—W. S. Lacy, John Q. Wolf, W. V. Womack.

### JONESBORO DISTRICT CONFERENCE

Jonesboro District Conference met at Blytheville First Church, May 9-10, with 150 preachers and delegates present, Rev. S. B. Wiggins, presiding. H. J. Couchman was elected secretary and P. V. Galloway, assistant secretary.

Prominent and interesting speakers were present, among whom were Dr. Hedden, Supt. of Memphis Methodist Hospital; Rev. S. M. Yancey, who spoke about the Summer Assemblies; Charles Stuck, who gave a very interesting talk on Temperance; Dr. A. C. Millar who represented the Arkansas Methodist; Rev. L. E. Mann, who spoke in behalf of Conference Group Insurance; Rev. D. H. Colquette, who represented the American Bible Society; Mrs. Preston Hatcher, who spoke on the Children's Work in the Church; Rev. G. G. Davidson, who represented the Southern Theological Schools; Rev. Ira Brumley, who spoke on Religious Education and Training Schools, and Rev. G. F. Sanford, who talked on Extension Churches.

Rev. H. M. Lewis preached an inspiring sermon at 11 a. m. of the first day, after which the sacrament was administered by the superannuated preachers present, Revs. J. T. Hood, C. F. Wilson and R. D. Kennedy.

The Manila League gave an interesting pageant at the evening service after which Bro. Sanford showed with slides the area that is being reached by Methodism and the new fields being occupied.

Claud Oswell Hall, Jr., and Lyman Tilden Barger were licensed to preach. Everett Patton and Claud Hall, Jr., were recommended for admission on trial.

The pastors reports showed the following: 263 additions on profession of faith; 374 additions by certificate; 89 infants baptized; 7,492 pas-

toral calls; 148 Arkansas Methodists taken; 320 training credits; 68 per cent of salaries paid to date; 53 per cent of claims raised; 48 per cent of claims remitted; \$7,796 raised for churches and parsonages.

Delegates to the Annual Conference: Z. B. Ballew, Mrs. C. H. Bumpers, C. J. Chaplain, Paul Cooley, G. A. Lamb, Mrs. W. J. Le Roy, Mrs. E. K. Sewell, W. R. Stuck, Charles Stuck, Fred Stuckey and Mrs. S. B. Wiggins; alternates: L. S. Johnson, Mrs. E. C. Kiech, Mrs. J. W. Moore, B. W. Cowan and B. B. Broom.

The conference voted to meet in Bono next year—H. J. Couchman, Secretary.

### REVIVAL AT BAUXITE

We have just closed a helpful and interesting revival. Rev. H. B. Vaught, of Asbury Church, was the preacher. Services were held twice daily, at 2:00 p. m. and 7:30 each evening. Our people of all denominations say that this was perhaps the most successful meeting ever held at the Methodist Church, one in which all denominations took a part. All our church people are on a higher plain of Christian living and there is a greater spirit of fellowship and co-operation among our people of all faiths. Especially do we appreciate the splendid co-operation on the part of the Baptist Church. Several of their principal services were dismissed that their people might attend our services. There was a large attendance of people from other towns and communities—Little Rock, Benton, Bryant, etc. A great service for men and boys only was well attended Sunday afternoon. There were several reconsecrations and a number on profession of faith and baptism. Bro. Vaught is a really great pastor and an interesting and instructive preacher. Our people here have learned to love him.—John L. Tucker, P. C.

### A PRESIDING ELDER POUNDED

The writer went to Gillett and Little Prairie Charge the other day to hold a quarterly conference. He was met at the bus station by that live and successful pastor, Rev. M. W. Miller, and driven to the parsonage. After lunch, the pastor and wife began to fix around and upon inquiry, I was told the people of the two churches were going to pound the pastor and "elder." Well, they did. They brought everything that was eatable, some packages labeled "elder" and some pastor. One fine woman gave the "elder" a big country-cured ham weighing 25 pounds. So, I am taking this method of thanking that whole crowd, including the pastor and wife, because I have a notion that they were behind it.

The next day out at Camp Shed we had a great crowd, (Sunday School Day program), a very religious preaching service, dinner on the ground, and such a dinner! I will not attempt to describe it, but it was sumptuous and plentiful, after which we held the quarterly conference and everything was right up to date. Bro. Miller and wife are deservedly popular and are doing splendid work.

My reception back on the Pine Bluff District after an absence of twelve years has been all one could desire, both from the pastors and laity. Thanks to Dr. Thomas, this is the best manned District as a whole I have ever known, and we all are happy and hopeful.

Again thanking the good people of Gillette-Little Prairie and with love to the brethren, I am cordially,  
W. C. Watson.

### REVIVAL AT KEITH MEMORIAL

A three week's protracted meeting at the Keith Memorial Church of North Malvern, culminated in a revival. Fifteen members were received, four by letter and eleven by baptism and profession of faith. The services of the first week were conducted by the pastor, Rev. O. C. Bidwell of Hot Springs due to the preaching the second week. Because of a conflicting engagement, he was unable to stay, but Rev. B. F. Roebuck, pastor of Pullman Heights Church of Hot Springs, served as the visiting evangelist the last week. Rev. Joe M. Warren, a local preacher from the Oaklawn Church of Hot Springs, rendered excellent service as an evangelistic song leader. While we are happy over the results and deeply appreciate the services rendered by the Hot Springs brethren, we give our heavenly Father praise for the revival. With this start we look forward to a good year at Keith Memorial, hoping to strengthen Methodism in Malvern. — Robert Beasley, P. C.

### FAYETTEVILLE DISTRICT CONFERENCE

The Fayetteville District Conference met at Berryville, April 25 and 26, Rev. F. R. Hamilton, presiding elder. After opening service led by the president, Rev. W. A. Downum was elected secretary and Rev. O. M. Campbell assistant. Committees were immediately appointed and reports of work in the several charges were made. Emphasis was given to Evangelism, Education and Christian living.

The reports of pastors were very heartening and quite definitely indicated progress. More than 200 additions and over half on profession of faith and coming through the regular services of the church. While revival meetings are planned and will be held later, very few have been held to date. Financial reports were unusual and well balanced. Local Boards of Christian Education organized and effectively carrying out the program of work. Thorough interest in all the rural sections and outlying territory. These are some of the high points in the reports.

Much of the progress is due to the fact that, in the very beginning of the year, a meeting of all pastors and leaders was called and definite plans formulated with particular groups designated to assist the Presiding Elder in carrying out the work.

Camp meetings will be held during the summer at Huntsville, Zion, and Thornberry Chapel. These points were at one time Methodist strongholds and should be so again.

Mrs. A. L. Trent of Fayetteville was present and spoke sanely and ably on the Temperance Cause. Dr. G. W. Droke, one of our most faithful and experienced Christian laymen, spoke on public worship and wisely suggested that Methodists be more silently reverent in the House of Worship.

The preaching was done by Rev. H. H. Hunt, Rev. E. H. Hook and Rev. E. E. Stevenson. Short devotional services were in charge of Rev. A. G. Walton and Rev. A. L. Cline. Mention should be made of the splendid music furnished by the Berryville Choir, which, under the direction of Brother Webb, their pastor,

has become one of the best in Northwest Arkansas. The male quartet from Bentonville was on hand and pleased the Conference with several numbers.

Three young men were licensed to preach: Roy True, Ronald White and Galwin Spence.

Delegates to Annual Conference were elected as follows: G. W. Droke, Irl Bridenthal, Mrs. W. A. Downum, A. A. Backus, Mrs. A. L. Trent, Mrs. F. R. Hamilton, S. A. Diehl, Beverly Raikes and R. N. Shaw. Alternates: C. M. Sisco, W. H. Martin and C. W. Harrington.

R. N. Shaw was elected District Lay Leader with Beverly Raikes, A. D. Buell and Henry Carnahan associates.

The next District Conference will be held at Springdale.

The people of Berryville, led by their pastor, Brother Webb, were untiring in their efforts to provide most thoughtfully for our entertainment and their many kindnesses were deeply appreciated.—Reporter.

### LAKE VILLAGE

Rev. J. M. Hamilton, our P. E., came Sunday, May 7, and preached a good sermon and held our Second Quarterly Conference. Twenty-one members had been received during the quarter, 13 on profession. The Kingdom Extension book had been completed and \$42.60 sent in. Dr. Goddard's course in Evangelism had been studied at prayer meeting. Observed Anniversary Day and S. S. Day and quota, \$5, sent in. Five dollars contributed each fourth Sunday by the Sunday School for Mission; \$4.20 raised for Anti-Saloon League, A Young Woman's class organized in the Sunday School. The W. M. Society was very active, not only holding their regular meetings, but ministering to the sick and distressed and visiting strangers.—F. C. Cannon.

## MAKES WOMEN LOSE FAT

Miss Rea M. Haines of Dayton, Ohio, writes: "I weighed 180 so started to take Kruschen. I never was so surprised as when I weighed myself the first week—I lost 7 pounds. I just bought my 3rd jar and am down to 145—am still taking them and never felt better in my life." (June 17, 1932).

To take off fat—take one-half teaspoonful of Kruschen Salts in a glass of hot water in the morning before breakfast—one bottle that lasts 4 weeks costs but a few cents—get it at any drugstore in America. If this first bottle fails to convince you this is the SAFE and harmless way to lose fat—your money gladly returned.

## THE ROMANCE OF MEDICINES

Some of the most interesting romances will be found in the march of industry; for back of nearly every product which gains public acceptance is the very human story of somebody's ideal, ambition, ingenuity, enterprise, disappointment, struggle, and final achievement.

The heart pangs and anguish; the privation and hardships, which accompanied the early years of the development of package medicines, are an important part of the history of our nation. The public seldom appreciates the doubt, the ridicule, the ostracism and the enormous financial risks which were suffered by the early pioneers in medicines. Their faith, determination and pioneering spirit were responsible for developing and bringing to our medicine shelves those well known package medicines which afford economy and convenience, and which are so essential to our everyday lives.

Today we take our family remedies for granted as naturally as we accept the air or the sunshine. What do we know of the dozens of package medicines in our homes? What of their history? Their early development? Why were they ever originally prescribed? By whom? Why are they today so generally used throughout the world?

## WOMEN'S PAINS

### EASED QUICKER BY LIQUID MEDICINE

Why prolong your discomfort waiting for solid pain remedies to dissolve in your stomach? When you take Capudine for periodic pain, rheumatic or neuralgic pain, headaches, or aches due to colds, you needn't wait for relief because Capudine is liquid and its ingredients are already dissolved. Your system absorbs them at once. Soothing relief follows immediately.

Use Liquid

## CAPUDINE

...It's already dissolved!

## Cramps and Pains In Side and Back

"I had suffered with cramping and pain in my sides and back," writes Mrs. J. V. Bourque, of Gonzales, La. "I was so weak I could hardly walk. Cardui seemed to build me up, and after about twelve bottles I was better and stronger than I had been in years."

Women who find themselves in a weak, run-down condition can hardly expect to be free from troublesome, painful symptoms.

Where the trouble is due to weakness, Cardui helps women to get stronger and thus makes it easier for nature to take its orderly course. Painful, nagging symptoms disappear as nourishment of the body is improved with the assistance of Cardui.

Sold at drug stores here.

"It is a mark of distinction to be a reader of this paper. Don't fail to let our advertisers know it. When answering their ads, mention this paper."

Most package medicines were originally prescribed by that beloved individual, the memory of whose self-sacrificing life is most beautiful—the old family physician. Being prescriptions of merit which produced results, they survived. They became much in demand and consequently much prescribed by their originators. Perhaps the demand grew so rapidly that the old doctor found himself unable, with his limited equipment, his modest kit, to fill the need. Often he, sometimes assisted by his kinsmen or friends, prepared to meet the demand by a quantity production, that the meritorious prescriptions might receive the wide-spread use which their popularity justified. Then came years of toil, hardships, risks, struggles; with life's earnings and life's efforts invested. Eventually the laboratory and the machine entered the picture, and every invention of a modern world was utilized to increase perfection, production and distribution.

The early histories of many of our package medicines are indeed romantic. While necessity and a definite need may have actuated their commercialization, most of them "saw the light of day" as a result of the unselfish, self sacrificial effort of our medical patriarchs of old, who built so solidly that even the march of time has found great difficulty in improving their handiwork.

Whether an individual package medicine has been on the market for scores of years, or whether it is the more recent product of medical research, a large proportion of package medicines in general are based upon solid scientific knowledge, and deserve the confidence of the public. Proprietary remedies which can ease human suffering, mitigate human distress, or add to human health and physical efficiency, at a price within the reach of the poor man's pocket-book, are indeed worthy adjuncts to American life, as well as American commerce. They can be safely relied upon as Lord Bacon expressed it, "to tune the curious harp of man's body."—Wm. P. Jacobs, Clinton, S. C.

### NEIGHBORHOOD PHILOSOPHY

Will Rogers wasn't so far off when he suggested that the country needed advice from ordinary folks even more than from heads of great corporations.

That nerves us to try our hand at it once more, in an effort to get illumination from the diagnosis of an ordinary neighborhood, your own, for example.

Your neighborhood is not decimated by death or by disease, your homes are not wrecked nor the farms destroyed as in France's war zone. Your neighbors are really just marking time, waiting for the sun to rise, Think over their needs.

A needs his house painted and is only waiting until his bank is reopened and gives him a chance.

B needs his whole home decorated from den to parlor, just waiting for A to give him the job of painting his house.

C needs a new water-heater but he can not get it until D pays him a loan of some months' standing.

D can not pay because the Gas Company let him off weeks ago.

F needs a car. His present car

rattles so the neighbors know when he is coming, but he can not buy because F, who lives upstairs, has not paid him any rent for months.

F can not pay his rent because he has to support his brother's family, big G, Mrs. G, and the little G's.

G is stranded because the city let him out of his job in the interest of economy.

H is the milk man who can not get his money from the city for his welfare customers, and so he can not pay his taxes he owes the city.

L runs the garage but can not pay his church dues because E puts off buying a car.

J is the parson who needs a new suit but is waiting for I to pay up, etc., etc.

This is a situation that can be helped a whole lot by rebuilding our confidence in one another and going ahead by faith.

Buying will not cure all our ills but building confidence will cure half of them. The converted hoarder could bless a dozen homes, by starting the healing waters to flow out from his heart.

Only yesterday, your neighbors were all at work. It is true that machinery is gaining on labor every hour of the depression, but all the technocrats and all the "other-crats" can not make many of us believe that all these neighborhood needs are going to be supplied over night by some super-machine. As Mr. Dooley said, long ago, "Men are still buried by hand."

Set out today to be a builder of confidence among men. Get your neighbors to church where they get the upward look. Build faith in yourselves and in them.

We can make that first grade without any help from technocracy; that will still leave us a long way to go, but we will be on the way, hopefully. Otherwise we will all starve to death waiting for the "techs."

Let us announce to all the world that our neighborhoods are "sound" and only await a chance.—Michigan Christian Advocate.

### SUNDAY'S SERMON SUBJECTS

Our sermon subjects Sunday should prove of vital interest to all of our people. In the morning we shall discuss God's Cure for the Blues. This is a simple remedy that can be applied by any Christian and it is unfailing in its results. If you have been inclined to be down in the dumps, don't fail to hear this sermon. And Sunday evening our sermon grows out of the Prohibition situation. We shall discuss "The Rattle in the Water Wagon." Every citizen must begin to make up his or her mind about Prohibition. Those who would destroy it are using the radio, the public press and the forum, to advance their ideas. Certainly those of us who favor it must leave no stone unturned to give the people the facts. You will want to hear this sermon on "The Rattle in the Water Wagon." Sunday evening, and we urge you to hear it from the church instead of listening in on the radio.

### FATHER AND SON BANQUET MAY 24TH.

At 7 o'clock Wednesday evening, May 24, the annual Father and Son Banquet of Winfield Church will be held in the church dining room. Heretofore the women of the church have been leading the men in numbers and enthusiasm, but the men are out now to set a new record and establish a precedent for Winfield Church. Men will serve the dinner, make the speeches and sing the

songs. No woman will be allowed in the dining room during this banquet.

A special committee has been appointed, headed by W. A. Weidemeyer, to help fathers who have no sons to get in touch with sons who have no fathers and to bring them as their guests. If a father has more than one son he may bring all of them and the more the merrier. Prizes will be given to the oldest father present and to the youngest son and to the father having the greatest number of sons present.

A great program has been arranged consisting of songs, short speeches and fun, and if you miss this banquet you will miss one of the great occasions of the year. Fathers, bring your sons! Sons, come with your fathers!

### HELP YOUR STEWARD.

The Stewards of Winfield, under the leadership of R. E. Overman, chairman of the Finance Committee, have on a campaign to meet all of our outstanding obligations in full by District Conference, which convenes May 31. We are sure that every member of the church will co-operate with whole-hearted enthusiasm in this worthy undertaking, and we urge you to get in touch with your steward or the church office pledging your support and help. These stewards are busy men and you can be of great help to them by doing this simple thing.

## IMPORTANT

### ONE-HALF YEAR GONE.

Two more Sundays and one-half of our Conference year will have passed. You will notice that not much is said from our pulpit about money, but your church NEEDS every dollar promised on the budget, and we are asking all who have not pledged as well as those who have, to pay in the next two Sundays, at least one-half of what they will pay this year. When hundreds of our members get in arrears it embarrasses your church, because our bills must be paid and paid promptly.

There are many of our members who have refused to make a pledge this year, and, as is usually the case, have paid nothing. We have some who are paying, who could not make a

unreservedly recommended, "Terror Trail" is an exciting western; "The Boiling Point" is reported as possible. No estimates are yet available for "Eagle and the Hawk" and "Adorable."

pledge. We can only look to the membership to pay their obligations to the church in order that the church may pay its obligations. It is YOUR church and YOUR obligation. Your payment of a good amount now will be appreciated.

Here are the items of the budget for which your contribution is used:

Pastor's salary,  
Presiding Elder's salary,  
Director of Christian Education,  
Church Secretary,  
Music,  
Janitor service,  
Light, heat, water, phones,  
Supplies,  
Postage,  
Printing and stationery,  
Repairs and church parsonage,  
Pulpit and Pew,  
Parsonage taxes,  
Insurance,  
Church School,  
Conference Benevolences,  
Church building.

Through an arrangement between the Board of Stewards and the editor of the Arkansas Methodist, each Winfield family will receive the Methodist without charge so long as Pulpit and Pew is published as a part of the church paper.

### TEN COMMANDMENTS FOR PARENTS

1. Thou shalt love thy child with all thy heart, with all thy soul, with all thy strength, but wisely with all thy mind.
2. Thou shalt think of thy child not as something belonging to thee, but as a person.
3. Thou shalt regard his respect and love, not as something to be demanded, but something worth earning.
4. Every time thou art out of patience with thy child's immaturity and blundering, thou shalt call to mind some of the childish adventures and mistakes which attended thine own coming of age.
5. Remember that it is thy child's privilege to make a hero out of thee, and take thou thought to be a proper one.
6. Remember that thy example is more eloquent than thy fault-finding and moralizing.
7. Thou shalt strive to be a sign-post on the highway of life rather than a rut out of which the wheel cannot turn.
8. Thou shalt help thy child to see beauty, to practice kindness, to love truth, and to live in friendship.
9. Thou shalt teach thy child to stand on his own feet and fight his own battles.
10. Thou shalt make of the place wherein thou dwellest a real home—a haven of happiness for thyself, for thy children, for thy friends, and for thy children's friends.—Paul M. Pittman, in The Parents' Magazine.

### A CREED FOR YOUNG PEOPLE

I believe in myself, for all matters essential to me come at last to me for personal decision. I will therefore train and keep myself fit for such great decisions.

I believe in the past. All that I now enjoy is the gift of people older than I, men and women of countless yesterdays; men and women of today, now surrounding me. I will not despise the past nor cast slurs on older people. Their errors may be many, but their gift to me is large. If I use it, I will be grateful. If I can improve it, I will be most true to them.

I believe in the future. I am one who will help to make that future. I must be a good workman. I will not let anything spoil my workmanship. Such pleasures as I need, I will take only as it promises not to spoil me as a builder of the future.

I believe in God. I cannot understand all that others say about him, nor can I agree with all I hear about him. But I will seek to know better the spirit that I feel in my own soul and guide myself by the highest that I feel and know.

I believe in the high realities of character, purity, nobility, honesty, industry, kindness, and truth. And I will follow these, even though the road be hard, for my soul tells me they are the true riches.—George Lawrence Parker, in The Watchword.
