Blast off with the first VBS to land on the moon! Cokesbury's To Mars and Beyond will help kids discover the wonders of God's universe as Voyagers on a journey through space, exploring where God's power can take them. At the same time, it's about another race. A race that began at the Garden of Eden and continues until this day, made up of all people from all time. What race? The human race. As we move around the world in The Incredible Race from Answers VBS, we'll make pit stops before, during, and after the Tower of Babel. Kids will discover how this event from the Bible matters today.	Kids learn about God's plan of salvation from creation to cross.	Giddyup Junction is a western-themed VBS where kids spin lassos, mine for gold, and ride horses, complete with an Old West town, cactuses, and covered wagons. Kids will learn about the good news of God's love—the gospel—going to new frontiers in the book of Acts. They will respond to God's love and learn how they can take it to new frontiers today.	Whoosh VBS is an exciting journey where everyone will experience God's power, presence, and steadfast love!
